

CALL FOR EXPRESSION OF INTEREST

African Leadership Excellence Academy (AFLEX) is organizing an International one-stage Conceptual Master Plan Design Competition for its establishment (50 ha) in Sheger city, Mana Abichu sub-city (formerly named as Sululta), Mizan area, that is going to be conducted in a restricted (Limited) procedure, as the competition will be preceded by a process of prequalification.

The prequalification is a selection process that aims at identifying applicants, who have proven experience in design works related to academic institution master plan preparation or other projects of similar complexity. Hence, the prequalification is a preliminary step of the Competition.

Association of Ethiopian Architects (AEA) is fully engaged in the planning and administration of the competition as per the guidelines of the Competition Bylaw of AEA. The Terms of Reference (TOR) for the competition is in the process of being finalized, and will only be released to prequalified firms who shall thereafter be considered as competitors.

All local Architectural/ Architectural and Engineering Firms of Category III and above, will be eligible to participate only by forming a consortium (joint venture) with an international firm of proven experience and similar category that holds a valid trade license, and is in good standing with regards to its registration in the country of its practice. The local firm shall be the lead firm.

This initial communiqué is therefore being issued in advance to give potential competitors enough time to engage in the formation of a consortium and to make all other necessary preparations they deem to be fit. Interested parties are encouraged to convey their expression of interest by completing and returning the attached submittal form to the email address; impc@aflexacademy.gov.et
The maximum file size to be submitted shall not exceed 20MB in total.

The communiqué has been made public on the Ethiopian Herald and on all social media outlets (refer to the links below) of both the promoter (AFLEX) and organizer (AEA), as of March 9th, 2023 and the deadline of Submissions is March 30, 2023.
