Dear Friend,

I want to thank you for downloading this e-book.

In this volume, we are going to put an end to every altar that has altered your life. **God is going to raise an altar that is going to alter every altar that has ever altered your destiny.** Brethren in Christ we tired of negative altars that are speaking against us, this time around the Fire of God by force will remove them. The children of Israel had been prospering and walking in dominion. They were possessing their possessions and doing well. Then Balak hired an evil prophet Balaam to curse them! This prophet understanding spiritual things therefore prepared seven altars, the perfect altar. Seven is the number of perfection. When the prophet tried to curse God's people his altar did not work because sin was not found in the people of God. God had said to him in Numbers 22: 12; ***you shall not curse Gods people for they are blessed.*** This evil prophet did not give up. He prepared

again the second altar seven times. This shows you that our enemy is very stubborn and does not give up.

You are going to learn in this e-book;

- **What are altars and how do they affect your life?**
- **How the enemy uses altars to destroy lives?**
- **What are different kinds of altars?**
- **What about witchcraft attacks?**
- **How do I raise godly altars and cover myself against witchcraft attack?**

In spiritual warfare you cannot really do much or affect much if you do not understand this two important subjects, altars and witchcraft. There are people who have tried everything they can to be free but still found themselves bound. The answer is altars. You must address the altars that are speaking against your life. You must confront the witchcraft spirit behind your lack of progress, your financial situation, your stagnant life. You must dig deep into your bloodline and break every evil foundation that have been erected for ages and serve as contact point for demons to gain access into your life and family. This volume will teach you about this altars and witchcraft attacks and help you pray your way to breakthrough in Jesus name. This volume is an extract from *'Deliverance by Fire, by Force'*.

WHAT IS AN ALTAR?

- Altar is a place of spiritual sacrifice; it can be in the godly way or satanic way.
- It is a place of contact with the spirit world; altars are still used in the kingdom of darkness to make contact with demonic spirits.
- It is a place of communion with God or gods, whenever God wanted to establish covenant or speak to his servants He will require them to build an altar.
- It is a place of servicing and activating covenants; whenever demons or devil worshippers want to initiate or establish covenants they will use altars.
- It is an entry point of spirits into the earth; an altar serves as means of opening one to the spirit realm.
- It is the launching pad of spiritual operations to attack; when Balaam wanted to curse Israel he prepared seven altars to use them as a launching ground for spiritual attacks.
- It is a place of fellowship with the devil.
- Satanic altars are raised to stop people's progress; most breakthrough delays are by demonic altars blocking Gods intervention.
- They are raised to kill, destroy, and rule nations; great leaders of our world have altars where they draw powers from as they sacrifice on them.
- They are raised to stop the move of God; whenever Gods people are advancing the devil will build altars to try and block Gods move.

An underlying definition for altars is; a place of sacrifice for demonic agendas or service. As a child of God you need not fear, the Lord is going to put your enemies to shame, every altar is going to fall down and bow, God will never allow the enemy to win, let the Lord deal with demonic altars now in Jesus name, Pray out loud;

- Every altar raised against my life I command it to fall down by fire.

- Every curse projected against me from a demonic altar I scatter it now by fire.

- Holy Ghost Fire (x7) against every Balaam altar erected to curse my life. In Jesus name I pray.

DIFFERENT TYPES OF ALTARS

1**. Godly altars:** A child of God can raise an altar of prayer, intercession, worship, thanksgiving, tithing, sacrificial giving unto God and His kingdom. This counteracts satanic altars. I believe everyone should be part of this three altars under Godly altars, they are; 1) a personal altar, 2) a family altar and 3) a cooperate altar. Personal altar is your own personal quite time with the Lord, family altar is for you and your family praying together, cooperate altar is for the church the saints where you gather for fellowship and worship.

2. **Marine altars**. The devil is set up marine altars in the land to service his operations in the sea. This are places located by the sea, churches that worship marine spirits all serve as altars for these spirits to be released into the earth. In the book of Exodus, God told Moses to go early in the morning to the River Nile before Pharaoh got there. This was so that he could cancel the marine altar that Pharaoh often sacrifices to.

3. **Territorial altars**. Every nation, town or community has its own territorial spirits that governs it, often these spirits are serviced through altars. The altars can be on the strongman of the city, a sangoma (witch doctor) or sometimes they located where satanic covens are operating, where people are sacrificed.

4. **Forest altars**: there are forests that are used as places of sacrifices.

5. **Road accident altars**: Road accidents are amongst many places where the devil has set up altars to sacrifice men, have you ever heard of a road where often accidents occur, it's all planned. We need to counteract these altars in the name of the Lord. Pray out loud;

> ***I declare every Road accident altar set up against me, you will not harvest my life and my family and fellow men, and I nullify your power and destroy you by the blood of Jesus and the name of Jesus now.***

6. **The sun, moon, and stars**: The elements are a place where the devils operate; they can be used as evil altars and programmed to work against an individual. In Judges 5:20 we are told that the stars in their courses fought

against Sisera. How can the stars fight? It was spiritual programming. Psalms 121:6 says; that the sun shall not smite you by day nor the moon by night.

In 2 Kings 3:26-27, the king of Moab offered his eldest son as a sacrifice to his evil altar and the Bible says those who fought against him departed from him and left to their home, Altars are powerful and I pray that God will open your eyes against evil altars, especially in your family confront them and destroy them.

WHAT ARE THE EFFECTS OF THIS ALTARS

- They cause open doors for evil spirits to move freely.

- Satanic altars oppose Gods will in families and people's lives.

- They are the reason there is endless struggles and suffering, crime, abortion and corruption in our land.

- They are the major cause of limitations and frustration.

- They delay the destiny of men.

- They are behind curses of divorce, poverty, barrenness, untimely death, etc.

WHAT IS THE WAY OUT?

1. **Genuine repentance**; If my people who are called by My Name, will humble themselves, pray and seek My face and turn from their evil ways, so will I hear from heaven, I will forgive their sin and heal their land (2 Chronicles 7:14). Unrepeated sin is a gateway for the devil to operate. The only reason the altar of Balaam did not work was because there was no iniquity found in Israel. We live in communities filled with violence and suffering, you can stand up against these altars, and repent on behalf of the land. God says in Ezekiel 22:30 *I sought for a man to stand in the gap before Me on behalf of the land, and I found none.* **God is looking for intercessors that carry His flame to confront these evil altars.**

2. **Spiritual warfare**; Luke 10:19 says *Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.* You have the authority to destroy every demonic altar, you have the power to bind every strongman, and you have the power to destroy gatekeepers. **Spiritual warfare is amongst the most powerful weapon given to Christian, with it you can change your life around, your family even nations.** When men violently combat demonic forces in the name of the Lord, when they use Gods council and wisdom, battle are won and destinies are changed.

3. **Raise and maintain a sustained altar of intercession until permanent victory is won**. There are some evil altars that require more than seven days fasting. Isaiah 62:6-7 says; *I have set watchmen upon thy walls, O Jerusalem, which shall never hold their peace day nor night: ye that make mention of the LORD, keep not silence, And give Him no rest, till He establish, and till He make Jerusalem a praise in the earth*. I have been in the house of prayer for 5 years and the Lord taught me so much about intercession. I am a firm believer in prayer, we are called to pray, and we are called to stand in the gap. God is calling the church to be a house of prayer for all nations.

4. **Service your altar continually with; fasting, regular prayers and the blood of Jesus**; I take communion daily to service my altar. In Revelations we are told that they overcame him by the blood of the Lamb and by the

word of their testimony. Service your altar continually by sowing and giving in tithes and offering.

5. **Set the satanic altars ablaze by the fire of the Holy Ghost;** Use the prayer points in this book to confront these altars.

Here are a few prayer points to deal with evil altars; Begin with repentance and if possible take communion.

Pray;

- I renounce every connection with an evil altar and apply the blood of Jesus upon my life.
- Lord in the name of Jesus Christ, lift up your mighty hand and destroy every satanic altar, gatekeeper that fights against my finances and spiritual breakthrough.
- You strange witchcraft altar that is restricting my promotion, be destroyed now by fire in Jesus name.
- I release my name from every material that is serving as a point of contact from evil altars now by fire in Jesus name.
- I break and destroy every altar speaking against my progress.
- Every marine altar caging my life and possession, my marriage and children, I command you to catch fire now and scatter in Jesus name.

DEALING WITH THE SPIRIT OF WITCHCRAFT

Sprit of witchcraft is the spirit that seeks to manipulate and control your life. Witchcraft is listed amongst one of the works of the flesh contrasting the fruits of the spirit in Galatians chapter 5. It's the spiritual manipulation operating through the flesh, meaning through men, human agents. **As the Lord needs human vessels to perform His will on the earth, the devil uses witchcraft and possesses people to push his evil agenda**. There are at least four levels everyone should confront regarding the spirit of witchcraft;

1. The Sprit of Witchcraft itself.
2. The human beings possessed of devil to practice witchcraft.
3. The devices and weaponry of witchcraft.
4. The destruction of witchcraft that must be reversed or restored.

Read this Scriptures, before you go further: 1 Samuel 15:23, 2 Chronicle 33:6, Galatians 5:20, 2 Kings 9:22, Micah 5:12, Nahum 3:4.

Witchcraft was practiced in the Bible, both the old and the New Testament, even today this spirit is still in operation.

WHO IS PRACTICING WITCHCRAFT

Everyone is involved in one way or the other, either you are involved or have suffered the attacks and need restoration. Witchcraft affects individuals and families, if this spirit is not dealt with nations are at stake, families are at stake, **unlike marine spirit which is patient and subtle at performing their evil assignment, spirit of witchcraft is ruthless impatient and will seek to destroy its victims quickly**.

I want you to know that witchcraft is not only a spiritual force that is done by demons but humans agents are filled with these spirit and they practice this evil practice. Your enemy is the devil but we need to pray against these individuals that are enemies of God.

Ezekiel 11: 1-4,8 says: *Then the Spirit lifted me up and brought me to the East gate of the Lords house, which faces eastwards, and there at the door of the gate were twenty –five men, among whom I saw Jaazaniah the son of Azzur and Palatiah the son of Benaiah, princess among the people. And He said to me; ' Son of man these are the men who devices iniquity and give wicket counsel in the city, who say; the time is not near to build the houses; this city is a caldron, and we are the meat. Therefore prophecy against them…;….you have feared the sword, and I will bring the sword upon you, says the Lord.*

Witchcraft sprit is amongst men and woman, it's through people whom you might even know, just as Ezekiel could recognize these men, they had names and they were honorable men. Witchcraft is not amongst the old woman as we were taught, but it's amongst the honorable, those that community looks up to, the leaders of our time.

- I pray that any human agent practicing witchcraft against you, be exposed and put to shame.

- I prophecy against their devices and weaponry projected against you and your family.

- I prophecy that their destruction will be reversed and that God will restore all that they have destroyed.

- I call upon Holy Ghost FIRE, upon every camp bearing your name, family, church or community. Let them be consumed in their wickedness in Jesus name.

As the spirit of the Lord lifts you up, may you see what the enemy is doing, may your level in the Spirit rise in Jesus name.

WITCHCRAFT IN THE CHURCH

Another important area that we should be careful of is the agents of witchcraft disguised to be men of God; **these spirits is known to perform magical miracles that deceive many into their evil doctrine**. The only way to discern this spirit is by prayer. There are so many churches and they all preach Christ and this can leave many Bible believing Christians confused, but there is a difference between the real Church of Jesus Christ and these so called churches. Look out for the following to be sure you are in the right church;

- By their fruits you will know them; what kind of fruit is your leader displaying.
- Is the church preaching the pure Gospel? If not don't stay there.
- Is the Church preaching miracles and not the miracle giver, God wants you to know Him and not miracles.
- Is the focus on soul winning or on miracles; most of this churches are always promoting miracles and not Christ and eternal life.
- Do they conduct an altar call; every true church should win souls by bringing them to the altar so they can be lead to the Lord.
- Are they selling water, oil or materials, be careful, Biblically speaking you should not put your trust in things, but in God.
- Who gets all the glory, the preacher or God, if it's to man leave that church.
- Is there a spirit of mammon, is the church always seeking money from people, if so be warned.
- Is there a lot of strife and immoral activity in the church; if so be warned.
- Is your leader a reputable man of God, what is their history, did they rebel from their former church, what about their household.
- Is there people being sacrificed, sudden deaths of members of the church.
- Is there holiness in the church, demons hate holiness?

- Is there liberty, is there true Love of God, and is there a presence of God. The Holy spirit of the Living God.

Be prayerful as I said, the most important of all is your soul, make sure your leader is a preacher of the cross and of the death and resurrection of Jesus Christ, Make sure there is pure Bible preaching, Godly order and no funny things such as eating grass or sour milk. Jesus honors humans and will not humiliate anyone. **All prophecies that are coming towards you are to confirm what your spirit already knows**, be careful of people calling phone numbers and using divination to prophecy. God wants you to know great and unsearchable things you do not know, not the ones you know. **Prophecy is to edify, exhort and comfort and not to humiliate or bring people down.**

WHAT IS WITCRAFT ATTACK?

We have dealt with altars and the Lord lay in my heart strongly to deal with witchcraft attacks. I don't know how many people I know and have prayed for that have experience this level of attack. It's quite unbearable and if not dealt with can lead its victims even to suicide. The spiritual warfare attacks against you are often called witchcraft attacks

Witchcraft in this context is the spiritual force that Christians feel in their emotions, when under demonic attack. These kinds of spiritual attacks can be like strong confusion, wanting to give up and quit, and depression. They can be so intense that the victim even hears sounds or voices.

So where do they come from? There are people that release witchcraft arrows against you through the power of words or by controlling actions (or sacrifices). For example people filled with this witchcraft spirit against you, can do some sacrifices, or incantations, take a simple lock, mention your name and say, so and so I bind you through this padlock, then they lock it and within seconds the victim life is locked, perhaps you were due to get married, suddenly you can't or you were going to get a breakthrough, and things just got cancelled for no reason. **This spirit is a manipulating and controlling spirit; it separates its victims, draws their self-esteem and makes them feel miserable.** This is a witchcraft attack at work.

- Any witchcraft attack projected against you, back to the sender now in Jesus name.
- I reverse every incantation or words or actions that have been blocking your progress, by fire by force they must lose you now in Jesus name.

SUCKS LIFE OUT OF YOU

This spirit will wear you down; confusion is just part of the attack. This spirit is known to make people tired and extremely weak. Have you gone to work tired and came back tired, or gone on vacation tired and came back more tired. It's the spirit of heaviness or witchcraft. **The spirit of God is a life giving spirit, and the evil spirit does the opposite**. Once you are tired and weighed down this spirit can make you depressed. You tried vitamins, exercise but nothing works, it's a spiritual attack and needs a spiritual solution. Other victims will even literally feel sad for no reason. So next time you experience stress and unusual tiredness, know it's an attack and cast that spirit away.

SOME MANIFESTATIONS OF THE SPIRIT OF WITCHCRAFT

- When you are in prayer and you suddenly feel weak, headaches or speechless.
- You get ill for no reason.
- Unusual physical pain or discomfort.
- You go visit someone and comeback weighed down or weak.
- Thoughts of rebellion and hatred for someone.
- You confronted a colleague or someone that was opposing you, and then suddenly you get sick.
- You feel tired when you shouldn't be.
- You happy today tomorrow you down.
- Your emotions are on a roller coaster.
- Suffer from depression.
- Have had suicidal thoughts.
- Have you experienced spiritual resistance?
- Feeling tired even to pray or read the Bible.

SO HOW ARE YOU SUPPOSED TO RESPONSE TO WITCHCRAFT?

Say for instance;

A witch attacks you or appears in your dream and threatens you by saying ‘we will deal with you and your family stop going to that Church’. Now, when you wake up what do you do? Do you go to that witch and shake her hand and give her a hug and say "I love you, I bless the Lord for you, I am so happy for this attack, great is my reward in heaven?" Then before long your spouse falls down and dies. The witch then comes back to you that same night your spouse died and says "we told you that we will deal with you. Wait and see." On the day of the funeral of your spouse your first child collapses and ends up in the emergency. And then you have another dream, the same witch comes to you and says: "you know what? We got your spouse, we got your child and we are not done yet". *Then you sit down there and you quote Luke 6:29 and you say: "unto him that smite thee on the one cheek, offer also the other. And him that taketh away thy husband, give him thy first child also. And him that taketh away your business, give him your pay cheque also*". She says she is coming back, that's ok, after all, the Bible says "*give unto every man that asketh thee."* They asked for your spouse, they got her. They asked for your child, they got him. They asked for your job, they got it. Then you say "I am expecting the next thing they will do to me because Jesus Christ said this is the way we are supposed to react.”

This is why I wrote this book, we tired of letting the devil get away with everything God is not pleased when we bow to the enemies schemes. He has provided us with ammunition against such cases. You don’t ever have to think twice again after this, when you are attacked by a witch you this is your response!!!

YOUR RESPONSE

As a child of God, the Battle is not ours but, it's the Lord. We don't go and revenge and fight the devil and his witches. We are New Testament believers, so we don't repay evil for evil. We rise to a higher level. It's now spirit against spirit. And we have the higher power. So light must prevail over darkness. This ladies and gentlemen is time to rise up and say; "you witch/devil you made a big mistake; you touched the anointed of God. Today I will give your head to the dogs." We are to fight back in prayer. We give the enemy a taste of his own medicine. We wear our amour and fight in prayer by raising our defenses against the attacks. Its not cursing, but defending yourself and sending back the curse or attack from whence it came from the Bible puts it like this Psalm 109:17-18;

He loved to curse; let curses come upon him!
He did not delight in blessing; may it be far from him!
He clothed himself with cursing as his coat;
may it soak into his body like water,
like oil into his bones!
May it be like a garment that he wraps around him,
like a belt that he puts on every day!
May this be the reward of my accusers from the LORD,
of those who speak evil against my life!

I declare over your life:

- ***Every assembly against your life, I scatter it right now in Jesus name.***
- ***Every arrow projected against you, I command it to be send back to their senders now in Jesus name.***
- ***Arrows of failure at the edge of breakthrough I break their power now in Jesus name.***
- ***Arrows of shame and disgrace back to the sender in Jesus name.***
- ***Arrows of the wicked and untimely death what are you waiting for be nullified by the blood of Jesus and returned back to***

where you come from.

- ***Arrows of witchcraft, arrows of infirmity, go back to your sender NOW in the name of JESUS.***
- ***You messenger of death, you must die in the name of Jesus.***
- ***Anywhere that your name is being circulated for evil, catches fire and roasts to ashes in the name of Jesus.***
- ***Dream attacks are bind you and return you back in Jesus name.***

Now pray aggressively:

- **LORD every evil poison, pollution or food planted into my body during my sleep.**
- **Every spiritual spouse attacks and sexual deposits in my body.**
- **Every spiritual sickness and infirmities from the pit of hell.**
- **All manner of attacks over my life, family, health, finances and children**
- **In the Name of Jesus Christ of Nazareth** DEVIL AND ALL YOUR AGENTS TAKE YOUR PROPERTY OUT OF MY BODY, LIFE, FAMILYAND MARRIAGE… NOW IN JESUS NAME. I PRAY **YOU SPIRIT OF ……. (mention spirit/attack here) BACK TO THE SENDER BY FIRE BY FORCE IN JESUS NAME.**

(Pray and repeat several times until you feel a release, have a bucket ready in case of a manifestation by vomiting)

WATCH OUT FOR CONTROLLERS

Witchcraft agents will go out of their way to control and waste your time. It's not a natural thing, it's a spiritual thing. Scripture teaches us; '*Withdraw thy foot from thy neighbor's house; lest he be weary of thee, and so hate thee.'* (Proverbs 25:17).

Do you have people in your life that demands a lot of time from you, and often bombarded you with their stories, they control the conversation and after you spend long time with them you cannot even say what your meeting was all about, these are controllers they are used by these spirit to bring you down.

- Is there anyone who spends too much time with you either in person or on the telephone?
- Is there anyone who continually consumes your time, especially when you should be in church or busy with Gods things?
- Have you ever had a friend who wants to speak to you during a time of prayer or service in the church

Controllers operate in witchcraft often have no idea what they are doing. They seek to always associate themselves with people of high standing. They are glory seekers and like to be seen by everyone. May the Lord expose such people in your life, so you know how the devil is using them.

Witchcraft must die prayer points;

Let's do some serious warfare now and claim your deliverance in Jesus name

(Pray these prayers aggressively with violence and prophetic movements such as throwing your hands and stamping your feet);

Exodus 22:18 says; Thou shall not suffer a witch to live.

- Every seat of witchcraft assigned against my life, receive the thunder of fire in Jesus name.
- Every strongman of witchcraft powers be pulled down by fire in Jesus name.

- Every network of witchcraft disintegrate now in Jesus name.
- Lord I scatter every assembly gathered at the gates to device destruction against me and my destiny; I command them to scatter now by fire in Jesus name.
- I reverse every witchcraft effect summoned against me in Jesus name.
- Every blessing held illegally by witchcraft powers be released now in Jesus name.
- Every vow, covenant of household witchcraft affecting me, be nullified now by the blood of Jesus.
- Every witchcraft padlock fashioned against my life, marriage and finances be destroyed now by fire in Jesus name.
- O Lord let my dreams and visions reject every witchcraft projection in Jesus name.
- Thank you Lord for answering my prayers. Amen
