Glooooorrryyyy

This is the realm of His glory

Thank u Father for yesterday

Today was quite interesting to me

You see The things we are teaching are not for a miracle service.

They are for ur everyday life

So... I was in the clinic this morning.. And one of my staff, the nurse, walks

up to me and complains of severe dysmenorrhoea that strangely causes unbearable pain around the anal region.

She had taken all kinds of pain relief drugs and had even developed ulcer... Yet this pain has continued every month for more than a year now...

She looked at me and asked me to help her...

I was searching my heart on what to do.....

So I told her I think you need your womb and other organs changed

She burst into laughter... Saying 'That's impossible' Me I was just looking at her

saying to myself

So I asked her to go and get water and come...

She returned with a sachet of drinking water and gave it to me.

So I held it on my right hand... Looked at it and 'Intentionally' gave life to the water.

I almost literally saw the water slightly boiling in my hand.

I gave it to her and said Go... Drink... Then come back in few minutes and give me a feedback!

She left!

About 30minutes later, she returned with a bright smile.She said I don't

understand... It was like magic.. I'm totally free

Me I was thinking

She was dumbfounded at what happened to her... And I told her... God has healed u.... Go and tell what he has done.

She left in awesome wonder.

Then about 10 minutes later, I stepped into her office, and saw her with eyes closed and tears running down her cheeks...

The movement of her lips was all I needed to know that the gratitude and awe were finding expression in heartfelt prayer and Thanksgiving.

The aim of this class is not for u to gather more knowledge and rhema that you don't use.

Many of us are presently suffering from RHEMA OBESITY

The problem is not what you don't know.

The problem is what you are not using!

Many of us know more than I do.....

Its just that I practice and take more risks than you.

If u were to practice more and step on the water instead of just shouting 'I shall walk on water', u will see more results

Now understand.

The miraculous is easy.

Yet it is complicated to he who does not understand or have The foundation.

So let's start tonight with The foundation of the Miraculous

Many of us have Seen Pastor Benny Hinn or Pastor Chris throw suit and people collapse under the power.

If they gave someone else the same suit. You may be surprised that the person will throw the same suit and nothing will happen.

This is because What the people are encountering that is making them

collapse is not technically in the suit, but in the thrower!

If you understand foundation, u can throw suit, shirt, socks, boxers....

U can throw water.... Or air!..

Because you know the foundation and the mechanics.

Lets take a trip... To the most popular shaper in the bible

There was a man of the Pharisees, named Nicodemus, a ruler of the Jews. The same came to Jesus by night, and said unto him, Rabbi, we know that thou art a teacher come from God: for no man can do these miracles that thou doest, except God be with him.John 3:1 -2 KJV

Do u know in simple terms, what Nicodemus was asking.

LORD HOW ARE YOU DOING THESE THINGS

That was his subtle question

Nicodemus wanted to know the secret. He wanted to know the mechanics.

He wanted to know the 'How'.

He came by night

But notice something...

There was a man of the Pharisees, named Nicodemus, a ruler of the Jews: The same came to Jesus by night, and said unto him, Rabbi, we know that thou art a teacher come from God: for no man can do these miracles that thou

doest, except God be with him.

John 3:1-2 KJV

There was a man of the Pharisees, named Nicodemus, a ruler of the Jews: The same came to Jesus by night, and said unto him, *Rabbi, we know that thou art a teacher come from God: for no man can do these miracles that thou doest, except God be with him*.

John 3:1-2 KJV

Rabbi, we know that thou art a teacher come from God: for no man can do these miracles that thou doest

we know that thou art a teacher: for no man can do these miracles

They knew he was A TEACHER.... BECAUSE.... NO MAN COULD DO THE MIRACLES HE DID.

They didnt say.

Rabbi, we know that thou art a teacher come from God: for no man can combine and explain the scriptures the way you do.

It was his ability TO DO that showed his ability TO TEACH.

In other words, without Demonstration, you are not qualified to be A Teacher

LORD HOW ARE YOU DOING THESE THINGS.

That was his subtle question

The next thing Jesus said was an

answer to Nicodemus question.

So by looking at his answer, we can find out the master's secret!

Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God.

John 3:3 KJV

The original text reads thus.

Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be from above, he cannot see the kingdom of God.

John 3:3

So Nicodemus asked Jesus... HOW come miracles are normal in your life?

And Jesus answered.

Verily, verily, I say unto thee, Except a man be from above, he cannot see the kingdom of God.

John 3:3

In other words Jesus was telling him....

These things you call miracles, are normal to me because of my realm of birth

---

In the Above where I am from, what you call 'Miracles' are the normal life.

And except a man is born from above, he cannot experience this normal!

Jesus was saying Your realm of birth determines your sphere of operation

Your realm of birth determines your sphere of operation

For instance, what the Eagle does in the wind when it spreads its wings and mounts on the waves to soar, is 'Miraculous' and 'Supernatural' to a normal man.

This is because, no matter how much he spreads his hands, he cannot mount on the wind like the Eagle .

So it is Super- Natural It is above his natural.

However, To the Eagle , floating in

the wind is not Supernatural to him.

In short, no Eagle can boast to another Eagle and say Ntọọ .. I can soar and you cannot.

Because it is NORMAL in the realm of their birth!

As a matter of fact... The same way the man looks at the eagles flight as SUPER NATURAL AND MIRACULOUS, The Eagle looks at the man's inability to soar as Under- Natural

So many of us have been breathing in and out so many times without realising or even noticine the air.

Breathing air is normal to people born on earth.

When a fish comes out of water to air. He finds it difficult. And even looks at ur ability to breathe air as Supernatural.

But it is not Supernatural to you.

It is normal.... Everyone does it!

The One who is not doing it is either having a respiratory Sicknessor is dead

Now listen carefully.

Any realm of operation below u is a realm u can exercise dominion over.

And any realm above you is 'Supernatural to you'

In this sphere of natural human life.It is a realm of Time, space and matter.

These are the laws that govern this realm

Any ordinary man born of woman is under these influences..

He that cometh from above is above all: he that is of the earth is earthly, and speaketh of the earth: he that cometh from heaven is above all.

John 3:31 KJV

He that is born from above.That comes from above.IS ABOVE ALL

And if you are above, you can manipulate anything below

Someone once said to me.

He said Dr Val..... To everything under the sun, there is TIME and SEASON

And I replied....

WHAT about those of us ABOVE THE SUN?

So..... WHERE WERE YOU BORN

WHERE ARE YOU FROM?

Are you aware that Superman, as powerful and Supernatural as he was, could only do all those 'Miraculous' things on earth here.

Cos in his home planet, ALL MAN DE DO THE THING....

But he came to a planet below.... And began to exercise dominion over Time, space and matter.

Listen NO BELIEVER IS MORE SUPERNATURAL THAN ANOTHER

The difference that exists among believers is in their consciousness of the realm they were all born into!

There is nothing any Believer has that you don't have....

The reason one Believer is functioning more than another is because he is more aware of something which is their COMMON INHERITANCE

So if you are Born again and have received the life of God.

You are born from above

Above is not the sky.

Above is ABOVE EVERYTHING THAT HAS AN ABOVE.

It is the highest realm of all.

We as seated IN HEAVENLY PLACES with/in Christ

THE TRUTH IS THAT THE ABOVE WHERE THE BELIEVER IS BORN, IS INSIDE GOD.THERE IS NOTHING ELSE ABOVE THAT!

In other words THERE IS NO REALM THAT IS SUPERNATURAL TO THE BELIEVER

The Believer occupies the highest realm in the created and uncreated multiverse The key word is

CONSCIOUSNESS

Are you conscious of this realm you were born into/from?

Now... When Jesus told Nicodemus the first key..... Nicodemus didn't really understand...

He was wondering if he had to go back to the womb and be born?

Then Jesus said.

Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God.

John 3:5 KJV

Jesus answered, Verily, verily, I say unto thee, Except a man be born of

water and of the Spirit, he cannot enter into the kingdom of God. That which is born of the flesh is flesh; and that which is born of the Spirit is spirit.

John 3:5 ¶ 6 KJV

Jesus rephrased and said...

What determines your operations, is WHO GAVE BIRTH TO YOU!!!!

If a man(flesh) gives birth to you, YOU ARE MAN/Flesh (Born from below).

If You are born of The SPIRIT, THEN YOU ARE SPIRIT!!!!!!!!!

God is a Spirit:

John 4:24 KJV

If you are born of THE SPIRIT/GOD

THEN YOU ARE.....???

Do you know what it means for you to say I AM A SON OF GOD.

Or I AM BORN OF GOD

If God walks in and speaks, you know it will happen.

But u do not think it will happen if you speak.

Because there is a dichotomy in your mind.

And you have not realized what is written in 1cor 6:1

If you see it, and read it and it dawns on you.....

Everything Changes!

Do u understand what u just read? Do u

understand?

Oh... If only this would dawn in your soul?!

If it dawns on you..

Then when you comfront Infirmity, you won't talk to God... You will talk as God

Many of us do not see results and do not see miracles because we talk to 'God who is above' when we should be talking as God who is from above!

Let's wrap it up like this.

If you understand that every believer is born from above and born of God and in God

Then.....

Get ready for this please

Then..

There is no Believer anywhere that can lay hands on another Believer TO GIVE HIM anything

No Believer is more Supernatural than another.

. Everything one Believer has is everything another Believer has.

THE FULNESS OF THE GOD HEAD DWELLS IN CHRIST BODILY..... AND YOU ARE COMPLETE IN HIM

Every believer has the fulness of the godhead and is complete in him

If you have the fulness and you are

complete.

And I have the fulness and I'm complete.

Why then do u feel that I can lay hands on u and give u something u apparently don't have?

Remember.

The difference between two believers functionality in the miraculous is in their degree of individual consciousness of that which is their joint inheritance

So what about Impartation?

When someone who is functioning in a degree of the God life by reason of knowledge and consciousness lays hands on another who hungers or desires the same dimensions of

operations, technically, he is not giving him anything. Rather in the Spirit, he is putting his hands into his belly to pull out from within him, the same dimensions he saw in the other... Because they are all resident in his own belly also.

So Impartation is not a 'Giving to'... It is a 'Drawing out of

Some months ago.... I got a phone call.....

Phone rings.

Me : 'Hello'..

Caller:' Dr Val?

Me: Yes?

Caller: Please it's .. I need help.

Me: Oh.. Wow.. Glad to hear from you. What's the matter?

Caller: My brother is very sick. He has some kind of liver disease. His stomach is very large now. He had been In the hospital for months but was recently discharged, though he wasn't better.

Me: Wow... Okay.. I'm a bit tired now. Just got in from a journey. I'll come tomorrow and see you and him. OK? I trust God that your brother will be fine. God works through medicine and doctors. They are tools of healing in His hands. However, the limitations of medicine are not In any way the limitations of God.

Caller: Thank you so much. I'm encouraged. God bless you

Me: Okay.. Tomorrow then

Click Call ended.

I was still thinking about the call and all when I fell asleep out of exhaustion.

The sound of my phone ringing permeated my subconscious mind and roused me from depths of sleep. I looked at the caller ID. It was the same brother that called earlier. The phone itself seemed to be ringing with a sense of urgency.

I had barely picked it when I heard a frantic voice at the other end..

'Sir.. My brother is dying!.. My brother is dying'.

I said 'Calm down. What happened'?'..

"I don't know sir. He is dying. Please sir.. I'm sorry to call at this time, but tomorrow will be late.'

'Okay.. What's your address? '

"Sir, we are in the village.. Though not too far from town. "

' Okay.. Send me directions'

The journey felt longer than it actually was. Perhaps it was the 'night effect'.. Or perhaps because I was subconsciously apprehensive. I

understood medicine to a degree. I knew the case was bad even though I'd not seen him. Sometimes, I'm almost tempted to think that even God knows that some cases have poor prognosis.

But... My job was easy. I wasn't being sent to analyze. I wasn't deployed to rationalize. I was to go and lay hands on the sick... God assured He would heal.

God is faithful. I've seen Him heal people instantly. I've also seen many healed gradually. His promise is that He will heal. After all, He is called 'Jehovah Rapha'.

I want to encourage you to believe God. If you are sick, He will heal you.

If you are a believer and reading this, I'd like to encourage you to lay hands on the sick whenever you get the opportunity.

No matter the experiences you have had in the past when you prayed for the sick, or tried to believe God for your own healing, God's word remains true.

If your experience does not meet up with the standard of God's word, you need not try to bring the word of God down to the level of your experience. Rather, press in, and press on.. Till the word becomes your experience!

As we drove to the village, my friend and I, we just kept praying and worshipping God

Have you ever perceived the the odor of

death?

Perhaps not.

But if you work in the hospital, it's an atmosphere you almost get used to.

When we stepped into the compound, death and sickness were hanging in the air like a thick cloud. You could almost reach out and touch it. There was a crowd gathered in the compound when we arrived. It seemed like the whole extended family was there.

They stood in twos and threes, hands folded, heads hanging, the silence occasionally punctuated by a heave or a sigh.

We walked into the room where the sick man lay. He was groaning in pains even as his head rested on the thighs of his wife whose eyes were now devoid of

tears. His abdomen looked like that of a pregnant woman at nine months. There was a visible well defined outline of the massively enlarged liver on the surface of the abdomen.

I looked at the crowd, some of whom had followed us into the room, and said 'Why are you all gathered here?'

The looked at us like we were crazy. I could almost hear their thoughts screaming 'You can see a man about to die and you still ask why we are gathered?'

I took a deep breath and said 'You are gathered here because you are expecting something to happen. That thing you are expecting will not happen.'

There was Pin-drop silence,

Perhaps, if we had not come, it would have happened as you expected. But, we are here now.. And we are the ones with the authority to determine what happens or doesn't happen. Jesus said it's what we bind on earth that heaven binds and what we loose or permit on earth that heaven permits. So we have decided not to permit it '

If only they were close enough, they would have heard the erratic beating of my heart. I was a bit apprehensive.. Yet I was stepping on the waters. I dared to believe that the water would hold me cos Jesus said so. That... Is faith!

Faith is a verb.. It is a doing word.

The devil cannot read your thoughts. He can only hear your words and see your act. Hence, whether you believe in your heart or not, and whether you are afraid

in your mind or not, the devil doesn't know. It is your word or act that betrays you.

Thou art snared with the words of thy mouth, thou art taken with the words of thy mouth.

Proverbs 6:2 KJV

So it means you may be afraid and acting bold... It's your boldness the enemy will see.

You may be thinking 'What if nothing happens? ' and still be stretching your hands to lay it on the sick person. The 'doing' is the evidence of your faith amidst apprehension.

Peter was apprehensive, yet he stepped onto the water.. Because Jesus said 'COME'.

*In other words, faith in your heart will

work even with fear in your head.*

I started talking to the sick man as the crowd listened. I told him about Jesus. I told Him about the broken Body and the shed Blood. The sacrifice that dealt with Iniquity and Infirmity.

Then I told him, 'Jesus said that if we lay hands on you, he will heal you'

He said 'I believe'.. So we prayed... And as Hon Okey prayed, I stretched my hands, laid it on his belly and said' In Jesus' name..

What happened next is something that even I would not have believed if I'd not been there. It looked like 'film trick' even to me.

As I laid hands on him, and said 'In Jesus' name', the enlarged liver and distended abdomen suddenly shrunk

instantly and like a deflated balloon, went down to normal.

The man sat up and asked for water and food. Everybody (including me) was 'struck'.

I was awestruck.. They were dumbstruck!

Listen..... Right here and now..... There's going yo be an IMPARTATION

It's not coming from heaven.

It's coming from my belly
