Introduction

Every spirit living beneath the water is known as the marine Spirit. The marine kingdom is the greatest kingdom of all demonic kingdoms. The Marine kingdom is the most wicked, populous, and well-organized kingdom. Isolated from other demonic kingdoms that exist in the air, land and outside the planet earth. The headquarters of the marine kingdom is located within the Great Indian Sea. The head of the marine kingdom is the “Queen of Indian Sea” while the Queen of the Coast is next in command, she resides within the Atlantic Ocean (they are both fallen Spirits). You might wonder, how I came about these facts. I was privileged to minister to some set of students during a campus crusade, as the meeting attained a crescendo, there was a mighty surge of the power of God. The move of the spirit was heavy ushering in diversity of encounters. Indeed, the lord was gracious to us that night.

PLEASE NOTE “Any gathering, where the power of God is visibly manifested, the Holy Spirit moves in an unusual manner. First to challenge, the power of darkness and demonic spirits in contention with the supremacy of the power of God and Secondly, to enforce the will and the kingdom of God.

Under this wave of the move of the spirit at the crusade ground, a young lady came under the power of God, the manifestation was very strange, thereafter, she began to confess deep secrets about, the operations of marine kingdom. The comprehensive detail of her confession is written in the book. I want to encourage you to commit to finish the book. The book is a compilation of practical encounters and testimony of people with this wicked kingdom. More so, operation of marine kingdom and how to handle marine kingdom triumphantly. Every deliverance starts with knowledge in form of light captured through the scripture. Ignorance is the by product of absence of light, I am persuaded, you are going through a powerful book that will trigger an encounter with the power of God. Earnestly desire it!

Do you know?

The land, air, and the sea are the three demonic bases through which Satan advances his agenda on the earth (Genesis 1:28; Revelation 10:1-10). This revelation is a MUST for all watchmen and prayer band leaders. One way to protect the integrity of your city, church, family, and businesses, is to put these demonic bases under check and forbade any advances from them through regular atmospheres of prayers. When Adam fell, he lost his DOMINION mandate, this event made humanity to become vulnerable to attacks from these demonic bases. Glory to God for sending our Lord and Savior Jesus Christ to redeem back to us our lost dominion from creation. To as many that receives the life of Christ, automatically has the dominion mandate restored (John 1:12, Luke 19:10). This is the dawn of a new day! Beloved, I hope you are ready to exercise your restored dominion mandate over the marine kingdom.

Additionally, the marine kingdom believes they are the most powerful when compared to other demonic operational bases. This belief is tied around the fact that about 70% of the world is covered with water; the atmosphere has a greater percentage of water and the land is dependent on water to survive. Above all, MAN, the apex of God's creation contains 70% water. This gives them influence over mankind. Moreover, the human race cannot do without water (water uses). This might sound strange but the truth is - every country, state, city, town or village has a territorial presence that defines the course of events within the territory. A city that comes under the siege of the marine kingdom will suffer endlessly, except God is invited through prayers. The following will be the order of events in such terrain, immorality will be on the increase, businesses will crash, churches will fold up, if the pastor is not spiritually sensitive.

There was a season in my life, I resided in a city that was under the severe control and influence of marine kingdom. The young adults were very promiscuous, businesses were crashing and there were lots of spirit-filled young ladies who were trusting the Lord for a suitor without any forth-coming. Our fellowship was situated right in the heart of the city. There was no revival in the city, spiritual coldness was gross. I had to create time to seek the face of the lord over the situation of things in the town. The Lord was very gracious to me, he revealed the problem of the city to me, through the vision of the night. God showed me the ancient serpent troubling the city, I was able to kill the serpent in that dream of the night and that was the beginning of the turning point of things in that city up until now. All to the glory of the lord.

In every 100 cases of divorce occurring around the world, about 96% of them are caused or influenced by the marine kingdom. The marine kingdom is responsible for the following problems affecting mankind: accidents, shortage of blood in one's body, bankruptcy/ sudden loss of business, sudden death, chronic spinsterhood / bachelorhood, sudden loss of pregnancy (miscarriages), barrenness, regular eating / drinking in the dream, constant swimming in the dream, demonic spiritual husband/ wife/ children problems. The marine evil forces can as well cut-off means of livelihood by storing them up spiritually in their spiritual banks / prisons within the marine kingdom. The physical manifestation of the end result of this wicked act of this kingdom is sudden financial bankruptcy (Mark 5:8-10). The marine kingdom also has the ability to cage some careless people spirits within their kingdom, especially ministers of God, in order to hinder such a minister from watching over the flock and fulfilling the call of God upon their lives.

If any minister falls into sexual sin with any marine agent such a preacher has lost his dominion power over the marine kingdom. More so, has entangled his/her soul. It will take the grace and mercy of God to be delivered (Isaiah 49:24-26). There is no free sex, it might cost you so much, you can't pay. Embrace purity at all cost, till marriage permit the act, and for the married stay faithful.

Chapter one

Origin of Marine Kingdom

The origin of the marine kingdom can be traced back to the book of Genesis, the book of the beginning. In the encounter of Moses, the author of the book of Genesis. He was honored with the privilege of seeing the backside of God, this apparently may explain why Moses alone had access to the revelation of the things in eternity past. This book of the Bible contains records of creation, with lots of silent truth, that will require the help of the holy ghost to unravel. This book is full of mysteries that contain insight into the origin of every beginning. The general concept among Christians regarding the first chapter of Genesis is that the very first verse is a kind of general introduction or premise and that the works which are done in the six days to follow explain it. In other words, they take the statement “In the beginning, God created the heavens and the earth” as the subject of Chapter 1. The writer of Genesis outlines what he intends to say in the first sentence and then proceeds to explain it in detail, so they speculate.

Having mentioned when God created the heavens and the earth, he then continued by telling what condition the earth was in and how God day after day created light, air, earth, plants, animals, and every other element of creation. Such is the popular view as to how the first chapter of Genesis narrated the creation story, how the universe was created out of nothing. Yet those who carefully study the first chapter of the sacred book deem this interpretation to be erroneous. Controversies have risen between the church and the world. Many young people are in doubt of the accuracy of the scriptures when they learn of such “discrepancy” in the face of particular geological evidence. In the original Hebrew, this initial verse of the first chapter of Genesis contains seven words which carry within themselves a sense of independence. These divinely revealed words do not say that in the beginning God “formed” or “made” the world out of certain raw materials.

No, the heavens and the earth were created. This word “created” is “bara” in the original. Such that in the beginning God “bara” the heavens and the earth. This word “bara” is used three more times in Genesis 1 and 2: (1st) “And God created [bara] the great sea monsters and every living creature that moveth, wherewith the waters swarmed, after their kind, and every winged bird

after its kind” (1.21); (2nd) “And God created [bara] man in his own image, in the image of God created he him; male and female created he them” (1.27); and (3rd) “And God blessed the seventh day, and hallowed it; because that in it He rested from all his work which God had created [bara] and made” (2.3). To “create” is to “call the things that are not, as though they were” (Rom. 4.17). These sea-monsters and living things not only had physical bodies but also had an animated life within them. They, therefore, required a direct creative act of God.

Thus, it is only logical that the Scriptures should use the word “created” rather than the word “made” in these passages. In a similar manner, though man’s body was formed out of the dust of the ground, his soul and spirit could not be made out of any physical material, and hence the Bible declared that “God created man in his own image.”

- In the first two chapters of Genesis three different words are used for the act of creation: “Bara”—calling into being without the aid of pre-existing material. This we have already touched upon;
- “Asah”—which is quite different from “bara,” since the latter denotes the idea of creating without any material whereas “asah” signifies the making, fashioning, or preparing out of existing material. For instance, a carpenter can make a chair, but he cannot create one. The works of the Six Days in Genesis are mainly of the order of “asah”;
- “Yatsar”—which means to shape or mould as a potter does with clay. This word is used in Genesis 2.7 as follows: “And Jehovah God formed man of the dust of the ground.”

Interestingly, Isaiah 43:7 illustrates the meaning and connection of all three of these words: “every one that is called by my name, and whom I have created for my glory, whom I have formed, yea, whom I have made.” “Created” signifies a calling into being out of nothing; “formed” denotes a fashioning into appointed form; and “made” means a preparing out of pre-existing material. The words “In the beginning” reinforces the thought of God creating the heavens and the earth out of nothing. There is really no need to theorize; since God has spoken, let men simply believe. It is absurd for the human mind to try to search out the works of God which He performed at the beginning by his own strength. “By faith, we understand that the worlds have been framed by the word of God” (Heb. 11:3). Who can answer God’s question to Job concerning creation (see Job

38)? “In the beginning, God created the heavens and the earth.” This heaven is not the firmament immediately surrounding the earth; rather, it points to the heaven where the stars are. It has not undergone any change since it was created but the earth is no longer the same. To understand the first chapter of Genesis, it is of utmost importance that we distinguish the “earth” mentioned in verse 1 from the “earth” spoken of in verse 2. For the condition of the earth referred to in verse 2 is not what God had created originally. Now we know that “God is not an author of confusion” (1 Cor. 14:33). Hence when it states that in the beginning, God created the earth, what He created was perfect. The waste and void of the earth spoken of in verse 2 was not the original condition of the earth when God created it. Would God ever create an earth whose primeval condition would be waste and void? A true understanding of this verse will solve the apparent problem.

“Thus saith Jehovah that created the heavens, the God that formed the earth and made it, that established it and created it not a waste, that formed it to be inhabited: I am Jehovah, and there is none else” (Is. 45:18). Oh how clear God’s word is. The word “waste” here is “tohu” in Hebrew, which signifies “desolation” or “that which is desolate.” It says here that the earth which God created was not a WASTE. Why then does Genesis 1:2 state that “the earth was waste”? This would be easily resolved. In the beginning God created the heavens and the earth (Gen. 1:1). At that time, the earth which God had created was not a waste, having passed through a great catastrophe, the earth did become waste and void. The desolation of the first earth the bible spoke about in verse 1, was as a result of the rebellious agenda of Lucifer. Lucifer and other angels in the first heaven and earth created attempted to dethrone God. The almighty God had to engage the Archangel Michael to frustrate this rebellion agenda of Lucifer and other co-angels (Reve 12:7).

In response to what Lucifer did, God was forced to make the first earth desolate. I would not want to go into details now, chapter four of the book carries a concise explanation of this divine drama. Note that all that was mentioned from verse 3 onward does not refer to the original creation but to the restoration of the earth. God created the heavens and the earth in the beginning; but He subsequently used the Six days to remake the earth habitable. Genesis 1:1 was the original world; Genesis 1:3 onward is our present world; while Genesis 1:2 describes the desolate condition, which was the earth’s during the transitional period following its original creation and before our present world. Such interpretation cannot only be arrived at on the basis of Isaiah 45:18 alone, it can also be supported on the basis of other pieces of evidence. The conjunctive word “and” in verse 2 can

also be translated as “but”: “In the beginning, God created the heavens and the earth, but the earth was waste and void.

“In the beginning God created the heavens and the earth” (Gen. 1:1) and “in six days Jehovah made heaven and earth, the sea, and all that in them is” (Ex. 20:11). Comparing these two verses, we can readily see that the world in Genesis 1:1 was quite different from the world that came after Genesis 1:3. In the beginning, God created the heavens and the earth. In the days, God made the heaven, earth and sea. Who can measure the distance that exists between “created” and “made”? One is a calling into being, things out of nothing. The other is a working-on something already existing. Man can make but cannot create; God can create and also has the ability to make. Hence Genesis records that in the beginning God created the heavens and the earth, but later on the earth had become waste and void due to a tremendous catastrophe, after which God commenced to remake the heaven, earth and sea and all the creatures in them. 2 Peter 3:5-7 expresses the same thought as well: the heavens and the earth in verse 5 are the original heavens and earth referred to in Genesis 1:1; the earth mentioned in verse 6 that was flooded with water and perished is the earth covered with water which became waste and void as mentioned in Genesis 1:2, and the heavens and the earth that are now spoken of in verse 7 are the restored heavens and earth after Genesis 1:3.

The works of God during the six days are quite different from His creative work done in the beginning. The more we study Genesis 1, the more we are convinced that the above is the true interpretation. On the first day, God commanded the light to shine forth. Before this first day, the earth had already been existing but it was buried in water (Marine kingdom), dwelt in darkness, and was laid waste and void. On the first day, God did not create light, He instead commanded the light to shine out of darkness. The light was already there. Neither did God create heaven on the second day. The heaven here is not the starry heaven but the atmospheric heaven, that which surrounds the earth. Where then did all these come from if they were not created during the Six Days? The one answer is that they were created at the time of the first verse of Genesis 1. So that subsequently, there was no need to create but simply to remake.

“In the beginning, God created the heavens and the earth.” Note that there is no detailed description here. We, therefore, do not know whether the original heaven and earth were created instantaneously or through many ages. Was it done in thousands of years or in millions of years?

In what shape and how large? We only know that God created the heavens and the earth in the beginning. Neither do we know how many years elapsed between the time of the first verse and that of the second verse of Genesis 1. We do not know when God created the heavens and the earth neither do, we know how long it took, after the original creation was desolated as described in verse 2. But we do believe that the original, perfect creation must have passed through many years before it became waste and void. Such a long period would be enough to cover the so-called “pre-historic” age. All the years which geology demands and all the so-called geologic periods which it distributed among those years can fall into this time frame.

We do not know how long the earth underwent change neither do we know how many changes there were before it became waste and void, because the Scriptures do not tell us these things. Yet we can affirm that the Bible never states that the age of the earth is but six thousand years in length. It merely shows that the history of man is approximately six thousand years old. By understanding the first two verses of Scripture, we can recognize that there is no contradiction in the Bible. Oh! how marvelous is the word of God.

The Silent Verses of Genesis

We have already seen how in the beginning God created a perfect heaven and earth. Later on—we do not know how long afterward—the original beautiful earth became waste and void. However, God rose up and remade the world in six days, he restored this desolate world. Here we would inquire as to why this original world was turned into waste. Why did God allow the work of His hands to be destroyed.? For what reason did such a terrifying catastrophe fall upon the beautiful earth? The subject we will examine is not explicitly stated in the Scriptures, but it is found implicitly in many passages. By these intimations of light, we may understand a little more concerning the original world and the cause of its desolation. Only the word of God can guide our thoughts. As a matter of fact, the understanding of His word will edify us with regard to whatever subject we may take up.

The highest form of vanity is to rely on man’s mental strength instead of holding on to the word of God. As we look into Genesis chapter 3 (and even though Satan is not named there), we are persuaded that the serpent mentioned was indeed an instrument of Satan, it was probably Satan himself in disguise. For it is said in Revelation 12:9 that “the great dragon was cast down, the old

serpent, he that is called the Devil and Satan, the deceiver of the whole world.” Since Genesis 1 does not record the creation of Satan, it can be asked that: Where did he come from.? Furthermore, Spirits are mentioned throughout the scriptures, whether evil spirits or angels. Although we do not learn of the creation of angels, we see them across the scriptures. Where did they come from? these questions are legitimately related to our problem. Inasmuch as nothing was mentioned during the work of the Six Days in Genesis about the creation of angels or other supernatural beings, we must assume that they could not have been created at that time.

If they were not created during the Six Days’ period, when were they created? The only possible answer is that they were the creatures of the former original world. By reading Jeremiah 4.23-26, we understand the earth became waste and void: “broken down at the presence of Jehovah, and before his fierce anger” (v.26). Why was the Lord angry? Most likely, it was due to the sin of the creatures at that time. Isaiah 24:1 sheds further light: “Behold, Jehovah maketh the earth empty, and maketh it waste.” What made Him willing to destroy the earth which He had originally created? By looking at the history of our own world, we may deduce that it was also because of the sin of those creatures who inhabited the original earth. Accordingly, God could not but judge them.

The Origin of Lucifer (Ezekiel 28).

Although in studying Genesis, we do not learn the origin of Satan. Nevertheless, as we probe into the cause for the desolation of the earth in the beginning, we can conclude that this is because of the enemy. Apart from Satan there can be found no other reason in the Bible to account for this catastrophe. Let us examine another passage in the Scriptures that seems to tell us the origin of this adversary whom we shall discover to be the cause for the desolation of the original world. In Ezekiel 28:1-19, these nineteen verses can be divided into two parts: the first from verses 1 to 10 is the prophet’s warning to the Prince of Tyre; the second part from verses 11 to 19 is the prophet’s lamentation for the King of Tyre. The first part regarding the Prince of Tyre is easily understood. He was proud and arrogant, he considered himself to be a god and wiser than Daniel. His heart was lifted up because of the riches he gained by spiritual trafficking.

Therefore God punished him and destroyed him by the hands of the terror of the nations. For not long after this prophecy was spoken, Nebuchadnezzar, King of the Chaldeans, came and

destroyed Tyre. The Jewish historian Josephus thought this prince of Tyre was Ittobalus, whereas in Phoenician history he was called Ittobaal II. We, Today, know that this prophecy has already been fulfilled. Hence we encounter no difficulty in explaining verses 1 to 10. But as we read on from verse 11, we find many places hard to understand. This is closely related to what we are examining, we will quote this second part in full: Moreover, the word of Jehovah came unto me, saying, Son of man, take up a lamentation over the king of Tyre, and say unto him, Thus saith the Lord Jehovah: Thou sealest up the sum, full of wisdom, and perfect in beauty. Thou wast in Eden, the garden of God; every precious stone was thy covering, the sardius, the topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold: the workmanship of thy tabrets and of thy pipes was in thee; in the day that thou wast created they were prepared.

Thou wast the anointed cherub that covereth: and I set thee so that thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire. Thou wast perfect in thy ways from the day that thou wast created, till unrighteousness was found in thee. By the abundance of thy traffic, they filled the midst of thee with violence, and thou hast sinned: therefore have I cast thee as profane out of the mountain of God; and I have destroyed thee, O covering cherub, from the midst of the stones of fire. Thy heart was lifted up because of thy beauty; thou hast corrupted thy wisdom by reason of thy brightness: I have cast thee to the ground; I have laid thee before kings, that they may behold thee. By the multitude of thine iniquities, in the unrighteousness of thy traffic, thou hast profaned thy sanctuaries; therefore have I brought forth a fire from the midst of thee; it hath devoured thee, and I have turned thee to ashes upon the earth in the sight of all them that behold thee. All they that know thee among the peoples shall be astonished at thee: thou art become a terror, and thou shalt nevermore have any being. (28.11—19)

This lengthy passage is truly difficult to understand because there are many words here which cannot be applied to human beings. If the King of Tyre was a mortal man, how can we explain the things mentioned from verses 11 to 15? When was the King of Tyre ever in the Garden of Eden, in the holy mountain of God? How could he in the least be the cherub who covered the ark? Nothing mentioned here was ever the experience of the King of Tyre. Yet neither can we spiritualize everything whenever we encounter difficulty in understanding the scriptures. I consider the first part (verses 1-10) which is addressed to the Prince of Tyre as being applicable to Ittobalus but that the second part (verses 11-19)—which is a lamentation against the King of Tyre—points to the future Antichrist. Verse 2 mentions Tyre as being in the midst of the sea. In

reading Daniel 11.41-45 we know that when the future Antichrist will be in Palestine he will most probably stay in Tyre.

Hence he is called the King of Tyre. Actually the Antichrist is but Satan incarnated, this is why many of the things here have reference to Satan himself. If we study the Bible carefully, we will see that it is not against the normal teaching of God's word to relate Satan and the Antichrist together. We know that regardless of the fact people have their own will, their decisions in life are either influenced by the workings of God in them (Phil. 2.13) or by workings of evil spirits (Eph. 2:2). Man does not have complete liberty in himself. Ordinarily, the people of the world are under the influence of evil spirits. Sometimes, where weighty matters are concerned Satan himself may step in and work. We saw how he came personally to tempt Christ in the wilderness, how he tried to use Peter to dissuade Christ from the cross; and finally, how he entered Judas' heart in order to destroy Christ. In the last days he will join with the Antichrist in the arena of the world. Hence the Bible states this: "Even he [the lawless one], whose coming is according to the working of Satan" (2 Thess. 2:9).

For Satan shall give him "his power, and his throne, and great authority" (Rev. 13:2). In view of the fact that Antichrist is Satan incarnated, the Holy Spirit speaks of them as one. So that in these verses all the supernatural things have reference to Satan himself while the rest speaks of the Antichrist. Now our purpose here is not to engage in research on the Antichrist but to know the creatures of the original world and to discover the reason for its desolation. Consequently, we shall set aside the places where Antichrist is referred to and focus our attention on those things involving Satan. "How art thou fallen from heaven, O day-star, son of the morning!" (Is. 14:12) Before the archangel's fall, he was called the Day-Star, the Son of the Morning. After his rebellion, he was called Satan—which means the adversary. "Thou sealest up the sum, full of wisdom, and perfect in beauty" (Ez. 28:12).

This was the archangel's condition prior to his sin. He was higher than all the other angels. These terms—"the sum . . . full . . . perfect"—indicates that he was the greatest among the original creatures. God placed him above all others. Moreover, he was full of wisdom, indicative of his understanding of God's will, probably he had at that time the office of a prophet. "Thou wast in Eden, the garden of God; every precious stone was thy covering" (v.13a).

In Genesis 3 we see the presence of Satan. He was there not having every precious stone as his covering but rather he was there as a tempter to tempt Adam and Eve. These two Edens do not co-exist, at the time of Adam's Eden, Satan had already fallen, but in the Eden mentioned here, Satan had not fallen yet. This implies that this garden of Eden must have existed before Adam's Eden.

This tells us that it must have belonged to the former world, and not to the present world. We can relate this to the New Jerusalem in the future, having many precious stones such as the sardis, jasper, and so on. The Eden which Adam habitated, although different. The Bible draws attention only to the trees in it, nothing was said of its bejeweled covering. Hence the Eden here must be different from Adam's Eden. The precious stones, which the archangel was clothed with, remind us of the precious stones which Aaron the priest had on him (see Ex. 28). This paints a picture that God had probably established him as a priest. "The workmanship of thy tabrets and of thy pipes was in thee" (v. 13b). In the Bible we see that musical instruments were used by kings. For example, how David played the harp before King Saul, how, in reference to another king, his "pomp is brought down to Sheol, and the noise of [his] viols" when the King of Babylon was destroyed (Is. 14.11), and how the cornet, flute, harp, sackbut, psaltery, dulcimer, and all kinds of music was sounded when the King of Babylon was elated (see Dan. 3).

It is evident that the archangel at that time was made king and therefore he was given all these musical instruments by God. "Thou wast the anointed cherub that covereth" (v.14a). "Anointed" means he was being set apart. The work of a "cherub" or "living creature" (Eze. 10.15) is to lead in worshiping the Lord (see Rev (4:9,10; 5.11-14). So that Lucifer's work at the beginning was to lead the creatures of that day in the worship of God. This also implies that he was functioning in the office of a priest. "And I set thee, so that thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire" (v.14b). The mountain of God most probably is the place where the glory of God is manifested. Since he is God's priest, Lucifer would naturally stand before God and serve Him. What is the meaning of "walked up and down in the midst of the stones of fire"? According to Ezekiel 1:26, the place of the cherubim or "living creatures" is just beneath the throne of God (see Eze 1:19).

When Moses and seventy of the elders of Israel were called to Mount Sinai, the bible says that "they saw the God of Israel; and there was under his feet as it were a paved work of sapphire

stone, and as it were the very heaven for clearness . . . And the appearance of the glory of Jehovah was like devouring fire on the top of the mount in the eyes of the children of Israel” (Ex. 24.10,17). So that this paved work of sapphire stone which looked like devouring fire is “the stones of fire” spoken of here in Ezekiel 28:14b. It shows us that Lucifer dwelled in the habitation of the Most High where he was very close to God. “Thou wast perfect in thy ways from the day that thou wast created, till iniquity was found in thee” (v.15). Whatever God creates is perfect, because He is not the father of sin, iniquity began with Lucifer. He was created by God and was given a free will, just as God has given man free will. It is sad that this created angel misused this freedom. So many people today have abused their freedom even as Satan of old did. “By the abundance of thy traffic they filled the midst of thee with violence, and thou hast sinned” (v.16a).

We may apply this word to the Antichrist since in the last days we know that commerce will greatly increase (see Rev. 18). Due to the increase in trade, many sins will follow. This is easily proven by observing human history. However, this word may also be applied to Satan. We know the word “devil” in the original means “slanderer,” “calumniator” or “malignant accuser.” The bible tells us the tale of how Satan accused Job and attacked him without mercy. At the end of this age we shall hear these words: “Now is come the salvation, and the power, and the kingdom of our God, and the authority of his Christ: for the accuser of our brethren is cast down, who accuseth them before our God day and night” (Rev. 12:10). The phrase “cast down” here corresponds to that of the “cast out” in Ezekiel 28, and the reason for this casting-out is likewise the same. Probably in Ezekiel God is seen as condemning Satan’s sin, whereas in the Revelation passage He is observed as sending Michael to execute the judgment against Satan.

Why does God allow Satan to remain in the air today? Possibly because (1), God’s time is not yet come, and/or (2) there is still much rubbish in God’s children which needs to be purified by means of this fiery furnace. Verse 17 states explicitly the cause of Satan’s fall: “Thy heart was lifted up because of thy beauty; thou hast corrupted thy wisdom by reason of thy brightness.” The description given of the King of Babylon in Isaiah 14.12-14 is quite similar to what is described here with respect to Satan. Hence many of God’s servants believe that what the Holy Spirit has said applied not only to the King of Babylon but in a deeper sense also applied to the one behind the King of Babylon, even Satan. It tells of the cause of Satan’s fall. I believe Ezekiel reveals the

cause of Satan's pride whereas Isaiah discloses how proud he was. It might be that, in his thoughts as he compared himself to the other created beings of God, pride arose in his heart.

Later on, he even thought of himself as being equal with God thus he incurred God's judgment: "How art thou fallen from heaven, O day-star, son of the morning! . . . And thou saidst in thy heart, I will ascend into heaven, I will exalt my throne above the stars of God; and I will sit upon the mount of the congregation, in the uttermost part of the north; I will ascend above the heights of the clouds; I will make myself like the Most High" (Is. 14:12-14). Because of his pride, he was punished by God. He was stripped of his position in heaven (Since the prophecy which follows has nothing to do with our present investigation, we will end our deliberation from Ezekiel at this point.)

The Transition of Lucifer to Satan:

Now if our interpretation is correct, we can readily see from this prophetic passage of Ezekiel, how God created the most beautiful and intelligent archangel (Lucifer) whom He established as a leader of the former creation. God placed him in the Garden of Eden, a garden far more ancient and superior to that Eden of Adam's time. It could have been a mirror of what the future New Jerusalem would be like. In Eden the archangel was to function as a prophet, using his wisdom to instruct all who inhabited the former world on how to serve God. He was also the priest of God to lead them to worship and praise the Lord. Amongst the created beings of that day he was to serve as king, for his position was higher than all the rest of creation. He might have remained in this blessed state for quite a long while (please re-read verse 15); yet he sinned, and henceforth he became God's greatest enemy.

The "Fallen Angels and Demons" We have now seen the origin of Satan. What about the angels under him and the demons? How did their fall affect the earth and help to turn it into waste and void? From the New Testament we can trace two orders of Satan's subjects: (1) the angels, (2) the demons. Let us look at the angels first. "Depart from me, ye cursed, into the eternal fire which is prepared for the devil and his angels" (Matt. 25:41). "And his [the dragon's] tail draweth the third part of the stars of heaven" (Rev. 12:4). The "stars" here refer to the angels (Rev. 1:20). The passage continued with these words: "And the great dragon was cast down, the old serpent, he that is called the Devil and Satan, the deceiver of the whole world; he was cast down to the earth, and

his angels were cast down with him” (v.9). These angels must have been those spirits whom God had set in the beginning to assist the archangel to rule the world.

They are “the gods” in Psalm 82:1 (John 10:35). Now at the fall of Lucifer, they probably conspired with him—at least they were in sympathy with him. And so they fell into sin with Satan and have now become the principalities, the powers, the world rulers of this darkness, and the spiritual hosts of wickedness in the heavenlies (Eph. 6:12). These angels are not disembodied demons, they have an ethereal body, for the Lord reveals to us that in resurrection believers will be as angels in heaven. Satan has another order of subjects; these are the evil spirits or demons. “When the evening came, they brought unto him [Christ] many possessed with demons: and he cast out the spirits with a word, and healed all that were sick” (Matt. 8:16).

Here the Holy Spirit uses these two words “demons” and “spirits” synonymously. Likewise in Luke 10:17-20: “And the seventy returned with joy, saying, Lord, even the demons are subject to us in thy name”; and the Lord answered: “Nevertheless in this rejoice not, that the spirits are subject unto you; but rejoice that your names are written in heaven.” Here the Lord Jesus considers “demons” and “spirits” to be the same. Again, Matthew 17:18 records how the Lord casted “a demon” out of a boy. Concerning the same incident, Mark refers to the demon as “the unclean spirit,” a “dumb and deaf spirit” (9:25). These demons or spirits probably were a preadamite race who inhabited the former world. They either assisted Satan in the great rebellion or they followed him afterwards. And thus they were destroyed by God by their being disembodied. These beings have consequently become disembodied spirits.

Though there is no literal evidence in the Scriptures, we can still find some hints in the Bible. For instance, in Matthew 12- there was a situation of such a spirit after it had left a human body: it “passeth through waterless places, seeking rest, and findeth it not” (12:43). It became helpless and, wandering far outside the human body, it could find no rest. Finally, it was compelled to reenter the original place—the human body. If these beings are not in fact disembodied spirits, why must they enter a human body? Furthermore, in Luke 8 we read how unwilling the demon called Legion was to leave the human body. When they (the Legions) were pressed, they preferred to enter the bodies of the swine. These demons are different from Satan and his fallen angels because the latter have no desire to enter human bodies since they still retain their own ethereal bodies. Demons on the other hand, are different. Both their character and desire seem to prove that

they are indeed disembodied spirits. If that is true, we can ask that when were they disembodied? We know that the spirits of the dead today are either in Paradise or in Hades.

Where then do these spirits come from? They must have proceeded from the former world. Their dwelling must have been the world which Satan formerly governed. The fact that there were inhabitants in the former world can be deduced from another passage in the Scriptures. We have already pointed out from Isaiah 45:18 that the world—that is, the former world— was not created a waste but was formed to be inhabited. This implies that there were inhabitants in the former earth. As we further study the Bible, we discover more information regarding this matter. There is a place of detention for evil spirits. The spirits called Legions, who were among the Gerasene demoniacs knew about this place. This was why they were so terrified as to entreat the Lord “not [to] command them to depart into the abyss” (Luke 8:31). Regarding the abyss, this term is evidently applied to a fiery hollow in the centre of the earth: but it is also used for the depths of the sea, a meaning which accords well with its derivation.”* The book of Revelation tells us that a day will come when Satan would be casted into this abyss (20:3).

Evidently some of the demons are now imprisoned there, but some of them are still free, waiting for the appropriate time when they will be shut in there too. This abyss is most likely in the sea, not in the center of the earth. And at the time of the final judgment (see Rev. 20:11-15), all the prisoners will be cast into the lake of fire, and in the New Heaven and the New Earth there will be no more sea (Rev. 2:1). Probably there is only one abyss, it is scattered in two places—at the center of the earth and the other in the depth of the sea. We have a clear allusion in the Scriptures regarding this detention center of demons. According to the Greek Septuagint of the Old Testament, the word “deep” in Genesis 1:2 is the same as the word “abyss” here in the Greek New Testament. We have already mentioned how these demons were probably the preadamic race who inhabited the former world.

In reading Genesis 1:2 it is reasonable to us that those who originally inhabited the earth had their bodies destroyed by God because of their sins, and the place in which they dwelt was also judged by God by beings turned into waste and void so that the whole earth was covered with water and became a deep sea. How natural it would be for the spirits of those former inhabitants to be shut into the depth of this sea! Later on, when God restored the earth on the third day, He commanded the land to appear out of the waters, and called the gathering together of the waters

the Seas. This dry land, the earth, was ready for men of the new world. Where then did these demons go? Naturally our answer would be, these demons were left with the sea. When we read Revelation 20:13 (“And the sea gave up the dead that were in it; and Death and Hades gave up the dead that were in them”) we understand now that Death and Hades will give up their dead, but we are often puzzled at how the sea will give up the dead in it.

The common interpretation is that the sea will yield up the bodies of all who were drowned. Yet if that is true, the earth must also yield up its dead since more bodies will have been buried in the earth than in the waters of the sea. The earth, however, will not give up the dead. Consequently, what the sea will yield up cannot be the bodies of the dead people but the spirits already shut within it. Human souls are kept in death and Hades. The Bible never suggests that human souls are kept in the sea. Thus who can be the dead given up by the sea except those who belonged to the former world? The order here is quite revealing: “And the sea gave up the dead that were in it; and death and Hades gave up the dead that were in them.” Those inhabitants of the former world died first, therefore they shall be delivered up first. People of our present world will follow next since all shall be judged in order of time. We have briefly touched on the origin of Satan, his angels, and these demons.

As to how the preadamic race lived on the former earth, this seems to be beyond our knowledge. Yet we can obtain some understanding through a few intimations in the Scriptures. Many Bible scholars, believe that Jeremiah 2:3-26 refers to the conditions of the waste and void cited in Genesis 1:2. Although what precedes and what follows after speaking of the desolations of Judah, these verses appear to take on a broader cast in that it seems that God showed His prophet the desolations of the original earth. If our interpretation is correct, then we know from this passage that there were “fruitful fields” and “cities” (v.26) in the former world. The early settlers dwelt in cities and cultivated the fields. The fierce anger of the Lord came upon them and upon the entire earth because of their rebellion with Satan. And thus the earth became waste and void.

Chapter Two

Operation of Marine Kingdom

When you hear the word “Marine”, if the first thing that comes to mind is a body of water or the sea, you are not wrong. Marine spirits are water spirits or spirits that come and dwell in the sea. Beloved, they are real! They execute their plans by possessing either a man or a woman. The Marine kingdom is one of satan's department, it is headed by the queen of the coast. The earth is divided into the air, the land and the sea. When God made man in Genesis, he gave him dominion over the fishes of the sea, the birds of the air and over every living thing that moveth upon the earth (Genesis 1:28.). God never asked man to dominate over his fellow man, so what God meant was this: man will have dominion over the spirits in the sea(marine spirits), spirits in the air(witchcraft spirits), and on land. To stress this further, the book of Revelation Chapter 10 gave a detailed account of how an angel of the lord, exercised our God-given dominion mandate lost by Adam but restored back in Christ.

I will like you to pay attention to the standing posture of this Angel. As a believer, this should be emulated as our prayer posture. The bible said the angel placed one leg on the land, the other leg on the sea and lifted up his hands towards heaven. This prophetic posture is a mystery! Each time we assume such a position in prayers, the devils know the person is praying from the deepest depth of understanding of the **Dominion Mandate** God gave mankind through Christ. In our pursuit of understanding the operation of this dreaded kingdom, it is essential to arm ourselves with this fundamental knowledge before launching into the deep. Basically, there are two types of marine spirits;

- The conscious mariners and
- The unconscious mariners.

The conscious marine agents are those that know they are possessed, while the unconscious mariners don't know that they are possessed. Marine spirits possess females more than males, they do so to oppress men and scatter their homes since the man is the head of the home their primary tool is **Sex**. Mariners attack marriages deliberately to frustrate the Agenda of God on Earth. Although not all cases, mariners are extremely fashion-crazy. They dress to

attract on purpose, this marine spirits often influence single ladies to date married men without any remorse. They take delight in breaking the hearts of their victims so as to render them emotionally unstable. Once a person is unstable emotionally he is sure to make wrong decisions about other things. They neutralise the will-power of their victims through sex. They are very unstable in relationships, they cannot keep a relationship for too long. They pretend a lot and change their voice to fit the mood they are in.

Falling in love with a lady possessed with this Spirit is the worse thing that can happen to a man. The moment such a man decides to end the relationship, she begins to behave well, and on his change of mind, she starts tormenting his emotion again and constantly frustrates the man. Those who are possessed with the marine spirits unconsciously can easily be delivered by getting close to the things of God and His word. Other vices that can be traced to the influence of marine kingdom includes, lesbianism, homosexuality, and pornography, they are also party freaks, with few exceptions though. This spirit pushes young talented, beautiful girls into "Promiscuous Adventures". The truth is this, with God all things are possible (Luke 1:37). Deliverance is possible only when the mariner is willing to be delivered. Once that person is willing, that person must go to a bible practicing church for the power of the queen of the coast to be broken.

Then the person must be born again and take God's word seriously. Self-deliverance is also possible with this knowledge, you can pick up the bible and ask Christ to come into your life. Once He enters, the rest is history. I break every trace and stronghold of marine spirits from your life in the name of Jesus.

Life Experience

Every year, I celebrate my birthday by organizing a three days power pack program., On one of such occasions, a young lady walked into the auditorium and in no time- the power of God flooded the atmosphere. She fell under the anointing and started confessing. Her first word was "You are too small to deliver me" I said- Oh, that is true, but Jesus is here to deliver you . She went further to say... "Oh, I made a grave mistake, I didn't return back to normalcy after returning from an operation." Maybe she thought it was just the usual fireless services she had been attending, She met with the lord that day. Before she was delivered, she requested for more time to practice as a witch. She cried and pleaded., she has laboured so much and she just one step away

from becoming the queen of the coast. She also made confessions of the evils she had committed in the past, the people she had killed and the havoc she had done in people's life.

I shunned her and casted the foul Spirit out of her. I wouldn't want to go into further details. The good news was that Jesus delivered her and she received the life of Christ, and was baptised in the HolyGhost. This case is a typical example of a conscious mariner, I will share another experience with you quickly. It's of a non-conscious mariner.

Life Experience

I was invited to minister in a campus crusade, on the first night of the crusade, God visited us in an unusual way, mighty deliverance took place. But, there was a case the brethren hinted me of that they needed my attention, I told them I would minister to her the following morning. At daybreak she was at my lodge and as we began to pray, God took over and delivered her. The deliverance session was rigorous but in all, Jesus was glorified. After the prayers, I sat her down and began to encourage her and asked her some questions. How did you join this wicked kingdom? She said, as a child her academic performance was poor and it became everybody's concern. This made her father took her to a place for prayers. The father who happens to be a father of a ministry. According to her, she was bathed with water and her head was washed as well with a special kind of water. After the spiritual ritual, when she slept, she suddenly saw herself in the atlantic ocean.(I can't really remember the details. Its been years).

She saw her dad as an elder in this strange place, I was very shocked hearing that, I quickly interrupted her, to get an answer to my inquisiveness....” but you told me your dad was a pastor. She answered , yes of course!... I asked how come he is an elder in the marine kingdom? She said ... “Well, that is between her father and GOD.” She loaded me with deep details about the marine kingdom which I will be sharing in detail in subsequent chapters. When i got another invite this year for this same crusade, I was so excited to see her as she is now a member of the crusade workforce. God has perfected what He started. I am persuaded that this life experience has given us a real-life picture that will aid our understanding of this subject. Now, Let's begin to look deeply into the subject of emphasis which is “ The operations of the Marine kingdom”.

Dead Things

In Job 26:5, “Dead things are formed from under the waters, and the inhabitants thereof.”

Dead things are formed in waters beneath the sea. From its womb is the habitation of two wicked “Fallen Angels”, they inhabit these terrains and carry out their cruel operations of killing greatness in the life of believers . They are invisible to the natural eyes, yet they exist within the physical sphere. The realm of marine operation is a realm that is very important to fetish priests, the occults, satanic worshippers and money ritualists. It is the base of demonic agents and the site from which they influence the natural. I hope you know that God did not strip the fallen angels off their powers, this is the mystery behind the fetish operation we see in life. This explains why an average herbalist can stop the rain from falling. Never subscribe to the school of thought that says that Satan is powerless. In fact Satan loves this class of people because they automatically become prey for him.

I am not magnifying the devil neither am I trying to bring us under the bondage of fear. I am just giving clarity in the light of the scriptures. Never forget, we are more than a conqueror! These fallen angels split into two Divisions. The Atlantic ocean is governed by the Queen of the Sea, while the Indian ocean is governed by the Queen of the Coast. Both of these queens are Fallen Angels and they are the frontiers of the influence of Marine spirits on the Natural world.

Job 38:8, “Or who shut up the sea with doors, when it brake forth, as if it had issued out of the womb?”

In the days of old, the scriptures tell us that Marine Spirits were openly venerated by the Phillistines who also lived by the Seas. Then, they often experience an open manifestation of the Marine spirits. It was the Spirit that destroyed Both Samson and Saul. The Phillistines worshipped a god called “DAGON”, that was shaped after the Mermaid – Half Human and Half Fish. Biblically speaking, Dagon used Delilah as both a priestess and an agent to take hold of Samson.

Judges 16:23, “Then the lords of the Philistines gathered them together for to offer a great sacrifice unto Dagon their god, and to rejoice: for they said, Our god hath delivered Samson our enemy into our hand. It’s not the Half Fish and Half Man image that delivered Samson to

their oppressing hands, rather it was Delilah who was appeased by 1100 shekels by each Phillistine Lord to lure and deliver Samson to them.”

This Marine Spirit has its way of using sex as it's initiating altar. The female Marine agents enchant men through a demon called Succubi or Succubus, while the Male agents enchant women through a demon called Incubus or Incubi. The Succubi sleeps and has sexual relations with Men and the Incubus sleeps and has sexual relations with women. It is their altar and they initiate souls of men into the Marine kingdom by such means. These spirits oppress a lot of people and those under its demonic oppression are afraid of an open-air confession. These Spirits are also connected to Chemosh... Ashtoreth or Milcom.

1 Kings 11:7, “Then did Solomon build an high place for Chemosh, the abomination of Moab, in the hill that is before Jerusalem, and for Molech, the abomination of the children of Amman”.

1 Kings 11:33, “Because that they have forsaken me, and have worshipped Ashtoreth the goddess of the Zidonians, Chemosh the god of the Moabites, and Milcom the god of the children of Ammon, and have not walked in my ways, to do that which is right in mine eyes, and to keep my statutes and my judgments, as did David his father.”

They stir up lust and cause most men and women to defile themselves.

Life Experience

I met a very young lady in my days at the university, she was very passionate about the things of the lord, we became close friends. She visited me after a Sunday service, after some time, she began to act strange and funny. I picked the signal, but it was already too late for me to flee. She has camped me, she requested for intimate relationship and I refused. She said, I must because she was willing to open the ancient gate, to cut the long story short- God saved me from her. Not many days after, a brother who was well to do financially joined the church and entered a relationship with this lady. They were having intimacy. One day, things went off with the brother and she began to confess. Firstly, the business of this brother had crashed, things were extremely bad.. When the brother was narrating the story to me., he said, “ I don't have glory

again” , I said, Bro, where did you put your glory? In distress he mentioned the name of the lady and claimed she had collected it.

According to her confession, she was raped while she was in Jss 3, she told her friends, they promised to help her. What was the help? They initiated her into the Marine kingdom, they gave her the assignment to keep sleeping with men and bring their semen to the coven. She said any semen she submits, that person can never be great in this life again. This brother was number 99. God saved me. In most cases , sex is their altar of initiation. There is no free sex brother, you might be trading your greatness unknowingly. Solomon was overcome by these spirits. The queen of Sheba was a beautiful and worthy woman, yet he was still not contented , he fell into the snare of this spirit. Marine Spirits are enticing, seducing and subtle, they are hard to recognise in most cases. You cannot identify them through dressing, you need the gifts of discernment.

Molestation and Incestuous workings.

It is the Spirit behind the rise of the most hated bloodlines of men before God. The tribes God forbade his people never to intermarry with were born from these demonic influences. It's the spirit that influenced Lot's daughters and led them to Incest and Molestations.

Genesis 19:30-38, “And Lot went up out of Zoar, and dwelt in the mountain, and his two daughters with him; for he feared to dwell in Zoar: and he dwelt in a cave, he and his two daughters. And the firstborn said unto the younger, Our father is old, and there is not a man in the earth to come in unto us after the manner of all the earth: Come, let us make our father drink wine, and we will lie with him, that we may preserve seed of our father. And they made their father drink wine that night: and the firstborn went in, and lay with her father; and he perceived not when she lay down, nor when she arose. And it came to pass on the morrow, that the firstborn said unto the younger, Behold, I lay yesternight with my father: let us make him drink wine this night also; and go thou in, and lie with him, that we may preserve seed of our father. And they made their father drink wine that night also: and the younger arose, and lay with him; and he perceived not when she lay down, nor when she arose. Thus were both the daughters of Lot with child by their father. And the firstborn bare a son, and called his name Moab: the same is the father of the Moabites unto this day. And the younger, she also bare a son, and called his name Ben-ammi: the same is the father of the children of Ammon unto this day.”

The main areas this spirit manifests itself in a people, family, tribe or even Nation is by:

Sex

- Sleeping with an Unknown or Known man or woman, .
- Feeling of someone sleeping on top of you and pressing you at night but there is no one there.
- Dreams of sleeping with influential men or women, celebrities etc.

Uncontrollable Masturbation Urges and Acts.

You are addicted to masturbation, or maybe at times, you feel a thirst for it without any willpower to suppress it. Masturbation is a sexual act in which a man or woman releases their seed when the man's semen is withdrawn and falls to the ground, it attracts demons that create demonic larvae. According to God's word, Masturbation and Withdrawal are both one:

Genesis 38:9-10, "And Onan knew that the seed should not be his; and it came to pass, when he went in unto his brother's wife, that he spilled it on the ground, lest that he should give seed to his brother. And the thing which he did displeased the Lord : wherefore he slew him also."

Pornography.

This is a terrible addiction that leads to full demonic possession of Marine spirits in a person's life. The Bible forbid this , Pornography breeds lust of the eyes that simply leads to Adultery and Fornication in the Mind. Jesus Christ said "He that looks at a woman lustfully has already committed adults fly with her in his Heart". This is the sum of the matter , Pornography is the biggest altar of Marine initiation because by simply lusting, one is engaging the Spirit.

Using Enchantments Of Flesh And Marine Witchcraft To Lure Women or Men.

The Marine world is the biggest marketer of demonic Enchantments, that is taken as fashionables by the youthful generation and deceived, they easily fall prey to these powers. These Enchantments range from visible to invisible objects. For example, JEZEBEL was a Daughter of

a Zidonian king. The Zidonians as I have pointed out were connected to Marine Spirits by their goddess, Ashtoreth. The Zidonians had raised a Woman called JEZEBEL, she was connected to Marine Spirits. JEZEBEL is the Mother of Whoredoms and Witchcraft which finds its root in Marine Kingdom powers.

2 Kings 9:22, “And it came to pass, when Joram saw Jehu, that he said, Is it peace, Jehu? And he answered, What peace, so long as the whoredoms of thy mother Jezebel and her witchcrafts are so many?”

Jehu under the anointing and power of the Spirit understood beyond the fleshy guise of JEZEBEL, the monstrous Marine Agency of Witchcraft that resides in her. What was Jezebel’s marine Witchcraft that many had fall prey into?: look at this –

2 Kings 9:30, “And when Jehu was come to Jezreel, Jezebel heard of it ; and she painted her face, and tired her head, and looked out at a window.”

Painting of the face and tying of the hair, or simply put in other translations: Eyeliner, fixed up her hair and leaning on the window. According to the prophetic anointing upon Jehu, the man Jehu knew this was a form of witchcraft enticement. Another scripture that confirms this is hidden in the wisdom of Solomon, Look at the book of **Proverbs 6:25, “Lust not after her beauty in thine heart; neither let her take thee with her eyelids.”**

This is an example of the forms of Marine Enchantments that were put there- not all beauty products of men and women are demonic, but Marine Agents cast Invocations, Conjurations, and Curses on such objects and things, and when used, they open ways of Marine initiation.

Red Flags

Marine spirits are not spirits to be played with. They function on the strength of subtility and seduction, by false and counterfeit love like the case of Samson and Delilah. They also infiltrate their agenda through harassment and so many other forms of oppression. These spirits are hideous mostly, though they can be openly seen in work of Art, imagery, idols and even products associated with water, heavenlies or oceans. Because Marine Spirits are associated with water bodies, it has in its kingdom countless workings and signs. Marine spirits like water operating on 70 percent of any ground or Territory. Water is 70 percent in man’s body, and also

in the Earth, water covers 70 percent. Therefore the Marine Kingdom is extensive and has its tentacles in each city, town, and villages. From lakes, rivers, wells, springs to dams and oceans, the Marine Kingdom has and is still effective in its functions.

The Marine Kingdom control extends to all that is marine Connected such as Food, Communication, Life, Clothing, Industries, Power Centres, Building and others. This Marine Kingdom has recently grown strong and is recruiting a lot of innocent folks without their consent. As the End time strongly beckons on us, the Devil's fall is primarily upon two Habitations of men: A)Earth. B) Seas.

Revelation 12:12, "Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time."

In this scripture, God is very direct: INHABITERS OF THE EARTH – MANKIND INHABITERS OF THE SEA -??? The water frontier has the highest height of Forces and kingdoms, a large band of Evil Spirits, witches, warlocks, wizards, sorcerers, mediums, spiritists, and devil agents of other classes which inhabit and live in these areas. The deep secret of the Elite ones who are partners with Satan and work after His ways understand that beneath the seas are the foundations of the World, and if shaken, the land can be shaken. If by demonic spirits ,the Marine Kingdom can enchant these foundations, the effects can be felt globally. This is why its best to deal and destroy these Marine spirits without compromise.

Psalms 24:2, "For he hath founded it upon the seas, and established it upon the floods."

God has uniquely set the Earth's foundation upon the Seas and upon its floods. This is why when the Devil in the revelations of John, is cast down from Heaven, he comes directly, upon the Land with the Beast that came up from the land, two upon the Seas with the Beast that came up from Seas. This makes it important to pray for the Foundations of our Land. Marine spirits can also control a whole town, city, or village from a simple Marine Kingdom department within the region. A town, village or city can be enchanted by demonic forces from the marine kingdom simply from a river, a well, spring or even a lake in proximity to the region. The Spiritual child of God should always demolish and destroy these satanic forces constantly in order to exercise complete liberty, success and progress in that region.

For example. *2 Kings 2:19-21, “And the men of the city said unto Elisha, Behold, I pray thee, the situation of this city is pleasant, as my lord seeth: but the water is naught, and the ground barren. And he said, Bring me a new cruse, and put salt therein. And they brought it to him. And he went forth unto the spring of the waters, and cast the salt in there, and said, Thus saith the Lord, I have healed these waters; there shall not be from thence any more death or barren land.*

A simple spring in a city had cost them the lives of their men, the continuity of life, and even caused the land to be barren. This was a spring Enchanted by Marine Spirits, through those marine powers, an entire city was held captive until they asked the Prophet for a way to stabilise the city, to restore its life and bring back its vibrancy. The city was pleasing to the eye but it's dwellers were stricken by marine powers, which made them uncomfortable and distressed. Look at the region where you live, whatever illness, death tolls, missing children, and different forms of wickedness that has managed to create its culture must be connected to either a Marine Agent, marine witchcraft or marine kingdom.

Lastly, there is a Demonic Principality associated directly with the water/marine Kingdom.

Job 41:31, “He maketh the deep to boil like a pot: he maketh the sea like a pot of ointment. and also the Bermuda triangle and the other Deep Sea Hole are its working.”

Psalms 104:26, “There go the ships: there is that leviathan, whom thou hast made to play therein.”

Isaiah 27:1, “that day the Lord with his sore and great and strong sword shall punish leviathan the piercing serpent, even leviathan that crooked serpent; and he shall slay the dragon that is in the sea.”

Chapter Three

Lawful Captives

Marine spirits are the princes and princesses of the sea (Ezekiel 26:16). These class of demons are responsible for all the whoredomness in our world, they perpetuate the highest level of wickedness against mankind in the form of filthiness, defilements, sexual bondages, depravity, marital breakups and disillusionments. Apart from the very visible penetration of Marine spirits in our society today in influencing the music, fashion and film industries, these spirits also oppress people by coming to have sex with them in the dream or even claim to be married to them, resulting in what is called spiritual husband or spiritual wife. This spiritual union eventually becomes a ground for the devil to cut the victims out of their blessings in Christ and keep them in pains and suffering as explained in chapter two.

In Isaiah 49: 24 – the scripture says “Shall the prey be taken from the mighty, or the lawful captive delivered? But thus saith the Lord, even the captives of the mighty shall be taken away, and the prey of the terrible shall be delivered: for I will contend with him that contendeth with thee, and I will save thy children. And I will feed them that oppress thee with their own flesh; and they shall be drunken with their own blood, as with sweet wine: and all flesh shall know that I the Lord am thy savior and thy redeemer, the mighty one of Jacob”

Our aim in this chapter is to study how a lot of people became lawful captives of the Marine kingdom. I bless God Almighty, for all the preaching platforms and to be a blessing to God’s People. These opportunities have avail me to learn about the operations of the Marine kingdom practically. I’m about sharing an explosive truth, these are not mere fallacies, they are real. To help us understand this chapter, I will start by sharing a real-life story, this will form the basis. A few years ago, I was invited to minister at a two days power pack crusade, the first night of the crusade was very explosive, the hand of God was very heavy, delivering and healing his children of all manners of sicknesses and diseases of the devil. As the crusade was going on, the campus fellowship President ran to the podium, he requested speaking with me in a hurry, I consented, he said, “Sir, there’s an emergency that requires your presence”. I inquired to know what the emergency was. He said,” a lady came under the anointing and her manifestation was unusual, I responded “Oh, is that the emergency, I’m sorry. I don’t do deliverance.” He was

shocked, I could boldly read the expression on his face then I said “ok, it's fine, just try and manage the situation tonight. I will minister to her tomorrow by God’s grace.” He sighed and said Thank you sir. The following morning, as early as 7am, I heard a knock on the door of the room, where I was lodged, I answered, who is there please, a lady responded, I requested that she gave me some minutes, upon opening the door, Lo and behold, it was the lady from the previous night. She greeted me, I responded, you are welcome sister. I was told by the president, you asked me to come this morning for prayers, oh yes, that’s true, but then what exactly is the problem,. She shared her story with me. I wouldn’t want to bore you with the story,so I will just pick the parts in line of our discussion. She began to plead, :”Pastor please help me, I don’t want to die, my birthday is in a few days’ time, and they have concluded my matter in the Marine kingdom which I belong to.

She went further to disclose depth upon depth, I listened patiently to her. “I’m a queen in the marine kingdom, married with four kids. As I speak, they can see everything going on now sir.”- she said. No! they can’t see me, I’m in Christ- I replied. We prayed and commenced a deliverance session, she began to manifest, it was a serious one. She had a high ranked position in their World but God gave us victory, she was totally delivered, her deliverance started with a willingness to be delivered. After the deliverance session, I sat her down to give her brief teaching on what she must do to maintain her deliverance. I asked her a few questions. I can see you are a high ranked person in the marine kingdom, she nodded in affirmation. I asked her, how do you get your lawful captives?, she replied “Oh, that is simple, the Marine kingdom is a very calculative and strategic kingdom, we get our prey into a position where we have legal access to their lives, and it is only on the premise of mercy that God can deliver them.

Demonic Gift

One of the cheap channels through which marine kingdom get their captive is through gifts, a lot of people seek a breakthrough, promotions, children, prosperity and protection from Marine priest, a lot of people enter into covenant with marine kingdom. Some people even go as far as naming their kids after the Marine goddess and pledging to give their children to be married to the son and daughter of the river goddess. This is one of the many reasons why many people are not married today, they have been dedicated to the Marine kingdom.

In 2nd king 5;1-19, contains the narration of the healing of Naaman;

Naaman, captain of the army of the king of Aram, was a great man with his master. He was highly esteemed because by him the LORD had given victory to Aram. Naaman was a valiant warrior, *but he was* a leper. The name “Naaman” comes from the Hebrew verb *naem*, “be delightful, pleasant, beautiful.” It has the idea of “gracious” or “well-formed.” Because of the significance of names in the Scripture, this tells us something about the man. His name suggests that he had undoubtedly been a handsome man, at least before the leprosy. This implies that he was also a gracious and delightful man. But his name became a reproach and a striking contrast to his appearance and probably also to his sickness. This paints a striking picture of MAN, beautifully created both physically and spiritually in God’s image before sin entered.

For further clarity, below are the details of Naaman:

(1) **His position.** He was the “captain of the army of the King of Aram.” This means he was the General of the Syrian or the Aramean Army, second in command to the King. He was a man of great authority and position.

(2) **His popularity and prestige.** This is noted in the words, “a great man with his master, and highly respected . . .” Here was a popular man. He was a national hero as the general who had been victorious over the enemies of the nation of Aram. Upon his head were the laurels or wreaths of victory and upon his chest, medals of honor, and valor. But would you also note the biblical perspective and truth regarding the source of victory and valor; it is the sovereign plan and power of God. He was a man whom God had used as He had Pharaoh and the Kings of Assyria and Babylon. Here again we see how the Lord uses the saved and unsaved alike to carry out His purposes and plans. But being so used does not save a person.

(3) **His problem.** He was a Leper. “But he was,” italicized in the NASB, is not in the Hebrew text. In the original Hebrew text we find only the word “leprous,” which highlights or emphasizes Naaman’s problem--the dreaded disease of leprosy.

From the profile of Naaman, one can easily deduce that he was a great man indeed. However, there was a but in his life that He had tried all means to solve which had become an insurmountable mountain. Truly, Naaman held a high position but had a very great problem.

2 Now the Arameans had gone out in bands and had taken captive a little girl from the land of Israel, and she waited on Naaman's wife. 3 And she said to her mistress, "I wish that my master were with the prophet who is in Samaria then he would cure him of his leprosy.

God worked through the unrighteous deeds of Naaman's own army to bring this little slave girl into his own home to be the instrument of God's Love. Though small, weak, and insignificant, this little girl knew the omnipotent and sovereign Lord of the universe with whom there is healing. She was willing to point others to the most significant Being of the universe, YAHWEH OF ISRAEL, who alone could cure Naaman's disease. Why do you suppose Naaman listened to her? After all, what could a slave know? May I suggest that he listened because perhaps her life spoke volumes. Her life had been such a testimony that it gave credibility to her words. I want to point something serious to us about the demonic gift.⁴ And Naaman went in and told his master, saying, "Thus and thus spoke the girl who is from the land of Israel." 5 Then the king of Aram said, "Go now, and I will send a letter to the king of Israel."

And he departed and took with him ten talents of silver and six thousand *shekels* of gold and ten changes of clothes. 6 And he brought the letter to the king of Israel, saying, "And now as this letter comes to you, behold, I have sent Naaman my servant to you, that you may cure him of his leprosy." 7 And it came about when the king of Israel read the letter, that he tore his clothes and said, "Am I God, to kill and to make alive, that this man is sending *word* to me to cure a man of his leprosy? But consider now and see how he is seeking a quarrel against me." Naaman informed his superior, he wanted to use influence and position, the king of Syrian wrote to the kingdom of Israel. Please do well to read other portion of the story. I just want to point out few things ; Naaman was a very fetish man, while he was preparing to come to the city of Israel to consult prophet Elisha, he brought lots of gift items and took them to the altar of the god of the Syrians.

Naaman, made some demonic incantation on the item, saying whomsoever, receives the gift item shall carry is leprous(That's their custom). This, prophet Elisha saw from his bedroom which resulted in his refusal to come out of his room to attend to the influential general, having seen the intent of his heart. Ghehazi was the intermediary between both parties. Naaman at arrival, requested to see Elisha, the request was declined, rather than Elisha coming, he sent a prophetic instruction through is servant Ghehazi. The instruction was too ridiculing for him, considering is

pedigree and status quo in society, but the little maid, in the company of Naaman encouraged him to just obey and do that which was instructed of the Lord through his servant. To cut the story short, Naaman was miraculously healed, yet he still went ahead to present, the “demonic gift” he came with for the man of God. Elisha the prophet refused the gift, knowing too well, it was a demonic gift.

Ghehazi went behind, accosted Naaman, and collected the demonic gift. Ghehazi thought he was collecting a gift, he never knew, he was collecting leprosy. A Demonic gift is a system marine kingdom explore to get their prey cheaply, they advance this agenda in season and moment, where people can least expect. Mostly, festive and celebration periods such as naming, valentine and wedding ceremony.

Life Experience.

A couple was presented with bread as a wedding gift, unknown to them, the bread was directly from the coven of marine kingdom. After the whole ceremony, the bride was famished and was searching for what to eat, the only thing she could lay her hands on was the bread, She made tea and ate the bread. As soon as the bread entered into her system, the bread blocked her womb. She became barren for so many years. Until one glorious day, she was invited for a prayer program. The power of God came upon her and she vomited the bread, the bread was still very fresh. Immediately after her deliverance, she conceived and put to bed to the glory of God. There are people who have a connection to this dreaded kingdom, because of ancestral dedication. Here is the story of this daughter of Zion;

Life Experience

After reading chapter two of your book on “Marine powers”. I want to share my personal experience with you. On the 4th of August last year, after my midnight prayers, I slept and had a dream. In the dream I saw a line of water, like where someone poured a cup of water away. From that line of water, I saw something swimming towards me, when it got to me, it suddenly transformed into a beautiful woman, she was half fish-half woman. She had very long hair touching her waist. She was with a company of two girls. She greeted me and was about to introduce herself, I told her not to, that I know her, that she is one of the fallen angels, who was driven out of heaven and built her Kingdom in the ocean.

The moment I told her of all of these, her countenance changed and her beauty disappeared. I also made her understand, that the two girls with her, were the fruits of her seed with physical men. The girls were unlike her in body physique, they had a complete human body.

After telling her this fact about her person, she responded by saying, she brought me a gift. I told her, I don't need her gift and more so, I don't want to have anything to do with her. I know your Gift is "give and take", If I oblige, you will surely, demand something in return, something more than I can give. In her attempt to seduce me with the gift she opened her hands, lo and behold, there was money in them. I looked and saw my two boys by my side, they were excited about the money, they collected the money and stocked the money into my hands. I was very angry with them, I told them, I never wanted that money to end up in my hands, as soon as the money was stocked in my hands, she turned and returned back to the sea. But, as the lord, will have his way and show up for my deliverance, one of the girls she came with, came closer to me and ask about her mother, I needed to look for away around, returning back the "Demonic money gift" back to her. Oh, Your mum, she just left, but you see this money with me belongs to her, please take it from me and give it to her.

She transformed into their normal mermaid posture, swim with the money to join her mother. As she began swimming, the line of water turned into a big ocean, I could not see the beginning from the end, but across the ocean, I saw my first-born son, whom I covenanted to the Lord when I was pregnant of Him. I and my husband, agreed, to name him PAUL, if turns out to be a male child. Above all, the lord should use him for his glory. This is was how the lord, delivered her and the family from becoming lawful of marine kingdom through the gift. Although not all gifts are demonic, necessity and responsibility are placed on us to be on our watch, and prayerfully discern the gifts items we collect, in order to avoid gifts coming from demonic bases of hell. A lot of firebrand preachers have received gift items of this magnitude because of their carelessness and desperation for wealth. This might interest you; do you know the same prophet Elisha that rejected, the gift of Naaman, collected the gift of hazael.

In 2nd Kings 8:7-9

7 Then Elisha came to Damascus while Ben-hadad king of Aram was sick, and the king was told, “The man of God has come here.”

8 So the king said to Hazael, “Take a gift in your hand, go to meet the man of God, and inquire of the LORD through him, ‘Will I recover from this illness?’”

9 So Hazael went to meet Elisha, taking with him a gift of forty camel loads of every good thing from Damascus. And he went in and stood before him and said, “Your son Ben-hadad king of Aram has sent me to ask, ‘Will I recover from this illness?’” ...

Nevertheless, the Marine kingdom still uses “demonic gift Item” to get their prey. Don’t be deceived, neither should you fall for it, when it comes to spiritual matters, you must be extremely sensitive. There is serious demonic invasion everywhere, there is nowhere these Marine agents cannot be found now. That a gift is coming from the church or a member of the church does not authenticate it is a good gift, you must prayerfully discern any gift items. A lot of careless and non-discerning believers, as received afflictions, sicknesses and diseases through gifts, thought they received gift items but otherwise was the case! If you are in possession of any demonic gift, that is causing misfortune, may the stronghold of the gift over your life be broken in Jesus name. Remember this, Marine agents like to give gifts a lot, they are dangerous givers. Their gifts are demonized and meant to quench the fire and the light of God in you, Your prayer life will begin to dwindle as you keep receiving it, then when you are at zero levels, it becomes easy for them to capture you.

Sexual Intercourse

Another means the young lady told me during the counseling section was “Sexual Intercourse”. No wonder, the scripture admonishes every believer in 1 Peter 2:11 - Dearly beloved, I beseech [you] as strangers and pilgrims, abstain from fleshly lusts, which war against your soul. With the rate at which immorality is growing in the world today even among believers, one would begin to wonder what is going on. The goddess of beauty knows very well that humans don't understand the mystery surrounding sexual sins. She has therefore devised a way to come into the church to pollute the temple of God. God hates immoralities, sexual sin weakens the Spirit

Man and is the fastest way any believer can be made powerless . The marine kingdom knows and employs this strategy seriously.

In Proverbs 6: 26:

For by means of a harlot A man is reduced to a crust of bread; And [a]n adulteress will prey upon his precious life.

When Balaam could not curse the children of Israel, he gave Balak great counsel to lure the Israelites into sexual sin. (Numbers 24,25). This kingdom know too well those who engage in sexual sins don't count in the realm of the spirit, they lack the authority and boldness to confront the kingdom of darkness in warfare or setting their captives free. That is why you see so many pastors preaching against deliverance or warfare prayers, claiming we are free when we became born again. We have so many agents of the marine world in our churches today as members and ministers of the Gospel. This is the reason some can boldly preach that masturbation is not a sin or fornication will not take one to hell, you see many males who now jerry curl their hair, allowing transparent and indecent dressings in the house of God. All is to promote immoralities in minds and actions, We are simply in the end time!

In Prover 7:32-33:

³² But whoso committeth adultery with a woman lacketh understanding: he that doeth destroyeth his own soul.

³³ A wound and dishonour shall he get, and his reproach shall not be wiped away.

The mission of the marine world is to render the church powerless through sexual immoralities so that they can finally take over the earth and control it. The push to legalize homosexuality is one step to it, When that is accepted worldwide, they will now push their last agenda of "bestiality". The church must wake up and fight against this marine kingdom in our churches. The devil knows so well that sex is like a ritual, a spiritual one for that matter, sex invokes the supernatural into the natural, it invokes the spirit and blessings of God, when done legally and demon and bondage when done illegally.

The following are the strategies they use in capturing both ministers and believers into their kingdom:

Life Experience

A young man contacted me online, after reading my article on the Marine kingdom. Read his encounter with a marine lady; “I entered a park in search of a car (bus) going to Aba (a city in Nigeria). I was able to get a bus going to my direction, as a matter of fact, I was the first person in the car, I sat at the front seat with my luggage by side. While alone in the car, a lady approached me and requested for financial assistance. according to her, she was stranded and needed a little raise to pay for her bus ticket fee. I oblige to assist, she is very polite and very eloquent. I never knew I was interacting with a Marine agent. No one would ever suspect; she looks very decent and appeared as though she was married. After making payment for her ticket, she boarded the vehicle, I was already seated, she sat next to me at the front seat.

In no time, we started talking. she was very friendly, cool and lovely. She engaged me in the discussion, explaining, where she was coming from and how she later ran out of cash. During the discussion, she did a formal introduction of herself and collected my phone number. She asked for my info and asked where my final destination was. I told her. Few minutes, after a long silence, she requested we both stopped over and lodged in a hotel, on the ground, that’s was already late. It was bizarre, I didn’t respond. She further pressed, I told her, let us just be patient and see how things unfold. I later consented; it was no longer safe to continue the journey. I was careless, I did not pick the red flag, the driver at a point, told the lady, they have gotten to her bus stop, she pretended as though she was asleep. We alighted from the car to get a hotel. We finally got a hotel but I was not having cash, I needed to make withdrawals, upon arrival, we both sat at the bar, she asked, if I take alcohol I said no, she requested, I buy for her. I bought her.

After dinner, as we entered, the room she rushed me to the bed (though, before we got to our destination that evening, she has been touching me roughly to arouse me sexually). It was very intense; I fell into sexual sin. It was after the act; her identity was revealed. It was already too late. I knew, I was in serious trouble. He contacted me through our internet page, I sent him a compilation of our prayer booklet, which is in one of the chapters of this book. He diligently obeyed the instructions and prayed the prayers. God was merciful to him, he was delivered. Today, He is serving the Lord.

Ancestral Idolatry

If you reside in a riverine area or you come from there, you need to be prayerful. Just as we have mermaids, we also have mermen. God had to disgrace the water spirit in Egypt. He killed the fish that the Egyptians worshipped as gods. Before the purpose of God could be established in many areas, water spirit has to be dealt with, many nations and lives will not advance unless this is dealt with. Our forefathers used to worship water spirits, Some even call them their spirit wives and spirit husbands, they gave them names. The Yorubas call it “Yemoja”, the mother of the children of fish. The Benins call it “Olokun,” the owner of the Atlantic, some people call it “Ebo”, the owner of the sea. These kinds of things show that our forefathers worshipped them and these evil spirits dealt with them. You do not expect them to leave you alone if you come from these places or families that are involved in their worship. In riverine areas, there is a lot of sexual loosenesses. A lot of kings have an agreement with water spirits, they manipulate nations. A prototype of the kingdom of earth is also found under the sea.

Nigeria has two rivers; The River Niger and River Benue. A lot of lives have perished in these rivers. Sometimes when contractors are working on River Niger, you would hear them say, “One nail has fallen down.” They are referring to a human being that had been swallowed by the powers in the river, they magnetize vehicles traveling on bridges. I read about the story of somebody, who went down into the river and was thrown out after six months. The vehicle he was traveling in plunged into a river and everybody in it died except him. All the while he was there, they did not give him their kind of food, his deliverance was something else. He did it 25 times. In Mark 5, when Jesus delivered the man called Legion, the evil spirits begged to be sent into the swine and from the swine they ran back into the sea which was their place of origin.

There is a very strong link between ancestral spirits and water spirit. Some of our forefathers had powerful charms that enabled them to dive into the river and came out with their clothes still dry. If God opens your spiritual eyes, you would see a lot of virtues of people buried in the bottom of the sea, It is very sad. Up till now, in some places, when a child is born, he is taken to the river and given some of the water to drink as a rite. So right from day one, he gets initiated. Before you could find somebody from a riverine place who has a stable home, who is the husband of one wife, or the wife of one husband, and he or she is not a fornicator, or an adulterer, he or she must have been specially baptized with the fire of the Holy Ghost. Water spirits cause

people to be polygamous and promiscuous. Here is another platform through which people become lawful captives

Life Experience

About a year ago, a lady contacted me and explained her ordeals, how she and her older siblings have been battling with spirit husband. According to her narration, they have visited several places, in pursuit for a solution but all to no avail. In fact, the last person they contacted was requested for a huge sum of amount of money to appease the goddess and the spirit husband. It was big trouble for her, she was a born-again Christian, a very vibrant and committed worker in her church of worship. To crown, it all she was a virgin, she has never had intimacy with any man on earth. After her narration, I first commend her and appreciated the almighty God for keeping her whole and then shared a few testimonies of brethren with similar experiences in time past and how the Lord delivered them. She became very encouraged afterwards, I gave her the prayer booklet, which is in chapter four of this book. She made a profound statement, worthy of note, she said my parents were worshippers of the river goddess.

Herbalists & Native Doctors

Another means of becoming a lawful captive of the marine kingdom is by visiting herbalists and native doctors. If you have ever visited an herbalist or a native doctor and had the following experience, this is the implication of your experience;

- If you have ever visited an herbalist or native doctor and you were asked to place money on their demonic altar and you did, you have parted ways with your heaven ordain prosperity, you might never rise again financially in life.
- If you were given soap to bath with, and you did, you have washed away all the glory and the goodness of your life
- If you were given incense to spray at home and you did, you have invoked higher demon into your life.
- If you were given an egg to speak to, and you did, you have given off all children in your loins

- If you were asked to make a sacrifice, and you did, you have submitted your life to the rulership of the devil.
- If you ever allow an herbalist to make an incision on your body either for protection or breakthrough, you sold your soul to the devil.

It is important I emphasize that, there are many pastors operating as herbalists, never fall a cheap prey. There are many herbalists on suits, who call themselves men of God, Be well guided. These events are expected attributes of the end-time. A lot of believers have fallen into the den of marine kingdom through this avenue, We must watch and pray.

Life Experience

In one of our prayer meetings, the Lord began to speak to us through his word, opportunities were given to brethren to share their experience in the light of the discussion. A brother lifted up his hands, to share with the house, his experience in the light of the discussion. He said, many years ago, one of his close friend lost the mother, everyone was suspicious about the death and felt the death was not normal. After the burial, a pastor sent for the son to come over and see him, he will like to share with him, what the lord was showing him as regards the mother's death. The son was reluctant and skeptical about the whole thing. He called me and pleaded that the brother goes with him to visit the pastor. I (the brother) agreed to go with him, we picked a day and went to see the man of God, when we got to the venue, we met with him, the pastor looked at me and began to prophesy, I was a novice, just growing up in the lord, I really didn't know much as now.

The pastor gave me a native drink called "Agbo" in Yoruba. Thereafter, He took me to a river to bath me, I was so naïve. It took me nights of prayer vigils and fasting to regain myself from that encounter. You can imagine, the experience of this brother, this is how a lot of people became lawful captives. I was told the story of a young Christian sister, who went to see a Muslim cleric. She had a spiritual challenge, she couldn't wait on the Lord any longer. So, she resorted to visiting the Islamic clergy who told her, the way out is for both of them to have sexual intercourse after which the battle will end. She accepted and slept him, after the act, the battle worsened.

Below are other means through which one can become a lawful captive;

- **Polygamy:** There is no way a man would marry many wives and some of them would not be possessed with marine spirit. The fact that the man is polygamous is enough evidence that he has a problem with marine spirit.
- **Environmental Pollution:** When you live in a riverine area and you do not pray hard, you would get polluted.
- **Seeking Fruit of The Womb from The Marine World:** These powers may give you a child but it would certainly be one from the kingdom of darkness. Children gotten by this means eventually kill their parents.
- **Family Idols:** Many idol worshippers consult water spirits.
- **Rituals and Sacrifice:** A person gets polluted through these means.
- **Direct Attack Through Marine Powers Recruitment Exercise:** These powers have agents all over the place initiating people through materials like jewelry, clothing, attachments, etc.
- **Parents that Are marine agents:** Children born of such parents would be polluted.
- **Initiation by Friends:** If you have friends who are possessed with water spirit, they will initiate you easily through food, clothes, etc.
- **Bathing by the river on the recommendations of a so-called prophet.**
- **Night Parties:** It is not everyone you see at night parties that are normal human beings. Many young people have been destroyed in disco halls because they danced and got involved with water spirits, without knowing.
- **Satanically inspired music:** Many musicians get their inspiration from water spirits. Believer, must be very careful. The way some dancers perform clearly indicates where they come from.
- **Sharing cloths with marine agents:** Believers must be careful who they borrow things from.
- **Food Pollution:** They pollute people through food.
- **Attending Marine Festivals.**
- **Visiting Rivers or Streams for Cultural Reasons.**
- **Satanically Inspired Dance.**

A person that has been polluted by marine powers would find it hard to practice Christianity because reading the bible would be difficult, praying would be hard work, and fasting too, would be difficult. People possessed with water spirit have a spirit of anger. They dream about water. They find it difficult to settle down in marriage. Uncontrollable sexual urge, hindrances to progress, etc are also symptoms of marine pollution. I trust the lord chapter four is going to address a lot.

Tangible signs of marine Involvement:

1. Constant swimming in the dream.
2. Playing with snakes in the dream.
3. Constant crossing of rivers with boat or from a bridge in the dream.
4. Excessive Pride.
5. Excessive fear of physical rivers.
6. Imagining the presence of a snake when alone.
7. Constant disappearance of one's personal effects.
8. Excessive Stubbornness.
9. Easily irritated (excessive angriness).
10. Thoughts of death. And suicide
11. wearing of ornaments whose sources one cannot explain how about.
12. Sadness state without any cause. Etc...

Ways to deal with Marine kingdom

1. Accept Jesus as your Lord and Savior
2. Live a holy life
3. Break Dedication
4. Engage in warfare prayers

Chapter four

The War Room

This chapter of the book is designed for prayers. I trust God Almighty for your deliverance, but then it something you are to do for yourself, your approach matters, you must be very combat-ready and settle for nothing except your total deliverance. To the glory of God, so many amazing and mind-blowing testimonies have been recorded from people all over the world, who have prayerfully gone through the prayer manual. I am persuaded that you are next in line for a testimony!

Understanding the victory

There can't be victory without a fight. War has been in existence even before the foundation of the world, understand please, that the battle you are about confronting, challenging your dominion mandate as a child of God through various "War Room" section of prayers is already a won battle. We are fighting from the point of victory! Meaning, the battle is a testimony already. How do I know? If our meditation together has been correct, then the conditions of the original world and the cause of its desolation may be summed up as follows: At the beginning of time (in contrast to eternity) God created the heavens and the earth. The earth was not at that time waste and void (Is. 45.18) but was instead most beautiful. On that earth there were not a few inhabitants. Yet before God had created the earth and its preadamic race, He had created angels (see Job 38.6,7), Of the myriads of angels created, He set Lucifer as the head.

This archangel was fairer and wiser than all other created beings, he was a masterpiece of God's creative act, he dwelt in the ancient preadamic Garden of Eden and was given dominion over the world. And as a result he was called the prince of the world (John 14.30). Many angels were under his authority; they helped him to govern this world. But due to his position and glory, he became proud and rebellious. He wished to lift himself up to be equal with God. He was unhappy to be a created being and wished to be a creator. So he began to slander God before the preadamic race and to accuse the latter before God. His unrighteousness was found out, he was duly condemned, and at the fullness of time Lucifer was cast down from heaven to earth. One-third of the angelic beings followed him in his rebellion so that they became the devil's messengers. For them God has prepared hell (Matt. 25.41); and into hell shall Satan and his followers be cast at the appropriate time.

The preadamic race who inhabited the former earth was under the rule of this archangel and his angels. That race was enticed and their sins became full (we can readily understand this situation by comparing it with our own world today). So that through the fierce anger of God the earth and all who inhabited it were destroyed. Many evil spirits were shut into the abyss of the sea. Satan, his angels, and the evil spirits thus make up the kingdom of darkness. We do not know how long such a condition continued on before God took new action but then the Spirit of God moved upon the face of the waters, and the triune God began to repair the world.

The Lost Dominion

And after He finished restoring the earth, He created Adam and Eve. He ordered them to be on guard that through the union of man with heaven the power of Satan might be put to naught. Adam, however, was tempted into sin, and he fell. Instead of subduing the world and bringing it back to God, he delivered the world which God had given him to Satan once again. Angels had earlier failed, and now man failed.

The Restored Dominion

So, God himself came to be man as the Last Adam, even the Lord Jesus Christ. The Lord Jesus has become the prophet, priest, and king of God. On earth He was the spotless prophet of God. Towards the hour of His death, He boldly declared that “the prince of the world cometh: and he hath nothing in me” (John 14.30). As He died, all who are in Adam were crucified in Him. Being God, He was able to have the old Adamic creation crucified in himself and to begin a new creation through His death and resurrection. Thus, Satan was judged once at “the holy mountain of God” and once again at Calvary. His sin has already been condemned, and only the execution has not been fully carried out. The time will come when he shall be cast down to earth. And when the Son of God shall return to the earth, then Satan shall be cast into the abyss. And after a thousand years he will be thrown into the lake of fire to suffer eternally. Today, our Lord Jesus holds the keys of death and of Hades.

He will wait until He wipes out all traces of rebellion. He has brought His own blood into the holiest of all, having purified heaven, and ever since acting as the priest of God. At His return, all things shall be restored to God’s original design. Then shall He be God’s King, He with His overcoming saints shall rule this world from heaven, He shall instruct the inhabitants of the earth concerning the will of God and the way of worshiping Him and the conditions of the millennial kingdom shall be similar to that of the world before sin entered in. Having restored all things to their original design, Christ has fulfilled the eternal purpose of God. Then this world will be consumed by fire and a new heaven and new earth will be created in which righteousness shall reign. For this reason, we as God’s children ought to have a deeper sense of enmity towards the devil. In these thousands of years, the one purpose of God has been for men to be united with Him in destroying the power of Satan.

Our God is the One who cannot deny himself. The world which was lost through man He would not take back by himself. He, therefore, sent His Son to become a man, and the man to recover that which was lost. We, the saved ones, must work together with that unique Man, the Lord Jesus. We must resist the devil in our life, work, environment, and all things. We resist through faith (1 Peter 5.9) and not with fleshly weapons (2 Cor. 10.4). How clever and beautiful was Satan before, but because of his pride he has fallen into such an irredeemable state. How dangerous are those people who consider themselves clever and beautiful! Beware, lest your pride and arrogance cause you to “fall into the condemnation of the devil” (1 Tim. 3.6). Pride and self-conceit are not the blessings of man; the fear of the great and incomparable Lord God is wisdom.

Enforcing Dominion

There is no other place to enforce our dominion over marine kingdom other than the war room through the violent force of prayer, the word, and fasting. There is a serious contention, we must wake up to address; the marine kingdom attacks and affliction must stop, by redemption, you are far above marine kingdom. It is time to address every of their advances and terminate each of their attacks over your life through aggressive well-coordinated prophetic package prayers. Remember, God is a master warfare strategist, He recovered the world which the first Adam had lost. Thus sinners who deserve to die can die to the old Adam by His death and be joined in life to Him—that is to say, to the Christ. This is salvation and such is the meaning of believing in the death of the Lord Jesus. All who believe in the Lord are therefore at enmity with the devil. The latter will attack us in all things, yet we must resist him, his angels, and his demons at all times. And such is real spiritual warfare. We must live with warfare consciousness; Satan has declared war against you from the moment you accepted Jesus Christ as your lord and savior. This chapter is design strategically for prayers to enforce our dominion over all forms of attacks from marine kingdom. The prayers are segmented, locate the segment peculiar to your case and aggressively pray them to enforce your dominion. Enough is enough! I will try as much as the lord will help me to make the prayer instruction very simple to follow.

War Room 2: War against dreams of defilement

The defilement dream is connected to a spirit spouse. A person, marriage, body etc can experience defilement. The negative side of this dream is designed to carry out several destructions. wet dream experience with a known or unknown person is true evidence that you have been arrested, delayed and polluted. The Bible says in Mark 7:23, All these evil things come from within and defile the man. So, what can come from within a person are as follows: lust, fornication, hatred, adultery, divorce, envy, seducing, etc. There are number of demons that penetrate a man immediately after having a sexual activity with a person in the dream. When you sleep with a person (known or unknown) in a dream, you have sold out your souls to the marine spirit. A dream about the defilement of the body, soul and spirit has rendered so many people useless in life, and smelling in the nostril of God. If you are a married person and you have always been aroused after your dream, it indicates that you are married spiritually and you will not able to prosper., fulfilling God's agenda for your life.

Defilement occurs when your body or your reproductive organs has committed a serious (offence) sin outside your marriage. For example, if you are dreaming about a person playing with your sensitive areas, then you will have a challenge to impregnate a woman or bear children. One of the signs to know how severe is this dream case is when you wake up feeling so weak, confused and wet all over your body. Maybe you have been planning to get married or maintain a peaceful marriage. Dreaming about a man or woman defiling you can deactivate the blessings of God and makes you empty with no sign of glory to fulfill or impact unto others. I wonder why so many people experience polluted dreams in their sleep, and still find it stressful to cancel, nullify and neutralize the effects of such dreams. No wonder there are lots of marital disappointments, financial problems, and the increasing effects of divorce cases in the world.

The causes of the defilement dream depend on the type of person engaging within the spirit world. Most times, all love making dream is harmful to marriage and health. In some cases, many people do not know why this dream is appearing too often in the first place.

In other cases, the causes of this attack may be due to the bewitched person you have once slept with and the day this occurs is when demons begin to attack you from the marine. Many people take their time to fast and pray against wet dreams only to see them committing fornication and lustful desire for someone the following day. This is not ordinary, but a spiritual incline attack. If you continue to sleep around with people at will, you will never become a glorious person again. No matter the prayers to cancel all dreams of defilement, if you cannot flee away completely from immorality and indecent lifestyle, your destiny will keep inviting all kinds of demons to have intimate action with you in the dream (Rom 6:23).

One thing about this defilement and pollution dream, the marine spirit that attached itself to you through love making it would begin to disturb any man or woman that wants to seek for your hands in marriage. They would usually tell them things like, "She is a wicked woman or a heartless man. Don't marry her or him. He/she is a pretender. She will eat your money and run. He/she doesn't have plans to marry you but to hang around you for a moment. It is common to see lots of fake relationships, fake marriage and fake emotional feelings. Paying attention to the major point in the dream can provide you the decision to take. If wet dream is your own challenge, it is advisable to go for deliverance before it goes deep into your life. However, if you have a feeling that your relationship will not lead to marriage, or perhaps, you are nursing a feeling that he or she is cheating on you, chances are you may marry late or in most cases, having a serious misunderstanding with your married partner.

The root cause is spirit spouse. Not all people having a dream of defilement such as eating in the dream, wet dream etc.) will experience marital problems. among the factors that can cause this to happen is spirit husband or wife. If you are experiencing a number of negative symptoms such as disappointments, divorce, unstable emotional life, it is good to pray your way out. Excessive defilement dreams can lead to the bondage of your prospective man or woman for marriage, including the person you 're presently dating. If that's the case, you may break and renounce the covenant between you and the spirit demon of your father's house or mother's house. The spiritual meaning about the sexual dream is prone to a waste of destiny. That is, the glory of a person will be wasted away. If personal prayers don't give you a quick solution to this dream attack, your next option is to meet your pastor to book a deliverance for you. Please also note that the only limitation to your labor while praying could be as a result of practicing sin.

War room Three: War Against Masturbation

Masturbation is the sexual stimulation of one's own genitals, usually to the point of orgasm. The stimulation can be performed using the hands, fingers, everyday objects, or dedicated sex toys on a body, which results to the point of orgasm, discharge from a body! Masturbation is a spirit, and serves as a covenant most people have entered knowingly or unknowingly, that is, entering a covenant with a demon or agent of darkness and Do you not know that he who is joined to a harlot is one body with her! For the two, He says! shall become one flesh Icor6:16. (When you engage in sex with anybody or spirit, before marriage, you have entered a covenant with them, you have become one, unless you break the link, even after marriage some are still having sex in the dream, you need to break the link). When you are seducing your body and find yourself at the point of orgasm and discharge, note that, there is a spirit behind it, is not natural, they called them Spirit husband/wife.

Sex is performed between a husband and wife, they are meant to come together and enjoy themselves, not a person to seduce or enjoying himself/herself alone without other partners involve, discharging without other partners! Is dangerous for your life. Masturbation also defiles God's temple and grieve the Holy Spirit: it serves as a sin against God, as believers in Jesus Christ, our bodies are literally temples for God and Holy Spirit, who lives in us. God commands us to "honor God with our body" (1 Corinthians 6:20).

I beseech you therefore, brethren by the mercies of God, that you present your bodies, a living sacrifice, holy acceptable to God, which is your reasonable service. Rom12:1

If you find yourself in this case, you need deliverance! You need to break the link and destroy those covenants before they continue affecting and destroying your glory! Break the link, deliver yourself, and destroy those covenants, then take a step of faith and stop.

Causes of Masturbation!

- Rejection (e.g. unloved by parents, being made fun of by peers, abuse, getting dumped by girlfriend or boyfriend.) All these serve as rejection and lead to masturbation!
- Trauma, abuse, molestation, rape, by someone in the past, may be at a teenage
- Unforgiveness (including bitterness, resentment, grudges, etc.)
- Occult activity- they can introduce someone to it!
- Sexual sin also gives way to masturbation!
- Reading books about sex when you are still single! Like Mills&Boom, Temptations etc.
- Having sex conversation with any group, people that are not Godly, when you are not married! Sex education is good in a Christian gathering or seminars, but not in a place where they will corrupt your life.
- Watching pornography or movie that involve sex on the internet, Tv, even having it on your phone is not a good thing!
- Friendly with people that are into it.
- Dwelling on sexual memories
- Taking long shower
- Listening to worldly songs that are not godly and watching them on TV, internet.
- Married people engaging in Oral sex!

Effect of Masturbation

You may see it as enjoyment but it has one or two effects in your life; it has affected lives in one way or the other!

- It steals your glory! When demon have sex with you, they come to steal peoples' glory the devil comes to steal, kill and destroy: John10:10a)
- It kills your spiritual life, most people into it are dead while people think they are living, the devil kills gradually until he finally kills.
- It causes stagnation, delay, bareness of any kind!
- It causes failure, you will see yourself trying to move forward but keep resulting in failure.
- Difficult to marry, cause the spirit husband/wife doesn't want anybody to take his/her position in your life, (he/she will be so jealous) so they cause delay for people to marry.
- If you have a chance to marry, they affect your spouse, by causing the failure, delay in childbearing, bankrupt, set back in marriage
- They cause divorce in marriages, if you still find yourself having sex in the dream after marriage, it means the spirit husband/wife still have a relationship with you and result to jealousy in them, when they found out you are having sex for real with your spouse!
- They make life difficult for people.
- It closes the opportunity doors that you are expecting from God. Like believing God for promotion, breakthrough, jobs etc

Spiritual Aspect of Deliverance

- Forgive yourself, close every past door like hurt, pain, abuse, unforgiveness, bitterness, of the past. For instance, you may be seduced/molested, rape by a sister or uncle in the past but you find it difficult to let go, forgive, these are doors that you open for seducing spirit to have a way into your life, and finding yourself masturbating during the day, and continue with the real spirit in your dream in the night! Forgive yourself and close all doors!
- Ask God to forgive you, cause the bible says if anyone defiles the temple of God (body) God will destroy him Icor3:17
- Surrender fully to Jesus to help you out, when you forgive yourself, Jesus is the one that will give you the power to close every door of the past, cause you can't do it alone by your power; Is not by power nor by our might but by the spirit says the Lord!

Dreams.

Dreaming is a natural way in which the spirit world breaks out into our lives. Dreams can be described as the dark speech of the spirit. They can be keys to unlocking the door to the inner world. Dreams have been referred to as the speech of the spirit. They are means of revelation. Unfortunately, modern men and women have chosen to either ignore dreams altogether or to fear that an interest in them is lack of civilization. The fact is that if we would listen, dreams can help us find increased spiritual victory and help.

Dreams – Sources of Revelation

Once we have the revelation that dreams can be a key to unlocking the door to the spirit world, we can take some vital steps. First, we can specifically pray inviting God to inform us through our dreams. Secondly, we should declare war when dreams are used against us and thirdly, we should learn how to interpret dreams. The best way to discover the meaning of dreams is to ask the Holy Spirit. It is worthy of note that God promised that He would speak to His people by dreams in the last days. Acts 2:17 says: “And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams.” Therefore, our dreams need to be studied and analyzed with a view to decoding their messages. There is no other passage to turn to for a proper understanding of victory over satanic dreams than Matthew 13:25: “But while men slept, his enemy came and sowed...” Unfortunately, the problems in the lives of most people start with instances of satanic dreams.

Danger!

People face two types of danger. One, a lot of people are so deep in spiritual sleep that they never remember what they dreamt about when they wake up. This is the twin danger; when somebody dreams and forgets everything, he stands the danger of missing an important message or ministration from God if He was the One speaking through the dream. Two, if the enemy is carrying out an evil activity and you forget the dream, you also face the danger of remaining under bondage. If you are fond of forgetting dreams on a regular basis, you have a very serious spiritual problem.

SOURCES OF DREAMS

Every normal person is supposed to sleep. By the time a person is sixty years old he would have spent twenty years sleeping. And since one-third of our lifetime is spent sleeping, it means that a large percentage of our life is spent dreaming as dreaming occurs during sleep. Dreams can come from God. It can come from man. It can also come from the enemy. When the dream is from God, the dreamer is left normal, calm, quiet, reasonable, with open and clear mind after that dream. Also if it is the Almighty talking to you in the dream, He will give you: assurance, encouragement, comfort, directions, instruction, guidance, exhortation, correction, revelation of the future, revelation of His plans and purposes to you. If it is from your enemy or satan, the dream will be mysterious, absurd, sometimes empty, sometimes foolish, and sometimes leaving the person confused and dazed. The dream would be so unreasonable, most time it would not make any sense; sometimes it is so mysterious that you wonder what kind of dream it is. God in His own wisdom has designed dream for man. Everything which God has designed for man is for a good purpose. But the problem is that the enemy goes into every good thing and corrupts it. The devil turns anything that should be a friend of man into an enemy.

1.1 Do You Know Why You're Forgetting Your Dreams?

Are you frequently forgetting your dreams? In fact sometimes when you awake you know you had a lengthy dream but find it impossible to recall. What about during the course of the day certain things will trigger parts of the dream but still you find it almost impossible to put the entire dream together? Make no mistake such occurrences are never by chance or accident. These are demonically engineered act by evil spirits to prevent the dreamer from challenging any evil covenants that would have been covertly established in the dream. Let's say for example you had a dream where you were eating in a dream. Well, in such a cases the dream is not a good dream, in fact, whatever it was that you ate in the dream, that seemingly appeared to be food was in fact satanic deposits being deposited into your spirit via witchcraft which will result in unexplained physical sickness, leaving medical practitioners lost as to what is going on with the victim.

Unknowing to the Medical Doctors that the source of the victims sickness is spiritual. More importantly if the dreamer does not recall their dream, specifically in the above example, then the eating in the dream has forged an evil covenant to permit what was established in the spirit realm to manifest in the natural realm, again, the dreamer is completely ignorant of this if he or she can't

recall their dream. Therefore, the dreamer is ultimately forced through demonic means to forget such dreams so that the dreamer would not challenge the dream upon waking via cancelling and rebuking the dream. Folks that are heavily engaged in spiritual warfare and those that enter into frequent fast, will be challenged with such forgetting of their dreams all in an effort by the Enemy in attempting to gain an upper hand in spiritual warfare. Folks that are involved with witchcraft, will usually use this tactic, especially against Christians to hinder the Christians' spiritual awareness of what the Enemy is concocting. Christians and all folks alike must understand the importance of their dreams simply because their dreams are their spiritual monitors revealing to them what's pending in the realm of the spirit either against them or for them. I would advise that you either pray to remember your dream or if you don't recall the dream always cover your bases by praying the following prayer:

“Father, If my dream that I cannot recall was of you and your purpose for my life then I come in complete agreement with your plans for my life. However, if what I dreamt is not of you and I was deceived by the Enemy to agree with evil covenants against my destiny, then I cancel, rebuke and reject such covenants and command it to be destroy by your fire in the name of your son Jesus Christ!

I have also discovered that folks that are on the brink of a break through, financial recovery, restoration or just being blessed will usually be plagued with the difficulty of not being able to recall their dreams of course for obvious reasons. As a reminder the spirit world must secure the permission or agreement of the dreamer through covenants in order to manifest its will in the dreamer's life. Unfortunately, it is due to this lack of spiritual knowledge that many are living a life of “almost making it” meaning your life will be saturated with seeing the finish line but never arriving at it.

You may ask “I have had these types of dreams for years without doing anything about them. Can I still take action now to effect a change and stop these dreams from recurring?” The answer is YES, you can! There's great news for you. There is a glorious opportunity in the spiritual world which you need to know about. If you have a tape player, you will know of two important functions: – rewind and fast forward.

HERE'S THE BIG SECRET:

You can rewind your dream experiences back to your childhood days through prayer. That means you can counter the effect of all the bad dreams you had for the past ten, twenty, forty years, etc....

Here's how you pray:

Father, in the Name of Jesus, I reverse the effect of the negative dreams I had ten years ago. Any negative effect should be completely cancelled by the blood of Jesus. In Jesus Name, Amen.

IF YOU WAKE UP FROM A BAD DREAM, FOLLOW THE STEPS BELOW:

- Do not FEAR!
- Ask the Holy Spirit to help replay the dream in sharp focus so you'll know how to respond.
- Launch a counter-offensive by first cancelling the dream, summoning the evil actors and dealing with them.
- Recover what they stole from you in the Name of Jesus.
- Release all the big spiritual missiles against them ie. Fire of God
- Soak yourself and your loved ones in the blood of Jesus and pronounce the blessings of the Lord abundantly upon yourself.
- Be prepared to do this repeatedly, if need be, for many days and nights. In other words, be ready for a sustained and persistent campaign.
- As soon as you wake up from a bad dream, you should cancel it. A simple prayer like this:

"I cancel that negative dream I just had about (Fill in the blanks) in the Name of Jesus. I decree that it shall NOT manifest in the physical in Jesus Name. I release the fire of God on every satanic actor in that dream. I plead the blood of Jesus and I hold up the banner of victory in Christ Jesus. Let the angels of the Lord go on a "search and destroy" mission in the land of the living and the dead to destroy every power, spirit, personality, device or animal programmed to attack me in the dream. Henceforth, let nothing trouble me in the dream for I bear on my body the marks of the Lord Jesus Christ. Amen".

Few Interpretation of dream

Car Brakes Don't Work

Means the enemy is trying to take control of a certain area in your life. Your destiny is under attack. You have to resist this using the Word of God and prayer. You should cancel the dream as soon as you wake up and pray that the heavenly mechanics would repair the brakes of your vehicle and ask the Holy Spirit to take charge in Jesus' name.

Person Who Passed Away Takes Something From You

Means there is a spiritual link that you need to break. The enemy is using that link as a conduit to siphon your virtues and blessings. If the person is a relative, it means you have ancestral evil linkages to deal with. You can pray "I recover my virtues from the land of the dead, and i cut every ancestral evil linkage with the sword of the Lord in the name of Jesus."

Being Arrested

Means you have fallen into the trap of the spirits which engineer bondage and captivity. You need to rise up with holy anger and pray like this: "I release myself from every satanic cage or prison in the Name of Jesus. I bind the arresters in the dream and i release the hornets of the Lord against them. O Lord, despatch your angels of war to hunt down my captors and take my captivity captive in the Name of Jesus.

Wandering Around In a Bush

Means the spirit of confusion is at work in your life. You will not be able to focus on anything and do it well. Confusion will be the order of the day. You need the bind the spirit of confusion. Ask the Lord to send his angelic dispatch riders to take you out of the maze of confusion.

Bulls or Cows Chasing You

Means that witchcraft spirits are after you. Ungodly dream interpreters will tell you cows signify good time coming. That's a big lie. If you find cows coming after you in the dream, you better wake up and pray. Bind every spirit of witchcraft and release the fire of the Lord to burn them to ashes in Jesus' Name. And learn to be sensitive to what's going on in your environment.

Scorpion Attacking You

Means that you are up against very wicked and aggressive enemies. They will stop at nothing to destroy. Rise up and declare war against visible and invisible enemies. Pray like this. “Thunder of God, scatter every satanic army assigned against my life in the Name of Jesus.”

Lost Your Clothes and Not Able To Find Them

Before you woke up means spiritual robbers are working against you, and the end result is shame and demotion, unless you take action now. When you wake up, send the angels of God on assignment to recover what you’ve lost. Ask the Holy Spirit to arrest those responsible. Ask for the garment of honor and glory from the Lord.

Walking Around Barefoot

Means shame, demotion and hardship. Pray and destroy the powers assigned to monitor your life and report back to your enemies. Bind the spirits of shame and poverty. Release the fire of God against them. Cover yourself with the blood of Jesus.

Flood Carrying Your Things Away

Means that evil consultants have been engaged to fight you. By evil consultants I mean psychics, mediums, fortune tellers, sorcerers, enchanters, magicians, etc... Their specific assignment is to destroy or transfer your virtues and replace them with trouble, tribulation and hardship. You will do well to learn how to battle against these things through violent prayer. A great prayer point is “O altar of perpetual destruction set up against me, be destroyed by the earthquake of the Almighty in the Name of Jesus.” You can also pray that the Lord should turn every evil counsel against you to foolishness.

Seeing Yourself Flying

Means you have been initiated into witchcraft, whether you know it or not, whether you’ve agreed to it or not. Some people inherit this wicked spirit from their parents and have no idea that they are blind witches. The solution is to look for an anointed Christian ministry that understands how to set people free from this type of thing. Five-minute prayers will not be enough to do a thorough job here. As Jesus said, “this kind goeth not but by prayer and fasting.” It is a stubborn spirit.

Being Arraigned Before a Judge

Means someone is placing curses on you. Here's where you need to know your scripture. The Bible says, "No one can curse whom the Lord has blessed." And "a curse causeless shall not come." Armed with these scriptures you pray "I cancel and nullify every curse placed upon me in the Name of Jesus. I arrest every spirit assigned to enforce curses upon my life in the Name of Jesus. I destroy their assignment by the power in the blood of Jesus. I declare that I am the blessed of the Lord. No one can curse whom the Lord has blessed." This is powerful stuff and it works. It is scriptural!

Being Driven to an Unknown Destination

Means some other power outside the Holy Spirit is in control of your life, or an area of your life, for evil. Pray for the Holy Spirit to unseat the evil driver. Ask the Lord to forgive you where you have rebelled against Him, and opened the door for the enemy.

Surrounded By Bees

Means you are under attack by strong, highly organised enemies that will stop at nothing to destroy you. Release the fire of God to burn them to ashes, through aggressive and persistent prayer. That means pray against them every night until you see a sign of their defeat.

Doors Closing Before You Enter

Means the spirit of Pisgah is after you. This is the spirit of "almost there." It makes people to fail at the edge of their breakthroughs or miracles. It is a vagabond spirit. It led the children of Israel wandering in the desert for 40 straight years. You need all the spiritual ammunition you can gather against this one. More on this one later.

Seeing Birds Following You

Means you are being monitored. Especially if it is a black bird. You are being observed and monitored for evil. You pray "Every evil observer, be roasted by the fire of God, in Jesus Name". If you are not familiar with what it means to be roasted, you need to take a reading tour of Jeremiah. He used to pray certain enemies should be roasted. Meaning the fire of God should burn them to ashes. Remember, the Bible says that God is a consuming fire. See where that came from.

Falling into a Pit

Means you are on a journey to spiritual slavery and captivity. Though you might be walking around in the physical free, if you see yourself in a pit in the dream, you have already been sold into slavery. And those responsible are those who are close to you. Maybe members of your family, either living or dead, or workplace enemies posing as friends. Or even church members. Remember Joseph in the bible. Remember the prophet Jeremiah. In both cases, it was envy and jealousy at work. They were both cast into the pit. You pray: "O Lord, send your angelic hosts to rescue me from the pit in Jesus name". Then you begin to declare like David in Psalm 40:2. He brought me up also out of a horrible pit, out of the miry clay, and set my feet upon a rock and established my goings".

Attending a Meeting with Unknown People

Means you have spiritual linkages with occult and demonic groups. This kind of thing attracts the wrath of God very easily. Why? Any gathering that is not unto the Lord is a candidate for the destructive whirlwind of the Lord. You better not be around when it strikes. Pray and sever your link with unknown or known evil groups, and release the fire of God to scatter them unto desolation. For good measure, add this: "I forbid any regrouping or re-gathering of this group in the Name of Jesus".

Going Back to the Old House

You lived in as a child means the spirits of powers of retardation operating in your family line is trying to cut short your progress and place a spiritual ceiling on your life. If you don't stand against this through prayer and fasting, you might soon find yourself making negative or backward progress, being passed over for promotion at work, losing favor with friends and family, making silly mistakes that annoy your boss at work and can get you fired etc..... You pray:" Every altar of backwardness in my father's house, collapse in the Name of Jesus". Then you quickly follow up with this one: "Let the habitation of humiliation and demotion be battered, shattered and swallowed up the power of God, in Jesus Name".

Climbing a Hill with Difficulty

Means serious obstacles have been placed on your path of progress. If you climbed the wall and when you stretch out your hand to get a good grip, it comes off; it means your faith is weak. You need to shore up your faith by studying the Word of God and prayers. Then you can declare this: “O Lord, let my trials become gateways to my promotions in the Name of Jesus”.

Teeth Falling Out

Means there's trouble ahead. One that could take its toll on your life and that of your loved ones over a period of time, unless arrested. You can pray like this: “Every power exploring devastating strategies against my destiny, receive the judgement of God in Jesus Name”.

Lights Going Out

Means a time of tribulation is just around the corner. This is advance warning. Gird up your spiritual loins and begin to pray like this: “O God arise, and attack my attackers in the Name of Jesus. Let my problems expire, as darkness expires before the light in the mighty Name of Jesus”.

Picking up Coins

Means you are under attack by the spirits of poverty. Please note that this is a stubborn generational spirit that is usually transferred from person to person, from one generation to another. You pray like this: “I bind the spirits of lack and poverty. I break the backbone of lack and scarcity in my life in the Name of Jesus. Let the chapter of lack and want be closed forever in Jesus mighty Name”.

Playing on a Losing Team

Means the Lord just released a significant breakthrough to you but before it could manifest in the physical, the enemy launched a strong counter-attack and stopped it from getting to you. Conversely, if you played on the winning team and your side scored or earned points, the miracle is sure to manifest within a few weeks, if you're prayerful and watchful.

Strong Winds Blowing Against You

Means the spirits of sudden destruction have been unleashed against you. You have to stand your ground here, command every satanic wind to cease in the Name of Jesus. Then you go on the offensive and unleash the whirlwind of the Lord described in Jeremiah 30:23.

Wild Animals Charging at You

Represent raging and violent enemies. You begin to see problems coming at you from all directions to overwhelm you and make you lose your sense of balance. To devastate you and keep going from one problem to another, in an endless loop. You have to pray like this: “By the power of God, let every trouble in my life crumble, in the Name of Jesus. Thou power of God, usher me out of the valley of tribulation by fire in the Name of Jesus. Every power or spirit raging against me, collide with the Rock of Ages in the Name of Jesus”. When you learn to pray like this, don’t be surprised when calamity suddenly overtakes people who have been conspiring against you secretly. Even though you are NOT praying against human beings.

Seeing Yourself Being Buried

Means the spirit of death and hell is after you. Use the scripture in Revelation 12:11 then begin to pray like this: “The anger of God shall write the obituary of all my oppressors in the Name of Jesus”. Again this is a midnight prayer.

Shedding Tears

Means the spirit of depression and heaviness wants to afflict you to make you sad and depressed. To make you mourn. The scripture to use against this spirit is in Isaiah 61:3. Then you begin to pray: “I refuse to mourn in the Name of Jesus. The Lord shall give me joy and gladness and all sorrow shall flee away in Jesus Name. Amen”.

Stagnant or Dirty Water

Seeing stagnant water means your spiritual life is being polluted. Ask for the cleansing power of the blood of Jesus to wash you and remove every contamination from your life.

Loss of Hair or Cutting of Hair

Losing your hair in the dream means a loss of glory and honor. if somebody cuts your hair in the dream, the enemy is sucking away your spiritual strength. And if you fail to take immediate action in the spirit, it will soon lead to other losses, disgrace and slavery. Remember Samson and how he was captured by his enemies. It began with the loss of his hair.

Begging

If you see yourself as a beggar or begging, the curse of poverty is on your life. You need to break that curse, destroy both the roots and the fruits in your life, and return arrows of poverty back to wherever they came from. Then use scripture in Psalm 84:11 to ask for a release of good things and abundance into your life.

Travelling on an endless journey

If you see yourself travelling on a journey that never ends, it means the spirits of vagabond is on you. It's a hard road to travel, with dangers lurking on every side. You need to terminate that evil journey and command the fire of God upon all vagabond spirits assigned against you. You can read about how the spirit of vagabond worked in the life of Cain in the Bible.

Being Driven by an Unknown Person

Means you have surrendered control of your life to evil manipulators, who will end up diverting your destiny. Pray like this: "I unseat every evil driver in the driver's seat of my life. Let the ground open up and swallow them in the Name of Jesus. Holy Spirit, I hand over control of every area of my life to you". See? This kind of prayer brings tangible results, almost immediately. Prove it for yourself..... Don't just take our word for it.

Doors Closing Before You Enter (Continuation)

Or something finishing before it gets to your turn to receive your own, means that the spirit of "failure at the edge of miracles" is working in your life. Stopping good things from coming to you and ushering in frustration, rejection and failure. The biblical name for this spirit is "spirit of Pisgah" as I've described above.

Poverty

To dream you are poor means an area of your life (not necessarily finances) has been traded out, exchanged or transferred to another. You have to recover it from the hand of evil traders and cover it with the blood of Jesus. Recommendation – 7-day prayer of recovery with fasting.

Always Sitting for Examinations

And not able to complete before waking up indicates obstacles on your way of progress. A spirit of failure and stagnancy at work.

Dream of Death

You should rise up and begin to cancel every ordinance of death and hell against your life and your loved ones. At times the death might just be targeted as certain areas of your life, e.g. Marriage, finances or even certain organs of the body. In any case, spiritual violence is required.....in order to terminate the assignment of death against you.

Consulting Psychics or Mediums

Means that evil counselors are at work against you to divert your destiny, lead you astray and push you away from the will of God. You must also be careful of agents of the devil posing as Christians.... on assignment to lead you astray.

Cancer

Cancer in the dream is a clear indication that there is satanic plantations that need to be uprooted from your body. And there are many ways to do it. You can pray, machine-gun style, like this: “Satanic plantations in my body, be uprooted and be cast into the fire of God’s judgement, in the Name of Jesus”. 1 Cor 3:16-17 is an example of the kind of scripture to deploy when dealing with this dream.

Carrying a Basket on Your Head

Carrying a basket on your head signifies the spirit of profitless hard work. That is, you work like an elephant but eat like an ant. Like pouring water into a basket..... hard work, very little result.

Bats Flying Around

Means spiritual blindness. You are not able to see things in the spirit. Therefore, you are a good candidate for deception, whether in spiritual matters or in relationships. What to do? Pray that the lord should enlighten your eyes of understanding, according to Ephesians 1:17-18. Please note what I'm saying here: If this is the only prayer you pray successfully this year, you will reap the harvest forever, I mean it. The moment the Lord opens your spiritual eyes, so many of your challenges will become a thing of the past.

See Animals in Your Dream

To see animals in your dream generally gives you a clue to the spiritual challenges coming against you. My advice is you look closely at the characteristics of such animals in the physical and you'll have a pretty good idea what's going on in the spirit. For instance, serpents mean that you are under attack by wickedly intelligent spirits, highly poisonous with an agenda to steal, kill and destroy. Dogs represent sexual demons and if they bite you in the dream, they will introduce the demons of lust and sexual perversion into your life. Have you ever heard some Christians who fall into fornication at the drop of a hat, saying they don't know what got into them? They are under the power of the dog.

Dreams of Being Abandoned

Means rejection. The spirit of rejection has driven many into extreme ungodliness, some in a quest for revenge, while others will do anything to gain acceptance or approval. It was this spirit of rejection that drove Cain to murder his brother Abel in the Bible. The root and consequences of rejection go very deep and you should not joke with it. You have to bind the activities of this spirit and use the blood of Jesus to erase every mark of rejection from your life.

It will manifest as lack of progress, living a life of struggles and hard bondage.... until you learn the type of prayers that break satanic padlocks like this: "Every satanic padlock working against my destiny, break, break, break, in the mighty Name of Jesus. I use the key of David to open all locked doors in the Name of Jesus".

Dreams of Wearing Tattered Clothes

Means poverty, shame and disgrace has been programmed into the life of that person in the spirit. Pray the same as seeing padlocks.

Dreams of Eating

Means that your spirit man is very dull and weak, and is not strong enough to withstand satanic activities against you. In fact, they could even feed you with human flesh and blood in the dream this way, and by the time you wake up, you find yourself physically ill. This is a popular

method of planting sickness and incurable diseases in the lives of people. Jesus said: “While men slept, the enemy came and sowed tares”. The tares include spiritual poison in the dream through food. You will need to vomit the evil consumption.....and then lash out with holy anger against evil caterers like this: “You evil caterers feeding me in the name, I command you to eat your own flesh and drink your own blood in the Name of Jesus”. This is an advanced warfare prayer that has its basis in scripture, in case you are wondering. In the book of Isaiah 49:25-26. You now see how certain scriptures that are not taught a lot in most places could hold the key to your victory and deliverance from bad dreams, among other things.

Note: Please don't eat any physical food after dream of eating in the dream on or until 12 pm by noon, whatever the enemy intend to achieve would have be aborted by this spiritual approach.

And not knowing the destination means the spirit of vagabond. The wondering spirit is at work again. There's an old saying that a “rolling stone gathers no moss”. Recent stats say that every year about 60% of people in big cities move from place to place seeking greener pastures. So you end up living in a world of strangers where you barely know your neighbors next door. It is the work of this spirit and you can pray like this: “You vagabond spirits, my life is not your candidate, loose your hold upon my destiny in the Name of Jesus”.

Dreams of Having Sex

Means you have a spirit spouse who will do everything in its power to destroy your earthly marriage, just to keep you for themselves. They sometime cause business failure, get anyone who comes close fired from work, and even arrange fatal accidents to eliminate all competition. People who have sex in the dream are “loaded” with all kinds of spiritual materials like serpents circulating in their body without their knowledge, unexplainable health problems, and routine failure and frustration. They find it really difficult to have conception and give birth. Many of them end up being barren..... and running from place to place for solutions. Ask the Lord to send his ministering angels to recover your key and to scatter every evil gathering against your life.

Dreams of Dogs Attacking You

Means sexual demons have been programmed into your life. You'll have to pray hard not to fall into sexual sins.

Dreams of Cats Attacking You

Means you are laboring under witchcraft attacks.

Dreams of Serpents

Means you are under attack by wickedly intelligent enemies on a mission to steal, to kill and to destroy.

Dreams of Crocodile

Means you have strong links with terrible spirits living in the water kingdom. It's either you have been initiated into their evil group or you have been donated to them as their meat, a helpless victim. These are proud and ruthless spirits that never release their victims unless confronted by superior firepower. By that I mean combined offensive using the Name of Jesus, blood of Jesus, fire, lightning and thunder of God, etc. This is a hot theatre of battle reserved for

veteran prayer eagles. If you find yourself confronted by this thing in the dream, my advice is to seek help urgently

Dreams of Drinking Alcohol

Introduce confusion in the life of a person. ...

Dreams of Being Exhausted Always

Signify spiritual sluggishness. What is known as the “snail anointing” It makes people to miss their divine opportunities, and leaves them operating in the tail region, instead of the head. This one calls for prayer and fasting, to help you renew your strength.

Could signify an ejection of evil spiritual materials from your body.

Dream of Rotten Fruit or Eggs

If you find yourself with rotten fruit or eggs in the dream you need to rise up and pray against devourers, emptiers and wasters on assignment to destroy the works of your hands.

If You Find Yourself in The Midst of People Wearing Uniforms

Especially black regalia, it’s probably that you come from a long line of occult people and your entire bloodline has been covenanted to deities you know nothing about. In the spirit realm, ignorance is no excuse. Whether you know it or not, this is still legally binding on you and generations yet unborn.... unless you rise up now and cut off the evil flow by the power in the blood of Jesus. Please don’t make the mistake of thinking that once you got “born again” these things will not affect you anymore. You need to determinedly use the Word of God and pray persistently until you have a knowing that every thread of that evil covenant has been cut off. That is when you will begin to enjoy your Christian life.

Slow Moving Animals in the Dream

If you constantly see slow moving animals in the dream, it means you are operating with the tortoise and snail anointing. Sluggish progress or none at all operating at the tail position instead of the head, and having the painful experience of watching others share testimonies while good things never seem to happen in your life.

Chapter Five

How to Maintain Your Deliverance

In previous chapters, I have established the fact that the Marine kingdom is located beneath the Atlantic Ocean and the Headquarters of the Marine kingdom is said to be located beneath the Indian Sea. The “Queen of Indian Sea” is the head of Marine kingdom while the “Queen of the Coast” is next in command. They both reside within the Atlantic Ocean. Above the Queen of the Coast and Queen of India is the ruling King of the Seas, a Fallen Angel called "LEVIATHAN". This Fallen Angel is described in details in Job 41:1.

Isaiah 27:1 says, "At that time [In that day] the Lord will punish Leviathan [a sea creature in ancient Near Eastern texts that represents chaos; the ·gliding [or swift-moving; or fleeing] ·snake [serpent].

He will punish Leviathan, the ·coiled [writhing; twisting] ·snake [serpent], with his great and hard and powerful sword. He will kill the ·monster [dragon] in the sea".

The Bible also speaks of Leviathan in Psalms 104:25-26 and Job 3-8.

However, according to witnesses, this Mysterious City is a supernatural place and it's located beneath the sea off the coast of Ghana; and it extends towards the Bermuda Triangle, off the coast of Bermuda. The city is made of materials and substances and has towers that are beyond human imaginations. This would explain the level of anomalies that goes on in this area, this is the area where hurricanes are also developed. It is said that they are among the fallen angels, traveling as half-human and half-fish. Beneath the sea, the kingdom of wickedness is governed by ruling princes, ruling princesses, governors and generals. They are all human beings. Nevertheless, they function under the power and directions of demon-gods called “Aquarius spirits” or “Marine spirits”. E.g. The Nereids, "while they are associated with the Mediterranean, were thought to be specifically concentrated with the "Aegean Sea", [Sea between Greece and Turkey]; for this was where their father, Nereus, had his Marine palace.

In many occult practices, the source of witchcraft is water-based, where these water spirits are contacted for supernatural powers. The Marine kingdom is highly organized and strategized, they have laboratories where extreme technology and sophisticated equipment are used by high ranking Satanists to design things that are seductively beautiful and irresistible. Among them are psychiatrists, scientists, technical engineers, psychologists and designers who work tirelessly to design the latest of weapons, perfumes, assorted types of cosmetics, flashy cars and different designs of electronics. Many perfumes to lure men and women are designed there; many models of women's underwear and sexy clothing to seduce and distract men are also made there. This kingdom is mainly centered on Fashion, Money, Lust and Worldly Pleasures and is being overseen by the Queen of the Coast herself.

One may wonder, how physical humans could be under the water doing these things. Remember, the spirit realm is real as the realm of the earth; it is just in another dimension, one would only need supernatural aid to enter there. Many of the high technological researches and the invention of many play-station and other games are designed under the waters in order to take children away from the desire to become Christians or dedicated to Christ, with the intention of influencing them to live a vagabond-like lifestyle. This is why most games are demonic, having demonic characters. Demons are specifically placed in the games to kill the children's desire for school and have it replaced with the desire to live in play station studios all day. The things that are designed in the spirit world are used on earth to supply people who have signed a contract with the Devil. Their victims receive good sales and prosperity but in return must sacrifice one or two souls to the Devil every year. Failure to do the yearly sacrifice could result in serious consequences, consequences including bankruptcy and foreclosure of business and homes. Some of these things are also given to a group called "Recruiters", agents of the Occult, for the sole purpose of distracting people from Jesus Christ. It is a war against Jesus Christ and His Lordship and Kingdom. Revelations 12:12, "Woe to the inhabitants of the earth and in the sea! For the Devil came down to you, having great wrath, knowing that he has but a little time."

MERMAIDS/WATER CREATURES

Mermaids are water demons or humans (witches) who transform into Mermaids by demonic powers. Water Demons are creatures that exist outside of our dimension and are all descendants of the Fallen Angels. They came about through an abominable union between the fallen angels and water creatures and by unions between demons and water creatures. These half spirits and half aquatic creatures are hybrid disembodied spirits and they became water demons. Because the essence of Angels is immortal, their offspring are also immortals. they die, their spirits live on, but as cursed or evil spirits. However, their bodies are made of mortal and angelic substances. That's why even as spirits, they can manifest between realms and affect the natural realm. Though they are immortal, yet, because they possess mortal properties, their angelic DNA is diluted by mortal composition and they are subjected to mortal demise. These disembodied spirits make up the myriads of wicked spirits in the kingdom of darkness.

These Demons cannot be caught in nets, nor can humans see them unless the demons allow it. People who are haunted or possessed may have certain gifts that could allow them to see in the spirit world and see these creatures. Both the demonic mermaids and human mermaids can cause drowning or induce bad dreams and torment a person or cause sexual arousal in the night. Throughout many centuries, many Occult practitioners through the workings of witchcraft and Satanism have seen and fellowshiped with these creatures. The reason why science cannot prove their existence is that we cannot prove the spiritual with the natural, unless the supernatural manifest in the physical to leaves a physical imprint. For thousands of years, we have been told

tales of beautiful and dangerous creatures that inhabit the waters of the world. The question is, what do we really know about them?

TYPES OF MERMAIDS

NYMPHS:

Nymphs are “spirits” who manifest in the form of human females and are typically associated with particular locations. There are different types of Nymphs:

- Alseids (groves)
- Dryads (Forests Nymphs)
- Hamadryads (trees Nymphs)
- Leimoniads (meadows)
- Meliads (ash trees)
- Naiads (springs and rivers)
- Meliae (nymphs of ash trees),
- Naiads (nymphs of rivers and streams),
- Nereids (nymphs of calm seas), and the
- Oreads (nymphs of mountains).

Demonic Water spirits are called "Water Nymphs", and are said to be from the pagan gods that are called "HYDRIADS", (Hydro-spirits). There were water spirits long before the population of the Aquatic kingdom grew and took popularity when the descendants of Oceanus [3000 sons and 3000 daughters] and Nereus [50 Nereids] came into play.

Oceanus was a Titan god of the enormous river called "Okeanos" which was believed to encircle the world and it flows backward. As at that time, the Greeks thought the sea was an incredibly large river that surrounded the whole earth. Oceanus was originally the source of all the water, a personification of all waters of the world; salt and fresh, and ruled precisely the "Mediterranean Sea", "Atlantic Ocean" and "Indian Ocean", which were the most familiar to ancient Greeks at that time. The sons of Oceanus are called the "Potamoi" and the daughters of Oceanus are called "Oceanids"; while the daughters of Nereus are called "Nereids."

The "Nereids" are sea and freshwater spirits; but are specific to the Mediterranean. The "Oceanids" are sea and freshwater spirits; and the "Potamoi" are River spirits. The Potamoi became the fathers of the Naiads. However, Poseidon was later given supreme rule over the waters of the earth. Oceanus was then allowed to continue ruling the kingdom, beyond the Pillars of Heracles, which refers to the Atlantic and Indian Oceans, Geographically speaking; while the Mediterranean Sea was ruled by Poseidon; and the rivers, fountains, streams and rain waters were controlled by the sons and daughters. They were not immortal beings but had lives..

Let's discuss briefly on the class called "Naiads" and "Oceonide"

NAIADS:

These are spirits and are called freshwater Nymphs (spirits) or Aquarius spirits and reside in bodies of freshwater like rivers, streams, brooks, springs, fountains, lakes, ponds, wells, and marshes. These spirits are divided into various subclasses: Crinaeae resides in fountains, Pegaeae resides in springs, Eleionomae resides in marshes, Potameides resides in rivers, and Limnades or Limnatides in lakes.

OCEANIDES:

These are sea spirits, which live in freshwater, and are most common to human, for they cause more disaster than the naiads who resides in freshwater. The sea is bigger than freshwater bodies and is the main passage for ships and other water vessels. The waters over which Naiads presides are thought to be endowed with inspirational, healing, and prophetic powers (Spirits of Divination). Thus the Naiads were called water gods and were frequently worshiped by the ancient Greeks. The genealogy of the Naiads was determined by the geographic region and literary source. Naiads were either daughters of Zeus, daughters of various river gods, or simply part of the vast family of the Titan Oceanus or Poseidon (Neptune). Now, as I said before, these Greek gods are not only Greek myths, but are real spirits or Demon princes who take up residential areas to allocate themselves. As much as it is a myth to the ignorant person because of lack of substantial evidence, these spirits really exists and are valuable to Wiccan, [nature spirit worshipers] and other pagans.

MAMI WATA (Mermaid of Africa)

All mermaid spirit is called the mother of the water or ocean. According to the African culture of spiritism and witchcraft, the Mermaid spirits who reside within the waters of Africa are called "Mami Wata," which is in the corrected English language (Mommy Water or Water Mommy, which is just another way of saying Mommy or Mother of the Water). Mami Wata is a pantheon of water spirits or deities, venerated in West, Central, and Southern Africa, and in the African diaspora, in the Caribbean and parts of North and South America. The most popular-and powerful-African water spirit or mermaid is named "Mamba Muntu" which is her personal African name. Some devotees of the Igbo people of West Africa and the many who have encountered Mami Wata have reported to anthropologists that she is a mermaid spirit with the upper part of her body as human and her lower parts as a fish or serpent. It is said that she possesses inhuman beauty, unnaturally long hair of three different textures which ranges from straight, curly to kinky, and either black or blonde, and is combed straight back, and a high complexion that's beyond normal. She is described as having a large snake (which is a symbol of divination or divinity in many African cultures) around her neck, which wraps itself around her, laying its head between her nude breasts. In one report it is said that Anthropologist, Mary Bastian (1987-88) did field research in Nigeria on the Onitsha Market System. During this research, it was reported to her that Mami Wata

is female and that she displays her unimaginable wealth of jewelry such as combs, mirrors, and watches, wristwatch, which represent foreign wealth and would blind those who view it.

Those who are seduced by her or the other spirits are killed immediately under the water and some would come back as her mediums with special powers and would be used for her evil purpose. She also has other forms and can manifest as a man, or fully human. This report and description came from people who are worshipers of demons. African legend says that hundreds of years ago, numerous water spirits were living in West Africa and their manifestation to the public was eminent. These African water spirits were most time encountered as snakes or crocodiles, but were also encountered as half fish and half-human like. In different African religious systems, such as the Voodoo which is highly practiced in the southern parts of Togo and Benin, and Southern Ghana, there exists consecrated pagan priests and priestesses of the water spirit. Today Mami Wata worship is a widespread tradition in West Africa, the Caribbean and in America.

THE MERMAID LASIRÈN (Mermaid of Haiti)

Mermaid Demoness is also said to be a powerful water spirit popular, in the Caribbean Island of Haiti. She is called “LaSiren” but in reality, LaSirèn came from the English word Siren, which is a sect of spirits that are said to be half-bird and woman and manifest around water as mermaid and sings very beautifully as to attract humans and destroy sailors. These Sirens were said to be manifesting in many areas around the world and was encountered by many. Nevertheless, the name LaSirèn was given specifically to the goddess water spirit of Haiti who is said to be a Mermaid and Queen of the sea. It is said by the Haitians that LaSirene has the ability to hypnotize people with her beauty. Many say that she is elegant, a beautiful woman who is a temptress and deceiver. She rules over dreams.

In Haiti, Voodoo is one of the most popular religions there. Water spirits are said to be manifesting to the voodoo people there as they seek the help of these spirits from under the water. Followers of LaSirèn say she takes them below the water to her world for 3 days, 3 weeks, months or even years, and when they return to land, they would return with new powers, yea, it is said that some women become Voodoo priestesses this way. The Little Mermaid is held as a myth and a story, but it came from a background of reality. It is no coincidence why this Olympian god Poseidon or Neptune (Roman) [a Demon Prince] who is said to be the “sea-god” is a Mermaid, (Merman). He carries an enchanted trident. Therefore, Ariel, the Little Mermaid, who is the daughter of the Sea god or Sea Demon Neptune, would then be a goddess or Demoness.

THE MERMAID YEMAYA (Caribbean Mermaid)

Yemaya's is also a Mermaid similar to the Mermaid in Haiti called LaSirene. Yemaya is an orisha, (goddess) in the Yoruba religion. An Orisha is a spirit that reflects one of the manifestations of Olodumare (God) in the Yoruba spiritual or religious system. The Yorùbá is a large ethnic group in Africa. Yemaya is being worshiped in the Caribbean by afro-Caribbeans, in

Brazil by Afro-Brazilian and in Africa. In Brazilian Candomblé, she is known as Yemanjá or Imanje. Her feast night is held on Saturday night. Yemanjá has been discovered in the Occultic world to be a beautiful creature with the powers of a constant wave-like movement and is surrounded by lesser mermaids, mermen, fish and other marine life, and is pictured as a Mermaid Queen holding a mirror while standing between the Sun and the Moon. Whenever she dances, there would always be a snake wrapped around her arm, her familiar.

This sea goddess (demon) is having ceremonies made to her throughout the year such as January 1st, June 22nd, September 7th and 9th, October 26th and December 31st. On the north-eastern Brazilian coastline, her greatest ceremony is being held on February 2nd where her so-called children or cults call upon her in the greatest number. In Haitian Voodoo, she is worshiped as a Moon-goddess, and is said to be associated with the mermaid-spirits of La-Sirenn. This Mermaid is popular throughout the areas of Brazil, Cuba, Dominican Republic, Puerto Rico, Jamaica, Guyana, Trinidad and Tobago, the United States, Mexico and Venezuela.

MERMAIDS FOUND ON BEACHES? (HOAX)

HERE ARE FEW FACTS TO CLEAR YOUR MIND.

There have been stories on the media where the carcasses of what is said to be a dead mermaid were washed up on a beach at Chennai after a tsunami and also, the body of what looked like a mermaid which was found on Florida's beach and few other places. There are also other claims; but all of these physical findings are Hoaxes. If a real sea mermaid is caught, humans would know it is a real mermaid; humans are too intelligent not to know the difference. The mermaids who are Demonic spirits are in a spirit form, half humanoid, and the lower part of fish. Though they can assume physical forms through incantations, they are composed of spiritual substance. Demons are immortal beings, yet can be killed. Nevertheless, if a demon dies, because it does not have a physical body it cannot be found in the physical realm. Also, the mermaids who are humans are in a form composed of a substance that vibrates at a higher frequency. This means, their bodies are similar to Jesus Body after his resurrection. Therefore, the findings cannot be humans who have been transformed into these creatures. Why? because a human can only transform by Demons through shape-shifting abilities. If the person dies, the Demon goes away and the person's body will resume its normal human shape and features, and physical properties.

There will be no evidence that this human was ever a mermaid. Also, the findings could not be creatures created through genetic manipulation because these creatures are in a watery world distant from human civilizations. Nevertheless, because they are physically deformed creatures, there are possibilities that they can be caught with physical instruments. However, the Kingdom of the Devil is careful; too careful to let their creatures out into the open. Marine spirits are dangerous, though some may appear harmless a Demonic spirit will always be a demon, evil and wicked. It is believed among the worshipers of these water spirits that Saturday nights is the time when mermaids in rivers and seas all over the world are most likely to be seen.

Not only these creatures were seen, but also it was said that only a few who encountered them escaped immediate death from the powers of these creatures and live to tell the tale. They would drown sailors, cause shipwreck and storms. These paintings were made after the story of sailors who encountered these spirit beings at sea. Strong physical evidence has not been seen and therefore scientists and philosophers have dismissed the stories and theory as hoax, nevertheless, the great account of encounters from all over the world seems to be similar. All the water spirits live in water, most have a fish tale, vicious, carry a comb and cause death. Why aren't people seeing the water spirits as common today as it was years ago? They have been exposed and therefore seek to remain to people as a myth. Also, because of the prayer of the saints of God, their manifestations are not commonly seen but is still present to those of the Occult.

Practical steps for Maintaining Deliverance over Marine Kingdom

What is Deliverance?

Deliverance means to be set free from spiritual bondage and barriers that hold us back from walking in the victory that Jesus has procured for us on the cross for us at Calvary. In a much simpler term, it is the driving out of evil spirits by the authority of the Lord Jesus Christ. It is an essential process, probably all Christians need, to ensure they can be totally set free. It is wrong to assume, that once you give your life to Jesus Christ and receive the Holy Spirit, that you are automatically delivered from those demonic strongholds that hold you down. One of the many benefits of being a Christian is that only Christians filled with the Holy Spirit can be delivered. If you are not a Holy Spirit-filled Christian and a deliverance is performed, then you do not have the protection and guidance from the Holy Spirit to stop any demonic influence from returning and interfering in your life which could make things worse.

“When an impure spirit comes out of a person, it goes through arid places seeking rest and does not find it. Then it says, ‘I will return to the house I left.’ When it arrives, it finds the house unoccupied, swept clean and put in order. Then it goes and takes with it seven other spirits more wicked than itself, and they go in and live there. And the final condition of that person is worse than the first. That is how it will be with this wicked generation.” (Matthew 12:43-45 NIV). Despite what many people think, deliverance is not about demons. It is about being set free in Jesus' name. When deliverance is ministered properly, Jesus is glorified, and our lives are changed for the better.

Below are practical steps you must embrace to maintain your deliverance;

1. Do Not Fear the Enemy Returning.

In Matthew 12 Jesus tells us where evil spirits go when they are cast out, and how they desire to return to "their house." Now when the unclean spirit goes out of a man, it passes through waterless places, seeking rest, and does not find it. Then it says, "I will return to my house from which I came"; and when it comes, it finds it unoccupied, swept, and put in order. Then it goes,

and takes along with it seven other spirits more wicked than itself, and they go in and live there; and the last state of that man becomes worse than the first....Mt 12:43-45

Spirits can only return and bring others with them if the house is left unoccupied and vacant. As you are set free, consciously yield the freed areas to the infilling of the Holy Spirit. Let them be occupied with God's presence, so there is no room for spirits to return. When there is a continuance or re-occurrence of a problem after deliverance, many Christians become condemned, feeling they have given the opportunity for spirits to return – this is rarely correct. What is happening is that further spirits in the same bondage area are stirring. Spirits work in families or groups. The breaking of their holds is progressive. Even though a major release has been experienced, there may yet be many other spirits to come out. Sometimes they lie low for months before they consciously bother you again. You must see yourself progressing, not going back; becoming freer and freer, not more bound. If you are walking in the light and yielding to the Holy Spirit's infilling, evil spirits are not coming back. Rather, through your faith and the ministry of the Holy Spirit, other spirits within are being stirred up to be driven out. When they feel the pressure because they are in you, you also feel the pressure. Have an understanding of what is happening and don't fear the enemy returning.

2. Yield daily to the Lordship of Jesus Christ

Everyday, deliberately acknowledge Jesus as your Lord. Let your heart be set upon Him and desire to do His will. Romans 10:9-10; 12:1. The continuous attitude of my heart is: "Lord, I choose Your will." To do the will of God is of utmost importance to me. I see myself as His property. I declare continually that I have been sanctified and set apart, by His Blood, for His purposes. My commitment to Him is 100-percent. He is my life, and therefore the works of darkness know they are not welcome.

3. Be Filled with the Word of God.

Let the word of Christ richly dwell within you, with all wisdom teaching and admonishing one another with psalms and hymns and spiritual songs, singing with thankfulness in your hearts to God. Colossians 3:16

Regularly read God's Word. Every day let a portion of Scripture be in your mind for meditation. Counteract the enemy's fiery darts with the truth of God. In particular, meditate upon the glorious truths of your identification with Jesus Christ as outlined in the Epistles. Let these truths be released through your lips.

Joshua 1:8 says: This book of the law shall not depart from your mouth, but you shall meditate on it day and night, so that you may be careful to do according to all that is written in it; for then you will make your way prosperous, and then you will have success.

The word meditate in Hebrew means "to murmur, to speak in an undertone." Whether it be quietly, or in a speaking voice, let us have upon our lips the Word of God. Let us also sing the Word through psalms, hymns, and spiritual songs.

Paul said of Timothy,. . . "From childhood, you have known the sacred writings which are able to give you the wisdom that leads to salvation through faith which is in Christ Jesus" ("2 Timothy 3:15).

4. Be filled with the Holy Spirit.

And do not get drunk with wine, for that is debauchery; but ever be filled and stimulated with the (Holy) Spirit. -Ephesians 5:18 KJB/MP

The Spirit-filled walk commences when a believer comes to Jesus, the Baptiser in the Holy Spirit (Luke 3:16), and asks Him to fill him with the Spirit. By faith (Galatians 3:5) he begins to receive and drink of the water of life. From then on, he is to be continually "being filled" with the Holy Spirit. If you have not been baptised in the Holy Spirit, you could pray a prayer such as this:

"Lord Jesus, I come to You now, acknowledging You as my Lord and Saviour. I desire to be filled with Your Spirit. I desire to know You more. Consciously and gladly I yield my entire self to You for the impartation of new life. Right now I ask You to fill me, and by faith, I begin to receive. Thank You, Lord Jesus. You are imparting to me now. You are filling me now. I praise You. I worship You". Already we have discovered that in the Hebrew and Greek the word Spirit also means "Breath" or "Wind". Jesus breathed on His disciples and said,. . . "Receive the Holy Spirit" (John 20:22). Just as evil spirits can be expelled through the breath, so the Holy Spirit can be received through the breath. God breathed into Adam the breath of life (Genesis 2:7).

Jesus breathed on His disciples. With your eyes on Jesus Christ as your Baptiser, you can utter the prayer given or a similar cry from your heart; and then as you breathe in normally, let that breathing in be the action of releasing your faith to receive. "I receive the Holy Spirit. I receive it now. I breathe in the breath of God. I yield to God, the Holy Spirit. I allow Jesus Christ to empower me for His service. I Receive." For some people, the entering of the Spirit-filled life is a dynamic experience. To others, it is quiet receiving by faith. Whichever way we enter this new walk, we are to daily yield to the Holy Spirit, walking by faith, not by feelings. Being filled to the Holy Spirit can be equated with wonderful feelings of emotion - although these may certainly be experienced. Even in difficult times, when our feelings are low rather than high, we are still filled with the Spirit. Being filled is not dependent on feelings. Jesus was not feeling "high" when He faced Gethsemane and Calvary, but He was still filled with the Holy Spirit. It was the Holy Spirit who gave Him the strength to go through the sufferings. Let us receive the Holy Spirit by faith, and then let us daily walk by faith, being constantly "filled" with the Holy Spirit.

5. Be Clothed in the Armour of God

Ephesians 6:10-17. We have already spoken on the armour of God which is part of our spiritual equipment. Place it on by a confession of faith and keep it on. Live in your armour.

6. Make gratitude a lifestyle

Through Him then, let us continually offer up a sacrifice of praise to God, that is, the fruit of lips that give thanks to His name. Hebrews 13:15

From our waking moments until the day closes, let our hearts and lips offer up regular offerings of thanksgiving and praise. Initially we need to cultivate this, but after a while it becomes a part of our life. Let us choose to praise the Lord, regardless of pressures or battles. He is worthy to be praised. A praising Christian is a victorious Christian. No praise, no victory.

7. Deal with Sin.

As soon as we know that we have transgressed, let us quickly repent and confess our sin to the Lord. If we confess our sins, He is faithful and righteous to forgive us our sins and to cleanse us from all unrighteousness. 1 John 1:9. By continuing in any activity of sin, we give legal ground for evil spirits to enter. We cannot afford to be careless with sin or to grieve the Holy Spirit.

8. Be Alert to the Enemy's Tactics.

Having been made aware of how spirits gain entrance, let us be on our guard. If we sense they could be seeking a place in us, declare our freedom in Christ and resist them firmly.

Recently when walking through a shopping arcade, I was strongly aware of the presence of evil spirits; the atmosphere was so heavy. Within my heart I thanked the Lord for protection and quickly resisted the presence of the enemy.

Be of sober spirit, be on the alert. Your adversary, the devil, prowls about like a roaring lion, seeking someone to devour. But resist him, firm in your faith, knowing that the same experiences of suffering are being accomplished by your brethren who are in the world. 1 Peter 5:8-9

9. Cultivate Right Relationships.

A new commandment I give to you, that love one another, even as I have loved you, that you, that you also love one another. By this all men will know that you are My disciples if you have love for one another. John 13:34-35. We love, because we are commanded to, not because we feel like it. Work at personal relationships. Keep yourself from bitterness, jealousy, criticism, unforgiveness, etc. If you feel wrong attitudes beginning to lay hold of you, deliberately renounce the enemy and choose to maintain the right attitudes. Declare the enemy has no place in you.

Deal with the pressures quickly rather than let the enemy build up a hold over weeks and months.

10. Be in Fellowship.

Every Christian should belong to a "fold." There is an occasional exception, for example, a Christian who lives in an isolated. However, most Christians have no excuse for not finding a spiritual home. Don't spend your lifetime searching for a perfect church. You won't find one. Join yourself to a good, Bible-believing, Holy Spirit honouring congregation where you will receive spiritual nourishment and spiritual oversight. There are too many "gypsy" Christians who will not settle and let their roots grow down. Wanderers are in danger of being deceived. Sheep need sheepfolds. Members of the Body of Christ are to function within the Body. you cannot function within the Body if you are not joined to the Body.

And let us consider how to stimulate one another to love and good deeds, not forsaking our own assembling together, as is the habit of some, but encouraging one another; and all the more, as you see the drawing near. Hebrews 10:24-25

11.Walk in Humility.

..."God opposes the proud, but gives grace to the humble." Submit therefore to God. Resist the devil and he will flee from you. James 4:6-7 Because the Lord is constantly fashioning and adjusting us, we need to have an attitude of humility that causes us to be teachable. We should welcome adjustment, especially from those who are spiritually mature and over us in the Lord.

Many times I have witnessed believers who through pride and stubbornness would not submit to wise counsel, and who have thus brought much hardship upon themselves and opened themselves to demonic bondage. Obey your leaders, and submit to them; for they keep watch over your souls, as those who will give an account. Let them do this with joy and not with grief, for this would be unprofitable for you. Hebrews 13:17

12. Be Christ-Centred.

Let Jesus Christ be central of your mind. Christ has defeated Satan and magnify Jesus. Let your conversation be Christ-uplifting, not devil uplifting. Major on the realm of light, not the realm of darkness. If then you have been raised up with Christ, keep seeking the things above, where Christ is, seated at the right hand of God. Set your mind on the things above, not on the things that are on earth. For you have died and your life is hidden with Christ in God. Colossians 3:1-3

Do not be afraid of becoming demon-conscious. I have engaged in many spiritual battles and intercession on behalf of others. I have become demon-conscious. However, this demon-consciousness has made me much more Christ-conscious than I ever was It has been through Christ-consciousness that I have learnt to overcome and maintain victory over the enemy. Jesus is our wisdom, our discernment, our power, our victory, and even our life itself.

We are to be caught up with Him in rapture and reign with Him afterwards. Christ is indeed the Bane of our existence.

Seven Shields of Protection Against Marine Kingdom

Looking through the Bible, there are many specific areas of our lives protected by the Lord. I would like to share and explain seven of these hedges of protection, which are shields that Satan cannot penetrate. These shields are in effect all around you, your family and your possessions. I urge you to begin confessing them around your life and all that concerns you. I have practiced this kind of prayer in my life, and others have too. These prayer shields have proven to be effective

The Blood of Jesus Christ— Shield of Redemption

The most powerful shield of protection around our lives is the blood of Jesus Christ. We are washed in the blood when we become children of God. Colossians 1:14 says, "In Him we have redemption through His blood." Revelation 1:5 tells us that Jesus "loved us and washed us from our sins in His own blood." Notice that the Bible tells us that Jesus loves us first; then He washes us from our sin. This is awesome news! Because we have redemption, we have been bought out of the slavery of sin. Satan has no claim on us—no right to us. Ephesians 1:7 says, "He is so rich in kindness that he purchased our freedom through the blood of his Son, and our sins are forgiven." When we are forgiven, we are right with God. Satan cannot cut through the hedge of protection that surrounds us with the blood of Jesus. Perhaps the most straightforward verse in the Bible related to overcoming the enemy is Revelation 12:11, "And they overcame him by the blood of the Lamb and by the word of their testimony..." Put your name in that verse, "(Your name) overcomes Satan." How? By the blood of the Lamb and the word of your testimony. You are saying to the enemy, "God's got a shield around me, and you are not going to break it!" Do not allow Satan to believe the Bible more than you do. You are an overcomer; therefore, live an overcoming life. While he knows he cannot break God's hedge, you must also be convinced that you are completely covered and altogether protected by the hedge of the Lord. Today, you are able to overcome the enemy the same way those believers who are written of in the book of Revelation did—by the blood of the Lamb.

God the Father— Shield of Relationship/Intimacy

Another protective hedge around us is God the Father, your Father. When you are washed in the blood of Jesus, God becomes your Father. He becomes your Dad. He's your Papa. You no longer have the spirit of bondage again to fear, but you have the spirit of adoption, which enables you to cry out to the Lord, "Papa! Father!" (Romans 8:15). In Genesis 15:1 the word of the Lord came to Abram in a vision. Basically, God said, "Don't be afraid, Abram. Do not be afraid. Why? I am your shield. I'm a hedge around you. I am your very great reward. "You may say, "Great, but that was Abram. What about me?" Read Galatians 3:29 which says, "If you belong to Christ, then you are Abraham's seed, and heirs according to the promise". Therefore, whatever God promised Abraham also belongs to you if you are in Christ. Because that is true, I often quote Genesis 15:1 to myself. I think about the Lord saying, "The word of the Lord came to Ojo Peter Korede. `Don't be afraid, Peter. I am your shield, your very great reward.'" Then I pray it back to God, "Lord, You're my shield, You're my very great reward."

"Genesis 15:1—After this, the word of the LORD came to Abram in a vision: "Do not be afraid, Abram. I am your shield, your very great reward". Those words are as living and active for you as they are for me. I beg you to take God's Word personally. Do not read it as though you're reading about someone else. It is your life you're reading about! God's Word is for you! Let's look at two more scriptures starting with Psalm 3. In verse 1 David says, "Lord, how are they increased that trouble me!" Do you ever have one of those days, when your troubles seem to overwhelm you? David looked around and saw nothing but problems increasing all around him. He continued, "Many are they that rise up against me. Many there be which say of my soul, There is no help for him in God." How discouraging! Can you imagine being in such bad shape that people say, "Even God can't help this guy!"? But look at what comes next: "Selah." As David stopped to selah, to pause and reflect on his situation, he realized something awesome and said to the Lord, "But You, O Lord, are a shield for me; You are my glory and the lifter of my head." Then everything changed. David's whole perspective shifted because he understood that God's shield was round about him. He saw that victory was not only possible but secure; he declared, "Now my head will be lifted up above my enemies because God is protecting me.

God is around me." This is as true for you in your situation as it was for David. God is around you, protecting you—and your victory is secure. 1 John 4:4 states, "Greater is He that is in you than he that is in the world" (KJV). We are talking about the One who lives inside us—the mighty, awesome Spirit of the living God. Do not sell yourself short—The Greater One, The Mighty One, The Victorious One, lives inside of you. He is greater than any devil, any demon, any force of darkness that would come against you. No matter what you face, He is greater. He is the overcoming Lord whose purpose in coming to earth was to destroy the works of the enemy. I John 3:8—...For this purpose the Son of God was manifested, that He might destroy the works of the devil

The Angels of God—Shield of the Resources of Heaven

God's angels form a third type of hedge around us. God gives His angels to us to protect us. Sometimes I am astounded by the amount of faith people have in demonic power. I often hear them confessing how awful, how powerful, how devastating these attacks against them have been. They say things like, "Well, this demon did this, and that demon did that...." I know demons are real and active, but more importantly, let's consider the angels of God. We must understand that there are more angels for us than demons against us! God's angels are like a living shield ministering His protection to us. The Bible tells us that angels are sent to minister for us. Hebrews 1:14 says concerning angels, "Are they not all ministering spirits sent forth to minister for those who will inherit salvation?" We are the heirs of salvation; we are the ones to whom the angels are sent. God's people have always been the ones for whom and to whom angels ministered. In Genesis 48:16 Jacob gave credit to one of God's angels when he said, "...the Angel... who delivered me from all harm—may he bless these boys, my children...". Additionally, in Exodus 23:20 the Lord said to Moses, "See, I am sending an angel ahead of you to guard you along the way and to bring you to the place I have prepared" (NIV).

One of my favorite stories about angels is in 2 Kings 19. The wicked king, Sennacherib of Assyria, was like a steamroller. Once he began to move against a city or a nation, no army could

stop him. The cities and nations crumbled at his hand. Wherever he went, he conquered, and his conquests increased as did his pride. When this puffed-up leader came against Jerusalem, in essence he said to King Hezekiah, "Let me tell you something: God sent me, and I am going to destroy you!" Furthermore, he said to the people, "Don't let Hezekiah deceive you. You are defeated. Nobody is going to stop me." He then proceeded to send Hezekiah a letter in which he mocked God and ridiculed Hezekiah. King Hezekiah then took the letter to Isaiah the prophet, who laid it on the altar and began to pray. I can almost hear the prophet crying out, "Oh God, what do we do?" The word of the Lord came to Isaiah's heart, and he prophesied to Hezekiah that the Lord said, "I'm going to defend this city and save it for my sake. Don't worry about it." That night, the angel of the Lord moved through the Assyrian camp and put to death 185,000 men. When the people got up the next morning, the ground was covered with dead bodies. This is the power of just one angel! We do not understand the power of the spiritual realm. Jesus knew what He was talking about when He said, "Right now I could call twelve legions of angels...." If one angel killed 185,000 men in one night, can you imagine what twelve legions of angels could have done to Jerusalem and the armies of Rome? God promises that His angels are keeping charge over us.

Psalm 34:7 says, "The angel of the LORD encamps all around those who fear Him, and delivers them." Do you fear God? The angel of the Lord is camping out wherever we go. We must not fear the devil; we must fear and revere God. We must remember that there are more for us than against us. It does not matter what comes against you. It does not matter what threatens to kill you, steal from you or destroy your life, because there are more that are for you than against you. God's power to bless and keep you is greater than the devil's power to deceive and take from you. Mighty angels are on guard around you—God's angels, angels full of power. They do encamp around you and are moving in your midst, keeping watch over you and your family. According to Psalm 91:11, "God has given His angels charge over you, to keep you in all your ways."

The Full Armor of God

The first three hedges mentioned here are shields of protection that God gives us. But this one is something for which we must take personal responsibility. The full armor of God, as mentioned in Ephesians 6, is a powerful shield of protection for us. When Paul begins to deal with the issue of spiritual warfare in this chapter, he says, "Get fully dressed. Do not go out undressed; put on the full armor of God!" What soldier would go into battle without his weapons and protective gear? We are engaged in warfare with supernatural powers. We must have supernatural protection. I can tell when people are not wearing their armor—no helmet of salvation, no Word of God on their mind, no breastplate of righteousness, no buckler of truth, no feet shod with the preparation of the gospel of peace, no shield of faith, and no sword of the spirit. They're undressed. When people are undressed, they are vulnerable—easy prey for the enemy. The Bible says that when we "get dressed," we are able to stand against every onslaught of the powers of hell. When you put on your armor and go to war, the devil cannot get you. When he throws things at you, they bounce right off your helmet or your shield and fall to the ground. You also have your sword. You're covered with armor, and armor protects you. There is a spiritual war raging, and when we walk onto the battlefield (which is all around us) without our armor on, is it any wonder that we

end up bruised and bleeding? As we go through the Christian life, we continually find ourselves engaged in spiritual conflict—the unseen war in the supernatural realm.

Some people are easy targets due to prayerlessness, lack of faith or any number of other reasons. Some are easy targets simply because they are not covered in the armor of God. When we are clothed in God's armor, things that could destroy others will not destroy us. We must put on our armor; we must wear the protective clothing of the Lord if we are going to be serious about living victorious lives and advancing God's kingdom. Once we have put on our armor, then we stand. We do not run from the battle; we stand firmly upon the confidence that God's armor is effective—it covers us and protects us from the fiery darts of the enemy. When it's all over, we go forward in the name of Jesus. Ephesians 6 : 11—Put on the full armor of God so that you can take your stand against the devil's schemes. 12 For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. 13 Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. 14 Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, 15 and with your feet fitted with the readiness that comes from the gospel of peace. 16 In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. 17 Take the helmet of salvation and the sword of the Spirit, which is the word of God.

Faith

Faith builds a hedge. We have to believe. I John 5:4 reminds us, "This is the victory that has overcome the world—our faith." Our faith overcomes the world. One of our most powerful weapons is faith! We can have all the truth there is, but if we do not believe, the truth within us is dry and powerless. When we deal with spiritual warfare and demonic powers, we must believe. We have to believe that we have authority and exercise that authority in the supernatural realm. There are times when the enemy will try to invade homes with strife or fear, or to launch an all-out assault against children of the family. When this happens, we immediately begin to confront the devil at the invasion point and push him back. You declare, "You are not coming in here! You must go out the same way you came in. You must be willing to war against the devil!" learn how to take on your enemy triumphantly and engage your authority as a believer (Luke 10:19; 1 John 4:4), by exercising it through faith.

Resist the devil, and he will flee from you. This is how we live—and how we must live—as God's people. There is a measure of faith you must have just to keep your own life in order. Then you go a little higher, and you need a little more to keep your family in order. As we grow and our spheres of influence widen, our faith increases and we are more and more able to exercise the authority that belongs to us in Jesus. Remember the shield of faith? Ephesians 6:16 states, "In every battle you will need faith as your shield to stop the fiery arrows aimed at you by Satan". Some scholars believe that those "fiery arrows" refer to demonic spirits. I, too, believe those arrows are demonic spirits, but I also know the Bible says that faith stops the onslaught of the powers of darkness, and faith keeps us protected.

Integrity

One of the character qualities that will build a protective hedge around you is integrity. I like to define integrity as, "honesty, soundness, completeness and wholeness." A person with integrity is a whole person, one who has an undivided heart and who is committed to walk righteously before the Lord. Sin puts a big target on you, a bull's eye for the devil. You can be fully dressed in your armor, and through lack of integrity, have a big target in one particular area of your life. It's like a billboard saying, "Hey, devil, shoot me right here because this is where I'm vulnerable." Sin will destroy your life (Romans 6:23). When you deal with sin properly and ask the Lord to forgive and cleanse you, you stay clean—and when you're clean, you can be covered. Romans 6:23—For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord (KJV). That's why it is important, when you pray, to ask God to forgive you if you've offended Him knowingly or unknowingly. Do this every day and receive His forgiveness so that you can draw strength to live. Didn't Jesus teach us to pray, "Do not lead us into temptation, but deliver us from the evil one"? Yes! So we need to pray every day, "Lord, today, give me bread; today, deliver me; today, keep me from the evil one." James 4:7 says, "Submit yourselves therefore to God..." (KJV).

That means to align your life under the Lordship of Christ. There is a wonderful kind of boldness that comes from walking in obedience to God. The Bible tells us that people who have sin in their lives are paranoid, but that those who walk in integrity have a holy boldness. Proverbs 28:1 says, "The wicked flee when no one pursues, But the righteous are bold as a lion." They refuse to run from their enemies, but like David against Goliath, they run toward their enemies, fully expecting victory. James 4:7 continues and says, "Resist the devil." That means there is warfare involved and that you will have to do some pushing. The word resist doesn't mean just submit to God and say, "Go away" to the devil. He will not be shooed away like a fly! You must actively resist him until he understands that you will not back off. As you resist the devil, your learning curve might look something like this. The first battle you go through might require that you resist for months. You may go through a situation in which the devil is saying, "I'll just wear him or her out. I will wear that person out!" You resist and keep resisting; you start submitting to God and continue the two-pronged weapon of submitting and resisting. Whatever you are up against will finally break, and when it does, your faith will be built up.

Then, the next time you are in a similar battle, you can win it in a month. The next time it will be a week, and the next time it will only be hours. Pretty soon, you won't have those types of battles any more. Submit to God, resist the devil and he will flee from you (James 4:7). I love to read about the faith of the Canaanite woman in Matthew 15. Matthew 15: 22-28—A Canaanite woman ... came to him, crying out, "Lord, Son of David, have mercy on me! My daughter is suffering terribly from demon-possession." 23 Jesus did not answer a word. So his disciples came to him and urged him, "Send her away, for she keeps crying out after us." 24 He answered, "I was sent only to the lost sheep of Israel." 25 The woman came and knelt before him. "Lord, help me!" she said. 26 He replied, "It is not right to take the children's bread and toss it to their dogs." 27 "Yes, Lord," she said, "but even the dogs eat the crumbs that fall from their masters' table." 28 Then Jesus answered, "Woman, you have great faith! Your request is granted." And her daughter was

healed from that very hour. Although she was an outsider—a Gentile with no claim to covenant promises—this Canaanite woman continued to press Jesus for her daughter's deliverance. She is only one of two people Jesus described as having great faith! She refused to be denied; she persisted and eventually received her miracle. Psalm 25:19-21 states, "See how my enemies have increased and how fiercely they hate me! Guard my life and rescue me; let me not be put to shame, for I take refuge in you. May integrity and uprightness protect me, because my hope is in you". Look also at Psalm 84:11, "For the Lord God is a sun and shield; the Lord bestows favor and honor; no good thing does He withhold from those whose walk is blameless". It is clear that the Lord is a shield to those who walk uprightly, and integrity within us will build a shield around us. Also, Proverbs 16:17 tells us, "God's people avoid evil ways, and they protect themselves by watching where they go". Let's walk in integrity by avoiding evil ways and keep ourselves protected by paying attention to the things we do, think and say.

Intercessory

There is powerful protection in intercession. Our prayers and the prayers of other people help keep us protected, and likewise, we help keep our brothers and sisters protected as we pray for them. God says there is a reward if we pray (Matthew 6:6; Hebrews 10:35). Look what the Lord says in Ezekiel 22:30, "I sought for a man among them, that should make up the hedge, and stand in the gap before me for the land, that I should not destroy it. but I found none". Matthew 6:6—But you, when you pray, go into your room, and when you have shut your door, pray to your Father who is in the secret place; and your Father who sees in secret will reward you openly. Hebrews 10:35—Keep on being brave! It will bring you great rewards. God's invitation to us is to stand in the gaps and learn to build hedges through prayer and intercession. So how do we say yes to Him? First, let's find out what a gap is. Biblically, a gap was a break in the wall of protection around a city, an invasion point whereby an enemy could gain access. Gaps, in terms of intercessory prayer, are weak spots or entry points in our lives where the enemy can attack us. We must understand the significance of broken hedges. The Bible warns us of broken hedges or gaps in our wall. Ecclesiastes 10:8 says that whoever breaks a hedge, a serpent will bite him.

This passage warns us of two things: first, on the other side of the hedge, the enemy is waiting to afflict us. Secondly, he is looking for weak spots in our walls so that he can gain entry into our lives and enlarge his base of operations. Once the enemy has access, he continues working to enlarge the gap and destroy the hedges protecting you. Our enemy is invisible, but we must remember that this unseen foe always leaves very visible tracks! It is easy to follow the trail of destruction and see where the enemy has been. I especially like the way The Living Bible paraphrases Psalm 89:40, 41, "You have broken down the walls protecting him and laid in ruins every fort defending him. Everyone who comes along has robbed him while his neighbors mock." When hedges are broken, we are robbed, and our enemies mock. I have found that many people are unsuccessful in warring effectively in prayer because they do not understand broken hedges, do not recognize the gaps, or do not know how to spot where the enemy is breaking in. They feel overwhelmed because they are seemingly being attacked from every side. If we can quickly discern where the enemy is trying to invade, we can immediately go to war in the gap or break through and stop the invasion before it gets out of control! God has called us not only to stand in the gaps,

but also to build protective hedges. Are you tired of being robbed and tormented? Once you learn to stand in the invasion point and push your enemies back, you can begin to learn to build protective hedges around yourself. If we pray, we can actually build our own protective fallout shelter through our prayers. We can go into that place and be safe. We can construct a dwelling place in prayer, hide there and experience the kind of protection Psalm 91:7 describes, which says, "A thousand may fall at your side, and ten thousand at your right hand; but it shall not come near you." We must pray fervently and relentlessly for others and for ourselves—because prayer helps us stay protected and through intercession, we build hedges.
