PREFACE

Since my arrest, detention and life sentence in the prisons of the lord, my life has never been the same again. I now ask and receive. I now knock and doors open. I now command and lo! It happens.

But I do wonder why so many people are unable to do exactly the same thing or even more. Pondering over this all-important question has, among other issues, resulted in this publication.

This material is intended to demystify your mind of a specialized lesson in gaining access to the throne of Christ Jesus. We all, including the marked sinner, have equal and unhindered access to the throne and to God.

The gulf between man and his creator is a sin. Once you distance yourself from sin you move closer to the power of dominion. God imparted into a man from the very beginning.

One way to acquire that power is by feet washing; is a mysterious exercise of power transfer. What it takes is the main course of this dish. In this edition, the main course has been enlarged to enrich the lives of many Christian.

But without God Almighty using men and materials, this would not have been ready for us to serve.

In this regard, I wish to thank my wife Sister Grace Remilekun for her encouragement and understanding. Many thanks to my Children- Success, Favor, Gold, and Esther.

I also wish to use this medium to defer, in all humility to my spiritual father and mentor, Bishop David Oyedepo who taught me the mystery of feet washing, Many thanks, Sir.

So many people, so many that I cannot just thank enough. To every contributor, I would simply say "God bless you".

And to you, the reader, remain blessed and continue in your fellowship with the Holy Spirit.

Introduction

Feet washing is one of the wisdom of God believers use to overcome the devil. It is a dominion exercise. Feet washing is a mystery simply means "the hidden truth of God." Only those who understand the mysteries benefit from them. Every part of your body has spiritual significance. Head is a symbol of your destiny. Hands are symbol of your productivity. Your feet are the keys to your establishment in life; your feet will establish your dominion over your enemies. When Adam lost his dominion the serpent was instructed to bruise his heals. A Polluted foot cannot succeed in life. Your foot is also your instrument of protection and direction. Your legs are the symbols of your possessions. Once your feet are blessed and beautiful you will win every battle of life and possess all your possessions in life.

CHAPTER ONE

MAN'S LOST GLORY

Everything in the world was created by God and to crown the rest of His Creative works, He made a man. And the man whom God created in his own image and likeness was specifically instructed to have dominion over all the good things God had created as clearly confirmed in Genesis 1:27-28 which says:

"so God created man in his image, in the image of God created he them; male and female created to them. And God blessed them and God said to them, Be fruitful, and multiply and replenish the earth, and subdue it; and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth".

In essence, man was created to be in charge of all situation and circumstances, rather than situation and circumstances dominating man,

But the tragedy of the first person was Adam and Eve that, they allowed the enemy the devil to cast doubt in their minds and hence doubted the love of God. So the precarious state of the world is as a result of Adam and Eve allowing themselves to be deceived by the devil and disobeying God, and this led to God pronouncing enmity between man and

the devil as vividly espoused in Genesis 3:15 which says:

"And I will put enmity between thy seed and the woman, and between thy seed and her seed; he shall bruise thy head, and thou shall bruise his heel".

From that moment on, the first man lost the love and presence of God in his life. Sickness, pain, and death began to work in him and through him, all these calamities entered into all his descendants and the entire world.

So, from the moment Adam and Eve committed the sin of disobedient, God's perfect plan for man: to subdue and have dominion over every situation and circumstances on earth, was handed over to the devil and the effect and consequences of sin which is sickness, infirmities and pains became the order of the day. Therefore, sin which at its root is an attempt to control one's life and destiny apart from coming and God is a very vile and heinous thing to be involved with.

But the gladding news to mankind is that God because of His mercy and love for His creation would not rest until the man was restored back to his original position. The plan of man's redemption needed divine intervention and this occurred when the Son of God came to the earth. God, therefore, send Jesus Christ to come and save us from our sin as vividly stated in (Matthew 1:12) which says:

"And she shall bring forth a son, and thou shalt call his name JESUS: for he shall save his people from their sin."

And hence, redeemed us from the bondage of the devil. So Christ was anointed to restore back to mankind all that Adam has lost because of the sin of disobedience.

"The spirit of the Lord is upon me because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised". (Luke 4:18).

God who created, sustain and control the world, had an eternal plan for the world and it people. So no devil from the pit of hell can change God's purpose or plan on earth as clearly confirmed in Isaiah 1:24 which says:

The Lord of Host Hath Sworn, Saying, Surely As I Have Thought, So Shall It Come to Pass, and, As I Have Purposed, So Shall It Stand."

The wisdom of God you use will always give you victory over the enemies in your life as clearly confirmed in 2 Corinthians 2:14 which says:

"Now thanks be unto God, which always causeth us to triumph In Christ, And maketh manifest the savor of his knowledge by us every place."

Remember, you don't need to cry when the devil strikes at you, all you need do is to apply the wisdom of God and your enemies will be silenced in darkness. However, it is important to note that, the wisdom that comes out of you is determined by what you are made as clearly confirmed in Luke 5:45 which says:

"...For of the abundance of the heart His mouth Speaketh."

And since Christ Jesus is the wisdom and the power of God, As clearly confirmed in (1 Corinthians 1:24), which says:

"But unto them are called, both Jews and Greeks, Christ the power of God and the wisdom of God."

If you allow him to dwell in you, then you will be above principalities and powers, and no problems or calamities can dominate you. Remember, God apart from creating and sustaining the world also controls it as vividly expressed in (Colossians 1:16-17) which says:

For by him were all things created, that are in heaven, and that are earth, visible and invisible whether they be thrones, or Dominions, or principalities, or powers: all things was created by him, and for him; and he before all things, and by him all things consist."

Prayer Points

1. My past sin, speaking against me, be blotted out by the blood of Jesus.
2. Ancestral sins speaking against me be silenced by the blood of Jesus.
3. Handwriting of the devil on my destiny be blotted out by the blood of Jesus.
4. I ask for forgiveness of every sin causing a spiritual delay in my life, in Jesus name.
5. I challenge and pull down the forces of disobedience in my life, in Jesus name.

CHAPTER TWO

WHAT IS FEET WASHING

Feet washing is one of the wisdom of God believers use to overcome the devil. It is a dominion exercise. Feet's washing is a mystery simply means "the hidden truth of God". The Bible makes us understand that God after creating man, gave him the power of dominion, but this glory was lost by Adam through the sin of disobedience. So when our feet are treated, we are reclaiming our lost dominion, which Adam lost to the intrigues of the serpent. Hence, once the foot is treated, the individual now possess the lost dominion.

And Jesus Christ did it, as recorded in John 13, as a process of restoration of that dominion to man. Thus, Feet washing is a mysterious exercise to make you regain your lost dominion. Through the feet washing exercise, you now enter into the realm of dominion. Until your feet are treated, you hardly have that dominion. There is room for unlimited improvement in life and it is the wisdom of God that connects you to this realm.

In fact, the wisdom of God also improves your life. Apostle Peter himself was afraid all the while to proclaim Christ Jesus when he went through the mystery of feet washing among others, that fear disappeared and cold now stands firmly on his feet to proclaim the lordship and savior personality of Jesus Christ.

Feet washing thus is a mysterious medium through which the power of God is trans-

ferred to believers to enable them to prevail on their enemies, not by strength, but by wisdom as vividly espoused in Luke 10:19 which says:

Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you."

Remember, though you see vision with your eyes, it is your legs that get you to your destination. And since you legs in almost everything you do, that is why only your feet are washed. So, if thing is not working to your favors, it is placed there by the devil. But the day you discover yourself in the kingdom of God, you are in for a good time. Feet washing, therefore, gives you access to dominion. It is pertinent to note that though feet washing transfer your feet into iron as confirmed in (Deuteronomy 33:24-25) which says:

"And of Asher he said, let Asher be blessed with children; let him be acceptable to his brethren, and let him dip his foot in oil. Thy shoes shall be iron and brass; and as the days, so shall thy strength be."

There must be a practical demonstration of God's power in your life before you can get back your lost dominion. Feet washing exercise becomes all the more meaningful to a Christian who is a Bible practitioner when we take into account the pronouncement of God unto man in Genesis 3:15 which says:

"And I will put enmity between thee and the woman, and between thy seed and her Seed, It shall bruise thy head, and thou shall bruise his heel."

Thus, God declared enmity between man and serpent (the devil incarnate). It was declared that the serpent will bruise the heels of the seed of the woman who in turn shall bruise the head of the serpent. That statement, you will agree, was fraught with danger. A very dangerous statement. It was the statement that declared war between man and the devil which is going on more than ever before. Thus the devil is a perpetual enemy to man which he must fight all the days of his life. It is a continuous battle with no break whatsoever.

But the good, merciful and ever loving God has made provisions to protect his children from the numerous snares as the devil. Part of this protective arsenal is the feet treatment by which enemies will have no choice than to be silent in darkness as clearly confirmed in 1Samuel 2:9 which says:

"He will keep the feet of his saints, and the wicked shall be silent in darkness; for by strength shall no man prevail."

Thus, feet washing is a protective armor for man against the numerous antics of the devil his avowed business to continually severe man from God. But the devil himself is a liar. It is a war declared which we must fight

and win with our non-carnal weapon bountifully provide by God unto our salvation.

Prayer Points

1. Every curse upon my feet, break in the name of Jesus.
2. You my feet that have been rendered a failure, succeed by fire, in Jesus name.
3. You spiritual worms assigned to devour my feet, come out and die, in Jesus name.
4. You evil arrows hiding in my feet and causing it not to get to my promised land, come out and die, in Jesus name.
5. My legs, hear the word of the Lord, always excel and prevail, in Jesus name.

CHAPTER THREE

THE WAR ITSELF

The precarious situation of the world today is as a result of the continuous battle between the kingdom of God and the rebellious kingdom of the devil. The realization of this state of war will give you the urge to be battle ready at all times. And until you are ready to fight, there is no way you can regain your lost dominion which Adam lost because of the sin of disobedience. To be a commander here on earth, you need to apply the wisdom of God whenever you are fighting the devil. Remember, until you understand you are in a war, you have no access to victory.

As we read in Genesis 3:15, the devil will be all out seeking for a man to bruise his heels. What should a man do? Play defensive? No! No way! Man is supposed to watch out for the devil and shoot at the slightest opportunity. No room for defense but an attack which, in the military parlance, they say is the best form of defense. And in 1 Peter 5:5-9 the Bible enjoined us to:

"Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour. Whom resist steadfast in the faith knowing in your brethren that are in the world."

So, it is clear that the war with the devil is perpetually on, manifesting daily in various shades and colors. I want to believe that a lot

of Christians are unaware of the state of war. They think everything that happens to them is normal, forgetting that, the devil will fight them whether they are looking for the devil or not. It is important to note that, it is a war for which we must be fully enamored to battle ruthlessly and decisively.

"Now thank be unto God, which always causeth us to triumph in Christ, and maketh manifest the savior of his knowledge by us in every place." (11 Corinthians 2:14)

Perhaps, the nature of the battle itself is explicated in Ephesians 6:11-12
"Put on the whole armor of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against power, against the rulers of the darkness of this world, against spiritual wickedness in high places."

And our attack mechanism is clearly spelled out for us in verse 13-of the same chapter:

"Wherefore take unto you the whole arm our of God, that ye may be able to withstand in the evil day, and having done all to stand.
Stand therefore, having your loins girt about with truth, and having on the Breastplate of righteousness; and your feet shod with the Preparation of the gospel of peace; Above all, taking the shield of faith, Where-

fore ye shall be able to quench all the fiery darts of the wicked."

In verse 15 above, we noticed that part of the attack mechanism is for "your feet shod with the preparation of the gospel" given unto us by Christ Jesus himself, especially as we read in the thirteenth chapter of Saint John's Gospel. In this chapter Jesus Christ expressly commanded that we should do as He has done: we should wash one another's feet as he has washed ours. The relevant verses are 13:15:

"Ye call me Master and Lord: and ye say well; for so I am. If then, your Lord and master, have washed your feet; ye also ought to wash one another's feet."

Thus, by itself feet washing is a doctrine which Christ himself taught us and enjoined us to continue steadfastly in it.

Prayer Points

1. Lord, fortified my feet with the combination of the blood of Jesus and the fire of the Holy Ghost, in Jesus name.
2. My legs hear the word of God, refuse to cooperate with the enemies, in Jesus name.
3. My legs pursue, overtake and recover by fire whatever the enemy has stolen from my life, in Jesus name.
4. You powers manipulating my legs scatter and die by fire, in Jesus name.

5. My legs receive supernatural speed,
   in Jesus name.

CHAPTER FOUR

FEET WASHING AS DOCTRINE

As we have noted, above, Jesus Christ himself conducted the feet washing exercise on the Apostle soon after His last supper with them. Remember, that at the supper itself, he took bread which He shared for them and for all men so that there will be remission of sin.

He also took a cup of wine and commanded them to drink from it one after the other as His blood for the new and everlasting covenant, again for the remission of sin. Both acts He commanded them to continue steadfast in and bequeath as legacy unto future Christians.

But he did not stop there. The Bible write in John 13 beginning from verse 3 that, Christ Jesus knowing that God has given Him everything, and even more, having come from God and was due to go back to God, He rose from supper, "and laid aside his garments: and took a towel, and girded himself" preparatory to washing the feet of His apostles.

Having washed their feet like he enjoined them to continue with the breaking and sharing of bread and wine as His Body and Blood, He commanded them to do likewise for one another concluding in verse 17 that. "If ye know these things, happy are ye if ye do them." Before now Christ had said that whoever hears His word and doeth them is wise.

Thus, feet washing is a doctrine as well as wisdom in the knowledge of Christ Jesus the author and the finisher of our faith and salvation. It is a non-canal weapon of warfare against the machinations of the ever roaming devil.
Once your feet are treated you will walk in high places fearing no evil whatsoever. The Bible makes us understand that all scripture is inspired by God and all doctrine emanating from this scripture must be profitable. As vividly expressed in 11Timothy 3:16 which says:

"All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness."

A close look at the benefits and testimonies from feet washing in chapter 7 and the appendices will be confirmed that feet washing is a profitable doctrine in righteousness. Hence feet washing is a doctrine from God.
With feet washing exercise, one becomes infused with the powers to tread fearlessly. Jesus said that "I have given unto you power to tread upon serpents and scorpions and all power of the enemies" (Luke 10:19). The Bible says in 11Peter 1:3 that through the knowledge of God and of Jesus our Lord through His doctrine He has:

"According as his divine power hath given unto us all things that pertain unto life and godli-

ness, through the knowledge of him that hath called us to glory and virtue."

In other words, he has called us out of darkness into His marvelous light in Glory and virtue, and not to shame and reproach. By this call, we can now rightfully possess our possession. We can now take our rightful place in the kingdom with its eternal goodness made as our portion from the very beginning. And as in Ephesians 2:10

"For we are his workmanship created In Christ Jesus unto good works, which God hath before ordained that we should
Walk in them."

In that verse, our emphasis is walking in the good works which God had ordained for us from the very beginning when He, of His will, gave us the entire earth to dominate and subdue our whims.

Perhaps, man's problem (And particularly those who profess to be Christians) are this lack of knowledge of the doctrine of Christ unto His person and unto that of God Almighty.

No matter the position or status in life, without knowledge, a man perishes. Not lack of money, but lack of knowledge. It is only with the fear of the Lord, by keeping His commandment and insulated from sin that man can acquire the knowledge necessary for his salvation and prosperity in God's kingdom. It

is this knowledge that transposes a mere religious person which is truly and fundamentally the meaning of Christianity.

Christianity, as a Biblical fact, is the supernatural ability that makes a man lives like God on earth. The day a man give his life to God, accept Christ as His Lord and savior, accepting His passion to Calvary, his agony, and death on the cross, his resurrection and ascension as aspect of the totality of the price He paid of our iniquities, that day he enters into the realm of miracles. He begins to see signs and experience wonders. The man is transformed from mere mortal to a spirit cloth in human skin. That man now becomes, once again that Adamic person unto which God breathed spiritual life. You return to that Adamic primal state of having dominion over all things. You become full of life, you become full of bones and muscles that are completely insulated from any form of sickness will no longer have the right place in your body. You become suffused in Lord of Hosts whose image and likeness you have truly become. Since God does not fall ill, you as His image and after His likeness cannot, can never fall sick. Absolutely No!

Prayer Points

1. The evil contractor hired against my feet, I terminate your contract from the source, in the name of Jesus.
2. You spirit of hindrance preventing my legs from acquiring her birthright, release it and die, in Jesus name.
3. The resurrection power of God falls upon my feet, in Jesus name.
4. You scorpion assigned against my feet, release me and die, in Jesus name.
5. Inherited serpent assigned against my feet, release me and die, in Jesus name.

CHAPTER FIVE

NECESSITY FOR FEET WASHING

With your eyes, you can see visions of what you can become, of what you can and own and of what you can do, but you would need your feet to reach out to your vision, and possess your possession. That among several reasons is why your feet need to be treated. Treating of feet is not magic but a mystery. It is not trying by error but the reality in Christ Jesus. We practicalize the doctrines of the Bible unto man's liberation from the visceral grips of the devil for as Christ said it is not enough to just hear the word but those who do the word is the one that are wise and happy thereof. "He that heareth my words and doeth them are wise."

Put differently after "the hearing, "there should be "the doing" which is the logical and practical and practical follow up. This is why ours is a ministry of Bible practitioners as opposed to merely reading (and straining to interpreted) the Bible.

Thus, whatever you have seen with your eyes in a vision, and you believe faithfully that Christ can provide for you, you can possess in real life. If you see a mountain moving in your vision, it will be so in real life. Equally, if you visualize yourself driving a car, own a building or whatever it is, with faith can be translated into reality. And because about ninety percent (90%) of men's daily activities are with the use of the feet, feet treat-

ment becomes very crucial in working to translate his vision into a mission. Whatever a man does he stands on his feet most of the time. The feet as we have said earlier accounts for about ninety percent of man's activities. But you may ask: even so, why do we need to treat our feet? Why do Christians need to wash their feet?

As we explained earlier, feet washing is one of the doctrines the Lord Jesus commanded us to continue steadfastly on. Observances of the doctrinal provision account for why we periodically wash our feet. When we do so, from time to time, we lift ourselves higher into the spiritual realm of signs and wonders.

As every man has the ambition of rising to the top it must be noted that it is not easy to get there. But it is even much more difficult to remain there. You need the guidance of the Lord through the knowledge of Him to hold on to hold on to the top.

In this regard feet washing exercise infuses man with the knowledge of God because, of its own, it is one wisdom of God. It is an exercise in dominion carried out to enable man possesses his possession. Once a man's feet is treated, I have not seen the devil or its agent anywhere that can enter into combat with the beneficiary whose portion will now be to dominate and subdue the earth and all that dwell in it as the Bible testifies in Genesis 1:28.

"And God blessed them, and God said unto them, Be fruitful multiply, and replenish the earth , and subdue it: and have dominion over the fish of the sea and over the fowl of the air, and over every living thing that moveth upon the earth."

The great Psalmist also notes that the feet domination capability in his eight psalm, verse six which read inter alia:

Thou madest him to have dominion over the the works thy hands: thou hast put all things under his feet:

Yes, the great Lord has put everything under the feet of a man, for a man to dominate and take possession of, so that he can walk in the high places as recorded in Psalm 18:33.

He maketh my feet like hind' feet, and sitteth me upon my high place.

In other words, once your feet are treated you are in total control of your environment and fully in-charge of everything. You become kingly in your aura and everything around you must bow in reverence or break. If the tree stands in the way of the wind it either bends towards the direction of the wind or it break it.

As espoused lucidly in 11Corinthian 10:3-4 which read.
"For though we walk in the flesh, We do not war after flesh: (For

the weapons of our warfare are not canal, but mighty through
God to the pulling down of strongholds)."

We believe in our God that answereth by fire to empower our weapon mightily to pull down the strongholds of our enemies.

Prayer Points

1. Serpent of infirmity in my body, die in Jesus name.
2. Every secret power with any serpent power die, in Jesus name.
3. Power to kill scorpions and serpents come upon my life now, in Jesus name.
4. Dream scorpions and serpent die! In Jesus name.
5. Serpent powers of my place of birth die! In Jesus name.

CHAPTER SIX

THE TRUTH ABOUT FEET WASHING

The truth about feet washing is that is a commandment given unto man by the Most High God to enable man to dominate his environment and calm, as of right, his possession as ordained by the same (**JEHOVAH JIREH**), the great provider. A man should be able to stand on his feet firmly, and command situations like a King. For that is the original nature of man before it was polluted by the devil. This truth is aptly revealed in Revelation 5:10 which provision is as follows:

And hast made us unto our God, Kings, and priest and we shall reign on the earth.

Thus, as Kings and priests, we have the inborn capacity to reign over every situation on earth. Indeed, we are empowered to be monarchs of all that we survey; and our rights, all over, there is none to dispute. Feet washing, therefore, is a mysterious medium through which our possessions are taken care of.

Although some Bible scholars or theologians have often pontificated that with the act of feet washing Jesus Christ was teaching humility, we humbly disagree complete. The question of humility did not arise at all. It was purely an exercise, a mysterious exercise for that matter, in the transfer of spiritual power. Jesus did not need to gird himself

to teach humility. Perhaps all he needed to teach humility (and meekness) was to show his disciples a little child saying to them:

"Verily I say unto, except ye be converted and become as little children, ye shall not enter into the kingdom of Heaven. Whosoever, therefore, shall humble himself as this little children."

That text humility is taken from Matthew 18:13-4

Therefore, let the fact be known that feet washing is a commandment (though not necessarily in the sense of the Ten Commandments) through which power, Spiritual power, is release unto man, and with which he can have dominion over his locale and beyond: with which his radiates light accepted by God.

Feet washing, as conducted by Christ Jesus in John 13, was, therefore, a mysterious transfer of power to them for use after He has left them.

There are other instances in the Bible where the feet were treated. One was when Abraham washed the feet of an angel as a mark of a warm reception. Another was in Duet. 33:24, when of Asher it was said needed to deep hid feet in oil which will transform his shoes into the cast of iron with which he can trample on any danger. The Christ example, however, summarizes everything about the potency of feet washing. And like Asher,

your treated feet can spiritually wear a cast iron with which is suffused the power which Christ gave a man to tread upon serpents and scorpions and all the power of the enemies. Such spiritual cast iron feet would, therefore, protect the believer in (and doer of) the word against the bite of the serpent and other guile of the devil in whatever form on the surface of the earth.

It is your portion endowed to you by most High God to possess, to hold, to treasure and to keep perpetually alight in the service of your creator.

It has to be emphasized here that once you have your feet treated, and you faithfully believe in its potency, you can then acquire the spiritual presence to tread on scorpions and serpents with the power you now tap from that your primal God-personed. Otherwise, people who may be looking at you as a Christian may one day be compelled to ask: what manner of Christian are you? Where is your bite as a Christian? Why is your sting? Above all, where is your Christ- like person? And you will be quick to answer that God has given you the power to tread upon serpents and scorpions? But now can you buttress that statement? How can you defend it? How can you show them power that they may see and believe?
In other words, there must be the practice of it, a practical demonstration of that immanent power of God. You must be a physical example of Bible practitioner.

This is, precisely, the position espoused in Luke 6:47-49 which we will reproduce here for ease of reference:

"Whosoever cometh to me, and heareth my sayings, and doeth them, I will shew you to whom he is like."

"He is like a man which built a house, and dug deep, and laid the foundation on a rock: and when the flood arose, the stream beat vehemently upon that house, and could not shake it was founded upon a rock."

"But he that heareth and doeth not, is like a man that without a foundation build a house upon the earth; against which the stream did beat vehemently, and immediately it fell: and the ruin of that house was great."

As such, a Christian must not only hear the word but, more important, must do them, with the grace of Christ Jesus, practically for all to see. And do remember that there would always be a Thomas to question.

He will even question Daniel who stood barefeet in Lion's den overnight and dominated their wildness by starving their wildness by starving their reputed violence into an unprecedented and incomprehensible calm. As in Philippians 4:7 the carnivorous beast were filled with "the peace of God which passeth all understanding." This same Thomas will certainly question the power of Shadrack, Meshach, and Abednego who stood on their

bare feet and dominated the tongue of the conflagration that was programmed to lick them up and burn into ashes life that inhabited the trio. Thomas, in dare curiosity, will question Moses bare footedness in God's presence at the burning bush story! Above all, he will even question the resurrection, Savior- personality, and Lordship of our beloved Jesus Christ!

In a nutshell, we are postulating here that you cannot wake up one morning and say. "Oh, I have dominion. That is a snake out there let me go and tread on its head to bruise it!" Or you say to yourself "Oh that is a scorpion, let me match it head". There must be something done to infuse your carnal person with its spiritual prowess to be able to live out the command of being suffused with the powers of the Holy Spirit to step on, indeed tread on, serpents and scorpions. It cannot be by your power, might or conjecture but wholly by the Spirit of God. Once the mortal man is tuned to that spiritual frequency modulation that is receptive to God's Transmission what man gets on that wave length is Holy Spirit's broadcast reeling out the good news and good things of the kingdom.
It is this spirit that is inviting into the water with which the feet are treated. The spirit comes in the mold of fire which radiates like an aura around the beneficiary. It is this aura of fire that constantly terrifies the prowling enemies and keeps them perpetually at bay. You may doubt this claim but wait a minute

to share the following testimony which before God was a revelation by a woman called Sister Grace Obazu.
Just the other day here while we were processing the water to embark on feet washing exercise the lady in the congregation stared fixedly at the water that files out some barrel-like containers and quietly exclaimed to people sitting around her that she could see a fire in the water. An usher cautioned her, apparently thinking that she was distracting other worshiper's attention. "There is fire coming out of that water" she now shouted. The ushers then advised that they intimate the Pastor about the development but the lady kept shouting, obviously panic-stricken, that there was fire all over the place and before we knew it she engaged her feet in a rapid dialogue dashing through the gates.

Precisely, that is what happens when the enemies see a believer whose feet are treated; they will surely flee for their lives as the believer would become a spirit, clothed in human skin riding the celestial sphere like a cherub. Thus, what the good lord has packaged in Deuteronomy 28:7 will manifest in your life thus:

"The Lord shall cause thine enemies that rise up against thee to be smitten before thy face; they shall come out against thee
One way, and flee before thee seven ways."

You, perhaps in your carnal wisdom, may doubt this claim. Of course, it is human to

doubt. Even a great philosopher like Aristotle in his book **THE QUALITIES OF METAPHYSICS** Chapter fourteen, enjoin us "never to enunciate any decisive proposition but to doubt everything with modest uncertainty" suspending our judgment. Others like Plato and Socrates and their likes held virtually the same position but they all lived well before Jesus Christ so we might just as well leave them to their own time, thought patterns and processes. Yet, doubting is human! But the venerable cleric in the respected and adorable personage of **Bishop David Oyedepo** proffers that we do not need to look at people who doubt as they are mere shadows of the truth. Rather we should look up to Heaven for when we are doing so we do not see shadows. The mortal person in your being is the one that doubts but the spiritual person does not doubt. So like Jesus proved to Thomas of His resurrection and life, we have to practically show our admirers, followers and even detractors that "our weapons of warfare are not canal but made mighty through God for pulling down of strongholds" in our continuous battle against the rulers of the darkness of this world up to and including the devil and his agents and agencies.

Therefore, when we profess ourselves as Bible practitioners we mean that our Ministry practically, before your very eyes, testifies to the mysterious doctrines Christ bequeathed unto believers and doers of His

word. Part of these sacred doctrines is feet washing exercise which, on its own, is a mystery in the catechism of possession on and domination of life by a man with qualities endowed unto him and hallowed by God in the beginning. Feet washing thus put a man in charge of the affairs of his life.

Here in this Ministry, we have never heard where it said that one of our members was poisoned because he/she stepped on something of whatever mold or machination. It has never happened! You know why? It is because we treat and enamor their feet periodically that they can step on scorpions and serpents and shall come to no harm. They shall fear no evil, so sings the Psalmist in his Twenty-third Psalm. The sun shall not smite them by day nor the moon by night. They shall escape the snare of the fowler and the noisome pestilence. These are some of the manifestations of the mystery ordained by God and divinely practiced by Christ. This mystery leaves the enemy with no choice than to be silent in darkness. They are busy protesting against us while we are busy progressing.

In the creation of man, God, of course, gave him the breath of life with which to have dominion over all things and subdue the earth. It is because of sin that man lost that initial divine ordained dominating capabilities. Man got severed from his God essence. There now existed a gulf which needed to be bridged. All through the ages, man has em-

barked blindly on a voyage to diminish, with rituals and sacrifices, this primeval distance wrought on him by the cunning intrusion of Satan into his affairs with his creator, which occasioned the original sin. This voyage has featured personages like Moses and Elijah culminating in the coming of Christ Jesus at least, as exemplified in the Transfiguration story-to restore man back to that primal stage of cuddliness with his creator. One of the steps on the restoration exercise was (and still is) the washing of feet.

And as a partaker in this Kingdom issues like sickness will no longer have a place in your body. Sickness and general body disorders are not of God's but of the devil's kingdom. But once you are treated to partake in the kingdom's largesse all evil around you will bow or break. If they do not bow they will definitely break. Wherever they are in your life they will break. In your school work? They will break! In your business? They will break! In your office? Career? And whatever? They will break?

As you deep your feet into the water for washing you are sending your spiritual your antenna to Heaven for reception of the good things of life, by right, a Christian must enjoy. It is the power of the gospel (Ephesians 6:15) which says:

"And your feet shod with the preparation of the gospel the gospel of peace."

Which we proclaim unashamedly. The Bible says "We are not ashamed of the gospel. It is the power of God unto our salvation."

The Bible also said, "A time will come when the army of the Lord shall rise with great power and fire will devour before them" (Joel 2:1-3). And the time is now. It is this same fire which, through the process of feet washing is channeled to devour your enemies. For ours is the God that answereth by fire. You will recall here the story of Elijah and the prophets of Baal as recorded in 1kings chapter 18. The water that was poured on Elijah's altar stand, upon the name of the Lord, answered like Premium Motor Spirit **(PMS)** to the fire response by God.

CHAPTER SEVEN

BENEFITS FROM FEET WASHING

There are innumerable benefits derivable from feet washing some of them are:

1. It empowers the beneficiaries to tread on scorpions and serpents without being afraid of evil.
2. It infuses the believer with dominion to conquer, subdue and rule the earth.
3. It places the Christian in a position where he will not lack or want. No wonder the apostle, as recorded in Acts 4:34, lacked nothing. Also, it is recorded in Philippians 4:19 that "my God shall supply all your need according to His riches in glory by Christ Jesus."
4. It promotes fellowship with the IIoly Spirit as in Act 2:42, where the apostles were commanded to continue steadfastly in this and other doctrines, and by extension, we are equally so enjoined.
5. With fellowship with the Holy Spirit, a believer whose feet are washed is shielded and insulated from sins and iniquities. The spirit promotes righteousness in him.
6. It makes the believer's feet and set upon the high place as in Psalm 18:33.
7. It gives you the power to attack the devil frontally as the Bible says, Jesus has given unto man power to tread upon scorpions and serpents, to fight principalities and rulers of the darkness of the world and to bring

down the walls of Jericho. Indeed, it puts the believer in a comfortable stead to weather and untoward development and about him.

8. It makes the devil and its agent avoid beneficiary as they have been silenced in darkness and kept perpetually at bay.
9. It promotes oneness among the practitioners in Christ Jesus.
10. As Protective armor against adversities, it promotes perpetual health state for the practitioner. Thus, he can never fall sick as sickness no longer have the place in his Body. The Lord himself explicated this position in Romans. 8:27-39 which verse run thus:
11. You will possess your possessions: your feet are for possessing your possessions. Joshua 1:3

"Nay in all these are more things are more than conquerors through him that loves us."*"For I am persuaded, that neither death nor life nor angels, nor principalities, nor powers, nor things present, nor things to come.""Nor height, nor death, nor any other creatures shall be able to separate us from the love of God, which is in Chris Jesus our Lord."*

CHAPTER EIGHT

THE ESSENCE OF FAITH

When you put water in a basin in front of people preparatory to washing their feet, some are bound to think this is just ordinary water. Such reaction is because the secret of God concerning feet washing has not been unfolded to them. Remember, the secret of God is not for every Tom and Dick but for the covenant children of God only as clearly confirmed in Psalm 25:14 which says:

"The secret of the Lord is with them that fear Him, and he will show them his Covenant".

So, faith is acting on something you believe. It is pertinent to note that, you cannot act on what you believe except by knowledge.

Faith is built on hope, rooted in the heart and declared with the mouth. So, faith that works must start from the heart and continue with the mouth and is made perfect by action. Faith without action will suffer frustration forever because if you don't do anything about what you believe, what you believe cannot affect you. So when people say feet washing is not God's doctrine but the evil of the devil, it is simply because they lack knowledge. In Hosea 4:6, the Bible says:
"My people are destroyed for lack of knowledge..."
All the doctrine of God must profit a man. On the other hands, if the doctrine profits other and does not profit you, then the fault

is from you and not God as clearly confirmed in Hebrew 4:2 which says:

'For unto us was the gospel preached, as well as unto them: but the word preached did not profit them, not being mixed with faith that heard it.''

So, the word of God preached to you will a produce result if you mix it with faith. It has produce result for me because I mix it with faith.

It takes your faith to draw the virtue that gives you value on earth to make you a man that matters. In essence, it is your faith that converts your belief to power. Abraham, for example, was over a hundred years old before he becomes a father and when God told him to use the same child as a sacrificial lamb he was willing to do so. His action perfected his faith in God and made him the father of many nations as he had promised. The level of your result here on earth is determined by the level of your action. Remember, all scriptures were inspired by God, so if you don't want to empire you must do what God says you must do and until you do what God says, God is not committed to your affairs, Daniel know the secret of God and refused to worship idol and his refusal landed him in a lion's den but because of his faith in God, he came out of the den a ruler. In 1 Samuel 2:9 the Bible says:

"He will keep the feet of his saints, and the wicked shall be silent in darkness: for by strength shall no man prevail."

God has made us what we are because there is something God has prepared for us. However, God weighs people before giving them thing as clearly confirmed in 1 Samuel 2:3 which says:

"Talk no more so exceeding proudly. Let not arrogance come out of your mouth: for the LORD is a God of knowledge, and by him actions are weighed."

So, if the door of your heart is open to God, you will receive from Him. No man can get from God while he is spiritually asleep. So, your spirit man must be awake always if you want to receive from God. You cannot be looking poor and haggard and expect prosperity.

Doing things according to the will of God bring perfection to your faith. And in John 5:14-15: the Bible says:

"And this confidence we have in him, that is if we ask anything according to his will, he heareth us: And if we know he hear us: whatsoever we ask, we know that we have the petitions that we desired of him."

However, God's will is revealed by His word and it covers everything you need on the earth. Remember what you know will deliver

what you want into your hands. So, if you lack knowledge about what to do to change your present situation, sit down and make a discovery or else you will end up in shame as clearly confirmed in 2 Timothy 2:15 which says:

" Study to show thyself approved unto God, a workman that needed not to be ashamed, rightly dividing the word of truth."

Don't forget, God has given you His promises and Oath and He can't lie as vividly espoused in Hebrew 6:18 which says:

That by two immutable things, in which it was impossible for God to lie, we might have a strong consolation, who have fled for refuge to lay hold upon the hope set before set before us."

You can only achieve mastery status if you go about it lawfully as clearly confirmed in 11Timothy 2:5 which says:

"And if a man also strive to masteries, yet is he not crowned, except he strive lawfully

To be a master of something means to be in control of that thing. And to be in control, you need to be well informed of the laws governing the thing. That is, you must know the rules of a game before playing it. So in order to be in control or be in charge here on earth, a child of God need to know the lawful thing he or she has to do to have dominion. And

this has to do with partaking in feet washing among others.

Human effort or ability can never make you master on earth. And this is why Jesus Christ gave us, His followers the key of the gate of heaven as vividly confirmed in Mathew 16:19 which says:

And I will give unto thee the key of the kingdom of Heaven: and whatsoever thou shalt bind on earth shall be bound in Heaven: and whatsoever thou shalt loose on earth shall be loose in heaven".

Remember, it is the knowledge of the word of God inside of you that puts you in control or make you be in charge and in Isaiah 60:1 the Bible says :

"Arise, shine, for the light is come, and the glory of the LORD is rise upon thee."

When the light comes darkness disappears. As the light of God enters your life, your situation will change.

Knowledge is not a gift but a choice. So you don't pray for it but you uncover it. In fact, many Christians are afraid of the devil because they are unaware of what they have inside of them. So environment can corrupt a man and hence lose his dominion because he has no keys to open the right doors. You can and locate your keys. The only thing the devil cannot temper with on earth is knowledge. In fact, the devil cannot handle knowl-

edge. So, if you cannot see vision by day or dream by night, just sit down and make the discovery. Discovery will make you recover whatever you have lost to the devil before.

Prayer Points

1. O Lord, increase my faith in your word, in Jesus name.
2. Every yoke of Satan upon my legs, break by fire, in the name of Jesus.
3. You hidden arrows of wickedness, come out of my feet, in Jesus name.
4. Dream tormentor die, in Jesus name.
5. Thou great physician, heal my feet, in Jesus name.

CHAPTER NINE

THE HEALING MYSTERY OF WATER

One secret of God laid into a man's heart can make him shine forever. A good example is Job in the Bible whose outstanding success was a result of the secret of God revealed to him, and this made Job to become the richest man in the earth. At the root of every good man, there is wisdom. And wisdom is defense, it makes man to shine and it also commands peace and riches. So, man shine via the feet washing exercise is one secret of God we have been using in this ministry to molest the devil and agents.

Water has always played a significant role in the lives of man even before the coming of Christ Jesus. In fact, water has been aptly described as the fluid necessary to life and this is why the Bible in Revelation 22:17 says.

And the spirit and the bride says, come. And let him that heareth, come. And let him that is athirst come. And whosoever will, let him take the water of life freely".

Another area where water plays an important role is in the area of redemption. In fact, water is essential if one is to attain the kingdom of God as vividly espoused in John 3:5 which says:

"Jesus answered, Verily, verily, I say unto thee, except a man be born of water and of the Spirit, he cannot enter into the kingdom of God."

Furthermore, water is also very vital to divine health as well as healing the sick. Remember, only those who have access to the secret of God enjoys kingdom divine health, for instance, Sister Uba had leg pains which defiled all form of medication and she then started going from one church to another in search of divine health. By the time she came to me, almost two years have laps since the sickness started and she had been bed ridden for over one and a half years. Within two weeks, God healed her and she was able to walk and dance in the church. Her healing was through the application of the mystery of feet washing. And in Psalms 23:2-3 the Bible says:

"He maketh me to lie down in the green pasture: He restoreth my soul: he leadth me in the paths of righteousness for is name's sake."

Peace and restoration came to sister Uba through the healing mystery of water via feet washing.

On the other lands, Naaman because he had no access to the secret of God, felt annoyed initially when Elisha told him to go and wash seven times in River Jordan for his leprosy to be healed of God, Naaman obeyed Elisha and he was healed of his leprosy.

"Then went he down, and dipped himself Seven times in Jordan, according to the saying of the man of God: and his flesh came

again like unto the flesh of a little child, and he was cleaned." 11Kings 5:14

When the secret of God is revealed to some people, they will shine. Sister Uba and Naaman shine because of the secret of God revealed to them. However, it must be noted that with bitterness, murmuring and complaining inside of a man, he cannot have access to God's secret.

When you are confronted with a problem, first get hold of God's will that commits God to your rescue. When there is trouble in the form of sickness or disease, settle down on the will of God until your faith comes. Remember, knowledge is what makes victory real. You cannot walk on earth powerless. Anyone who is powerless on earth is looking for trouble because he will be easy meat for the devil. And in Proverb 23:7a the Bible says:

"For as he thinketh in his heart, so is he."

So, what you have inside is your result. And as a Christian, your actions will always expose. Brethren, be wise in all thing you do. Use your confession, thought and actions to get what you want.

Prayer Points

1. O Lord, wash my feet with the water of life, in Jesus name.
2. Any blemish in my life be washed away by the living water, in Jesus name.

3. O Lord, let the spirit of salvation arrest, my family, in Jesus name.
4. Spirit of rejection in my life die, in Jesus name.
5. O Lord, guide me into the mysteries of my miracles, in Jesus name.

CHAPTER TEN

EPILOGUE

In the gospel of John, chapter 13 (where it is recorded that Jesus washed the feet of His disciples). Jesus knew he came from God, and he was going back to God, he arose from supper and began (after what can be described as an elaborate preparation to wash their feet one after the other. But in doing so, He was infusing them with power enough to bruise the head of the enemy and propagate the good news without fear of the evil. The disciples, on their parts might not have comprehended the importance and essence of the exercise. That was most probably why Peter questioned Him with the Lord himself answering. "What I do thou knowest not now, but thou shall know hereafter." And further down the chapter, verse 17 to be precise, the good Lord intoned that the knowledge of these things as well doing them would make us happy. We quote "if ye know these things, ,happy are if ye do them".

All of these things restore man back to his original state of dominion his primordial existence. So you must strive to live the life original to your very nature and be and not the one counterfeit by forces other than your impeccable Creator. You must locate your bearing so that your self is not charted. You must seek out your geographical true North instead of the mirages North you often get saddled with. For as a God-personed you are

in charge of your environment. You have the God given dominion to be fully in charge.

But it must be noted, for avoidable of doubt, that you do not just get your feet washed and expect results unless you are, in the first place, sure to make heaven by being born again, that is the only time the gate of hell cannot prevail against you and your portions in life. That is the only time when what you bind here on earth shall be bound in Heaven. That is the only time you can obtain and possess the keys to the kingdom. The keys to open all doors that have positive bearing on your life. And our God of peace shall bruise Satan under your feet shortly.

Prayer Points

1. The sting of death fashion against my life, be neutralized by the blood of Jesus Christ.
2. All pursuing curse upon my legs, break in Jesus name.
3. Thou power of 'almost there' upon my legs, die in Jesus name.
4. Evil loads upon my feet, backfire to the senders, in Jesus name.
5. I shall march on the feet of my enemies, in Jesus name.

TESTIMONIES ABOUT FEET WASHING

MARINE SPIRITS EXORCISED

As someone covenant to the mermaid of marine spirit, I was due to die on 25th of March 2016 to join my husband in that kingdom. I would have gone earlier but for my eldest daughter, I planned to take along. This covenanted return to the marine world has plagued my terrestrial or earthly husband so much that he has sold off virtually all his property to forestall the departure but to no avail as I normally would deposit my marine powers at home whenever he would take me to a witch Doctor or any of these so called Spiritual Churches.

I happened to be trustee and major share holder in one of the leading banks in the marine Kingdom. So, all my earning in this world was transferred to another world as a deposit to cater for my return. I have on account of this, a large deposit of over Four Million Naira over there. This amount, in addition to my hard working person has so attracted my spiritual husband that he wants me so desperately. As a result, he has so often stage-managed the frequent fights between my husband and me.

Somehow, I heard of Pastor Fessy (Segun) and thought I could come over to test him out. When I first came, I was made to partake in the Communion Service but the bread and

wine I was served I made sure I spat out at the nearest convenience, as I was feeling that their transmutation to their body and blood of Jesus might as well destroy my power, which I deposited at home. The powers I reasoning may not be able to enter into my system anymore once the body and blood of Jesus are in the same system.

But on one feet-washing day, I came with my powers in the company of a friend with whom I had planned to try out the powers of the church. My friend could not stay for her feet to be washed complaining that the environment was too hot for comfort.

Equally, I was taunted by the heat from the fire I saw emitting from the water being processed for feet washing. So, when the usher conducting the feet washing exercise got to my turn, I refused to immerse my feet in the basin of water as I, of a truth, saw the flame of fire emitting from the water. The usher pleaded with me, to cooperate but I preferred to abandon my baby and run away. But unfortunately for me I was caught in the market nearby.

I was thus brought back and my feet were washed. When the exercise was complete I felt an unusual sensation as though some force was violent severing itself from my system, after which I was sweating profusely, soon after which a cold chill came over me turning my entire skin into goose pimples. Somehow, I left the church and get back

home feeling empty but certainly relieved of the burden of that marine weight I have helplessly carried over the years.

And I testify that by the grace of Jesus Christ, I have ever since been delivered from the satanic bondage. Praise the Lord.

AN ONLY SON ESCAPE BEING MACHETED

Perhaps, out of the usual of the usual children pranks my only son broke the leg of a neighbor's chicken. This neighbor got hold of my son by his neck and dragged him to me.

On being told about the accident, I pleaded with the owner of the chicken to take it easy as any child could have done that but he refused to be comforted. Instead, he preferred that we pay him for the chicken the value of which he placed at ₦1,500.00.

I went on my knees to plead with him that I did not have that sum of money at home that weekend. He just would not heed any entreaty. So, I suggested giving him a cheque for the amount against the following Monday, but he was adamant even threaten to machete my son in place of the chicken which was not dead anyway.

I further pleaded with him, even letting him into my private affairs by telling him of how my husband had abandoned my son and me by fleeing to overseas, where we learned he had even married another woman. Even this revelation did not excite any measure of

sympathy from the Pharaoh Ramses incarnate as his heart was hardened more than ever before. So, he left in anger threatening to come anytime that day to collect his money or machete my son. I was stupefied with fear!
I called my son into my apartment and treated his feet as I saw our Pastor do and commanded him to dominate his environment by walking around bare footed. I implored him to do so all the time I would be away to scout for N1500 to pay the owner of the chicken.

Just about two hours later my son, corroborated by neighbors, told me that the man actually came back brandishing a razor sharp machete towards him. My son said he stood barefooted charge! "I'm in charge! I'm in charge!

That somehow the fiery man charges past him to our backyard where he broke into our dog house and slew four dogs. He dashed back brandishing the blood stained blade shouting "God has saved you" to my son.
So, my brother and sister that was how my son escaped death in the hand of the monster and vicious personality. Please, praise the living Jesus. Sister Caroline

SPIRITUAL SNAKE EXORCISED

As soon as I became pregnant I start feeling a creepy sensation around my womb region. This feeling often sent a cold chill down my spine experience that numinous feeling one gets on sighting a snake.

As a result, for over one year, I bare a pregnancy that neither develop nor got aborted. Yet, this spiritual snake kept creeping around my womb tormenting me day and night. As I did not believe in any other means for cure or healing I resorted to continuous prayers.

Part of my prayer fight including occasion visit to the Pastor. So on this day pastor told me he would wash my feet. He did and told me to report my experience that night to him the following day.

In fact, I could not sleep well all through the night as the spiritual snake kept moving around my system. But at about 3:00 am some oily object came from my chest region. I felt it. I could even see it as through in a trance. It was a live snake! I shout to wake up my husband up. He woke up but claimed not to see what I was holding aloft. Meanwhile, I was standing on my barefoot shouting "I dominate! I dominate!! I dominate!!!

I came back the following morning to report my experience to my Pastor who in turn assured me that my travail was all over with the snake exorcised. And true to my Pastor's

words in the next six months I gave birth to this bouncing baby boy.
Praise the Lord! **Sister Lovely**

RUNAWAY HUSBAND RETURNS

For reasons, I could not actually understand my husband one day just walked out of our home leaving the care of our children solely to me.

My friend took me to Isolo, Ikate, Badagary, and Ijebu-Ode to consult with some witch doctors and masseurs as to the possibility of making my husband return. Some of them asked for his photograph, which I voluntarily gave them. And at the last count I had sacrificed sixteen goats, three rams and thirty-three cocks, three pussy cats, ten rabbits, several stripes of white and red clothe, countless number of cowries and roast corn etc. all these to no avail.

Somehow, I was on my way to get another masseur when I heard the pastor's message saying "That your runaway husband will come back". Unwittingly I said to myself who told that man that my husband has run away. But his message continued, hammering on the potency of treated feet. So I just stood by to watch.
When I got home I brought out the photograph of my husband and dominated it with my bare feet. Believe me, my husband returned home the following week and has remained with us ever since.

Praise the Lord! Sister Doris

ABOUT THE BOOK

Feet washing is one of the wisdom of God believers use to overcome the devil. It is a dominion exercise. Feet washing is a mystery simply means "the hidden truth of God." Your feet are the keys to your establishment in life; your feet will establish your dominion over your enemies. A polluted foot cannot succeed in life. Your foot is also your instrument of protection and direction. Your legs are the symbols of your possessions. Once your feet are blessed and beautiful you will win every battle of life.
