INTRODUCTION

In Nahum 3:4, we see a specific power identified. The Bible calls it whoredom and there is a multitude of them. What does this power represent and what is its connection with the waters?

Ezekiel 29:3-4: **"Speak, and say, Thus saith the Lord God; Behold, I am against thee, Pharaoh king of Egypt, the great dragon that lieth in the midst of his rivers, which hath said, My river is mine own, and I have made it for myself. But I will put hooks in thy jaws, and I will cause the fish of thy rivers to stick unto thy scales, and I will bring thee up out of the midst of thy rivers, and all the fish of thy rivers shall stick unto thy scales."**

Isaiah 27: I: "In that day the Lord with his sore and great and strong sword shall punish leviathan the piercing serpent, even leviathan that crooked serpent; and he shall slay the dragon that is in the sea."

Revelation17:1-2: **"And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many waters: With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication."**

One of the most powerful spirits that is contesting with the destiny of man is the power from the waters. It is a dangerous and wicked spirit that harasses people day and night. There is already an in crease of this type of entity moving among men. Therefore, people must be very careful about the way they operate their career, business, etc. These powers have already been loosed; their duty is to cage men and women.

Waters surround the major part of our nation, and the major part of the wealth of the nation is got from waters. We have to know these evil spiritual powers, and how to compose ourselves to fight them.

When the job of creation started, the Bible says that the earth was without form and void and darkness was upon the face of the deep. God divided the waters into two. He placed one above and called it the firmament. The one below, He called the sea. So, on top of man, there is water, and beneath man, there is water. The body of man contains water. In fact, seventy per cent of the body of man is water and the enemy is using these powers to do havoc among men. Sisters need to pray harder because many have been caged by these powers without their knowledge. Some who are careful and prayerful sometimes see these powers in their dreams but do not understand. Sometimes, they see themselves swimming even though they cannot swim physically. The waters have caged them.

These wicked water powers can exchange body and spirits with human beings, meaning that, you may see a person who is not really that person. These wicked water spirits struggle a lot to prevent mankind from worshipping the true God. They use all kinds of devices to deceive people.

Many years ago, when a certain deliverance minister, who was a sister. prayed for somebody to be delivered, she herself started vomiting on the head of the person she was praying for. It meant that she had things to pray off her life. That is why I tell people that they cannot only cast powers of darkness out of their lives but can also starve them out of their lives. For example, if you have a demon of anger, which you want to starve out of your life, any time it starts to roll inside you, keep your mouth closed, do not talk and walk away from that place. As the spirit sees that you are difficult to use, it will leave.

CHAPTER ONE

WHAT ARE WATER SPIRITS?

Many people have been
consciously or
unconsciously initiated into
the water spirits kingdom
by their family ties,
idolatry, ancestral worship,
or through friends

Revelation 12: 12 says, **"Therefore rejoice, ye heavens and ye that dwell in them. Woe to the inhabitants of the earth and of the seal For the devil is come down unto you, having great wrath, knowing that he hath but a short time."**

This Scripture is telling us that there are creatures in the sea which are also sentenced to the woe that would befall the inhabitants of the earth. In 1 Samuel 5:3, we see the name of a Philistine idol which in our present-day language can stand for mermaid spirit. The name of that idol is 'dagon'. Dagon was half-human, half-fish. So, the mermaid spirit is not a new invention. When the Philistines took the ark of God and brought it into the house of dagon and set it by dagon, something happened.

1 Samuel 5: 3 says, **"And when they of Ashdod arose early on the morrow, behold dagon was fallen upon his face to the earth before the ark of the Lord. And they took dagon, and set him In his place again."**

By the following day, the idol had scattered.

Ezekiel 29: 1 -3 says, **"In the tenth year, in the tenth month, in the twelfth day of the month, the word of the Lord came unto me, saying, Son of man, set thy face against Pharaoh king of Egypt and prophesy against him and against all Egypt. Speak and say, Thus saith the Lord God, Behold, I am against thee, Pharaoh king of Egypt, the great dragon that lieth in the midst of his rivers which hath said, My river Is mine own and I have made It for myself."**

They had their Pharaoh inside the water.

Isaiah 27: 1 says, **"In that day the Lord with his sore and great and strong sword shall punish leviathan the piercing serpent, even leviathan that crooked serpent; and he shall slay the dragon that is in the sea."**

The water spirits kingdom is a very, strong arm of darkness that is why you see that people in many parts of the world worship water and water spirits. Fishermen make sacrifices to the waters and there are plenty of feasts and festivals dedicated to them. Special priests are trained to minister to them and even in our communities there are sacred streams, where people ate not allowed to take their bath, fish or eat anything thereof. Sometimes, when you pass through streams or bodies of water, you find all kinds of things like chicken, goat; all types of food, etc thrown into them as sacrifice. Some throw money especially coins into the waters.

The water spirit kingdom is a powerful arm of darkness and satan has used these spirits as agents to challenge the purposes of God on earth. These water spirits sometimes lay claim even to creation. They lay claim to dominion, power and wealth.

Ezekiel 29:3 says, **"Speak, and say, thus saith the Lord God; Behold I am against thee, Pharaoh king of Egypt, the great dragon that loath in the midst of his rivers, which hath said, My river is mine own, and I have made it for myself."**

You can see how they lay claim to creation more than any other entity. The kingdom of the water has challenged the sovereignty of God in the life of so many people. Of all the agents of darkness that confront deliverance ministers, the ones that always put up fierce resistance is water spirits. In many parts of the world, water spirits are represented by serpents and they operate like a board that is controlling a school, where teachers are appraised, promoted, transferred or sacked. The teachers may not even know that the board has taken decisions on them. Likewise, water spirits can call up your records from their computers or magic mirrors and deal with you without your knowledge.

Many have been consciously or unconsciously initiated into the water spirits kingdom by their family ties, idolatry, ancestral worship, or through friends. Some have been initiated through food, gifts, uniforms clothes for burial and fornication.

All forms of idolatry as reported in the Scriptures originate from the waters and this is why we have serious work to do.

They are so bold and capable of doing strange things. They exchange babies in the womb and deposit all kinds of things into people's lives. They will fight to death anybody who wants to dispossess them of what they have seized.

I want you to understand the need to raise your battle cry and wage war against these marine spirits. There is also the need to be inquisitive while praying. Consider questions such as: Is there anybody in your family that worships or has worshipped water spirits? Was your mother a marine priestess? Have you been taken to the rivers and sacrifices were made during feasts or festivals? Or do you come from a place, where its name is derived from the waters? Or is your own name derived from there? A lot of places in Nigeria are completely under the control of marine spirits. Unfortunately, the names of many states in Nigeria were derived from their base. It is part of their manipulations. Do not make the mistake of saying or thinking that it does not affect you. That will be foolhardiness whereas you are caged already because there is no way these spirits will be around you and you will not misbehave.
Ephesians 4: 10 says, **"He that descended is the same also that ascended up far above all heavens, that he might fill all things."**

When Jesus died, He first of all went down, and when He finished there, He arose.

In 1990, a newspaper carried the story of some Russian scientists who caught a creature that was half-human, half-fish in the sea of Cuba. It told them that it was from a city inside the sea and begged them seriously to allow it to go. They promised to let it go if it told them a little bit about where it came from. It told them that it lived inside the water and occasionally came among human beings and mixed with them to pollute their lives. It then asked them to let it go but they refused and it told them that a great misfortune and irreparable calamity would befall Russia if they insisted on keeping it. These are the types of creatures we are talking about.

Sometime ago, by the beach, a man saw a lot of people, men and women dancing. But as he moved closer to them, they ran away. He wondered why they were all running away. He also noticed that they were wearing the same kind of clothes. He ran after them but could not catch up with them. When he looked back, he saw that one of the women was left behind. He seized her clothes and she begged him to release them but he refused. Instead, he asked her to many him. The woman agreed and he took her home. The man hid the clothes where the woman would not find them. They started living together and had two children. One day, one of the children saw where he hid the clothes and brought them out. Immediately the woman saw them, she quickly put them on and ran towards the beach, and disappeared from there. When the man came back from work, the children told him what happened and he ran to the beach but could not find her. These are the creatures we are talking about.

I know another man who proposed marriage to a girl and she promised to marry him on the condition that he would not be seeing her on Fridays. So every Friday, the woman would disappear. The man never bothered until one Friday morning, somebody who called himself a prophet came and said, "Where is your wife?" He said, "I don't see her on Fridays." And the so-called prophet said, "What kind of marriage is that? You don't see your wife on Fridays and you are comfortable with that. This is foolishness." The prophet convinced him it was foolishness and he began to search around for his wife. He got to a pond at

the back of their house and found that she had turned into a mermaid and was swimming in the pond. Immediately, she set eyes on him, she disappeared. Then he decided to go to the prophet and complain to him that his wife had disappeared. The prophet was nowhere to be found and his children too, died one after the other. These are the spirits we are talking about.

THE THREE STRONGHOLDS

The most destructive agents in our environment include water spirits. The Bible talks about three major strongholds:

1. The heavens.

2. The earth.

3. The sea.

The Bible also talks about the queen of heaven, the kings of the earth and the queen of the sea. It is usually a fierce battle when somebody is being attacked from these three places.

Genesis 1: 26 says, **"And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth."**

In the foregoing, we can see these three places mentioned again. The Bible says that we should have dominion over these three principal strongholds: the sea, the air, and the earth.

Exodus 20: 3-4 says, **"Thou shalt have no other gods before me. Thou shalt not make unto thee any graven image, or any likeness of anything that is in (1) heaven above, (2) or that is in the earth beneath, (3) or that is in the water under the earth."**

Again, we see the three strongholds: the heaven, the earth and the sea.

Deuteronomy 5: 8 also says, **"Thou shalt not make thee any graven image, or any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the waters beneath the earth.**"

So far, we have seen examples of what is called water spirit. We have also seen Scriptures that tell us that water spirits exist.

THE TRIANGULAR ANGEL

Revelation 10: 1-6 is another very interesting Scripture to consider. It talks about what some people call the triangular angel. It says, **"And I saw another mighty angel come down from heaven, clothed with a cloud: and a rainbow was upon his head, and his face was as It were the sun, and his feet as pillars of fire. And he had In his hands a little book open: and he set his right foot upon the sea, and his left foot on the earth. And cried with a loud voice, as when a lion roareth: and when he had cried, seven thunders uttered their voices. And when the seven thunders had uttered their voices, I was about to write: and I heard a voice from heaven saying unto me, Seal up those things which the seven thunders uttered, and write them not. And the angel which I saw stand upon the sea and upon the earth lifted up his hand to heaven. And sware by him that liveth forever and ever, who created heaven, and the things that therein are, and the earth, and the things that therein are, and the sea, and the things which are therein, that there should be time no longer."**

When that angel wanted to cancel what we call time, he had to do it in these three zones. He had his

right leg on the sea, his left leg on the earth, and one finger pointing towards heaven before he decreed that there should be time no longer. And so, we too, must learn to fight in these three places. Some people are still battling with forces of the earth not knowing that what is harassing them is in the water.

CHAPTER TWO

WHY ARE WATER SPIRITS SO POWERFUL?

It you live in a riverine

area or you come from

there, you need to really

pray

Genesis 1: 6-8 says, **"And God said, Let there be a firmament in the midst of the waters, and let it divide the waters from the waters. And God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so. And God called the firmament Heaven. And the evening and the morning were the second day."**

It means that there is water at the top and there is water below, and God used the firmament to divide them.

Verses 9-10: **"And God said, Let the waters under the heaven be gathered together unto one place, and let the dry land appear: and it was so. And God called the dry land Earth; and the gathering together of the waters called he Seas: and God saw that it was good."**

God commanded the dry land to appear and commanded the waters to move to one side. Then the dry land, He called earth and the gathering together of the waters, He called seas. It means that everything is from the water.

In verses 6 to 8, when God finished His work on the second day, the Bible did not record that God said it was good. God did not pass any comment on that separation because it is man's activity that would determine whether that firmament would be good or bad, that is, you determine the nature of your heavens. When the Bible says, "Thy heaven shall be brass," it makes it personal. So, everywhere was water and 85 per cent of the earth is still water. 70 per cent of the human body is water meaning that everything on earth responds to water. When God wanted to deal with Pharaoh, the first place He sent Moses to was the River Nile of Egypt. Pharaoh had an agreement with River Nile. He had an agreement with the waters. He went there very early in the mornings and consulted the gods of the river.

Sometime ago, some fishermen called a sister and told her that they used to see her husband coming to talk to one woman by the sea everyday at 4 a.m. Before then, the woman had been wondering where the man always went early in the mornings. One day, as the man was going to keep his usual appointment by the sea, the woman tiptoed and followed him. He went through a bush path to the lagoon. A woman appeared in front of him and they started discussing. Immediately she moved closer, the water spirit told the man to go back home because somebody had followed him there. The man knew that it was his wife and when he got home, he gave her a very serious beating. The woman kept quiet and never told anybody about it. Few years later, the man died, killed by the same water spirit.

Sometime ago, a pastor from a certain Pentecostal church took some people to a lagoon for water baptism. The exercise went on successfully until one girl was dipped inside the water for immersion. Something gripped her legs and the pastor could not raise her. A battle started. As he pulled her up, some unseen forces were dragging her down inside the water. The pastor began to speak in tongues and to pray fire prayers which he used to criticize before the girl could be released from the water. Right from that day, he stopped going to the lagoon for baptism. He started using swimming pools, where he could see everything underneath.

OUR ANCESTORS AND WATER SPIRITS

If you live in a riverine area or you come from there, you need to really pray. Just as we have mermaids, we also have mermen. God had to disgrace the water spirit in Egypt. He killed the fish that the Egyptians worshipped as gods. Before the purpose of God could be established in many areas, water spirit has to be dealt with. Many nations and lives will not advance unless this is dealt with.

Our forefathers used to worship water spirits. Some even call them their spirit wives and spirit husbands. They gave them names. The Yorubas call it, "Yemoja," the mother of the children of fish. The Binis call it, "Olokun," the owner of the seas, some people call it "Ebo," the owner of the sea. These kinds of things show that our forefathers worshipped them, and these evil spirits dealt with them. You do not expect them to leave you alone if you come from these places or families that are involved in their worship. In riverine areas, there is a lot of sexual looseness. A lot of kings have agreement with water spirits. They manipulate nations. A prototype of the kingdom of earth is also found under the sea.

Nigeria has a river called, River Niger and another one called, River Benue. A lot of tives have perished in these rivers. Sometimes, when contractors are working on River Niger, you would hear them say, "One nail has fallen down." They are referring to a human being that has been swallowed by the powers in the river. They magnetize vehicles travelling on bridges. I have personally talked to somebody who went down into the river and was thrown out after six months. The vehicle he was travelling in plunged into a river and everybody in it died except him. All the while he was there, they did not give him their kind of food. His deliverance was something else. He did it twenty-five times.

In Mark 5, when Jesus delivered the man called Legion, the evil spirits begged to be sent into the swine and from the swine, they ran back into the sea which was their place of origin. There is a very strong link between ancestral spirits and water spirits. Some of our forefathers had powerful charms that enabled them to dive into the river and come out with their clothes still dry.

If God opens your spiritual eyes, you would see a lot of virtues of people buried in the bottom of the sea. It is very sad. Up till now, in some places, when a child is born, he or she is taken to the river and given some of the water to drink. That is the first thing he or she should drink. So, right from day one, he or she gets initiated. Before you can find somebody from a riverine place who has a stable home, and is the husband of one wife, or the wife of one husband, and he or she is not a fornicator or an adulterer, he or she must have been specially baptized with the fire of the Holy Ghost. Water spirits cause people to be polygamous and promiscuous.

PRAYER POINTS

1. Every power from the waters battling against my success, die, in the name of Jesus.
2. Marine witchcraft calender for my life, catch fire and bum to ashes, in the name of Jesus.
3. Every riverin my place of birth, release my virtues, in the name of Jesus.
4. Every assembly of marine powers gathered against me, scatter by fire, in the name of Jesus.
5. Holy Ghost fire, destroy marine powers assigned against me, in the name of Jesus.
6. My glory, arise and shine, in the name of Jesus.
7. O God, rearrange my life by fire, in the name of Jesus.

CHAPTER THREE

THE GENERAL FEATURES AND ACTIVITIES OF WATER SPIRIT

There is no way a man
would marry many wives
and some of them would not
be possessed with marine
spirits

We must learn to deal with the waters. We must learn to bring the words of God against the rivers and the seas because the forces of the water are very mean. They are resolute and wicked. Their path is marked with blood and they are hard taskmasters. They know how to control and manipulate men. They are heartless, patient and subtly destructive. Nothing is safe from their influence. They can lie low for years before striking. They are very stubborn and can be very insulting. They commit fornication with leaders in order to confuse them. Whenever a church leader is caught in adultery or fornication, you can be sure the woman or man involved is from the water.

These water spirits operate false religions and cults. We see some churches that are specifically built close to the sea or river; it is for a purpose. They draw power from the water regularly. Some churches take their members to the river or sea to bathe them or perform other rituals. They introduce the smell of people's body to the demons in the water. They do all these because they operate with the powers from the waters. They know what they are doing and make mockery of fireless prayers.

1. They are very proud. Job 41 talks much about this.
2. They try to control commerce and trade because most goods pass through the sea, (Ezekiel 27). That was the problem of Solomon. He was having a nice time until he began to import wood and all kinds of things from across the sea.
3. They control the flow of money and the economy (Revelation 17 and 18).
4. They cause sexual perversion. For example, adultery, fornication, abortion, incest, homosexuality, lesbianism, pornography, polygamy, etc. All these are sponsored from the water.
5. They control fashion. They invent all kinds of seductive dresses. Many of the hairstyles are from the water.
6. They control cosmetics and make-up.
7. They cause desolation. They kill men and destroy things. These powers are responsible for the desolation in the riverine areas of Nigeria. Many people do not understand this.
8. They supervise the production of alcohol because once a person is drunk, his brain turns upside down and he would play into their hands.
9. They kill children.
10. They defy prayers.
11. They are very clever.
12. They are very wicked.
13. They hide to do evil.
14. They are very acidic.
15. They are destructive.
16. They are deadly.
17. They are highly potent.

PRAYER POINTS

1. Thou power of marine oppression, die, in the name of Jesus.
2. Holy Ghost fire, purge my life from every marine pollution, in the name of Jesus.

3. Every inherited oppression, die, in the name of Jesus.
4. Arrows of affliction fired at me, backfire, in the name of Jesus.
5. Thou power of epileptic success, die, in the name of Jesus.
6. I break the power of death over my life, in the name of Jesus.
7. Every evil burial for my sake, be destroyed, in the name of Jesus.

CHAPTER FOUR

SOURCES OF WATER SPIRITS POLLUTION

Many young people have

been destroyed in disco

halls because they danced

and got involved with water

spirits unknowingly

1. POLYGAMY: There is no way a man would many many wives and some of them would not be possessed with marine spirit. The fact that the man is polygamous is enough evidence that he has a problem of water spirit.

2. ANCESTRAL AND PARENTAL POLLUTION: This happens when your ancestors or parents are into the worship of water spirits.

3. ENVIRONMENTAL POLLUTION: When you live in a riverine area and do not pray hard, you will get polluted.

4. SEEKING FRUIT OF THE WOMB FROM THE MARINE WORLD: These powers may give you a child but it would certainly be one from the kingdom of darkness. Children gotten by this means eventually kill their parents.

5. FAMILY IDOLS: Many idol worshipers consult water spirits.

6. RITUALS AND SACRIFICES: A person gets polluted through these means.

7. DIRECT ATTACK THROUGH MARINE POWERS RECRUITMENT EXERCISE: These powers have agents all over the place initiating people through materials such as jewelry, clothing, attachments, etc.

8. PARENTS THAT ARE MARINE AGENTS: Children born of such parents would be polluted.

9. INITIATION BY FRIENDS: If you have friends who are possessed with water spirit, they will initiate you easily through food, clothes, etc.

10. GOING TO HERBALISTS, NATIVE DOCTORS OR CONSULTING ORACLES.

11. GOING TO CHURCHES WERE THEY WEAR UNIFORM CLOTHES.

12. BATHING BY THE RIVER ON THE RECOMMENDATIONS OF A SO-CALLED PROPHET.

13. NIGHT PARTIES: It is not everyone you see at night parties that is a normal human being. Many young people have been destroyed in disco halls because they danced and got involved with water spirits unknowingly.

14. SATANICALLY INSPIRED MUSIC: Many musicians get their inspiration from water spirits. Believers must be very careful. The way some dancers perform clearly indicates where they come from.

15. SHARING CLOTHES WITH MARINE AGENTS: Believers must be careful who they borrow things from, or share things with.

16. FOOD POLLUTION: They pollute people through food.

17. MARINE GIFTS: These come in the form of jewelry, clothes with wet look, etc.

18. SEX WITH MARINE PEOPLE: If you sleep with a marine agent, you would become one of them.

19. ATTENDING MARINE FESTIVALS.

20. VISITING RIVERS OR STREAMS FOR CULTURAL REASONS.

21. SATANICALLY INSPIRED DANCE.

SYMPTOMS OF MARINE POLLUTION

A person that has been polluted by marine powers would find it hard to practise Christianity because reading the Bible would be difficult, praying would be hard work, and fasting too, would be difficult.

People possessed with water spirit have the spirit of anger. They dream about water. They find it difficult to settle down in marriage. They have uncontrollable sexual urge. Also, they experience blockage.

PRAYER POINTS

1. Every staff of the wicked resting on my glory die, in the name of Jesus.
2. Powers from the waters attacking my star, die, in the name of Jesus.
3. Every power defiling my body, die, in the name of Jesus.
4. My glory, reject evil exchange and transfer, in the name of Jesus.
5. Thou power of evil spiritual marriage, die, in the name of Jesus.
6. Holy Ghost fire, disconnect me from every marine spirit association, in the name of Jesus.
7. I overthrow every altar of powerlessness, in the name of Jesus.

CHAPTER FIVE

WATER SPIRITS AND WHOREDOM

Power of the waters have

spread their dragnet to

catch many

In Nahum 3:4, we see a specific power identified. The Bible calls it whoredom and there is a multitude of them. What does this power represent and what is its connection with the waters?

Who is a whore? A whore is a prostitute, a promiscuous person, or a person who pollutes himself or herself sexually. It is somebody under the control of the Babylonian spirit called, Jezebel. Whores are experts at defiling, stealing and corrupting human beings.

CAUSES OF WHOREDOM

Lust of the eyes and pride of life: The root cause of whoredom is what the Bible calls lust of the eyes and pride of life. These things are not of the Father. IT your eyes travel to the wrong places or you focus on things that pollute your spirit, you need to bind the spirit of whoredom. A person could sit down in a place while the lust of the eyes and the pride of heart would carry him to a far place. Sometimes, the attack may not be open. The root might be in a dog biting you in the dream. Once you begin to have dog dreams, that is, dogs biting or running after you in the dream, you have got the spirit of whoredom.

Seduction: Another root cause is seduction. There are a lot of seducers around. Men and women, who dress in seductive styles. Some women dress as if they are forced into the clothes. This is the handiwork of seductive spirits sponsored by the power of whoredom.

Pornography: Another root cause is pornography. This is spreading all over the place now. As the end of the age is coming, more and more women are wearing less and less clothes to expose more to cage more people, who the Bible says are foolish.

Sex in the dream: Another root cause is sex in the dream. The spirit of whoredom pollutes lives through sex in the dream. Sexual soul tie is their handiwork. You need to strive and deal with them.

Fornication, adultery, lesbianism, masturbation, oral sex, body exhibition, incest, abortion, uncontrollable sexual desires, etc are the activities of the spirit of whoredom. Anyone who goes into any of these things may not come out alive. Powers of the waters have spread their dragnet to catch many, using all these sexual hooks.

CONSEQUENCES OF THEIR ATTACKS

1. Defilement: You will get defiled.
2. Sin: You will sin against yourself and against God.
3. Evil soul tie: You will form a sexual soul-tie and come under their control.
4. Evil covenant: You will enter into spiritual soul and blood covenants.
5. Sexual bondage.
6. Destiny diversion: These powers will alter your destiny or turn it upside down.
7. Premature death.
   It is easier to get caged by these powers than to get out. You may say, "I trust myself, this kind of a thing cannot happen to me." The Bible says, "Let him that thinketh he standeth take heed lest he fall" (1 Corinthians 10:12).

PRAYER POINTS

1. I execute divine judgement against any power from the water working against my destiny, in the name of Jesus.

CHAPTER SIX

HOW TO OVERCOME WATER SPIRITS

Many young men are
dying as houseflies because
these powers have been
dispatched from the waters
to destroy them

How do we contend with the powers of the waters and whoredom that have completely taken over the lives of men? What do we do about these powers that are silencing and polluting people and disturbing the agenda of God for man?

1. Take comprehensive spiritual insurance over yourself and all your belongings: That is, dedicate everything that you have to God. Make it a constant affair. The devil is afraid to touch any thing you dedicate to God. The Bible says, "I know whom I believe and I am persuaded that he is able to keep that which I have committed unto him against that day" (2 Timothy 1: 12). Anything that you find difficult to dedicate to God should not be in your possession.

2. Flee from every appearance of evil: That is why serious churches do not allow their ministers to dress like Jezebel. They do not allow those who dress like people from the waters to minister to them. Flee from all appearances of evil and their fashion if you do not want to be caged by them.

3. Speak to the waters: You can speak to the waters even in your room and command them to receive the blood of Jesus. You can send confusion into their camp.

4. Pray fire down on the water thrones and water altars

5. Pray that God should frustrate their tokens: Pray that God should frustrate their devices so that they do not work against you.

6. Silence the voices from the waters.

Whoredom takes its root from the waters, so, there is a connection between the waters and whoredom. That is why there is a lot of sexual looseness in riverine areas. Marriages do not practically exist because, of these powers from the waters. We need to rise up and start praying, if not, things will become very bad. Others may be doing what they like but Christians will not do so. Many pastors, both white and black do not understand many things. We need to be aware of the extreme danger that is around and be able to counter them. We should not use fashion to cage ourselves anymore. If you use weave-on or other kinds of attachment, it is time to burn them. Powers from the waters are the most malignant and common. It is a terrible thing to have a spirit husband or spirit wife that comes from the waters because they will not let you rest.

You must not allow these powers to gain control over you. Many young men are dying as houseflies because these powers have been dispatched from the waters to destroy them. Many men and women who are prophets, prophetesses and apostles of the Most High God have been put into bondage by these powers of the waters and whoredom. Many have lost their callings on the laps of Delilahs. Some have collected arrows from strange women outside and have contaminated their wives at home, and now, they are saying that their wives have breast cancer, stomach cancer, etc. This is why we need to pray with holy anger.

1. Confess aloud Psalm 2.
2. Confess aloud Psalm 149.
3. Make this confession aloud in faith:

I hand over my battle to God. In faith, I come against every evil stronghold of any marine kingdom. In

faith, I pollute their water with the blood of Jesus Christ. In faith, I overcome every marine agenda against me. In faith, I trample upon marine serpents and scorpions. In faith, I spoil marine palaces and set their captives free. There shall be no reinforcement or evil reunion of marine powers against me. I seal my confessions with the blood of Jesus. I cover myself with the blood of Jesus.
