

Do Not Limit God

Many Christians;

- We limit God in us by our senses
- We limit God by our lack of Love
- We limit God also, by our lack of Faith

Lack of Faith also is a reflection of lack of love. Without God's word, there can be no Faith. If we have Faith in God, then we must have love. I mean; if we have Faith in God, then we must believe His word.

Believing is our positive action in accordance to God's will to see His word a reality in our lives.

The human senses not subjected to the spirit of God becomes the voice of death. As a result of the fall, the human senses became a gateway for the devil to bring darkness [death] into the hearts of men. The devil can only speak to the heart of a believer through death [physical senses], because he does not possess the heart of the believer.

Learn always to listen to the voice of the holy spirit within you. Do not subject your heart to the thoughts of your mind, but rather subject every thoughts to the spirit of God. Examine every thoughts by the light of God [the Holy Spirit].

This is revelation;

- There are more people in heaven than there are in hell. And there are also trillions of people in this world. If God meant to restore billions through you, don't ever limit God by your senses, by what you see in the world or what is said by majority. God wants to save billions through some Christians, but they keep limiting God by having a heart only for a million because they chose the voice of flesh over revelation. We live by Faith and not by sight. We live by revelation.

Remember, the harvest is God's, the sacrifice is ours. We all are like colour pencils, different colours, but of one purpose. He that is given much should not look down on those given few. And he that is

given few should not envy those given much. Love one another, be faithful in your call and do not limit God in you.

It is man's to think, but revelation comes from God. Man's thoughts not subjected to the holy spirit, creates nothing but death. However, revelation creates life. Revelation is greater than thinking, because it is the mind of God's spirit. Man's knowledge and impulses has always led to his destruction whenever it is not converted to revelation by the holy spirit. Revelation comes from God. If only we in humility exchange our foolishness to God's wisdom, then there'll be light [restoration].

What we think we are is not what we really are unless it is revealed by the spirit of God. Knowing Jesus unveils our true identity hidden in Him.

Revelation "Truth" comes when we subject every thought, our hearts, our spirit and body to God by constantly abiding in His Presence. Those who consistently abide in God's Presence where there's light will not be deceived by the darkness of this world. Neither will God be limited in them.

Jesus never speaks neither does He act without revelation. Revelation is the language of God. Revelation edifies, revelation restores for it is Life. Revelation reveals Love. Are you a Christian? Speak by revelation, act by revelation. But how can we speak or act as if it is Jesus Himself, when we do not know Him.

To Love God is to know [become] God.

A four year old cannot know a twenty year old unless he's twenty.
