The Dreams & Visions Symbol Dictionary Abridged eBook

BY COLETTE TOACH

What is an AMI abridged eBook?

In essence it is a sample e-book, but with a very big difference!

The industry standard for sample materials right now, is to make a book with the first 5 – 10 % of the original content.

The result a useless book consisting mostly of Forwards, Dedications and Tables of Content. Leaving the reader with no content to read and see if this book is for you. Or if there are any pearls of wisdom to be found in the pages to follow.

Wouldn't it be nice to have a sample e-book that had enough in it to give you a good idea of what can be found in the full version? In essence an abridged book that could minister to you without giving everything away?

Our abridged e-book will do that for you! We know how important it is to want to test something before purchasing it. We know what it is like to be short of cash and not to be able to purchase something right away.

That is why we have chosen to bless you with an abridged e-book. We know that this e-book will be a blessing to you and we have purposely put in a few pearls for you to find. By reading this abridged version, you will be encouraged to want to get the rest of the pearl that can be found in the full version. Which gives us the ability to make more of these amazing e-books available to you.

Enjoy and may you be blessed reading this AMI abridged e-book!

The Lord Jesus Christ. His tender love, infinite patience and overwhelming Grace continues to get me up each morning. He never ceases to remind me how special I am to Him as well as how dependent I am on Him. Lord, when people see me, may they see you.

My Spiritual and Natural Father Apostle Les D. Crause

From the time I became aware of the Lord, my father started to instruct and train me to do His work. Hardly the prize student, I was rebellious, difficult and argumentative. He pressed on with me regardless though and for this I am grateful. What he taught me has remained as a solid foundation and a reminder to push through with others as much as he pushed through with me.

Dad, I am about to get the glory for all of your hard work here. I hope it makes you proud.

My Wonderful Husband, Craig Toach

In the midst of my rebellion, it was Craig who got born again and ran full steam ahead for God – dragging me along with him at first. Had it not been for his inspiration and continued support, I would not have the strength to climb each mountain God led me to overcome. Together we continue to take the land for the Lord.

Craig, I suspect the next mountain is just up ahead. Ready for another adventure?

My Unwavering Team and Spiritual Children.

If it was not for my team and spiritual kids, you would not be holding this book in your hands right now. Not only did they continue to nag me to put these symbols to print, but they were the first to use them, promote them and then ask for more.

There is no greater honor for a leader than to have such powerful men and women by your side who are not only committed to you 100% but to the Lord Jesus 110%

My heart belongs to each one of you. Nothing matters more than seeing you rise up and take your place. I challenge you to outdo me!

Foreword

I started the DAV Dictionary in the year 2000 and have only now brought the first printing to completion in 2011. So you can say that it has been 11 years in the living and in the making.

What has been lacking with regards to Dream Interpretation up until now is a balance in the Spirit, the Word and real life. When you bring all of this together, you get the perfect interpretation.

The Word is our standard, but it takes the Holy Spirit to make the Word come to life for us. When He makes that Word come to life, He will use what is familiar to us in our everyday lives.

Since Adam first walked the earth, the Lord spoke in types and shadows. Jesus did not speak without parables and He has not changed. He continues to speak to us in shadows and it is for us to interpret them.

Jesus told His disciples that to them was given the mystery of the Kingdom of God (Mark 4:11) but that for the others, they only see a parable. They do not understand the meaning behind it.

In this book I am going to reveal those mysteries to you as I have lived and learned them. Some directly from the Lord. Some directly from the Word. Some from my spiritual father Apostle Les D. Crause.

WORD OF CAUTION:

One of the reasons it has taken me so long to publish this book is a concern that the symbols in this book would replace your hunger to seek the truth for yourself.

This book is not the bible. It is simply an interpretation according to what God has shown me. Weigh each symbol and compare it to your own revelation of the Lord Jesus.

Let my illustrations and explanations spark off ideas and further revelation in your life.

Above all, may each symbol draw you closer to your loving Savior, Jesus Christ.

He is speaking to you right now, can you hear His whisper in your heart? Whether in your dreams or in your visions, He is talking to you.

He is drawing you closer to Him. May each page in this book be another step closer into His presence and perfect will for your life.

CHAPTER 01

Dream Interpretation Made Simple

Chapter 01 – Dream Interpretation Made Simple

I was an unusual kid. I was the only one on the block who had the ability to interpret dreams. No, I was not super spiritual, I was just blessed enough to be born into the right home. From a young age I understood the basics of dream interpretation as my father taught them to me.

Every day friends would come to me with their dreams. I could easily explain what they meant or if they had no meaning at all.

I guess what I am trying to say here is that learning to interpret dreams is easy enough even for a child to master. It does not take years of study or deep psychological training. In fact with a few simple principles, you will be well on your way to interpreting dreams for yourself and for others.

No one is just born knowing how to interpret dreams. It is taught and anyone can learn it. In this book I am going to get you started and by the end, you will have in your hands the tools you need to interpret dreams starting the next time you wake up with a dream that you remember!

The Basics

Everyone dreams. Both Christians and unbelievers dream. So what makes the difference between the dream of a believer and of an unbeliever? The difference lies in the indwelling of the Holy Spirit. While everyone dreams, not everyone receives messages from the Lord like we can as believers.

So the first building block of understanding dream interpretation is to understand that dreams are a natural function of the human soul. There are dreams where we are expressing our desires or living out the conflicts we have faced during the day.

These are a natural function of the soul that lets out all of the tensions and pent up emotions that we held back. Even an animal has dreams like this. Just watch a puppy sleeping and you can only imagine what he must be dreaming. Twitching and making sucking sounds, you can imagine that he is dreaming of fighting with his brothers and sisters for a chance to make it to mom!

The Purging Dream

Well humans experience the same sort of thing. When you have dreams of accomplishing magnificent things or living out your fantasies you are experiencing what is called a Purging or Cleansing dream. Everyone has them and they are by far the most common.

In these dreams you will have intense emotions and can even wake up crying or laughing. These dreams do not have an interpretation. They are just an expression of your feelings and desires.

The Garbage Dream

Not all of our dreams are purging though. It is a fact that in today's society we are confronted with more input than any of our ancestors. Daily we are being bombarded from all sides. From TV, news media and radio to what you hear from the pulpit enter your mind at an alarming rate. With so many voices shouting at you all of the time, if we did not dream, I can imagine that we would have an input overload!

Garbage dreams take care of that. They work through everything you have been putting into your mind. In many ways it is a way of your mind 'sorting through the junk.' Everyone has these kinds of dreams; however as believers you will find that if you start getting into the Word, you will have more of these dreams.

This is a good sign! It means that your mind is throwing out the junk and making space for the Word of God that you are now putting into your spirit.

These dreams are quite simple to identify. They have lots and lots of scene changes and are quite confusing. They do not have a single message and can contain many different characters and symbols. They can also include real situations and things that you are experiencing right now. They will reflect the circumstances that are surrounding you, the things you have been reading and the conversations you have had.

These dreams have no meaning. Just think of them as a 'sorting pool' for your mind.

The Internal Dream

This is the first category of dream that starts to bring a message. Both believers and unbelievers can have them. These dreams are conditioned by your life

experience, culture and gender. Because of this, not every symbol means the same thing to everyone.

Internal dreams are fairly short, have a single message and you are the star character in the Dream.

So when a friend came to me and shared a dream, just using the principles below, I could give a pretty good interpretation. It was literally, child's play.

Let me share it with you. So are you ready for it?

Interpretation in 4 Easy Steps

In my book *The Way of Dreams and Visions* I give a full teaching on each step you need to take. (Visit www.ami-bookshop.com to get your hands on it.)

However over here I am just going to give you a quick summary. This should be enough to whet your appetite and give you what you need to interpret your dreams right away!

...This chapter is continued in the full version of this book.

CHAPTER 02

Symbols Starting In

A

A

Adultery

General Meaning

It can be a cause for concern if you dream that you are making love to someone that is not your spouse. You need to discern the spirit of the dream to determine if it is positive or negative.

It is common to dream of embracing an unfamiliar man or woman. This could represent a leaning towards a prophetic or teaching ministry. (Look up the symbol for 'Man' and 'Woman' to get a full understanding on this)

The sexual act is a very intimate one. In fact in the Word when a couple made love, they were considered married. It meant that they were one. When you dream of having adultery, you need to ask yourself, "What am I becoming one with right now?"

Do you know the person you are committing adultery with in your dream? If so, determine what they could represent in your dream.

Dreams

Positive

If you dream that you are embracing an unfamiliar man or woman, but it feels 'right' in the dream, then it could mean that the Lord is leading you to embrace something new in your life.

Negative

When you wake up feeling unclean and negative from your dream, then it is likely negative. If you continue having this kind of dream, then the Lord is trying to tell you that you are marrying yourself to something that is not of Him.

Consider this passage:

Proverbs 7:21 With her much fair speech she caused him to yield; with the flattering of her lips she forced him.

22 He goes after her immediately as an ox goes to the slaughter, or as a fool to the correction of the stocks

This scripture is a perfect picture of the world. The New Testament tells us that friendship with the world is enmity with God. If you keep having this sort of dream, then it means that you are allowing yourself to partake of the world and things that are not of God.

If you dream that your spouse is having an affair, you need to determine what your spouse represents to you. If they represent the Lord in your dreams, it could mean that there is a contamination in your walk with the Lord.

If you have a fear that your spouse is having an affair in real life and then you dream it, then your dream is clearly a purging dream. It means that you are simply living out in your dreams, the inner fears you have in reality.

DO NOT: Accuse your spouse of an affair because you had a dream. You will only increase any fears and conflicts you have in your marriage.

Visions

God is not in the business of revealing someone else's sins. A person's sin is between them and the Lord. However it can happen as in the case of David where Nathan exposed his affair with Bathsheba for the sake of the people.

If God reveals anything like this to you, it is for you to pray so that this can be exposed God's way.

If engaged in personal ministry, the Lord shows you the person in an adulterous affair of the past, it is for the purpose of healing and forgiveness. I recommend the use of tact in such a situation, followed up with prayer and counsel.

Negative

As in with dreams, if the vision you see is symbolic, then it means that the person in question is joining themselves to something that is not of the Lord. Either they are walking in the flesh or they are embracing the things of the world.

Airplane

General Meaning:

The vehicle for your ministry. It will be fast, effective and will reach new heights.

Dreams

Positive

As with visions, dreaming of a large jumbo jet could speak of a public ministry or, certainly an expansion into something more public. If you are dreaming of flying the plane, this could speak of a promotion.

Negative

If you have a fear of flying, then dreaming of being in a plane could represent having to face your fears.

Also if you dream that you are flying this plane but that you are not meant to, that someone else should be flying it, this could indicate that you are taking charge of things that are not yours to take charge of.

In a spiritual context it could speak of you taking things out of the Lord's hands. The solution of course is to let go and put God back in control of your life.

Visions

Positive

I have come to see airplanes in dreams and visions as a representation of ministry. The larger the plane, the larger the ministry. The larger the plane, the more members and helpers are needed on board to aid the ministry.

At one time the Lord kept showing each of the AMI Team as fighter planes flying in formation.

A fighter plane is a weapon of war. It is fast and effective, and if you want to find a good comparison for it in Scripture, you would use the eagle or the bird of prey as an example.

The fighter plane speaks of a ministry of intercession and warfare. It speaks of surveying the land on behalf of the Body of Christ and overcoming the enemy in it; of going ahead and scout the area for any attacks.

This speaks of a very aggressive ministry that is more personal in nature and will cripple the Kingdom of darkness! Consider this passage:

Speaking of War:

Jeremiah 49:22 Behold, he shall come up and fly as the eagle, and spread his wings over Bozrah: and at that day shall the heart of the mighty men of Edom be as the heart of a woman in her pangs.

Angels

General Meaning

Strong's 32: aggelos- a messenger, an envoy, one who was sent, an angel, a messenger from God.

Visions

Positive

There are various types of angels that fall into the categories below. Note that the following interpretations relate to visions or prophetic dreams only.

It is also worthwhile to note that if you often see angels and demons in the spirit that you function in the gift of discerning of spirits. I cover this gift in detail in the Way of Dreams and Visions book.

Guardian Angels

*Psalms 91:11 For he shall give his **angels** charge over you, to keep you in all your ways.*

These angels are issued to you at birth, namely they are your guardian angel. In personal experience, such angels are larger than life and look very powerful in the spirit.

We often see them dressed in various gear, and they often carry swords and wear sashes.

Worship Angels

*Psalms 148:2 Praise you him, all his **angels**: praise you him, all his hosts.*

This speaks of the worship angels who worship the Lord in the Throne Room. They are present during praise and worship.

In personal revelation and experience, such angels usually have wings and sing with the loveliest of voices. They often carry instruments such as harps, tambourines, trumpets and various stringed instruments.

Messenger Angels

*Luke 1:30 And the **angel** said to her, Fear not, Mary: for you have found favor with God.*

Here is a reference to a messenger angel. He is the one who brings messages from the Lord.

In personal experience, such angels are plain looking, in flowing robes, often bearing a scroll or ram's horn.

Warrior Angels

*Revelation 12:7 And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought with his **angels***

Here is a reference to Michael, the leader of the warrior angels. In personal experience, such angels carry swords, have eyes of fire and look very foreboding.

Apostle Les D. Crause does a full teaching on both Angels and Demons in the following books:

In context of every believer: The Way of Blessing

In context of the Prophetic Ministry: Prophetic Warfare

Both are available at www.ami-bookshop.com

Negative

*2 Corinthians 11:14 And no wonder; for Satan himself is disguised as an **angel of light**.*

This speaks of the enemy who appears as an angel of light; a deception. In personal experience, such angels do not reveal their faces and are very bright. They are accompanied by intense emotion and are very forceful.

Such an angel would try to get you to receive from them or open your heart to them. Doing so would open your heart wide to the enemy, giving him license in your life.

It is not common for a believer to have experiences with angels, unless they are operating in the gift of discerning of spirits.

Check all revelations of angels that you receive with someone who is more mature in Christ and will be able to judge the spirit for you. Also consider the following verse that warns against the worship of angels:

*Colossians 2:18 Let no man beguile you of your reward in a voluntary humility and worshipping of **angels**, intruding into those things which he has not seen, vainly puffed up by his fleshly mind,*

Although seeing angels in vision can give tremendous direction, it is not something that you should go looking for.

The New Age cult emphasizes angelic experiences, and you should be cautious of receiving from anyone that emphasizes their experiences with angels and does not share their relationship with the Lord Jesus.

Authorities

General Meaning

These are those people who are senior to you and have authority over you.

They may be represented by your parents, boss, pastor or any other figure who is set over you in an administrative or spiritual position.

Dreams

Positive

If you dream of an authority in a positive light, then it could indicate that your leadership is being accepted and that you are growing in that area.

It could mean that you are attaining to that level of leadership and authority in your spiritual walk.

If they are authorities from worldly circles, they could speak of archetypes and mindsets that control your thinking.

Negative

Dreaming of being in bondage to an authority would mean that you are under some form of oppression or attack.

Perhaps you are being controlled by influences not of God and been brought under the domination of something that is against the Word. It may also indicate that you are trying to dominate and impose your own will on others.

Visions

Positive

*Romans 13:1 Let every person be subject to higher **authorities**. For there is no authority except from God: those that exist are ordained by God.*

The highest authority is naturally the Lord Himself.

I will often see this depicted as an umbrella in the spirit. I will see someone with an umbrella above them with holes in it. Or I will perhaps see that they are not standing under the umbrella away from the storm.

When I see this I know that the Lord is saying that this person's authority is not covering them correctly. Secondly they are not under cover at all and are under attack.

As the Scripture says, all authority ultimately comes from the Lord.

Negative

To rebel against an authority that you personally know God has told you to be under, is tantamount to rebelling against the Lord Himself.

CHAPTER 03

Symbols Starting In

B

B

Baby

General Meaning

Babies have a twofold meaning. They represent being given a new responsibility. Secondly they speak of having trust, vulnerability and innocence.

In a negative light, they speak of immaturity.

Dreams

Positive

A baby speaks of a new life and a new aspect in your life and ministry. A baby boy often speaks of a teaching and leadership type of ministry, whereas a baby girl speaks of a more prophetic or creative emphasis in your ministry.

If you dream of a baby that suddenly matures beyond its age (for example it is a newborn that can walk already) this indicates that the new thing that has taken place in your life is going to mature fast.

If you dream of having twins, this speaks of having either a ministry or gaining a responsibility that is twofold or that has two different aspects to it.

The dream is indicating that you should nurture both aspects and not take one or the other.

If you dream that someone else you know hands you their baby, this could speak of that person giving you either their responsibility or ministry mandate.

This depends of course on what this person would represent in your dream. If they are an image to you of a ministry type, then it would speak of the Lord giving you this kind of ministry also.

If the person giving you the baby is a spiritual parent, then this would speak of them handing their mandate over to you.

If the person handing you the baby is someone that has a negative connotation in your life, then this would be negative and speak of you being put under pressure to take something you do not want or something that is not of the Lord.

Negative

If you dream that you lose your child or baby, it means that you have neglected and lost the promotion in the spiritual realm that God was giving you.

If you have been trusting God for something specific and dream that you lose a baby, it could mean that you have lost your faith or that a curse is causing that blessing to be lost.

If you dream of neglecting your baby, it means you have not been using your spiritual gifts.

If you dream that you are taking another person's baby, it means that you have taken on responsibilities that are not your own.

A baby and child also indicate that this spiritual gift is yet young in you. It means that you are yet immature in that calling.

Visions

Positive

Babies speak of a new life and also of trust. They speak of innocence and purity. They are not yet corrupted and have strong faith. This is why Jesus told us to be like little children. Children also speak of the blessing of the Lord.

If you see someone in the spirit with many children around them, it could be that the Lord is calling them to become spiritual parents. It can also indicate that the Lord has many blessings in store for them.

1 Peter 2:2 *As newborn **babies**, desire the sincere milk of the word, that you may grow by it*

Babies receive with innocence what they are fed and hunger for it. To see someone as a baby would indicate that the Lord wants them to receive without asking questions. To trust the Lord completely as Jesus explains in this passage:

Matthew 11:25 *At that [kairos] time Jesus answered and said, I thank you, O Father, Lord of heaven and earth, because you have hidden*

*these things from the wise and prudent, and have revealed them to **babies**.*

If you see someone you are ministering to as a baby in the arms of the Lord, the message is that the Lord wants them to rest in Him. To be a baby and to trust that He will care for them.

Negative

If you see a baby in the spirit, it could mean that the person you are ministering to is still a baby in their spiritual walk. If I am counseling a person and see them as a baby, this could also indicate hurts from the past that started at that age that need inner healing.

If you have a vision that is negative then it could also speak of birthing things that were not conceived by the Lord, but rather by the flesh or from the enemy.

Bake

General Meaning

A process of preparation mostly related to the Teaching Ministry.

Positive

To bake bread, means to prepare and make it ready for eating. In context of ministry the Lord could be indicating that you need to prepare for ministry so that you can give out to others.

The process of baking or actually cooking the food indicates that you will need to get involved to train others, or perhaps be trained yourself.

Raw dough would indicate a ministry or a person that is not yet mature.

To bake that dough would mean to prepare and make that person ready.

We saw this once in the spirit, where the Lord showed us dough and told us that we must go and shape and make His people ready!

*Psalms 104:15 And wine [that] makes glad the heart of man, [and] oil to make [his] face to shine, and **bread** [which] strengthens man's heart.*

Note: To prepare the dough, it needs to pass through the fire.

Negative

To leave something unbaked in a ministry context speaks of not following through with your ministry or giving up. It means that you have rejected what you need to do.

Consider this passage:

*Hosea 7:4 They [are] all adulterers, as an oven heated by the **baker**, [who] ceases from raising after he has kneaded the dough, until it be leavened.*

Birth

General Meaning:

If you are dreaming of giving birth, it means that there is something new that you are busy entering into in the spiritual realm.

Positive

To dream of giving birth means that the season of preparation that you have been in has come to an end and that you are now ready to walk in what God conceived in you.

If you have a ministry calling and dreamed previously that you were pregnant and then later dream that you are giving birth, this means that your season of training for that call is coming to an end.

*Galatians 4:19 My little children, of whom I travail in **birth** again until Christ be formed in you,*

If you dream that you give birth and it is painless, this is positive and means that whatever it is that God is giving you right now, you will enter into it easily.

If you dream that the labor is difficult, this means that whatever new thing that is coming into your life – you will need to work at it.

To dream that you did not know you were pregnant, but now are suddenly giving birth, also has a good interpretation.

It means that although you did not know it, the Lord had been doing a work in you behind the scenes and now you are ready to walk into it. Expect something new to open up in your life at the Lord's hand.

Negative

To dream that you give birth of a baby that is deformed is negative. This also goes for giving birth to anything that is unclean or not human.

This means that you have conceived something in your heart that is not of the Lord and has its roots in sin.

***Psalms 7:14** Behold, he is in labour with iniquity, and has conceived mischief, and given **birth** to falsehood.*

***James 1:15** Then when lust has **conceived**, it bears sin: and sin, when it is finished, bears death.*

To dream of giving birth prematurely and the baby dies is also negative. This means that you ran ahead of the Lord and did not wait until you had reached maturity.

See also: [Baby](#), [Child](#), [Pregnant](#)

Bride

General Meaning:

A call to a season of intimacy and innocence. To be drawn into an intimate relationship with the Lord. It is also a representation of the things that you have joined yourself to.

The wedding ceremony is a covenant ritual that symbolizes two people giving themselves completely to one another. In the Old Testament when two people performed a covenant ritual, they were saying, "All my strengths belong to you. All my possessions belong to you. Nothing I own belongs to me alone."

Keep this imagery in mind when considering both the Bride and Bridegroom as a symbol in your dreams and visions.

Dreams

Positive

Relevant for both Bride and Groom

The image of a bride is a picture of someone willingly entering into a covenant with someone else. We as the church are called the Bride of Christ. It represents purity, belonging and giving everything to the one you love.

*Ephesians 5:27 That he might present it to himself a **glorious church**, not having spot, or wrinkle, or any such thing; but that it should be holy and without blemish*

Bride

If you have a vision of being a bride, the Lord is calling you into an intimate relationship with Him. To put aside all your own striving and works and to let Him lead and be in control.

Negative

Relevant for both Bride and Groom

If you dream of being married to someone that you do not like, it could be an indication that you have 'joined yourself' to something that is not of the Lord.

It is worth mentioning that just because you dream of marrying someone is NOT an indication that you will really marry them. Keep in mind that the people and objects in your dreams are symbolic.

Visions

If you flow in intercession it is common to see the church as the Bride of Christ. We have often see her as a bride that was beaten and dirty. The Lord wanted us to pray that she would rise up and be healed from all the attacks of the enemy.

The Lord is also calling her to rise up and to be beautiful in His sight. For the church to be without spot or wrinkle means to bring her to a place of being fully in love with her Bridegroom. Only once she is perfected in love will she be without spot.

Here John the Baptist shares how the church will be the bride of Christ, but how he is simply the friend of the bridegroom, not yet having entered into the New Covenant that Jesus brought through His death.

*John 3:29 He that has the **bride** is the bridegroom: but the friend of the bridegroom, who stands and hears him, rejoices greatly because of the bridegroom's voice: my joy therefore is completed.*

Buildings

General Meaning:

Established works or visions in your life. Different buildings will represent different visions or ministries.

If you are dreaming of being in a building from your past, it is possible that hurts or what happened back there is being stirred up once again in your life. If you dream of the house you grew up in, it could indicate that you are either facing conflicts from the past or perhaps putting things from the past to rest.

Look up the subject of Healing Dreams in the Way of Dreams and Visions for more on this.

Office Buildings

An office building is where you work and speaks of your life in the workplace and world.

It is also a good picture of business and wealth. In the Old Testament such business was conducted at the city gate.

Positive

We have often seen a ribbon cutting ceremony in front a new building.

This is a picture of a new ministry or division of the ministry that the Lord has established in the spirit. If you are in intercession and see something like this, then the Lord is calling you to birth the new vision in the spirit. To release it through decree.

Negative

If you see a building being demolished, you need to decide if this is a good or a bad thing. At times a prophet will be called of the Lord to speak destruction on a work that is not of Him.

If you are a prophet you might see a building being built or torn down in the spirit. It is for you to speak that forth in the spirit.

*Jeremiah 1:10 See, I have this day set you over the nations and over the kingdoms, to root out, and to pull down, and to destroy, and to throw down, to **build**, and to plant.*

CHAPTER 04

Symbols Starting In

C

C

Cage

General Meaning:

To have your freedom taken away. A place of restriction and oppression.

Dreams

In interpreting a cage in an internal dream, I would not see a positive connotation to it unless your enemies were in that cage! In dreaming that you are in a cage or being held captive, it would represent your lack of freedom.

This would indicate that you are bound either by your circumstance, by your past or by some form of oppression. The enemy keeps you in bondage while the Lord gives freedom.

The mind can often be a cage in that it restricts you. Your analytical mind could be stopping your progress. A cage also represents fear, which could indicate being bound by a fear of the past that has been exposed again in your life.

In personal experience I have seen people in cages and the Lord has told me that they have put themselves in the cage. One such case was a woman who had a fear of opening herself up to the Lord. I saw her in a cage and the Lord being able to only pass small objects through it to her. The interpretation was that because she had closed off her heart to the Lord out of fear, He could only give her small blessings because of her restriction.

Visions

I could not find a positive connotation for a cage in Scripture either. A cage in an external dream or vision speaks of the deceit and devices of the enemy. It is a warning of a trap that has been set, or it is a word of knowledge that the person you are ministering to is in bondage.

*Jeremiah 5:26 For among my people are found wicked [men]: they lay wait, as he that sets snares; they set a **trap**, they catch men.*

*27 As a **cage** is full of birds, so [are] their houses full of deceit: therefore they are become great, and become rich.*

It is a place of evil and a place where the enemy and his evil works abound
Revelation 18:2 ...and the hold of every foul spirit, and a cage of every unclean and hateful bird.

Cake

General Meaning:

Provision for your desires and not only your needs.

Dreams

Positive

A cake speaks of fun, enjoyment and blessing. It speaks of receiving a gift and something that is enjoyable.

I remember once dreaming of walking into my home and my father had bought me a whole load of different cakes from a bakery. I can smell them now just thinking about it! It was a good dream and it spoke of the blessings and the gifts the Lord was giving me.

The different types of cakes, spoke of the different ways I would minister and the different blessings the Lord would give me. Not long after this dream the Lord moved me into the Teaching Ministry.

Negative

"To have your cake and eat it" is a negative saying that means you are trying to impose yourself and also be one better above your fellow brother or sister. This speaks of strife, contention and vainglory.

Dreaming of a cake that is not fully baked speaks of being 'half-baked' meaning that your commitment is lacking.

Visions

Positive

Cake in a vision or external dream speaks of provision. In the case of this passage by giving of her last cake the widow woman had provision for the rest of the drought. Perhaps the Lord has led you to give the little 'cake' or blessing you have away. If this be the case, rejoice, because it means that the Lord means to prosper you in return!

*1 Kings 17:13 And Elijah said to her, Fear not; go [and] do as you have said: but make me of it a little **cake** first, and bring [it] to me, and after make for you and for your son.*

Negative

To see a cake that is burned or gone hard on one side, due to not being turned has a bad connotation. It speaks of being having the life taken out of you. It also speaks of compromise as in the passage in Hosea. It speaks of mixing yourself with those things that are not of the Lord and because of it, your blessing has now become a curse.

*Hosea 7:8 Ephraim, he has mixed himself among the people; Ephraim is a **cake** not turned.*

Car

General Meaning:

A representation of your ministry.

Positive

Cars are by far the most common vehicle seen in dreams. In an internal dream, you might dream of an old car you once owned, or even of a car you desire to own.

A car from the past could represent the circumstances surrounding that time of your life. It could also refer to the 'old ministry functions' that you flowed in during that time of your life.

I remember a lady who shared once how she dreamed that she was trying to drive the car she had when she first got saved. The car was old and broken, but she was being pressured into driving it.

The interpretation was clear. She was being pressured to function in a ministry and spiritual capacity she had functioned in, in the past. But she had moved on since then and it was no longer appropriate. It was time for her to move on.

Dreaming of cars is common. You might dream that you receive a fast sports or racing car.

This means that the Lord is going to lead you into a different type of ministry that has a bigger realm of influence. It also indicates that this will be a fast move for you.

If you dream that someone else is driving your car, depending on the character driving your car, the interpretation could vary.

Your father or husband driving your car could mean that the Lord Jesus is in control of your ministry (depending on your relationship with your father or husband). This would have a good connotation.

Driving the car yourself could be good. It speaks of being in control and going in the right direction.

Negative

Someone driving your car that represents the flesh, pride or the world system would have a negative connotation. This would mean that something other than the Lord is in control of your ministry and spiritual life!

Different cars in your dream could represent different ministries.

Having your car stolen, taken over or stopped, speaks of your ministry being taken from you. This does not have a good connotation.

Now that you have a general idea, allow the Holy Spirit to define your dream or vision for you.

Cave

General Meaning:

A season of obscurity but also of intimacy with the Lord. In a negative sense, a cave is a picture of trying to escape the pressures of life.

Positive

Although it might not seem that a cave can be a positive place, it does speak of a place of being protected and hidden away. I remember the Lord giving me a vision once where he drew me to a cave.

The cave was empty except for me and Him. He said that here He would teach me everything that I needed for the next phase of my spiritual walk. For a season things would quiet down and I would not be involved with a lot of people, but that this was of Him.

It was indeed one of the most precious times of my life where I came to know the Lord Jesus face to face at a new level. It was a time where He brought the Scriptures to life for me and gave me a new impartation of his love.

So if you have a vision or dream of the Lord drawing you aside, this is a good thing. It speaks of a time of seclusion that is temporary. However it will be a time of much growth for you. Even Elijah experienced the still voice of the Lord in the cave.

1 Kings 19:9 And he came there to a cave, and lodged there; and, behold, the word of the LORD [Yahweh] [came] to him, and he said to him, What are you doing here, Elijah?

Prophetic Calling

Being drawn into this relationship with Jesus is an essential phase of prophetic training. If you feel that you are called to be a prophet, this will be the best part of your training. I suggest you get your hands on the Practical Prophetic Ministry book at www.ami-bookshop.com for further training.

Negative

It has been our experience in personal ministry to often see someone we pray for tied to a cave wall. This indicates that they have hidden themselves away from the real world, usually because of hurts in the past. I speak more of this under the symbol "[Bars](#)"

It also speaks of a place of hiding away from the stress and the pressures that are surrounding you. The only way to overcome is to step out in the name of Jesus and to overcome.

1 Samuel 13:6 When the men of Israel saw that they were in a strait, (for the people were distressed,) then the people hid themselves in caves, and in thickets, and in rocks, and in high places, and in pits.

Curtain

General Meaning:

This is the same as the word Veil used in Scriptures. A curtain speaks of things that are hidden. Going behind the veil speaks of entering into an intimate relationship with the Lord.

Positive

Often the Lord hides things from us until we are ready to see them. Often in the spirit as I prayed I saw a curtain in front of a door where the Lord said that He would soon reveal something He has been preparing for me.

This is something to look forward to and a blessing of promise.

The curtains in the Old Testament concealed the glory of the Lord. Going behind a curtain speaks of entering into intimacy with the Lord.

Negative

Hiding your heart behind a curtain speaks of putting on masks to hide your real self. Often when people have faced difficult things in life, they hide their heart and feelings from others to protect themselves. Unfortunately these are curtains that prevent them from entering into the presence of God.

They are then stuck on the other side of the curtain and struggle to sense the Lord's presence. The only solution is to allow the Lord to bring healing to the past and to deal with any bitterness that remains.

Often when I have prayed for others I have seen bitterness in their lives as curtains around their hearts. Before they can be healed or enter into a intimate relationship with the Lord, these curtains/veils need to be lifted.

*2 Corinthians 3:14 But their minds were blinded: for until this day the same **veil** remains untaken away in the reading of the old testament; which [veil] is done away in Christ.*

Daughter

Dreams

In an internal dream, your daughter speaks of the things you have borne in the spirit. In other words they can speak of your ministry. They could also speak of the positive forces of the spirit i.e. faith, hope and love.

My daughters have always represented my love and my faith in my dreams. Identify your relationship with your daughter and you will discover what they represent in your dreams. Whether positive, meaning the forces of the spirit, or negative, meaning the works of the flesh, your children will be symbolic of the relationships you have with them in real life.

Visions

If you see the daughter of someone you are ministering with in vision, the Lord could be indicating that their daughter needs ministry or that their daughter is directly involved in the problem that you are busy ministering to in them.

If you dream of giving birth to a daughter, **See also:** [Birth](#), [Child](#)

Diamonds

General Meaning:

Diamonds speak of favor and to receive one speaks of receiving an undeserved gift. It is also a picture of wealth and royalty.

Dreams

Because diamonds hold a particular meaning for most cultures, you need to identify what they mean to you in your dreams. Often diamonds speak of marriage. Other times they speak of having renown and favor.

Visions

The diamond is very hard and when used in the passage below means literally "set in stone"

*Jeremiah 17:1 The sin of Judah [is] written with a pen of iron, [and] with the point of a **Diamonds**: [it is] graven upon the table of their heart, and upon the horns of your altars*

Receiving a diamond or precious stone speaks of receiving a gift and favor from the Lord. It also speaks of the work we do for the Lord:

*1 Corinthians 3:12 Now if any man builds upon this foundation gold, silver, **precious stones**, wood, hay, stubble;*

This passage speaks of the things we build on the foundation that we have received, which is Jesus Christ. When we do things with faith, hope and love and in obedience to the Lord then we are building with gold, silver and precious stones.

However if you walk in bitterness, strife or vainglory or other things of the flesh, then you are building wood, hay and stubble, which the Scriptures say will be burned up.

This is a test of the heart. It does not only speak of the work you do for the Lord, but the motivation and the heart you do it with.

See also: [Jewelry](#)

Disease

Disease is never a positive picture. It speaks of sin, being unclean and of contamination. It also speaks of being under a curse as this Scripture indicates:

Deuteronomy 28:60 Moreover he will bring upon you all the diseases of Egypt, which you were afraid of; and they will cleave to you.

Speaking of sin and the flesh:

Leviticus 13:46 All the days in which the plague [will be] in him he will be defiled; he [is] unclean: he will dwell alone; without the camp [will] his habitation [be]

Door

General Meaning:

A new direction in your life or one that has passed. A gate, path, door or fence opening all speak of either a new direction in your life or one that has passed. I often see a door or gate in the spirit when I am releasing someone into something new in their lives.

It often speaks of a new plan that the Lord has for them. Perhaps someone has been trusting the Lord for a new job or hoping to move house. If I see an open door before them, it means that the way is clear before them. If I see a closed door, it either means that we need to pray and open the door, or that something is blocking them. The same refers to a path or to a gate.

I might see a blockage in the road that needs removing, or the Lord could be saying "not now, I have put this blockage here for a reason". Once again it takes a bit of discernment and a look at the person's current condition. Let's look at a few typical scenarios here:

Positive

I see a door, gate or a new path in the spirit most often when I am releasing an individual into their ministry or releasing them into something new. When I have imparted gifts or confirmed a calling in a person's life, then the Lord often shows me a new door that he has for them. This door refers to a new plan, with a new set of circumstances.

This often also involves closing off the doors to the past. At this point the Holy Spirit requires that they commit entirely to this new plan and allow Him to 'burn their bridges' of the past and close all past doors.

Referring to a new direction for ministry:

*1 Corinthians 16:9 because a great **door** for effective work has opened to me, and there are many who oppose me.(NIV)*

*2 Corinthians 2:12 Now when I went to Troas to preach the gospel of Christ and found that the Lord had opened a **door** for me,(NIV)*

If you see a closed door, then the Lord means for you to open it in the spirit:

*Revelation 3:8 I know your deeds. See, I have placed before you an open **door** that no one can shut. I know that you have little strength, yet you have kept my word and have not denied my name.(NIV)*

Negative

Most negative doors I see in the spirit refer to an open door to the demonic realm. When I see an open door and darkness behind it, or a demon coming out of it, I know that a person has an 'open door' in their lives.

In other words they have given the enemy license to mess in their lives because of personal sin, generational sin or sin by association. I do not close this door on the person's behalf.

It is vital to remember that you cannot forgive sins that are unto death. In other words, if the person in question opened the door, then it is up to them to repent and shut it.

In a nutshell apply: James 4:7 Submit yourselves therefore to God. Resist the devil, and he will flee from you.

Submit to the Lord, confess your sin and then close that door and tell Satan to leave!

Speaking of walking a life of sin (thus giving the enemy license in your life) *Proverbs 4:14 Enter not into the path of the wicked, and do not walk in the way of evil [men].*

In reference to giving license to the enemy: *Ephesians 4:26 Be angry, but do not sin: do not let the sun set on your anger: 27 Neither give licence to the devil.*

Dragon

General Meaning

A picture high level demonic attack

Dreams

Negative

Because Dragons are mythological in nature, if you keep dreaming of dragons, it could mean that you have been getting into writings of this nature.

Visions

Negative

The devil is mentioned as a dragon in Scripture, so if you see a vision of a dragon, this speaks of high level demonic attack.

Revelation 12:9 And the great dragon was cast out, that old serpent, called the devil, and Satan, who deceives the whole world: he was cast out into the earth, and his angels were cast out with him.

If you always have visions of dragons and other such folklore, then I would say that you have opened up your heart to teachings and fables that are not of the Lord.

You have contaminated your spirit and given the enemy a hold of your life.

E

Eagle

General Meaning:

A picture of the Holy Spirit and His ability to protect us and do warfare on our behalf.

Dreams

Positive

There are so many positive connotations for the eagle, that you might have many of your own in addition to this book.

My favorite is a personal revelation the Holy Spirit gave me concerning hiding in the shadow of His wings.

I saw myself standing alone, facing the many attacks and pressures that I am used to facing daily. Then I saw a huge eagle come and stand behind me and extend its wings. As it stood behind me, I was covered by its shadow.

When I stood alone, I looked very small when others looked at me. But when that eagle was behind me, the size of His very shadow made them stop dead in their tracks!

Alone I was helpless, but as I stood in His shadow, they saw His magnificence, and so I was protected!

*Psalms 63:7 Because you have been my help, therefore in the **shadow of your wings** I will rejoice.*

Here is another passage that describes the Lord as an eagle:

*Deuteronomy 32:11 As an **eagle** stirs up her nest, flutters over her young, spreads abroad her wings, takes them, bears them on her wings:*

Negative

In a negative light, an eagle can also speak of destruction. The eagle is a bird of prey, and it tears that prey apart with its powerful beak and claws.

Here is a passage that indicates that an eagle in a vision or external dream, can indicate destruction and an attack from the enemy:

Habakkuk 1:8 ...and their horsemen shall come from far; they shall fly as the eagle [that] has to eat.

See also: [Birds](#), [Dove](#)

Ears

General Meaning:

To have understanding. Also speaks of your ability to hear the voice of God.

Positive

Ears speak of receiving into your spirit, the truth of the Lord. To hear with your ears in Scripture means to have understanding.

Luke speaks of the ability to understand in this passage:

*Luke 9:44 Let these sayings sink down into your **ears**: for the Son of man shall be delivered into the hands of men.*

Negative

To see blocked ears or ears that cannot hear, means that the person in question has no understanding of the truth.

Often in Scripture you will read how the Lord said, "Having 2ears, they did not hear..." speaking of the people's inability to understand His instruction and parables.

That exact meaning is clarified here:

*Acts 7:51 You stiffnecked and uncircumcised in heart and **ears**, you do always resist the Holy Spirit: as your fathers [did], so [do] you.*

F

Father

General Meaning:

A picture of masculinity, strength and authority. Often a picture of God the Father.

Dreams

Assess your relationship with your father before deciding on what he represents in your dream.

If you have a negative relationship, he might speak of the enemy in your life. He might speak of your failures, weaknesses, pain, hurt or conflict.

More often than not, I have found that a father figure represents God the Father in an internal or internal prophetic dream.

Visions

Positive

A father is the perfect picture of masculinity and authority.

Seeing a person's father could be positive. He could represent the kind of image they will become.

You might see a father figure to speak healing with regards to any broken relationship. The Lord might be leading you to speak forth a restoration into the lives of those involved.

Here is a passage that speaks positively about taking on the father's image:

Luke 2:49 And he said to them, How is it that you sought me? Did you not know that I must be about my Father's business?

Negative

It is common for me to see a person's father when I pray for them.

Sometimes it means that there is a generational curse coming from their father.

If this is the case, I often see an umbilical cord or chains coming from their father to them. This also applies to a mother figure.

Seeing a person's father could also indicate past hurts he inflicted or any bondage or control coming from him.

Once again, the same principle can apply to 'Mother'.

Speaking of generational bondage from the line of the father:

*1 Kings 15:3 And he walked in all the sins of his **father**, which he had done before him: and his heart was not perfect with the LORD [Yahweh] his God, as the heart of David his father.*

Field

General Meaning:

A symbol of potential and opportunity.

A field, particularly one that is fertile, speaks of possibilities and opportunities that await you. However it also indicates that some action is needed on your part.

A field does not product fruit by itself. It requires someone to work it.

Positive

A Fertile Field

Seeing a vision of a fertile field speaks of a new opportunity the Lord is putting before you. It is for you then to work and to sow the seeds in this direction.

This can relate to either business or ministry. The Lord will bring the rain and cause the seeds to grow, but unless you plant, you will not see any fruit.

Just because you see a field in the spirit, it does not mean that you will automatically walk in blessing. God is showing you, that He will give the opportunity, but now you must work and make the most of it.

*Psalms 107:37 And sow the **fields**, and plant vineyards, which may yield fruits of increase.*

A Field With a Harvest

If you see a field that is full of wheat and ready to be harvested, the Lord is telling you that ministry opportunities are awaiting you.

It is for you to step forward in faith now. The Lord will back you up with the anointing, but He is waiting for you to get moving and to do something first.

Negative

Weeds

Often as I have been in intercession for the ministry, I have seen a field that is mixed with weeds and with good seeds as well.

When I see this I know that the Lord is saying that there are some people in the ministry who have come to bring death and destruction.

In a situation like this I pray that the Lord will separate the tares from the wheat. In every case, not long afterwards, the Lord exposes those who have come to bring division.

If you cover a minister in intercession this is something you might see often.

Matthew 13:38 The field is the world; the good seed are the children of the kingdom; but the tares are the children of the wicked [one];

Dry Ground

To see a field with dry ground speaks of the lack of anointing in your life. It needs the rivers of living water that only the Holy Spirit can bring.

Isaiah 44:3 For I will pour water upon him that is thirsty, and floods upon the dry ground: I will pour my spirit upon your seed, and my blessing upon your offspring:

Food

General Meaning

What you need to survive both spiritually and physically.

Positive

To dream or have a vision of being fed speaks of the Lord providing your needs. This may speak of a spiritual or physical need. Consider Elijah after he felt weak in the desert who was fed by an angel.

*1 Kings 19: 6 And he looked, and, behold, [there was] a **cake** baked on the coals, and a cruse of water at his head. And he **ate and drank**, and laid himself down again*

7 And the angel of the LORD [Yahweh] came again the second time, and touched him, and said, Arise [and] eat; because the journey [is] too great for you.

This is a beautiful picture of the grace and provision of the Lord. When you come to those places in your life where you feel alone and weary, He will come and sustain you.

To dream of being fed means that the Lord is going to revive you again. He is going to restore the strength to you that the enemy has stolen and He is going to make you fit for the rest of your journey.

After Elijah had eaten this food, the scripture says that he continued on 40 days and nights without any food again! It does not take a lot to revive your spirit. Simply some time in His presence and you can keep going.

It does not take a lot for the Lord to move His hand on your behalf. Just one move and all of your needs can be taken care of.

Negative

Naturally rotten food speaks of not taking advantage of the blessing that God has for you. It also speaks of a curse of theft prevalent in your life.

In the days of receiving manna, if the children of Israel gathered too much or did not eat what they gathered it went rotten. In the same way, the opportunities and blessings God gives you are for now. Take hold of them

Lack of food speaks of not feeding your spirit or of not walking in the blessing of the Lord. The Word promises us that God will provide all our needs. To not have these needs met means that the enemy is stealing from you.

Fountain

General Meaning

A fountain is a picture of the things that come out of your spirit. You release what is inside of your spirit through words or actions. Depending on what comes out is a picture of what is really in your heart.

Positive

A fountain that is clean and pure means that you are full of the life of Christ. You are a blessing to God's people and the Lord can use you to minister.

Proverbs 18:4 The words of a man's mouth [are like] deep waters, a fountain of wisdom that gushes forth like a brook.

If you have a dream or vision of drinking from a clean fountain, it is a picture that wherever you are receiving your ministry from at the moment is where God wants you to be. You are receiving life and good teaching.

Negative

On the other side though, if the water is dirty, then the Lord is warning you that the teaching and impartation you are receiving is contaminated.

If the fountain is dirty or bitter, it is a picture that there is something wrong in your life. Your spirit is contaminated with bitterness, and bad teaching and spiritual impartations.

If you tend to travel around just receiving from anyone, it is quite possible that you have received a curse along the way.

If you still hold bitterness in your heart towards anyone, this is contaminating your spirit! Not only is it holding you back from entering into an intimate relationship with the Lord, but it will contaminate others you try to minister to.

Dreaming or seeing a vision of a dirty foundation is a warning to you. You need to deal with the things that are contaminating your spirit.

Fruit

General Meaning:

Ripe fruit is a picture of maturity.

Fruit also speaks of prosperity and nourishment. It is a lovely picture of partaking of the blessings of the Lord.

In addition it is a picture of the fruition of the things that you have worked so hard at. This fruit can be both good or bad, depending on the work.

Positive

Spiritual Maturity

*Galatians 5:22 But the **fruit** of the **spirit** is [agape] love, joy, peace, patient endurance, kindness, goodness, faith,*

Seeing tasty fruit speaks of spiritual maturity and the final stage of a good season.

Reward of Your Hard Work

Seeing fruit on a tree is a picture of your reward for all your labor. As you have worked hard and pushed through the winter and storms, you are now at a place where you are ready to reap the fruit of all your work.

Seeing whole fruit is an indication that you have reached your destination and completed your task.

I have often seen fruit on trees where the Lord has told me to enjoy the fruits of my labor.

*Proverbs 31:31 Give her of the **fruit** of her hands; and let her own works praise her in the gates.*

The Condition of Your Spirit

What you put into your spirit will always bear fruit. If that fruit is good, it is a reflection of walking in the spirit and doing things God's way.

What comes out of your mouth is what you have put in.

*Proverbs 12:14 A man will be satisfied with good by the **fruit** of [his] mouth: and the reward of a man's hands will be rendered to him.*

Your Disciples and Children

*Psalms 127:3 Lo, children [are] a heritage of the LORD [Yahweh]: [and] the **fruit** of the womb [is his] reward.*

If ever you want to know what is inside a person, simply take a look at their kids and disciples. What they try to hide, those that received from them will not.

Our children and disciples are a picture of the 'fruit that remains' that John speaks about in John 15:16

Negative

Rotten fruit speaks of a curse in your life. Even though you worked hard, now when it comes to reaping, it seems as though everything is stolen from you.

This is a very good picture of a spirit of theft manifesting in your life. There is good news though! You can overcome this work of the enemy. And the Lord will restore to you all that the locust has stolen.

*Luke 6:44 For every tree is known by his own **fruit**. For of thorns men do not gather figs, nor of a bramble bush gather they grapes.*

If you see a picture of rotten fruit with regards to others, it means that there is a contamination in their spirits and to be wary of receiving from them.

Gate

General Meaning:

A new season that is either spiritual or relating to business.

Spiritual:

*Isaiah 45:1 ...and I will loose the loins of kings, to open before him the two leaved **gates**; and the **gates** will not be shut;*

Business:

*Proverbs 31:23 Her husband is known in the **gates**, where he sits among the elders of the land.*

Positive

To see a new gate in a dream or vision is a picture of a new season in your life. Depending on the kind of gate, you will have a clearer picture on the kind of season that the Lord is taking you into.

It represents the start of something new, but also the end of something as well. To go through a gate means to leave the old behind. (Much like the picture of a door) With a gate though, the picture speaks more of not just a single opportunity but a change in your life as a whole.

I see gates often in the spirit and will share a bit of my own experience to help you identify what God is showing you.

Golden Gate

I often see the gates as golden in my visions and they are a picture of a new season in my ministry. A clear ministry road. Usually the gate or road ahead is bigger or quite different to the one before.

Gold is a picture of the deity of God and a good picture of ministry. This speaks of a new focus and season in ministry. The birth of a new ministry vision.

Silver Gate

Silver is a picture of our redemption in Christ as well as a good symbol for money. A silver gate represents a new season in your business and work place.

Double Door Gate

I have seen this often relating to couples. How each are going through the same gate but each have their own aspect to add to the vision that God is giving them.

Garden Gate

This speaks of a season of joy and rest. I have seen the Lord lead someone through a garden gate into a garden to tend. This speaks of a season of training but in a secure and pleasant environment.

Desert Gate

There are times that I have seen the Lord lead someone to a gate where there is a desert or wilderness on the other side. When this happens, I know that he is leading this person into a season of ministry training.

Jesus Himself was led to the wilderness before his ministry took off and this is valid for us still today.

Negative

Gate of the City

When the gate is from the enemy to lock us in, then it is not positive. However as in the case with Samson, he simply picked the city gate up and carried it up the hill!

In the same way if you see a gate that is locking you in, it is for you to stand in the name of the Lord Jesus and to come against it!

Grapes

General Meaning:

A picture of prosperity and abundance.

Positive

Grapes were always used in scripture as a picture of God's prosperity. When

the spies went into the Promised Land, they brought back a huge bunch of grapes to show the fertility of the land and its treasures. (Num 13:24)

Grapes are only as good as the soil they are grown in. If the soil is good, then the fruit will be good as well.

To dream of ripe grapes means that your spiritual life is in order and that the fruit of your spirit is good.

It also means that your feet are planted in the right place now and that the Lord is going to bless you in this land that He has given you. This can speak of your ministry or of your business and financial land.

Negative

On the other hand, sour grapes have a number of meanings. Firstly it means that what is coming out of you is not pleasant.

It means that the land that you are in right now (be it spiritual or natural) is not right and it is producing sour grapes.

*Jeremiah 31:30 But every one will die for his own iniquity: every man that eats the sour **grape**, his teeth will be set on edge.*

Although you were expecting prosperity or blessing, you are getting quite the opposite.

This is a warning dream or vision and the Lord is telling you that where you are right now in your spiritual life is not good. There is contamination present through sin.

*Deuteronomy 32:32 For their vine [is] of the vine of Sodom, and of the fields of Gomorrah: their **grapes** [are] **grapes** of gall, their clusters [are] bitter:*

H

H

Hair

General Meaning

Hair is a good picture of the image we present to the world. It is amazing how much a person's looks change simply by changing their hair.

Dreams

Positive

To dream that you are changing your hair is an indication that you are going through a change in your personal image.

How you feel about this change in your dream will tell you if you are in conflict about this change or if you feel ready for it.

To dream of having beautiful hair that you enjoy having means that you are feeling confident in who you are.

Negative

To dream that your hair is damaged, ruined or destroyed is a picture of a conflict you are going through.

It could be that you are feeling insecure about your image at the moment. It could also be an indication of some insecurity that is coming up inside of you.

Perhaps there are circumstances in your life that are bringing up old conflicts from the past, or situations where you are at a point of weakness and you feel vulnerable.

Visions

Positive

A woman's hair is a picture of her covering. This speaks firstly of her husband, and then of any other spiritual covering that she is under.

If you have a vision or prophetic dream of your hair growing, it speaks of the blessing you will walk in as you come under the covering of your husband or spiritual authority.

*1 Corinthians 11:15 But if a woman has long hair, it is a honor to her: for her **hair** is given to her for a covering.*

Negative

It was shameful for a man to have long hair in the Bible. He was seen as rejecting his masculinity. The same stigma remains even into today's society.

To have a prophetic dream or vision of having long hair, is an indication that you are failing to rise up as the head of your home.

*1 Corinthians 11:14 Does not even nature itself teach you that if a man has long **hair** it is a shame to him?*

As hair is also a picture of spiritual covering, if you as a man dream that you lose your hair, it is a picture of not being under authority.

Harvest

General Meaning:

Reaping the financial and spiritual fruits of your hard labor.

Positive

A harvest does not appear overnight. It is something that only comes to pass after you have worked hard and then allowed the Lord to do His part as well.

You sow the seeds and fertilizer and it is the Lord that brings the rain. If you work God's way, then you can expect a great harvest.

Although the sign of a harvest is positive proof of a great reward, it speaks again of hard work. To reap the harvest is heavy labor, but it is enjoyable labor.

In most cultures this is a time of celebration and joy. So a harvest represents working hard but enjoying that work that will complete the reward that the Lord has given to you!

*Mark 4:29 But when the fruit is brought forth, immediately he puts in the sickle, because the **harvest** has arrived.*

If you seek the Lord putting a sickle in your hand, then He is saying that the harvest is ready!

In ministry, a harvest is also a picture of reaching the lost for the Lord and bringing them into the Kingdom.

*John 4:35 Do you not say, There are still four months, and [then] comes **harvest**? behold, I say to you, Lift up your eyes, and look on the fields; for they are white already for **harvest**.*

Negative

When weeds are in your harvest, it means that you did not work according to God's plan or that the enemy got in somewhere to bring division. (Matt 13:30)

If the harvest is poor or weak, this is also an indication of the attack of the enemy and a spirit of destruction.

Honey

General Meaning

Honey speaks of the sweetness of the Lord, richness, abundance, prosperity and luxury.

The Lord spoke many promises of giving honey. It was considered a food of luxury and wealth. If you were wealthy in those days, you ate honey! It was a delicacy and something to be sought after.

Positive

I have often seen honey in the spirit. I remember one time the Lord saying to me, "Open your mouth wide and I will fill it."

Then as I did it, I saw Him fill it with this rich, thick honey that poured into my throat.

As I drank it in, He told me that I was to consume His word this way; that He was going to fill me with his anointing and with his goodness.

The Lord's nature and presence is often likened to honey. It is a picture of His sweetness and beauty. Honey has some wonderful meanings if you take a look in the Word.

Honey is also a picture of knowledge and wisdom (Prov 24:14)

Speaking of Blessing and Prosperity

*Numbers 13:27 And they told him, and said, We came to the land where you sent us, and surely it flows with milk and **honey**; and this [is] the fruit of it.*

Speaking of the Lord's Nature

*Song of Solomon 4:11 Your lips, O [my] bride, drop [as] the honeycomb: **honey** and milk [are] under your tongue; and the fragrance of your garments [is] like the smell of Lebanon.*

Negative

In the book of revelation a prophet was made to eat a scroll that tasted of honey but was bitter in the stomach. (Rev 10:10)

The Lord told me once that this represented the world; that those who sought after the world and did not know Him chased after everything they thought was fun and exciting.

They sought things that tasted sweet in the mouth (satisfied the flesh). While they were tasting of the world and going to all the clubs, bars and places of sin, they tasted honey in their mouths.

Every time they sinned, it tasted good to them for that moment. But when they went home, then that same honey was bitter in their hearts.

The sin and the offer of the world tasted like honey for but a moment, but left behind a bitterness, emptiness and void deep within.

This is why they kept looking for that taste of honey. They tasted the false, but we have the real honey to give them that never runs dry or makes you bitter. It is Jesus Christ, whose touch is rich and sweet!

Idol

The object of your worship. Things that have the place of honor in your life.

Negative

I think we can both agree that there is no place for a positive interpretation for an idol in our lives. The only time an idol would be positive is if you saw it being broken down.

An idol in a dream or a vision is a representation of something that is taking your time, affection and worship.

As we know the scriptures are clear on having any idols before the Lord. The Lord alone should have this place in your life.

If you have a vision of an idol while praying for a ministry or church, then the Lord is saying that they are putting other things before Him.

People

Often people that are close to you can become an idol in your life. You begin to seek their affection and their direction for your life more than the Lord's. Although the Lord will always use man to speak to you, at the end of the day, it is God that you should worship.

Unfortunately in a church age of 'super leaders' there are many that turn the attention away from the Lord and onto them and 'their gifts.' It was unacceptable for the Children of Israel and it is still unacceptable in the church.

Golden Calf

To see a golden calf in the spirit speaks of heresy and doctrine that is not of God.

The Work of Your Hands

Often the things you have accomplished and done with your own works becomes more important than what the Lord wants you to do. Often when

these things take priority in your life, the Lord will ask you to sacrifice them just like He asked Abraham to sacrifice Isaac.

Acts 7:41 And they made a calf in those days, and offered sacrifice to the idol, and rejoiced in the works of their own hands.

Insects

General Meaning:

In a prophetic dream or a vision where the connotation is negative, various insects can speak of:

- Destruction, an attack from the enemy.
- Negative words spoken against you.
- Things that are an annoyance.
- Things that bring fear.
- A spirit of destruction (as in the ointment that was spoiled).
- The presence of Satan himself, displayed as the Lord of the Flies.

Dreams

Positive

It is important to remember that insects can mean different things to different people. Apply the principles in the Way of Dreams and Visions book for all internal dreams, and ask yourself this question:

What does this insect mean to ME (or to the person who had the dream)?

It is very seldom that insects would be positive. However you might dream that you are crushing insects. Or perhaps you are overcoming them in a dream, where you are the main character.

This would be positive! It would mean that you are overcoming something negative in your life.

A lady bug is an insect that pollinates fruit and is a good picture of something that is being used of God to assist you in bringing fruitfulness in your life.

I shared an illustration in the Dreams and Visions book of a lady who had a fear of spiders. She had a dream where she was crushing them. Spiders represented fear in her dreams. By dreaming that she was crushing them, it spoke of how she was overcoming fear in her life!

So ask yourself, "How do I feel about this insect in real life? Does it bring fear? It is just an annoyance? It is a pet? Does it provide a benefit? (like a bee that provides honey)."

You decide and apply it then to your internal dream.

Negative

Once again, what does the insect mean to you? If you dream of having insects swarming you, this is not likely a good dream!

It could speak of things annoying you that are overpowering you in real life. It might speak of fears that are assailing you, or problems that are getting too much.

I grew up having some horrible experiences with cockroaches. To this day they give me the creeps even more than spiders! Although they clearly speak of the work of the enemy in visions, in my case dreaming of a cockroach would likely speak of my inner fears or things that I would rather avoid.

Do you see how important it is to identify the symbols in an internal dream?

Visions

Positive

There are some positive references to insects in Scripture. For example locusts were something that the Israelites were allowed to eat. (Leviticus 11:22)

There is another passage that speaks of how Samson was given honey from some bees that had made their home in the carcass of a lion. (Judges 14:8)

Then again let us not forget the plague:

*Exodus 10:14 And the **locusts** went up over all the land of Egypt, and rested in all the coasts of Egypt: very grievous [were they]; before them there were no such locusts as they, neither after them shall be such.*

So my conclusion is this: If your vision or prophetic dream has a positive connotation, then the insects would speak of something that provides sustenance.

It speaks of spiritual food, or the Lord providing for your basic needs.

However, the Lord also sent a plague of insects on Egypt to deliver His people. So in this case, seeing a plague of insects in a positive light could speak of the Lord sending judgment on the system of the world to bring blessing to His people.

Negative

In general insects are unclean in scripture and speak of the work of the enemy. I often see insects in the spirit when praying for healing. When I see them I know that I am dealing with a spirit of infirmity.

Bees.

David spoke about a swarm of bees that stung like thorns.

Then the enemy of the Israelites was referred to as a swarm of bees. (Deut 1:44)

Flies

Flies specifically always have a negative connotation. They are often tied in with Satan himself, being known as the Beelzebub, Lord of the flies.

On a personal note, in the spirit when I have seen Beelzebub, the Lord of the Flies, the vision has often represented things that relate to the New Age cult.

When I have given personal ministry and seen this demon, after questioning the person it turns out they had some New Age involvement.

I do not encourage you to get 'hung up' on demons, but if you do come across this in personal ministry, you know what it is and how to deal with it.

Remember, the enemy CANNOT attack you, unless he has been given license through sin. The book the Way of Blessing is a powerful resource to understanding this better.

Leviticus 11:43 You will not make yourselves abominable with any creeping thing that creeps, neither will you make yourselves unclean with them, that you should be defiled by it.

Cockroaches.

These are loathsome creatures that scurry in the dark and feed in dirt. If you

see cockroaches in the spirit then you know that the enemy has gained license to your life. Because of their nature they are a good representation of small sins that have crept into your life.

The good news is, that just as they are easy to squash in the natural, so can you easily take authority over any work of the enemy in the spirit.

Jewelry

General Meaning:

All over the world, Jewelry has the same appeal. It speaks of beauty, wealth, blessing and favor.

It also represents the image you portray to the world.

Dreams

Positive

Knowledge is also considered a jewel in Scripture.

*Proverbs 20:15 There is gold, and a multitude of rubies: but the lips of knowledge [are] a precious **jewel**.*

Negative

In a negative light however, a jewel in a pig's nose is not a positive picture!

*Proverbs 11:22 [As] a **jewel** of gold in a swine's snout, [so is] a fair woman who is without discretion.*

I have covered various pieces of jewelry and jewel stones under their own headings.

Visions

Positive

I have often seen various jewels in the spirit. Once I saw a person working a field, and in it were various jewels of great value.

The Lord told them, that as they just continue with the work that He had for them, that they would discover many things of great value along the way.

This spoke of natural as well as spiritual blessings.

I have also seen someone walking along a road and discovering different jewels at specific places along the way.

The Lord said that the treasures that they are looking for would be found as they continue on the road that He had for them.

Key

General Meaning

A key speaks of license, authority and calling. Every believer has been given a key to salvation.

When you became born again, you were given the name of Jesus to use against the enemy. You were given the license to loose and to bind.

I often see keys in the spirit.

We see a golden key when releasing a person into prophetic training, and a large jewel encrusted key when releasing someone into the apostolic.

We see a brass key when releasing someone into the Teaching Ministry. Either way the key represents your authority. Some are given prophetic, apostolic and teaching authority depending on their calling.

When you see a closed door or gate in the spirit, the Lord will be saying to you, "Take the key (authority) I have given you and open this door!"

This is especially relevant in the Prophetic Ministry, where the prophet builds up, tears down, opens doors of blessing and cursing, restricts and looses on behalf of others.

Referring to the Authority to Loose and to Bind

*Matthew 16:19 And I will give to you the **keys** of the kingdom of heaven: and whatever you shall bind on earth shall be bound in heaven: and whatever you shall loose on earth shall be loosed in heaven.*

Referring to Jesus and His Authority and Kingship.

*Isaiah 22:22 And the **key** of the house of David will I lay upon his shoulder; so he shall open, and none shall shut; and he shall shut, and none shall open.*

Legs

General Meaning:

Your ability to sustain and strengthen yourself through your own will.

Positive

Before the days of airplanes and cars, your best bet was to find yourself a healthy horse or if you could not afford it, your legs just had to do!

Your legs speak of your ability to get yourself from one place to another. Your very will to push ahead. As humans we continually strive forward.

This scripture could not said it any better:

*Psalms 147:10 He delights not in the strength of the horse: he takes not pleasure in the **legs** of a man.*

When this ability is submitted to the Lord, we are able to run the race (Heb 12:1) that He has set before us. However when you leave the Lord out of it, you will find yourself becoming tripped up.

If you dream of your legs being strengthened, it means that the Lord is going to strengthen your ability to get the job done! He has set a race before you and He intends for you to win it, but with His help!

Negative

Only those that have been through it understand the concept of a “leg-breaking” experience. In training the prophets, we try to familiarize them with it as soon as possible. It is a process where the Lord continually tries to bring a certain area to death in you.

The Leg-Breaking Experience

However as you continue to push through on your own and try to do things your own way, you end up like these two poor fellows:

*John 19:32 Then the soldiers came, and **broke the legs** of the first, and of the other one who was crucified with him.*

You will note that Jesus legs were not broken. He knew when to yield and He gave up His spirit willingly. If you dream that your legs are being broken, it means that the Lord is going to bring your will to complete death

The pressure will come from circumstances and the world, just as the Roman soldiers were the ones to break the legs of the thieves.

Lame Legs

To be lame means that your will has been taken away from you. You have given up on life and you do not try to push forward any longer. This is quite negative and is a very good picture of someone who has fallen into depression.

*Proverbs 26:7 The **legs of the lame** are of no use: so [is] a parable in the mouth of fools.*

Jesus took time during His ministry to heal the lame and is still doing it today. No matter how weak you feel or how much has been taken from you, the Lord is here to restore you to full strength!

Make-up

General Meaning:

The image that you intentionally present to the world.

Positive

As a woman, dreaming of wearing beautiful make-up speaks of reflecting the beauty on the outside that you already have on the inside.

Make-up is also clearly a feminine thing and if you are not one to wear make-up and dream that you are, the Lord is trying to tell you that it is time to let out some of your femininity.

If you dream that you are wearing make-up that you do not usually wear, then the Lord is saying that it is time to change the way that you present yourself to the world.

Negative

Stripped

If you dream that your make-up has been removed, it means that you have lost your self-confidence and have given up trying to present yourself correctly.

It means that you, as a woman are feeling stripped and bare.

As a Man

If you are a man and dream you are putting on make-up then clearly the Lord is saying that you are trying to be something that you are not! That your representation of yourself is too feminine.

It could also be a warning dream to say that you have rejected your masculinity and that it is time to embrace it again.

Fussing Over Make-up

If you dream that you keep trying to apply your make-up correctly but that you cannot this is also negative. If you are getting stressed in the dream and

running out of time, the Lord is telling you that you are too worried with externals.

He is saying that you are making too much of a fuss with what people see on the outside and about 'getting things right' than simply shining out from the beauty within.

Money

General Meaning

Money does not look the same today as it did in the time of the Old Testament. However the concept of trade and exchange certainly is the same.

For more understanding on what money means in Scripture, look up gold and silver.

Dreams

Positive

In a positive light, money speaks of provision for your need.

If you are having financial difficulties and dream of receiving large amounts of finances, then it is simply a picture of your desires at the moment.

Often people dream of receiving money, but unfortunately it does not mean that this will happen in reality.

I do believe it is an encouragement from the Lord to say that He desires to meet your need. However it is going to take more on your part to make that a reality.

This dream was sent to give you hope, but you also need faith and love to bring it to pass.

Dreaming of money is either an indication of your current desire, or a confirmation that the Lord will provide your need.

Read the Way of Blessing for more on walking in prosperity.

Visions

Positive

Although I have seen visions of money, I usually see it as gold coins in the spirit.

Often I will see a treasure chest that is hidden and filled with money. When I see this, I know that the Lord is saying that He has provided our need, but that we must release it through prayer.

If I see the money hidden, it is speaking of a blessing that is not so clear, but that I have to make effort to look for.

If you see money along your road, it means that as you continue along the direction that the Lord has for you, the blessing will come automatically.

Negative

In prayer I have often seen a black hand holding onto money. This is a picture of a spirit of theft. The enemy was stealing the blessing that God had for us.

Also in Scripture, the love of money refers to the root of temporal values which can destroy you. It speaks of bribery, corruption, and as I said before, the root of temporal values.

*1 Timothy 6:10 For the **love of money** is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows.*

Mountain

General Meaning

A mountain in any context speaks of a new journey and obtaining new heights. It can also be an obstacle in your way that you need to conquer.

Dreams

Positive

If you are someone that enjoys mountain climbing, then your dream would speak of your hobbies and interests.

However, for most people, a mountain will speak of a new goal or level for you to attain. It is a promise of a promotion and seeing a new perspective on things.

Negative

A mountain in a negative light speaks of an obstacle that is preventing you from reaching your personal goals.

It could be that you are struggling to complete a project or go in a certain direction. Dreaming of a mountain in your road is a confirmation of the blockage.

You will need wisdom to discern if this is a mountain you must tackle or one you need to walk around and avoid.

Of course as believers, when the enemy puts a mountain in our way, we have the authority to pluck it up and cast it into the sea!

Visions

Positive

For both visions and prophetic dreams, the mountain is a very positive picture! It speaks of an opportunity for you to receive a promotion in the realm of the spirit.

However it is not going to come without effort. Climbing a mountain is hard work and it will require a lot from you.

It will mean leaving some things behind that you have relied on before. It will mean leaving behind everything you were and possessed, so that you can take hold of the new thing.

In The Moses Mandate I share how the Moses Apostle is called to the mountain top many times. It is here that He will come into that face-to-face relationship with Jesus and also get his mandate.

A mountain in the Scriptures is often a picture of the presence of God. It is an apt image as it comes with a price. It means leaving behind your own ideas and everything that weighs you down, to come into His presence.

Moses had to obey some strict conditions before climbing the mountain into the Lord's presence. However the journey was worth it, because there he experienced the glory of God!

Have you been asking the Lord to experience Him in a greater way? If so, then seeing a mountain is a call from the Lord to take the first step; to submit to going through the death and letting go of the old, so that you can take on the new.

Just like in real life, it will be a hard climb. However just as Moses discovered, it will be well worth it when you get to experience God in a new and powerful way.

*Exodus 24:17 And the sight of the glory of the LORD [Yahweh] [was] like devouring fire on the top of the **mountain** in the eyes of the children of Israel.*

Negative

When praying for someone or for personal needs, I have often seen a mountain in my path.

This is a negative picture and speaks of an obstacle that the enemy has put there.

It is also a good picture of how you feel when you come to the Lord with a big prayer request. It seems to loom over you, making you feel small and insignificant.

However, you can overcome it! If you see a mountain across your path and you feel that it is something that the enemy has put there, then it is something for you to remove in the name of Jesus.

This is a call to spiritual warfare. I suggest that you get your hands on *The Way to Effective Prayer* by Apostle Daphne Crause for some very practical teaching on this subject.

*Mark 11:23 For assuredly I say to you, That whoever will say to this **mountain**, Be removed, and be cast into the sea; and will not doubt in his heart, but will believe that those things that he says will come to pass; he will have whatever he says.*

If you are facing a mountain in your life right now, take this passage, memorize and confess it until it is deep in your spirit. Then stand against that mountain and it will give way!

N

Navel

General Meaning

Your belly button is proof of your heritage and it is also a place of weakness.

Out of the entire belly this is a vulnerable spot and it points to the middle of you. It is a representation of who you are and where you come from.

Positive

It speaks of the things that you feel most vulnerable about. In this lovely verse Solomon speaks of the navel of the one he loves.

In it he is revealing the intimacy they have and also her vulnerability.

*Song of Solomon 7:2 Your **navel** [is like] a round goblet, [which] lacks no liquor: your belly [is like] a heap of wheat set about with lilies.*

Negative

If you dream that your navel or belly button is dirty or damaged in some way, it means that you are struggling with being vulnerable.

It is also an indication of defilement and is very likely referring to a generational curse that the Lord is trying to expose in your life.

Net

General Meaning:

If positive a net represents mass evangelism or connecting with others. To be part of a group.

Negatively it speaks of the snare of the enemy.

Positive

Depending on the context of your dream, a net could be positive or negative.

Negatively speaking a net represents being bound, restricted and being under bondage.

Positively speaking, it could represent evangelism (in the case of catching fish), prosperity and provision.

Visions

Positive

One of our students shared once how the Lord kept showing them a vision of a net over their bed. They searched and searched but could not find the interpretation to this vision.

It did not seem negative, yet still there was no interpretation. Then one day as he browsed the Internet, the Lord led him to AMI Network. All along the Lord was indicating that he was to become part of a network of believers and ministry leaders.

So in this case the net spoke of linking up with other believers around the world.

Seeing a net in a fishing picture speaks of evangelism, the Lord bringing provision and blessing.

Speaking of Provision and Blessing

*John 21:11 Simon Peter went up, and drew the **net** to land full of great fishes, a hundred and fifty three: and even though there were so many, yet the net was not broken.*

Negative

In vision I have often seen the enemy using a net to snare and to steal.

Often when we have been trusting the Lord for provision, I have seen the enemy having hoarded all our provision into his net. I would then speak forth and demand that he let go of that provision!

When giving personal ministry, I have also seen people bound up in nets. Usually the nets speak of negative words and curses spoken over the person.

It could also be because of personal sin and getting involved in things they should not have. And so they have given Satan license to bind them and bring a curse into their lives.

Referring to a net laid by those who speak negative words and a curse over someone:

Psalms 35:7 For without cause have they hidden for me their net [in] a pit, [which] without cause they have dug for my soul.

O

O

Ocean

General Meaning

Also referring to the sea. The ocean is a picture of mystery and untapped blessing.

Dreams

Positive

If you have good childhood memories of the ocean, then it would represent pleasure and joy for you. It would speak of just letting go and floating, letting the tides carry you.

If you dream of floating or swimming in the ocean, then the Lord is saying that you can trust in Him and enjoy His presence. You do not need to be afraid, but can just jump in!

If you dream of a large wave that you surf or that you have control of, it speaks of the blessing of the Lord that is coming your way.

Negative

If you dream of large waves engulfing you, this speaks of circumstances that are overwhelming you. It can also speak of the attack of the enemy that is coming in like a flood.

Also if you have a fear of the ocean, then dreaming of being in the ocean speaks of being surrounded by your fears or having to confront your fear.

Sometimes you might dream of a wave that washes everything away. Although it might seem negative at first, this could be of the Lord. Perhaps it is time for you to start afresh. This is a good picture of a death of a vision.

Visions

Positive

A large wave although it can be negative, is also a good picture of the abundance of the Lord. The Word says that if you cast your bread on the waters, that it will return to you.

This is a picture of investing financially and spiritually into the Kingdom of God. As you keep giving out, you will reap the reward!

*Ecclesiastes 11:1 cast your bread upon the **waters**: for you will find it after many days.*

The Red Sea Situation

If you see the Red Sea in the spirit, then the Lord has led you to face an impossible direction.

You know that you cannot go back where you have come from, but it seems that the Lord is not talking either. You are unsure which way to go. We call this the 'Red Sea Situation'.

What the Lord is telling you to do is to make the first move. Moses cried out to the Lord about what to do and the Lord said to him, "Why are you crying to me? Speak to the Children of Israel, that they go forward!" (Exodus 14:15)

God was waiting for Moses to do something! He had brought them so far, but now it was their turn. As they took that step though, then God moved once again and parted the waters.

If God has given you a direction and a promise and you see the Red Sea in front of you, you have a choice to make. Once you step out with that decision, God will back you up.

*Psalms 106:9 He rebuked the **Red sea** also, and it was dried up: so he led them through the depths, as through the wilderness.*

Negative

To be tossed around in the ocean speaks of not having a firm conviction of your own. It means that you do not have a secure footing in the Word, and you are allowing the enemy to throw you around.

*James 1:6 But let him ask in faith, nothing doubting. For he that doubts is like a wave of the **sea** driven with the wind and tossed [about].*

The book of Hebrews also tells us that we should not be tossed around by every wind of doctrine.

The meaning is the same. If you dream of being tossed around, you do not have a firm understanding of doctrine, and the Lord is telling you to get your feet grounded!

Olive

General Meaning

Olives in many forms are mentioned in Scripture. They had many uses - from being used for oil to light lamps, to being pickled and eaten.

The most famous olive grove mentioned in the Word is Gethsemane, which translated means 'oil press'. Before an olive tree died, new branches sprouted from its roots.

Visions

Positive

Olive Oil

Oil has always been a lovely picture of the anointing. It also speaks of the healing anointing, as olive oil was often used as a source of medication.

Olive Crushed

Apostle Les speaks in The Prophetic Training book about how the prophet goes through a time of testing during his training. He relates it to being 'squeezed'.

His question is, "When you get squeezed, what comes out of you?"

The olive oil being squeezed and letting out its oil is a lovely image of this. It means that when pressures come on you to change, what comes out is the anointing.

It is also an indication that the Lord is about to put pressure on you, or perhaps even take you through a phase of ministry training.

Olive Tree

The Lord promised the Israelites their own olive trees as a blessing. It is a picture of abundance and the blessing of the Lord.

The olive tree is also a good picture of a reproducing asset. It is not a blessing that comes once, but one that keeps producing further blessing.

*Psalms 128:3 Your wife [will be] as a fruitful vine by the sides of your house: your children like **olive** plants around about your table.*

Negative

Branch Being Severed

Apostle Paul shares how those who refused to accept Christ were cut off from the olive tree, and a new branch was grafted in (speaking of the Church).

*Romans 11:17 And if some of the branches be broken off, and you, being a wild **olive tree**, were grafted in among them, and with them partake of the root and fatness of the olive tree.*

Often in the spirit we have seen the Lord cut a branch off a tree and graft a new one in its place. This has referred to the Lord removing a person from our lives or ministry and putting in someone new.

In a situation where a marriage has ended and you see this, it is an indication that the old marriage partner is being removed and that the Lord will bring a new one, so that they can become one.

To see an olive tree bearing fruit other than olives is a picture of things not being what they seem. While the person pretends to be one thing, on the inside they are something completely different.

*James 3:12 Can the fig tree, my brothers, bear **olive** berries? Or a vine, figs? So no fountain [can] yield both salt water and fresh.*

Pearls

General Meaning

Since the beginning of time, pearls have been a picture of beauty and wealth.

Pearls are a lovely picture of a hidden treasure waiting to be found, but also something that is bought at great expense.

Visions

Positive

In Scripture, pearls speak of wealth and an object of trade. Of course the parable of the businessman who sells all he has for the one pearl is a famous one.

*Matthew 13:46 Who, when he had found one **pearl** of great value, went and sold all that he had, and bought it.*

A pearl is something that was usually bought at a great price, and if you owned one, it was an object that was precious and of high value.

It is also a picture of the church, as Jesus had used this parable to explain how He would pay all he had, even His life, for the church, which was His precious pearl.

If you see the Lord giving you a pearl, it means that He is giving you a gift that will increase in value and is something precious.

It is something that came at a great price to purchase. And it is a lovely picture of the blessing and prosperity that we can walk in, because of the price Jesus paid on the cross.

If you see the pearl still in the oyster, then it means that the Lord is giving you a blessing, but you will need to do something to get it.

Negative

The Scripture below is another famous one. To cast your pearls before swine, means taking those things that you paid such a great price for and giving them to people who do not appreciate it.

This can often happen in ministry, just as Jesus experienced it.

The calling and the mandate God gives someone comes at a great price. It costs you your life and many phases of death to the flesh. Your calling becomes a treasure in your life.

When you give out to people who do not care to receive it, but only seek to condemn, you are handing something precious over to them that they do not deserve.

Reserve your ministry for those who are open to receive, just as Jesus did.

*Matthew 7:6 Do not give that which is holy to the dogs, neither cast your **pearls** before pigs, lest they trample them under their feet, and turn again and tear you apart.*

Perfume

General Meaning

Perfume, oil, myrrh and incense often share the same interpretations.

Some common interpretations for perfume are: Our praise to the Lord, being beautified, being prepared, being honored and being cleansed.

Perfume changes your emotions and causes you to be drawn to it. It can be a pleasant experience, or it can speak of being caught in a trap.

Referring to how perfume lifts the emotions:

*Proverbs 27:9 Ointment and **perfume** rejoice the heart: so [does] the sweetness of a man's friend by hearty counsel.*

Dreams

Positive

A bride was prepared with oils and perfume to prepare her for her wedding night. Esther is a good example of this.

This speaks of the Bride of Christ being prepared and made ready for her Groom. It speaks of her falling in love with her Groom - which is Jesus Christ.

The Scriptures also speak of our praise being as incense before the Lord; that it is a pleasing smell before Him.

Incense was offered before the Lord twenty-four hours a day under the Old Covenant. Our incense is our praise and worship.

Speaking of the Love of Bride and Groom

*Song of Solomon 4:10 How beautiful is your love, my beloved, [my] bride! how much better is your love than wine! and the fragrance of your **perfume** than all spices!*

As believers we also diffuse the perfume of Christ everywhere we go - or we should anyway!

Because of the indwelling of the Holy Spirit, as we go through this world, we carry that treasure inside of us.

It is just like wearing perfume. Everyone that passes you should be effected by it. I give a good description of this in the Practical Prophetic Ministry book when teaching on the ministry of the prophet.

*2 Corinthians 2:14 Now thanks [be] to God, which always causes us to triumph in Christ, and makes manifest the **savor** of his knowledge by us in every place.*

Negative

The Scripture also speaks of the perfume of the harlot and adulteress.

It speaks of being captured and seduced into the things of the world; of being deceived into thinking that you are being offered something good, when in fact it is false and full of sin.

Speaking of the harlot (world) that seduces; a love that is false and empty:

*Proverbs 7:17 I have **perfumed** my bed with myrrh, aloes, and cinnamon.*

18 Come, let us take our fill of love until the morning: let us solace

ourselves with loves.

22 He goes after her immediately as an ox goes to the slaughter, or as a fool to the correction of the stocks

Poison

General Meaning

The most common interpretation for poison in Scripture is the presence of bitterness and negative words.

Dreams

Negative

To dream that you are drinking poison is an indication that you are feeding on things that are deadly to you.

Perhaps you have been browsing websites, watching teachings or even reading books that do not have the spirit of Christ on them. These things are poison to your spirit.

Apostle Les also teaches how bitterness, fear and guilt are poison in your spirit.

Visions

Negative

Poison is a good picture of bitterness because of how it pollutes not only your own spirit, but how it defiles everyone else around you as well.

Hebrews 12:15 Looking diligently lest any man fail of the grace of God; lest any root of bitterness springing up trouble [you], and by it many be defiled;

James knew the power of words! Words have power, and words spoken in a curse against someone is like poisoning them and giving the enemy license to attack them.

James 3:8 But the tongue no man can tame; [it is] an unruly evil, full of deadly poison. (AMIV)

Pregnant

General Meaning

The beginning of something new in your life that is not yet visible, but will be soon enough. We conceive many things in our spirits and not everything we conceive is a blessing.

Some of them are the blessings that we have asked the Lord for. Others are things that we do not desire, but have conceived because of fear or sin.

Dreams

Positive

To dream that you are pregnant means that something new is about to manifest in your life. If you are a man, you might dream that your wife is pregnant instead, and it would mean the same thing to you.

You need to discern if the child you are pregnant with is good or not.

If you dream that you miscarry or that a baby is stillborn, but do not really feel any concern in your dream, then it has a good interpretation.

It means that you conceived something that was not of God, but that He has prevented it from coming to pass.

It is a good sign that you have left the things of the past behind, or perhaps brought your flesh into line.

I have often dreamed that I was pregnant. In one dream I was three months pregnant. It was a clear dream. When I woke up I worked it out, and three months before I had been released into ministry training.

The Lord was confirming that He had indeed started that process in me and that I would carry it to full term.

If you dream of giving birth early or not realizing you were pregnant, it means that the Lord has been doing something in your life behind the scenes and it will suddenly come to pass.

Negative

If you dream that you are pregnant with the baby of someone from the past that you do not like, this is negative.

It means that you have held onto something from that time of your life and it has taken root in you.

Perhaps you were involved with a ministry in the past that you do not feel positive about any longer.

Dreaming of being pregnant surrounding those circumstances means that you conceived something spiritually during that time that you have still held onto.

If you dream that you are pregnant with someone's baby that is very negative to you, it could mean that you have given the flesh control of your life and conceived something that is not of the Lord.

If you dream that you miscarry and you feel the pain and the struggle in the dream, then this is not a good picture.

It means that the enemy is trying to steal the blessing that the Lord has given to you.

If you are in ministry training, consider the tests you have faced over the last while. It could be a warning that you are going off track and need to get back again.

Visions

Positive

The interpretations for visions can be tricky. Your vision can either speak of a spiritual birth that the person is going through, or it could speak of an actual pregnancy!

If you see a baby in the womb, this could speak of the Lord conceiving and birthing something new in that person.

Just as in the case where the Holy Spirit conceived Jesus in Mary's womb, this would be a picture of something good that the Lord has conceived in their spirits.

In a literal sense, it can also mean that this person you are praying with will have an actual baby! You need to use some tact when interpreting such a vision.

I remember receiving prayer once from Apostle Les and in the spirit he saw me holding a baby. I was trying to take a spiritual picture from it, but discovered shortly afterwards that I was already 5 months pregnant!

The best thing to do is to share the vision you get with the person. If they have desired a child, then perhaps the Lord is confirming to them that this is His will. Perhaps the Lord is even saying that they are pregnant right now.

When praying for a couple desiring to fall pregnant, Apostle Daphne Crause clearly saw a baby in the womb. It turned out that the woman was indeed pregnant at the time. That word brought both confirmation and hope that this was of the Lord.

Spiritually speaking, when we have faith we birth the blessings of God in our lives. This can speak of both spiritual and natural blessings.

*Hebrews 11:11 Through faith also Sara herself laid hold of the ability to fall **pregnant**, and gave birth past the time of life, because she judged him faithful who had promised.*

Negative

Apostle Daphne has been used of the Lord very often to pray for couples to fall pregnant, because of her own travail in this area. In her book *the Way to Effective Prayer* she gives both her story and some very practical steps to follow if you are trying to fall pregnant.

I remember her praying for a lady once who was having medical problems with her pregnancy. Doctors said that it would be a hard birth, and her chances of having any children in the future were near impossible.

Daphne went into prayer and saw something demonic attacking the child in the womb. She stood against this, and against all odds the woman went on to have not just one, but three children afterwards!

If you see a vision of a woman miscarrying and it is not literal, then it means that the person you are praying for is losing the blessing that God has given by allowing sin in their lives or because of a curse.

To have a vision of someone that is barren is an indication of a curse in that person's life.

Queen

A queen speaks of royalty and favor.

Positive

As believers we are all kings and queens in the Lord. It speaks of our position and authority in Christ. It also speaks of the blessing and favor we have with the Lord because of this position.

Of course a lovely illustration of this is Queen Esther, who I often seen in the spirit when ministering to a woman.

When I see this then I know that the Lord is saying that this person should see herself as a queen, and to lift up her head and act like a queen, instead of groveling like a beggar!

CHAPTER 19

R

R

Ring

General Meaning:

A ring is a symbol of a covenant vow.

Dreams

Positive

To receive a wedding ring in a dream may speak of your relationship with the Lord. It is a picture that He desires to draw you into a more intimate relationship with Him.

If you dream of your actual wedding ring, it could speak of your marriage at the moment.

If you dream of a wedding ring from a previous marriage, it could speak of your old marriage.

If you dream of a ring you received as a child, it could speak of memories or circumstances that are being stirred up again in you from that era.

Negative

If you dream that you lose your wedding ring, it could be an indication that something is wrong either with your relationship with the Lord or with your current spouse.

Visions

Positive

In Scriptures the ring is a picture of a covenant, authority and favor.

The Signet Ring

In the time of Esther, the King gave her his signet ring to send out a decree that could not be overruled.

Esther 8:2 And the king took off his ring, which he had taken from Haman, and gave it to Mordecai. And Esther set Mordecai over the house of Haman.

If you have a vision of receiving a ring, then the Lord is saying that He is giving you some of His authority, and for you to use it in the earth.

It is one thing to receive authority and another to walk in it. Perhaps you have not been standing in the authority that He has given you as a believer.

A vision of a ring is a go-ahead from the Lord to rise up and use His Word to speak things into the earth.

If you are in ministry, then this authority relates to ministry. The Lord is telling you to set His people free, using the anointing and authority that He has given to you.

Ring for Decoration

Receiving a ring is also a picture of favor. The Lord is confirming that you are special to Him and that you have found favor in His eyes.

*Luke 15:22 But the father said to his servants, Bring forth the best robe, and put [it] on him; and put a **ring** on his hand, and shoes on [his] feet:*

Wedding Ring

A wedding ring is a symbol of a blood covenant. In a dream it speaks of your relationship with the Lord Jesus.

In a prophetic dream or vision it speaks of a relationship that someone is in.

Negative

A ring is negative if it is tarnished or you see it being hidden or stolen. This would indicate that you have given up the authority that God has given you.

It could also mean that the enemy has deceived you into thinking that you have no authority. In either case, it is time to rise up!

Rock

General Meaning

A rock speaks of something that causes you to stumble, or something that causes you to stand secure. The interpretation will differ depending on the context of your dream or vision.

Positive

A rock that you lean on or hold onto is a lovely picture of your faith in the Lord. It is there to keep you steady and prevent you from falling.

The best image we have for a rock is Jesus Christ. Solid and the foundation of the church, if you build your life on Him, no storm can overcome you!

*1 Corinthians 10:4 And all drank the same spiritual Drinking: for they drank from that spiritual **rock** that followed them: and that rock was Christ.*

Standing on a rock speaks of being secure and not being moved by anything that goes on round about you. It means that you are doing things God's way.

Negative

A rock that causes you to hurt yourself or to stumble is a picture of a hindrance in your life.

Are you trying to go in a certain direction and you feel that you are being blocked? If so then your dream is a confirmation of this.

I often see stones and rocks along a path when praying for someone. This is negative and speaks of the blockages the enemy has put in your way.

These things are not from the Lord, and you need to stand up in your spiritual authority to overcome them.

See also: [Stone](#)

Rope

General Meaning

Rope, like chain, speaks of bondage and of being restricted. In a positive context though, it is a picture of strength and security. (As in the threefold cord that cannot be broken)

Positive

To dream of being tied to your spouse or to someone you love speaks of unity with the Lord.

A ship is tied to the dock with a rope, representing security.

A threefold cord speaks of strength and unity. It can be a very positive thing if it is tying a couple together in marriage.

I recall a vision when my husband Craig and I were receiving ministry about being married. Apostle Les saw a vision of us tied together with strong ropes that could not be broken.

Because my parents had been divorced, I feared the same thing in my own life. The Lord made me a strong promise that I had nothing to fear. I am glad to say that our marriage is going stronger than ever!

With my husband, myself and the Lord, we are a picture of a threefold cord that could not be broken.

*Ecclesiastes 4:12 And if a one is overwhelmed, two can stand together; a **threefold cord** is not quickly broken.*

Negative

To dream of having your hands tied is a picture of being restricted and unable to do the things you need to do.

Being tied by rope to something could also indicate that you are being bound by whatever that object or person represents in your dreams.

Being bound by a rope can speak of the work of the enemy to bind you and prevent you from doing what the Lord wants you to do, just like Delilah bound Samson.

Judges 15:13 ...And they bound him with two new cords, and brought him up from the rock.

A rope attaching you to someone else could speak of a spiritual bond that needs to be broken. In the spirit, you might see a person tied with cords that are in turn attached to various people.

If the people you see are family members, then that rope is a picture of generational bondage.

You can also see this in relation to past mentors or friends that you have not fully let go yet. If you see this vision, then the Lord is telling you to let those people go and to move on.

School

General Meaning

The meaning for dreaming of a school, college and University is twofold:

1. A picture of gaining knowledge and qualifying in a particular realm of your life.
2. A picture of the education system in the world.

Dreams

Positive

Depending on your personal view of school, you will have a different interpretation. The most universal of course is a place of learning, and it speaks of the knowledge you have attained over the years.

If you dream that you pass a test or go up a grade in school, it means that you have passed a spiritual test and that you are ready to move forward.

It is an indication that you qualified in the task that the Lord gave you to do and now you are ready to be promoted to a new level.

Of course with that new level will come more testing and learning.

*Matthew 25:21 His lord said to him, Well done, [you] good and **faithful** servant: you have been **faithful** over a few things, I will make you ruler over many things: enter into the joy of your lord.*

This may speak of spiritual maturity or of a ministry office.

If you dream of going to a school or University, it means that there is some knowledge that you lack and the Lord wants you to receive it.

If you dream of a school you attended in the past and your emotions are intense, then what you are looking at is a good example of a healing or a purging dream relates to that era in your life.

Negative

If you dream that you have to write the same test repeatedly or repeat a grade, it means that you have not learned the lesson that you needed to learn in life.

If you keep dreaming of a school you attended in the past, it could mean that there are still hurts from this area that are troubling you.

Shield

General Meaning

A shield is a picture of protection.

Positive

A shield is a perfect picture of the protection that we have in the Lord. It is also a picture of faith in the Scriptures. The two are interlinked.

When you trust the Lord and have faith in Him, then He can protect you and do mighty things on your behalf.

Our shield of faith prevents us from coming under the attack of the enemy or under any curse. You do not overcome by sending your own arrows. Rather you just put up your shield of faith!

*Ephesians 6:16 Above all, taking the shield of **faith**, with which you will be able to quench all the fiery darts of the wicked one.*

*Psalms 3:3 But you, O LORD [Yahweh], [are] a **shield** for me; my glory, and the lifter up of my head.*

Negative

The only time a shield would be negative is if you saw your shield being taken away. This means that your protection has been removed.

Siblings

Dreams

It is important that you identify what kind of relationship you have with your sister or brother.

When you think of your sister or brother, what is the first thing that comes to your mind to describe them? What about them stands out the most?

Perhaps your sister is willful. She could speak of your will. Maybe she is insecure, in which case she would speak of insecurity.

Perhaps your brother is highly intellectual, then he would likely speak of your intellect. Maybe your brother was the kind of person that always protected you. In this case he could speak of the Holy Spirit in your dreams.

Visions

Positive

When I see someone's sibling during ministry, the Lord usually wants to address an issue. Often the Lord indicates that the person needs to break links with their sibling. Other times inner healing needs to take place.

The Lord will give you an inner knowing or impression to go along with the vision. So remain sensitive to the spirit and you will be able to understand exactly what the Lord wants you to do with the revelation He gave you.

Speaking of the Family of Christ

*Matthew 12:50 For whoever shall do the will of my Father who is in heaven, that person is my **brother**, and **sister**, and mother.*

Spiders

General Meaning:

Represents a spirit of fear and spirit of infirmity.

Negative

Spiders to most people are not pleasant creatures. If you have a strong fear of spiders, then they would speak of your fears in your dreams.

Generally though, they speak of the work of the enemy. The good news however, is that they are not a strong attack and refer to something that you can easily overcome.

Even though a spider can be deadly, it can also be easily killed. The Word says that we can trample on serpents and scorpions, and the same is true of spiders!

Spiders speak of the work of the enemy. If you have been getting involved in things that you should not be, then seeing a spider in a vision is an indication that Satan has gained access in your life.

It speaks of the things that the enemy would like to poison you with, bringing you pain and discouragement.

In the spirit we often see spiders as spirits of infirmity. This is a good picture, because even in the natural their bite causes pain and sickness.

A Spider's web speaks of a subtle work of the enemy that is not obvious at first. When we were first starting out the Fivefold Ministry was really new. We faced a lot of opposition!

Often in the spirit we saw this huge spider weaving a web trying to slow us down. The Lord showed us that this was the result of the words of many other ministries speaking against us.

Through these negative words, they were licensing a curse against us and giving the enemy a chance to slow us down. There is no work of the enemy that is stronger than the work of Calvary though.

We stood against those words in the spirit and the fact that you are reading this today is proof that we did indeed overcome.

*Isaiah 59:5 They hatch cockatrice' eggs, and weave the **spider's web**: he that eats of their eggs dies, and that which is crushed breaks out into a viper.*

Sword

General Meaning

Primarily a symbol of the Teaching Ministry, the sword can also speak of your authority in Christ.

In a negative context it speaks of negative words that have been spoken against you.

Positive

Generally the sword is a picture of power. Of course as believers we receive this power by the Word of God.

Below are some variations of how we see swords in the spirit. This might differ for each person.

I am not in agreement with a popular trend in some churches to go around taking actual swords and 'knighting' folks. I believe that in all of the Word, these are given to us as a type and a shadow and should be handled spiritually.

The sword is an allegorical picture of the Word of God. It is sharp and it divides the truth from the lie.

If you see a sword bringing a division, then the Lord is about to expose the things that are wrong. This of course is carried out a lot by the teacher, who uses the Word to bring the truth and set God's people free.

*Hebrews 4:12 For the word of God [is] living, and powerful, and sharper than any two-edged **sword**, piercing even to the dividing apart of soul and spirit, and of the joints and marrow, and [is] a discerner of the thoughts and intents of the heart.*

So it is no surprise that when I am praying for someone regarding their ministry and I see a golden sword, I know that the Lord is calling them to teacher training.

Negative

Speaking of Using Your Own Strength

To pick up your own sword and try to win the battle without the Lord speaks of doing things in your own effort. In the end you will only perish, because without God's power you cannot overcome.

*Matthew 26:52 Then Jesus said to him, Put your sword up again into its place: for all those that take [up] the sword will perish with the **sword***

Negative Words

The Word says that bitter words are like a sword. If you see swords coming against you in the spirit, then the Lord is showing you that others have spoken negative words against you and licensed the enemy to attack.

*Psalms 64:3 Who sharpen their tongue like a **sword**, [and] bend [their bows to shoot] their arrows, [even] bitter words:*

Teeth

General Meaning:

Positive: The blessing of the Lord.

Negative: Bitterness prevalent in your life.

Positive

White and healthy teeth speak of the blessing of the Lord and walking in abundance.

Genesis 49:12 His eyes [will be] red with wine, and his teeth white with milk.

It is also a picture of your strength and ability to overcome problems in your life.

Negative

To dream or have a vision of gnashing teeth speaks of the attack of the enemy. It is a curse of destruction and its intention is to tear you down.

Job 16:9 He tears [me] in his wrath, who hates me: he gnashes upon me with his teeth; my enemy sharpens his eyes upon me.

To have your teeth broken speaks of being humbled and of having your strengths removed from you.

To dream of your teeth becoming rotten speaks of something inside of you that is not of God. This is a very good picture of bitterness, and how it destroys you from inside out.

Thief

General Meaning:

Self-explanatory. The work of the enemy steal every blessing that God has given to you.

Positive

The Word says that the Lord will come as a thief in the night, speaking of his return. (2 Peter 3:10)

Negative

Mostly though a thief in a dream or vision is very negative, and speaks of a spirit of theft that is prevalent in your life.

Have you been experiencing loss in your life? Perhaps finances have been stolen from you, or even your health or relationships have been stolen.

To see a thief in the spirit is a revelation from the Lord to let you know that the enemy is at work.

Treasure

General Meaning

Treasure is a universal picture of blessing and abundant provision.

Positive

To dream that you are digging for treasure, means that you are about to embark on an endeavor that is going to lead to blessing and good things.

The Word says that we have treasure in earthen vessels, speaking of the Holy Spirit within us. He is the ultimate treasure, because from Him, we receive every other kind of blessing.

A treasure hidden in a clay pot is a beautiful picture of the power and authority that we possess because of Christ.

*2 Corinthians 4:7 But we have this **treasure** in earthen vessels, that the excellency of the [dynamic] power may be of God, and not of us.*

Finding hidden treasure speaks of attaining wisdom and knowledge.

*Colossians 2:3 In whom are hid all the **treasures** of wisdom and knowledge.*

Treasure also speaks of money. Jesus said that where our treasure is, there is our heart also. This means that wherever you are investing all of your money, it is where your heart really is.

The Word tells us to store our treasure in heaven. This refers to the money we invest into others in the Kingdom of God, as well as the time and works we do in faith, hope and love.

*Matthew 6:20 But store up for yourselves **treasures** in heaven, where neither moth nor rust are corrupting, and where thieves do not break through nor steal:*

Negative

To dream of losing a treasure, means that a spirit of theft is operating in your life.

Treasures of Darkness

I have often seen the treasure house of the enemy in the spirit. These are all the treasures that he has stolen from the Kingdom of God and the treasures of the world.

As believers we will plunder the kingdom of darkness!

*Isaiah 45:3 And I will give you the **treasures** of darkness, and hidden riches of secret places, that you may know that I, the LORD [Yahweh], which call [you] by your name, [am] the God of Israel.*

Uncle

Dreams

You cannot make a hard and fast rule concerning family and friends in dreams. You would usually dream of an uncle or an aunt in an internal dream, and then they would be a representation of a part of yourself.

So identify what your uncle means to you in real life. When you think of him, what comes to your mind?

Visions

It is also common to see an uncle or aunt in personal ministry when dealing with generational curses or past hurts.

At times when I have ministered to someone with regards to an absent father, I might see an uncle in the spirit that filled that role.

Be sensitive to the spirit and share what you are seeing with the person you are ministering to. The Lord will not give you a revelation without confirming it!

V

Vine

General Meaning

A vine is very similar to seeing a tree in a dream or vision. It can speak either of blessing and prosperity or of a curse. You would need to sense the spirit on the dream or vision and interpret accordingly.

Positive

A vine speaks of the blessing of the Lord. Whenever the Lord gave a promise in the Word, He would promise to give each man a vine.

He also refers to Himself as the vine and us as the branches. It speaks of the blessing of the Lord, both spiritual blessings and natural blessings! (John 15:5)

The grapes from a vine are a result of each person playing their part. The grapes grow on the branches, not on the main stem. This is a picture of the fruit of the spirit in our lives.

Because the vine is a perfect picture of the church, the branches speak of ministries and our own Christian walk. As each branch feeds of the stem (which is Jesus) we will bear good fruit!

Negative

You can get a vine that does not bear fruit or that is wicked. This would refer to not going on with the Lord or even a curse.

A vine that does not bear fruit speaks of being lukewarm and not obedient to God's Word. According to Scripture, such a vine would be cast into the fire.

Speaking of Judgment

Luke 3:9 And now also the axe is laid to the root of the trees: every tree therefore which brings not forth good fruit is hewn down, and cast into the fire.

Water

General Meaning

The force that brings about the washing in our lives. The Word of God and the anointing are both depicted by Water in the Scriptures.

Positive

Being washed with water speaks of being cleansed and of putting things behind you. It also speaks of being cleansed from your sin.

Water is a picture of the anointing. John 4:14 Water is also a picture of the Word of God, and how it sets us free from the dirt in our lives.

*Ephesians 5:26 That he might sanctify and cleanse it with the washing of **water** by the [rhema] word,*

To water something means to nurture it and to give it life. If you are in ministry, then it means that you should be watering the seeds that have been planted in the hearts of God's people.

This is primarily a teaching function, just as Apollos functioned in.

*1 Corinthians 3:6 I have planted, Apollos **watered**; but God gave the increase.*

Negative

Water that is bitter or dirty speaks of a contamination, likely stemming from bitterness.

It speaks of those that really do have a ministry, but unfortunately are in deception. They have allowed some things in their life that are not of the Lord.

To dream of being in unclean water speaks of the things you are getting involved in.

Instead of walking in the spirit, by getting involved with these things or feeding on things that are not of God, you are contaminating your spirit.

It could also indicate that the ministry you have been receiving is not pure and directly from the Lord. Some of it is tainted with the flesh and man's ideas.

When I train God's leaders I share how the Lord takes them through training to get rid of their own ideas.

The revelation and the anointing that God gives is pure when it comes from your spirit. However if your mind is filled with things of the world or your own ideas, you end up tainting that word. Then what comes out is only a part Christ, and the rest is your own ideas!

Weapons

General Meaning

The Word says that no weapon formed against you will prosper. It also teaches us to put on our own spiritual armor and weaponry.

Weapons, regardless of their form, are a picture of warfare and of our stand against the flesh and the enemy.

Apostle Paul also tells us that the weapons we fight with are not weapons of flesh, but of spirit. Our authority is vested in the Lord, and any action we take should be with our spiritual authority.

*2 Corinthians 10:4 For the **weapons** of our warfare [are] not fleshly, but mighty through God to the pulling down of strongholds*

Wedding

General Meaning:

A covenant ritual whereby two become one.

Positive

The best illustration we have of this is the wedding of Christ to His bride. The wedding ceremony is in fact a covenant ritual act.

In the Old Testament when two people entered into a blood covenant, they would do various acts.

Firstly they would cut their hands and join blood. Then they would rub ash into the wound so that it would leave a scar. They would also exchange their belts, representing their strengths.

The scar was a public sign of their covenant, much like the wedding ring is. The mixing of blood is symbolic of the sexual act of marriage.

The exchange of belts in marriage is the joining of two lives. Where your strengths become one.

When the blood covenant was over, the two of them had all things in common. Neither considered what they had as their own.

When you realize that this is also a picture of our relationship with Jesus it brings you to a new realization of who you are in Christ.

If you dream of being married, the Lord is reminding you that you are in blood covenant with Him!

All He has is yours and all you have is also His. He is asking you to give your life to Him completely and to also take hold of His completely.

Every physical, psychological and spiritual blessing that Jesus has, is available to you through this covenant.

For more on blood covenant, look at the love of David and Jonathan in 1 Sam 18:3

Divorce

When you came to the Lord, you divorced your old life and married into His. If you dream that you are divorcing someone that represents the flesh in your life, this means that you are finally letting go of your old life to be joined to Christ.

Negative

To dream that you are getting divorced from someone that represents the Lord in your dreams means that you have separated yourself from the blessing of God.

Israel lost this blessing because they turned their backs on the Lord and followed idols.

Yeast

Seeing a bowl of uncooked dough could also be a warning to watch out for the leaven. Jesus says it well in this Scripture:

*Matthew 16:6 Then Jesus said to them, Take heed and beware of the **leaven** of the Pharisees and of the Sadducees.*

In this case, leaven is seen as legalism, works and false teaching. Just one part of leavens, leavens the whole dough.
