MP CANDIDATE

EAST AFRICA LEGISLATIVE ASSEMBLY (EALA)

VOTE

"SERVICE TO OUR COUNTRY. SERVICE TO YOU."

THEME

Creating a vibrant, competitive and robust environment, for South Sudan to realize & harness the full dividends of integration into the East Africa Community.

OBJECTIVES

To increase competitiveness of South Sudan within the EAC, I will focus all my energy and commitment to achieve the following;

1) Increase value added production for local businesses especially in Food Security, hence diversifying our economy through creating job opportunities in Agricultural & Manufacturing Sector.

2) Promote a trade and investment conducive environment, so as to attract foreign direct Investment, exporting of products "Made in South Sudan" and reducing the negative balance of trade with partnering states.

3) Improve the quality of education & skills set acquisition for effective competition of our people in the job market through championing for Scholarships, training opportunities and Parliamentary Study tours and benchmarking within EAC.

4) Infrastructure development to ease Logistical Constraints such as the North Rift Corridor and connecting on the East African Railway Network, Pipeline, Refinery and Exportation of products to ready regional market.
