The full illustrated guide of preparing your Affidavit of Truth "Born Identity"
revised Thursday 6th October 2022

Disclaimer:
The information supplied is a guide; it is written from my experience and that of Carl (Alias Djlockup) who brought to my attention the importance of "correcting your Born Identity." You will be completing an affidavit of truth, and you will need to read it fully and properly before you can start to put the information into practice. I take no responsibility for your mistakes.

You will use the names in which you were given at the time of you being born for this Stage 1 - Affidavit of Status. Name changes by Deed pole/ married names are not relevant at this stage.

2. **Template – the process has been made quite simple: Your Affidavit of Status** Select here for link
This is a sensible illustrated 'How-to' use the template, which will help you to get it right: shows you the correct Placement of your thumbprints, autograph and the *cancelling out of your £1.00 postage stamp by the post office (keeping a record of your Post Office Tracking Numbers) and deal with the *pitfalls at the post Office.

2.1 **Remember the following:**
It is important to use an easy to read font for your Affidavit of Status Size will vary according to font used. It is best of course to use size 11.

All of the fonts below are used daily online, leaflets, instructions and in independent news articles. The following are perfect and clear:

DO NOT COPY - document by Deanne Santini

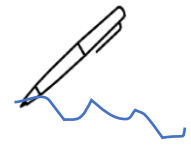

- ✓ Montserrat
- ✓ Arial
- ✓ Calibri
- ✓ Futura
- ✓ Open Sans
- ✓ Helvetica
- ✓ Verdana
- ✓ Proxima Nova

Note: you should always number your pages (all templates from the Common Law and Equity Channel are numbered); it is recommended that only size 8 is used within the footer space.

Please read and follow the steps within this illustrated guide as below:

- ✓ Prepare and insert the information as requested for your Affidavit of status, address it, autograph it, have it witnessed and then print off 3 of the same.

- ✓ Send 3 Original copies to the following: -
- ✓ **1 to yourself**
- ✓ **1 to the Lord Chief Justice**
- ✓ **1 to the international Court of Justice, Prosecutions office at the Hague**
    - **Addresses for the above are stated below.**

Getting started:

2.2 1 X template as on channel – Affidavit of Status and Truth
2.3 Read the template fully and understand it.
2.4 Only amend the font written in **RED**/blue. Do not amend the colours of the context on the front/back page.
2.5 The context of the Affidavit of Status should not be changed – the spellings and grammar are of its time and it is all correct. Like the Cestui Que Vie Act of 1666, the English language was as written in the same style and manner.
2.6 Apart from amending your name, you should not write anything else on the front/back covers.
2.7 Do not type using blue or red ink (unless stated); those colours are not suitable for photocopying and over time will fade.
2.8 Add a watermark to your Affidavit of Status – Link: Go to this article on the channel
2.9 Handwriting must not be joined up or cursive. Use quality watermarked 100gram paper and a blue ink biro/ball point or a fine tipped pen to autograph your name.
2.10 Where it states to **insert name or insert family name,** please write it in the style of : Compound fact format : should you have a middle name, ensure to insert a hyphen. : Joe-Bloggs : (See below).
2.11 When you have completed your Affidavit of Truth, remember to change pages 1-12 to black.
2.12 Print off your Affidavit of Status 3 times – those are your originals.

NOTE: See page 5 of this Universal Postal Union Basic information.
https://1drv.ms/b/s!AgAx_KKX8e4HgbIdjTYyfBuBAqD_fQ?e=gC5D0E

5.1 **A little bit of history: Due to the Post Offices being *privatised back in 2015,** all of UK Post Offices are now franchises and due to this, the Post Office staff do not understand what it means to "cancel the postage out" under Universal Postal Union Rules (this may be down to lack of training).

*Prior to 2015, all PO's would naturally cancel out paid-for documentation, Postage Stamps and Bank Giro Slips etc, to ensure the lawful jurisdiction (documentation docked at the Post Office over Port authorities) and thus prevent the unlawful re-use of the postage; also, providing evidence of which post office provided the service.

In the past you would have presented to the PO, your Bank Giro Slip with your payment for various bills. The Post Office staff would stamp both parts of the Bank Giro Slip: above and below the tear line (this ensures jurisdiction). The customer would be given back the top part with a stamped receipt.

5.2 Under Universal Postal Union, the cancellation of the postage stamp upon the document is paramount. It ensures that the post office under the Universal Postal Union has full control/jurisdiction over your paperwork.

DO NOT Copy - document by Deanne Santini

Below is a cancelled-out (obliterated) postage stamp upon the Affidavit of Truth

5.3 Using a stamp for postage without cancelling it is prima facie evidence that the postmaster of the local PO is committing mail fraud by taking a customer's money and not providing the paid-for service and providing you with the power of a cancelled stamp, as required under the provisions of the UPU (Universal Postal Union). **There are 192 member countries and here in the UK, the Queen is the Postmaster General for the** United Kingdom of Great Britain and Northern Ireland.
