

CALL FOR EXPRESSION OF INTEREST

We are pleased to extend an opportunity that has been presented to our association by the **Ethiopian Construction Project Management Institute (EPMI)** for training programs in Project Management, risk management and schedule management that the institute will be giving and certifying on.

Aim of the EPMI

To further build the project management and leadership skill set of professionals in the construction industry by giving them trainings, examining and certifying them.

Eligibility to register;

- Active member of AEA
- At least 8 years of demonstrated background in project management

Selected trainees are required to;

- Attend the training program from beginning to end. (dropping out mid-training will not be acceptable)
- Take an examination prepared by the institute upon completion of their training
- File their training documents appropriately
- Evaluate the experience once the training is done, as part of the survey to be conducted by the institute.
- Be willing to give out training based on the program prepared by the institute, upon completion of their training.

IMPORTANT NOTE:

- Date and period of the training is set to be announced by the institute once the selection process is over.
- EPMI highly encourages eligible women candidates to apply.

SUBMISSION FORMAT & DEADLINE:

Please email your resume including your testimonial letters in 1 merged pdf file before **May 9th, 2021** to AEA's email address, ethiopianarchitectsassociation@gmail.com
