Join Our Healthcare & Aesthetic Care Team

ABOUT ESTMED

ESTMED is an aesthetic and skin-health clinic in Addis Ababa providing personalized care in aesthetic medicine, laser treatments, skin rejuvenation, and hair restoration. Our team is committed to professional clinical practice, patient safety, confidentiality, compassionate service, and a positive client experience. We welcome qualified, dependable, and motivated professionals who want to contribute to high-quality client care.

CURRENT VACANCIES

1 Dermatologist

2 POSITIONS OPEN

Qualifications

Recognized medical degree with specialist qualification/training in Dermatology and a valid professional license/registration to practice in Ethiopia.

Experience

2+ years of relevant clinical experience.

Key Responsibilities

Conduct dermatology consultations and skin assessments; diagnose and manage skin, hair, and nail conditions within professional scope; explain suitable treatment options, risks, and expected outcomes; maintain accurate clinical records; follow infection-prevention and patient-safety standards; and ensure informed consent and appropriate follow-up.

2 Aesthetic Physician / Aesthetic Doctor

2 POSITIONS OPEN

Qualifications

Recognized medical degree and a valid professional license/registration to practice in Ethiopia. Training or experience in aesthetic medicine, dermatology, or related clinical services is required.

Experience

At least 2 years of relevant clinical experience.

Key Responsibilities

Conduct patient consultations and assessments; review relevant medical history; explain suitable treatment options, expected outcomes, and risks; provide or supervise treatments within professional scope; maintain accurate clinical records; follow infection-prevention and safety standards; and ensure informed consent and appropriate follow-up.

3 Aesthetic Nurse

2 POSITIONS OPEN

Qualifications

Recognized Diploma or BSc in Nursing and a valid professional license/registration. Training or experience in aesthetic care, dermatology, laser services, or client aftercare is required.

Experience

2+ years of relevant nursing experience.

Key Responsibilities

Assist the physician and clinical team during consultations and procedures; prepare treatment rooms, equipment, and supplies; maintain hygiene and infection-prevention standards; document care accurately; explain approved pre- and post-treatment instructions; monitor client comfort; and protect client privacy and confidentiality.

4 Medical Laboratory Professional / Laboratory Technician

2 POSITIONS OPEN

Qualifications

Recognized Diploma or degree in Medical Laboratory Science/Technology, with a valid professional license/registration where required.

Experience

2+ years of relevant laboratory experience.

Key Responsibilities

Perform laboratory procedures and handle specimens within the scope of training and authorization; follow quality-control, biosafety, and infection-prevention procedures; label, store, and dispose of specimens appropriately; maintain accurate laboratory records; monitor supplies and equipment; and report results or concerns through the proper clinical process.

5 Nurse / Medical Receptionist

2 POSITIONS OPEN

Qualifications

Recognized Diploma or BSc in Nursing and a valid professional license/registration. Strong communication, organization, computer, and client-service skills are important; reception or healthcare-administration experience is required.

Experience

2+ years of relevant experience in nursing, clinic reception, or healthcare client service.

Key Responsibilities

Welcome and register clients professionally; manage appointments, calls, and inquiries; coordinate client flow between reception and clinical staff; maintain accurate client information and confidentiality; support scheduling and follow-up; and assist with nursing-related duties only within the scope of professional qualification and authorization.

HOW TO APPLY

Interested and qualified applicants should submit a **CV/resume**, a **brief cover letter**, and **copies of relevant educational and professional credentials**. Clearly state the position you are applying for in your application. Applicants should ensure their professional license and contact details are up to date.
