Casher took some money for the holiday with intent to return but she did not. Before she returns the previous withdrawn money, [illegible] following holiday comes; she then took some more money. Meanwhile she was transferred to a different department before she returned all the money she withdrew for her personal use. When she was audited for handing over to the next casher, it was found that there is a shortfall of twenty thousand Birr. The public prosecutor wants to charge her for embezzlement of public money.

a. The public prosecutor should draw up two counts of embezzlement charges because the second withdrawal of money was done with renewed intent.

b. The public prosecutor should draw up only one count of embezzlement charge because the crime is committed against the same protected interest.

c. The public prosecutor should draw only one count of embezzlement charge because the second act with a renewed intent used to aggravate the sentence.

d. The public prosecutor should draw two counts of embezzlement charges because she took money twice.

One of the following does not correctly depict the law of state of emergency in the International Covenant on Civil and Political Rights:

a. Although protections against rights such as arbitrary arrest and detention and the right to a fair and public hearing in the determination of a criminal charge may be subject to legitimate limitations if strictly required by the exigencies of an emergency situation, the denial of certain rights fundamental to human dignity can never be strictly necessary in any conceivable emergency and therefore should not be made.

b. States have the discretionary power to determine what occurrence can be characterized as threatening the life of the nation as a ground for the declaration of state of emergency.

c. The ordinary courts shall maintain their jurisdiction, even in a time of public emergency, to adjudicate any complaint that a non-derogable right has been violated.

d. During the time of state of emergency, States may not derogate from non-derogable rights under any conditions even for the asserted purpose of preserving the life of the nation.
