Week 21 Day 1

Uses of Clothes

1. Listening:-

School Uniforms

Pre-listening

A. Make a prediction about the text based on the title, School Uniforms.

B. Do all schools have the same colour of school uniforms? Talk with a partner. (1min)

While listening

Copy the sentences into your exercise book. Fill in the gaps as you listen to the story. (2min)

1. Students wear uniforms in both_____and_____schools.

2. The_____ of uniform differ from school to school.

3. School uniforms make all students in a school wear the ____clothing style.

4._____help other people to identify among students, teachers and other
workers in a school.

School Uniforms

A school uniform is the type of clothing students wear in school. Students wear uniforms in both private and government schools. The colours of uniform differ from school to school. Most of the school uniforms include a skirt or trousers, t-shirt, and sweater. Boys wear a sweater, t-shirt and trousers. Girls wear a sweater, t-shirt and skirt. Students wear uniforms for different purposes. Uniforms show that students belong to a particular school. They help to avoid differences among students because they all wear the same clothing style. Uniforms help other people to identify students, teachers and other workers in a particular school.

1. Private and government
2. Color
3. Same
4. Uniforms

Post listening

Write the answers in your exercise book. (1min)

1. Do you think students should wear school uniforms? Why or why not?

2. Do you like the colour of your school uniform? Why or why not?

.

2. Speaking

A. Talk with your partner about the different uses of clothes.(1Min)

Example:-

We use clothes to keep warm.

Student 1: Why do people wear sweaters?

Student 2: People wear sweaters to stay warm. Why do people wear hats?

Student 1: People wear hats to protect themselves from the sun.

The End !

Topic

Word study, Reading, Vocabulary and Grammar

Objectives of the lesson

At the end of the lesson you will be able to

-Read words correctly and identify the end sounds of the word.

- Read texts about clothes people wear and answer the questions correctly.

- Pronounce the underlined words correctly.

- Write sentences using comparative degree.

3. Word Study

Look at the segmented words then read the whole word faster. Identify the sound you hear at the end of each word.(1min)

Root	+	suffix	Whole word
cold	+	er	colder
tall	+	er	taller
long	+	er	longer

Reading

Pre-reading

Talk with a partner about the following:

1. Make a prediction about the text based on the title, Clothes People Wear and the pictures.

While reading

Copy the questions into your exercise book. Read the text and write the answers (2min)

1.Why do we wear clothes?

2.Why do people wear white and light coloured clothes when the weather is hot?

3. Why do people wear jackets?

4. What are the items of clothes in the text? List them

1. Because, we wear clothes to cover our bodies and to protect ourselves from rainy, hot and cold weather.
2. They reflect sunlight and keep the body cooler in the sun.
3. They wear jackets to protect them from the cold.
4. Skirts, t-shirts, shirts, shorts, white clothes, sandals, hats, jackets, coats and sweaters.

Clothes People Wear

People use clothes for different purposes. They wear clothes to cover their bodies. They also use clothes to protect themselves from rain, hot and cold weather.

People wear different clothes that fit to the weather condition. In hot weather, people wear clothes such as skirts, t-shirts, shirts and shorts. People also wear white and light coloured clothes because they reflect sunlight and keep the body cooler. Some people wear sandals. Some people use hats to protect them from the sun. People wear jackets, coats and sweaters when the weather is cold. They wear these to keep warm. They also wear heavy, thick clothes to protect them from the cold. People wear shoes to keep their feet safe from sharp objects.

Post reading

Discuss the following questions with a partner.

1. When do you wear heavy clothes such as jackets and coats? Why?

2. Do you prefer cold or warm weather? Why?

5. Vocabulary

A. Work with a partner to read the dialogue out loud. Be careful to pronounce the underlined words correctly. (3min)

Student A: Good morning.

Student B: Good morning.

Student A: I think you must be new to this place. Is this your first time to come here?
Student B: Yes, it is. How do you know?
Student A: It is because of the way you dress. Today the weather is hot. People usually wear white clothes when it is hot, but you are wearing a jacket. People do not wear clothes like jackets and coats here.

Student B: Why do people here wear white clothes?

Student A: White clothes reflect sunlight. They make us feel cooler even though it is so hot here. We always wear shorts, t-shirts and sandals.

Student B: Thank you for your information. I will be here for the next two months. I will buy white and light coloured clothes soon.

Student B; Thank you for your information. I will be here for the next two months. I will buy white and light coloured clothes sun.

B. Write sentences using the following words.

white	light	jacket	coat

1. White clothes reflect sunlight.
2. The sun gives light.
3. You are wearing a jacket.
4. People usually wear coats when it is cold.

7. Grammar

A. Look at the table showing the temperatures in each city or town. The higher the number, the hotter the temperature is.

B. Write sentences comparing the temperatures in two cities or towns. Use the words hotter than and colder than

-Look at the following substitution table (2min)

Cities/Towns	Average temperature in degrees Celcius
Addis Ababa	23
Adama	27
Assossa	29
Bahir Dar	27
Dire Dawa	27
Gambela	39

Cities/Towns	Average temperature in degrees Celcius
Hawasa	27
Harar	22
Jigjiga	26
Mekelle	23
Semera	32

Examples:

Gambela is hotter than Semera.

Harar is colder than Assossa.

Grammar Spot

Words that compare We use the word than to compare two things.

Examples:

Semera is hotter than Assossa.

She is older than me.

I have more brothers than you.

Your car is nicer than mine
