Mahlet Cares for Animals

- Mahlet Cares for animals. She has cows, sheep, camels, goats and hens. She feeds and cares for them regularly. The food and care she provides to her animals keeps them healthy. It also improves the amount of meat and milk she gets from them.
- Mahlet gets meat from the sheep, cows, hens and goats. She also gets milk from the camels, cows and goats. She drinks the milk and eats the meat. Mahlet gets eggs from the hens. She also makes butter and cheese from the cow's milk. She sells the milk, cheese and butter at a market. Mahlet can get products like leather from the skin of sheep, cows, and goats. She also gets wool from the sheep. She sells the leather and wool to make money.
