Prayer

Father in Jesus name, we thank You for the Grace to learn at Your feet this day, Lord we pray that You illuminate our eyes to see, break down Your Word in our heart that we may receive deeper revelation of Your Word, thank You Jesus, in Jesus' mighty name I pray.

Introduction

I welcome you all in the name of the Lord Jesus Christ, I hope you are all doing fine, I believe you are enjoying Christ, may we all end well in Jesus Christ name, Amen.

Please, I want you all to follow this study carefully. I was planning to teach you something else, but the Holy Spirit keeps impressing this in my spirit, so I had to obey. I can vividly feel His presence on me now, and I don't know why, but I know it must be for a spectacular reason, that's why you need to concentrate now, if you must miss any study, it's not this one, please.

In this portion of the scriptures, we find Apostle Paul speaking to his son in the Lord —Timothy. Timothy was a youth, just like everyone of us here. In fact the bible says that he had known the scriptures right from his childhood! **2 Timothy 3:15 KJV AND THAT FROM A CHILD THOU HAST KNOWN THE HOLY SCRIPTURES, which are able to make thee wise unto salvation through faith which is in Christ Jesus**. So right from when Timothy was a child, he had known the scriptures, this means that he was given birth to in a Christian home. Just like many of

us. He was taught the ways of the Lord, he memorized scriptures, and understood it well. Is it not pathetic that many were born in Christian homes but do not know anything in the Holy scriptures? In fact they attend church weekly but are bible illiterates. Some of us can mention the names of the players on a football pitch even to the ones that are on bench and are not playing but can not mention the names of the twelve disciples of Jesus Christ. These ones do not know what they are doing yet, they only bear christian names without Christian characters.

Timothy was still a child when the word of God started getting its roots in his life. The Lord Jesus Christ was 12 years old when He began explaining the word of God to the teachers of the law, and they were amazed. This means that, as someone who is 12 and above, you do not have an excuse not to know the word of God. It's interesting to know that despite the fact that Timothy was a youth, he pastored a church where adults were, there must have been adults of 50 years upwards in his church, yet he was the leader of that church. This is to tell you that God is not concerned about your age when He decides to use you. You cannot expect a youth who is always fasting, praying and studying the word of God to be empty like an old man who sleeps, eats, and sits always to read the newspaper. There must be a difference. God is not biased, there is no shortcut with God, no matter what! It is pathetic that this generation has missed it in so many ways, some go about to see different men of God claiming they are tapping anointing, as a result they have gone to tap anointing from those who use marine spirits, and the anointing they now claim to carry has now turned into annoyance! God have mercy!

Please, I want you to listen to this and let it sink into your spirit man. If you are going to carry the burden of this generation, if you want to make a difference in your generation, you want your voice to cut across heaven and earth when you speak, you want

spiritual power as a young man or young lady, then there is no shortcut to receiving such power than you giving yourself up totally to the Lord Jesus Christ. This simply means that your body, soul and spirit must serve the Lord, you must be a prayer, word and fasting addict. Listen to me without these things there cannot be genuine spiritual power, if anyone tells you that there is power anywhere other than through these things it is a lie. That was why Paul told Timothy to give himself to these things. **1 Timothy 4:13,15-16 KJV Till I come, GIVE ATTENDANCE TO READING, TO EXHORTATION, TO DOCTRINE. [15] Meditate upon these things; GIVE THYSELF WHOLLY TO THEM; that thy profiting may appear to all. [16] Take heed unto thyself, and unto the doctrine; CONTINUE IN THEM: for in doing this thou shalt both save thyself, and them that hear thee**.

You must understand the place of totality, wholly means totally, no exempted part, everything about you must fit into these things — spiritual things, in this matter, you can't give part of yourself, no! It must be all... You must continue in them, no time to rest, no time to relax! I'm speaking to you out of experience, if you do these things consistently for 6 months, you will start getting afraid of yourself! I hope you understand what I'm saying? Let me tell you something, it is a secret many do not know. Majority of the problems your family is passing through, the Lord can solve them through you. But it's unfortunate that Satan has made you think you are still young and helpless, whereas it's not true! The truth is that, the same Holy Spirit that's in the life of that great man of God you admire so much is still the One in you, the only difference is just that Satan has boxed you to a corner so that you will not exercise your spirit man for it to be built up to the point of rising as a savior for your family. And with this Satan makes you think you are powerless and can do nothing. But all these are lies, he is afraid of you! If there is anything Satan will not want you to do, it's those three things I

have mentioned to you. He will leave you to do other things, but those three things? He will try to stop you from doing them with the last drop of his blood because he knows that that is where your power lies!

A person does not just wake up one day and be commanding demons and expects the demons to obey, is the person joking? You can't eat, sleep, and play 24/7 and expect power to overcome Satan, Noooo... Are you playing? You want to overcome satanic agents who are fasting 21 days dry sleeping on a burial ground throughout with your own fast of 3 days that you break by 12pm daily. You must be playing oo. Listen to me, for everyone you see walking in the supernatural, there's a track record of sacrifices! Be it that such a person is from God or Satan, a price must have been paid!

There are many benefits you'll get when you give yourself totally to these things. Let me give you some:

- You will begin to live a holy life.

- You will become too hot for your enemies to handle.

- You will become a terror to those around you who are having evil spirits.

- Demons begin to obey you without struggling with you.

- Sin will not have dominion over you.

- You will live above fear.

- You will be a solution to people's problems because Christ will be formed in you.

- You will have peace.

- You will walk in the supernatural.

These are only a few out of them.

Sometimes ago, a neighbor of mine gave birth and the child had hernia around his genitals, hernia is a protrusion of an organ or part (such as the intestine) through connective tissue or through a wall of the cavity (as of the abdomen) in which it is normally enclosed. So this disease does affect this child at least thrice in a month, and he would cry in pain for long. Being the first born, his mother did not know what to do, for she was told that the child would have to be operated on when he is older.

This thing started affecting the boy on this particular night, and she became confused and did not know what to do because she herself could no longer bear the cry. She knocked at my door which was unusual. I opened up, and she told me that her son was crying in pain. I could feel her pain even right as she was talking. She looked so confused of what to do as she was explaining to me, I was not a doctor, and I wondered why she called me in the first place, so I entered the room, with her and one of her tribes men, held the little boys small hand, and prayed for him that the Lord should heal him. As I was praying the boy's noise reduced and as I went out it increased, I told his mother not to worry that the Lord will heal him, I told some people too to join me in prayers after then. To the glory of God, ever since that night, the thing stopped. After about two months she said it has not happened to him again, I asked her if she used something for him,of which she said, No. Then I made her know that it was Jesus Christ that did it. At that point when she came to call me, she believed God could use me to do something about her situation and the Lord did. When you give yourself to these things, results like these would surely showcase in your life.

Why not begin to pay the price now?

There was a time that if I commanded demons they would just be there, and it was as if they were just looking at me as if what is this one saying now, he does not even know anything. When I

pray for people nothing happens, no healing, no miracles, no testimony. But some years back, I just decided to give myself to these things, though it was not easy, fasting, praying and studying became my best friends. Although why I embarked on them was not because I needed spiritual power but I wanted to live a life of total holiness, I wanted to live without sin at all but I observed that as time went on, anything I say comes to pass, I knew something has happened in the spirit realm, I knew I was no longer the same. That was when I understood what Paul said to Timothy better **1 Timothy 4:13 & 15 Till I come, give attendance to reading, to exhortation, to doctrine. [15] Meditate upon these things; give thyself wholly to them; THAT THY PROFITING MAY APPEAR TO ALL**.

Why do you need to give yourself wholly to these things, it's simply so that the result of it will be clearly seen in your life. This can be in the form of your Holy and Righteous living, it can be in the form of spiritual power too. Now we are in the season of fasting and prayer. Some people think fasting is punishment and they discard it. Some would even say that they cannot play with their stomachs... I laugh in Swahili, at least why don't you pay the price walking with the Lord and be the savior of your family and lineage from the hands of the wicked ones? Some families are suffering today because the savior there has refused to arise. He is still busy playing PS5, Whot, Ludo, soccer... he is still going to the football viewing center shouting GOAL!!!!! When his family is wasting away in oppression. Satan is busy afflicting some homes because the Lady warrior who should rise to bury the head of Satan is still holding eye pencil instead of the sword of the Spirit, still looking at the mirror as she's busy painting her face with all sorts of colors when she's supposed to be looking into the perfect law of liberty. She's rooted in worldly fashions which has made the fashioned weapons of the enemy to have its way in her family.

The truth remains that it's how much you give yourself over to the Lord that will determine the type of vessel you will be in His house. According to our Bible texts Paul mentioned different kinds of vessels, that of gold, silver, wood, and clay saying some are to honor and others to dishonor. The fact is that, it's how far you allow the fire of God's word to refine you that will determine your position. God wants to transform you, but you need to give yourself over to Him totally. **Malachi 3:3 KJV** **And he shall sit as a refiner and purifier of silver: and he shall purify the sons of Levi, and purge them as gold and silver, that they may offer unto the Lord an offering in righteousness**. God wants to make those who will release themselves to Him, He wants to purify, and refine them for them to be righteous. But if this must happen there must be a purging!

2 Timothy 2:20-22 KJV

But in a great house there are not only vessels of gold and of silver, but also of wood and of earth; and some to honour, and some to dishonour. [21] If a man therefore purge himself from these, he shall be a vessel unto honour, sanctified, and meet for the master's use, and prepared unto every good work. [22] Flee also youthful lusts: but follow righteousness, faith, charity, peace, with them that call on the Lord out of a pure heart.

I explained how to get power and the kind of vessel God wants us to be. The truth is that, no matter who a person is in God's household, he is a vessel. Yes, the only difference is the kind of vessel he is. It is how well you are able to purify yourself that will determine what kind of vessel you will be. Now please follow carefully. In your house, there are different kinds of cups and plates. In most families, the plates and cups used by the father of the house are different from others, the children are not allowed to use these plates in the house, because it has been consecrated

for daddy's use. The thing is that there are different kinds of plates and cups in a house. We can have them made out of glass, wood, clay, plastic, etc . There are plates/cups that are kept in a safe place and are not used generally, until when you have visitors. These plates are usually beautiful ones. We can say these plates are vessels unto honor. But let's take for instance, you know the potty chair that a small child uses for urination and defecation, can it be used to serve food for visitors? No! Although it is in that same house, yet it's not a vessel unto honor. In the same way, some people are gold in the house of God while some are ordinary potty chairs in that same house. What vessel are you?

2 Timothy 2:21 KJV

If a man therefore purge himself from these, he shall be a vessel unto honour, sanctified, and meet for the master's use, and prepared unto every good work.

The will of God for you, no matter who you are, or your age is that you are a vessel unto honor fit for an honorable use. God is the Master of our household, and He wants to display you on the table in front of His friends. Many of us think it is only men that love to flaunt what we have before others. Smiles, this is not true. Do you know that God also loves flaunting those who are vessels unto honor in His house before the public. Now, someone can be saying, how can God be doing that? He actually does, look at the case of Job

Job 1:6-8 KJV

Now there was a day when the sons of God came to present themselves before the Lord, and Satan came also among them. [7] And the Lord said unto Satan, Whence comest thou? Then Satan answered the Lord, and said, From going to and fro in the earth, and from walking up and down in it. [8] And

the Lord said unto Satan, HAST THOU CONSIDERED MY SERVANT JOB, that there is none like him in the earth, a perfect and an upright man, one that feareth God, and escheweth evil?

Please, read that carefully, did Satan say anything about Job before God brought Job into the matter to flaunt him before Satan? God was simply proud of Job, and He started talking about him mentioning why Job was a vessel unto honor in His hand. He said there is no man like Job on earth. In my native language (Yoruba) they use to say "Iru eniyan wa, iru Olorun ni o si" that is, "we can find someone like a person, it is only God that we cannot find someone like Him". But here God is saying there is no man like Job on earth. A perfect and upright man, remember that God said anyone who is fit for honor just like Job here, such is sanctified already. That is, set apart, this means that without you setting yourself apart you will never be a vessel unto honor in God's hands. Can God be also proud of you?

What is God testifying about you?

2 Timothy 2:21 KJV

If a man therefore purge himself from these, he shall be a vessel unto honour, sanctified, and meet for the master's use, and prepared unto every good work.

After God sanctifies a man thoroughly, such a person then becomes fit to be displayed for and in Honor and prepared for every good work. Have you always wondered why it seemed as if God is using some people greatly and you keep wondering why others are only used in small capacities. The truth is that some are not yet fit for EVERY good work, but some good works. How do you expect someone like Job to be present in the church where someone like Gehazi is, and you'd think God will put Gehazi in charge of money instead of Job. Gehazi is not fit for

that good work except if he wants to perish there. Imagine someone who after ministering in songs on the altar in the church, on his way home starts listening to hip hop and different kinds of worldly songs and dances thinking he is a vessel unto honor fit for every good works. Such a person must be joking. He is yet to set himself apart totally, he is not fit yet for every good work. I will advise you to stop envying people and getting jealous when God is using some people to His honor because you may not have a full idea of how much they have consecrated themselves, and are sanctified.

How do you want to compare someone who cannot do without having a boy/girl friend with someone whose boy/girl friend is the Lord Jesus Christ. No na, it's incomparable! At times, it's funny to see those who would not give up their sleep, food, pleasure to do spiritual activities crying to be used greatly by God. Ordinary attachments, earrings, make up, you cannot leave for God and you keep shouting that the Lord should make you a vessel in His hand, well, there are different kinds of vessels and you are already one, now look well to see the one you are. You are living in constant sin, yet you are crying for power, this is what I have observed in this generation, and I cannot but wonder how we got here, the youths are something else already, they live in sin yet they roar in prayers, I don't know where they got that combination from, ah! Hophni and Phinehas on the altar crying for power! Kai!!! What a generation!

Just imagine someone who has not sanctified himself yet to the point of running away from fornication, crying to be sent out to the youths of this generation who are sexually perverse. Will such not damn his soul? God wants to make use of you in every way for every good work but you are yet to set yourself apart totally in every aspect. Listen to this, *a man who would not set himself apart in every way cannot be fit for every good work*. if God decides to display you to the public like Job currently as you are,

not fitting as you ought to be, it will only bring you shame and disgrace. Not to you only but to God too, so He would not try it. Imagine putting a potty chair on the dining table before visitors. Can you imagine what it would look like? There are those who love attending wild parties, and they want to be used by God, they want to be vessels of great honor, yet they cannot do without partying, valentine's day is coming now, and they are already making plans to attend one or two parties, and planing who they will go out with, these are so called Christians o, hmmm, they go to **event centers that they call churches**. No living church will organize a valentine party for its members, just take note of that, if you attend such church kindly relocate!!

Things are happening in this generation, some who claim to be christians and want to turn this world upside down for Jesus Christ, planning to sleep over in a brother/sister's house to celebrate Val. These are people who don't know what they are doing, do they expect God to commit such a great thing into their hands? Ah!! When the Lord instructed me to begin to disciple children and teenagers, there were some things He taught me. Purity! Is one of them, in fact one of the major things. This comes with serious separation from the world. Without this, a man of God can be brought to dust easily. You must realize that what others are doing that may not be sin, must not be done by you. In as much as it looks like an appearance of evil, you must run away from it. Are you fit for every good work? There is something that must be noted here, it that you are PREPARED for every good work, a progressive sanctification is preparing you for every good work in the hands of the Master, this means that you cannot embark on any honorable work in His hands without you being first prepared. And I must tell you that, the time of preparation is not always easy because it's synonymous to "making" the more a person yields himself to God, the more prepared he is for every work.

"If a man purges himself" note that it's not God that will do the purging for any man, it is the duty of each person. Purging is synonymous to cleansing, you must cleanse yourself in and out **2 Corinthians 7:1 KJV** **Having therefore these promises, dearly beloved, LET US CLEANSE OURSELVES from all filthiness of the flesh and spirit, perfecting holiness in the fear of God**. You see that? Start purging yourself with the blood of Jesus Christ, and also start leaving those things God hates behind. Although, there are those who have gifts of the Spirit working in them, despite that they are living in sin, such people are only fit for what they are doing, nothing more and their end will be pitiable. But as for you O man of God. **1 Timothy 6:11 KJV** **But thou, O man of God, flee these things; and follow after righteousness, godliness, faith, love, patience, meekness**. You see that, flee those evil things they do, sinful things they pride themselves in, flee from them, live holy, don't join them.

I pray that we will purge ourselves, to be fit for the Master's use in Jesus Christ name. Amen.

2 Timothy 2:22 KJV

Flee also youthful lusts: but follow righteousness, faith, charity, peace, with them that call on the Lord out of a pure heart.

Apostle Paul had been saying a lot of things to Timothy his son in the Lord, then at this point he told him to flee youthful lust, looking at this carefully, one would see that Paul recognized that Timothy was a youth, and there are lusts that are common to youths, hence he said flee youthful lusts. He did not just say flee lusts but youthful lusts. Every kind of lust is to be run away from, Paul used youthful lust in order to make Timothy more careful about the things that are most prevalent amongst the youths. He knew that without him being careful he might be carried away. Timothy, a youth, who is pastoring a church where older men

are, is still meant to lay good examples for those he is leading. If he who is seen as a leader gets caught in the web of youthful lusts what would be the hope of those he is leading, most times the fall of a man of God can have a ripple effect on the congregation. Paul said flee! The thing is that today we have many things that are in the category of youthful lusts that if we are not very careful of, we might fall into them. Although it's more common among youths and teenagers. Before I begin to mention them one by one, I want you to understand what the word flee means very well, it simply means to run in terror! It means to run away often from danger or evil, it also means to fly, or to hurry toward a place of security. What does this mean? It means youthful lusts are dangerous and evil therefore you must FLEE! to the place of safety. If it means to fly away and you can fly, please fly away from youthful lusts, it's as serious as that, that was why Joseph fled!!! If as a youth, you don't want to disappoint God and your generation, then you must learn how to FLEE from evil or else you would be living on earth while you are already a story.

May it not be your portion in Jesus Christ name

Satan knows that youths are less experienced, he knows they are always curious, and always want to flow along with their peers, and he uses this as a tool against them. But many youths are uninformed and because if one is not well informed such would be deformed, therefore we have lost many of them to the world. In most cases, the church which is supposed to enlighten these youths from the word of God focuses more on the adults, not knowing that the youths are the ones who would determine what the future of the church would be. ***If you want to know what the future of a church would look like, look carefully at the kind of youths such churches are producing currently.***

It's a pity that many churches whose names are well heard today already have a dead future even before entering that future because of the worldly youths they are producing. Timothy was to be an example to the church as a whole, and since the church comprises old and young, the youths and children were to copy such lifestyle too.

As a youth, you also must check your life and ask yourself this question, *what will the future of my church be like, if all the youths there are living their lives like I'm living it now?* It's unfortunate that at the level we are now, the true church will soon go into extinction if we do not quickly do anything about it because this bible order and command "flee youthful lust" has been boxed to a corner. One of the most tragic things that we face in the church today is that the youths are left to have their way. So we let them live in worldly lusts and accommodate them like that in the church because we do not want to lose them to the world, not accepting the fact that they are already lost and need to be found!

Kindly say, ***may I not be among the lost youths in the church of Christ***

Many youths are deeply rooted in youthful lusts, as such though they are in the church yet they are not known by the Lord Jesus Christ, though they posses gifts of the Spirit yet they will be shut out of heavens gates with the voice"depart from me I know you not" what a terrifying voice it will be to those who would not flee youthful lusts to find themselves in such position on that great day. Ah!It is good to cry one's eyes out now to be free and enter into life, then take it with levity and regret in eternity.

Flee youthful lusts Paul said, you should know that lust is an unholy and excessive desire for something, it is usually an intense or unbridled sexual desire too, it also means personal

inclination. Now as a youth, what are the things you need to flee from?

1. **Bad Company:** This is a strong tool in the hand of Satan to destroy youths today, if Satan tries to get a youth or a teenager and he finds it hard to do, he would peer such up with his own children, and as time goes on, such person begins to get influenced, then he would begin to talk, act, sing, dress and think like them. If any youth would stand in Christ wherever he finds himself, he must realize that though everyone may want to be his friend but he can not be friends with everyone. When I was in university, I decided to follow some principles of which I knew that there can never be any way I could have gotten influenced with such rules in place. My department was one of the centerpieces of ungodliness if it's not the first. When I got to school, I realized that this place is not like where l was coming from.

2 Corinthians 6:14 KJV **Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?**

Therefore, I decided to make this a rule I put in my heart that, I am not of the world and I must not look like the world. I also increased my standard in Christ, so before I can call anyone my friend or get close to you, you must meet up with the standard I gave to myself, unfortunately, many did not meet up with it. Therefore the moment I know you don't meet up, I know I can never be close friends with you. Although, I talk with everyone and even play with everyone and this is also with limits. I put it in my mind that there is nothing good I can copy from the lifestyle of someone who is unregenerated in Christ, so I don't copy people, as a result I always walk alone most times. It is better to walk alone into life, than walking with the multitude

into hell. Not that I can not have friends but I don't want corruption in any way. A day came that someone asked me who my friend was, like who can I say is my closest friend, I answered her that it's everyone. I did not make it look as if I was holier than anyone because I'm also striving in this race to heaven, we relate well but I knew I was meant to live a different life. So I refused the bad company totally.

Those who get to school and become something else choose that path, it is as simple as that. The bible is clear about ungodly company. **1 Corinthians 15:33 KJV Be not deceived: evil communications corrupt good manners**. Don't be deceived by those who would tell you that there is nothing bad to socialize. That's how the devil has trapped many, children of God must live separate lives, you must shun ungodly company with everything in you. FLEE!!!

2. **Pornography:** This is the king of sexual lusts, it is the petrol that increases the flames of sexual desires in the hearts of men as a whole. Those who are married are to flee from it not to talk of youths who are not married. Satan knows that many youths are curious, they want to know everything, they want to know what adults do in privacy, they just want to see what's happening behind their backs. So he released pornography and guess what, he made it FREE!!! wow, FREE on the net, FREE in most films, FREE in some operas... It's FREE, FREE and FREE... and do you know that it's also a FREE ticket to hell fire!

Satan attached so many demons to pornography that, if one is not well disciplined and filled with the Holy Spirit the way he should, he would be caught in the web. The thing is this, a larger number of youths watch pornography often, a lesser number watch it once in a while, a lesser number watch it by mistake but only few quickly walk away, only FEW have never watched it. This is one of the reasons why the world is sexually corrupt, this

is also why immorality is thriving in the church, pornography the king of sexual lust has been enthroned in the heart of many inside the church. This is why many brothers and sisters masturbate in the secrecy of their rooms. You need to stop setting wicked things before your eyes. Pornography is a wicked thing well set before your eyes! **Psalm 101:3 KJV I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me**.

If you won't flee from pornography, you will obey Satan's instructions to live immorally. You don't need to give pornography a second look, just take your eyes off immediately and walk away. Be careful of the people's phones you collect to watch videos too. The majority of youths today have porn on their phones, even some adults, so be careful and when you see such FLEE!!!

3. **Worldly Fashion:** In the world we are in today, worldly fashion has taken over the world, and the disheartening aspect of the matter is that those who claim to be Christians are now carried away by these crazy fashion, to the point that they now compete with it. It is more rampant among teenagers and youths today because these are Satan's prime targets. I got to understand that why the young ones of this generation are getting worse in the aspect of fashion is because only few of them knows what the real model of dressing was, they were born into these crazy things they are doing, and they begin to see those who are modest in dressing as those who are doing the wrong things and the appropriate way of dressing now looks strange to them. Paul told Timothy, he said flee also youthful lust... That is anything that has to do with unholiness or excessive desire for something, or things that do not give glory to God, he said FLEE from them. No doubt, worldly fashion has taken over the earth and it has become normal to many. This is because *when abnormality stays too long without being corrected it begins to look normal*.

To the teenagers and youths of this generation the following things are seen as normal, whereas these things are abnormal before the Lord and they will never become normal in His sight because He does not change, only few amongst the youths looked back to know where they are coming from. This is why those who would flee youthful lust must be ready to face humiliation and rejection because the world is already perverse and God will not spare the offenders. Wearing crazy jeans, this is basically abnormal but because it has entered every nook and cranny of our society so it is now well celebrated even inside dead churches. It's unfortunate that many do not see this as anything and they are flowing along because that's what they see in the movies. As true children of God and end time soldiers, you must have the spirit of questioning things and finding out the origin of things before joining in. Those who test all spirits will not fall into the snare of the fowler? Another is ladies putting on trousers, it is now so common today that it has become normal, whereas it is not normal before the Lord and the Lord will certainly judge all those who are involved in it.

No matter how this generation tries to twist Deuteronomy 22:5 it will still stand against them on the day of judgment. These trousers are seductive, revealing the shapes and the contours of the body. This is a serious plague that has befallen us today, and one must flee from it.

Crop tops, some even wear this to town, it's part of the things you must flee from, which Satan has made normal. Exposing your belly button can be a turn on for the opposite gender, be careful. Walking bare breasts (without bra) to the girls here, listen to this carefully, this is part of the youthful lusts, you might be tempted to go bare breast don't ever do it because God will be angry with you.

Listen to me, your breast is not new to you because you see it every day, but to the opposite gender it means a lot, it may not have any effect on you but to the boys it has, it can spread lust, when you go braless, I have to make this clear to you. Your nipples push your shirt and it's clear to the eyes, and by this a male can lust after you. So for no reason should you not put on a bra before staying where males can come in contact with you, no matter how small you claim the breasts are. Don't expose the lines that divides your breast for any reason, cover them up properly, that's what the world does, don't join them, any cloth that if you bend down will reveal them adjust or change them, be careful, don't join all those who do that in this generation, they are perverse. Armless cloth is another thing to look into under worldly fashion, it's now seen as normal today, don't join them to wear it, FLEE from it, it exposes your armpits and it's seductive. In fact, let me tell you a truth you already know, it is that through the side of that armless cloth, your bra is revealed, and if it's an oversized one, your breast is revealed from the side, and if it's an undersized one, it will still be revealed.

And for no reason should your underwear be seen, Satan has really gone far in working to ensure that many youths and teenagers do not make heaven, those who must enter heaven must run away from these things. Short skirts, this is seriously one of the things you must flee away from like plagues. Those legs you flaunt about because you have fresh skin can seduce a person. Those laps, hmmm, many of you girls don't know that exposing your laps in a little way alone can make a man lust after you. So those skirts and gowns that reveal your laps when you are sitting or reveal the line between your two laps while sitting is part of worldly fashion, it will send another person to hell and even you too.

Tight clothes, gowns and skirts that cleaves to your body to the point that if you look at your mirror well, you would observe that

the shape of your virgina and buttocks is revealed, and even the lines of your pants are noticed, are so ungodly and has sent many to hell, it can also send you to hell if you don't FLEE from them. Worldly fashions, Transparent clothes, avoid see-through clothes like plague and even clothes with holes (i.e lace) don't even wear them at all. I have seen situations where a lady puts on a cloth and stayed where there's a reflection of the sun at the opposite side, and everything she wore underneath and her total shape was seen, some clothes are transparent even to the point that people can tell the colors of the underwear they wore correctly, these things do not please the Lord, as an end time soldier, you must FLEE from these things. The reason why emphasis is on the girls here is simply because they are more prone to worldly fashion than the boys. And these fashions they have seen as something normal which is totally abnormal. You need to begin to renew your mind now, so that you would be able to see the wrong things happening in this generation and take them as wrongs.

Now it boils down to the use of make ups and jewelry, many met these things like that from their parents, family or friends as they grew up and believed that it is the normal way of life, even to the point of fixing nails, eyelashes, and attachments. The most painful part is that, many of those who were born and bred in true christian families still add thread and wool to their hairs, and they think the Lord accepts it, these are also parts of worldly fashions rooted in worldly lusts. Going further, many do not even know or believe that plaiting the natural hair is not accepted by the Lord. (1 Timothy 2:9, 1 Peter 3:3) but because they met it like that as they were growing up, they joined in and continued in it. These are parts of worldly fashion which you must FLEE from.

Plaiting of the natural is a pagan practice, it originated from paganism. But it's unfortunate that many don't know today, and those who know pretend as if they do not know because they do

not want to offend anyone. But of a truth, the word of God is clear, plaiting at all is a worldly practice. As soldiers of Christ in this end time, you must do away with every worldly lusts, remember FLEE!!! A lot of emphasis is made on the worldly fashion of the female gender because they are much more carried away by fashion unlike their male counterparts.

It's so unlikely to see males of previous generations go into fashion like the ones in this generation. This is why the males are to be addressed too in this matter. Please follow carefully. I was ruminating sometime ago, trying to know why worldly fashion has so much eaten deeply into the culture of this generation unlike before. I was able to discover one possible reason apart from what the scriptures say that, "iniquity shall abound" in the end time. And it is that, many of those given birth to in this generation do not really have a knowledge of what modesty was in the previous generations because their parents broke the bridge of decency and modesty which existed in the past from moving to them, so they are ignorant and as such believed that what they met their own parents doing is the right one, not knowing that indecency and worldliness started gradually during the time of their parents.

2 Timothy 2:22 KJV Flee also youthful lusts: but follow righteousness, faith, charity, peace, with them that call on the Lord out of a pure heart.

The males too began to do what they found to be more prevalent in the society so they have gone off bible track on decency into worldliness. Another reason for this is not far-fetched, many of today's generation children do not study their bible anymore, but are always busy on the internet, playing games, watching secular movies, chatting, browsing, etc which is why they are caught in the web. Those who study their bibles well will never join in this end-time crazy fashion.

a. **Barbing of styles:** This is one of the worldly fashion teenagers & youths engage in today, just because it's now popularly done, everyone now joined the trend. That's youthful lust. It's a pity that many teenagers/youths given birth to in christian homes have joined the trend too, some did not do so at home but got to school and changed, barbing different kinds of hair styles. Some parents have lamented and lamenting against this, yet some children turn deaf ears to the voice of their parents because Satan has blinded their hearts. They go to the barbershop and cut the edges of their hair round, then the hair in the center would then look like a coffin, some would give it different kinds of shapes, calling it a nice cut. It's so shameful that some, if not most churches now allow those with these demonic hairstyles to serve as ministers in the church saying they do not want to lose them, whereas they are long lost. **Leviticus 19:27 KJV Ye shall not round the corners of your heads, neither shalt thou mar the corners of thy beard**.

In the olden days those who barb the styles on the head of most youths and teenagers of this generation are the acolytes or priests of gods and goddesses, or slaves, but now, it has been turned into fashion. Any hair style that makes a part of the hair higher than the other part is demonic and can send you to hell. The Lord demands 100% holiness both within and without. You shall not shape the hair, that's God's commandments right from ancient times, and it will not change because God does not change. This is why all those who want to serve Him and make heaven must be ready to count the cost and forsake all for His sake.

Flee youthful lust so says the scriptures.

If you are reading this and you have been warned severally because of the demonic hairstyle on your head and you refuse to

change, I will advise you to take this last warning and change because most of these hairstyles came from the kingdom of Satan, those with them will also end there. If you love your soul, better run from all forms of obama, afro, round the city, shaping, blending, twisting, dreadlocks, tinting, dying, painting etc. All these are a highway to hell fire. God will not spare all those who refuse to repent and obey Him.

It's a pity to discover that many parents also have such demonic hairstyles on their heads, more pitiful to see that some self acclaimed pastors, teachers, apostles, bishops, prophets, Evangelists, ministers etc have them on their heads too. Listen carefully, the Lord will not spare them either for the souls they are leading to hell as a result of the demonic hairstyle on their heads. No genuine Holiness & Righteousness preacher would have such hair style on his head because the Holy Spirit frowns so much at it. No matter how much anyone can try to defend this, if you have such hairstyles on your head you are under demonic manipulation.

b. **Crazy Jeans:** This is common today with the males, although the females do so too. Wearing tattered jeans, tattered clothes were known to be worn by mad people but today most youths and teenagers are showing the symptoms of insanity all in the name of fashion. It's so shocking and irrational to see people going to the boutique to buy turn clothes at high prices. We should know that this is not ordinary but as a result of the crazy world we are in. Crazy things happening here and there. When Adam and Eve sinned against God and they found out that they were naked, they got fig leaves to cover their nakedness because they were ashamed, God saw how ashamed they were then made cloth for them from animal skin, because He does not want them to be naked but it's quite unfortunate that, what Adam and Eve saw to be a shame is now what is being

exposed today and revealed shamelessly. You will not believe that Adam & Eve hid themselves from God because of their nakedness but today people go even to the presence of God to showcase their nakedness. What a generation!

It's so unfortunate to see ladies putting on these tattered clothes that reveal their laps and underwear. There is a cloth currently released by hell fire, that cloth blends with the color of your skin and tights so much on your body that it brings out the full anatomy of the body to the point that if someone looks from afar the person might think such a person is naked. Haba! Just because Satan wants to destroy souls in hell. Unfortunately, people are wearing it too. Even from the name CRAZY JEANS, anyone with his discretion working perfectly should be able to know that it is meant for crazy people and not sane people. But because the world now sees negativity as positivity they overlook the words, whereas, it's the devil at work. Please listen carefully to this, Satan hardly hides his evil deeds, he would make it clear for you to make your choice. If a cloth is from his kingdom he would certainly put his marks, words, symbols on it, or even give it a name which when carefully examined, one would see that it has his identity, but many overlook these things because they want to flow with the trends. There some clothes with 666 written on them, hell fire, dragon, 💀 skull and bones, dead, scorpion, lion, spider, Tiger, blood etc many still wear them about ignorantly not knowing that these clothes makes them polluted before God.

c. **POPULAR Designer/branded clothes:** Until now many people, even some christians believe that those who do not wear popular designer/branded clothes are poor, so they love these clothes to show their riches. Many do not know that Satan has devised numerous ways to send their souls to hell, so they are carried away. Well, some might argue that popularly branded clothes are good but the question is,

among whom is it most popular, it's simply among unbelievers. For example, jeans are more popular among unbelievers, that's part of why we advise that people do away with it so as to be separate from the people of the world, apart from the fact that its source is demonic. In the same way, most companies that produce branded clothes have signed a pact with the devil and have his demons attached to them. Which is why they became so popular, and you can easily identify some of them through their logos and designs. Example is Versace with the snake hair Logo. Don't think these things are ordinary, they are not but intentional, you are the one who is not supposed to be ignorant. Now, someone might say, what if I pray on them after buying, no! God does not sanctify Satan's properties. It is Satan's and it remains his, no matter the amount of prayers. It is God's children that will have nothing to do with them.

Some people experience constant demonic attacks, and oppression because of the branded materials they bought with these demonic logos on them. They have served as stepping stones for demons into their house. You would have to burn many of these things, and also pray to detach yourself from the spirits behind them. Many people have done so much harm to themselves than good by following these worldly fashions.

4. **Evil Communication:** In our world today, evil communication is now the order of the day, it has taken over the lives of many youths and they do not take it as anything, whereas Satan is using it to capture souls to hell. No doubt, evil communication is one of the youthful lusts that you must flee away from in this end time, if you want to make heaven and also be a great weapon in the hands of the Lord, Jesus Christ. **1 Corinthians 15:33 KJV Be not deceived: evil communications corrupt good manners**. The word of God is clear, no matter how good your manners are,

no matter the good habits you have, evil communication will corrupt them and in turn corrupt you. You do not need to argue this, there are many ways Satan is using to instill evil communication into the hearts of youths today, we would explore some. This is because Satan knows that these things will defile a man and stop him from making heaven. He knows that death and life lies on the tongues of men, he knows that words are powerful which was why the world was created through words. **Proverbs 18:21 KJV Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof**. It is whatever someone wants to reap that he would sow. If you continue to sow death through your communication you will reap death. It is simple. Many youths have destroyed their lives and destinies and that of others through the words of their mouth. And Satan has created many avenues for many to be caught in the web of this, so that they will perish. May you not perish in Jesus name.

Here are some of his tactics through which he captures youths through the words of their mouths.

a. **Through comedy:** You might be shocked or wondering how comedy can amount to evil communication before the Lord, Satan knows what he's doing, he is not a fool. He knows if he presents evil communication to you plainly you will reject it so he uses comedy. And one of the most popular of his tactics is the incorporation of the name of Jesus into comedies. Please read carefully, **Exodus 20:7 KJV Thou shalt not take the name of the Lord thy God in vain; for the Lord will not hold him guiltless that taketh his name in vain**. Jesus Christ is the living God! and for Satan to be using His name for comedy that they shout "Jesus!" "Jesu" (Yoruba language) in vain, he knows youths too will begin to do the same jokingly in ways that do not glorify God. Then God will not hold them guiltless.

It's common to see many video comedies today that mention the name of the Lord in vain. This is why you need to flee from most of these comedies and don't laugh at them. They profane the name of the Lord. Constantly watching them will lead you into evil communication.

b. **Through Worldly Songs**: If you listen to worldly songs, your communication will certainly become corrupt! If you observe carefully, most of the words that turn out to be slang emanated from these secular songs, and of a pure truth many of these artists are covenanted to Satan. Many have sold their souls already to him, and release words from hell fire to the world so that people will get acquainted with these words for them to be defiled. That is why their songs are filled with filthy words, sensual words, abusive words, derailing words etc. They are evil communications/words popular among youths today which you must flee from.
c. **Through Slangs:** Flee from slang, it's a pity that many say slangs without knowing the origin of such slangs, even to the point that they say it in the church, youths are always carried away with trends, they want to feel among and flow along. You don't need to feel among, simply because you are different and you are not meant to be among them, you have been called to be separate! Therefore, you can't fit into their lifestyle. **2 Corinthians 6:17 KJV Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing ; and I will receive you,**

Kindly say, *I can't fit in because I have been called out*

Certainly, you will be tempted to use words that are commonly used by the people of the world, that's why you must purge your heart always to be free from these evil words. They easily sit in the heart of youths and will come out easily from the mouth, for out of the abundance of the heart the mouth speaks. Jesus said

this with alacrity when He was talking about the Pharisees. **Matthew 12:34 KJV O generation of vipers, how can ye, being evil, speak good things? for out of the abundance of the heart the mouth speaketh**.

Those whose words are bad are those who are evil, the Lord made it clear. If you always say evil things, then it means you are an evil person, and whatever is said with one's mouth can determine one's destiny and the end point of one's life. **Matthew 12:37 KJV For by thy words thou shalt be justified, and by thy words thou shalt be condemned**. My dear youths, this is why you cannot joke with evil communication. You must flee!!!!! Don't get condemned, the Lord wants purity even in words.

Look at this, **Colossians 4:6 KJV LET YOUR SPEECH BE ALWAY WITH GRACE, SEASONED WITH SALT, that ye may know how ye ought to answer every man**. Your words must be edifying to the hearers. **Ephesians 4:29 KJV Let no corrupt communication proceed out of your mouth, but that which is good to the use of edifying, that it may minister grace unto the hearers**. If what you are talking about does not edify people, there is no relevance in it. Lastly see, **Ecclesiastes 10:12 KJV The words of a wise man's mouth are gracious; but the lips of a fool will swallow up himself**. It's clear, may your words not lead to your doom in Jesus Christ name.

5. **The Love of Money:** Please listen to me carefully, this is one of youthful lusts. The love of money has eaten into the hearts of many youths today, and if you are not careful you can also be caught in the web. Money is not the root of all evil, but the love of it is. Money is good and necessary, but it's not everything in this world, Jesus Christ is everything!. Many want money at all costs, as such they do not mind whatever way it comes. Ladies now go after fraudsters because of money, and many of them have been used for rituals. Just because of the hardship faced

financially all over the world currently that does not give you a right to go into fraudulent acts. Love of money has pushed many into sports betting, baba ijebu, lotto, rituals, yahoo yahoo (+), taking of bribery, kidnapping, killing etc. See what Paul told Timothy. **1 Timothy 6:10 KJV For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows.**

Many of those who loved money and have coveted it have gone into irreversible errors and are living in sorrow, they sold their souls to Satan because of money. Do you know that youths now go into ministry because of money? Hmmm... Youthful lusts! You must flee beloved, flee these things. **1 Timothy 6:11 KJV But thou, O man of God, flee these things; ...**

This is why many youths will not play instruments in the church or render services in the church if they will not be paid, they are concerned about payments not about service. Money is what gives them direction, not God.

Don't let money enter your head, be very careful, if you realize you can no longer do things for free without being paid, then you should know that the love of money has taken over your heart. This has made many go into sugar daddies and sugar mummies. Many youths have become irrelevant to God even in His house because they love money like Judas. You should always know that no situation is permanent, if you don't have money today, God can still bless you tomorrow, all you need to do is to be faithful to Him. Paul says, man of God, woman of God, flee these things, this means guys should run away from these things in terror!
