Group Planning Exercise (GPE) - 1

You are a group of NCC students who had come from Rampur for Firing to the ranges by a van. You have been told to return for the Campfire, which is scheduled for 7PM. As you moved out from the ranges your vehicles stalled near the Road Junction as the filter was blocked. Driver informed that it would take half an hour to repair the van. Meanwhile You decided to have a cup of tea at the teashop. Just then the priest of the Kali Temple came and informed that an armed man in uniform was hiding in the temple. The priest also informed that he was the same individual who hod deserted from the Chanda Police Station with o weapon 3 days bock. As you were planning on your course of action, a scooterist came and halted near the tea shop as his tyre got punctured. You overhead him saying that he hod seen a speeding car with two occupants skid off the rood and overturn, halfway from Bangali Bosti, and since he was in a hurry to reach the Solio Railway Station to receive his son, he could not stop and help the injured persons. He requested for help as he wanted to reach the Railway Station at the station before the train arrive. In the meanwhile, you saw a man come on a bicycle to the Teashop from the direction of Bhagu Jungle. He told the shop owner that he saw the local goon Appan and two of his associates forcibly dragging a young girl, daughter of the doctor from Bengali basti, into the jungle. He requested to use the telephone at the shop; however he was informed that all the telephone lines ore dead since the lost two days. The time now **is 4 PM.As a young and bold students what will you do?**

Group Planning Exercise (GPE) - 2

You are a group of students who have come from Bhagu, a District Headquarter in a matador to the Salia Canal rest house for a sight seeing trip. You were required to get back by 8.00 PM to participate in the annual function organised by your society. You got down at the rest house and saw a family boating in the river. Then you decided to visit the Salia Fort. When you returned to the rest house, one of your friends told you that he had forgotten the bag containing the camera in the fort. You were planning to receive the camera when you heard a shout coming from the direction of the track junction and saw a man stumbling towards you. When you rushed to him, he told you that he and his wife were scientists belonging to Rampur, a district headquarters. They had come to the Bhagu jungle on their motorcycle to carry out a research on rare birds. He further explained that two gangsters had followed them from Salia city. While they were returning back to Rampur from Bhagu jungle, the gangsters had stopped them at the track junction and took his wife as a hostage and demanded for his research papers. He tried to resist but was badly beaten up and told to get his research papers to the cave in the jungle by 6.30 PM. He also told you that they had warned him against informing the authorities. The man fell unconscious after narrating his tale. You were planning on your course of action when you heard screams from the riverside and saw a boat carrying three children drifting fast in the river towards Bhagu. As you rushed to help to help, you saw the parents in panic. The time now is 5.30 PM. As bold young students what will you do?
