CHAPTER ONE

GOD *of 24*-HOUR MIRACLES, ARISE

God is ever ready to perform miracles. He is ever present to turn our situations, to instances of testimonies. The story below will encourage you, as you will discover, that within twenty-four hours, God can spring surprises, and make you to rejoice.

> ***"And it came to pass after this, that Benhadad king of Syria gathered all his host, and went up, and besieged Samaria.***
> ***And there was a great famine in Samaria: and, behold, they besieged it, until an ass's head was sold for fourscore pieces of silver, and the fourth part of a cab of dove's dung for five pieces of silver.***
> ***And as the king of Israel was passing by upon the wall, there cried a woman unto him, saying, Help, my lord, O king.***
> ***And he said, If the LORD do not help thee, whence shall I help thee? out of the barnfloor, or out of the winepress?***
> ***And the king said unto her, What aileth thee? And she answered, This woman said unto me, Give thy son, that we may eat him to day, and we will eat my son to morrow.***
> ***So we boiled my son, and did eat him: and I said unto her on the next day, Give thy son, that we may eat him: and she hath hid her son.***
> ***And it came to pass, when the king heard the words of the woman, that he rent his clothes; and he passed by upon the wall, and the people looked, and, behold, he had sackcloth within upon his flesh.***
> ***Then he said, God do so and more also to me, if the head of Elisha the son of Shaphat shall stand on him this day.***
> ***But Elisha sat in his house, and the elders sat with him; and the king sent a man from before him: but ere the messenger came to him, he said to the elders, See ye how this son of a murderer hath sent to take away mine head? look, when the messenger cometh, shut the door, and hold him fast at the door: is not the sound of his master's feet behind him?***
> ***And while he yet talked with them, behold, the messenger came down unto him: and he said, Behold, this evil is of the LORD; what should I wait for the LORD any longer?"*** **2 Kings 6:24-33**

The story above shows, that no condition is beyond redemption. Even, when

hope appears lost, God will surprise you. He will create an oasis in a desert and make a way, where there is none. How did God make a twenty-four hour miracle possible? Read the rest of the story.

> ***"Then Elisha said, Hear ye the word of the LORD; Thus saith the LORD; To morrow about this time shall a measure of fine flour be sold for a shekel, and two measures of barley for a shekel, in the gate of Samaria. Then a lord on whose hand the king leaned answered the man of God, and said, Behold, if the LORD would make windows in heaven, might this thing be? And he said, Behold, thou shalt see it with thine eyes, but shalt not eat thereof."*** **2 Kings 7:1-2**

God made the impossible possible. This reminds me of the words of a song writer: **A Mighty Fortress Is Our God**

A mighty fortress is our God, a bulwark never failing; Our helper He, amid the flood of mortal ills prevailing: For still our ancient foe doth seek to work us woe; His craft and power are great, and, armed with cruel hate, On earth is not his equal.

Did we in our strength confide, our striving would be losing; Were not the right Man on our side, the Man of God's own choosing: Dost ask who that may be? Christ Jesus, it is He; Lord Sabaoth, His Name, from age to age the same, And He must win the battle.

And though this world, with devils filled, should threaten to undo us, We will not fear, for God hath willed His truth to triumph through us: The Prince of Darkness grim, we tremble not for him; His rage we can endure, for lo, his doom is sure,

One little word shall fell him.

That word above all earthly powers, no thanks to them, abideth; The Spirit and the gifts are ours through Him Who with us sideth: Let goods and kindred go, this mortal life also;

The body they may kill: God's truth abideth still, His kingdom is forever.

Another song writer reminds us of the fact that, all things are possible with God.

How Firm A Foundation

How firm a foundation, ye saints of the Lord,
Is laid for your faith in His excellent Word!
What more can He say than to you He hath said,
You, who unto Jesus for refuge have fled?

In every condition, in sickness, in health;
In poverty's vale, or abounding in wealth;
At home and abroad, on the land, on the sea,
As thy days may demand, shall thy strength ever be.

Fear not, I am with thee, O be not dismayed,
For I am thy God and will still give thee aid;
I'll strengthen and help thee, and cause thee to stand Upheld by My righteous, omnipotent hand.

When through the deep waters I call thee to go,
The rivers of woe shall not thee overflow;
For I will be with thee, thy troubles to bless,
And sanctify to thee thy deepest distress.

When through fiery trials thy pathways shall lie,
My grace, all sufficient, shall be thy supply;
The flame shall not hurt thee; I only design
Thy dross to consume, and thy gold to refine.

Even down to old age all My people shall prove
My sovereign, eternal, unchangeable love;
And when hoary hairs shall their temples adorn,
Like lambs they shall still in My bosom be borne.

The soul that on Jesus bas leaned for repose,
I will not, I will not desert to its foes;
That soul, though all hell should endeavor to shake, I'll never, no never, no never forsake

There was a terrible situation, that confronted the people of Samaria during the reign of King Jehoram. The terrible situation was recorded in the book of 2Kings 6:24-25: ***"And it came to pass after this, that Benhadad king of Syria gathered all his host, and went up, and besieged Samaria. And there was a great famine in Samaria: and, behold, they besieged it, until an ass's head was sold for fourscore pieces of silver, and the fourth part of a cab of dove's dung for five pieces of silver."***

AN EVIL ASSAULT

Benhadad king of Syria gathered his army together, and besieged Samaria. The dictionary meaning of besiege is, to bombard, or to assault, or to Jay siege, or to close in on, and it is also to overwhelm. The people of Samaria were completely confined, until an ass's head was sold for eighty pieces of silver, and the fourth part of a cab of dove's dung for five pieces of silver. What a terrible situation! The Bible also records, that because of the scarcity of food, people started eating their children.

> ***"And the king said unto her, What aileth thee? And she answered, This woman said unto me, Give thy son, that we may eat him today, and we will eat my son tomorrow. So we boiled my son, and did eat him: and I said unto her on the next day, Give thy son, that we may eat him: and she hath hid her son."*** **2 Kings 6:28-29**

This is wickedness of the highest order on the part of the Syrians, against the Samarians. But, a terrible situation like this calls for a cry onto the God of 24-Hour miracle, to arise and do something. There was a cry, that got the attention of the God of 24-hour miracle, and He responded, through the mouth of Prophet Elisha.

> ***"Then Elisha said, Hear ye the word of the LORD; Thus saith the LORD, Tomorrow about this time shall a measure of fine flour be sold for a shekel, and two measures of barley for a shekel, in the gate of Samaria."*** **2Kings 7:1**

For God is not a man, that He should lie (Number 23: 19). And, it came to pass, as prophesied by Prophet Elisha.

> ***"And the people went out, and spoiled the tents of the Syrians. So a measure of fine flour was sold for a shekel, and two measures of barley***

for a shekel, according to the word of the LORD." 2 Kings 7:16

AWESOME GOD!

Who is this God of 24-hour miracle?

He is the God of instant miracle. He is the God, that doeth great wonders. (Psa 136:4) To him, who alone doeth great wonders: for his mercy endureth forever He is the God of I am that I am, that no power can resist Exo 3:14 ***"And God said unto Moses, I AM THAT I AM: and he said, Thus shalt thou say unto the children of Israel, I AM hath sent me unto you."*** He is the God Jehovah, the One Who has all the means, all the ways, all the knowledge, and all the powers to do what He wants to do. He is the absolute God, Who has absolute control over all issues, all circumstances and all situations. He is the divine God, Who creates something our of nothing. He is the Alpha and the Omega, the One, Who knows the end from the beginning.

THE MEANING

One can now answer a question of what it means, to ask this God of 24-hour miracle to arise. It means, one is asking Him to step in, and change a contrary situation to good. It means, one is asking Him to step in, and recover one's health, one's wealth, one's marital destiny, and so on. It means, one is asking Him to step in, and scatter the siege of the enemy. It means, one is asking Him to step in, and deliver one from every evil hold. It means, one is asking Him to step in, and glorify His name in one's life. It means, one is asking Him to step in, and silence contrary voices rejoicing, because of a terrible oppression.

It means, one is asking Him to step in, and wipe away the tears. It means, one is asking Him to step in, and crown him with a crown of glory.

God spoke to Moses about appearing to Abraham, Isaac and Jacob, by the name of God Almighty.

> ***"And God spoke unto Moses, and said unto him, I am the LORD: And I appeared unto Abraham, unto Isaac, and unto Jacob, by the name of God Almighty, but by my name JEHOVAH was I not known to them."*** Exo 6:2-3

God is saying here, that Abraham, Isaac and Jacob did not know Him, by the name God Jehovah. It, therefore, implies that God's appearance in a situation, or to an individual will depend on some factors, known to God alone.

WHEN GOD ARISES

Now the question is: when will God appear, or arise for a person by the name; God of 24-hour miracle? When the cry of a person, or people disturbs God. 1Sam. 9:16. When God wants to defend His interest in a person, as He did for Elisha.-2 Kings 7:1 When God wants to show His power. – Ex. 9: 16,18 When God wants to deliver the enemies, into the hands of a beloved.- Joshua 11:6

CHAPTER TWO

LET DOWN
your
NET

"And it came to pass, that, as the people pressed upon Him to hear the word of God, He stood by the lake of Gennesaret, And saw two ships standing by the lake: but the fishermen were gone out of them, and were washing their nets. And He entered into one of the ships, which was Simon's, and prayed him that he would thrust out a little from the land. And He sat down, and taught the people out of the ship. Now when He had left speaking, He said unto Simon: "Launch out into the deep, and let down your nets for a draught". And Simon answering said unto Him: "Master, we have toiled all the night, and have taken nothing: nevertheless at Thy word I will let down the net". And when they had this done, they inclosed a great multitude of fishes: and their net brake. And they beckoned unto their partners, which were in the other ship, that they should come and help them. And they came, and filled both the ships, so that they began to sink. When Simon Peter saw it, he fell down at Jesus' knees, saying: "Depart from me; for I am a sinful man, O Lord". For he was astonished, and all that were with him, at the draught of the fishes which they had taken: And so was also James, and John, the sons of Zebedee, which were partners with Simon. And Jesus said unto Simon: "Fear not; from henceforth thou shalt catch men". And when they had brought their ships to land, they forsook all, and followed Him." Luke 5:1 -11

A REAL EXPERIENCE

This is an interesting story. The fishermen had closed for the day, when Jesus arrived. They would have been discouraged, because they toiled all night without catching anything. They went through the cold night, and had nothing to show for it. Some of them might be ashamed, to go home empty-handed. Maybe their wives had nothing to cook, and were waiting for the fish, that the husband would bring home. Such a man would not be able to face his wife. How does one explain this kind of a fruitless toil? Many people are in that kind of situation today; they arc children of God, filled with the Spirit of God, but are toiling without having good results. They are at the verge of leaving every thing, and going back to the world.

It is easy to give up, when you are completely discouraged, but the truth is that, it is darkest before dawn. The darker the night of gloom, the brighter the morning of joy. When it appears, and you are at your wits' ends, look up to the Lord, He will surprise you. Meditate upon the song below:

He Leadeth Me
He leadeth me, O blessed thought!
O words with heav'nly comfort fraught!
Whate'er I do, where'er I be,
Still 'tis God's hand that leadeth me.

He leadeth me, He leadeth me,
By His own hand He leadeth me;
His faithful follower I would be,
For by His hand He leadeth me.

Sometimes mid scenes of deepest gloom,
Sometimes where Eden's bowers bloom,
By waters still, over troubled sea,
Still 'tis His hand that leadeth me.

Lord, I would place my hand in Thine,
Nor ever murmur nor repine;
Content, whatever lot I see,
Since 'tis my God that leadeth me.

Refrain:
And when my task on earth is done,
When by Thy grace the vict'ry's won,
E'en death's cold wave I will not flee,
Since God through Jordan leadeth me.

Are you tempted to give up? Do not give up. Do not allow the enemy, to make you give up at the edge of your breakthroughs. If you are in that position, I will encourage you not to give up, because the Man of Nazareth is passing by. The woman with the issue of blood, had tried every means possible, in order to get healed. She had spent a lot of money, but there was no improvement in her

situation. She had almost given up, but she discovered Jesus. She made up her mind, that if, she could get as close as touching the hem of the garment of Jesus, she would be healed. There was a great crowd, but she did not allow that to discourage her. She made her way through, and was able to touch the garment, and she received an instant healing.

PETER'S BOAT

There were two boats at the seashore, but Jesus asked for Peter's. I pray that the Lord will pick you today, in the name of Jesus. He sat in the boat, and He started to preach to the people there. Peter did not mind; even though he was ready to go, he gave Jesus the chance to use his boat. He did not know, that his miracle was on the way. When Jesus finished preaching, He told Peter to launch out his net, into the sea. Peter told Jesus that they had toiled all night, but caught nothing. He was in a position to teach anyone, the intricacies of fishing; he knew when it was best to catch fish. However, he obeyed the Lord, and thrust out his net. He knew that Jesus was not a fisherman, but he felt the authority in His word. He must have listened to the sermon, that Jesus preached in the boat, and came to the realisation of the authority, that Jesus has, as the Son of God.

Peter said: "At Your word". He let down his net, without trying to find the logic in it. The catch was incredibly enormous; to the extent that the net begun to break. That is what the Bible calls: "filling to overflow". Peter and his friends had to call for assistance, from the people in the other boat. Even, the other boat was filled with fish. I pray, that your breakthrough will be enormous too, in the name of Jesus.

Putting yourself in the position of Peter, would you have obeyed, as he did? Would you not have lectured Jesus on the techniques of fishing? Would you not have recounted all that happened, whilst you were toiling throughout the night? Would you not have reminded Jesus, that He was not a fisherman? Would you not have said, that He could know something about carpentry, being a carpenter's son, that fishing is different? This shows that God, sometimes, works in opposite logic. The trouble with many people is that, they fix their eyes, brain and all their faculties, in one direction and believe, that God just has to work in a stereo-typed way. They do not know, that God works in mysterious ways, in order to perform His wonders.

JESUS IS NEAR!

If someone had told Peter, that, even, though he did not catch anything all night, he would go home with fish, he would not have believed it. Are you about to pack it all up? The Man of Nazareth is passing by today. Jesus made a simple request, and Peter humbly inclined. Is there anything in your life, that God wants to use? It could be your talent, your position, your time; it could be anything. Find out, what it is, and comply with His demand. The prayers I am suggesting to you in this book, are the ones that will make you let down your net into the sea, and get a good catch.

The fish is always there; all you need do is let the net down for a catch. These are prayers, that you have to pray, until something happens. It is a kind of catch, that will make nets break. Whilst you are still thanking God for what He has done, He will do more, that will show Him, as the God of the maximum. The God that knows no bounds.

Peter had worked all night; he had caught nothing, he engaged in profitless hard work; he had spent his energy, and tried all he could, by his own power; nothing worked. When he met the Man of Nazareth, he passed the first examination of releasing his boat. Sometimes, God needs something from us, that will advance what He wants to do in our lives. What would have happened, if Peter had refused to give Jesus His boat, for whatever reason? He was also patient, to wait for Jesus to finish His preaching, and that patience paid off. His night of toil and fruitless hard work vanished, when Jesus told him to let down his net. The Bible does not tell us, why Jesus asked him to let down his net. Was it to demonstrate the power of God? Was it to compensate Peter for having lent Him his boat? That is how God works.

A MYSTERY

You do not have to know, why God has decided to step into your situation; your business is that, He steps in. When God steps into your situation, everything bows. The enemy, that has been raging and boasting, will be put to shame. That is what happened to Goliath, when he was raging, boasting and threatening the Israelites. It took God just one stone from David's sling, to destroy Goliath. When God is ready to bless you, He docs not need your consent to do it. At that stage, He docs not, even, need your faith, for it to be accomplished.

A terrible story, or situation may last for years, but one day, the Man of Galilee will just speak one word, and it will come to an end. When the disciples were in a ship, and the storm was raging, it took Jesus, just one sentence, and there was calm.

> ***"For His anger endureth but a moment; in his favour is life: weeping may endure for a night, but joy cometh in the morning"*** **Psalm 30:5**

The lord could allow the enemy to do some things to Christians, so that the glory of God will manifest in that life. Do not judge God, by what you are going through. If you do, the enemy will seize that opportunity to get you discouraged, and that will make you sin against God. The Bible says, God respects His word, more than, even, His name, believe Him for what He says. Be still and know, that He is God.

> ***"And Jesus saith unto him, I will come and heal him. The centurion answered and said, Lord, I am not worthy that thou shouldest come under my roof: but speak the word only, and my servant shall be healed"*** **Matthew 8:7-8**

The Centurion knew, that his servant would be healed, because he had reported the case to the Lord Jesus Christ. Being a man of authority in the government, he could give orders, and that made him know, that the authority that Jesus has, docs not need His moving from where He was. It is faith. A president could speak, or give a command, and it will not stand, or happen; for, the person commanded, could refuse to obey.

The worst that can happen to the person, is that the President will imprison, or kill him, and the command remains un-done by the person. When the Almighty God gives a command, the Sun, the Moon, the seasons and times, everything will have to cooperate with the accomplishment of that thing. Anything, that stands in their way, will be bulldozed.

What I am saying in essence is that, you might have fasted and prayed concerning a situation, and yet, it seems nothing is happening; like Peter, let down your net, and you will see what will happen, because the Man of Galilee is by your side.

AT YOUR WORD

> ***"Ah Lord God! behold, Thou hast made the heaven and the earth by Thy great power and stretched out arm, and there is nothing too hard for Thee."*** Jeremiah 32:17
>
> ***"Behold, I am the Lord, the God of all flesh: is there any thing too hard for me?" J***eremiah 32:27

Peter said: " ... at Your word"; he trusted Jesus for what He said, and he complied. He had already dried and folded his net, ready to leave, before Jesus came along. Perhaps, you have already packed your luggage, and ready to leave the place of your blessing; your reading this book, marks the entry of the King of kings into the boat of your life. Whatever the symptoms that you are feeling, or seeing; however illogical, God's word concerning your situation may sound, LET DOWN YOUR NET for a good catch. When Peter obeyed, the catch was astonishing. For the first time in his life, he and his friends could not handle their catch, and so, they called upon the people in the other boat, to help them. Of course, they too went home with a lot of fish on that day. Do you know, that your blessings could be, what the destinies of other people are waiting for, to progress in life? Do you know, that your obedience to God's command could push you into that breakthrough, you have been toiling for? LET DOWN YOUR NET.

LAUNCH OUT

Peter was dumbfounded at the result of the re-launch of his net into the sea, and he realised his state. He humbled himself before the Lord Jesus, acknowledging the fact that his having received that great gift, was not dependent on, who he was, or what he had. He called himself a sinner, that was unworthy of the presence of Jesus. He and his colleagues realised, that they did not get the big catch, because of their fishing experience. At that very moment, he took the decision to leave that fishing profession, he had been into, probably, since birth, and follow the Lord. He, then, forsook everything, and followed the Lord. You might have to forsake something that is very dear to you, so that the Lord can use you. Jesus turned Peter into a fisher of men and, eventually, he accomplished

that assignment. Are you ready to be a fisher of men for the Lord? LET DOWN YOUR NET.

Beloved, the Lord is by the side of the boat of your life today, but if you do not know Him, you cannot lend Him the boat of your life, and you cannot get any catch. If you have never, at one time, or the other, surrendered your life to the Lord Jesus Christ, you cannot come close to Him. You have a wonderful opportunity to surrender your totality to Him today, right there where you are. All you need to do, is acknowledge the fact that you are a sinner, and that you cannot approach God in your sinful state. The Bible says, the eyes of God cannot behold sin.

Repent of your sins; confess them to the Lord; name them one by one, ask Him to forgive you, and cleanse you from all unrighteousness. Claim the redemptive power in the Blood of Jesus, that was shed on the cross at Calvary, for the remission of your sins.

Invite the Lord Jesus into your life, ask Him to come in, and become your personal Lord and Saviour. Ask Him to take control of your life, and all that concerns you. Surrender your totality to Him, and make Him the Lord of your life.
I congratulate you for taking this, decision; it is the most important decision in life, and I pray that it shall be permanent in the name of Jesus. I pray that the Lord will write your name in the Book of Life, and nothing shall by any means, rub it off in the name of Jesus. Go and sin no more!

Below are prayers that I would like you to pray, with all the seriousness that you can gather. Pray them, until something happens.

PRAYER POINTS

1. I overthrow, every satanic re-arrangement, programmed against my destiny, in the name of Jesus. (When something is meant to go one way, and the enemy diverts it to another way)
2. I overthrow, every bewitchment, programmed against my destiny, in the

name of Jesus.

3. Every satanic cobweb, programmed against my life, be roasted by the fire of God, in the name of Jesus.
4. Every satanic signboard, be roasted by the fire of God, in the name of Jesus.
5. Every confiscated promotion, be released by the fire of God, in the name of Jesus.
6. I receive the anointing of sweat-less victory, in the name of Jesus.
7. Lord, I let down my net today, fill it now, to overflow, in the name of Jesus.
8. Every witchcraft surgical operation, be reversed now, in the name of Jesus. (This is a change, or an exchange of virtues, or organs of people, by witchcraft powers).

A four-year old boy confessed to witchcraft some years ago, saying, one of the things he did, was to exchange the brain of his elder brother, with that of a cow. The brother was very brilliant lip till that time. He started to take the last position in the class, whenever there was an examination. If the number of pupils increased, he still would be the last. That was a satanic surgical operation.

9. Anything used to represent me in the spirit world, backfire, in the name of Jesus.

(The doers of evil could erect statues, or carve effigies to represent people, and whatever they did to that thing, would happen to the person in the physical realm; if they knocked nails into its head, the person would feel terrible migraine, and so on.)

10. Forces of frustration and failure, tormenting my life, die, in the name of Jesus.

11. Forces of demotion and shame, tormenting my destiny, die, in the name of Jesus.

12. Lord, deliver me from the evil of this generation, in the name of Jesus.

13. Thou right hand of the Most High God, do valiantly in my life today, in the name of Jesus.

14. Blood of Jesus, speak destruction to the works of the devil in my life, in

the name of Jesus.

CHAPTER THREE

CONNECTING
our
SUPERNATURAL
GOD

We are going to be looking into "walking in the supernatural" and it is a message for those who need "Divine Intervention." Now listen to me very very careful, we are looking into what we call "Connecting our Supernatural God".
In Ecclesiastes Chapter 5 v8

> ***"if thou seest the oppression of the poor, and violent perverting of judgement and justice in a province marvel not at the matter for he that is higher than the highest regardeth and there be higher than they"***

There are seven facts about the God of Supernatural:

(1) God is higher than the highest

(2) God is greater than the greatest

(3) God is richer than the richest

(4) God is older than the oldest

(5) God is better than the best

(6) God is mightier than the mightiest

(7) God is stronger than the strongest

Those seven facts cover anything that you are confronting or going through. God is the God of the Supernatural and the Supernatural realm is not that difficult to reach, it is available to those who want to connect. He said, you shall find me when you seek me with all your heart. What do we mean by the supernatural? By the supernatural we mean an event that is above the natural, we mean an event that is beyond the imagination of the brain of man, we mean an event that the brain of man will think left, right, centre, forward that we cannot comprehend, we don't understand. When we talk about a natural thing, they are things which happen by themselves. Natural things are things which happen by their own accord, natural things are things which happen without anyone making them happen. Natural things is to allow nature to have it's way. By natural things, we mean things that are controled by the laws of nature. When something now suspends that natural one, that is what we call a miracle. So, miracle is an interference with nature by supernatural power. Something is going it's own way and that's how it should go and that's how it should finish, but all of a sudden a

higher power came and intervened, and it was a serious matter. I think you should look at it this way beloveth, look at it very well. Christianity is a supernatural thing, if you don't experience that supernatural it's not the fault of the power of God, It is the inability to connect to that supernatural power. The name of this ministry is Mountain of Fire and Miracle, that miracle is a supernatural intervention in a matter. *i.e.* God over rules the invisible law of nature with a higher invisible law. The law of nature says that nobody can get pregnant, nobody can deliver a baby without a womb. But all of a sudden a higher invisible law goes into place and a change takes place.

The first miracle that I will see in my life was in 1966. It was an open field at a place called Akure. The man of God was there preaching, saying that a supernatural will happen, miracle will happen. As a little boy, I was interested in seeing the miracle, so I walked around the field and I located a man at the back who had one fat leg and the other leg is very thin, so thin he coiled it around the stick to walk, that's how he came to the miracle ground. So immediately I located him, I sat by his side, so I wanted to see what this man is saying. God must have respected me as a small boy that day. So the man preach a short message about the power of God to intervene in any situation and he said in the name of Jesus begin to do what you have not been able to do before. He said that and I was looking at the man, nothing was happening to him, I was watching, I sat there. This evangelist has ushers, the ushers have been trained, so when he said begin to do what you have not been able to do before, the ushers began to walk around. They got to this man, they said hey Mr. man didn't you hear that in Jesus name you should walk, he didn't answer them. One of them took away his stick, the other pushed him, I thought the man was going to land on the floor, because that leg was bad, to my amazement, he ran, by the time he came running back, I cannot differentiate between the two legs any more. That was1966, so no matter what you say, no matter what anybody is saying, I can say, I, as a small boy, I saw that one and it stuck to my brain. There is still a God who moves in the supernatural. There is somebody here today, that God will move in your life in the name of Jesus, he will move, he will move in the name of Jesus. That was the first miracle I saw which was in 1966, I wasn't even born again that time. Now when I have become a pastor, I have seen many, so many.

I was sharing this sometime two to three weeks ago, it was earlier, very early when we were still at Old Yaba Road, there is this woman in MFM dying at General Hospital Ikeja, she has been there for three weeks. They couldn't turn her anywhere, she was flat on her back, she already had bed sores. There is a particular ward that doctors put those they believe they were going to die. I

drove my minibus myself, I got there around 11 O'clock. I could see her through the window. The woman lying flat very thin now from looking from the window, I could see that the woman is gone. So I tried to enter, one man at the entrance said hey! What do you want, this is not the visiting time, it is not yet 4 O'clock. I closed the door. I now prayed that God should give this man an assignment so that I can be able to enter. After sometime, this man just called his friend, hey! I want to go to the toilet. So he went away from the door. That was an opportunity, I went in straight to this woman's bed. I sat by her leg and began to pray.

It was not a quite prayer, when the spirit of death is walking, you cannot pray a quite prayer again. Jesus, when he got to the tomb of Lazarus, the bible says, he prayed, gently to his father, he said father I know you always hear my prayer, so that everybody here that they may know, he prayed gently, Jesus meek and gentle to his father, by the time he did a round about turn to the grave, the bible says he raised his voice and cried loud saying, Lazarus come forth. So I was praying there like that. As the prayer went on, from this woman who has not spoken for three weeks, I began to hear amen, amen, amen, as I continued the prayer, the amen was going on, amen, amen, amen, I continued the prayer, after sometime, I noticed she was trying to sit up. I continued the prayer, she sat up by my side. I continued the prayer. The other patients who were watching us and saw what was happening, all of a sudden, I began to hear, amen, amen, all those whose beds were surrounding the place as they were saying amen, amen, amen, to the prayer that was not meant for them, they began to get up. At that level the man at the gate came back and said Mr. Man, what are you doing there? How did you get in? He said get out. I said, thank you sir and I left. The woman I was praying for was surprised. The people that were saying amen were surprised. What they did not know was that I was more surprised than them, because I was praying for one person and our supernatural God took that prayer like an insecticide and began to flit it round the hospital ward. When we talk about supernatural, it operates in a level that supercedes the logic, you remember the testimony of that 56 year old woman that has a baby around three to four years ago, when she brought out her baby, somebody by my side said why is this woman playing around with her grand children? The person did not know that the baby is her child until she began to talk.

I'm praying for somebody today, that whatever situation that is confronting you, the God of Supernatural shall visit you.

Supernatural Intervention

Listen beloveth, the supernatural will never bow to the natural. The bible says, the power from above is heavenly, the one from the earth is earthly, the supernatural will never walk with the natural. The supernatural will never give way for the natural, the supernatural signifies the mighty presence of the holy spirit. The supernatural will move the immovable, when you say is not possible, it can not be done, it is then that the supernatural begins to work. A woman was very very ill and was at the point of death, her husband took her and dump her in the hospital, the doctor carries out a check, she was not breathing properly. She was bleeding profusely, her eyes were turning white, they were looking for blood donation, but her husband dropped her there and drove straight to the house of a strange woman. He said that idiot is about to die. I have taken her to the hospital, the way I'm looking at her she cannot survive it, because she is already finished, have I not told you not to worry that she will finish herself. She is dying, she is dead, she is dead. A husband dropped his wife in the hospital in a terrible state and drove straight to the strange woman's house. When the doctor in the hospital got confused, and they didn't know what to do with her again, she said excuse me doctors, excuse me nurse, could you please step out, let me pray. With all the strength she had left, she cried louder and clear, oh! God of Abraham, Isaac and Israel visit me with your power don't let me die like this. She cried out, all of a sudden, as she finished crying a man in white garment walked through the wall of the hospital to her and all the drip they administered on her were put away. Then he held her throat, slapped her head and say open your mouth then a black liquid came out of her mouth and dropped on the floor and said that is it, then he said stand up, then she stood up, walk up and down, now sit down, she sat down, then take your bag, call the doctor and tell them that you are going home. And this man in white garment walked through the wall and went away.

That is a supernatural intervention. So she shouted doctor, doctor come, they rushed there, they were afraid, but when they now saw her sitting, hello! they said who removed your drip? Don't worry. You are sitting, but you couldn't sit when you got here, she said am okay now, please discharge me. Discharge you? Madam okay stand up, walk up and down, she did. She was then asked to run. She ran up and down. They now asked her what happened here, She said, I called unto my God and my God answered. She took her bag, off she went. She was getting home when the man and the strange woman were getting home, both of them fainted because they thought they were seeing a ghost. Some miracle will happen in your life which will shock your enemies in the name of Jesus. Let your amen be loud and clear.

Are you still following me, now, I have a Ph.d in Molecular Genetics, that is why

they call me Doctor this, doctor that, but when it comes to things of the bible, you have to remove that your doctor brain and put it aside, because things of God and that your knowledge do not work together. Because the brain of a man, the brain of a doctor will think several things, how can this be possible, how can this be done. The other time I wanted to pray for somebody who fell on the floor and die in the laboratory, the scientist argue that there is no oxygen supply to the brain you are supposed to know that, I was regarded as a fool, for even daring to say I want to pray. So if you want to walk in the natural you cannot connect the supernatural God. If you want to be doing analysis that they say if this happen to somebody, this is what will happen, if that happen, this is what will happen, you want to carry out analysis, by that you cannot connect the God of supernatural. That is why they say believing is seeing. It's a man that say seeing is believing. Bible say believing is seeing.

One of the most powerful man of God that has ever visited this planet is one man call Smith Winksworth. Smith Winksworth did not go to school. It was his wife that thought him how to read the bible. Although Smith Winksworth did not go to school, he was able to connect our supernatural God. He has a faith that does not give God any alternative to Smith Winksworth. One day, they told Winks worth that somebody died and they were doing the Lying in State. So everybody was dressed in black and were walking around the coffin and they were looking at the coffin and shaking their heads crying and paying their last respect on the long queue. It was only Winksworth that did not wear a black suit. When it got to his turn to look at the coffin and pay the last respect, he lifted the man out of the coffin, and put his leg on the ground and said in the name of Jesus, I command you to live. He left the man, the man dropped on the floor, everybody scattered, they ran, those who were bold went to stand by the window. The man fell on the floor, he picked the man again and said in Jesus name, I say live, he left the man, the man fell on the floor again, Winksworth now said, I've spoken to you twice, I'm going to say it one more time and I don't intend to repeat myself after this third time. He picked the man up again and said, I say in Jesus name live, and the man opened his eyes and said who died? Who die? That is walking in the supernatural. So miracles bypass logic, miracle bypass research, miracles are determined by higher log of the invisible kingdom. If you approach the installment of miracle you cannot rule out the supernatural, you cannot rule it out and that is why we gather at meetings to learn how to connect to the God of the supernatural, to learn how to connect to the power of God, to learn how to connect to the power of Christ.

It was sometime back, this woman, she came to see me. I think the boy was six

year, I've forgotten the age now, the boy could not talk that's why the woman came. She was crying when they approached my office, so they entered, I now have to go and talk to somebody outside, I went out. By the time I came in, I found out that the woman was shedding tears by the door, she was shedding more tears and crying loud and jumping up in my office. And I said what happened, she said sir, I brought this boy, six years old, he has not spoke one word, but immediately he entered this office,, he said mummy, and he began to talk right there in the office, no prayer, nobody touched him, he just started talking. That is the power of the supernatural.

Signs and Wonders

This is talking about the Supernatural Power of our God. Job 9:4

"He is wise in heart, and mighty in strength; who hath hardened himself against him, and hath prospered?"

There is something in the Scriptures called signs and Wonders. Signs and Wonders, are the events which involve the immediate action of the powerful God. Signs and Wonders are the events designed to reveal the character and purposes of God. Jesus himself said, without signs and wonders, that some people will not believe.

What do we mean by signs? A sign is an unexpected divine action. A sign is an action that points people to God. A sign is an action that God uses to bring people to believe. A sign is an activity of the Supernatural by the supernatural God. A sign is a miraculous activity. A sign is something that happens and causes unbeliever to change their mind completely.

I was reading about the story of a soldier who used to go about within his troop with his bible, he was always reading his bible, they use to laugh at him, bible man, bible man, and he will always say God is powerful. They will say Mr. God is powerful, Mr. God is great, they used to laugh at him.

Then one day, they planed to embarrass him publicly in the full glare of the soldiers there, the commander said hey! You come, Mr. God is powerful take this key, park that lorry very carefully he said, sir, I have never driven a lorry as big as this before. But you said God is powerful, take the key let that powerful God

energize you to drive it. But I have never driven this kind of vehicle before, he said. Go there, so they gave him the key, he entered the vehicle he started the vehicle and park the vehicle well and came down. By the time he came down both the commander and those that were surrounding him have started crying, crying, crying, they said you! Connect us to the powerful God, because we wanted to make fun of you, that this vehicle you have just parked, we have removed the engine, so how did it move? How did you park it? That is the God of signs and wonders. I know that you shall connect to God of signs and wonders; you shall connect in the name of Jesus (Amen). And this shall be a sign unto you ***"behold a virgin shall conceive and bear a son and we shall call his name Emmanuel" There*** **shall be a sign;** ***"behold a virgin shall conceive"*** that is, impossible shall be possible, that is what the bible is talking about. So if he says a virgin shall conceive, it means, that whether there is low sperm count or zero sperm count, it doesn't really matter, when the God of signs and wonders moves in, the story becomes a different story. I say that you shall connect to God of signs and wonders, let your amen roar like thunder.

The rod that Moses held was a sign, he threw it down and it became a snake. The fire that Elijah brought down, that was a sign, the burning bush that was burning and the bush was not consumed was a sign. That is what we mean by sign. The bible now says something very serious in Mark which applies to all of us and you must connect to that word, "These signs shall follow those that believe in me". These signs shall follow them. They shall cast out devil, they shall lay their hands on the sick and the sick shall recover, they shall speak with new tongues. If they drink anything deadly, it shall not poison them. These are signs, that's why I know that, if you have been poisoned spiritually and physically, you shall vomit the poison and the poison shall go back to the sender. Let your amen roar like thunder.

What is a wonder now? We say sign and wonder. The reason why we say sign and wonder is because our God is a Supernatural God. What is a wonder? A wonder is an event that cannot be explained by the laws of nature, it just not possible to explain it. If you look at it up and down, it cannot be explained. A wonder is something so unusual, that it causes the beholder to marvel, say what is this, what is happening here. A wonder is something that causes you to wonder.

A wonder is God's special act that cannot be explained or duplicated. A wonder is something that causes amazement and an astonishment. A wonder is something that makes a man to stand in the hall of God. God is a God that doeth wonder. That our song says, "who is like on to thee oh! Lord /2x among the

Gods who is like thee, glorious in holiness and fearful is the Lord, he does wonderful things halleluyah". So God is a God who doeth wonders, God is a God who multiplies signs and wonders. He is the one that gives miracles that will give birth to other miracles.

There is a sister in this church, everybody in her family right from the beginning, they are all Muslim. So when she got born again, they waged war against her, not only that one, they held a family meeting and they disowned her. So anything they were doing in the family, she is not invited, marriage, naming ceremony everything was minus her. They disowned her, but she didn't mind. In Europe somewhere, one member of the family went to have a baby, the delivery was problematic, because she developed one strange high blood pressure. So it became so serious, the doctors tried to struggle to save both mother and child, but they found they could not succeed. When they found out that they were going to lose the mother anyway, they quickly went and brought out the baby. So they got the baby, they lost mother. This sister who comes to Mountain of Fire here, she just heard that one of her family member was going to have a baby and she went there on holidays. She bought baby's clothes, to her as she taught that the woman has delivered and to go and give her the present. She got to the hospital and asked them at the reception and said I'm looking for so, so, so and so who has come to deliver a baby here. The white woman at the reception said sorry, sorry what? So you don't know, go to that place and see the doctor. She didn't know that the person she bought clothes for her baby, has died. So she went to the doctor, I'm looking for so, so, and so, the doctor said sorry we lost her, but the baby is okay but the mother died. Sorry about that. Are you one of the family members? She said yes, she said where is she? We are about taking her to the morgue, she is over there. Can I have a look at the corpse? Why not, why not, so they were taking her there. She now ask the white doctor, she brought out the anointing oil from her bag. 777 anointing oil. She said doctor, doctor, can I put the oil in her mouth, the white doctor laughed and said if you like you can put gallons of oil in her mouth, she is gone. She now got there and brought out this bottle of anointing oil with shaking hands forced the mouth open put in the oil, immediately she did that, she felt something like electricity shock shaking her own hands and this woman sneezed and opened her eyes, the white doctor said what!, what is in that bottle, she said it's an anointing oil, he said no, no, it's black magic, she said it's anointing oil. They started struggling with her to take it. That miracle was what converted the whole family. Your miracle shall give birth to other miracles, in the name of Jesus. Let your amen roar like thunder.

God can smite your enemy with wonders. Just like he did for that man who confronted Paul and Silas and Paul said thou shall be blind. God smote them with blindness. God smote Nebuchadnezzar with wonder, a negative wonder, and a whole king in the palace, they said, whole king live long, meeh!; whole king, any problem meeh! God turned him into an animal on the throne. God can smite your enemies with wonders because it's a supernatural God. That's why the bible says, his name is call wonderful, meaning full of wonders. The bible now tells us that we can pray for signs and wonders to happen in our lives, we can connect the Supernatural God and decree that signs and wonders happen in our lives. Has it happened before? Yes. In acts of Apostles chap. 4 v30 this people pray concerning signs and wonders. You must recognize that this is not an ordinary message. When you read a message like this, anything can happen. You should be prepared for anything to happen;

Acts of Apostles 4:29-30

"And now, Lord, behold their threatenings; and grant unto thy servants, that with all boldness they may speak thy word. By stretching forth thine hand to heal, and that sings and wonders may be done by the name of thy holy child Jesus"

They specifically prayed for signs and wonders, this is the kind of prayer I want you to pray on your head, on your life today. The bible gives us the permission to ask for sign and wonders. And how do they pray that prayer?

Acts of Apostles 4:31

> ***"And when they had prayed, the place was shaken where they were assembled together; and they were all filled with the Holy Ghost, and they spoke the word of God with boldness"***

When they prayed the bible says the building where they were gathered began to shake as the force of their prayers. Our God is a Supernatural God. I decree upon your life, any power that wants to make you a laughing stock shall die violently in the name of Jesus. So our God can work in miracle because he's a supernatural God. Whether you believe it or not, His supernatural power can override even your capacity to believe, the daughter of Jairus in the bible was dead he was not in any capacity to have faith. Lazarus was dead, he has no capacity to have faith, the mad man of Gadara, was a mad man, no capacity for any faith. That soldier that was thrown into the grave of Elisha and came out alive again he has no capacity to have faith. So the Supernatural power of God can over ride your capacity to believe, that's why when the power of God begins to flow you must

connect to that power. Today is another day, you are walking with the supernatural.

God can convert failure to success. He can move you from nowhere to somewhere. He can convert rejection to acceptance, he can move you from obscurity to popularity. God can convert subtraction to addition. He can convert your pain to gain. He can convert your liability to asset. I want you to key to that God today and see what that God will do in your life today.

Asomono: Asomono wanted to become a man of God. God called him but Asomono has a serious defect, Asomono could neither read nor write yet he wanted to be a powerful man of God. They tried to discourage Asomono that don't say you want to become a pastor after all somebody who wants to become pastor must be able to read the bible, but he told them that God called me. So some white men came to the city and one of them was trying to teach him how to read and write. The first day Asomono came for the lesson, they can only do up to A,B,C,D,E,F, that's where they can get to, they couldn't go further, A,B,C,D,E,F,. By the next day when Asomono came for lesson and the white man said what did you do in the lesson yesterday? Asomono started from D,F and E, the man said what about A, he said was that part of it yesterday? It was that bad. Eventually, the white man got fed up and stopped teaching him how to read and write. And Asomono was there, others went to Bible College. But something happened one day that changed the whitemen, that also changed Asomono forever. All of a sudden one day, the whole of the town was in disarray, noise all over the place, up roar, there was confusion in town, the noise of the confusion got to the Bible College, everybody was running helter skelter, the white missionary too were worried. They came out and said what's happening, they said Asomono, Asomono, Asomono, ah! Asomono has put himself in trouble again, what is this?They said where is he? Asomono is in the market place, he is in the market place, so this white people ran to the market palce, there was plenty of noise in the market, plenty of crowd in the market they said where is Asomono? He is there, they find Asomono drinking water, while the people surrounding him were jumping up, they said Asomono what is happening here, Asomono said, I just came to the market to buy something, when I saw this mad man in the market place, sir, you know that power that comes upon us if we want to speak in tongue just came upon me. I laid my hand upon this mad man, and he was healed. That is why there is so much noise, but a mad man is healed, should that cause the whole town to be in a disarray, Asomono said sir, that mad man is the first born of our king, this is why there is confusion and noise. By the next Sunday Asomono's church could not take the

crowd again. The God who recognizes the impossibility promoted him. May the God of Supernatural promote you in the name of Jesus.

As many people that want to connect to this power two things are necessary:

1) Do not worry how far the enemy has gone, don't worry about that one, no matter the speed of the enemy, the supernatural will catch up with them in one day, in fact in a matter of seconds will catch up with them.

2) Pray with faith in your heart, believing God for the supernatural, believing God for something that is beyond the mathematics of man, something that is beyond the brain of man. Something that is beyond the calculation of man, believe God for that. These are dealings of supernatural manifestation of the power of God.

What do you do now?

You need to surrender your life to Jesus and you need to pray for that signs and wonders to manifest in your life. It is possible that you have not prayed this kind of prayer before but you will learn how to pray it today, how to ask for signs and wonders to pester and bombard your life.

ABOUT THE BOOK

If anybody is seeking for something or a favor from you, the person must know two basic things:

(I) How to locate you and talk to you on one-on-one basis.
(ii) The language in which he is to talk to you.

The second encompasses the right communication and timing.

God is operating in the supernatural realm. That is, He is a God of the suddenly. This is what you are asking for when you ask God to come by fire and/or by storm.

How do you pray and get an answer almost immediately? That is what this book is all about. This book is teaching you what it takes and how to move from your natural realm to the supernatural realm where God is operating. It explains to you how to have the capacity for that faith. Moses, Elijah and Elisha are human beings like you who moved from the natural to the supernatural. By the time you get a copy of this book, read and digest it, you will agree with this.

ABOUT THE AUTHOR

DR. D.K OLukoya is the General Overseer of the Mountain of Fire and Miracles Ministries and The Battle Cry Christian Ministries.

The Mountain of Fire and Miracles Ministries' Headquarters is the largest single Christian congregation in African with an attendance of over 120,000 at any Church Service.

MFM is a full gospel ministry devoted to the revival of Apostolic signs, Holy Ghost Fireworks, miracles and the unlimited demonstration of the power of God to deliver to the uttermost.

Absolute holiness within and without as spiritual insecticide and pre-requisite for heaven is openly taught. MFM is a do-it-yourself Gospel Ministry, where your hands are trained to wage war and your fingers to do battle.

Dr. Olukoya holds a first class honours degree in Micro biology from the University of Lagos and a Ph.D in Molecular Genetics from the University of Reading, United Kingdom. As a researcher, he has over seventy scientific publications to his credit.

Anointed by God, Dr. Olukoya is a prophet, evangelist, teacher and preacher of the Word. His life and that of his wife, Shade and their son Elijah Toluwani are living proof that all power belongs to God.
