HE KNOWS

Text: Proverbs 15:3

Prayer

Our Heavenly Father, Rock of Ages, we thank You for the gift of life, we thank You for Your grace that took us to this moment, we ask Your mercy to lead us in this study today in Jesus Christ name. Amen!!

Introduction

We are in a generation and season where people are now limiting the mightiness of the Lord Almighty. Many do things and believe that nobody sees them and not even God. Many Christians pray and they feel discouraged sometimes because they think God does not hear them or know that they are even praying. The essence of this teaching tonight is to renew and refresh our understanding of the fact that whatsoever we do is known to God. Let's look at our text;

Bible Text

Proverbs 15:3:

"The eyes of the LORD are in every place, beholding the evil and the good."

Study

The verse is trying to let us know that God's eyes are in EVERY PLACE. This is one of the spectacular things that make Him supreme; being able to be at different places at once. This is why we call Him an Omnipresent God because He can be present at different places at once. Many do not understand the strange mystery behind the word, "Omnipresent". God knows all things and this is why as a Christian, we have the ability to know all things because we have the mind of Christ and we know all things. Whether you are doing good or evil, God knows and He sees you and the interesting thing is that, there is a reward for every of our action:

Revelation 22:12:

"And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be."

This is why our God is so awesome. He doesn't force the gospel on people, He doesn't force people to do good, He only shows them the reason they should listen to Him, but anyone who now chooses to do whatsoever he likes will, there is always a reward for every work we do. Until we begin to understand that the eyes of the Lord are in every place, that is when we will begin to reduce the way we do things without adequately thinking about the effect of those things. Let's quickly look at what it means to say that He knows.

What He actually knows:

1. ***He knows when you are backsliding:***

God knows when the love for Him has reduced in our hearts and when we begin to draw backwards. This is why He tries to convict us of our backslidden state either through the Holy Spirit or His ministers. Sometimes, it might even be a Christian brother or sister that begins to tell such a person that he or she is gradually reducing in spiritual growth, and when the person is not sensitive enough to accept this, the person keeps wallowing in such wrong acts, not knowing how to easily stop.

2. ***He knows when you are in trouble and you need help:***

Sometimes, what God wants us to do is acknowledge Him and call upon Him when we are in trouble. He already knows that we need help but we need to acknowledge that we really need help because God doesn't like being seen as an intruder. This is why you have to choose between serving God or the devil and the reason you cannot stand in between. It must be well defined. So, God knows when we are in trouble and we need help. All we need to do is acknowledge that and call upon Him in faith and He will answer us.

3. ***He knows what the future holds:***

God is the beginning and the end, the first and the last, so He knows our future already. This is why we need to hand over our lives to Him so that He can be in charge of our lives and groom us the right way in preparation for the future.

4. ***He knows when you commit secret sins:***

God knows when a person begins to commit secret sins in the corner of the room. He knows when a person begins to secretly watch naked pictures and videos of those having sex, He knows when a person begins to masturbate secretly, He knows when a person begins to drink alcohol and smoke secretly in his/her room. Some behave so smart and deceive men by licking Tom Tom after taking alcohol or smoking. We can only deceive ourselves and not God because He knows all those things. He knows when we secretly eat in our rooms and still proclaim to be fasting whenever a fasting and prayer program is held. He knows all these things. We should, therefore, wash our robes white and free from spots or wrinkles through the sins we commit secretly.

5. ***He knows our intentions:***

God knows our intentions whether they are pure and genuine or not. He knows the state of our hearts and the motives by which we do things. This is why we cannot hide anything and pretend in the presence of God, because He knows why we are doing what we are doing. He knows our intentions and motives!

6. **He knows our weaknesses**:

One of the things we always think or believe is that God does not really or fully understand how we feel during our trying periods. The Bible says

Hebrews 4:15:

"For we do not have a high priest who is unable to sympathize with our weaknesses, but one who in every respect has been tempted as we are, yet without sin."

This verse tells us how God is able to sympathize with our weaknesses because He was at all point tempted as we are now. So, God knows all our weaknesses, this is why when we depend on Him, He is able to hold our hands to overcome our weaknesses. We should not see our weaknesses as though they are bigger than us, because we have a God who knows these weaknesses of ours and is ready to help us overcome them.

7. **He knows our heart desires and our needs:**

We have a father who knows those basic things we are in need of. Our God is not wicked nor does He lack the knowledge of what He is supposed to do.

We only like to push forward before He works His works just because of our lack of faith.

Matthew 7:11:

"If ye then, being evil, know how to give good gifts unto your children, how much more shall your Father which is in heaven give good things to them that ask him?"

We are to always speak up and just ask whatsoever we are in need of and believe He has done it. Why should you be begging God to provide what He had already given you? It is just for you to position yourself in a way where your faith is able to tap into the blessings. **Ephesians 1:3** says;

"Blessed be the God and Father of our Lord Jesus Christ, who hath BLESSED us with all SPIRITUAL BLESSINGS in heavenly places in Christ:"

So, we should always have it in mind that God knows what we need. We just need to ask in faith and it would be given to us. It is just like having lots of money in a bank, and just as we know that you need an ATM card or a cheque to withdraw it, that is exactly how it is. Faith is the currency used to withdraw the blessings we have been given by God. Begging God to give you something is just like begging your bank to give you the money you saved there. Isn't that awkward?

You already have it, you just need to get an ATM card or go into the bank with assurance and you would get your money withdrawn. However, you also need to go to the presence of God with the knowledge that God has granted you these blessings. Just connect in faith and bring the spiritual blessings into the physical realm.

8. **He knows our true identity:**

You can pretend to men to be who you are not, you can pretend to have the characters you do not have, you can deceive men but not God. God knows our true identity and characters. He knows who we are in the secret and in the open. He knows how you try to pretend in the church to serve God genuinely just because you want to get a position and He knows how you behave holy in church but abuse everybody in the neighborhood back at home. He knows our true identity.

9. **He knows the plans of the devil for us:**

God sees everything that happens in the realm of darkness and how they plot against His children. This is why He gives us certain instructions at certain points in time just to guide us from the attacks of the devil and his agents. Since God knows the plans of the devil, the moment we stay with God, we begin to understand the plans of the devil and how we can tackle him. This is why we should always ensure that we obey God and do His will 100% because refusing to do His will might make us break out of the hedge of protection He has put us in, hereby opening us to the attacks of the evil ones.

10. **He knows those who are serving Him and those who are pretending:**

We should never try to pretend to serve God because He knows. If you are not serving Him, He knows and if you are truly serving Him, He knows too and His reward would be given to everyone according to their works. He knows those who are lukewarm and those who are striving towards perfection. He knows those who do not wish to leave sin but continually swim in sin and put on an innocent face. He knows those who lack godly sorrow for their sins and always feel God can forgive them in advance before they even sin. May the Lord help us.

Before we round up, let's quickly look at another subtopic.

How to position yourself the right way

1. Have the right motive towards the work of God.

2. Be intentional about your spiritual growth.

3. Be real and be yourself. Do not pretend to be on fire when you are not.

4. Examine yourself whether ye still be in the faith.

5. Seek His help whenever you are down.

6. Ask whatsoever you need from Him, He hears you.

7. Avoid commiting secret sins. If you unconsciously or subconsciously commit one, seek forgiveness and never go back into such.

8. Tell Him to turn your weaknesses to strength.

9. Have faith.

10. Always seek growth.

I believe we will put this into practice and I believe we have learnt one or two things from this teaching. I pray that God will help us more in the name of Jesus Christ, amen.

We have come to the end of the teaching, if you have any questions, do ask. But, if none, do have a nice night rest, brethren.

Invitation

If you know that you are still living in sin and you are ready to repent and begin to live your life in strict obedience to God so that you can overcome every sin in your life to make heaven, please place your right hand on your chest and say this prayer with your mouth.

Say,

"Lord Jesus, I accept You as my personal Lord and Savior. I believe that You died for me and took away my sins so that I will not face the penalty of them. I surrender my life to You today, and I make a decision to obey and follow You. Come into my life now and accept me as Your child. Thank You for saving me, in Jesus Christ's name I pray, Amen."

Congratulations, now you are saved. If you prayed this short prayer, please WhatsApp +2347067511039 and let me know that you have just been saved. I want to have a word with you. God bless you!
