LIVE IN GOD'S REALITY

The Spirit of God, who raised Jesus from the dead, lives in you. And just as God raised Christ Jesus from the dead, he will give life to your mortal bodies by this same Spirit living within you. (Romans 8:11 NLT)

I once read the story of John G. Lake. While he was a missionary in South Africa, there was a bubonic plague outbreak that destroyed many people. It was said that all the officials who came to care for the sick and bury the dead had to wear protective clothing, but Lake didn't.

When asked why he hadn't contracted the deadly disease, he replied that the Law of the Spirit of Life in Christ Jesus had made him free from the law of sin and death (Romans 8:2). As long as he walked in the light of that law, no germ could attach itself to him.

To demonstrate the reality of God's Word to the doubting medical officials, Lake asked that an experiment be carried out on him with live samples of the bubonic plague bacteria. They placed the live bacteria in his hands and observed them under a microscope. To their utter amazement, the bacteria died on contact with Lake's hand! The man had so contemplated the life of God in him that he knew his body could not be infected by any infirmity.

This is a greater truth; it's greater than healing. The life of a Christian is not subject to disease; it's a disease-destroying life! In the Old Testament, God said the life of the flesh (the human body) is in the blood (Leviticus 17:11), and that's why when the blood is infected, sickness follows.

However, when you're born again, you cease to live by blood. The Bible says that if Christ is in you, though your body be dead because of sin, the Spirit gives it life because of righteousness (Romans 8:10). This means the Holy Spirit gives life to your physical body because of your new nature of righteousness.

The next verse of Romans 8 makes it even stronger; it says, **"But if the Spirit of Him who raised Jesus from the dead dwells in you, He who raised Christ from the dead will also give life to (or vitalize) your mortal bodies through His Spirit who dwells in you" (Romans 8:11 NKJV).** This makes you impregnable to sickness, disease, and infirmity.

Walk in the light of your victory today. Walk free of sickness, disease, and infirmity. The Lord Jesus Christ has done everything necessary to bring you out of any and every predicament. You don't have to do anything to qualify for God's blessing. Jesus did everything that was required.

In this realm of life, you don't need healing for your body because no infirmity can successfully thrive in it. God wants all His children to function in this realm of life. If you're born again, you've gone past healing; you're the healed and God constantly nourishes your body by His Spirit that lives in you.

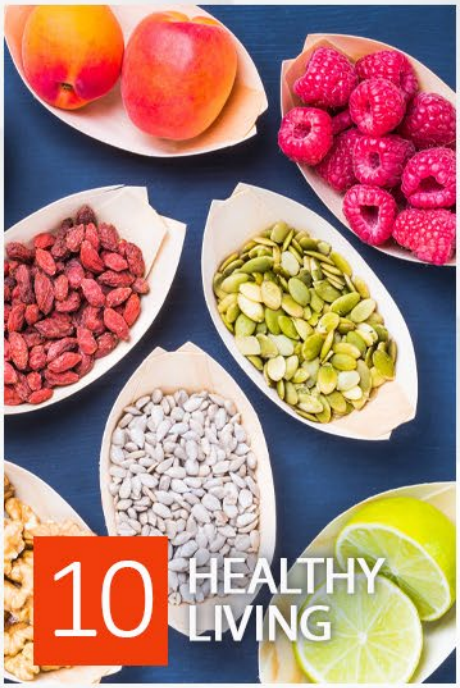

More so, you've become a healer. Jesus said, *"Heal the sick."* He didn't say, *"Look for healing."* Stay connected to God's Word that speaks of your health. Believe it, receive it, speak it, and act on it. It's the final authority as far as your health is concerned.

"O Lord God, I come to You in the Name of Jesus. I believe that Jesus Christ is the Son of the Living God. Moments of heavenly worship

Pastor Deola Phillips

Discussions of transformative testimonies and preparing for the miraculous

The October 2024 edition of the Healing Streams Live Healing Services with Pastor Chris and Pastor Benny was the most anticipated event of the year 2024. It was a legendary episode that witnessed worldwide participation.

This was a historic edition, with Pastor Chris Oyakhilome and Pastor Benny Hinn coming together for the first time to host the epochal Healing Streams. Connected from all over the world, billions of people gathered in different time zones to witness amazing manifestations of God's power.

Opening Moments of Inspiration

Every day of the program commenced with sounds of heavenly worship as the Loveworld Singers extolled the majesty of the Almighty God.

Setting the tone for each day, the esteemed director of the Healing School, Pastor Deola Phillips, gave an opening address that directed the global congregation's focus toward the possibilities and opportunities that each day harbored.

"Amazing manifestations of the Spirit will happen right where you are. Connect to the program with faith. It begins with giving your full attention. Replicate everything happening here in your location, refuse to be moved by any circumstance, and not even pain can stop your healing. Believe and act on what you hear, and you will receive a miracle," she said.

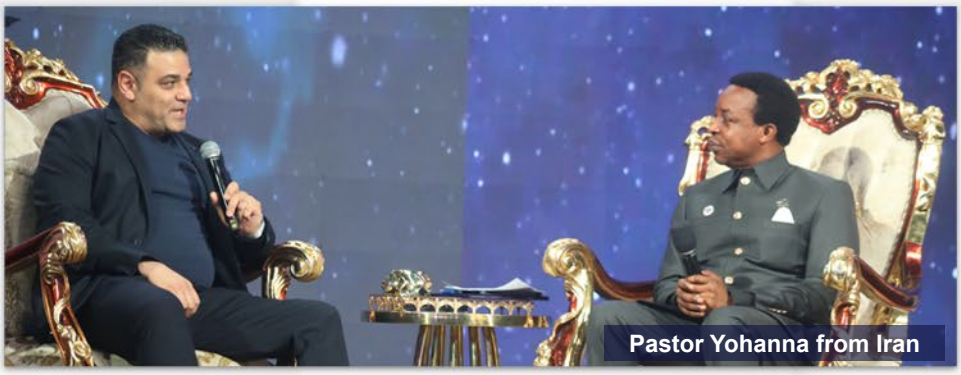

Distinguished senior ministers – Rev. Tom Amenkhienan, Rev. Ray Okocha, and Pastor Johan De Beer – joined Pastor Deola on set daily, sharing transformative testimonies from past Healing Streams editions. Many looked forward to these segments, particularly for uplifting words from the ministers that helped them prepare for the miraculous.

"There's no way you would be in the presence of God and something won't happen. Don't listen to your feelings, listen to the Holy Spirit," urged Rev. Tom.

Rev. Ray added, *"This edition of the Healing Streams is God's gift of love to you. Right where you are, even if the sickness is caused by a demon, you will be healed today. I am looking forward to the power of God coming upon you."*

Pastor Johan was very instructive: *"Wherever you are, the angels here are there. Give your attention and participate in everything we do. When we say pray, pray. When we worship, worship. If you follow these steps, you will be the one here to give your testimony."*

Pastor Yohanna from Iran

Cheng from China

Impactful Accounts of the Miraculous

Inspiring others to stand firm in faith and take hold of their miracles, several who received their healing during past programs and through the use of Healing School materials came to tell their tales of triumph.

This segment was anchored by the Healing School Executive Rep. and host of 'Real Miracles Today', Evang. Dr. Eddy Owase. He charged the audience thus: *"As you hear these testimonies, listen to what the people say; what the conditions were and what they did. The cycle of sickness is broken even as you listen because that same power is available to change your life."*

Pastor Yohanna from Iran suffered for years with a chronic back fistula. He tells his story: *"Twelve years ago, I had a fever. My parents took me to the hospital where the doctors discovered a fistula in my body. They recommended surgery but warned that I wouldn't be able to move for months afterward. The fistula became infected and often emitted a bad smell. It affected my life and ministry as a pastor.*

"Then, I organized a healing center for my members to participate in the Healing Streams. I got healed during the program. Days later, the infection was gone! No more bloody discharges. No more pain. I can now wear any color of clothes I like. I am perfect! This encounter has strengthened my faith."

In May 2021, Cheng from China suddenly lost hearing in both ears. Life became unbearable as silence took over. Conversations, social gatherings, and work became impossible. The weight of isolation, anxiety, and depression grew heavier with each passing day.

Amid her struggle, Cheng discovered the Healing Streams and decided to participate. During a healing service, Pastor Chris prayed specifically for those suffering from deafness. Suddenly, Cheng felt a pop in her ears. In that instant, her hearing was restored! *"When Pastor Chris prayed, I immediately heard him, the ongoing worship, and everyone around me. Since my healing, I have become full of joy,"* Cheng testifies.

Outpourings of Divine Power & Love

With faith lifting many hearts in the worldwide audience, hands and voices were also raised as people worshiped the Lord and marveled.

The epic moment many had been waiting for arrived when Pastor Chris and Pastor Benny came onstage. They dispensed waves of healing to everyone on the healing lines, both onsite and online, in the Name of Jesus. The manifestations of grace and power that followed were reminiscent of biblical stories. Testimonies flowed like rivers, as many discovered that the limitations placed on them by sickness and disease were gone forever.

16-year-old **Kelly from the United Kingdom** was out shopping in May 2024 when an unusual sensation gripped her body, causing her legs to shake until she collapsed. She was rushed to the hospital in an

ambulance, and was diagnosed with seizures and leg trauma. She struggled to walk and couldn't climb the stairs. Unable to go to school or focus on her studies, her days were filled with frustration and despair.

Hope came with the October edition of the Live Healing Services. Kelly was healed the moment Pastor Chris and Pastor Benny prayed for her together. She recounts: *"I knew instantly that the sickness was over. My leg regained strength and I began walking normally again. I even climbed the stairs! I couldn't touch my feet before but now I can. My body is whole again! Thank you, Lord Jesus!"*

Kelly from the United Kingdom

Emmanuel from Canada was riding his bicycle when he suffered a catastrophic fall that left him paralyzed. After treatment, the prognosis stated that he would never walk again. He had to rely on a wheelchair, neck braces, and diapers. *"I was a burden to my wife. I was in diapers like a baby. I was helpless. But through it all, I held on to God,"* he shares.

Desperate for a miracle, Emmanuel seized the opportunity for a turnaround when he journeyed to Nigeria to attend the Healing Streams. Pastor Chris ministered to him, casting out the spirit of infirmity.

Immediately, Emmanuel rose to his feet, removed the neck brace, and stepped away from the wheelchair with triumphant steps for the first time in years. *"From that day, I don't use the wheelchair or my walker anymore. I can walk perfectly now."* he testifies.

Emmanuel from Canada

Ali from Algeria

For **Ali from Algeria,** his struggles began in 2017 when he developed prostate problems. Nights were the worst; he woke up repeatedly to use the restroom in excruciating pain. This led to complications that added to his discomfort. Despite numerous medications, the pain persisted. He battled this affliction for six long years, until he heard about the healing services.

As Pastor Chris and Pastor Benny ministered, a miraculous transformation took place. Ali testifies: *"After the prayer, I went to the restroom and, for the first time in six years, I urinated without any pain. I no longer need to urinate every 15 minutes. I used to feel weak all the time, but now I'm filled with incredible strength in my body. Glory to God!"*

The daily sessions of the Healing Streams took participants all over the world to new heights of revelation when the men of God ministered the Word and imparted understanding.

Pastor Chris gave an inspiring message on the Heavenly Kingdom of Jesus Christ, saying, *"Jesus had a mission to extend the influence and power of His Kingdom to this world. He wanted to bring the blessings and goodness of His Kingdom to this world. He came to extend the benefits of His Kingdom to humanity through salvation."*

Pastor Benny taught on 'The Attributes and Offices of Deity', expounding on the essence of Christianity. *"God's living, breathing, touchable Word is Jesus. Jesus is God's complete and final Word,"* he asserted. *"Christianity is a living relationship with God in His Son, Jesus. True Christianity is not about Jesus. True Christianity is Jesus!"*

Many who were unsaved were opportune to be born again when the man of God, Pastor Chris, made a call for salvation at the close of each service. He also acknowledged visiting ministers from various nations.

At the grand finale, Pastor Chris and Pastor Benny, prayed specially for families and nations worldwide, proclaiming peace over the nations, resisting wars, and enforcing God's will and agenda.

The October 2024 Healing Streams was a landmark in our historic healing crusade. It was a glorious time that exceeded expectations, and culminated in a dispensation of healing, blessings, and testimonies, unlike anything the world has ever seen.

HEALED AFTER 18 YEARS

Areon Bobby from Papua New Guinea

I came across the healing ministry of the man of God, Pastor Chris while watching TV in my home in early 2023. I did some research and discovered the Healing to the Nations Magazine. I got as many copies as I could to read. I couldn't stop reading the magazine. I meditated on the Word and made confessions daily over my life.

For 18 years, I suffered hypertension, after I was diagnosed in 2005. All that time, I spent a lot of money on medications and hospital appointments. There were side effects from the treatments. To walk, I had to move sideways. Sleep was also difficult because my hand was always shaking. This condition can be managed but never truly cured.

Reading many testimonies in the magazine blessed me. They showed me that I could receive my healing, too. They made me determined as I looked forward to my healing. I joined the Healing Streams Prayer Clouds and prayed for 15 minutes every day. I also started distributing the Healing to the Nations Magazine to others, which increased my faith for my healing.

Then, in July 2023, I had a divine encounter in a dream. I saw myself at a healing crusade with Pastor Chris. He ministered to me, and I received my healing. This was the confirmation that my healing, which began with the Healing to the Nations Magazine, had been perfected. I am completely healed!

After my healing, all the symptoms disappeared. No more medications! No more expensive hospital bills and no more doctor's appointments. I can walk freely and do the things I couldn't do before. I am glad I found such a ministry that helps us receive guidance against medical problems through the Word of God.

It's been over a year since my healing, and I'm grateful to God for this miracle. I received my healing free of charge through the Healing to the Nations Magazine.

Thank you, Pastor Chris, for your ministry that has brought healing to countless people. I am passionate about carrying out healing outreaches with this magazine. I give it to family and friends who have health challenges, encouraging them to seek healing through God's Word. May God continue to bless you.

SMART SNACKING

Let's face it. There are times when you need something quick and tasty. Whether it's for an energy boost or to briefly quell hunger, snacks are often needed. Done correctly, snacking should be part of a balanced diet. The key is to choose the right snacks, and how and when to eat them.

Why Smart Snacking Matters

Mindless snacking – especially on sugary, salty, or highly processed foods – can lead to weight gain and other health issues. So why snack at all?

1. To maintain energy levels between meals and help prevent energy crashes.
2. To restrain excessive hunger and help you avoid likely overeating at meal times.
3. To boost nutrient intake of vitamins, minerals, and fiber with the right selection.

Tips for Snacking Smartly

- **Plan Ahead:** Prepare healthy snacks in advance to avoid reaching for convenient foods.
- **Portion Control:** Serve snacks in small bowls or containers to avoid overeating.
- **Balance Your Snacks:** Combine protein, healthy fats, and complex carbohydrates to keep you full and satisfied.
- **Listen to Your Body:** Snack only when you're genuinely hungry, not out of boredom or stress.
- **Hydrate:** Sometimes, your body needs water, not food. Drink water at intervals throughout the day, so you don't mistake thirst for hunger.

Suggestions for Healthy Snacks

Morning Snacks provide a mid-morning energy boost after your usually light breakfast. Consider Greek yogurt with berries (proteins and antioxidants), whole-grain toast with almond butter (carbs, fats, and protein), or boiled eggs (easy-to-prepare proteins).

Afternoon Snacks are ideal for when energy dips occur. These options will refresh your body while providing natural sweetness. Popular options include hummus and veggies, mixed nuts and seeds, and apple slices with peanut butter.

Evening Snacks are light to promote relaxation, especially as you wind down for bed. Suggested snacks are air-popped popcorn (no salt or butter for fewer calories), herbal tea with dark chocolate, and cottage cheese with sliced peaches.

On-the-Go Snacks are essential for busy days.

- **Trail Mix:** Choose a mix with unsweetened dried fruits, nuts, and seeds (avoid those with added sugars or candy).
- **Cheese and Crackers:** A balanced option of carbs, proteins, and fat.
- **Energy Balls:** Oats, nut butter, and honey make this nutritious and easy to carry.

Healthy Snacking Habits to Adopt

1. **Keep Healthy Options Visible:** Store fruits, nuts, and other nutritious snacks where you can easily see them.
2. **Avoid Distractions:** Focus on your snack instead of eating while working or watching TV.
3. **Be Mindful of Sugar:** Check labels for hidden sugars in granola bars, flavored yogurts, and packaged snacks.
4. **DIY When Possible:** Make your own snacks, like veggie chips, to control ingredients.
5. **Stock Up on Staples:** Always keep ingredients for quick, healthy snacks like nuts, whole-grain crackers, and fresh fruits on hand.

Snacking shouldn't derail your health goals. Choose nutrient-dense, balanced options, and be mindful of portion sizes. Calculate calories for meals and snacks together to avoid exceeding your daily quota.

FAITH'S PROCLAMATIONS OF HEALING & HEALTH

Fight the good fight of faith, lay hold on eternal life, whereunto thou art also called, and hast professed a good profession before many witnesses. (1 Timothy 6:12)

In taking hold of eternal life and the blessings of salvation in Christ Jesus, you must boldly exercise your faith in God's Word, knowing that everything is subject to His Word. God always loves His kids to boast in Him. You must learn to boast in God by vocalizing your faith.

When you learn to recognize the greatness and power of God within you, you will never be broken by sickness or disease. This is what the great men of old knew, which made them fearless in the face of adversity.

Study the ministry of Jesus and you'll find that He always spoke with boldness, particularly when He confronted demons and diseases. Jesus was so bold that the people marveled at Him and demons trembled at His presence. When you consistently act and talk this way, you create a spiritual force field around you that the devil cannot penetrate.

CONFESSIONS

I am constantly mindful of God's indwelling presence and power, which give me dominion over sickness and disease. Fear, worry, darkness, confusion, and uncertainty have no place in me. I take advantage of God's presence and bask in the glory and transformation that it brings.

I have been brought into a life of unending joy, a joy that comes from my inner man and transcends physical circumstances. My joy is of the Spirit; it is everlasting and cannot be dampened by sickness or infection. I am ever strong and alive, and confident that the joy of the Lord is my strength!

I don't worry about my health or anything else because the Lord has perfected all that concerns me. My body cannot be overtaken by sickness, disease, or infirmity because it is God's sanctuary. I glorify God in my body, and it functions perfectly at all times.

The rhema of God that changes things is always in my mouth. In the Name of Jesus, I am healthy and strong. My organs are invigorated by God's power. I am excellent and full of glory, for the life of God in me is greater than sickness, disease, poverty, or failure.

I am alive unto God, and my body is vitalized by the Holy Spirit. I am immune to satanic attacks. I am disease-proof. I dwell in health all the days of my life because I have eternal life working in me.

Blessed be God. In Christ, I have the victory over death. The life I now live, I live by the faith of Christ, who loved me and gave Himself for me! The God-life in me makes me supernatural and impregnable to sickness, disease, failure, death, and the devil.

I have power over all the abilities and strategies of the devil. No matter how he tries or through which means he attempts to attack my body, the Name of Jesus gives me the advantage, and I triumph always.

I have received boundless grace to reign in life with victory over sickness and death. I have eternal life, which makes it impossible for sickness or disease to dominate my body. I rejoice exceedingly because no infirmity can corrupt or ravage my body.

I live the good life prearranged for me beforehand. I enjoy the prosperous victory, glorious health, and perfect dominion that Christ wrought for me.
