Hearing The Voice Of God

Pardon me, we won't go deeper into this, but we'll be trusting the holy spirit to help us along the way as we walk this life in Christ Jesus.

First and foremost, it is the desire of our Lord Jesus to see us being restored back to our original relationship with God which we had once lost as a result of sin. Jesus bringing us out of sin and death actually isn't just for us to escape hell, rather it is for us to build a relationship with Him. He desires our relationship. And as we grow deeper in Intimacy in God, through His word, prayers and our lives lived in holiness as a living sacrifice, we then begin to experience more of His life.

Every relationship begins small, but in time, as you persist in faithfulness, you become so close enough to know in details about that person and whatever such person plans to do, he reveals to you. So it is with us and God. We can't have a relationship with God, if we've not yet known Jesus in spirit, it is our acceptance of Jesus as Lord, that enables us have the holy spirit, which brings us into a relationship with God, through Jesus, by the holy spirit.

Meanwhile, the only way we can build our relationship to hear from God is firstly, and always by the holy spirit. The holy spirit is the one who guides and advises us on what to do and how to draw closer to God. He's like a relationship counselor.

If you're not closer to God, you can't hear from Him clearly, the reason why many forget revelations, is because they're not prayerful enough to trap spiritual message from God as a result of the flesh. And, as a result of being denatured by sin, we had once lost the spirit of God when we get back to Him. It is then by the holy spirit given to us on acceptance of God's word (Jesus) we're being taught and governed on how to please God.

We must do everything to spend time in God's word to be filled with the holy spirit. The more you spend time feeding on God's word, meditating on it slowly, attentively and repeatedly, the more you're being filled with the holy spirit. And the more you're being filled, the more you're being drawn closer to God. You then begin to have encounters, like revelations, visions, or even see Him face to face. He does as He wills.

Now we know the main helper of our hearing from God is the holy spirit, let's get to the basis. And oh, don't forget to pray to sanctify your heart for the holy spirit to remain.

The first hearing of God begins in our heart. Actually, God only speaks to us in our heart as the contact point and so we must put our heart in order for God to come in, we must be sanctified through the word and constant prayers. Now a pilot wouldn't want to land a craft on a dead runway, it has to be cleared of every debris and reformed. As we Journey deeper in Intimacy, His voice becomes more audible.

The thoughts of good and to live fully for God is the first voice of God by the holy spirit, it comes as a whisper in your heart, or like an uncomfortable feeling when you're about to do something wrong. In other words, every thought of good in your heart aren't yours they're of God, it's like a telepathy you have to obey.

The second basis and also, authorized medium we hear from God is through His word, either by hearing from a genuine child or servant of God or from the Bible, but I'll always suggest the Bible as there are many false teachers, you'll need discernment to know the true ones. And the only way to have discernment is by dosing our heart with life, not God's word as knowledge substance, but as life substance. It is this life the holy spirit will feed on in other to expand in us, then we can discern that which is of God. Before you start running to men or doctrines first have the filling of the holy spirit.

God speaks to us always through His word, even if you can hear from Him audibly, you'll still need the bible to draw from God's life. And as you come to Him through His word, do come with a free heart without impurity and ask the holy spirit to teach you. Then, He'll begin to teach you according to your spiritual height, so you can grow in spirit to be closer to God and hear deep things from Him.

Meanwhile, the Lord can speak to someone who is ungodly, but there is a difference between speaking and relationship, even if Jesus does speak to one audibly when he's still a child in the spirit, he still needs to grow to make it into a relationship. For example, if the president talks to you on monthly basis through restricted calls, you can't call that a relationship until you've become close to Him, close enough as a family.

As you feed on God's word, His word which are life are sealed in your heart, and so whenever God wants to act in or through you, it is His word sealed in your heart the holy spirit will act upon to do God's will. God speaks to us by the holy spirit, and the holy spirit act on God's substance word in us to do God's will unconsciously and naturally and to hear from Him.

God's word are life and as you're filled with His life, the nature of spirit of death is being destroyed, your spiritual senses begin to open to be able to hear from God clearly.

And thirdly, we hear form God through, quiet speaking in our hearts, revelations, visions, trances, or audibly in our heart and even seeing Him face to face.

But the only way to access these is to embark on a life of ceaseless prayers. Jesus taught us to pray always. Not because of our needs, but rather to build a deeper level of Intimacy with God. And Jesus always prayed not because he wants to pray, but as a God wearing flesh, man has to pray to reconnect back to God. Jesus didn't just begin to talk with God, because He's the son of God, no. Because He wore flesh he had to follow the law of the physical and the spiritual set by God, we ought to pray to restore that relationship.

You'll have to spend more time with someone in other to know Him more. So also, we must pray as an act of Intimacy to know God more. Prayer is the fastest way to hear from God. Just as the men of old made sacrifices to hear from God, so also Jesus came and made our heart an alter of sacrifice, that through prayers by the holy spirit, sacrifices are risen unit God as incense to invoke God's presence in our lives, this is when we begin to get feedback or hear from Him.

A man who prays more will hear God on time than he who prays less, why? Because prayer is a Journey unto God. Sin has thrown us farther from God and so we have to Journey back to Him through Intimacy (prayers and His word). God is always speaking, but if you're too far, If you pray less, you won't hear Him clearly. Untill you get close to him through prayers as an act of Intimacy then, you'll hear Him clearly and He'll begin to reveal deep mysteries to you, His mind, His will, will be made bare before you. Things known only to few men or specifically only you.

For this, I'll teach you how to pray ceaselessly;

Just as it is good to pray with our mouth, the only way to pray ceaselessly is to pray in the heart. This is why the Apostles and every great men of God did.

Here are some scriptural references before we begin;

I'll give some scriptural references, then show you also, how i do pray without ceasing.

1Corinthians 14:15.
" What should I do, then? I will pray with my spirit, but I will pray also with my mind; I will sing with my spirit, but I will sing also with my mind."

Colossians 2:6-7
" So then, just as you received Christ Jesus as Lord, continue to live in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness."

Ephesians 5:18-20
" Do not be drunk on wine, which leads to debauchery. Instead be filled with the spirit. Speak to one another in psalms, hymns and spiritual songs, sing and make music in your hearts to the Lord, always giving thanks to God for everything, in the name of our Lord Jesus Christ."

1Thessalonians 5:16-18
" Be joyful always, pray continually; give thanks in all circumstances, for this is God's will for you in Christ Jesus."

Praying without ceasing is of heart, it's not in the mouth but in the heart, for me I meditate on these constantly in my heart;

- Thank you Jesus, thank you Lord
- Take more of me and give me more of you
- Jesus, (continually in my heart)
- Locate me Lord in your mercy
- in the name of Jesus, the blood of Jesus
- in Jesus name
- Then I switch to spiritual song at times

You can add yours if you feel like.

These are all prayers, as long as you are communicating with God. What do you think happens when you're disconnected from a dear one for a long time, there be a decline in relationship, so it is with God. I did get these excerpt from a message actually.

For me, I pray these prayer in my heart continually, when I'm eating, while I'm walking, as long as I'm not meditating on the word, I'm praying, even as I'm writing this, I'm praying. This is the only way to hear from God quickly.

I say these continually in my heart to journey closer or rather become more intimate with God. With this, then you can hear from Him. Then you'll see and know Him in greater dimensions

Everything, starts small, it takes a little getting used to, but if you're faithful the Lord Jesus will help you. And I pray and believe He'll help you rapidly in Jesus name Amen.

As I earlier said, man was once fallen because of sin and so the spirit of God was removed, but finally restored to all who accepts Jesus as Lord. Reconfiguration and transformation don't happen in a day, it's a gradual process.
