INTRODUCTION

WHO IS THE HOLY SPIRIT?

This is the Spirit of God, best known as the Holy Ghost. He is not fire, but He burns like fire. He is not water, but as water is important to us, His importance in our lives is greater than that of water itself. He is not wind, though He moves like one. He is not wisdom, but wears it as a garment. He is not power; He is the source of it. The Holy Spirit is a person, the third person of the Trinity; the Father, the Son and the Holy Spirit.

Being a person, He is sensitive, He hears, He can be impressed or offended. He is the representation of God, His life and character, for God is Spirit. (John 4:24) He carries our worship, the most powerful gesture towards our God, for the blessings bestowed on us.

When He came to an ordinary man, Saul, He turned him into a king. When He came upon a shepherd boy, David, He made him a giant-killer, a king, a worshipper and a man after God's own heart.

I want to welcome you to the Holy Spirit, whom we have come to know deeper than before, and have

been magnifying and celebrating every day of our **77 Days of Glory**. He led and inspired us into it all and has been running the show. The entire program which has been running for 9-11 hours daily, here at the Miracle Center Cathedral, with Miracles, signs and wonders, turning a television station which was at the bottom of the national ratings to become the number one watched on Prime time from 7:00pm to the wee hours of the night has all been by the Holy Spirit.

The Holy Spirit has totally transformed our lives, energized our bodies, and caused us to be in the presence of God every day without complaints of fatigue, day after day. Before all this happened, I used to run four Sunday services of two hours each with intervals in between and at the end of the day, I needed a 2-3 day break, and yet that was once a week for a total of eight hours. During the 77 days revival, we have seen his articulation, His revelation, His knowledge, His work and His power, as He has allowed us, humans to tap into God's divine supernatural resource of abilities in worship, in praise, in preaching, in healing the sick, that we have not seen in 36 years of ministry and many, many years as a church.

The Holy Spirit is real. You recognize Him, He'll elevate you. If you ignore him, you'll be on your own.

There's been no demonic activity that has been able to withstand or even oppose His power. Countless hundreds and thousands of people have come and have been delivered. Tens of thousands of souls have been saved in less than two months. This is unprecedented, but has happened because we chose to recognize, welcome and celebrate the Holy Spirit.

The Holy Spirit turns dogs into achievers. He turns weaklings into the strongest people on the planet. Messages that have been preached daily, songs that have been sung daily have ushered us into the full knowledge and understanding of who the Holy Spirit is.

If you walked across our church campus and asked anyone who has been in the revival service the previous evening why they come here at 9:00am for a service that starts at 7:00pm, they would tell you, it is simply to reserve seats for their family. The overflow we are experiencing has taught us that there is nothing in the world of church growth teachings and the handling of new members and converts that is comparable to that of the Holy Spirit.

The things that we have experienced through the growth of the church are all because the Holy Spirit has been

given everything, and He's in total control. He wants to be in control, because that is where He works best. That is where He begins to draw people from England and Dubai and other nations, to come and be healed on our TV program on the Miracle Center Cathedral platform. They may have come in the country for something else, but God brought them in for a reason.

People are flying in from all over the world to come and be relieved from their burdens. He has turned the Miracle Center Cathedral, into His house of prayer, His house of worship, His house of praise, His house of reconstruction and repair, His house of restoration of families that had been broken for as many as twenty five and even more years.

The Holy Spirit!!!

If you are looking for an advertising company for your event, try the Holy Spirit. He does it better. This, we have seen and know because the **77 Days of Glory** were never advertised nor promoted as is usually the case when we conduct our crusades, conferences and other meetings. Tens of millions of shillings equivalent to tens of thousands of dollars are usually spent, but

this time round, the Holy Spirit handled it.

Now, the whole world knows what is happening here. This is the truth; He promotes better and He gives better. We are experiencing both social transformation and physical planning changes that are taking place at the Miracle Center Cathedral. New equipment is rolling in, people are continually being blessed and we have enlarged our parking lot joyfully without stress.

The first thing He did in our revival services, the first message He gave us, the first issue He dealt with was financial embarrassment because he knew that the journey would be long, but wanted us to be blessed through it all. That is why I welcome you to the Holy Spirit. I know this book will totally transform your ministry, your life, your family and everything you have ever touched.

I don't want to stop this preamble without talking about Peace, a nine year old girl, who witnessed the power of God in the church and on channel44, Miracle TV and was filled with the Holy Spirit. Oftentimes, when we witness the infilling of the Holy Spirit, we see adults.

Very rarely do we see young people. But this nine year old girl was filled with the Holy Spirit. Her family was

in tatters. Her father was rejecting her brother, his only son, and was telling her mother to pack her bags and leave. The girl heard it all and the Holy Spirit told her to call for a meeting at home and chair it. And she did as though she was a corporation chair or CEO.

She turned the issues of a confused disgruntled family that was fighting all the time and living in sin, where the father was rejecting a seven year old boy, telling him to pack his bags and go to the streets. “Let your mother show you who your real father is.” The Holy Spirit on the young girl caused her to chair a reconciliation meeting which she presided over and ministered forgiveness.

That day as the Holy Spirit led her, father, daughter, mother and son all repented in tears. How could a 9year old girl command a dysfunctional family to order? How did she do it? She said the Holy Spirit spoke to her as she testified to thousands of people and millions watching live from all around the world.

First, she came and knelt down as any other nine year old African girl would usually do to greet me on the platform. But then she said, “Pastor, thank you for teaching and introducing the Holy Spirit to me.” She was just a typical nine year old girl, but when the mother

took on the microphone, she testified of a girl who was as bold as a lion, who summoned her family to a meeting and all responded positively.

It is evident that this girl became an instrument of change and as result, divorce was averted, rejection cancelled and bitterness was turned into sweetness. Furthermore, the mother said that after she had chaired and closed the meeting, she ran outside and played with other kids like nothing had happened while mom and dad were on their knees weeping and crying in repentance and reconciliation.

The Holy Spirit overrides every issue that has ever happened in your life. He overtakes every conversation. He wouldn't allow you to degrade yourself by getting into unnecessary arguments. He goes for the bull's eye. And that is what this little girl did under the anointing of the Holy Spirit. She ceased being a little nine year old girl.

She was bold, strong, and confident and managed to bring her short tempered father into submission to the ministry of the Holy Ghost. The power fell in that bedroom, everyone started crying in repentance and forgiveness, they reconciled and now, they live happily

ever after. This is what the Holy Spirit does.

Regardless of your age or sex, God is going to use you to sort out issues in your family, in your country, in your corporation and in every area of your life.

Jeremiah 1:7-

“...say not, I am a child: for thou shalt go to all that I send thee, and whatever I command thee, thou shalt speak.”

He wants to fill and use you regardless of your weaknesses and inadequacies, because

2 Corinthians 12:9

...My grace is sufficient for thee: for my strength is made perfect in weakness...

Be filled with the Holy Spirit every day. He makes all the difference.

CHAPTER ONE

Welcome to the **77 Days of Glory** as you experience them in literature and as you read this, let it capture your spirit and take you to other levels that God has for you.

Thank You, Holy Spirit.

The Voice Of The Holy Spirit *Hearing The Voice Of The Holy Spirit*

The Holy Spirit is keen on any one who hears the voice of God. God in the Bible said countless times, “Hearken unto me.” From the time He spoke to Abraham, God is talking, but people either don’t hear Him or they do not recognize that it is Him. Yet the scripture clearly says, “My sheep hear my voice.”

He is so keen on those who hear Him.

Say this out loud, “Oh God, help me that I may really hear you.”

If they that wait upon God renew their strength, what

about those who RECEIVE God? What about those who TRUST God? What about those who HEAR God?

Hearing from God is not an art. It is not something that you train yourself into. It is not a skill that you develop. God is a speaking God. He speaks through His word, and when we hear him, we make the right choices. It is what helps us to receive everything we need and not simply be surprised by the outcomes of life.

He said, Genesis 18:17

“Shall I hide from Abraham that thing which I do?”

Hearing from God is the one thing that I would advise every believer to do. Hearing from God is what makes us stand in faith that everything is possible.

God actually changes His location and residence because we hear from Him. The moment you hear from God, He will come down and live in your box like He did for Moses.

When we heard from Him, He came down and has been with us every day of these 77 days of glory. We see the manifestation of His presence in His glory, in the Miracles, signs and wonders and in the daily salvation of multitudes.

The 49 crusades

Over the more than thirty six years that I have been in ministry of our Lord Jesus Christ, I have been attacked on different fronts and at different levels. Right from the time when we were starting out and were referred to as “mushrooming churches”, when it was just our religious neighbors who persecuted us to the time when soldiers came looking for me at the house where I was staying together with other saints back in the early 1980s. My associate at that time pointed me out, but I was just about 22-23 years old at that time, and the soldiers didn’t believe that such a youngster could have been ‘the Robert Kayanja’ they had heard so much about. So they turned on my associate and beat him so badly that he had to be hospitalized, but they did me no harm. I have seen my fair share of attacks and attempts on me physically and spiritually that the Holy Ghost has averted countless times.

One of the greatest attacks I have had wasn’t a physical one, but it hurt beyond any physical pain I have had. It was an attack on my reputation. The book of Proverbs 22:1 says that “A good name is rather to be chosen than great riches...” Therefore an attack on one’s name and reputation could be one of the most destructive.

Back in 2010, a couple of gentlemen connived and conspired to taint my reputation by paying young men to accuse me falsely. The story flooded the headlines of all tabloids in Uganda and the region. They literally ran my name through the dirt at all levels. The press was having the time of their lives at my expense because the hottest “scandal” in the country at that time was that one. My family, the church and all who were associated with us had to keep our heads held up by a conscious decision because everything that was going on was out to bring us shame.

Psalm 3:3

“But thou O, Lord art a shield for me; my glory and the lifter up of mine head.”

When the attack came, it found that the Lord had just given us an instruction to spend time before Him fasting for ninety days. When those ended, He told us to go on another ninety, over and over again until I personally went on fasting and being before God’s face for five years. In the midst of all that, our ear was tuned to hear God and that is about the time He said, “twenty-five crusades!”

You must keep yourself in a position where you hear God. You must prepare yourself before any situations or attacks ever emerge because once you are under attack, you only hear the bullets fired at you and the bombs you launch towards your enemy. The best thing to do is to be in tune with the Holy Spirit so that you are able to differentiate between your abilities to fight and your enemies' inadequacy to attack you.

During that period of time, when my reputation was under question, not only by enemies, but also by the innocent public which was being fed by the media, and was being drawn into the debate about my reputation, which debate became so big that the President himself had to issue a statement concerning the matter (it is very rare for the president to speak out concerning a civil matter); I clearly remember it was at that time that the Holy Spirit said, "twenty-five crusades!!!"

*Keep Yourself In A Position Where You Hear God.
You Must Prepare Yourself Before Any Situations
Or Attacks Ever Emerge*

While press secretaries were releasing statements from the highest to the lowest offices in the land,

little did we know that it was working to advertise our upcoming forty nine crusades.

Oftentimes, we look at things going on in our lives and wonder what's happening, yet the whole while, God is saying, "If I don't put your name out there now, when I begin to do something great, who will know who you are?" The enemy uses people, circumstances and our mistakes to hurt us with our faults and sins, but the Holy Spirit overrides all that and invades what the devil has done, sucks energy out of it and pushes it in your back to propel you to greatness.

That is exactly what happened. Under all that attack, the Lord said, "twenty five crusades!!!" What an honor! When you know you have no reputation, no credibility, everything is thrown out there, you are the ridicule of society, yet God asks you to take His healing power to the entire world. What an honor!

Of course it wasn't easy standing and preaching before a mass of people who the previous day, were just reading all these concocted messages about you in the newspaper. But it is an honor that He was willing to show forth His power through a vessel rejected of men and acquainted with sorrow. That is exactly what the Holy Spirit does.

He will never join your pity-party. He will not sit by and comfort you to remain in the hiding place, No! He pulls you out of your hiding place and says you go,

Isaiah 60:1

Arise, shine; for thy light is come, and the glory of the LORD is risen upon thee

That is what He does and that is what He did from Arua to Kabale, from Mbale to Masaka and all across the nation of Uganda.

It was very evident that the Lord had put His hand upon us for miracles, signs and wonders more than ever before, and as we travelled on the road daily, sometimes at night or very early in the morning, we were encouraged. We weren't even afraid of what the enemy would say next. The joy we got in one day of the crusade was enough.

I will never forget Nancy School of the deaf in Lira where everyone began to hear and speak, yet they were all deaf and dumb. The Lord did miracles to prove that He was with us and amazingly, people were coming in great numbers.

Either they were coming out of curiosity or they were coming to look at this horrible man, or perhaps to see the

power of God. Nevertheless, the Holy Spirit used all of that to draw them to flood our gatherings and we began to see up to millions of people attending the meetings.

These crusades could go on and the Lord was willing to provide. By the time we began them, we didn't have a crusade team, crusade cameras, equipment or a TV station, but the Holy Spirit said, 'the only way I will separate you from everybody else is to invade and use what the enemy had done, and cause it to work out for your good.'

Romans 8:28

And we know that all things work together for good to them that love God, to them who are the called according to his purpose.

So it all began when we as a church got together to pray. We prayed and fasted daily, sometimes for 24 hours other times, just being in the presence of God. And what we began to see were incredible Miracles. God healed a mad man in Lira, Dr. Yeko and God used that to touch the Martinez family and they blessed the ministry with crusade equipment. Then God touched Pr. Vera from Australia, and we began to realize an exponential growth in the ministry.

God sent us great men of God including heads of state and great preachers. They all came at a time when no one wanted to associate with a ministry which had such a 'bad reputation.' God sent us Benny Hinn, Creflo Dollar, Morris Cerullo in a time where no one wanted to associate with us. Presidents Nkurunziza of Burundi and Museveni both came visiting the ministry during that particular time. We realized that this was a turning point. It was a new door to a new level because the Holy Spirit was given the driver's seat.

How do you know that this is the Holy Spirit talking to you? As we continued to move and do crusades in Zimbabwe, Burundi, Hong Kong, Australia, Singapore, Swaziland, and organized Afri-Aid, we came closer to the end of the fifty crusades (because later, the Lord challenged us to double the twenty five crusades to fifty.)

Uganda was getting ready to celebrate her golden jubilee. So He dropped the idea in my spirit to offer the Lord a crusade for every year that Uganda has been independent and then He would give Himself to Uganda. He would come in with change and do something totally unprecedented. I believe and it is my prayer that the move of God in these **77 Days of Glory** will not stop. So that instead of 77 days of glory, we will have 77 years of glory. That

God will continue to move and touch generation after generation after generation.

The voice of the Holy Spirit always comes to us in times when we least expect. He spoke to Moses when He was on the mountain herding sheep. He spoke to David when he was on at the backside of the desert. He spoke to Saul when He was looking for his father's donkeys. Abraham was a nomad when the Holy Spirit spoke to Him; Jesus was being baptized when the Holy Ghost came upon him, and John was still in his mother's womb when he was filled with the Holy Spirit.

It is amazing how He comes in times and areas where we least expect. This is your time as well. As you are reading this book, hear His voice and receive the Holy Spirit.

Crusade number 49 (Kyankwanzi)

We were doing crusade number 49 (the square root to 49 is 7) when the Lord said, "77days of glory." He told me to go back and declare this to the church back at home. Now I know why He told me to tell the church before I told the whole country. It is because the local church had to be convinced that the glory of the Lord is coming.

I remember the message I preached that Sunday morning

when I left Kyankwanzi to come tell the people at the Miracle Center Cathedral to prepare because on the 18th of September, we were beginning 77days of glory. He wanted me to tell them because all the crusades we had done, they had been the ones financing.

In all the crusades we had done, I had never missed a government and corporate leaders' prayer breakfast that we organize at the end of the crusade so we can address and influence the different districts from the top. I left government leaders and major corporate players in the breakfast. All I did was record a video for them and just like that, I headed back to Kampala. That is how important this was.

I had to drive almost 500miles to and from Kampala, just to tell the people to prepare for the upcoming **77 Days of Glory** and be back in Kyankwanzi by crusade time to conclude it that evening. In fact, I remember He said that the grace over the entire 49crusades has been compounded into the 77days and poured out upon the church. I remember when I got back to Kyankwanzi that evening, we had a powerful crusade. I didn't even call the people who were healed because the power of God like rain came down and Miracles were happening everywhere.

A few days later, I began to dream dogs of different kinds. Chihuahuas, poodles, African dogs and I kept wondering what all this could have meant. So the Lord told me to write down, 77DOGS. I said, Huh?! So we began to write down and advertise 77DOGS on our social media platforms. We declared, “The 77DOGS are here!” But kept on wondering who would come to such a meeting which we didn’t use Christian lingo to publicize. Instead of talking about the power of God and the anointing and the baptism and food and all these other things that usually draw the masses, we were talking about DOGS?! The Holy Spirit was running it all. He said, “I don’t want you to do what you’ve been doing.” He will use the least expected avenues to draw you the largest gatherings ever. And that is what He has done in the 77days of glory. Every day, there has been a record breaking attendance.

*When You’re In The Room Of Glory, It Will Find You
Right Where You Are, Even Underneath The Table.*

Then He led me to the spirit of Gideon (Judges 7) as he led men to drink water like dogs. He is the one who created the dog and He knows that when it is determined,

it will push itself to be anything. It can be a herding dog, a guard dog, an attack dog, a hunting dog or just man's best friend. It knows who its master is and who its enemy is.

That spirit, that knowledge, that understanding is how God wanted us to approach the 77 days. He wanted us to have a weapon of praise in our hands. He wanted us to use our tongue, speaking in tongues. It was very evident to me that we had to recognize the Holy Spirit from the very first week. People needed to be filled with the Holy Ghost with the evidence of speaking in tongues. When you speak in tongues, you are using your tongue like a dog would to lap water. This is what the Holy Spirit wanted us to do.

The other 'dog' the Lord led me to, was in;

Matthew 15:25

Then came she and worshipped him, saying, Lord, help me.

26. But he answered and said, It is not meet to take the children's bread, and to cast it to dogs.

27. And she said, Truth, Lord: yet the dogs eat of the crumbs which fall from their masters' table.

28. Then Jesus answered and said unto her, O woman, great is thy faith: be it unto thee even as thou wilt. And her daughter was made whole from that very hour

The Syrophoenician woman asked Jesus for the healing of her child, but He told her that he couldn't give the children's bread to dogs (in essence calling her and her child dogs). The woman couldn't take no for an answer, deciding to eat the crumbs that fall off the table because what is in the bread is surely in the crumbs as well.

The Master's Table

He wanted as He dealt with us, for humility to be the order of the day. He didn't want us to bring super-star singers or speakers to push and 'endorse' the meeting. Those, He was going to bring Himself. We had to lay our pride down.

Now we had earlier prepared the triple blessing conference which the 77days overrode. But the Lord had been very clear in warning us against pushing man. We had to push Him; to lift up the name of Jesus and give Him all the glory.

We weren't to sit at the table, but underneath the table. That is where you need to be. I am comfortable beneath

the table of Jehovah where He is talking about me. Whatever they eat at that table, I am getting a piece of. I'd rather be beneath that table. I'd rather not be popular or famous but remain underneath the table of God the Father, the Son and the Holy Spirit, with His glory covering everything, because when you're in the room of glory, it will find you right where you are, even underneath the table.

Psalms 84:10

For a day in thy courts is better than a thousand. I had rather be a doorkeeper in the house of my God, than to dwell in the tents of wickedness.

So, the Lord said to me, **"77 Days of Glory!"** And I thought it was just a word for the Miracle Center Cathedral. I thought maybe He could be meaning 7 days and 7hours on one of the days. Maybe He meant 7hours of glory every day. I began to humanly figure it all out but now it is clear after we have walked this way that He meant exactly what He said. When I look at the crutches, and the corsets, and how many people have been healed, I thank God that we obeyed Him when we heard His voice. That voice that we heard that day has changed our lives.

If you are really going to hear the voice of the Holy Spirit, you must do the following.

1. Prepare before He speaks; before the attack. Always be ready for God to come to you, so that when He does, you don't use your circumstances to make a case before God, but instead, that God would use your circumstances to anoint you for another level. People have come from everywhere; young and old, watching on television and on social media, people are receiving blessings of God. Why? Because we heard the voice of God. What is God saying to you? You need to prepare.
2. When you are going through hard times, lean on His direction. You will go through what you're going through, (even if it is the valley of the shadow of death) with JOY. I believe those who attacked us never thought we'd be happy and strong, growing, building and excelling. At the time where they expected us to crash, diminish and be finished is exactly when we flourished. That is when we began to grow and do more.

A 100 fold Harvest in the Famine

The voice of the Holy Spirit teaches you how to fight your battles and He shows you how you can handle your situations.

We recorded two wonderful music albums in the midst of such disaster. Our kids' church has recorded about five albums since. It seemed like the worship anointing was dropped upon the church because of what we were going through. When you look at every choir in the Miracle Center Cathedral, they have all won awards and recorded albums since then. I have myself received awards for the music we did and the Man of the year award for which I was preferred over the Commander of Defense Forces (U.P.D.F), H.E the President and the Prime minister of Buganda; very powerful, accomplished and accomplishing men, but by the grace of God, I emerged the man of the year, 2015.

Only God can do that after one has been ridiculed the way we'd been ridiculed. During that time, the Lord told us that we needed to help people. I began to meet different people concerning sending aid to war-torn and impoverished South Sudan, and while we were working all that out, I became the chairman of Afri-Aid, a Ugandan relief agency we started to combat the poor living standards in under privileged communities.

Afri-Aid invited the president to flag off 2.5million dollars' worth of food and other items for the people of South Sudan, all raised in one month. Only God can do that which has never been done before.

Girlpowerhostedkingsduringthatperiodof timeandthekings and from all the tribes in Uganda showed up. At a time when many should have been distancing themselves from us, and manywere,othersdecidedtoloudlydeclaretheirstandwithus. When you hear the voice of the Holy Spirit, you do things that seem impossible, far-fetched and ridiculous, but "... until it is ridiculous", the Holy Spirit says, "...it will never become miraculous."

*When You Hear The Voice Of The Holy Spirit,
You Do Things That Seem Impossible,
Far-Fetched And Ridiculous*

Hearing the voice of the Holy Spirit is so important in this day and age. If you can hear the voice of the Holy Spirit, you'll hear the voice of power, of defense, of money and of greatness marching towards you. Every individual should go back to hearing the voice of God; the voice of the Holy Spirit. He takes from Jesus, and Jesus takes from the Father. If you can take from the Holy Spirit, you will be hearing directly from the Father in Heaven. Amen

CHAPTER TWO

Then The 77 D.O.G.s Came! No More Financial Embarrassment

Not everybody is crippled, blind, lame or sick but all of us have something in common as human beings living on earth. That thing is finances. When your finances are in a comma, you cannot even come out of the (needs) closet in which you are hiding because of your failure to fulfill your obligations. It is one of the most demoralizing things for one to have a fully functional body yet having their finances totally out of balance.

It happened to the sons of the prophets in the Bible who had been felling trees during Elisha's time. As one of them swung, the axe head fell off and sunk in the nearby river. They cried out in LAMENTATION OVER AN AXE HEAD. These were sons of prophets and great men of God; people who declared the oracles of God, and there they were, lamenting over a sunken axe head, for it had been borrowed. Seven thousand men had all come and were living together, but they all

could not afford to buy a single axe head!!! They had to borrow it. FINANCIAL EMBARRASSMENT it is called.

Not Everybody Is Crippled, Blind, Lamé Or Sick But All Of Us Have Something In Common As Human Beings Living On Earth. That Thing Is Finances.

Another incident still during Elijah's time was when they almost sold a departed prophet's sons into slavery because of their father's debts. Time and again, we have seen the enemy try to make the power of God of none effect by causing financial embarrassment in the lives of God's people, so that the world may ask, "Now, where is your God?"

During this time of revival, the first thing the Holy Spirit dealt with was financial embarrassment. He kept declaring to us, "No more financial embarrassment!!!" And we began to see it right from the first week as millions of shillings in debt were cancelled and many got financial miracles. People would come upon money in their bags and purses that they didn't know was

there. Some received business deals that they were least qualified for. Others got phone calls from people abroad that they had not heard from in years, suddenly initiating contact and sending them money.

The money miracles continue to happen here in the lives of the people as the anointing for breaking financial embarrassment remains resident all through the revival time at the Miracle Centre Cathedral. When congregants acted upon a (financial) portion of prayer our Lord Jesus Christ left for us as a guide, they began experiencing a release in finances according to ***Matthew 6:12***

“Our Father who art in Heaven...forgive us our debts as we forgive our debtors.”

As a ministry, we have experienced such a financial escalation in the people's giving by the power of the Holy Spirit. I actually have had to be very stern with the people sometimes when telling them NOT to bring their money. When the Holy Spirit moves on people's lives, they give, just like it was in the time of the Apostles when they were filled with the Holy Spirit and people began to sell their properties and bring the money to the Apostles' feet and none lacked among them

(Acts 4:34). We have seen the same things happen as people have brought hundreds and hundreds of household items from household appliances to furniture, clothes, motor vehicles and even lands and houses and so much more for distribution to those who are in need.

Since the days of glory started, I have not even once instructed the people to bring these items, but as the Holy Spirit moves on their hearts, they are moved to give each according to their own ability, without any form of compulsion from the pulpit. Once again, I have very many times had to command the people to sit down and not bring their offerings because it was time for the Word and they were just not stopping.

When The Holy Spirit Moves On People's Lives, They Give, Just Like It Was In The Time Of The Apostles

Oftentimes, people have come to give out of their need and left with so much more in return than they gave. People have brought TV sets and left with truckloads of household furniture that very night because someone else was touched by the Holy Spirit to provide them with these things. Therefore, it is more evident that when the

Lord asks you to give what you have, He is not trying to take something from you, but to get something to you. The Lord takes so much pleasure in the prosperity of His people that when He started this revival He dealt with finances first.

***So If You Want Money,
Deal With The Holy Spirit.***

The quickest way to have your finances flung to another level is by paying attention,

listening and following the voice of the Holy Spirit. He understands money more than anyone else: No wonder His streets are paved with gold, the backbone of any currency. So if you want money, deal with the Holy Spirit.

When God said to Moses, “Go and get my people...” the conversation was between two people; God and Moses on Mountain Sinai. But the audience, the recipients of the results from that conversation was two million Israelites and ten million Egyptians. Although Pharaoh was not there, he was involved because they were talking about him.

Similarly, our problems, challenges and enemies may not be around us always, but when we are dealing with the Holy Spirit, they become a part of the conversation. I may not know who you are but whatever has been bothering you is now a part of your conversation with God as

long as you decide to deal with the Holy Spirit. It might be rent, money, school fees, lack of joy, diseases, cancer, problems, witchcraft, marital challenges, whatever they are, they are now a part of the conversation. They may not be here but they are hearing.

The Lord Takes So Much Pleasure In The Prosperity Of His People That When He Started This Revival He Dealt With Finances First.

Victory belongs to Jesus and it belongs to you. You must put on a crazy praise now for the Victory that you received in Jesus.

The glory of the Holy Spirit that we have experienced in the 77 Days of Glory revival is literally going to change the rest of the days of our lives. You must make up your mind and by the Holy Spirit make the declaration over your life, prophesy and say, ‘The Holy Spirit is changing the rest of my days.’ Your days of lack, suffering, wonderings and not knowing what is going to happen are about to be changed. And as you sow your seeds of faith, believe God for something incredible; something

that will affect your life even financially. He is a faithful God, He is a good God and He is our provider.

You Must Make Up Your Mind And By The Holy Spirit Make The Declaration Over Your Life, Prophecy And Say, 'The Holy Spirit Is Changing The Rest Of My Days.'

The heavens are open for you. The Lord will release his blessing on you in the mighty name of Jesus. The major way that the Lord is breaking financial embarrassment off His people's lives is by giving us direction in our finances.

Scripture points out in Proverbs 4:7 how we ought to get wisdom, for it is the principal thing. You individually need to pay attention to what the Holy Spirit is saying to you specifically concerning money; investment, business decisions and all. In the same way that He sends rain all over the land, He is sending the rain of supply and blessing to your life in the name of Jesus, to break the financial embarrassment off your life.

Everywhere you go you are blessed of the Lord who made the heaven and the earth. Poverty will never be in

your life! Keep the Spirit of the Days of Glory alive in you: The Spirit of doing what others don't do.

Child of God, you must act differently from how everybody else has been acting. For all the miracles Jesus has done for all the people who have testified since we began the days of glory, celebrate like never before you shall be experiencing a miracle life onwards.

CHAPTER THREE

The God Of Cain

When Cain killed his brother, God the creator pronounced a curse on him. That, for Cain was very bad news because beyond God there is no appeal. He had no higher power to run to for the nullification of the curse. It felt like the end for Cain, just like you may be feeling at the moment, looking at your circumstances and problems as very difficult and you think no one can solve them. He had killed his brother, committing the first murder and God got involved, cursing him and calling him a vagabond, useless and declaring that nobody would ever depend on him. This immediately turned every creature against Cain causing them all to seek to kill him. All creatures including the devil and the angels were turned against Cain.

Cain had nowhere to go. He was doomed. Remember he was the first born son of humans. If he had died everything for the humans would be over, yet God was the one removing him! The dust was to resist him, flies

were to kill him and everything was going to be against him. Cain went into the presence of God with literally nothing, but he went there anyway.

You should never let anything; not your money, not your sin, not your abundance or your lack ever stop you from accessing the presence of God. When Adam sinned, he hid from God's presence and the curse that came as a wage of sin sought him out anyway. But when Cain sinned, he was cursed but instead went into the presence of God.

He had nothing, he was a vagabond and he was useless before man, his parents, the devil, the earth and even before God.

But I want you to notice something; when Cain came in the presence of God, something happened. While there, God reversed the curse that He had declared upon him. And when God reverses what he has said, everybody will reverse what they have said about you. Once God gets involved and you come to him, he will reverse your history.

Genesis 4:13

And Cain said unto the LORD, My punishment is greater than I can bear.

14. Behold, thou hast driven me out this day from the face of the earth; and from thy face shall I be hid; and I shall be a fugitive and a vagabond in the earth; and it shall come to pass, that every one that findeth me shall slay me.

15. And the LORD said unto him, Therefore whosoever slayeth Cain, vengeance shall be taken on him sevenfold

If you want ‘things’ to be reversed from poverty to prosperity, from sorrow to joy, from sickness to health, you better get ready because we are in the presence of God. Things are reversing right now! Somebody is being given space to improve, to succeed, to increase and become wiser. Some things are turning away from you. Every devil now is being reversed. Lift up your hand and say, ‘I am not caving in under attack because I am in the presence of God.’

The God that Cain went to is ***The LORD, gracious, and full of compassion; slow to anger, and of great mercy-Psalms 145:8***

Lamentations 3:22-23 It is of the LORD'S mercies that we are not consumed, because his compassions fail not.

23. They are new every morning:

When God Reverses What He Has Said, Everybody Will Reverse What They Have Said About You.

The Lineage of Seth

In Genesis 5, we see the generation of Adam mentioning neither Abel nor Cain. He says, ‘Adam begot Seth’. It seems as if they were erased.

Genesis 4:25

“And Adam knew his wife again; and she bare a son, and called his name Seth: For God, said she, hath appointed me another seed instead of Abel, whom Cain slew”.

Cain was a vagabond but God gave him a chance again to do something that he was not supposed to do (or couldn't do); physically, spiritually, financially or mentally. That which he had no ability to do, the presence of God enabled him to. I don't know what your inabilities are and I don't know what you don't have. Whatever it

is, the presence of God that we have experienced by the Holy Spirit is going to grant it to you.

We see Cain crossed out, Abel crossed out and now the lineage starts with Seth then Enos, Ca-inan, Ma-ha'la-le-el, Jared, Enoch, Me-thu'se-lah, Lamech, Noah. Those are the descendants of Seth.

The Lineage Of Cain

I want us to see the descendants of Cain so that you may better understand this from the Bible. This is how what is in the house of Bill Gates will come into your house. The Bible shows something amazing when it says in

Genesis 4:16

“And Cain went out of the presence of the Lord, and dwelt in the land of Nod, on the east of Eden. And Cain knew his wife; and she conceived, and bare Enoch (Did we find a name called Enoch under Seth? Yes.) and builded a city, and called the name of the city, after the name of his son, Enoch”. Enoch means revival. Enoch means the move of God. Enoch means the presence of God. If he who was a vagabond and supposed to die came out of God's presence and built a city, child of God, by the Holy Spirit, God is going to give you ideas to build your

own city. Forget about building a house or a business... a city.

Genesis 4:18

And unto Enoch was born Irad: and Irad begat Me-bu'ja-el: and Me-bu'ja-el begat Me-thusa-el: and Me-thusa-el begat Lamech.

19. And Lamech took unto him two wives: the name of the one was Adab, and the name of the other Zillah”.

That is the Lamech under Cain.

Lamech Under Seth

Then there is another Lamech under Seth. The Lamech under Cain was evil, just as his grandfather, Cain had been. When his wives came to him reporting that their son was a killer, he remembered he had had the same problem and this is what he told his wives, ‘A young man offended me; he hurt me and I killed him,’ He was talking about Abel. He killed him simply because he was offended.

This is a call of caution to the children of God to beware of offense. It can force your hand to do what you never dreamed you could in all your life.

Genests 4:23

“And La’mech said unto his wives, A’dab and Zil’lah, bear my voice; ye wives of La’mech, hearken unto my speech: for I have slain a man to my wounding, and a young man to my hurt”.

So La’mech killed a young man for not much of a reason, just like his father. During Lamech’s time, Cain was probably already dead. The incident between Cain and Abel had happened a long time ago, but La’mech had already related his predicament to that of Cain. When he heard God’s presence coming after him to finish him off, this is what he said, “If Cain shall be avenged sevenfold, truly La’mech seventy and sevenfold”.

Lamech invoked a miracle that happened in the family a long time before him and spoke of things that only God knew, claiming them as promises for himself. He was not worthy because he was guilty. There are many Lamechs in our day today, living in the lineage of people who were evil. You find yourself like Paul saying,

Romans 7:15

For that which I do I allow not: for what I would, that do I not; but what I hate, that do I.

Your solution is in remembering the presence of God and speaking something that God can use to turn your situation around. I don't know your history; I don't know where you are coming from but ask the Holy Spirit to help you choose a verse, a promise, a word, a time, a day, an hour, a moment, a song, a prayer or a seed that God will use to turn your situation around.

Things in life can really go from the frying pan to the fire, but I want to encourage you to choose a song that will change you through that fire; a song that will turn your life around: choose a day, a moment, a seed, a time and set yourself for that to be the one that God will use to turn your life around. Choose the moment of your victory and let this be the moment.

Demons of witchcraft, religion, barrenness and so much more have been in your family for a long time. Even if you want to go forward the enemy says, "You cannot do it; we have a hook in you: There is a Cain in you, a Hitler in you, a Joseph Kony in you, a Judas Iscariot in you," but today if Cain was avenged seven times, for you like Lamech, it is seventy seven.

What does that mean? It means God is doubling up His grace, His mercy and anointing. He is multiplying

His ability in you. He is going to change you. He is going to remove whatever it is that has been pulling you back and break it. God wants to save you, redeem you, change your life, change your house, and He is going to prosper you. God is determined to take poverty, sin, disease and pain out of and away from you. God is determined to change your life.

Make this declaration out loud;

“There is a multiplied determination by my God to get me out of this situation. In a few days God is determined to get me out of here, get me out of poverty, get me out of lack, get me out of diseases, get me out of iniquities, get me out of fear, out of cancer and all sickness and disease. God has a multiplied determination concerning me. I am in the presence of God. My God is determined to get me out of the mess; He is focused on me to turn my life around.

I surrender to the Holy Spirit and refuse any form of financial embarrassment! NO MORE FINANCIAL EMBARRASSMENT IN JESUS' MIGHTY NAME!”

CHAPTER FOUR

Breaking The Spirit Of Witchcraft And Religion

The Holy Spirit Is Anti Religion

Nothing has contributed to the stagnation of the Church of Jesus Christ more than the spirit of religion. Religion is so bad that when Jesus came, the only people He attacked were the religious leaders of the day. Religion is what gives a form of godliness but denies the power of God.

It makes hypocrites of people by default because you have to behave a certain way and fulfill a certain man-instituted standard, yet the Lord wants you to come as you are. You will never operate in the full power of God and be in religion at the same time; either you will sink into religion or it will spit you out. Why? Simply because the power of God sets free, while the spirit of religion keeps bound.

I have seen so many religious leaders who have been excommunicated from churches and religions simply because they chose the limitless power of the Holy Spirit over the limits of the bondage of religion. But there is more to God than religion seems to be offering. Actually, all through history, religion it seems, has been putting a cap on God and His power.

Take a look at Cain and Abel.

Cain and Abel both brought offerings to God and God had respect to Abel's offering but rejected Cain's. What did Cain do? He rose up and killed his brother and God knew all about it. He came to Cain, just like He did when Adam sinned and God came to him.

What religion tells us is that we do not qualify and are not worthy to be in God's presence so people run out and go live a worthless life, but what we see here is that God wants relationship with us **EVEN WHEN WE SIN**. God wants to do away with your sin, but He doesn't want to do away with you. He is genuinely interested in us. He wants that relationship.

Look at Cain. After his conversation with God, he left, went and built a city. He was assured of protection and preservation of his life and those of his descendants.

That is God and how He deals with man. However, when religion came onto the scene, then it was written, “The soul that sins shall die!” Religion seems to merge the sin and the sinner, yet the Lord came to separate the sinner from his sin, deal with the sin and save the sinner. But all this is only applicable when the sinner is ready to turn away from his sin and embrace the life changing soul saving power of Jesus Christ at the cross.

Religion instead becomes a hindrance to this relationship between God and man because it becomes a third party. The encouragement is to not let anything, even your pastor, belief, religion, nationality or tribe stand in between you and God. He wants you to have that direct link to Him.

***Religion Seems To Merge The Sin And The Sinner,
Yet The Lord Came To Separate The Sinner From His Sin***

When the Lord gave Moses the blueprint of the Tabernacle of Meeting, which was also the basis on which Solomon’s temple was designed, He told him to place the Ark of the Covenant in the Holy of Holies. The Ark of the Covenant is what typified the presence of God and on it were the Cherubim overshadowing

the Mercy seat, with the glory of God hovering over the ark.

In 587BC when Babylon overpowered Israel and took Judea captive to Babylon and its provinces, the Ark of the Covenant disappeared and its location since has been very speculative. Later on in 538BC, Cyrus would grant the Jews permission to resettle in Israel and rebuild the wall as is stated in the books of Ezra and Nehemiah, and they reconstructed the temple that had been breached, according to the design of Solomon's temple, complete with a veil and a Holy of Holies, but the Ark of the Covenant, which again, typified and represented the presence and glory of God in the Holy temple was not there.

While the Ark of the Covenant was not there, the priests and religious leaders of that day kept on lying to the people that it indeed was there, and people kept on bringing sacrifices to the temple which neither had the presence, nor the glory of God. The only reason why it could have been called the Holy of Holies is because the Ark of the Covenant was there... But it wasn't!!! That was all a lie.

Which is why an angel could come down to Zechariah while he was in there ministering and have a discussion with him about his wife and about his marriage and sex and all that. The presence of God was not there.

When Jesus died, the veil that separated the Holy place from the Holy of Holies was torn from top to bottom. For the first time ever, everyday people in the temple had the opportunity to look upon what had been just told to them in stories. They would look upon the Shekinah glory of God hovering over the cherubim, their wings overshadowing the mercy seat. But did they see anything that the religious leaders had been telling them all along? No! All they saw was a room full of nothing.

One of the reasons why the veil was torn is so that religion could be exposed for what it really was. That is the day everyone realized that they had believed a lie from the religious leaders. When Jesus died, they saw what they had all never seen before, that there is actually no Ark of the Covenant; no Shekinah glory locked up in a room somewhere in the temple, and no need to be held by the limitations of religion. And that is what always happens when salvation comes; it exposes the emptiness of religion. The veil is torn off people's eyes

to expose the emptiness of religion. That is one of the first things that the death of our savior accomplished on the cross: It exposed the emptiness of religion.

Religion must be exposed by our salvation.

How could the religious leaders continue to ask people for offerings when they themselves knew that the Holy of Holies was empty? And this is still happening to this very day. It is such a disgrace to see that many are still bound by the emptiness of religion. Paul calls it 'having a form of godliness, but denying the power thereof.'

Jesus is the Prince of Peace, but so many times, his name has been used by religious leaders to divide people and draw rifts so deep that they have upheld age-old wars among so many. They have divided society to control it, while only a few benefit from the chaos and this is disgusting to God. He hates the bondage that results from the spirit of religion, and that is why Jesus' death on the cross resulted in the exposure of the spirit of religion.

Witchcraft

The closest relative of religion is witchcraft. The bondage of religion and that of witchcraft are the same. Both present themselves as a way to make peace with your maker yet neither offers the reality of salvation. Neither really sets up that link that bridges the gap between God and man.

As we all should know, the greatest miracle is that of the salvation of a soul. This miracle is so great that Jesus tells us of the great feast of celebration that happens in heaven every single time that an individual comes to the saving knowledge of our Lord and savior, Jesus Christ. It is the reason why we as a ministry have been heavily involved in open air mass crusades over the last more than thirty six years. It is a glorious moment when you stand and make that call to salvation and you see hundreds coming to the Lord. That feeling cannot be put in words. To know that there is celebration at that very moment in heaven because of these souls that were doomed to destruction, but now are heirs of the promise of life eternal through Christ Jesus... that's a moment to live for.

One of the greatest hindrances to the development of any people is their attachment to witchcraft. It is a spirit that is an enemy of progress and development, an enemy of life, an enemy of the gospel and an enemy of our Lord, Jesus Christ. It keeps so many bound in some of the grossest practices one can imagine, divides families, destroys homes and pulls down entire nations. I have heard of mothers bewitching their own children because the children are born again and do not want anything to do with witchcraft. I met a boy in the 77 days revival, no more than 16 years old, who was battered by his father because he turned away from witchcraft. I mean, how evil can this spirit be, which causes such a rift and hatred in a parent towards their own child?!

During these **77 Days of Glory**, we have witnessed as hundreds of people, young and old alike, bring loads and loads of items dedicated to the use of witchcraft so that these items can be destroyed. We have seen families bring charms that have been handed down from generation to generation, that have been the source of bondage and suffering for those families. We have seen hundreds denounce the practice of witchcraft, people who have been born again for years but wondering

why they see little progress in their lives, only for their lives to be turned around for the better from the very day that they bring these charms and talismans, which sometimes were locked away in an abandoned house out in a village somewhere, but still enforcing their bondage over entire families.

We actually lit a bonfire that does not die out just for the destruction of these items and articles, here at the Miracle Center Cathedral. And what is beautiful about all this is that I did not in the first place, call out people who had these items to bring them for destruction, no! The Holy Spirit himself moved on the hearts of his people and caused them to begin to bring those items. It all began with a young man who brought a handful of charms, few enough to fit in his wallet, and it has now grown to people bringing bags and bags of charms and talismans, sometimes, bark cloth and even skulls.

This revival has rocked this entire nation and will continue to spread until the yoke of witchcraft has been totally broken off the necks of God's people. We give God the glory for all that we are seeing during this revival and we know that we cannot remain the same.

Now this is a call to you reading this, but you know that there is some witchcraft somewhere in your life. I challenge you to destroy it, because if you don't, it is out to destroy you.

During these **77 Days of Glory**, we have seen as the Spirit that came upon Gideon to rise up and deliver Israel, starting with the distraction of his father's false gods, rise upon the people as we experience mass destruction of witchcraft items and the destruction of the spirit itself. We have had tons and tons of items dedicated to the 'gods' destroyed here in the **77 Days of Glory**.

It Is The Holy Spirit Who Leads Us To Fast.

The other fascinating thing is that Jesus fasted after being filled with the Holy Spirit. He didn't do it as a religious obligation, but was led by the Holy Spirit after He filled Him. Many today do it the other way round. They fast so that they are filled with the Holy Spirit. They are not led by the Holy Spirit to fast and the dangers of that are seen all over the world today as many have run mad, started cults and even died as a result of fasting minus being led by the Holy Spirit.

The Bible amazes me when it says that when Jesus finished fasting, the devil came... Notice that what defeated the

devil was not His fasting. The fasting actually brought the devil out from his hiding, so that the Holy Spirit in Jesus could deal with him. That is what fasting does; it smokes the devil out from his hiding place in your life. If you are empty of the Holy Spirit, you will be beaten flat in a fight that you were not supposed to be involved in, in the very first place.

It is the Holy Spirit in us who wins us the victory, so we must be filled first before we fast.

Jesus said, “This kind cannot go but by prayer and fasting.” Meaning that what brings it out is the fasting; what casts it out is the prayer. But fasting must be done by the Holy Spirit in us, and prayer must be of the Holy Spirit in us as well.

When a Christian is filled with the Holy Ghost and is fasting and in prayer, he will pull the devil out and cause him to pay the bill: that Christian has immeasurable power operating for him; the power of the Holy Spirit.

When he came to Jesus after He had fasted for forty days, Satan took Him to the pinnacle of the temple. That to me was mind-boggling because if the same Ark, the one which Uzzah, a priest touched and died immediately, had been that temple, how could the devil

stay on top of that building? Can the devil sit on God? It is because the Ark of the Covenant wasn't there. That is why the devil could sit on the top of the temple.

Where the presence of the Lord and of the Holy Spirit isn't, Satan will sit on top of the leadership of any church. I mean, how come the angel would come down seasonally and stir the water in the pool of Siloam with healing power, yet there were money changers in the temple? It is because the devil had taken over the leadership of that church through religion. This is why Jesus came into the temple with a whip and drove all the money changers out.

The Ark of the Covenant would make the difference in that temple. No one would have sold and traded in the temple if it had been there. The conviction would have been too much upon the people that no one would have even brought a turtle dove in for sale. But because the Ark of the Covenant wasn't there, the high priests went as far as handing the son of God over to be crucified. Those high priests could have died, just for thinking about plotting to take temple money and paying a betrayer for the life of the Son of God.

The Ark of the Covenant represented the Mercy Seat, the Judgment seat and the Power seat and it was not there in the temple. That is why the devil was on top of that temple. Whenever he came from his “to and fro” tours, he would land on that temple because it was totally void of the Spirit of God to stop him. Religion is very dangerous because it doesn’t tell the people that it doesn’t have the power. It keeps saying, ‘we have the power and it is behind the veil.’ But Jesus made sure He does go to heaven with that veil still in place. And because he tore the veil by his death on the cross, all of us now have access to the real power of God.

So religion hates the Holy Spirit, but He exposes it.

People hate the Holy Spirit because He exposes everything that is not of God in them; fraud, lies, you name it, He will expose it. And that is what happened at the cross.

The scripture says that Jesus was raised from the dead by the power of the Holy Spirit.

Before God could create anything, the Holy Spirit was here to catch the Word God spoke and to take it to the right soil. We have a tendency to think that God spoke and things just happened, but actually, it is the Holy

Spirit who carried the things He spoke into their place of materialization. That is why there are trees that will never dry up; because of the soil they are in. Likewise, the Holy Spirit carries everything into its rightful soil so it can flourish. Without the Holy Spirit first, all our efforts; the fasting, the giving, the works that we do would all be in vain. That is why it is very important to be filled with the Holy Spirit before we embark on any project.

***Religion Is Very Dangerous And Has Hindered Many
From Realizing Their Full Potential In God.***

When conducting the children's party on January 24, 2017, we had planned to do like we always did at our kids' parties every year. Play some music, entertain the kids, give them some food, minister to them, get them excited, some soda and send them home. God said, "NO! These kids need me in their lives. You've gotta teach them to welcome Me in their lives." And we did. Oh boy! That day, we saw so much deliverance, manifestations, with little kids being delivered from demons, and casting them out, being filled with the Holy Spirit. I am talking about kids as young as three years old,

being filled with the Holy Spirit and speaking in tongues. Religion will tell you, “No! Those are too young...” Yet as we know John the Baptist’s story, he was filled with the Holy Spirit in his mother’s womb.

The Holy Spirit is in such a hurry to fill us, regardless of how old we are. I take this opportunity after what I saw that day, to invite parents to expose their children, no matter how young, to the Holy Spirit. A child cannot be too young to be filled with the Holy Spirit and used of God. The Holy Spirit is anti-religiosity.

The Holy Spirit Owns Everything

The Holy Spirit owns everything and whenever He has use for it, He will at any given time call for it, We therefore, as His children, full of Him and being the sheep of his pasture, should be ready to supply whatever He needs to use, because after all, it is His anyway.

At Jesus’ death, someone provided the cross on which He was crucified as someone provided the tomb in which he was buried. Someone provided the dinner that he had the night before, without paying for the food. When He was born, kings provided the gold that he would use as a child in Egypt and growing up.

Once you are born of God, God will provide for you. We need to experience this provision of God in His children's lives more. I have seen it when people do weddings and millions flow in for the wedding. What many don't realize is that it is God who has commanded those people to give towards that wedding. I have seen many who stand up to raise money for different projects and the response isn't that good from the people. I have learned that when you see people moving on your behalf, then you know it is the Holy Spirit moving through them. And you must get excited when you realize the Holy Spirit is involved. He owns everything. When the Holy Spirit moves on your behalf with supply and provision, He supplies all your need. He doesn't leave things missing and broken. He supplies all and with the best. That is why on the last day of creation according to

Genests 1:31,

God saw everything that He had made, and, behold, it was very good.

The day we held the kids' party, I learned that I shouldn't and I will never close a service without asking people to be filled with the Holy Spirit. What made that kids' party unique is how it concluded. The Holy Spirit took pre-eminence and made a change in the children's lives.

If those kids had simply drank soda, eaten some food and cake, they would have just gone home the same. But the fact that they were filled with the Holy Spirit that day, I know for a fact that neither they nor their families will remain the same, because we gave room to the Holy Spirit to fill His children. No matter how young or old, we should make room for the Holy Spirit. He owns everything.

CHAPTER FIVE

All Eyes On Uganda

The scripture says,

Psalm33:12

“Blessed is the nation whose God is the Lord...”

It is therefore quite straight forward that if we shall be a blessed nation, our God must be the Lord and we cannot have any other gods before Him.

***When The Word Of God Is Spoken Under The Unction
Of The Holy Spirit, It Carries With It Power.***

I remember earlier in 2016, we held presidential elections here in Uganda and I was privileged to have been invited to pray at the inauguration ceremony. As I stepped up to the microphone, the Holy Spirit filled me and I began to prophesy.

Below is the write out of the prophecy from Kololo airstrip.

“Please Do continue in Prayer, I want us to start by clapping our hands because this is not just a swearing-in as normal, or an inaugural as normal, this has come to augment the very significance of democracy in Africa.

I want us to clap our hands first of all to thank God, for the victory he has given to Uganda and Africa at large.

Your Excellency, the swearing-in and inaugural is different from any other because of the following, number one, the NRM government has been in power for 30 years, and it is like when king David took over the throne of Israel, a people who were dispatched because of what was going on, it was 30 years, even our Lord Jesus Christ when was anointed to come and save humanity, was 30 years.

There is a fresh anointing, Mr. President and mama, that is coming upon this country than ever before. There is a fresh anointing, not only just the anointing to do stuff, but things are going to speed up like the servant of Abraham, Eliezer. He asked God to give him good speed. I prophesy! I speak success in Uganda, in every area of our life there will be good success.

Mr. President, thank you for being a God lover, and (of) God’s people. You have loved Uganda, you have

defended Africa and you have united Uganda.

But these five years or your reign and leadership in this country, are going to be super years of success. God is going to bless our gardens. God is going to open your life. There will be no pestilence in this land. There will be unity in this nation. Everything we do will go as God has planned it to be because it is God's will that as it is done in heaven, it should be done in Uganda.

Go ahead Mr. President, Unite East Africa, Go ahead, let Uganda rise as it was doing, for God has chosen you, Mr. President Y.K Museveni to take the shame off the African people, which we have been under for years. The time has come for Uganda to arise, every Ugandan will be successful.

By the end of the 5 years, we will not be just changing our brothers and sisters, but we will be a wonder in the land and around the world in Jesus Mighty name,

Amen.

Only a couple of months later, Uganda was invaded by the Holy Spirit in the **77 Days of Glory**. Call it coincidence if you like, but I have been around long enough to know that when the word of God is spoken under the unction

of the Holy Spirit, it carries with it Power.

One of the hindrances standing between God's word and its fulfillment to His people is the demon of witchcraft. God prepared these 77 days for Uganda so that He can deal with that spirit that has been holding the entire nation back from entering into the fulfillment of His word and purposes for the country.

The motto of this nation is "For God and my country." Everything that we do as a nation must reflect our motto. We cannot be a nation that serves God yet at the same time be serving witchcraft and religion.

So as a result, we have seen tons and tons of witchcraft items destroyed during these days of glory. People are bringing in items from far across the country so they can be destroyed in the house of God, and they are turning to serve the Living God.

I will never forget the testimony of one of the young men who brought a load of powerful witchcrafts all the way from Busoga in Eastern Uganda. He said when he got there, he gathered all the items and addressed them. He said and I translate, "People, I have come to get you and take you to Kampala for your destruction. Please, if you can, get up and fight for your preservation."...

No response. Then he packed them nicely and started the journey to Kampala. But what made the story most comical is how he kept updating them along the journey, regardless of their silence. When he got to Jinja, he whispered into the bag, “Hey, we are in Jinja. If you can, please fight for your preservation and survival.” This he kept doing at every major trading center along the way until they reached Kampala city. Then he got really serious with them. “Hey! The church is in Rubaga and that is where we are heading from here. If you have any power, get up and fight.”...Nothing! Then they got to the church entrance where he again whispered into the bag, “We are here. The moment you enter this church, you are going to be destroyed totally. This is your last chance. FIGHT!” But there was still no response, and that is when he realized that they didn’t have any power. So he brought them to the platform, had them destroyed and he gave his life to Christ that evening.

That is the story of many of the people who have brought their family witchcraft items for destruction. Of course not all of them are as dramatic as this one, but still, the results are just as liberating.

God has used so many different nations on the face of the earth all through history to serve His purpose at

different times. He used Egypt to bless His people all the way from Abraham. He also used Egypt as an agricultural hub to sustain the world through a sore famine. He used Great Britain to spread the gospel all over the face of the earth by printing and distributing the King James Version of the Bible during colonial times. He used Israel to make His name known in the earth and now, He is getting ready to use the nation of Uganda.

Psalm 33:12

“Blessed is the nation whose God is the Lord...”

IT IS TIME FOR UGANDA!!!

CHAPTER 6

Functions And Expressions Of The Holy Spirit

The Testimony of Jesus

The main function of the Holy Spirit is to bear the testimony of Jesus. He is more concerned about the testimony of Jesus than any other thing. Jesus said, ***“When He comes, He will testify of me.” John 15:26***

In Revelation, He talks about the functions of this unique angel who came to John.

Revelation 19:10

And I fell at his feet to worship him. And he said unto me, See thou do it not: I am thy fellow servant, and of thy brethren that have the testimony of Jesus: worship God: for the testimony of Jesus is the spirit of prophecy.

The Five-Fold Ministry

The Holy Spirit expresses Himself through very many things, most notable of which are the five-fold ministry. He chooses even then, mostly Evangelists and Prophets to express himself. That is why Evangelists and Prophets are more popular than the remaining offices of the five-fold ministry.

Apostles have to follow a pattern of their successes. Teachers follow a syllabus. They can't teach you things for university while you're in nursery school, yet the Holy Spirit, because He is a teacher as well, can actually teach you how to handle major finances without you going to commerce or business school.

Pastors follow the 'shepherd's scheme', full of instructions like; you must feed the animals, give them water, dip them, immunize them and you must bring them a male to mate with so that they can produce after their kind. Whereas the Holy Spirit taught Jacob how to put sticks in water while the animals mated in order to change their skin print.

Evangelists on the other hand are all about putting the name of Jesus out there; they are all about the testimony of Jesus and winning souls for Him, and Prophets

speaking what the Holy Spirit is saying. Yet the prophet has nothing to say without the testimony of Jesus which in essence is evangelism.

That is why the Holy Spirit often chooses more to express Himself through these than the other. The rigidity in these other ministries hinders the Holy Spirit from fully expressing Himself. Don't get me wrong. This in no way is meant to put down Pastors, Teachers and Apostles. On the contrary,

1 Corinthians 12:19 But all these worketh that one and the selfsame Spirit, dividing to every man severally as He will.

They are all offices of and by the Holy Spirit and He expresses Himself differently through them. However, the offices of Evangelists and Prophets are more about Him. They do not require a lot of human knowledge or experience. Just declare the Word of the Lord by the Holy Spirit; testimony of Jesus- Spirit of prophecy.

Revelation 12:11 And they overcame him by the blood of the Lamb and the word of their testimony.

So, that is surely the number one function of the Holy Spirit: The testimony of Jesus; and wherever the testimony of Jesus is, He fully comes.

Pentecost

The Bible says that ***“When the day of Pentecost was fully come...” Acts 2:1***

Pentecost is fifty days after the Passover. Jesus had expressed himself among the disciples for forty days and then went up to heaven. He was trying to labor to bring about His testimony that, Hey, I’m alive. He was with them, eating and drinking with them, revealing to them the deeper things of God as they communed with Him.

He stayed that long to prepare them for the Holy Spirit; the Comforter and Advocate who would teach them and remind them all things that He had taught them in the three years of His earthly ministry. Why else would the resurrected Jesus, having said on the cross that “It is finished,” stay around for another forty days?

John 20:22 And when he had said this, he breathed on them, and saith unto them, Receive ye the Holy Ghost:

By the time Jesus left, He had breathed on them the Holy Spirit. For the ten days that followed, the Holy Spirit was massaging the truth about Jesus into the disciples, trying to move them to the greater depths of knowledge of the savior.

They were in the upper room praying when He came in like a mighty rushing wind because He loves to be where prayer is. But remember, He had already been given to them when Jesus walked into the room and said, “Receive ye the Holy Spirit.” The Holy Spirit loves prayer, patience and waiting upon the Lord; Waiting upon His promises and upon His Word. When Jesus told them to wait, it is the Holy Ghost who told them to pray.

When the 50th day came of Pentecost and they were baptized with flames of fire on their heads and were filled with the Holy Ghost, with the evidence of speaking in tongues, then they became witnesses of Jesus; they bore the testimony of Jesus. Simon Peter, when he rose to speak that day, did not talk about the plans and visions of the church and the new ministry. He talked about Jesus. He mentioned how they crucified the darling of heaven. He talked about how He had lived and was approved of God among them with miracles, signs and wonders.

The same man who about two months back had sworn to not know Him now testified of Jesus because he had been filled with the Holy Spirit.

The Apostles were fully led by the Holy Spirit into the room of prayer. Before they had received the Holy Spirit, Peter, the one who had been given the ‘keys’ had returned to fishing.

The Holy Spirit loves to stay around where the testimony of Jesus is uplifted and shared. The world today is in the state it is because fewer prophets, pastors and people are testifying about Jesus. So many of the people today are simply braggingly talking about, “Hey, I’m a man of God. I can do this, that and the other. It’s all me, myself and I...” Very few are fronting Jesus. He actually has less praise in our world today than He had at the turn of the century. No wonder many are powerless and struggling even in basic things like food, shelter and accommodation rent.

King David in

Psalms 103 says, Forget none of His benefits... who heals all our diseases and forgives all our sins...

Meaning that what we see as difficult is a benefit that we receive from the Lord. We lack in basic things simply because we are not witnessing for Jesus.

Psalm 103:1 Bless the LORD, O my soul: and all that is within me, bless his holy name.

2. Bless the LORD, O my soul, and forget not all his benefits:

3. Who forgiveth all thine iniquities; who bealeth all thy diseases;

4. Who redeemeth thy life from destruction; who crowneth thee with loving-kindness and tender mercies;

5. Who satisfieth thy mouth with good things; so that thy youth is renewed like the eagle's.

The number one function of the Holy Spirit is the testimony of Jesus.

Availability

The Holy Spirit expresses Himself in various areas of availability. He is not looking for choice vessels, but rather, for available ones. If you are available to Him, the Holy Spirit will express Himself through you. The element of availability always qualifies one under the unction of the Holy Spirit to do the unbelievably and unexpectedly great exploits.

King David was available to challenge Goliath and God used Him incredibly to free God's people from the tyranny of the Philistines. If I were to advise any leader of God's people, all I could say is, yield! Yield and avail yourself to the Holy Spirit.

We see the greatness of Madiba Nelson Mandela only because he availed himself. While others ran out of the country, he stayed to be used of God to withstand the torturous times and fight for the freedom of his people. All the offices of the five-fold ministry are only occupied because people avail themselves to be used of God in those offices. Pastors, prophets, evangelists, teachers and apostles; they all simply avail themselves. This is why the Bible tells us to ***offer ourselves, a living sacrifice, Holy and acceptable unto God, which our reasonable service- Romans 12:1***

Hannah prayed that God would give her a son, and she committed her son to be available for God's service. The power of God came upon Samuel so much that he ended up anointing the first kings of Israel, yet he wasn't a Levitical priest. God came to Samuel and called him as a child sleeping in the temple because as a child, he had been availed to Him.

I wonder what would happen if we yielded to the Holy Spirit 100% and said, Lord, I am available this year: Use me.' Have you any idea how many families would be overturned for the glory of God? The effect of that would be totally tremendous. The Holy Spirit has to lead us to avail ourselves to God. When we are obedient and avail ourselves to His service, we will spend the rest of our days in prosperity... That is guaranteed in scripture.

Isaiah 1:19

If ye be willing and obedient, ye shall eat the good of the land

Responsibility

I remember during the Believers' Fire Conference in the Entebbe crusade, a pastor asked me a question that went something like, "Pastor Robert, what is the price you paid in order to be doing the things that you do, that I may also pay it?"

The answer to this question is very simple. The price which was paid is a very expensive one that you could never afford, even if you had wanted to pay it. No other person can pay the price that was paid for me to be used of God the way that I have been honored to have

been for now, over thirty six years. That price is the blood of Jesus. No other individual could ever pay the price for the lame to walk or the blind to see. No one else could ever pay the price for millions to get saved and for lives to be transformed in the **77D.O.Gs** revival services that we have witnessed recently.

But there is such a thing as taking responsibility and determining that you will stand in the gap for your family, your nation and your generation. The Holy Spirit wants to flow through us daily, but He will use available vessels that take the responsibility upon themselves for their lives, their families, their nations and the world.

Taking responsibility is what the Lord would have us do. Responsibility according to me is when you respond to possibility. It is not a burden when you take up responsibility; it is simply your response to possibility.

For example, if I have to feed the hungry and it entails getting out of my locale to go to a market where I could buy the food cheaper: of course it is a discomfort. But the possibility of me using the same amount of money to feed them for five days because I went to the market versus me using that money to feed them for just one day because I bought the food in my locale; I have to respond

to the possibility of feeding them for five days. And when we respond to possibilities, oh boy... we are filled with excitement and joy. We take pleasure in what seemed burdensome to others because we respond to possibilities.

Jesus' life and teachings were full of this statement,

“With man, this is impossible, but not with God: For with God, all things are possible.” Mark 10:27, Matthew 19:26, Luke 18:27, Luke 1:37 and so many other verses keep on showing us the limitless possibilities of our Lord. All He needs for us is to respond to the possibilities.

When we become responsible; repent of our sins, yield to God and worship Him, when we say to Him, use me if you can use anything, then we are responding to God and so much possibility is available to us then.

The possibilities in salvation are endless. You get to meet new people, you become brothers with a stranger, you begin to appreciate other people's gifts and you decorate your world. So that even in the midst of the darkness, you can still paint your world better than Leonardo Da Vinci.

There is no more price to pay; Jesus paid it all. But all we have to do is respond to possibilities. Pick up that paint

brush and paint the world. That is what happened with Channel 44 TV. We simply responded to possibility. We have had people fly in all the way from Rwanda and Malawi, Singapore and other nations with praise reports having received their miracles while watching television.

So many miracles are locked up in our ability to take responsibility, and they are released the very moment that we do. Responsibility is not a burden. It is a way and expression of the Holy Spirit. There is no one notable that God called in the entire Bible that did not take upon himself responsibility. Decide today to stand up for your family, your nation and yourself.

Ezekiel 22:30

And I sought for a man among them, that should make up the hedge, and stand in the gap before me for the land, that I should not destroy it: but I found none.

Will you be the one who will stand in the gap and take responsibility?!

The Holy Spirit Reveals Where Resources Are

The other major function of the Holy Spirit is to reveal where resources are. In the days where Jesus was

beginning His ministry, he located the boat of Zebedee, Simon and Andrew's father. That is because he knew where the resources were. The Miracle of catching the fish and taking a gold coin out of its mouth is proof that the Holy Spirit told Jesus where all the resources were.

Matthew 17:27

'...go thou to the sea, and cast an hook, and take up the fish that first cometh up; and when thou hast opened his mouth, thou shalt find a piece of money: that take, and give unto them for me and thee.'

It is my prayer that the Lord would entrust me with His resources, so that whenever there is something to be done, God would contact me.

Phillip said, "Here is a little boy with his lunch of five loaves and two fishes." Joseph of Arimathea came out of nowhere when the master died and took upon him the burial and funeral expenses. The Holy Spirit locates where God's resources are and is more than willing to show them to His people.

Boldness

The other function of the Holy Spirit is giving people boldness. We never realize that boldness is what made Moses, Moses. There is a Moses who was born to a son and daughter of Levi. Then there is a Moses who was in the basket. There is a Moses in Pharaoh's daughter's arms. There is a Moses in the palace, a Moses who killed the Egyptian and fled. There is a Moses on Mount Horeb before the burning bush and the Moses who came back to Egypt and stood before Pharaoh declaring, "Let my people go!!!" But the thing that made the most important of these "Moses-es" is the Spirit of boldness.

The Spirit of boldness is what made Elijah, David, Samson, the prophets, Peter and others. We see it in the Acts of the Apostles when they prayed again and the place shook as if the first time when the Holy Spirit came down with tongues of fire, but this time, they were all filled with boldness.

Acts 4:29

And now, Lord, behold their threatenings: and grant unto thy servants, that with all boldness they may speak thy word...

31. And when they had prayed, the place was shaken where they were assembled together; and they were all filled with the Holy Ghost, and they spake the word of God with boldness.

It could not have been enough that they were speaking in other tongues. They had to be filled with the Holy Spirit of boldness. So many children of God are speaking in tongues and praying but have not yet received this boldness to walk up to the devil like Moses and take back what is theirs. As a result, many are saved, but still poor, weak and sickly.

It is about time that the Spirit of boldness came upon the children of God that they may possess their possessions.

We see it in ministers when they get under the power of God and are ministering under the anointing, a certain boldness will come upon even the shyest and most timid of people because of the anointing of God upon their lives.

The scripture tells us to come boldly to the throne of grace where we will obtain mercy and find grace to help in time of need (Hebrews 4:16). It says that the

righteous are bold as a lion. Those who know their God are bold and they do exploits.

The boldness that comes from knowing God is by the Holy Spirit. We see it when darkness covered the earth. The person who first confronted the darkness was not the Father who spoke. It was the Spirit who was hovering over the face of the deep. Boldness makes you hover over those things that you otherwise would be timid about.

Boldness is a key in life. Whether in business or preaching, you at a certain point are going to need to rise to the occasion in the midst of unfavorable circumstances, and that will take boldness.

Wealth Creation

Conventionally, one would think that the creation of wealth comes from government initiatives and personal application of self to discipline. However, scripture places the Holy Spirit right at the centre of wealth creation. People may give Him the credit for this or not, but the Holy Spirit is always available where commerce is done, because He is responsible for wealth creation. The scripture says, He makes known unto us the mind of the Father; He teaches us to profit and He rejoices in the prosperity of His servants. It also talks about, in

Psalms 107:23

They... that do business in great waters.

This function of the Holy Spirit has been tapped into by so few, but those that did manage to have gone down in history as some of the greatest men in the land. People like Abraham, Joseph, Solomon and others who created wealth, simply tapped into this side of the Holy Spirit.

He said in ***Isaiah 48:17***

“I am the LORD thy God which teacheth thee to profit, which leadeth thee by the way that thou shouldest go”

This simply put, the way God wants us to go is a way of profit. It is never a loss if it is the Lord who led you to it. He told Isaac to remain and sow in a land that was suffering a serious drought. That year, in the midst of the drought, Isaac reaped a one hundred fold harvest. The Holy Spirit has all the secrets of wealth creation.

The reason why Jesus began His ministry in Galilee is because it was a trading centre where people from all over the known world gathered. The first miracle he did there was the creation of wealth, when he caused a net-breaking boat-sinking catch for Peter. He is the most

knowledgeable on this idea and has serious interest in the people of God creating wealth. For He said in;

3 John 1:2

Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth.

Deuteronomy 8:18

But thou shalt remember the LORD thy God: for it is He that giveth thee power to get wealth, that He may establish His covenant which He sware unto thy fathers, as it is this day.

THE EXPRESSION OF THE HOLY SPIRIT

The Holy Spirit makes up for our inadequacies

All through history, we see God use men who were insufficient in themselves. And God loves to use such people because then, everybody knows that it couldn't have been them. We see it in the life of Moses and David. Gideon, Saul, Jeremiah; all these guys felt inadequate in themselves. But you see God working with these people. He gave them boldness and then communicated through them.

Moses' inadequacy was so vivid by the time God called him that he went as far as offering God an alternative to

himself. God who knows all things still paid attention to Moses who was suggesting an eloquent speaker, Aaron. Long story short, God wasn't calling Moses because of his perfections. He still used him inspite of his speech impediment.

I for one was a very bad stutterer. Growing up, so many kids made fun of me and even if I thought up a response, it would take me a while to express myself because of the stutter. As a result, I was very quiet and kept to myself most of the time. But when Jesus visited and called me at 17, the first miracle He did for me was giving me the ability to speak.

Right now, I could be the most 'talkative' Ugandan in the land. Every single day, I am speaking or preaching somewhere, and ever since the **77 Days of Glory** started, I have stood and spoken for up to 11 hours in a single day.

The Holy Spirit expresses himself through those that wouldn't express themselves better; He uses those who are least qualified so that all may know that it is Him so that the glory goes back to Him.

The Holy Spirit Deals With Children

The scripture says that out of the mouths of babes and sucklings, God has ordained and perfected praise. Yet we know that He dwells in the praises of His people. He says, “Let the little children come to me... for the Kingdom of God is for such as these.”- ***Matthew 19:14.***

Pay close attention to children, because the Holy Spirit expresses Himself a lot through them-He loves children. That is why the punishment of those who cause little children to stumble is worse than for a millstone to be tied about the neck of one and that he be cast into the sea.

Luke 17:2

It were better for him that a millstone be hanged about his neck, and he cast into the sea, than that he should offend one of these little ones.

The Holy Spirit is that interested in our children. He tells us to ***train up our children in the way that they should go so that when they are older, they may not depart from it. Proverbs 22:6.***

The great prophet and judge of Israel, Samuel was asleep in the temple when he was called to serve the Lord at a very tender age. The priests those days were

not having any hearing God for the Bible says that “the word of the Lord was precious in those days and there was no open vision.”

It is in such a spiritually dry environment that God called the little boy, Samuel.

1 Samuel 3

The Holy Spirit is interested in our children.

When My Girls Got It

I remember another day when the service ended and I walked back into the office as usual, but when I got there, the power of God hit everyone in the office and they were all unable to stand, but kept rolling on the floor, weeping under the power of God. My daughters who were in the room as well were ‘sucked’ into what God was doing. I had never seen them like that in eighteen years.

It gave me so much joy, seeing my daughters as well filled with the Holy Ghost, totally out of control. It is one of the greatest joys of parenthood, when you see your children launch deeper and deeper in God.

I am ever grateful to the Holy Spirit for that evening.

As you know, many preachers' kids usually have their own issues with the things of God and end up straying from the path, but that is because many of us think we raise our own children and that the good upbringing we gave them is what will guide them along the way. Not at all!!! God gave you your children and the only way they will be preserved is by Him. How I pray that all preachers' kids would be filled with the Holy Ghost; and not just the kids, but even the preachers themselves.

Faith and The Holy Spirit

Take a look with me at these portions of scripture;

Romans 12:3 (Amplified Bible)

For by the grace [of God] given to me I say to every one of you not to think more highly of himself [and of his importance and ability] than he ought to think; but to think so as to have sound judgment, as God has apportioned to each a degree of faith [and a purpose designed for service].

John 3:34 (Amplified Bible)

For He whom God has sent speaks the words of God [proclaiming the Father's own message]; for God gives

the [gift of the] Spirit without measure [generously and boundlessly]

Do you see that? God gives to everyone a measure of faith, but He gives the Spirit without measure. This means that where we come short in faith, where our faith fails us, we can always rely on the limitless resources made available to us in the Holy Spirit.

The church has for such a long time preached faith and faith is powerful. Everyone that Jesus healed, He told that their faith had made them whole. Faith is one of those three that remain according to 1 Corinthians 13:13 “Right now three things remain: faith, hope, and love. But the greatest of these is love...”

I do not intend to water faith down in anyway, but to help us realize which of the three is the greatest. Love! Besides, that is how faith operates anyway.

***Where We Come Short In Faith,
Where Our Faith Fails Us, We Can Always Rely On The
Limitless Resources Made Available
To Us In The Holy Spirit***

Galatians 5:6 (AMP)

For [if we are] in Christ Jesus neither circumcision nor uncircumcision means anything, but only faith activated and expressed and working through love.

Could I just add one verse to bring all this into perspective?

Romans 5:5

“And hope maketh not ashamed; because the love of God is shed abroad in our hearts by the Holy Ghost which is given unto us.”

Being continually filled with the Holy Spirit and allowing Him to take center stage in our lives and in all that we do has given us more mileage and helped us cover so much more ground than our faith could ever accomplish on its own.

The reason why the Apostle Peter who had denied Jesus with cursing and swearing could now stand in the very city where he denied Him, to proclaim Him, was because He had been filled with the Holy Spirit. And look at the results from the first Holy Spirit service in history. In one sermon, without a PA system at 9:00am, 5,000 people came to the saving knowledge of our

Lord and savior, Jesus Christ. The secret is not, and has never been in the sermons that we preach.

My spiritual father, Dr. TL Osborn (RIP) used to always say the gospel is a very simple message. He advised all preachers to preach the simplicity of the gospel. This is because it is not a 'powerful' sermon that yields powerful results.

The concentration on sermons has been a major contributor in the sleepiness and non-effectiveness of the church. Many now get their sermons from motivational speakers who do not know the first thing about the power of God. Many think that because a statement rhymes and can be used in a rap song, it is right. This has given the church very energetic well researched sermons with figures and statistics to the tee, but that are void of any power.

The power doesn't lie in the sermon, Pastor! It doesn't lie in rhyming words or well researched statistics. And at this point, I must say, I have preached some 'powerful' sermons myself. I have read countless books over the years. I have acquired knowledge and listened to some of the best motivational speakers. So, understand that I am not against any of these. I am a strong believer in intelligence. But I do not want us to miss what the main point is. The power that transforms is that of the Holy Spirit. Make room for the Holy Spirit. Let

Him be in the lead. There is no depth of wisdom that is beyond Him, there is no issue that He can't handle, there is no heart that is past the reach of His touch and there is no one smarter, yet with no need to research, because He already knows it all. The Holy Spirit!!!

At the start of every service, we welcome the Holy Spirit and we do not close a service without praying for His infilling. We know that He makes all the difference. So many times, the service closes and we have people on the floor for hours, arrested and drunk in the presence of God, laughing, weeping and praying in tongues; it is just a "mess." But from that mess, they rise and go to their jobs and get promotions and pay raises, they excel in their academics and in all the work that they do. Their families are touched and restored and diseases and sicknesses in their bodies are healed and dealt with right there, just because they have been filled with the Holy Ghost.

Now, I do not know what religion or denomination you are from. God doesn't have a religion or denomination; He has the Holy Spirit, and you need the Holy Spirit. So, this is a call to pastors, church leaders and all clergymen, whatever church you are from, do not close a service without letting the people be filled with the Holy Spirit. He will make all the difference in your ministry. Your

congregation will be lighter in your hands when they are filled with the Holy Ghost.

I'll refer you again to the Acts of the Apostles 6, where the Apostles could not go about serving tables, but one of the young men who were serving tables, Steve, was filled with the Holy Ghost so much so that he would go shopping in the market and have a healing crusade there before He got back to oversee lunch preparations.

Acts 6:5

And the saying pleased the whole multitude: and they chose Stephen, a man full of faith and of the Holy Ghost

He was very effective as a help, because he was filled with the Holy Spirit. How did that happen? The book of Acts shows us that on different occasions, when they gathered, they would pray and be filled with the Holy Ghost; in church, when they went visiting, when they were in the market, everywhere they were, the Apostles and people of the early church kept being filled with the Holy Ghost. No wonder they grew exponentially and as fast as could be.

The Holy Ghost is the ultimate church growth secret yet you see... He is not such a secret after all.

Without The Holy Spirit

Ignoring the Holy Spirit is what has caused the church nowadays to lose significance. When you look back you will realize that He was here on earth before anything was. While darkness covered the earth, the Spirit was hovering over the face of the deep.

Acts 17:28

For in him we live, move and have our being.

When the Lord landed on earth to create it, He found His kind; the Spirit, and the earth was filled with the Glory of God.

Everybody God sent and worked with, all of them needed the Holy Spirit. Our master at thirty years of age after being filled with the Holy Spirit is when the Father declared him “my Beloved Son in whom I am well pleased...” Why after thirty years? Until you are filled with the Holy Spirit it doesn’t matter what you have, possess or have attained.

Romans 8:14

For as many as are led by the Spirit of God, they are the sons of God.

Being In The Spirit On The Day Of The Lord

Apostle John, the revelator makes a very powerful and compelling statement in Revelation 1:10 that, When the Lord's day comes, when you have a date with God, if you are not in the spirit you will only have a historical event, a simple moment of information. But when you are in the spirit, that day becomes a day of revelation. We are awakened by the information we receive, but transformed by the revelation we attain.

Could you imagine? John received all that he wrote about the end times in just one day, the day of the Lord. How much revelation would we be having now if John had been in the spirit every other day?!

We cannot allow the place of the Holy Spirit to be substituted in our lives. Remember, we live, move and have our being in him.

The Holy Spirit, Our Transporter and Promoter

The Holy Spirit's mandate is to transform. This is his main role to transform not only individuals but communities, economies, etc... He transforms only those who have got a revelation of who Jesus Christ is. Saint Peter the apostle walked with the Lord. At first he realized that

Jesus Christ was not an ordinary man trying to start up something at Lake Galilee, when he had no fish. He realized that when Jesus speaks things do happen.

Throughout the ministry He was called upon to experience, witness and usher others into that relationship created for him by the Holy Spirit. At the mountain of transfiguration when the master asked, “Who do you think that I AM?” It was Simon Peter the saint who got the revelation of who Jesus was.

The revelation you have of someone, a leader or associate, will determine how far you will go with that person. When St. Peter denied the Lord after having been with Jesus for three and a half years, it was disappointing even to St. Peter himself. But when the day of Pentecost had fully come, Simon Peter stood up and proclaimed that he knew the Lord Jesus Christ. That is what happened when the Holy Spirit transformed Simon Peter into a solid apostle.

Salvation in Jesus’ name brings change, but it is the Holy Spirit who transforms.

And this was amplified better in Samaria when Simon the witch heard the Gospel. He changed from a sorcerer to a believer and was saved. But he was not getting

transformed or fully exposed until St. Peter came to Samaria and begun to pray for the believers to receive the Holy Spirit. That's when his heart was revealed and I believe he was then transformed.

The Holy Spirit's major role is to transform and transport you from Glory To Glory. Glory is not just a state of affairs. It is a place with space to explore and experience God. As I always say, you can take all, but leave me with the Holy Spirit.

The Holy Spirit is a transporter. He will make sure you reach your designated destination. We can't move on from one level of Glory to another until He is involved. From disciple to Apostle, from shepherd boy to king of God's people in Israel, that is the transportation I am telling you about.

He is your transporter and Promoter; the Holy Spirit.

Hearing, Hunger-hunting and Hugging THE HEART

The book of ***Psalms 114*** presents King David as a man no stranger to battle, adversary and challenges. Yet in all this, he knew how to relate to God. In fact among all the monumental icons God worked within the Bible pages, it is to only David whom He expressed as having a heart

after His own. Seldom shall you find such outstanding remarks recorded in scripture-this particular description of David incidentally appears once in the entire Bible. David was not after His hands or feet, only His heart.

Now the question is; where is the heart of God? The Bible says that God created us in his own image, thus if we have a heart, then it means that He too has one. And David was after the heart; he wanted to know the heartbeat of God. Remember ***In the beginning, there was the Word and the Word was with God and the Word was God. John1:1.***

We know that God is Triune. So if in the beginning there was the Word and it was with God, then where does the third person of the trinity come from? The third person (the HOLY SPIRIT) is the heart of God.

David was the man who loved the Spirit of God. He actually talks about the Holy Spirit in

Psalms 51:11, 12

“Cast me not away from Your presence; and take not Your Holy Spirit from me. Restore to me the joy of Your salvation; and uphold me with your free spirit.”

Therefore the body of God is Jesus Christ, the life of

God is the Father, and the heart of God is the Holy Spirit.

In ***Psalms 51*** he unravels himself and says this is who I am; I have sinned, I have done all unworthy sorts of things but do not take your Holy Spirit from me. He surrendered everything for the taking; all he knew, his whole kingdom, family, save for the Holy Spirit who he entreated the Lord for, to stay with him. Your brain may be that of a professor, your lungs may be those of Steve Kiprotich, you may possess the most beautiful face ever seen or have the fastest and swiftest legs, but the moment your heart stops, everything stops. As long as your heart is still pumping, even if your brain is in a comma, we have hope that one day, you will wake up!

Now that we have established that the heart of God is the Holy Spirit, it is this unique aspect that makes all the difference. Without the Holy Spirit Jesus is just a Nazarene, the son of Joseph the carpenter. He is actually just as ordinary as any boy born out of wedlock and illegitimate. Without the Holy Spirit, Peter would just remain a lousy fisherman, toiling all night to catch nothing.

The church draws its very existence from the person of the Holy Spirit. All the divine works in the church;

miracles, signs and wonders are powered by God's heartbeat-the Holy Spirit, otherwise nothing would be that is John 1:1-3. David called Him a 'free spirit' because he was a singer and poet.

The bodily translation of God is seen in His Son Jesus Christ, whereas to know His heart, one has to look to the Holy Spirit.

One day Saul sought to kill David but by this same (Holy) Spirit, David sneaked into the cave to where Saul was lying and cut a piece off his kingly apparel and went up the mountain to announce and show how he had had the king's life in his hands. Although those that surrounded David may have harbored thoughts of killing Saul, he (David) wouldn't entertain it because he was after the Holy Spirit. In the morning the soldiers realized that they couldn't protect their king well enough. This presents us with attributes that are important if we are to commune with the Holy Spirit; patience and waiting. Scripture in

Isaiah 40:31 shows that;

"...they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint."

Question is, how do we wait upon the Lord? And who is the Lord? Psalms 24:8 begs the question; “Who is the King of glory?” He has many attributes including one who is mighty in battle. The Lord fights by His Holy Spirit. He separates us by His Holy Spirit just the same as how He cuts our enemies from our lives so they can’t hurt us. With the Holy Spirit, we outrun our enemies. So, moving at the Holy Spirit’s tempo, we benefit from His supersonic speeds that are faster than wind or lightening.

This however is prerequisite of observing to care for the Temple like the psalmist declares-

Psalms 114:2

“Judah was his sanctuary, and Israel his dominion.”

This is re-echoed in 1 Corinthians’ admonition

1 Corinthians 6:19

“...know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own?”

Of all the tribes of Israel, God chose to build his temple; his residence in the tribe of Judah. When the Holy Ghost came upon our Lord Jesus, John the Baptist

and the people surrounding Christ all witnessed it and the devil in hell was no exception. It however happened so fast that it took the devil 40 days before he realized it.

David had seen it; the sea saw it according to written testament in ***Psalms 114:1-3***. The Holy Spirit is going to come onto us visibly and everyone and everything is going to see Him; be it health, wealth or, wisdom. The sea saw it and FLED, because that is what the Holy Spirit's presence does-His impact is characteristic of swiftness, spontaneity and instantaneousness.

It is highly probable that the red sea would have dried had it remained still. But this also earmarks the fact that Judah was so anointed to cause a massive water body to flee after beholding Him. The secret then is getting acquainted and being filled with the Holy Spirit. Worry not about any hindrance in your way. Everything will take flight once the Holy Spirit takes habitation in us. Just the same, by His awesomeness the Jordan was held back. Jordan is just a river, with far less potential compared to the sea or ocean tides. Both water masses were subject to this omnipotent power; one fled and the other turned back.

Joshua 3:13

“And it shall come to pass, as soon as the soles of the feet of the priests that bear the ark of the LORD, the Lord of all the earth, shall rest in the waters of Jordan, that the waters of Jordan shall be cut off from the waters that come down from above; and they shall stand upon a heap.”

When the stronger problems in your life vacate, be sure that these other smaller and weaker ones are already convinced. They shall recoil and advance no more against you. Conquering the huge challenges is sign enough for them to back off.

Secondly, like David said in;

Psalms 122:1

“...I was glad when they said unto me, Let us go into the house of the LORD.”

Joy is the other key to God's heart; praise, giving, atonement, and prayer are all part of the package of going after God's own heart. And faith is the driver to God's heart. That is why God inhabits the praises of his people. David wrote and sang all 150 psalms. We actually notice that he did break into song powerful

enough to provoke demons.

1 Samuel 16:22 And Saul sent to Jesse, saying, Let David, I pray thee, stand before me; for he hath found favor in my sight.

23 And it came to pass, when the evil spirit from God was upon Saul, that David took a harp, and played with his hand: so Saul was refreshed, and was well, and the evil spirit departed from him.

CHAPTER 7

The Glory In The 77 Days of Glory

Here at the days of glory, the services have been unlike any other we have experienced in over thirty six years of ministry; Super charged with the power of God and His glory continually showing up in a cloud-like mist with powerful manifestations of His presence.

According to our program, the services were supposed to run from 6:30pm to 9:00pm daily. By the end of the very first week, however, we had the services running for more than six hours. By the second week, we were going until 3:00am, and that is on the week days. Where did the people get the strength to be effective at work when the previous night, they were in a service until 4:00am? There is only one answer to all this; the Holy Spirit.

The Holy Spirit changed the flow of our services from ordinary 'Pentecostal' services (where we kick it off with a 15minute praise and worship session, followed by some "special music" and then a thirty minute slot for the preacher to minister in the word of God and wrap it

up with an altar call to salvation), to extraordinary Holy Ghost power services where there is no special slot in the service for anything. Whatever the Holy Spirit wants to do, He is always welcome to do. We handed the church and the services over to Him.

If He wants to call for five different altar calls all through the service, it is fine by us. If He wants to have the altar call before the sermon, we are more than willing to oblige, because the person that is in control of the services at the Miracle Center is no longer the head of the programming department. No! The person in charge of the praise and worship now is not the music director or worship leader, NO! The person in charge of everything at the Miracle Center Cathedral right now is the Holy Spirit.

This is NOT disorganization as many religious folk would jump to assume; this is surrender. And it comes very highly recommended by myself and everyone who has had the privilege of enjoying the fruits of surrender. Remember, the Holy Spirit is not the author of confusion. When He hovered over the mess that was in creation, God spoke by Him and brought everything into order.

We cannot be afraid to surrender to the Holy Spirit because we are trying to protect our little two hour service program.

You see, the way I look at it, there are only two ways to handle our church services as children of God. There are only two who can be in the lead, but they can't lead at the same time. Either we will be led by our flesh and human experience or we will surrender and be led by the Holy Spirit for a supernatural experience in every one of our services.

I personally opt for and recommend the Holy Spirit. He is better organized, has the most experience in these things and to-date, has not disappointed anyone that has kept their trust him. He is a master strategist because He knows the possible outcome from all angles.

The Holy Spirit!!!

Ever since we surrendered our services to Him, we have had record breaking attendance, the highest responses from the congregation in all calls to giving, to salvation, to serve and to everything else we have called the congregation to do.

In the story of creation, God breathed into Adam

and He became a living soul. That breath of God is the Holy Spirit. Therefore, I have come to see it this way; People may fail to respond to a call from another person, but they can't fail to respond to the one who gives them the very air they breathe. So why not let that one be the one in control of our services? This is the most sure fire way.

Abbey-Mark Lujja

Abbey Mark Lujja's is one of the most remarkable stories I have come across during my thirty six years of ministry. The transformation of a life in just an instance is nothing short of the miraculous.

During his service with the US Army as foreign security personnel during Operation Iraqi Freedom, he was assaulted sexually. This triggered a tight hold of a very bad demonic bondage in his life which kept his health and sanity in a downward spiral since his return to Uganda in 2011.

Abbey tried to do business when he got back to Uganda but everything he did flopped as a result of demonic activity. He spent another four years in the country without reaching out to his mother, and the whole while, his sanity was deteriorating.

By the time he met his mom, he'd totally lost his mind; living on the streets, gathering rubbish and making a mess of himself.

He has been admitted four times into the Butabika Psychiatric Hospital, but all that medicine failed.

When he was brought to the **#77DOGS**, he was fighting and had to be restrained in handcuffs and fetters. He was brought onto the platform by his mom and a police officer, and kept on speaking profanities and obscenities shamelessly before the entire crowd.

After praying for him, we offered him something to eat which he sat down to have on the platform, and that is when his mind returned to him.

Abbey Mark returned and was the first on the testimony line the following day, singing and giving glory to God; well dressed with a good haircut and kempt. The Lord has led us to offer him a job here in the ministry complete with a car. We give the glory to Jesus for the great things He has done.

The Holy Spirit Of Conviction

And He will convict you of sin and of judgment and of righteousness (***John 16:7-11***).

Some of the most emotional times for me during the **77 Days of Glory** happened during the testimony part of the services. I came to the realization that if we intend to touch this land with our own effort, we will not be able to even scratch the surface. People need the Lord! When you hear of the sicknesses and conditions people have been going through, and you hear the bondages to sin that they have been entangled in and you see how much pain and sorrow is out there, you get re-energized to take the loving and healing touch of Jesus further and further with everything you've got.

However, there were things God did for me that are priceless.

During these days of Glory, I saw the vindicating hand of God more than I ever have before. Earlier on, I mentioned a few of the attacks that the ministry, my family and I have had to withstand, but in just a little detail.

Wine Smuggling Accusations

In 2006, there was a wine smuggling racket that found our lakeside property to be an easy access point into the country and since our house was at that time, still under construction, they bribed the guards very easily and began to use the house for storage and a sort of depot,

of course without our knowledge or approval.

The Uganda Revenue Authority, however, managed to track them down and seized loads and loads of wines and spirits at the place they were using as storage, our house. By the following day, the papers were flooding with headlines and stories about cases and cases of wines that had been impounded by the URA AT PASTOR KAYANJA'S HOUSE.

This caused a whole media frenzy and we were dragged in and out of the papers yet we were totally clueless about the whole issue, but was the public any ready to hear our side of the story? Never! They were out to make the rudest jokes about me, my wife, my family and the Miracle Center Cathedral.

Through prayer and faith in God, that issue was settled and the real criminals were apprehended and dealt with and we were vindicated.

Sodomy Scandal

This by far is the worst attack that has been ever launched against me as an individual and I believe its effect on the church in Uganda is not comparable to any other. Because of that 'scandal' hundreds of people left, not

just the church my wife and I pastor, but churches all around the country. Words cannot begin to express how bad that time was for me, my family, the Miracle Center congregation and the entire body of Christ in Uganda.

Few things beat the feeling of waking up normally as if on any other day, and on your way to work, you see your name slapped in the paper with a terrible allegation. How do you explain this to your teenage kids? How do you begin to explain what's happening to your wife when she asks, "Honey, what's this?"

It was a most humiliating time for me, being at the center of the news for reasons like this. At that time, I had been in ministry for close to thirty years, but in all those years, I had never been as humiliated as I was during that time.

A series of court summons made us quite frequent at different court and media houses because so many different suits were filed simultaneously. This of course meant that we had to postpone all international engagements in order to respond to the court summons.

As Christians, the Bible specifically instructs us to make it our ambition to live quiet lives.

1 Thessalonians 4:11

And that ye study to be quiet, and to do your own business, and to work with your own hands, as we commanded you;

I have cautiously made an effort not to unnecessarily feature in the media. I try my best to live a quiet life.

The Ministry

We just woke up one morning to fight a lie that had been carefully woven over years, as investigations would reveal.

I have been an international travelling evangelist ever since I was 17 years of age. But then, I had to be locked down because of court injunctions and proceedings. Secondly, with the internet being what it is, during that time, when you googled “Robert Kyanja”, the first results would be those of such allegations; not miracles or the power of the Holy Spirit, Jesus or any of these things I am glad I had been known for.

We were to find out later that there were powers in play that were towering high above the people that were accusing us, and without the Holy Spirit, we would have surely been fighting a losing battle.

Fortunately, by the time this flood came, it found that we had been praying and fasting as a ministry for about 3 months. Many of us were therefore, quite firmly rooted in the Lord, otherwise, we would have all been swept away.

By the grace of God, we stood through it all. It is when I look back at such times that I appreciate my wife all the more. She did not leave my side even once, but held my hand in the midst of all that ridicule that she was going through.

Amazingly, during this period, God sent us friends and different dignitaries from all around the world who began to pay visits to the church to pray for and stand with us, not to mention so many other pastors that are friends and affiliates of this ministry from all over the country

The Lord touched our accusers to retract their statements at the police and name the people that had really approached them with promises of millions of cash and a good life abroad, conspiring to attack and defame us. To our shock, some of these were fellow pastors; brothers and fellow servants in the Lord. As a matter of fact, one of their mothers had been a member of our congregation before she went to be with the Lord.

It was so embarrassing for the church of Christ in this nation that we could allow that much division and strife to rise among us.

John 13:35

By this shall all men know that ye are my disciples, if ye have love one to another

After investigations and different tests to try and prove the allegations, the courts found us innocent in the whole matter and we were vindicated again.

Then the state pressed defamation charges against everyone that the investigations had revealed were a part of the conspiracy and they were all found guilty. (Talk about God fighting all your battles for you.)

During these **77 Days of Glory**, I have seen the power of God that vindicates His own.

These battles that were won years back, but won in silence have been made public during this season. The people involved have themselves stood up on the mountain top with the world literally watching, and declared their own guilt and our innocence.

Dorothy was a part of the wine smuggling family that we mentioned earlier. She came during the days of glory to the testimony line and in tears knelt down asking for forgiveness for all that her family made mine go through.

Then a couple of weeks later, Robert also came and did the same, confessing publicly before the whole church, with his mother and aunt.

Of course Jessica and I had long forgiven these people for the wrongs they had done to us because we are Christians, and it is the Christian thing to do. However, the Holy Spirit could not just let it go to sleep as a silent victory.

2 Corinthians 2:14

Now thanks be unto God, which always causeth us to triumph in Christ, and maketh manifest the savour of his knowledge by us in every place.

Triumph is not silent. The Lord doesn't want the world to hear whispers about your victories. He wants the world to hear it heralded from the mountain tops, over the hills and everywhere.

From the day you begin to be filled with the Holy Spirit, he publicizes every one of your victories. Be ready to

blush because the whole world will know of all your victories. Those that were opposing you are the very ones who will declare your victory. You will not need to blow your own trumpet and make an impression on anyone any more. Your very enemies are the very ones who will declare your victory over them because He has won the victory for us at the cross, and when we receive the Holy Spirit, He activates this victory in our lives.

***The Lord Doesn't Want The World To Hear
Whispers About Your Victories. He Wants The World To
Hear It Heralded From The Mountain Tops***

THE GLORY

The glory of God has visited Uganda.

Back in 2011 as I had traveled to Mbale during the early years of the twenty five crusades, one morning as I had my morning devotions, the Holy Spirit showed me something really powerful when I looked up in the sky. The rising sun and forming clouds had written the most spectacular message in the sky as they formed the map of Africa with the glory of God in a fire burning from the east and southern Africa to the rest of Africa.

I immediately called our ministry photographer to capture that moment. It was evident that there would be a revival in and out of Africa that had to start right here in Uganda, and we were so honored that God was considering us as tools to use for the propagating of this move of God as we are witnessing it now through the **77 Days of Glory**.

The Lord has for long been tired of His people being ashamed. It seems as though there's been a blanket of shame that had covered the children of God. Year in and year out, many of God's children have been making prayer requests and believing the Lord for great things, but in the end, nothing happens. Through these **77 Days of Glory**, He has released His glory upon His children.

John 17:22

“I have given them the glory you gave me, so that they may be one as we are one.”

God is pouring out His Spirit upon all flesh to glorify His name. Many times the children of God have been despised in society because of the poor images they portray; living in poverty, in debt, in sickness, in lack and scarcity, in idleness, in failure and such, yet they are

supposed to portray the image of the Almighty God.

I honestly did not know, when He told us to do the 77Days, that it would be this big. From the time the meetings started, the glory of God has risen among His people so much so that in many of the meetings as we ministered, a misty cloud of the glory of God filled the church, lingering over the people's heads. As a result, we have seen an increase in miracles, in healings in salvation and in supply,

The Mass Wedding

It has become a **77 DOGs** tradition to hold a mass wedding in which we get couples that have been living together as a family, but haven't had the resources to sanctify their marriages.

This time around, two hundred weddings in one service were held at the Miracle Center Cathedral. We saw resources coming in as different people in church and others watching online offered wedding gowns and suits, salon owners and hair dressers offered their services, make-up artists offered to decorate and beautify our brides, complete with professional photography and video coverage; the whole thing was such a miracle to watch as it came together for the biggest mass wedding we have ever held.

Two hundred wedding cakes, two hundred certificates for two hundred marriages on the same day. It is unprecedented!!!

Just its possibility is a miracle, and the fact that it all eventually came together goes to show how much God honors marriage; and it is such an honor for us to have stood in celebration with these couples on this memorable day in their lives.

Family Restoration (Mbabazi and daughter, Valentine)

One of the greatest things we learn about God in scripture is that He is a “family man.” God himself is a family. In the Trinity, there is a Father and a Son and the Holy Spirit by whom they operate. The Bible makes very little reference to people without mentioning their families. God is so much interested in families that whenever He called someone, it was so and so, the son/ daughter of so and so. He pays attention to family so much that the ultimate plan in creation and redemption is family.

In Genesis, he chose the house of Israel and swore to be a Father unto them and to have them as His children, but by the time we came to the New Testament, He was

looking to adopt the entire world into His household. He went as far as volunteering to father the fatherless, just to prove the importance of family so that everyone to have a sense of belonging.

Before the **77 Days of Glory** started, Jessica, my beautiful wife of more than 24 years felt led to start a women's prayer clinic every Saturday morning where they, in her words, turn the Miracle Center Cathedral into a war zone as wives, mothers and daughters battle for their families, their marriages, their children and their entire households. We have seen immense results of the answers to these prayers during the **77 Days of Glory** as marriages that were literally on the rocks, were transformed to beds of roses overnight, simply by the introduction of the Holy Spirit into the 'equation'. Men who had abandoned their wives with children have returned to their families in repentance out of the blue. Children who had ran away from home because of the hatred between them and their parents have returned and been reconciled right before our eyes and even extended families that had been separated because uncle so and so hated aunt so and so and all her kids because of one reason or another, have together come to the saving knowledge

of our blessed Lord and savior, Jesus Christ, putting their differences behind them and focusing on the promise of a brighter and greater future prepared for them and their generations to come by the Holy Spirit.

The greatest family counselor is the Holy Spirit, as we saw earlier in the testimony of Peace, the little nine year old girl who brought her family that was on the verge of a breakage back together. Family is so important to God and to us that the Holy Spirit, during the 77 days of glory devoted a whole week to families. These are some of the more outstanding family testimonies we have recorded here in the days of glory revival. Valentine and her mother, Mbabazi are a family that experienced the family restoration anointing here in the **77 DOGs**. There was such a great rift between them that sprouted from misunderstandings between Mbabazi and Valentine's dad. It got so deep that at one time, they fought at a Police station.

But Mbabazi came and placed it as a prayer request here at the days of glory and Valentine happened to watch her on channel44. Immediately, the Holy Spirit touched her heart to return to her mom, and sure enough, the following day, Valentine was at church testifying reconciling with her mom.

Many young men and women delivered from Stealing spirits.

I was suddenly inspired by the Spirit of God to call people who had stolen phones and other items to lay them on the pulpit. Many people came and among them came a troubled young man who emptied his pockets the moment he reached the platform. He reached into his trouser pockets, and without scrutinizing what he got out, he threw everything down at my feet. ‘What is this?’ I asked him. ‘Those are drugs, tots of waragi (alcohol) and cigarettes. I want to give my life to Christ,’ he said as tears ran down his face. He also left his sandals there because he had stolen them too.

In tears this young man said his parents and family now see him as ‘a missed call’ because he was lost in such an addicted and irresponsible lifestyle. As if that blow wasn’t enough to the devil, about two hundred young men and women came confessing their sins and handing in all the stolen property that they had in possession.

A particular young man also sadly told us how he was so fed up of stealing and that he couldn’t wait to be delivered from it. He said he started with stealing money for water at home, and then graduated to phones and

other petty materials, but now steals cars. He was 21 years old yet has been jailed three times already, but now he was ready to surrender to God. I had to join these two young men into our newly formed program for the rehabilitation of former street kids and ex bandits. They are now under intensive rehabilitation and counseling and reinstate into life to discover God's purposes for their lives.

A swallowed coin disappears from a child's belly.

A young man named Andrew stood before me one night. He was a friend to a certain family. He received a phone call one evening from a family friend telling him of an emergency that needed God. A voice trembling with worry and fear on the other side of the phone said, 'My six year old daughter has swallowed a 200 shillings coin'. He came with an X-ray that clearly showed a ring in the child's belly. The doctors advised not later than 24 hours operation or else the child would die. But this man was not threatened by the doctor's report; he dared to believe God for a miracle and brought the child to church instead.

At the top of his voice he acknowledged his faith in the power of God to work miracles in hours, minutes and

even seconds. His faith in God was so high. I looked at him and had no option but to believe God with them. The following day, the man returned with too much excitement with another X-ray in his hands. The X-ray showed no foreign body. It was clear. It showed no coin. God had dissolved the coin. What a miracle! The doctors were also very amazed; they wondered where the coin they saw earlier had disappeared to. They made another check to be sure and still the coin was gone. It was a miracle. That's what My Jesus can do!

A young couple's marriage amazingly restored.

God also restored the marriage of a young couple because of the woman's faith and trust in God. The man was a drunkard and very irresponsible so the mother of two resorted to struggling living alone and taking care of her babies. On hearing of the on-going revival, the woman started trusting God for her life. Her husband had never apologized to her in anything but the miracle started when the woman's in-laws called her and begged her to forgive their child and reconcile with him.

She was in a very happy mood, extremely grateful to God for what he had done. With such a huge smile and

looking me straight in the eye, she said, “I have brought my so that he can give his life to the Lord. She continued, “If he does that, then I will forgive him and take him back.” I was filled with joy and led the young man to Christ. I was then glad to aid their reconciliation and they had to seal it with a kiss as their sign of affection. The crowd then screamed, applauded and thanked the Lord together with them.

Young man discovers 40 million shillings worth of hidden inheritance.

This revival affected every sphere of life of all those in attendance. There appeared a young man who made a choice to strongly believe all the declarations and prophecies we made during these 77 days of revival. This young man had got a mind blowing financial miracle! He had received a phone call from a distant relative whom he had taken years without talking to. He was very surprised as the gentleman started revealing to him all the properties that were enlisted in his name without his knowledge. Very excited and a little confused as well, he heard him talk of three hectares of land that had pig stys as well, chicken houses that could accommodate thousands of chicken and a whole lot more. The relative insisted, “All these properties were put in your name”.

He then remembered the words of God he had believed and declared in the **77 Days of Glory**. God delivered him from financial embarrassment and he had become rich just overnight.

Young woman confesses to Cyber Crime on church social media sites.

In tears, a beautiful young lady called Nantumbwe Cissy came before me. I wondered what had befallen a young lady like this one. Little did I know that she had come to confess her sins, repent before God and ask for forgiveness. She confessed that she was conning people of their money on all social media outlets of the time. She would also impersonate me and con people of their money on Facebook, Twitter, Viber, Instagram, to mention but a few. In this she used her daughter's name not her own. When I heard that, I was moved to indignation as I wouldn't believe that a parent can attach his or her kids to a curse by using their name in thefts because stolen wealth can never be an inheritance for your children.

She also confessed falling in love with a married man and birthed two daughters with him. Not until the revival season she wasn't convicted of stealing another

woman's husband when she saw women like her repent over the same.

She said the man loved her so much and built her a 100 million shilling house plus making her a 50 million shilling business. However she lost everything in the end; the man, the house and the business. She became so poor and so broken. In fact the transport that brought her to church had just been borrowed. She repented saying she now knew the reason why she had lost everything was because she wasn't worthy of them in the first place. And in a very emotional but bold voice cautioned the people, 'Never take what doesn't belong to you, it can never stay in your hand'.

We wouldn't like to close this book without extending the invitation to you to accept Jesus Christ as your Lord and savior. All the testimonies you have read in this book are intended to bring glory to the name of Jesus. He is the only one who can do the miracles that we have seen Him do and the greatest miracle is the salvation of a soul. The scripture says in Act 4:12

Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved

Please read this prayer out loud and mean it from the bottom of your heart:

*Dear Jesus,
I am a sinner. But I refuse to let my sin hide me from
your presence. Let your blood wash me clean from all
my sin today
Come into my heart and my life and make me new
I make you my Lord and savior from this day
No more sickness, no more struggle, no more pain
and no more poverty. I am now a child of the King
and God is my Father
In Jesus' mighty name.
Amen*

That is the best thing you have ever done. Please contact us and let us know of your decision for Christ so we can share some literature and other resources with you.
God bless you.
