Introduction

You cannot decode the ways and thoughts of God without a solid (consistent) fellowship and relationship with the Holy Spirit and the Word. Unlocking the systems of God demands sacrifice, obedience, and wisdom.

It is time to connect with the heart, hand, and mind of God. Knowing God's heart, hand, and mind opens the door to divine blessings. Knowing the heart of God gives you access to the heavenly treasures.

Like a child who knows how to get something from his parents and loved ones, he will not struggle to advance. Knowing the keys that open the gates of heaven paves the way for you to enjoy favor, mercy, grace, power, prosperity, and power.

The ability to decode to the heart of the Heavenly Father, the Son (Christ Jesus), and the Holy Spirit guarantees your

victory. Because of this reason, I have written this book to help you know the ways (systems) and thoughts (wisdom) of God.

The wisdom keys and revelations within this book will help you know the covenants and protocols (rules of engagement) of God's kingdom. You will not struggle to touch the heart and hand (help) of God after reading this book.

The principles (truths) are biblical, practical, and experiential. Connect with the wisdom (principles) of God to experience the intervention (deliverance) of the Heavenly court.

This book will help you know the best ways to touch the heart of the Eternal King (Christ Jesus). After reading this book, you will know how to receive from God and make the Holy Spirit stand by your side in every situation.

About the Author

I'm a Christian leader who loves to work with God and serve the church of the living God with all my heart. I love reading life-transforming and self-help books, especially Christian books. I'm an ordained Pastor who is into campus (evangelism) and online ministry. I completed the University of Professional Studies, Accra, in 2017, where I obtained a Bachelor of Science in Accounting and completed several bible schools. By the grace of God, I have been in the ministry of God since 2009. The Word of God is one of my most exceptional spiritual food. I love to teach, preach, prophesy, and help people understand the Word of God, especially those in colleges.
