The company has signed a large number of high-quality orders with Facebook and Youtube, and the number of tasks has increased. Until the company has launched activities to encourage everyone to make money, from now on, VIP1 and above (including VIP1) invite friends to do tasks and reward 5ETB as encouragement.

Reward requirements: invite friends to join the group screenshots, send out the contact information of friends to verify their authenticity, prohibit falsehoods)

1

VIP sends the APP income chart 5birr

2

The VIP withdrawal and account chart is released to the group and the reward is 10birr.

3

The first withdrawal and the account chart will reward me 10birr, and the first upgrade VIP recharge chart will be sent to the group as a reward 20birr

4

VIP1 and above Promote VIP's own income graph on Facebook and other major network platforms and other screenshots and rewards

! For various reward policies, please consult the group and your manager, all VIP benefits policies are subject to the official announcement
