Chapter One
Divine Healing from Supernatural Afflictions and Witchcraft-Induced Sicknesses

And, behold, there was a woman which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself.

And when Jesus saw her, he called her to him, and said unto her, Woman, thou art loosed from thine infirmity.

And he laid his hands on her: and immediately she was made straight, and glorified God.

And the ruler of the synagogue answered with indignation, because hat Jesus had healed on the sabbath day, and said unto the people, there are six days in which men ought to work: in them therefore come and be healed, and not on the sabbath day.

The Lord then answered him, and said, thou hypocrite, doth not each one of you on the sabbath loose his ox or his ass from the stall, and lead him away to watering?

And ought not this woman, being a daughter of Abraham, whom Satan hath bound, lo, these eighteen years, be loosed from this bond on the sabbath day?
Luke 13:11-16

Introduction:
In a world where unseen spiritual forces often manifest in physical ailments, many suffer from unexplainable sicknesses—chronic pain, sudden illnesses, or recurring disorders that defy medical diagnosis. These afflictions may be rooted in curses, witchcraft attacks, or

demonic oppression. The Bible assures us that Jesus went about doing good and healing all who were oppressed by the devil (Acts 10:38).

He also redeemed us from the curse of the law (Galatians 3:13), breaking every evil decree against our health.
This chapter focuses on dismantling supernatural afflictions and reclaiming divine health through the power in the name of Jesus.

Chapter Two
Healing from Chronic Pain and Ailments (The Woman With The Issue Of Blood)

Now a woman was there who had been suffering from a hemorrhage for twelve years.

She had endured a great deal under the care of many doctors and had spent all that she had. Yet instead of getting better, she grew worse. 27 When she heard about Jesus, she came up behind him in the crowd and touched his cloak, for she kept saying, "If only I touch his clothes, I will be healed."

today, and forever (Hebrews 13:8). When He walked the earth, He healed all who came to Him in faith (Matthew 12:15). He never turned away the sick, nor did He tell them their suffering was God's will. Instead, He demonstrated God's compassion by curing diseases, restoring broken bodies, and declaring, "I am willing; be healed!" (Matthew 8:3).

The New Testament reveals that healing is part of our redemption in Christ. Isaiah 53:4-5 (which Peter quotes in 1 Peter 2:24) declares:

"Surely He took up our pain and bore our suffering… and by His wounds we are healed."

This means that your healing has already been purchased—it belongs to you by covenant right! Yet, just as salvation must be received by faith, healing must also be claimed and walked out in faith.

In this chapter, we will:
- Understand God's will concerning healing (3 John 1:2).
- Break the lies that hinder healing (such as "God is teaching me through sickness").
- Stand on Scriptures that promise freedom from pain (Psalm103:3, James 5:14-15).
- Release faith-filled prayers to command pain to leave (Mark 11:23).
- Receive supernatural strength where weakness has persisted (Isaiah 40:29-31).

If you have been waiting for relief, know this: Your breakthrough is here. **The same power that raised Christ from the dead lives in you (Romans 8:11),** and it can drive out pain, restore function, and renew your body.

At once the bleeding stopped, and she felt in her body that she was healed of her disease.

Jesus knew at once that power had gone out from him. He turned around in the crowd and said, "Who touched my clothes?"

His disciples said to him, "You see the crowd pressing against you and you say, 'Who touched me?'" 32 But he looked around to see who had done it.

Then the woman, with fear and trembling, knowing what had happened to her, came and fell down before him and told him the whole truth. 34 He said to her, "Daughter, your faith has made you well. Go in peace, and be healed of your disease."
Mark 5:25-34

Introduction:
Chronic pain is more than just a physical sensation, it is a relentless burden that can drain a person's joy, hinder daily activities, and even weaken faith. Whether it is arthritis stiffening the joints, migraines pounding the skull, fibromyalgia causing widespread tenderness, or nerve damage sending sharp, shooting pains through the body, persistent suffering can make life feel like an endless battle.

Many who endure such conditions have tried countless treatments, medications, and therapies, only to experience temporary relief or no improvement at all. **The frustration of unanswered prayers can lead to discouragement, making some wonder, "Does God still heal today?"**

The answer is a resounding YES!

Chapter Three
Overcoming Cancer and Terminal Diseases

Is any sick among you? let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord: And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he has committed sins, they shall be forgiven him Jas 5:14-15.

Introduction:

A diagnosis of cancer or any terminal illness can feel like a death sentence—a terrifying storm that shakes the very foundation of one's life. The fear of the unknown, the grueling side effects of treatments, and the weight of medical reports can leave even the strongest believer battling doubt and despair. The enemy often uses such diagnoses to instill fear, whispering lies like, "This is the end for you," or "God must be punishing you."

But here is the unshakable truth: Sickness is not from God. Jesus came to destroy the works of the devil (1 John 3:8), and disease is one of those works.

God's Word declares that He "heals all your diseases" (Psalm103:3) and that "the prayer of faith will save the sick, and the Lord will raise them up" (James 5:15).

Throughout Scripture, we see God reversing the irreversible. Hezekiah was given a terminal prognosis, but he cried out to God, and 15 years were added to his life (Isaiah 38:1-5). The woman with the issue of blood was incurable by medical standards, yet one touch of faith in Jesus made her whole (Mark 5:25-34). Even in the New Testament, believers were healed of deadly conditions through the power of prayer and the name of Jesus (Acts 3:1-8, Acts 14:8-10).

In this chapter, we will:
- Demolish the spirit of fear that comes with a terminal diagnosis (2 Timothy 1:7).
- Stand on God's promises of healing (Exodus 15:26, Jeremiah 30:17).
- Command cancer cells and diseased organs to wither and die (Mark 11:23).
- Release life where death has been spoken (Proverbs 18:21).
- Activate the healing power of Communion (1 Corinthians 11:26-30).

If doctors have said there is no hope, remember: With God, all things are possible (Matthew 19:26). Your body was fearfully and wonderfully made (Psalm139:14), and the same God who formed you can rebuild, restore, and resurrect every damaged cell.

As you pray these faith-filled declarations, expect supernatural turnaround. Cancer is not your end—it is your opportunity to witness God's miracle-working power!

15 Prayer Points for Overcoming Cancer and Terminal Diseases:

1. Father, I come against every cancerous growth in my body—I speak death to these abnormal cells in the mighty name of Jesus Christ!

2. Lord, Your Word says in Psalm107:20 that You sent Your Word and healed me—I receive that healing now in the mighty name of Jesus Christ!
3. I rebuke the spirit of death assigned to my body and declare that I shall live and not die in the mighty name of Jesus Christ!

4. Every organ affected by disease, I command you to function perfectly as God designed in the mighty name of Jesus Christ!

14. Lord, send Your angels to minister healing to every part of my body in the mighty name of Jesus Christ!

15. I thank You, Jesus, for my complete healing—I receive it now by faith in the mighty name of Jesus Christ!

Chapter Four
Deliverance from Autoimmune Disorders

So he went down and dipped in the Jordan seven times, as the prophet had instructed. His skin became as smooth as a young child's and he was healed. 2 Kings 5:14

Introduction:

Autoimmune disorders represent one of the most perplexing and frustrating categories of disease—conditions where the body's own defense system turns against itself, attacking healthy tissues as if they were foreign invaders. Whether it's lupus, rheumatoid arthritis, multiple sclerosis, Crohn's disease, or any other autoimmune condition, these illnesses often bring chronic pain, debilitating fatigue, and a relentless cycle of flare-ups and remissions.

Modern medicine frequently offers no cure, only treatments to manage symptoms—yet even these come with side effects that can feel like trading one problem for another. Many sufferers wrestle with unanswered questions: Why is my body attacking itself? Will I ever be normal again? Does God see my struggle?

The good news is that God did not design your body to self-destruct! Your immune system was created to protect you, not harm you—and through the power of Christ, it can be restored to its proper function. Scripture reveals that:

- Jesus bore our sicknesses and carried our pains (Isaiah 53:4-5, Matthew 8:17).
- Healing is the children's bread (Mark 7:27)—it belongs to you as a believer.
- Your body is the temple of the Holy Spirit (1 Corinthians 6:19), and God desires it to function in divine health.

In this chapter, we will:
- Break the spiritual roots of autoimmune dysfunction (fear, stress, generational curses).
- Command the immune system to cease malfunctioning and realign with God's design.
- Release healing to damaged tissues and organs through the power of God's Word.
- Activate the restorative power of the Holy Spirit over every misdirected cell.
-Stand in faith for complete reversal of symptoms and full restoration.

If you've been told, "You'll just have to learn to live with this," reject that lie today. The same God who programmed your DNA can reprogram your immune response. The same power that raised Lazarus can resurrect every afflicted system in your body. As you pray these targeted prayers, expect:

- Confusion to lift from your immune cells
- Inflammation to subside permanently
- Damaged tissues to regenerate
- Energy and vitality to return

This is your season of turnaround—your body is coming into divine alignment!

Chapter Five
Healing for Heart Disease and Circulatory Issues

When the even was come, they brought unto him many that were possessed with devils: and he cast out the spirits with his word, and healed all that were sick:
That it might be fulfilled which was spoken by Esaias the prophet, saying, Himself took our infirmities, and bare our sicknesses.

Mat 8:16-17

Introduction:
The heart is more than just a physical organ—it is the lifeline of your body, the engine that sustains every function. When heart disease, high blood pressure, poor circulation, or other cardiovascular issues arise, they don't just threaten your health—they attack the very core of your vitality. The fear of heart attacks, strokes, or chronic chest pain can

weigh heavily, making every day feel like a battle for survival.

But God's Word speaks life over your heart—both physically and spiritually. Scripture declares:

- "I will give you a new heart and put a new spirit in you; I will remove your heart of stone and give you a heart of flesh" (Ezekiel 36:26).
- "Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers" (3 John 1:2).
- "By His stripes, we are healed"(1 Peter 2:24).

Heart disease may be a leading cause of death in the natural world, but in the Spirit, there is a higher report. The same God who fashioned your heart in your mother's womb (Psalm139:13) can rebuild, restore, and strengthen it.

Introduction:

Diabetes and metabolic disorders represent some of the most widespread health challenges today, affecting millions with fluctuating blood sugar levels, insulin resistance, and systemic complications. The constant monitoring, dietary restrictions, and fear of long-term damage can make life feel like a prison of numbers and limitations. Many people resign themselves to the idea that this is a lifelong battle—but God's Word declares a higher truth.

Your body was fearfully and wonderfully made (Psalm139:14), and every organ—your pancreas, liver, and cells—was designed to function in perfect harmony.

When Jesus said, "I have come that they may have life, and that they may have it more abundantly" (John 10:10), He included your physical health. Metabolic disorders are not your portion.

Chapter Seven
Freedom from Mental Illness and Emotional Trauma (Jesus And The Mad Man Of Gadara)

1 And they came over unto the other side of the sea, into the country of the Gadarenes. 2 And when he was come out of the ship, immediately there met him out of the tombs a man with an unclean spirit,

3 Who had his dwelling among the tombs; and no man could bind him, no, not with chains:

4 Because that he had been often bound with fetters and chains, and the chains had been plucked asunder by him, and the fetters broken in pieces: neither could any man tame him.

5 And always, night and day, he was in the mountains, and in the tombs, crying, and cutting himself with stones.

6 But when he saw Jesus afar off, he ran and worshipped him,

7 And cried with a loud voice, and said, What have I to do with thee, Jesus, thou Son of the most high God? I adjure thee by God, that thou torment me not.

8 For he said unto him, Come out of the man, thou unclean spirit.

9 And he asked him, What is thy name? And he answered, saying, My name is Legion: for we are many.

10 And he besought him much that he would not send them away out of the country.

11 Now there was there nigh unto the mountains a great herd of swine feeding.

12 And all the devils besought him, saying, Send us into the swine, that we may enter into them.

13 And forthwith Jesus gave them leave. And the unclean spirits went out, and entered into the swine: and the herd ran violently down a steep place into the sea, (they were about two thousand;) and were choked in the sea. Mar 5:1-13 KJV

Introduction:

Mental illness and emotional trauma create invisible prisons that can feel more confining than physical chains. Conditions like depression, anxiety, PTSD, bipolar disorder, and schizophrenia distort reality, steal joy, and make even daily functioning seem impossible. The world often treats these struggles with stigma or oversimplified solutions, leaving many feeling isolated in their pain.

But God's Word offers true liberation. Scripture reveals that:

- Jesus came to heal the brokenhearted and set captives free (Luke 4:18)

Chapter Eight
Divine Recovery from Respiratory Diseases

Lining each side of the river banks, all sorts of species of fruit trees will be growing. Their leaves will never wither and their fruit will never fail. They will bear fruit every month, because the water that nourishes them will be flowing from the sanctuary. Their fruit will be for food and their leaves will contain substances that promote healing." Ezekiel 47:12

Introduction:

Breath is the essence of life—the first gift at birth and the final surrender at death. When respiratory diseases attack the lungs, sinuses, or airways, they strike at the core of our vitality. Conditions like asthma, COPD, pneumonia, chronic bronchitis, and lung damage create a terrifying sense of suffocation, where every breath becomes a struggle. The fear of not being able to breathe can trigger panic, and the cycle of illness seems unbreakable.

But God's Word declares that He is the One who "gives breath to the people on earth and spirit to those who walk in it" (Isaiah 42:5). When Ezekiel stood in a valley of dry bones, God commanded him to prophesy to the breath, saying, "Come from the four winds, O breath, and breathe on these slain, that they may live" (Ezekiel 37:9). That same resurrection power is available for your lungs today.

In this chapter, we will:
- Break the spiritual roots of respiratory disease (fear, pollution, generational curses)
- Command damaged lung tissue to regenerate
- Speak life to weakened airways and inflamed passages
- Rebuke all spirits of suffocation and panic
- Receive divine restoration for full breathing capacity

Medical reports may say your lungs are scarred or failing, but God says "I will restore health to you and heal you of your wounds" (Jeremiah 30:17).

As you pray these declarations, expect:

- Airways to open
- Mucus and inflammation to dry up
- Oxygen levels to normalize

- Fear to be replaced with faith

Your breath belongs to God—and today, He is restoring it completely!

Chapter Nine
Healing for Digestive and Stomach Disorders (Self- Control In Eating)

Blessed are you, O land, when your king is the son of nobility, and your princes feast at the proper time – with self-control and not in drunkenness. Ecclesiastes 10:17

Introduction:

Your digestive system is the divinely designed processing plant that converts food into life-giving nourishment. When disorders like IBS, Crohn's disease, ulcers, acid reflux, or chronic constipation disrupt this system, they don't just cause physical discomfort—they rob your body of vitality and make every meal a source of anxiety. The constant bloating, pain, and irregularity can leave you feeling like a prisoner in your own body.

But Scripture reveals that Jesus cares deeply about your digestive health. When the disciples were troubled by hunger, Jesus multiplied loaves and fishes (Matthew 14:13-21). When Daniel and his friends refused the king's food, God gave them superior health through simple

nourishment (Daniel 1:8-15). Your gut health matters to God!

In this chapter, we will:
- Break spiritual roots of digestive disorders (stress, fear, unhealthy attachments)
- Command damaged intestinal lining to regenerate
- Speak peace to an overactive nervous system affecting digestion
- Rebuke all spirits of inflammation and irritation
- Receive divine restoration of gut microbiome balance

Medical science may label your condition as chronic or incurable, but God's Word says "I am the Lord who heals you" (Exodus 15:26).

As you pray these declarations, expect:

Chapter Ten
Victory Over Neurological and Nervous System Disorders (The Boy Who Was Healed Of Epilepsy)

14 As they approached the crowd, a man came up to Jesus, knelt down in front of him, 15 and said, "Sir, have mercy on my son, because he is an epileptic and suffers terribly. Often he falls into fire and often into water. 16 I brought him to your disciples, but they couldn't heal him." 17 Jesus replied, "You unbelieving and perverted generation! How long must I be with you? How long must I put up with you? Bring him here to me!" 18 Then Jesus rebuked the demon and it came out of him, and the boy was healed that very hour. Mat 17:14-18

Introduction:

Your nervous system is God's extraordinary communication network, carrying messages between your brain and every part of your body with lightning-fast precision. When neurological disorders like Parkinson's disease, multiple sclerosis, neuropathy, migraines, or epilepsy disrupt this system, they create chaos where God designed perfect order. The tremors, numbness, pain, and loss of control can make you feel like a stranger in your own body.

But the Bible declares that we have "the mind of Christ" (1

Corinthians 2:16) and that "God has not given us a spirit of fear, but of power and of love and of a sound mind" (2 Timothy 1:7). When Jesus healed the man with an unclean spirit (Mark 9:25-27) and restored the demon-possessed man to right mind (Luke 8:35), He demonstrated His authority over neurological conditions.

In this chapter, we will:
- Break spiritual strongholds behind neurological disorders (trauma, fear, generational curses)
- Command damaged nerves to regenerate and myelin sheaths to repair
- Speak peace to overactive brain signals and electrical misfires
- Rebuke all spirits of confusion, tremors, and seizures
- Receive divine recalibration of the entire nervous system

Though medicine may say these conditions are degenerative, God says "I will restore health to you and heal you of your wounds" (Jeremiah 30:17).

As you pray these declarations, expect:
- Nerve pathways to restore
- Brain function to sharpen
- Tremors to cease
- Pain signals to silence
- Divine order to return

Your nervous system is being rewired by the Master Physician—today begins your supernatural recovery!

True healing encompasses spirit, soul, and body, restoring you to complete vitality in every area of life. While previous chapters addressed specific conditions, this final chapter seals your victory by establishing you in God's perfect will for your health.
