Job Title: Telemedicine & Content Engagement Doctor
Location: Remote & On-Site (as needed)
Reporting To: HuluCares Program Lead
Engagement Type: Contract/Part-Time

About HuluCares, HuluClinic & HuluPharma

HuluCares is an impact-driven initiative dedicated to transforming access to healthcare services in Ethiopia. As part of our mission, **HuluClinic** is our pioneering telemedicine platform aimed at delivering accessible, high-quality virtual healthcare. Additionally, **HuluPharma** plays a crucial role in digital prescriptions and remote medical consultations. Through these initiatives, we strive to make healthcare more inclusive, leveraging technology to bridge gaps and educate the public through engaging content.

Job Summary

We are looking for passionate and dynamic medical doctors who are eager to engage in telemedicine consultations while also being featured in educational health content. This role is ideal for doctors who want to combine their clinical expertise with digital innovation to improve healthcare accessibility and awareness.

Key Responsibilities

- Provide high-quality virtual medical consultations via HuluClinic's telemedicine platform.
- Support HuluPharma by contributing to digital prescription services and remote medical guidance.
- Collaborate in the development of engaging, informative, and impactful medical content for HuluCares' digital platforms.
- Participate in video recordings, Q&A sessions, and interactive discussions on health-related topics.
- Contribute medical insights to enhance the quality and effectiveness of our telehealth services.
- Work closely with the HuluCares team to refine and improve patient engagement strategies.

Requirements

- **Medical Degree (MD)** with valid practice certification in Ethiopia.
- Experience in telemedicine or a strong willingness to adapt to virtual consultations.
- Strong communication skills and comfort in front of the camera for content creation.
- Passion for digital health, patient education, and innovative healthcare solutions.
- Ability to collaborate in a dynamic and evolving digital healthcare environment.

Why Join Us?

- **Impact-Driven Work:** Help revolutionize healthcare accessibility in Ethiopia.
- **Innovative Exposure:** Be at the forefront of digital health solutions.
- **Engaging Content Creation:** Utilize your medical expertise to educate and inform the public.
- **Flexible Engagement:** Work remotely while making a meaningful impact.

How to Apply

If you are passionate about transforming healthcare and are excited about the intersection of telemedicine and media, we'd love to hear from you! Please send your CV and a brief statement on why you're interested in this role too tamsul@birrama.com
