INTRODUCTION

In the name of Allah, the most Gracious, the most Merciful.

Peace and blessings of Allah be upon our great Prophet (saw), his family and his pure-hearted companions.

You should know (the reader) that our tribe which is called Torubbe (Torankawa), as we were told, originated from Futa in Senegal. They are the origin of all Fulanis and their language. The renowned jihadist, Ukbatu bin Amru who was sent to the Western Africa at the time of Amru bin Asi from Egypt, met them as a clan or tribe from Roma and the King converted them to Islam without hostility. Ukbatu married their princess whose name was Bajju Mangu and she gave birth to the Fulanis. This is according to the books of history that came to us. And we obtained this from The Trusted among the people from the Lands of Futa, that is, the scholars among them. So, the Fulani people spoke with their mother tongue but they don't speak or knew their fathers language due to the fact that the language is not spoken in that part of the world at that time. The original Torubbe language is not their spoken language (Lingua Franca). God knows best.

The reader should know that Roma was the son of Isa (as), son of Shaq (as), son of Prophet Ibrahim, peace and blessings be upon them. His mother was Nasbatu, daughter of Prophet Isma'il, peace and blessings be upon him. According to genealogists in the history books, Isma'il (as), peace and blessings be upon him, had 12 sons and one daughter. His children were dispersed in the entire Arab world. At the time of his death, he enjoined a will to his brother Prophet Ishaq (as), that he should give his daughter's hand in marriage to Al-Isu. So she was married to him and she bore him a son named Roma. Roma was yellow, so his children were named after the colour.

We heard that our Grandparents came from Futa-Toro; indeed God knows best. Our Father, Muhammad bin Uthman bin Salihu bin Haruna bin Muhammad Godi, according to history, was an elder brother to their father Muhammad bin Jabbo bin Sambo bin Musa; it was Musa that came from Futa-Toro. He traveled day-in-day out until he came upon these lands. According to history; our mother Hauwa'u, was the daughter of Muhammad bin Uthman bin Hamma bin Ali; God knows best. Our father's mother was Maryam, daughter of Jibril bin Hamma Ali. That's why I wrote a song thus:

I Repent from singing after my hair is gray;

I am devoted to the Quran that is my ideal;
But singing is hidden in me all the time;
When my mind is full I will reveal it like I am singing all the time;
Anyone who blames me should analyze;
Because I seek to explain my origin and maintain my folks;
We are related to Ismael through Ukuba;
We are linked to Israel by approach;
Our parents and uncles are Arabs;
Children of Israel approached near us;
Our origin and our Jihad is from Durissinin;
Passed through Futa and went around;
Then fate diverted grandparents to the Hausa land;
Where I was born and reside;
We started the jihad with our leader and teacher: Uthman;
Laid a straight religion and implemented the rule of the forgiver of sins;
The fire of the rebels Sparked and destroyed many kingdoms with the rule of infidelity;
But exalted and great is the army of Allah with many among the Muhajirun and Ansar;
Do you expect Allah to degrade his religion?
With His people, O ye! sinful ones;
May Allah give more blessing to His Prophet and his companions;
With the elders and the rest of His selected servants.
