

Latter Rain

[September 12, 2022]

- In a revelation; The servant saw two women well dressed, in a manner representing the Heart of God [properly covered, neck to feet]. And as he beheld, one of them passed unto the other a cloth. And this was said by the one who gave the cloth;
- This mantle... will make you global....

While this mantle in actuality can be a mantle, it is more also like a latter rain which has fallen on those alone who lives only the Heart of God. The bride of Christ [the Heart of God] those who Lives the Heart of God. To them God shall entrust more of Himself to bear, to become the clouds through which greater rain shall fall on all creation over the world

Remember these word of Jesus;

"Nevertheless do not rejoice in this, that the spirits are subject to you, but rather rejoice because your names are written in heaven."

[Luke 10:20]

We are but tools in God's Hands, We are but god's Hands to destroy and to restore. Like colour pencils of different colours, yet of one purpose [Spirit] we are. God is more interested in finding Love [Himself] in us than He is the manifestation of His glory. The harvest is God's, the sacrifice is ours. Our only desire should be to To become Love [God] and bringing His Heart into being
