

Let Love

Love, anyone who does not have love is an enemy of God, as the Lord's commandment says;

Love the Lord, your God,"

Anyone who does not love God is an enemy of God, and you no what happens to the enemy of God, for the one in authority does not bear the sword for nothing. Just as He shows grace, mercy, and love to His subjects, so also He brings wrath upon those who are against Him.

If you ask someone if he's against God, Out of fear or ignorance, he would say no, but the reality is, you are an enemy of God, if you don't love him, that is why the world is the way it is today, because men do not love God, He gave them over to their sinful desire, with a continual lust for more.

Loving God is one thing, loving Jesus also is another, although it's the same, because Jesus and the Father and the holy spirit are one. Anyone who does not obey the word of God given to him through Christ Jesus, that is; any one who does not obey Jesus Christ the word of God, the water of life, he does not have life, and life without Christ is vanity, it is, without freedom. Even still, some people obey all of the written word, but do neglect one, the most important, " Love."

Although we might not see Jesus physically to love Him, but remember Jesus is the image of God, and if Jesus is, so we are of God's image. And if we are, we all shall be like Him in glory if we aren't tainted with sin. And if we are like Him, and you do not love your neighbor as yourself, how then can you say you love Him. Your neighbor isn't just the man who stays close to you, but the man, be he a stranger, who is in dire need of your help.

If you don't love Jesus, you don't believe in Him, if you don't believe in Him, you don't love him, how can you believe in Him when you don't have the spirit of God, and how can you have the spirit of God when you don't believe in God. Some don't even believe there is a spirit of God. If you don't Believe in Him, I don't mean belief by mouth, I mean by heart, that is by man's spirit. I'm sorry but with all you've achieved you'd wind up a cast away, in hell.

And that is why, it is difficult for most people to enter the kingdom of God, little things they think won't make them stumble, will, although if they really have the spirit of God, then, they would have love of God. Jesus Christ gave us the word so we can be judged, for if there is no law there is no sin, for the power of sin is in the law, so also, if there is no sin there is no salvation. Jesus Christ came and he was set as a stone in Zion which causes men to stumble and as a rock which causes men to fall, but the ones who trust in him will never be put to shame.

It is actually difficult for the rich to enter the kingdom of God, because, if you look around you, there are always people in need when you are a channel of blessing. if they ask for help give to them what is laid in your heart, not in selfishness or for show. The rich man who met Jesus, kept all the commandments, but didn't have love because of his wealth.

The rich man told Jesus he'd kept all the commandments since he was a boy, then Jesus told him, only one thing remains, sell your property and come follow me. Jesus didn't actually meant to follow him by foot, but He meant; your riches are not for you alone, but for those around you who are in need. Do not forget, sharing the gospel is the ultimate form of giving

Store up for yourselves treasures in heaven, and invite the poor to your banquet, because they wont be able to pay you back, for you are blessed to help others, unless you give to those in need, you don't have love. Jesus told him all this, but he was still engrossed in the vanity of this world, he was saddened and left Jesus.

Entering the kingdom of God is impossible without the main element " love." Look around, the temptation of not loving is around you, especially the rich, they go to restaurants, knowing beggars do sit around awaiting to be helped, still many won't take extra cash for their sake. If the rich really do have love there would be no poor people around today, because with their wealth, they will not only give, but empower and employ the weak, the poor, even if the government isn't working, there are people who's wealth can change the world.

Having everything without love will take you nowhere near God, Paul would say;

" If I speak in tongues of men and angels, if I have the gift of prophecy, if I have faith that can move mountains, if I give all my possession to the poor and surrender my body to the flames, but have not love, I gain nothing."

He said: "nothing," what is something if its not the kingdom of God.

Love is patient, love is kind, love does not envy, it does not boast, it is not proud, it is not rude, it is not self seeking, it is not easily angered, it keeps no record of wrong, it does not delight in evil, but rejoices with the truth, it always protects, always trust, always hopes, always persevere.

Love the lord your God, if you love Jesus by believing in him and keeping to His word you love God. The reason for all these frustration today is because we don't love Him. How can you be an enemy of God, Does your enemy ever does good to you, even if he takes you captive, he keeps you in poor living conditions, our God is a jealous God, he wants us to love Him, how can the created not love his Creator, do you know how painful that is, you gave birth to a child and he is loving your arch enemy, how would you feel. Do not test the jealousy of God.

Love him then you'll be able to test and approve what God's will is, His good, pleasing and perfect will.
