Council tax liability order number here: -

Debt address here: -

I refer to the Liability Order issued by **enter court name here** dated in respect of nonpayment of Council Tax.

I require you to provide me with the following details: -

1 The document was sent to my legal fiction and not the living **man/woman**. I obtained my birth and legal fiction from the Common Law Court and have now taken ownership of it. As such, I did not give permission or consent for it to be used. I require you to provide me with the evidence and proof that states you have the authority to use it in this manner.

2 I require you to provide the evidence and proof of the legislation that shows living men and women are required to comply with it and, as a result, they must pay council tax. This information needs to be clarified and produced before you proceed.

3 I require you to provide the evidence and proof of authority, jurisdiction and claim over living men and women. Who gave you this authority, jurisdiction and claim? This would be slavery, is a CRIMINAL offence and a crime against the people. I refer you to the Clearfield Doctrine and the Slavery Act 2015.

Administration of Justice Act 1970 Part V

40. Punishment for unlawful harassment of debtors

(1) A person commits an offence if, with the object of coercing another person to pay money claimed from the other as a debt due under a contract, he –

(d) utters a document falsely represented by him to have some official character or purporting to have some official character to which he knows it was not.

You say that **my/our** agreement is not required before any of the actions stated in the Liability Order take place but, I point out to you that consent makes the law, "CONSENSUS FACIT LEGEM." I refer you to *Cruden v Neale* (1796) where it was stated: -

"There, every man is independent of all laws, except those prescribed by nature. He is not bound by any institutions formed by his fellow man without his consent."

The crimes of Personage and Barratry are being perpetrated against **me/us**. **I am/we are** not a corporate **entity**, a dead legal fiction, and, as such, no charges or action can be taken against **me/us**, the living **man/woman**, under the false pretext that **I am/we are** a legal fictional **entity**. False misrepresentation, deception and fraudulent activity is taking place.

Your actions are deemed to be harassment and are placing **me/us** under duress. A wrongful trespass is being made against **my/our** property and is a threat upon **my/our** sovereignty as a living **man/woman/man and woman**. This is a tort and criminal coercion. Please be aware that it will be you, **enter employee's name, if known**, the living **man/woman**, who will be held liable and accountable for these wrongs.

Coercion, and coercive activities, are an attempt to bind living men and women into slavery. This is a crime and **enter name of council**, the private for-profit corporation, is party to it. I require you to provide me with a copy of **enter your council's name here** compliance policy for the Slavery Act 2015.

It is the living men and women, acting as agents for **enter council name**, who will be held accountable in their own full private and individual capacity for crimes perpetrated against the people. They are acting ULTRA VIRES, committing malfeasance in public office and guilty of crimes against the people.

You are hereby required to forward all evidence and proof as requested.

Without malice aforethought, ill will, vexation or frivolity,
