

LITTLE ANGELS

NEEDY CHILDREN + ORPHAN PROJECT

**LITTLE ANGELS CAN DO
SO MUCH WITH SO LITTLE,
AND YOU CAN BE A PART
OF THAT!**

We're preserving the life and promoting the well-being
of orphans and needy children in the Bufuka area of
the Kabale District, Uganda.

THE PROJECT

WE'RE COMMITTED TO IMPROVING THE LIVES OF THE CHILDREN THROUGH EDUCATION AND A HIGHER STANDARD OF LIVING.

The Little Angels Project cares for over 480 needy children with the aim of preserving the life and promoting the well-being of orphans and needy children in the Bufuka area of the Kabale District, Uganda.

We're small and uniquely different from larger charities operating here in Africa. We pride ourselves on being able to show our visitors and donors exactly where their money is being spent. We have the advantage of being able to spend the large majority of donations received directly on the children and their educational needs.

Little Angels Uganda was founded in 2011 by Duncan Musinguzi Nelson when he was 24 years old. We started with 16 orphans and now have over 480 registered needy children under the care of Little Angels Uganda. These children are between the ages of 3 and 14 years old.

MAKE A DONATION TODAY AND HELP CHANGE A LIFE!

Little Angels needs your help and donations more than ever. We can do so much with so little and you can be a part of that. Your gift will go to work right away.

You can help little angels overcome disadvantage and enhance their future.

OUR MISSION

DEVELOP THE FUTURE GENERATIONS OF CHILDREN FOR OUR COMMUNITIES AND COUNTRY.

We promote the inclusion of children with special needs and provide ongoing training and support for teachers, families and the building of schools all over the Bufuka area on Lake Bunyonyi.

- Young people are born in villages with great academic potential to influence the future economy and contribute to the world but very few ever get the opportunity of getting a higher education.
- These children have either poor guardians or no guardians and need resources to allow them to be educated. Lack of resources causes these children to drop out of school and go to work to contribute to family income or to survive alone living on the street.
- These children are at risk due to various diseases. These children need education on health practices and resources for treatment.
- With help from those who love children and pray for them, we shall raise them and rescue those on the verge of losing their education or their lives.

LOOKING FOR ADVENTURE

COME FACE-TO-FACE WITH THE MOUNTAIN GORILLAS OF UGANDA.

Being only 70 km's from Mgahinga Gorilla National Park, we can organise Gorilla trek tours with 30% of all proceeds going directly to the needy children of Little Angels.

We also organise white water rafting, chimpanzee treks and game drives in neighbouring Rwanda, Kenya and Tanzania.

Contact us for more information.

INTRODUCING OUR NEW 'PAY IT FORWARD' PROGRAM

We're growing and educating our community to respond to a person's kindness to oneself by being kind to someone else.

The program has a focus on helping street kids (the homeless) by providing shelter, education and an opportunity to enhance their future.
