LOOK AT THEM

Bible Text: Hebrews 13:7

Teacher: Adewuyi O. Moses

Heavenly Father, may you fill us with your holy spirit so that we understand your word. We pray that the word for tonight will dwell in us in wisdom. Change our lives through this sermon in Jesus name I pray Amen

I welcome everyone again to tonight's Bible study, it's a great thing to be here again to learn at His feet. Hope we all had a great day, hope we all prayed today and hope we all studied our bibles today? The topic we would be treating tonight itself might be a little strange or funny to us but I believe as we move on, we will get to understand why it is so.

Our topic tonight is **"Look at them"**

This topic was actually birthed out of the common happenings these days not only to outsiders (unbelievers) but to the body of Christ and inside the church of God which needs to be addressed before it misleads a lot of people. I trust God in helping me to pass the message across the best way He wants it to be passed across and I will want everyone of us to check his/her life very well to see where this is occurring in his/her life so as to tackle it very fast. May God help us in Jesus name. Amen

A lot of Christians these days find it very hard to study their bibles with the Holy Spirit guiding them, this is why they find it very hard to believe the truth when it's told to them by Bible teachers because they don't study regularly which is very bad. As Christians, we are to study our Bibles not as a routine but to gain something, if a person studies everyday to gain more knowledge in the word, such person will broaden in knowledge. The Bible is not meant to be taken whenever we are sick or down so as to cure whatsoever is doing us but it's meant to be studied at every situation we find ourselves.

Why the topic is "Look at them"

The reason many people are easily swayed away from the right part is because of these words "Look at them", they were treading the right part initially but because of their pleasures for the things of this world, they began to look at ministers of God to live their lives, then when you ask them, why are you doing this? They will reply by saying, "see, look at that minister of God, He does it too and he is being used by God, does it mean he won't get to heaven?". This is what has really filled the hearts of so many Christians, both babies in Christ and even those who claim to have grown a bit in Christ. We all know that we have lots of Apostles these days, youths now call themselves apostles once they notice they are performing little little miracles, we so much have a lot of

people who call themselves apostles and we even find it hard to know the true ones because they are too many. Some were called to apostles while some called themselves and coronated themselves this is one of the reasons we so much have divisions in the body of Christ, people not being able to identify where they have been called into really cause a lot these days.

The reason I feel sorry and sad if I see a well known preacher or worshipper doing things that are against the Bible ignorantly is because people these days look at these men of God to live their lives which can make such follower follow the wrong path ignorantly too. One thing that makes people especially youths and even the married to get misled by the way of life of some ministers is because of laziness, they are so lazy to find out what the scriptures really says, they just after what their pastors and G.O'S are doing before they start doing it. Just imagine a male pastor who tells his members that he is going to conduct a personal deliverance for all the female in the church and they come into a secluded room which is sound proofed, with the pastor alone, one by one all in the name of personal deliverance. Is that supported by the Bible? Not only that, as they get in one by one, he starts pressing their bodies and smooching them saying he is delivering every organ of their body from generational curses and diseases and yet the women still come back next time to him for personal deliverance, isn't that bewitchment and laziness to study the Bible to know what it says? It is certainly.

Our text is Hebrews 13:7Remember them which have the rule over you, who have spoken unto you the word of God: whose faith follow, considering the end of their conversation.

This text says we should follow thefaith of those who have rule over us, those who have taught us the word of God**considering the end of their conversation** not just following alone but you considering the end of their conversation and this is so that one would know whether they are on the right path that one can follow their faith. When a blind man leads someone who is not blind but used a cloth to cover his face, won't the blind man lead such person astray? Definitely! Though the person has eyes, he is unable to see and know the right way because he is being blindfolded and is very lazy to remove the clothes off his eyes.

The mistake many Christians make these days is following their G.O'S and pastors first before following what the Bible says, they use what their pastors say to judge and correct what is in the Bible and save it in their hearts instead of using what is in the Bible to judge and correct what their pastors say and then save it in their hearts, this is painful because some pastors are ignorant of some things which the members know but because they are copying what the pastor does, they drop the right thing and pick up the wrong one growing in heresies. One thing true Bible teachers hate and never want to see is the bible being misinterpreted or being changed from the meaning it gives. This is a very very crucial issue to be sorted out and it's when everybody believes that

1. General overseers

2. Pastors

3. Bishops

4. Apostles

5. Evangelists

6. Prophets

7. Teachers

And the rest are all HUMAN BEINGS that they will stop using their lives to compare theirs. The pastor you are looking at to live a holy life can later end up in hell if not careful, if he eventually ends in hell, where will you that you are trying to copy everything about him end? I'm sure you know that you will end where he ended.**Look at him, look at my pastor, he barbs Afro and Obama haircuts, does it mean he will land in hell? Or are you more Spiritual than him?** That's the national anthem of someone who is corrected not to Barb such worldly haircuts. Some youths deliberately go to churches where they know the pastors there dress the way they like so as to copy him and have something to say out there when people tell them the truth.

A very common thing in this generation in which most Christians believe in is that praying in tongues is a ticket to make heaven, holiness is something people have thrown into the dust bin of their hearts because to them, someone who is not fit for heaven won't be able to pray long hours in tongue, this is a very great lie, some are so serious when praying in tongues and they sweat profusely, this makes them think if Jesus appears immediately, they will make heaven with the dreadlocks and different types of attachments on their heads, unknown to them, they are only joking because speaking in tongues is a gift in which anybody that backslides totally can continue having because God doesn't collect back His gift once He gives it. Another misconception is that, people believe you can't be doing miracles and miss heaven which is a blatant lie because Jesus said it that

Matthew 7:21-23 KJVNot every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven. [22] Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works? [23] And then will I profess unto them, I never knew you: depart from me, ye that work iniquity.

So since Jesus has said it, who will change it?

It will be so disastrous if everyone here looks at the admins of this platform to live their lives because the Bible says

Hebrews 12:2 KJVLooking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at

the right hand of the throne of God.

Let's quickly look at the dangers in copying the wrong things/people

Dangers in copying/imitating the wrong things/people

1. Wrong leading: When a person is always copying and imitating men who do things that are against the Bible, they are always misled and led in the wrong path because the word of God is a lamp unto our feet and a light unto our path (Psalm 119:105) therefore if the word of God is not followed, there is no light in the path such person treads which will make the person lose track.

2. **Physical Destruction:** when a particular person knows he is not imitating the right thing but still chooses to keep following it because it pleases him and because his leader is following such path, he tends to be destroyed physically, when the sons of sceva tried to copy and imitate wrongly what Paul was doing, they were nearly destroyed , this can also happen, when someone tries to copy wrongly what another person is doing, he can be destroyed in the process because what the person who is being copied did and got away with it might be done by the person copying him and he won't get away with it.

3. **Repeating the same errors:** When someone keeps copying or imitating what his/her leader is doing, he tends to fall into the same error the leader has fallen into, it's just like a person moving while someone is so close at his back following him wherever he goes, if the person at the back keep being so close to the person in front and the person in front falls into a pit, the person at the back will also fall into same pit immediately because he is following the one in front closely without thinking or reasoning.

4. **Inconsistency:** When a particular man of God says he prays for 12 hours a day and one of his followers decides to copy that, a student who wants to be praying 12 hours daily, how will he read and do some other academic work? This will make him not consistent with the prayers because hardly will he pray for 12 hours per day 3 times a week because of his schedule but when he realizes that he can still pray for 2 hours per day as a student so that he can read his book and attend classes conveniently, it will be more consistent than trying to imitate or copy what is above himself.

5. It causes ignorance- when someone is always copying 100% the life of his Spiritual father, he tends to be ignorant of any truth his Spiritual father is yet to get because he is always following his footsteps therefore, it is when such Spiritual father gets that truth that he will also get it.

6. **Eternal punishment:** Those who have seen and read the truth in the Bible but keep consoling themselves doing what their pastors and G.O'S are doing saying they won't get to hell because their pastors and some great men of God are doing such are only deceiving themselves. God is not a respecter of anybody and is able to make anybody

perish in hell. The wife of G.O'S that you see doing some things that you know are against the Bible and you keep imitating them, the both of you will land in hell fire if you don't retrace your steps back to Christ.

The worst part is that, that G.O, mummy G.O, apostle and the men of God that you are imitating might end up correcting what they have been doing for a long time on their sick bed and die and make heaven but you that have been misled will keep working in ignorance till death if you continue shielding away from the truth and such a person will eventually land in hell, what a mystery of tragedy it would be. Therefore, imitate Christ, He is the only one that can't lead you astray, when you try imitating or looking at the lifestyles of men of God, compare it with what the scripture say before you save it in your heart, the scriptures is our compass and nobody that goes against it will get to the kingdom of heaven, may we not be ignorant in Jesus name...Amen

We have come to the end of tonight's teaching, thanks for your time. If you have any question, kindly drop and if there is none, do have a wonderful night rest ahead.
