Love, A Restorative Power

There is a love that restores from death unto life, by God's power acting through His word. God is love and love is God, God is power and power is God, for the right hand of God (the word, "Jesus") is power. If we have been born of God, we have God's power working by Love in us, through God's word, to release His power.

How much of God's love abides in us through intimacy, determines the extent to which God's power can be released through us. We all born of God, are born with power when we believed, accepted and came under the authority of the name " Jesus." We all have authority in Jesus, but not all have the necessary power to release that authority with much effect.

Power in God actually, it is earned as we work on our relationship with Him, the more we build on intimacy, the more His power is released. How much of God's love is seen in us is a reflection of how much we spend time with God in our heart, which will in turn determine how much of God's power will be released upon us to exercise His authority in the name "Jesus" through His spoken word.

God's word is a delivering power. And, we born of God, are in Him and He in us, in other words; what God is, all that is God, we are a reflection, a manifestation by His spirit. When we speak according to God's will, not ours but His, we speak God's word, released with power, because of His word in us.

Again; how much of God's word (life) dwells in us, determines how much of Jesus dwells in us. How much we build our intimacy determines how much our heart becomes more integrated in Jesus. The more you do so, the more you become more like Him, when you speak in His word, i.e. His will, then, you speak with power and authority in accordance to how much He dominates your inner being.

God's power is released first, through His word for our deliverance from death as we work on our relationship, building intimacy with Him. In turn, we ought to become a deliverance unto others through God's power at work in us. We are delivered by the word, that through us, He shall deliver others. You're delivered to deliver.

No one has too little to pray, having God's spirit makes us a priest, for our heart is the alter of God. Everyone, should according to his faith pray for all. As it is written, I'll point out a little, emphasizing mostly on verse 6. Do well to meditate on the rest okay.

" Having then gifts differing according to the grace that is given to us, let us use them: if prophecy, let us prophesy in proportion to our faith;"
[Romans 12:6]

" For I say, through the grace given to me, to everyone who is among you, not to think of himself more highly than he ought to think, but to think soberly, as God has dealt to each one a measure of faith.

For as we have many members in one body, but all the members do not have the same function,

So we, being many, are one body in Christ, and individually members of one another.

Having then gifts differing according to the grace that is given to us, let us use them: if prophecy, let us prophesy in proportion to our faith;

Or ministry, let us use it in our ministering, he who teaches, in teaching.

he who exhorts, in exhortation; he who gives, with liberality; he who leads, with diligence; he who shows mercy, with cheerfulness."
[Romans 12:3-8]

We must work on our faith, for faith comes from God's word. It is given as a gift, but it is cultivated through God's word. How much faith we have, will determine how much God will work through us. God acts in us according to the measure we build our faith. Faith is heavenly currency. However, when we build Intimacy, we grow in faith and power side by side.

We build Intimacy to gain naturally, more of God's power, it is our reward, not for show, boasting or pride, it is given naturally for us to become vessels unto honor. Through love, God's power is released incorruptible without fleshly tendencies to bring about God's deliverance and life unto others. A little bit of pride will corrupt it all and, it'll at the end, a danger for us. And, so God made it so; the more we love Him, the more we work on our relationship, the more we're being sealed in His trust. When we come to a place of trust in God, He then begins to work through us, releasing His power to bring about restoration from death to life unto those who are in death or in need of life.

Death is a process, when Adam ate the forbidden fruit he died spiritually, although he lived in the flesh, but there was a spiritual death, a decay, degradation from death to death took place. But, through the power of God's word, by His blood (

holy spirit) we are being restored back to life. Having been restored back to life, we ought to spend time with Him to become fully restored in life as we were originally made of life in God's spirit.

This brings us to love, God's power being released in love through us, restoring others from death unto life.

" If anyone sees his brother commit a sin that does not lead to death, he should pray and God will give him life. I refer to those whose sin does not lead to death. There's a sin that leads to death. I'm not say he should pray about that.

All wrong doing is sin and there's sin that does not lead to death."
[1 John 6:16-17]

Just as we have been restored back to life, we are to bring God's restoration unto others. What the holy spirit is telling us in the scripture is this;

There is a sin that doesn't lead to death, such we should pray for i.e. there are those who are still in darkness, who are still in death, but not utterly, i.e. they are still in death but, they've not yet received in full measure the delivery power of gods word. They want to be saved but, they just can't due to their weaknesses. We then are to pray in their stead, that through our prayers, sin's power over them will be broken by the power of the word in Jesus name. Then, they can truly be restored back to life.

However, there are those whose sins leads to death I.e. those who willingly choose to do evil, not out of being bound by darkness, but they willing do so and enjoy sin, not wanting or minding to be saved, such we shouldn't pray for they are doomed for condemnation, their judgement is hanging around their neck.

Many has heard the word but, sins power over them has to be broken first before they can be free to accept the word. It is a deliverance issue, there's a first deliverance before acceptance, then a total deliverance (salvation), you might not notice it, but so it is for all, you don't just accept the word like that.

This is what the Holy spirit has revealed to us, love a restorative power. How much we truly love to Intercede for the church, for others, will bring about God's deliverance unto all who are willing to be saved. Pray for your brethren in the measure of your faith, and work on your relationship to increase how much of God's power can be released through you to bring about God's restoration.

We'll let you in on a little a mystery;
When we build Intimacy, spending time with God, we never aren't having wasted times, no, so the world sees it. In actuality, if we truly love God and, when we do so more by His spirit, He'll act in us, empowering us to give every second of our time in His presence. I'd always give an example; while I'm typing this my heart is busy giving thanks to God, now that is intimacy.

When we build Intimacy, we are rewarded with power, being rewarded with power. The power of God in us is a reflection of God's power sealed in our spirit man which walks in heaven even while we're on earth. How much power we attain then, is a revelation of our spiritual status and rankings in God's kingdom. A man who's of more power status is of more authority. And, when we shall meet the Lord, we'll be judged and glorified in accordance to our rankings built through intimacy and love, and how much of God's will is fulfilled in and through us. It is written;

" There are also celestial bodies and terrestrial bodies; but the glory of the celestial is one, and the glory of the terrestrial is another.

There is one glory of the sun, another glory of the moon, and another glory of the stars; for one star differs from another star in glory."
[I Corinthians 15:40-41]

This is an encouragement unto us. We should love naturally, that through us, God's love would be released unto all creation

Let us love.
