Login with Microsoft Profile – Which use for your certifications (Ex- AZ-104)

Once Login – 2) Requirements Enter the Details as below

Microsoft Certified Trainer Program

1 Profile ✓ 2 Requirements ✓ 3 Terms ✓ 4 Payment ✓

Congratulations! You have one or more of the qualifying certifications that is required to apply to the MCT program. In order to complete the entry requirements, you will also need to provide your Metrics That Matter (MTM) ID and your proof of instructional skills.

Certifications

1. Microsoft Azure Administrator Associate
Expires 08/24/2022 Expires within 717 days

Training Validation

To renew your MCT membership next year, you will need to teach at least one class during your first year in the MCT program. This training can be validated by the preferred Metrics That Matter (MTM) tool or another survey tool.

If you plan to use MTM for training validation, please enter your MTM ID here:

Nothing needs to enter in training validation

You Need to complete any one of below certification – my case its AZ-104

MCT Enrolment Process

In the same 2) Requirements page under Instructional training enter the detail as below

Select Personal reference

Institution – any name (my case I put my company name)

Year of Experience – 1 or more

Reference Name – any name (I given my colleague name)

Reference Mail – used my colleague mail id – he received mail and confirmed the approval

(for some people secondary e-mail id works dummy mail id where you receive the mail for confirmation from Microsoft – so using your secondary mail id you can approve yourself)

After entering above details click next – to go 3) terms page

Microsoft Certified Trainer Program

IMPORTANT: Your participation in the MCT Program is governed by the MCT Program Guide and MCT Program Agreement. You must accept the terms and conditions in the MCT Program Guide and MCT Program Agreement to participate in the MCT Program. By clicking "I Accept," you agree to abide by the terms and conditions in the guide and agreement. You also represent that you have read and understand the guide and agreement. In addition, note that by providing your transcript and certificate for your instructional skills certification, you are agreeing to provide Microsoft with any personal information related to your transcript or certificate, including your certification history, for the sole purpose of demonstrating your instructional skills. Microsoft will not share, disclose, or retain your transcript or certificate once verification of skills is completed.

If you do not accept these terms and conditions, do not select "I Accept."
