Remedy for Government Treason

Notices for no demands

Please use the notices for no demands if making demands on someone else.
For example: Cops, Courts, Councils, Government Ministers.

Take the Oath of Allegiance to the Barons Committee or take the Oath to Self

By taking the oath we are changing allegiance from the crown to the constitution removing all unlawful contracts with the crown, including the birth contract.

Sign the oath and have 3 witnesses unrelated to you sign it, they must be 21+ years of age with no criminal convictions within the past 10 years.

Send a copy of your oath via registered mail to either a baron or to yourself. If sending to yourself please do not open the envelope when it arrives. Staple the original oath and receipt together as proof of your lawful standing.

ALL notices along with the oath MUST be sent via registered mail making them undeniable in law. Please only send the original (wet ink) notices. ALWAYS make photocopies of ALL notices first (collect the evidence). Staple the receipt to your photocopies then mark the date it was received. Allow at least 10 days between each notice before sending the next notice. You must ALWAYS complete the 5 notice process.
