CHAPTER ONE: WAR AGAINST MARINE SPIRIT POSSESSION AND OPPRESSION

Marine kingdom believes they are the strongest among the three demonic kingdoms. The reason is simple; at creation the earth was without form and was covered with water. God instructed the water to gather together, the end product was the cloud and land we see today. The marine kingdom believes that other demonic kingdom is a subset under them. More so, the human body is made up of 70 percent water. Additionally, there is nothing you can do without water.

The marine's kingdom feels they are superior; the marine's kingdom is the most populous and wicked among all the kingdoms. The head of the marine kingdom is the queen of the coast with their headquarters in India.

Under the marine kingdom, there are sub kingdoms like the serpentry. The marine kingdom is responsible for all cases of insanity. In mark chapter 5, the Bible told us about a severely mad man, the man was tormented by demons from marine kingdom. When Jesus casted out the demon, the demons entered into pigs and return back to where they came from the sea.

Two things happened in Mark chapter 5, the pig refused to be possessed with demon, they rather choose to die than live with demon residing in them. There are many possessed human beings today, living joyfully with demons.

Secondly, the greatest problem of the devil is accommodation problem. Always looking for a

human body to possess for evil and satanic dirty operation. Marine kingdom is also responsible for the spirit of chronic anger, a spirit that entered into Moses at birth. Everything about Moses was resolving around water.

Marine kingdom is also known to be responsible for anything dead in a man's live. Our texts told us every thing dead is from under the sea, dead organs, dead womb, brain, spiritual life.

You use to be on fire until you messed up with a marine possessed lady. They are everywhere today. Any day, a preacher mistakenly sleeps with a marine possessed lady, he has lost his authority over them, and he can never cast them out again. Time will fail me to open up deep secret about marine kingdom.

Marine kingdom is as well responsible for chronic spinster/bachelorhood, divorce, bankruptcy, sex in the dream, spirit husband and spirit wife.

All this will be dealt with in subsequent devotionals. Insight is the best form of vision. If you are experiencing any of these symptoms, there is a prayer booklet special designed to dislodge and enforce your freedom from the bondage of marine kingdom.

Everything is under my feet. The water, the land, the forest, the desert are all under my feet. In the name of Jesus, I have Calvary dominion over all things in the heavens, in the earth, under the water in the name of Jesus. How excellent indeed is your name O Lord. You are worthy of our praise.

CHAPTER TWO: WHAT AND WHO ARE THE MARINE SPIRITS AND MARINE AGENTS?

The waters spirits are from marine agents. Marine spirits operates when people consciously and unconsciously commit sexual sin. They employ marine spirits to war against individuals, families, governments and even continents. In most cultures of the world there is ancestral worship of marine deities. As a result of this, family members are dedicated to them. The dedication normally extends to generations yet unborn. This goes on indefinitely until you renounce it and separate yourself from the evil umbrella that is covering your whole family line. This is what is called collective captivity where members of a particular family experience the same problems and bondages. There is a collective captivity marine vehicle carrying the whole family where God has not ordained for them to go. You as a child of God need to use the blood of Jesus to separate your life from that evil marine vehicle of your family.

FACTS ABOUT WATER & MARINE SPIRITS KINGDOM

1. There are three spiritual realms in the universe. These are the heavenlies, the earth, and the waters.

2. We should exercise dominion in all three realms because God has given us dominion over the works of His hands. Psalm 8.

3. God created the land from the waters.

4. Water spirits and marine powers operate out of the waters.

5. Water spirits can easily be used against a person because 85% of the world is water 70-75% of a human being consists of water too.

6. Everything that God created was for the benefit of man but the fall of man changed that:

7. It introduced curses where God had originally planned only blessing.

8. The fall of Lucifer and his been thrown out of heaven with his fallen angels, further com pounded the problems. "Therefore rejoice ye heavens, and ye that dwell in them. Woe to the inhibiters of the earth and of the sea! For the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time." Revelation 12:12.

9. There are terrible witchcraft activities against people, communities, and even countries, in the marine world.

10 Marine powers are worshipped in most parts of the world. Many have made trans- generational covenants with these powers. There is normally a queen in the water that is worshipped such as Yemoja which means mother of the children of the fish, Olokun, which means mother of the sea, and others. There is also a king in the waters that is worshipped.

Pray this prayer and say: Every evil queen and king in the water demanding for my worship, you are a liar, fall down and die.

11. The marine world just like other departments in satan's kingdom is very well organized.

12 There are: o Marine Altars o Priests that § Maintain the marine altars § Supervise evil covenants between marine powers and their victims including evil dedication to marine powers § Offer sacrifices to and supervise the worship of marine spirits § Initiate people into various marine societies such as mermaid society § Use ma-

rine animals including crocodiles and serpents to harass people.

o Marine strongmen that enforce these covenants and enforce sanctions if they are broken. They show up in the dream to deal mercilessly with victims.

A marine strongman may be a serpent. When they sexually violate you they take the appearance of men. The influence of water spirits can be felt everywhere. They control commerce. They manipulate governments, and they have infiltrated deep into the church. Their agents go after top leaders in the government, business and even the church.

Several so called "churches" and "ministers" derive their power from the marine world. Most of the miracles, signs, and wonders are marine powered. This is a very common problem these days so one needs to really seek God before going to any place to worship or even visit.

17. Marine agents steal precious things from people and they operate very fast. Once they know that the doors are open they quickly come

in and steal. They steal various things including breakthroughs, position, virtues, wealth and possessions.

18. Any encounter with the marine agents brings terrible oppression and afflictions in their victim. They can even make a person to go insane.

19. Marine agents are adept at carrying out evil transfers. They can take the robust health of their victim and transfer it to someone who is sick. They in return transfer the sickness to the man from whom they stole the good health.

20. They can also transfer sickness, untimely death, bad luck and other things from their own lives to the lives of others. Declare this prayer as warfare and say: I cancel every evil appointment with marine agents over my life in the mighty and precious name of Jesus Christ.

CHAPTER EIGHT: BATTLING MARINE DEMONS SPIRITUALLY AND PHYSICALLY, THEN, GAINING VICTORY

Paul the apostle lays out the hierarchy of demons in Ephesians 6:12: *"For our struggle is not against flesh and blood, but against the rulers, against the powers, against the world forces of this darkness, against the spiritual forces of wickedness in the heavenly places."*

As I wrote in my book, **THE *WICKED ORDINANCIES***, spiritual warfare requires wrestling —hand-to-hand combat with bodiless enemies we can't see with our natural eyes. The Greek word for "wrestling" in Ephesians 6:12 is *pallo.* The *New Testament Greek Lexicon* defines it as "a contest between two in which each endeavors to throw the other, and which is decided when the victor is able to hold his opponent down with his hand upon his neck; the term is transferred to the Christian's struggle with the power of evil."

Demons try to choke you—or put you in a stranglehold. In the wrestling world, a stranglehold is an illegal hold that chokes the opponent. *Merriam Webster* calls it a "force or influence that chokes or suppresses freedom of movement or expression." If the wrestler doesn't break free from the stranglehold, the lack of blood or air can cause him to black out. Translating this to our spiritual realities, the enemy wants to choke the Word of God out of your mouth so you can't wield your sword of the Spirit or pray. The enemy wants to choke out the revelation of who you are in Christ and your authority over him.

In Ephesians 6:12, you can see there are differing, broad categories of demon powers. Let's

start with principalities. The word "principality" comes from the Greek word *arche*. In Ephesians 6:12, principalities refer to "the first place, principality, rule, magistracy" and speaks of "angels and demons," according to *The King James Version (KJV) New Testament Greek Lexicon. Vine's Expository Dictionary* gives more insight, calling principalities "supramundane beings who exercise rule."

Exouisa is the Greek word for "powers" in Ephesians 6:12. Our lexicon defines it as "the leading and more powerful among created beings superior to main, spiritual potentates." Meanwhile, "ruler," which comes from the Greek word *kosmokrator*, means "lord of the world, prince of this age," and wickedness from the Greek.

Poneria, which means unrighteousness, wickedness, greed, fornication, covetousness, and malice, is the Greek word for "wickedness" in this verse is. *Merriam-Webster's* definition of malice is "a desire to cause pain, injury, or distress to another," or "intent to commit an unlawful act or cause harm without legal justification or excuse."

The Greek word *kosmokrator* is used to describe "rulers of the darkness of this world," which means "lord of the world, prince of this age." And darkness stems from Greek word *skotos*, which can mean darkness, like night darkness. However, in the context of Ephesians 6:12, it means "of ignorance respecting divine things and human duties, and the accompanying ungodliness and immorality, together with their consequent misery in hell." It also means, "persons in whom darkness becomes visible and holds sway," according to *The KJV New Testament Greek Lexicon*.

Our struggle is not just with demons in heavenly places. It's also with demons in watery places. The good news is, you have authority over every

demon power—on the earth, over the earth, and in the seas.

The Wonders Of Water In The Word Of God

The Word of God speaks of the water of life, rivers of living water, passing through the waters, springs of waters unto eternal life. We find literal stories about water and important metaphors that are worth exploring as we seek to understand water spirits. The law of first mention—a principle that suggests the first place in Scripture a word or doctrine is found informs our understanding of God's intent—is a strategic place to start our study.

The first time we see water mentioned in the Bible is in the second verse of Genesis. Genesis 1:2 tells us, *"The earth was formless and void, and darkness was over the surface of the deep, and the Spirit of God was moving over the surface of the waters."*

This is an especially telling verse in the context of the law of first mention. We see a spirit—the Spirit of God—moving over the surface of the waters. Given the enemy always works to counterfeit what God has done or is doing, we understand that demon spirits will move over the waters to combat God's purposes and plans in the earth. This is the best case for marine demons—but it's not the only one.

Searching the Bible, we find Scriptures that connect water with both death and life. Isaiah 12:3 speaks of drawing water from the wells of salvation with joy. Jesus promised everyone who believes in Him would see rivers of living water flowing from His heart (John 7:38). In Isaiah 43:2, God makes a beautiful promise: *"When you pass through the waters, I will be with you; and through the rivers, they will not overflow you...."*

God refers to Himself as *"the fountain of living waters"* in Jeremiah 2:13. We are baptized with water as a sign of being buried and resurrected to new life in Jesus (see 1 Peter 3:21). David spoke of God leading him beside quiet, or still, waters (see Psalm 23:2) and Paul talks of washing of the water with the Word (see Ephesians 5:26). We know Naaman dipped seven times in the Jordan River by the word of the prophet Elisha and was healed of his leprosy (see 2 Kings 5). In heaven, there's a river of the water of life (see Revelation 22:1-2). These are just a few of the many Scriptures that speak of the life-giving, cleansing or healing power of water.

Also enlightening as we set out to expose and defeat water spirits is the reality that water is a symbol of the Holy Spirit in Scripture. Jesus was speaking of the Spirit of God when He told the woman at the well, *"Everyone who drinks of this water will thirst again; but whoever drinks of the water that I will give him shall never thirst; but the water that I will give him will become in him a well of water springing up to eternal life"* (John 4:13-14).

Water archetypes paint vivid pictures through Scripture, including physical birth (see Genesis 1:20), purification (see Ezekiel 36:25; Hebrews 10:22), God's help (see Isaiah 8:6); personal posterity (see Isaiah 48:1) and humankind's purposes (see Proverbs 20:5).

Water is overwhelmingly positive in Scripture, but water can also carry a negative connotation including enemy attack. Second Samuel 22:17-18 tells us, *"He sent from on high, He took me; He drew me out of many waters. He delivered me from my strong enemy, from those who hated me, for they were too strong for me."* Psalm 144:7-8 shares, *"Stretch forth Your hand from on high; res-*

cue me and deliver me out of great waters, out of the hand of aliens whose mouths speak deceit, and whose right hand is a right hand of falsehood."

And Psalm 124 reads:

"Had it not been the Lord who was on our side," let Israel now say, "Had it not been the Lord who was on our side when men rose up against us, then they would have swallowed us alive, when their anger was kindled against us; then the waters would have engulfed us the stream would have swept over our soul; then the raging waters would have swept over our soul." Blessed be the Lord, who has not given us to be torn by their teeth. Our soul has escaped as a bird out of the snare of the trapper; the snare is broken and we have escaped. Our help is in the name of the Lord, who made heaven and earth."

How Marine Demons Pollute God's Purposes for Water

Satan is not a creator. He can only imitate and pervert what God has already created. In the context of marine demons, God created the water for His purposes.

In Genesis 1:20-22, God says, *"Let the waters teem with swarms of living creatures.... God created the great sea monsters and every living creature that moves, with which the waters swarmed after their kind.... God blessed them, saying, 'Be fruitful and multiply, and fill the waters in the seas....'"*

Satan and his cohorts seek to pollute and pervert those purposes. There are startling parallels to this truth in the natural realm. Water pollution is a growing problem around the world. According to the Borgen Project, "personal care products and pharmaceuticals, including birth control pills, antibiotics and painkillers, are washed into water reservoirs and lakes, contributing to the rising water pollution. They have a damaging effect on the aquatic ecosystems and cause hormonal imbalances in humans and animals."

Borgen also reports approximately 946 million people are forced to defecate in street gutters and near water bodies, exacerbating the rising water pollution and 1.8 million people rely on drinking water potentially contaminated by human waste. Contaminated drinking water and inadequate sanitation cause more deaths annually than violence from the ongoing wars. Approximately 842,000 people, including 361,000 children under five, die yearly from diarrhea.

DoSomething.org reports the Mississippi River carries an estimated 1.5 million metric tons of nitrogen pollution into the Gulf of Mexico each year, creating a "dead zone" in the Gulf each summer about the size of New Jersey. And approximately 40 percent of the lakes in the United States of America are too polluted for fishing, aquatic life, or swimming.

And *Ocean Health* reports the Pacific Ocean is turning into a desert: "The waters of the Pacific off the coast of California are a clear, shimmering blue today, so transparent it's possible to see the sandy bottom below [...] clear water is a sign that the ocean is turning into a desert, and the chain reaction that causes that bitter clarity is perhaps most obvious on the beaches of the Golden State, where thousands of emaciated sea lion pups are stranded."

Indeed, the enemy is manifesting his ministry to kill, steal, and destroy (see John 10:10) by polluting the waters with marine demons. It seems in many cases the water is bitter and there's poison in the pot. We see these concepts in Scripture.

After the Israelites left Egypt, they came to Marah but could not drink the waters because they were bitter. Moses cried out to the Lord, and He told the prophet to throw a tree into the water to make the water sweet (see Exodus 15:23-24). Elisha came across poisoned water and purified it with salt (see 2 Kings 2:19-22). All

of this is a manifestation of what is happening in the unseen spirit realm—demons are influencing spiritual climates and natural waters.

How Marine Demons Influence Peoples' Ignorance

Great cities of the world surrounded by water or home to large bodies of water see the influence of marine demons on their communities—and the people who live in them. From witchcraft to greed to murder, we see historical and present-day manifestations of water spirits all around the world, but especially in marked by significant rivers, seas, bays, channels, wetlands, and swamps.

An article in *Port Strategy* magazine waxes prophetic in the world of water spirits. The magazine reports the US government is working to reclaim the docks from the mob and has filed a legal case against organized crime bosses. The American mafia's corruption on the waterfront dates back to the 1930s. The mafia's strategy to dominate the ports is demonic masterminding at its best.

With a stronghold in the ports, the mafia infiltrated the US economy, working in gambling, gas tax fraud, restaurants, and racketeering in many industries. Rituals, rules, and customs emerged, as well as symbolism in violent acts and murder. Of course, the mafia was birthed in Sicily, Italy, which is home to seas and channels where marine demons thrive. Could it be possible marine demons defiled the hearts of businessmen who could have used their ambition for godly kingdom exploits?

College students from around the world flock to beach cities, like Panama City, Florida, for Spring Break each year. The parties are marked by sexual immorality, drugs, drunkenness, psychic readings. Gang rapes have been reported on

crowded beaches, as well as house party shootings, binge drinking, sexual perversion, robberies, and more are common during Spring Breaks. Could it be possible these good kids go buck wild in an atmosphere driven by marine demon agendas?

Likewise, the top states in the US for human trafficking are water cities. According to Human Trafficking Search, California, Texas, Florida, and New York are the top four states for this wicked practice. Could it be possible that marine demons have built territorial strongholds that pave the way for horrifying human trafficking strategies?

Like the US government that's filing a legal case against the mafia, Christians need to legislate in the courts of Heaven against marine demons that are influencing their cities. Much the same, individuals need to take personal responsibility to identify the temptations and influences marine demons introduce to their souls—from pride to rebellion to sexual immorality and beyond—and resist it. Of course, apart from Christ it's difficult to resist evil, which is why marine demons oppose the Gospel in the territories over which they have erected dominions and thrones.

CHAPTER NINE: HOW TO IDENTIFY AND DEFEAT MARINE SPIRITS

When you hear marine, the first thing that comes to your mind is water or river. You are not wrong, marine spirits are water spirits or spirits that comes and dwells in the river. Beloved they are real; they execute their plans by possessing either a man or a woman. The marine kingdom is one of satan's department headed by a queen, popularly known as the queen of the coast. The earth is divided into the air, the land and the sea. When God made man in Genesis, He gave him dominion over the fish of the sea, the birds of the air and over every living thing that moveth upon the earth. Genesis 1:28. God will never ask man to dominate his fellow man, so what God meant was that man will have dominion over the spirits in the sea (marine spirits), spirits in the air(witch craft spirits), and on land.

There are two types of marine spirits; we have the conscious mariners and the unconscious mariners. The conscious marine agents are those that know they are possessed, while the unconscious mariners don't know that they are possessed. Marine spirits possesses females more than males, they do so to oppress men and scatter homes, since the man is the head of the home. Their primary tool is sex. They are extremely fashion-crazy, they dress to attract on purpose, they walk to attract on purpose. This marine spirit pushes single ladies to date married men without any remorse. They take delight in breaking the hearts of their victims so as to render them emotionally unstable; once a person is unstable emotionally he is sure to make wrong decisions about other things. They neu-

tralize the will-power of their victims through sex. They are very unstable in relationships; they cannot keep a relationship for too long, they pretend a lot and changes their voice to fit the mood they are in.

Falling in love with a lady possessed with this spirit is the worst thing that can happen to a man, because the moment he decides to end the relationship, she begins to behave well, the moment the man changes their minds, she starts tormenting the emotion of the man, constantly frustrating the man. Those who are possessed with the marine spirits without knowing can easily be delivered by getting close to the things of God and His word.

Lesbianism, homosexuality and pornography are also marine initiations, they are also party freaks. This spirit pushes young, talented, beautiful girls into "runs". The truth is this with God all things are possible. Deliverance is possible only when the mariner is willing to be delivered. Once that person is willing, that person must go to a bible practicing church for the power of the queen of the coast to be broken. Then the person must be born again and take God's word seriously. Self deliverance is also possible with this knowledge; you can pick up the bible and ask Christ to come into your life. Once He enters, the rest is history. I break every trace and strong hold of marine spirits from your life in the name of Jesus.

The reason I want to speak on this controversial topic of deliverance studies is because a large number of men and women in I have ministered to and met in life are affected deeply by this power base of Satan. Marine Spirits And Marine Witchcraft are deceiving, subtle and at most unrecognizable until one is shown or revealed by the Spirit Of God. Marine Spirits and Witchcraft heavily are used and are constantly advancing

their methods of enchantment and ensnaring of souls.

Today I want to show you openly their working, signs, methods, how to cast them out, to live in security from them and what to do when you get enticed and trapped by them. Marine Spirits or Water Spirits are also called Dagon principalities, Mami wata in West Africa and Ma-Jinn (Mahaba) kike au la kiume in Swahili. These spirits are both Male and Female, in the Spiritual realm they are called Marine because they dwell in waters, from Rivers, Waterfalls, Seas, Lakes, Streams, Drainages, Wells, Dams and anything else as a water body.

Job 26:5, "Dead things are formed from under the waters, and the inhabitants thereof."
Dead things, dead powers and Witchcraft are formed in Waters, beneath the seas, from its womb is another habitation of two Fallen Angels who inhabit these terrains and have made a habitation of their nature. Unseen to the Naked, yet existing within the physical sphere. This realm of Marine Spirits is a realm important to Fetish priests, Occult followers, Satanic worshippers and Wealth seekers of Dead persons via mediums or spiritists. It's a habitation where devil worshippers and devil agents mostly live and from which they affect the natural realm.

It's a realm split into two Divisions. The Atlantic ocean is governed by the Queen of the Sea, while the Indian ocean is governed by the queen of the Coast. Both of these queens are Fallen Angels and they are the Lead cause of Marine Influence upon the Natural world.

Job 38:8, "Or who shut up the sea with doors, when it brake forth, as if it had issued out of the womb?"
There are Two classes of Marine spirits: 1 – Conscious Marine Agents or People. 2 – Unconscious Marine Agents or People. In the bible

days, Marine Spirits were openly venerated by the Phillistines who also lived by the Seas and thy had in their land open manifestation of this spirit. This is the Spirit that destroyed Both Samson and Saul. The Phillistines worshipped a god called "DAGON", that was shaped after the Mermaid – Half Human and Half Fish. Biblically speaking, Dagon used Delilah as both a priestess and an agent to take hold of Samson.

Judges 16:23, "Then the lords of the Philistines gathered them together for to offer a great sacrifice unto Dagon their god, and to rejoice: for they said, Our god hath delivered Samson our enemy into our hand. It's not the Half Fish and Half Man image that delivered Samson to their oppressing hands, rather it was Delilah who was appeased by 1100 shekels by each Phillistine Lord to lure and deliver Samson to them."

This Marine Spirit has it's of working and uses Mostly sex as its initiating Altar. The Female marine agents enchant men through a demon called Succubi or Succubus, while the Male agents enchant women through a demon called Incubus or Incubi. The Succubi sleeps and has sexual relations with Men and the Incubus sleeps and has sexual relations with women. This is their altar. They love to initiating souls and flesh of men into Marine kingdom powers by such means. These spirits oppress a lot of people and those under its demonic oppression are fearful of confession in an open. This is the Spirit also connected to Chemosh... Ashtoreth... or Milcom too.

1 Kings 11:7, "Then did Solomon build an high place for Chemosh, the abomination of Moab, in the hill that is before Jerusalem, and for Molech, the abomination of the children of Amman".

1 Kings 11:33, "Because that they have forsaken me, and have worshipped Ashtoreth the goddess of the Zidonians, Chemosh the god of the Moabites,

and Milcom the god of the children of Ammon, and have not walked in my ways, to do that which is right in mine eyes, and to keep my statutes and my judgments, as did David his father."

They Cause most men and women to defile themselves and also lust after different PERVESIONS. Solomon was overcome by these marine spirits. The queen of Sheba was a beautiful and worthy woman, yet he still not content, He fell into the snare of this spirit. Marine Spirits are enticing, seducing and subtle and hard to recognize in most cases. One only realizes later. Apart from Sex as its Altar of Initiation, it also operates through Molestation and Incestuous workings. It's the Spirit behind the rise of the most hated blood lines of men before God. The tribes God forbade his people never to intermarry with were born from this demonic influence. It's spirit that possessed Lot's daughters and led them to Incestuous and Molestations.

Genesis 19:30-38, "And Lot went up out of Zoar, and dwelt in the mountain, and his two daughters with him; for he feared to dwell in Zoar: and he dwelt in a cave, he and his two daughters. And the firstborn said unto the younger, Our father is old, and there is not a man in the earth to come in unto us after the manner of all the earth: Come, let us make our father drink wine, and we will lie with him, that we may preserve seed of our father. And they made their father drink wine that night: and the firstborn went in, and lay with her father; and he perceived not when she lay down, nor when she arose. And it came to pass on the morrow, that the firstborn said unto the younger, Behold, I lay yesternight with my father: let us make him drink wine this night also; and go thou in, and lie with him, that we may preserve seed of our father. And they made their father drink wine that night also: and the younger arose, and lay with him; and he perceived not when she lay down, nor when she arose. Thus were both the daughters of Lot with

child by their father. And the firstborn bare a son, and called his name Moab: the same is the father of the Moabites unto this day. And the younger, she also bare a son, and called his name Ben-ammi: the same is the father of the children of Ammon unto this day."

Therefore the Main Areas This Spirit manifests itself in a people, family, tribe or even Nation is:

1: Through Sex. That is a sleeping with either an unknown or known man, woman, both or even men or women in dreams.

b) Feeling like somebody is sleeping on top of you and pressing upon at night and you see nobody.

c) Dreams of sleeping with influential men or women, celebrities etc.

2: Uncontrollable Masturbation Urges and Acts. You have an addiction to masturbate, or even at times you feel thrust into it without will power to suppress it. Masturbation due to the act of man or woman release their seed, when the man's seamen are withdraws and falls to the ground, it attracts Demon that create demon Larvaes. According to God's word, Masturbation and Withdrawal are both one:

Genesis 38:9-10, "And Onan knew that the seed should not be his; and it came to pass, when he went in unto his brother's wife, that he spilled it on the ground, lest that he should give seed to his brother. And the thing which he did displeased the Lord : wherefore he slew him also."

3 – Pornography. This is very bad and open addiction that leads to full demonic possession of Marine spirits to a person's life. The Bible forbids this. Pornography breeds lust of eyes that simple led to Adultery and Fornication of Mind. Jesus Christ said "He that looks at a woman lustfully has already committed adults fly with her in his Heart". INSHORT Pornography is the biggest

altar of Marine initiation there's, because by simply lusting, one is engage in spirit to the act of sex.

4: Using Enchantments Of Flesh And Marine Witchcraft To Lure Women or Men. The marine world of Satan is the biggest marketer of demonic Enchantments that today are taken fashionable by youthful generations and deceived, the follow easily to fall prey to this powers. This enchantments range from the visible to invisible objects and witchcraft workings. For example: JEZEBEL was a Daughter of a Zidonian king. The Zidonians as I have pointed out were connected to marine Spirits by their goddess worship of Ashtoreth. The Zidonians had raised a Woman called JEZEBEL and is much connected to Marine Spirits through Her hidden Marine Witchcraft. JEZEBEL was the mother of whoredoms and Witchcraft which was deeply rooted to Marine Kingdom powers.

2 Kings 9:22, "And it came to pass, when Joram saw Jehu, that he said, Is it peace, Jehu? And he answered, What peace, so long as the whoredoms of thy mother Jezebel and her witchcrafts are so many?

Jehu under the anointing and power of the Spirit understood behind the fleshly veil of JEZEBEL, lie a monstrous Marine Agency of Witchcraft. What was Jezebel's marine Witchcraft that many has had many fall prey into: look at this – ***2 Kings 9:30, "And when Jehu was come to Jezreel, Jezebel heard of it ; and she painted her face, and tired her head, and looked out at a window."***

Painting of face And tying of Hair, or simply put in other translations: Eye liner, fixed up her hair and leaning on the window. According the prophetic anointing upon Jehu, the man Jehu knew this was a form of witchcraft enticement. Another scripture that confirms this is hidden

in the wisdom of Solomon. Look at the book of ***Proverbs*** **6:25, "Lust not after her beauty in thine heart; neither let her take thee with her eyelids."**
This is an example of the forms of Marine Enchantments that are put there. Not all beauty products of men and women are demonic, the issue here is, Marine Agents cast Invocations, Conjurations and Curses on such objects and things, and when used they open ways of marine initiation.

Marine spirits are not spirits to play with. They deceive, create false and counterfeit love like the case of Samson and Delilah, they seduce greatly, they harass and so many other forms of Oppression. These spirits are hideous mostly from been detected. Though they openly can be seen from either Art, Imagery, Idols and even products associated either with Water, Heavenlies or Oceans. Marine Spirits because are associated with Water bodies, it has in its kingdom count less workings and signs. Marine spirits like water operating on 70 percent of any ground or Territory.

Water is 70 percent in man's body, and also in the Earth, water covers 70 percent. Thereby the Marine Kingdom is extensive and has its tentacles in each city, town and villages. From lakes, rivers, wells, springs, dams and oceans, the Marine Kingdom has and is still effective in its functions. The marine Kingdom tends to be controlling to all that is marine Connected. From Food, Communication, Life, Clothing, Industries, Power Centres, Building and others. This marine Kingdom has recently grown strong and is recruiting a lot of innocent folks without their notice. As it's the End times, the Devil's falling is primarily upon two Habitations of men: A) Earth,

B)Seas.

Revelation 12:12, "Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabiters of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time."

In this scripture, God is very direct: The water frontier as the biggest hiding of Forces and Kingdoms of the Devil is a big band of Evil Spirits, witches, warlocks, wizards, sorcerers, mediums, spiritists and devil agents of other classes. They inhabit and live in these Areas. The deep secret of the Elite ones who are partners with Satan and work after His ways understand know that beneath the seas are the foundation's of the World, and if shaken, they upon the land can be shaken. If by demonic spirits of the Marine Kingdom they can enchant these foundations, the effects can be felt globally. This is why it's best to deal and destroy these marine spirits without compromise.

Psalm 24:2, "For he hath founded it upon the seas, and established it upon the floods."

God has unique set the Earth's foundation upon the Seas and upon its floods. This is why when the Devil in prophesy of John is cast down from Heaven, he comes directly, one upon the Land with the Beast that came up from the land, two upon the Seas with the Beast that came up from Seas. This makes it important to pray for the Foundation's of our Land. Marine spirits can also control a whole Town, City or Village from a simple Marine Kingdom department within the region. A Town, Village or City can be enchanted by Demonic Forces from the Marine Kingdom simply from a river, a well, spring or even a lake in proximity to the region. The Spiritual child of God should always demolish and destroy these satanic forces constantly in order to exercise

complete liberty, success and progress in that region.

For example: ***2 Kings 2:19-21, "And the men of the city said unto Elisha, Behold, I pray thee, the situation of this city is pleasant, as my lord seeth: but the water is naught, and the ground barren. And he said, Bring me a new cruse, and put salt therein. And they brought it to him. And he went forth unto the spring of the waters, and cast the salt in there, and said, Thus saith the Lord , I have healed these waters; there shall not be from thence any more death or barren land.***

A Simple Spring in a City costed the entire City loss of men, Life, continuity and even caused Barren to itself land. This was a spring Enchanted by Marine Spirits. Through those marine powers, an entire was held captive until the Asked the Prophet for a way to stabilise the city, restore its life and bring vibrancy. The city was pleasing to the eye but it's dwellers were stricken by Marine Power that made them uncomfortable and distressed. Look at the region where you leave, whatever ills, constant deaths, funny missing children, wickedness that has managed to create its culture must be connected to either a Marine Agent, Marine Witchcraft or Marine Kingdom. Lastly, there's a Demonic Principality associated directly with the Water/Marine Kingdom of Darkness: This demonic Principality is a King Demon that lives beneath the seas.

Job 41:31, "He maketh the deep to boil like a pot: he maketh the sea like a pot of ointment. and also the Bermuda triangle and the other Deep Sea Hole are its working."
Psalm 104:26, "There go the ships: there is that leviathan, whom thou hast made to play therein."
Isaiah 27:1, "that day the Lord with his sore and great and strong sword shall punish leviathan the piercing serpent, even leviathan that crooked serpent; and he shall slay the dragon that is in the sea."
