CHAPTER ONE

THE ORDINANCES OF HEAVEN

In this book, we shall address a spiritual phenomenon that will usher you into a realm that is unprecedented in every sense. God will open your eyes to certain deep truths, which will completely transform your life and make you exceptional.

This topic is so uncommon that many people spend their entire lifetime without knowing anything about it. Yet, such knowledge determines a lot of things.

The truth, however, is that what we are considering in this chapter cannot be found on the surface of the scriptures. They are like hidden treasures tucked away in some chests. Hence, we shall examine some of the deepest scriptures ever found in the word of God.

These deep Scriptures can make a great difference between living or dying, enjoying victory or suffering defeat, living under abject poverty or enjoying stupendous wealth. In fact, what you are going to discover in this book will determine a lot of things in your life in the days, weeks, months and years ahead. You will discover the secrets of doing exploits for God and reigning in the realm of the supernatural.

By the time you learn how to pray in line with what you will discover, every area of your life will move forward by fire.

IGNORANCE

Someone has rightly observed that every man's mountain is the mountain of his ignorance. A lot of what people suffer in life can be traced to ignorance. The moment you are able to conquer the mountain of ignorance, you will be empowered to deal with every problem in life.

Knowledge empowers you to possess your possessions. When you become knowledgeable in the deep things of God, you will become too hot for the devil to handle. To experience the fulfilment of your dreams in life, you need knowledge. When you are armed with knowledge, you will be positioned strategically to experience dominion in the strictest sense of the word.

We read one of the most amazing revelations in the Scripture.

Job 38:12-13: Hast thou commanded the morning since thy days; and caused the dayspring to know his place; That it might take hold of the ends of the earth, that the wicked might be shaken out of it?

Here, God was speaking to Job concerning one of the deepest secrets of reigning in life. Job was a contemporary of Moses According to Bible scholars, the book of Job is said to be the first book of the Bible. Here, God asked Job if he has ever commanded the morning.

Another version renders it this way

Have you ever given orders to the morning?

'Have you ever sent the dawn to *its* correct place?'

Another version of the Bible renders it this way.

"In all of your life, have you ever ordered the morning? Have you ever shown the dawn its place, that it may get hold of the corners of the earth and shake wickedness out of it."

These are deep Scriptures.

"let us go examine some Bible passages on the power of creation. In Gen 1:1, the Bible says

In the beginning *God* created the heaven and the earth.

We are told that *God* made the Heavens. Note that the word Heavens is in the plural form. The Bible portrays three kinds of Heaven.

The highest heaven which is referred to as the third heaven is God's throne. In 2Cor. 12:2-4, the Bible says:

I knew a man in Christ above fourteen years ago, (whether in the body, I cannot tell; or whether out of the body, I cannot tell: God knoweth;) such an one caught up to the third heaven. And I knew such a man, (whether in the body, or out of the body, I cannot tell: God knoweth;) How that he was caught up into paradise, and heard unspeakable words, which it is not lawful for a man to utter.

The third heaven is described as the paradise of God.

The Bible also portrays a place referred to as the second heavens. This place can be described as the dwelling place of spirits. These are bad spirits.

The Bible says in

Eph. 6:12: For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

This second heaven is an abode of wicked spirits. It is also referred to as the habitation of cruelty.

The second heaven is described below.

Psalm 74:20: Have respect unto the covenant: for the dark places of the earth are full of the habitations of cruelty.

The Bible also tells us about the existence of the first heaven. This is described in Gen. 1:14

And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years:

God created the Heavens and itemized the duties.

- To divide the day from the night
- For signs
- For seasons
- For days
- For years

God went further to institute what has been described as ordinances.

Gen. 1:15-18: And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so. And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also. And God set them in the firmament of the heaven to give light upon the earth,
And to rule over the day and over the night, and to divide the light from the darkness: and God saw that it was good.

This passage highlights the ordinances of the heavenly bodies. The heavenly bodies have been given a spiritual mandate to carry out certain functions. Those who belong to the kingdom of darkness have taken advantage of those ordinances.

Unfortunately, God's people do not understand the implications of these ordinances. Satan has therefore, continued to thrive on the ignorance of Christian believers.

From the above passage, we discover that, light plays a crucial role in the life of man. The life of everything on earth is connected to light. Your age is determined by light. Your growth in terms of chronological age and height is determined by light.

There is a power that rules the light. Here, the wonderful words of the Psalmist become relevant.

Ps.121:6: The sun shall not smite thee by day, nor the moon by night.

SATANIC WORSHIP

The powers of the day and night reside in the sun and the moon. Powers of darkness have continued to use the forces of nature against believers who are destined to exercise

dominion over all elemental forces.

There is a power that rules the night. There is a power that rules the day. When God created the sun, the moon and the stars, He endowed them with great powers. He created them to bring forth His glory. This explains why God forbids the worship of the sun, the moon and the stars.

Those who belong to the kingdom of darkness are violating God's commandments by trying to put the powers that reside in the sun, the moon and the stars to negative uses.

Hence, demonic men and women are using the forces of nature to hurt the innocent. The heavens were established to declare the glory of God. God created the heavens to give light to the earth. Powers of darkness as well as God's enemies have captured the heavenlies and are putting it to negative uses. They are now using it to foster satanic worship and perpetrate wickedness.

Children of the devil have found in the heavenlies a powerful weapon for carrying out their evil assignments. Many lives have been lost, many homes wrecked, innumerable destines truncated and several tragedies orchestrated.

As long as we continue to remain under ignorance, evil will continue to triumph over good and the children of darkness will continue to torture the children of the kingdom.

There must be a change. Power must change hands. As God's children, we must take our rightful position and begin to rule. God expects us to exercise dominion over spirits, men and forces of nature. The discovery of these deep secrets should introduce a new dimension into your life. Rather than allow satan and his agents to oppress you by using the forces of nature, you should carry an offensive battle to the gates of the enemies and begin to oppress them.

If you are a victim of the manipulation of the heavenly forces, praying as if you are blindfolded will not change the situation. Coming up with a resolve to go for deliverance will not solve the problem.

For example, if someone has raised an altar against your life in the vicinity of the stars you cannot deal with such attacks by simply going for deliverance. You must learn how to fight back by using exactly the same weapons.

Deliverance should not be mis-understood. It bothers on the removal of the deposits of the kingdom of darkness.

However, it does not address any form of conspiracy against you in the heavenlies. As you have gained new insights into the ordinances of heaven you should prepare for battle.

CHAPTER TWO

THE MYSTERY OF THE SECOND HEAVENS

There is more to the sky above your head than you can imagine. Besides the atmospheric heaven, we have the third heavens and the second heavens.
In this chapter we shall dwell on the mystery of the second heavens.

The third heaven belongs absolutely to God. It is a place where powers of darkness have no jurisdiction whatsoever. Here, God is in charge.
The host of heaven and the Holy Angels are in absolute control. To have an access to this realm, you must be absolutely holy, within and without.
Evil spirits cannot achieve any form of infiltration into this realm.

AN ARRAY OF WICKEDNESS

The second heaven is a different arena entirely. Evil spirits and their activities run riots. There is a form of competition for the highest degree of wickedness. There is an array of wicked spirits in the second heavens.

When we refer to wicked spirits, we are making reference to spirits that are wicked than the devil himself. These spirits are so wicked that the devil has no control over them. These spirits can be described wickedness incarnate.

In this same realm, we find powers that are referred to as ancestral spirits. Many people pray day and night only to have no testimony to show for it. When such people pray, God sends the answer down from heaven to earth.

However, a spiritual roadblock, which exists in the second heaven, prevents or hinders the answer form coming down. Ancestral spirits rise up as a formidable force to hinder angels of blessings from bringing miracles and breakthroughs down to earthly recipients. When such a barricade is erected, blessing continues to hang in the air. Blessings are hindered and miracles are delayed.

This explains why prayer has become a burden to many Christians.

What believers need today, is the power and spirit of Elijah. Stubborn ancestral spirits are not willing to let go we need to call the fire of God down. The moment your prayers ascend unto heaven through the vehicle of the chariot of fire it will penetrate the toughest of resistant barriers.

DANIEL'S EXPERIENCE

You need special re-enforcement to deal with stubborn powers in the heavenlies. You

need to attack them with the artillery of constant bombardments. Daniel prayed. God heard him and sent answers from Heaven. However, he experienced hindrance from the second heavens.

Daniel spent 21 days on his knees but the answer was sent to him right from the first day. God dispatched an angel to bring the answer to Daniel that same day. Right there in the second Heaven a wicked power, referred to as the Prince of Persia, came up with an evil barricade. The wicked power was strong enough to confront the angel of Daniel's blessing. Thank God, Daniel was persistent.

If Daniel had decided to get up from his knees the first day, the angel would not have persisted. Daniel's prayers brought reinforcement from heaven. He prevailed because he persisted. He was able to experience divine breakthroughs because he prevailed in the heavenlies.

When we take a look at the entire gamut of wickedness, we will discover that the most wicked spirits are hanging above our heads in the heavenlies. They make their abode in the second heavens. These spirits must be dealt with. They must be dispossessed and conquered.

THE BELIEVER'S AUTHORITY

If you are a born again Christian, you are supposed to wield some authority and power. The authority given to you by God spans the entire work of creation. You have been empowered to exercise authority over the sun, the moon, the stars and the host of heaven.

The Bible says in Psalm 8:6.

Thou madest him to have dominion over the works of thy hands; thou hast put all things under his feet:

God has put all things under your control. As a child of God, you have dominion over all animate and inanimate objects. No matter how fierce any wild animal is, you can put it under control.

THE EVIL SERPENT

Recently, some members of our Evangelism team shared a testimony with me. They travelled to a rural setting, some where in Western Nigeria for an evangelistic outreach. As part of their evangelistic programme they observed a fast.

Just as they were about breaking their fast, something mysterious happened. A violent wind blew across and the wrapper of a female member of the team was blown away.

Before this incident happened, she was settling down to have her meal. She

abandoned her meal abruptly and ran to fetch her wrapper. By the time she came back, a strange sight shocked her. She saw a cobra eating her bean-cake delicacy (Akara) and drinking from her pure water pouch.

She raised an alarm and every member of the team chased the evil serpent and killed it. The strange snake was later anointed and burnt to ashes. It was indeed a strange occurrence. Members of the community stated that they had never seen any snake in the environment. It was indeed an attack. But, when the satanic messenger came, it met its waterloo.

AS far as battles in the Heavenlies are concerned, you will either survive or perish. There is no middle point. The realities of the fierceness of the battle will soon dawn on those who go about dancing and getting engaged in furious modern worship. They will soon change gears and begin to get involved in serious prayer.

Many modern day Christians will soon discover that survival in these last days depends on deep warfare prayers.

CHAPTER THREE

VICTORY IN THE HEAVENLIES

There is a host of wickedness in the heavenlies. Their major preoccupation is to plan and execute evil. They are the brain behind all forms of wickedness. They decide and mastermind all the terrible things going on, on the earth. They also fill the heavenlies with terrible wickedness. However, God has given us dominion over all elements in the heavenlies, including the spirits that rule them. God has given us power to exercise dominion over the sun, the moon and the stars. God knew that the heavenly bodies could misbehave. He knew that the children of darkness could also alter the cause of nature. He, therefore, gave us the power of dominion which he expects us to use to tame all elements of nature as well as every creature. To safeguard our existence on earth God has given us power.

The Bible says in Luke 10:19:

Behold, I *give* unto you power to tread on serpents and *scorpions,* and over all the power of the enemy: and *nothing* shall by any means hurt you.

You have been endowed *with* power to exercise *dominion* over every work of creation. You have been empowered to rule over forces of nature and *spirits.* But when the power of darkness discovers that you do not know your *rights in* the kingdom of God they will try to exploit you. *God* also knows that the heavenly *bodies* could be exploited *against* us, that *is* why He has commanded us to exercise *dominion* over all works of *creation.*

We have challenging examples in the scriptures in form of instances where dominion, over the works of creation is exercised. There are records of men and women who dealt with the elements of nature. Moses is a good example;

Exod. 10:12-22: And the LORD said unto Moses, Stretch out thine hand over the *land* of Egypt for the *locusts,* that they may come up upon the *land* of Egypt, and eat every herb of the land, even all that the hail hath *left.* And Moses stretched forth his rod over the *land* of Egypt, and the LORD brought an east wind upon the *land all* that day, and *all* that night; and when it was morning, the east wind brought the *locusts.* And the *locusts* went up over all the *land* of Egypt, and rested in *all* the coasts of Egypt: very grievous were they; before them there were no such *locusts* as they, neither after them shall be such. For they covered the face of the whole earth, so that the *land* was darkened; and they did eat every herb of the *land,* and *all* the fruit of the trees which the hail had left: and there remained not any green thing in the trees, or in the herbs of the field, through *all* the *land* of Egypt. Then Pharaoh *called* for Moses and Aaron in haste; and he said, I have sinned against the LORD your God, and against you. Now therefore forgive, I pray thee, my sin only this once, and entreat the LORD your God, that he may take away from me this death only. And he went

out from Pharaoh, and entreated the LORD. And the LORD turned a mighty strong west wind, which took away the locusts, and cast them into the Red sea; there remained not one locust in all the coasts of Egypt. But the LORD hardened Pharaoh's heart, so that he would not let the children of Israel go. And the LORD said unto Moses, Stretch out thine hand toward heaven, that there may be darkness over the land of Egypt, even darkness which may be felt. And Moses stretched forth his hand toward heaven; and there was a thick darkness in all the land of Egypt three days:

Moses unleashed darkness upon the land of Egypt by so doing, he was able to deal with the powers of Egypt. Elijah also exercised control or dominion over the hosts of heaven. Although Deborah was a woman yet she commanded the stars and sent them on assignment.

Judges 5:18-20: Zebulun and Naphtali were a people that jeoparded their lives unto the death in the high places of the field. The kings came and fought, then fought the kings of *Canaan* in Taanach by the waters of Megiddo; they took no gain of money. They fought from heaven; the stars in their courses fought against Sisera.

Isaiah also did exploits. He brought the sun dial of Ahaz 100 backward.

Isaiah 38:8: Behold, I will bring again the Shadow of the degrees, which is gone down in the sun dial of Ahaz, ten degrees backward. 50 the sun returned ten degrees, by which degrees it was gone down.

Joshua also commanded the sun to stand still. He exercised power over one of the ordinances of Heaven.

Joshua 10:12: Then spake Joshua to the LORD in the day when the LORD delivered up the Amorites before the children of Israel, and he said in the sight of Israel, Sun, stand thou still upon Gibeon; and thou, Moon, in the valley of Ajalon.

If these Bible characters could control the elements of nature, you can do a lot more today.

We need to wake up and exercise our God given rights.

You can exercise your rights over the sun, the moon or the stars. You can stop the rain from falling. You can programme the heavenlies and make the forces of nature to obey you.

DISGRACED RAINMAKERS

Some years ago, a Christian sister exercised her rights by commanding the rain. She lost her father and she decided to carry out the burial on a particular day.

As the burial programme got under way, some demonic agents came to disturb them saying that they were rainmakers. They requested that they be offered goats, life chickens and

some amount of money; that they were going to disturb the burial programme if what they requested for were not given them.

The sister stood up and said,

“Do you know who I am? You can't disturb anything. God has given me dominion over every element of nature. You can't disturb this burial programme. You may try but you will fail.”

The rainmakers went away in anger. They invoked rain through diabolical means. At the end of the day the rain fell but something strange happened. The vicinity of the burial programme did not experience any rainfall. There was a terrible flood. Power changed hands and the three rain makers died as a result of the flood, which produced by the rain invoked by them.

If you exercise your power over the power of darkness, you *will* always prevail. You need to understand the fact that satanic agents have changed their methods. The wicked of satanic agents no longer hang their charms on the neck.

In fact, they do not use any charm or amulet. They have now graduated to the level where they draw their power from the heavenlies. Just as people simply connect to the Internet and get information from distant continents, evil powers draw satanic information from the heavenlies.

We need to understand the new trends in the kingdom of darkness. Agents of darkness simply connect to the heavenlies and carry out their wicked activities. If the children of the devil can carry out their activities to such bizarre dimensions, what then are we doing?

Let us examine the challenge of the chapter given to us in

Job 38:12-13: Hast thou commanded the morning since thy days; and caused the dayspring to know his place; That it might take hold of the ends of the earth, that the wicked might be shaken out of it?

The Bible tells us that we are supposed to command the morning in order to arrest the tide of wickedness. If we are told to shake that wickedness from the earth, it shows that wickedness is entrenched in the heavenlies.

If we fail to take action, wickedness will remain in place.

THE TEACHER AND THE MOON

A Christian sister once discovered the secrets, which we are sharing in this chapter. She took up some strange prayer points, which we encouraged people to pray. God gave her some startling revelation after prayers. She saw her children's teacher seating on the moon. The teacher's posture suggested that she was programming the moon against the sister's children.

Meanwhile, the sister had noticed that her two children were the dullest in the class. She went straight to the school the following day to challenge the demonic teacher. She looked straight at the teacher's eyeball and declared, “Listen to me I am different from the other parents. I know that you have been using the power, which you draw from the moon to work against my children. Enough of your attacks against my children's brains. I'm going back home to pray. If you don't let them go off your demonic hook, you are going to face real trouble.”

One would have thought that the teacher would pounce on the sister in anger. The teacher began to shiver. He apologized in low tones saying,

“I'm sorry, madam. I never knew that you understand what we have been doing. I won't ever touch your children again."

The sister's children were released. There was a turn of events. The children that were formally dull suddenly become brilliant. That demonic teacher let them off the hook of every manipulation through the use of the moon.

CHAPTER FOUR

COMMAND THE MORNING

We have lots of lessons to learn from the above passage. A victim's brain can be transferred to the second heavens. Husband or wives can also be transferred to the second heaven.

Therefore, when God was asking Job if he has commanded the morning, He was asking a crucial question. It shows that the morning can be programmed negatively. The dawning of a new day can also be directed towards negative functions. If you meditate deeply on the question which God asked Job, lots of lessons could be drawn.

The days of ignorance are over. We should begin to understand the workings of the powers of darkness. If you are from the riverine area, for example, and you sight the emergence of a new moon, you will discover that witchcraft activities are being flagged off.

A new moon signals the beginning of the activities of witchcraft.

The rising of the water level follows the sighting of the full moon. Insanity and madness will be on the increase at such a time in such communities.

What then are the lessons to be drawn in what we have learnt so far?

The early hours of the morning exherts serious spiritual influence upon human lives. In this modern age, we have lost out on the value on the early hours of the day. In most busy cities, people have no control of the first few hours of the day. The modern trend has eroded Christian values.

When I grew up in the Christian faith, we had a compulsory prayer meeting in the church every 5am. We couldn't go through any day without that early Morning Prayer meeting. Traders, market women, students as well as government workers rushed to the church in those days in order to keep the 5am appointment with God.

Today, such Christian values are no longer in place. In those days too, we attended 6pm services in the evenings. None of us was busy as to miss one single service or prayer meeting. We were in church every 5am and 6pm. Such services are no longer held in churches today. Those of us who were working in those days went to church to catch enough fire for the day by 5am. With daily encounters with God, we have grown up to be on fire today.

BACK TO THE BIBLE

Our Fathers in the faith knew what it meant to capture the day. The believers of those days never joked with early Morning Prayer meetings. If we want to experience apostolic power and fire, we must go back to the Bible we must restore practices that made earnest believers of those days to experience victory and dominion over the devil.

One single day did not pass in those days without our praying prayers, which captured the whole day. By the time we were done with a one-hour early Morning Prayer meeting, all the powers of the day would have been subdued.

Today, believers are more conscious of early morning tea and crackers than commanding the morning and taking charge of the day.

Today's believers can spend 30 minutes brewing coffee or drawing exotic tea as if their survival depends on the physical. With the transport situation in most cities modern day Christians manage to observe a-ten-minutes hurried quiet time where little or no prayer is said, only to spend two full hours going through congested traffic on their way to work. By the time such believers resume work in the morning, the Devil's children are already in charge.

This explains why there is a wide gap between the Pentecostals of those days and that of today. We have allowed the race for material things to rob us of the opportunity to capture and control the day.

PERTINENT QUESTIONS

Tell me, how can you prevail over a particular day when you do little or nothing to command the day? How can you exercise dominion over a day when you allow the early hours of the morning to slip through your fingers? How can you frighten demonic strangers and make them fade out of their hiding places if you did not do that early in the morning?

How can you tame wicked powers if you fail to take hold of the early hours of the morning? How can you prevail over the 24hours of the day if you allow the children of the devil to seize the first few hours of the morning?

These questions are, indeed, food for thought.

DEMONIC EARLY RISERS

Have you discovered that the children of the bondwomen are today's early risers? Sometimes, they wake up as early as 5am to carry out their own kind of ritual while today's believers are still snoring on their beds. The children of the bondwoman are busy calling their own faithful to prayer, while you are still turning back and forth on your bed.

Those who know the essence of capturing the day sit on the mat or leather to chant and command the day. Many people conclude that the children of the bondwoman are only

making a noise. Sorry, that's not true. What they are doing is that they try to capture the day by commanding the morning through demonic means.

Look at our modern cities today and you will discover that early morning prayers have been programmed out of the churches. Pastors have given up. They tell us that such programmes are not practicable in the modern era. To convince us they say that today believers are matured enough to rise up early in their homes and pray.

Take a random survey of 100 Christians and you will discover that less than 20 actually pray effectively in the morning. When it comes to the issue of commanding the morning and taking charge of the day, people believe that only prayer warriors and deliverance ministers can do that.

These days' members of the occult, those who belong to the religion of the crescent and the moon as well as fetish priests rise up early in the morning to chant into the moon, sun and stars.

It has even gone beyond that dimension. Children of the bondwoman now hold all night prayer meetings. They have now gone to the extent of programming the powers of the light against God's children.

When we are supposed to exercise dominion over those who belong to the kingdom of darkness, they are now dominating us. In those days, when those who go to the kingdom of darkness rose up early in the morning to programme the heavenlies to their own advantage we also got up in the morning and congregated in fire brand apostolic churches to capture the day. When our powers collided with theirs, they were forced to take a bow. When they chanted their religious prayer, we countered whatever they said with -Father, in the name of Jesus." We were such a bother or a disturbance to them in those days.

Nowadays they chant their early morning prayers without a single Christian to counter them.

COSTLY IGNORANCE

Most of the time your colleagues wake up early in the morning to programme the day to their favour. While you wake up very late and rush out to compete for a contract, such colleagues who know how to programme the morning to their favour will surely win the contract. Since they know how to manipulate the second heavens to their advantage they carry the day while so-called Christians loose out.

THE PROGRAMMED TORTOISE

Do you know that members of the kingdom of darkness programme lots of things into the second heavens? It is unfortunate that modern day Christians are wallowing in the mud of ignorance.

Some thing strange happened, several years ago, when a very prominent man in the nation came to my counselling room for special prayers. The power of God hit him like a thunderbolt.

By the time he got off the seat after prayers, a live tortoise fell off his flowing traditional gown. By the time I looked at the seat, behold, a live tortoise was crawling on it. As the man was moving out of my office, I beckoned to him saying “Excuse me Sir, did you forget any thing on the seat. Do you know anything about the tortoise?”

“O! I'm sorry,” he blushed, and continued. “Donl t mind me, man of God. I went far in those days. There was this fetish priest who used a tortoise to make a charm for me. I actually saw him throw the tortoise into the sea, after the ritual. I am sorry for what has just happened.”

I took a long look at the man and shook my head. I knew he had no knowledge of what the fetish priest did. Unknown to him, the tortoise was programmed into his body. The demonic animal came out after intensive prayer.

Many people today have all kinds of creatures programmed into their bodies without their knowledge. Such creatures will remain in their bodies until when it is confronted with aggressive prayers. Then, the strangers will fade out of their hiding places.

LAZY CHRISTIANS

A lot of things are happening today. The early hours of the morning have been manipulated and converted into a wicked demonic weapon by children of darkness. We do not know the mystery of the early hours of the morning like our enemies do. Christians who observe morning prayers do it lackadaisically.

They are half asleep and half awake while their enemies are busy chanting wicked incantations. They read the Bible and salivate at the same time until their Bibles becomes moist. Even pastors and workers do not know how to take hold of the day.

You need to learn more lessons.

The morning has ears and they do hear the voice of men and spirits.

This is a very deep truth. If you have studied the depths of the scriptures you would have discovered that the word of God doesn't really draw any line of demarcation between living and non-living things. The forces of nature, which are seen, came into being because they heard the voice of God.

The mornings can hear both negative and positive words and respond accordingly. Satanic agents have specialized in capturing days by using the early hours of the morning. They speak to the morning as if it is an entity that has ears. You must learn to make the mornings to hear the sound of your voice and cooperate with you.

The mornings can be commanded. The day can be tilted towards the right or the left. What happens to you in the course of a day depends largely on the kind of command you issue. If you have an important business appointment during the day, wake up early and take charge of every situation.

Are you sitting for an exam? Wake up early in the morning and programme success into the day.

Are you faced with great challenges during the day, take charge early in the morning?

If you wake up and rush through your Bible reading and prayer, what power would you depend upon for your victory? Two minutes' prayers cannot contend with the power of darkness.

How can you contend with those who wake up as early as 5am and chant demonic prayers when you wake up by 8am and say a heartless grace on your way to work? The fellow who seats on a spiritual mat and programmes it's works into the atmosphere will surely have an edge over you, if you are prayerless. If both of you are competing for a contract, he will surely be considered, because he has commanded the morning and captured the day through diabolical means. You may then feel disappointed and decide to go for deliverance. Deliverance is not the issue. You will keep on going for deliverance until you learn how to command the morning.

The dawn can also receive orders. The dawn is referred to in the Bible as the day-spring. When you issue orders to the dawn, it responds according to the order given.

The dawn can carry out instructions given to it. However, these instructions must be given before the rising of the sun.

There are ordinances in the morning hours that force the earth to ensure that you have a happy morning: The *way* the morning will go is generally determined very early, during the hours after mid night. By the time a fellow greets you, "Good morning" at 9am, such a wish would have been belated.

If the morning has already gone bad, no amount of good morning will change the situation. The major part of defeat or setback suffered by believers takes place when they are still lying down on the bed in the morning. Many believers loose sight of the fact that the devil is an incurable early riser. Unknown to many people, satan and his agents would have programmed enough evil into the day before most people wakeup.

By the time they also wake up, they add salt to injury by confessing negative things. Unconsciously, they collaborate with the workers of wickedness. No wonders such people reap a harvest of sorrow, tragedy and misery on daily basis.

The morning decide the *day.* This tells us that we can determine what happens during the *day.* You can programme all the good things, which *you* desire for a particular *day* and

make them to come into existence.

The moment such things are called forth before the rising of the sun *you* will achieve your heart desire. But if the sun rises before *you* settle down to capture the *day, you* may loose out. You can even programme the mornings and then go back to sleep.

However, if *you* allow the enemies to draw their powers from the rising sun and *you* wake up hours later, *you* may become a victim of evil manipulation.

Wickedness is already entrenched in the heavenlies and in the ends of the earth. Such must be shaken out through aggressive prayer commands to be done early in the morning. Wickedness can spread from one end of the earth to another.

I once shared the true story of a woman who came out naked, looked up to the sun and raised up her right breast and cursed her first child, who was living abroad. She also raised up her left breast and cursed her second child who was also living abroad. As if that was not even enough, she raised her right leg and invoked the heavenlies to act contrary to her third child who was also living overseas.

Strange enough, the three children were deported and arrived the airport in lagos Nigeria on the same day. Although they were not living in the same country things got wrong and they were deported mysteriously. That mother commanded the heavenlies to work against them.

Today, both the women and the three children are dead. Indeed, there is a lot of wickedness in the heavenly places.

You don't have to invite wickedness into the second heavens. They are already there.

They are ready to carry out wicked assignments when summoned by wicked human agents. Then they become doubly wicked.

If you do not shake off wickedness from the heavenlies, it would affect you. To allow wickedness to reign unabated in the heavenlies is to subject yourself to their whims and caprices.

If you want ultimate control over the powers that exist on earth, you have to control the heavenlies. Negative powers can only be tamed when you learn to exercise control from the heavenlies.

You have the power as a born again believer to mobilize heavenly resources to your advantage. When you summon the heavenlies to come to your aid, you will receive divine assistance.

You must learn how to break the enchantments and the ordinances of satanists that are programmed into the heavenlies.

These principles may appear too good to be true but they are real nonetheless. An

understanding of these principles will introduce great changes into your life.

A deep understanding of these principles will make your life too hot to handle. The moment you are armed with these principles, woe betides any power that wants to harm you. If you understand these principles, you can actually invite the dawn to protect you. You must learn how to make the heavenlies cooperate with your destiny.

By the time you succeed in making the days to work to your advantage, the weeks, months and years of your life will become days of heaven on earth. The commands, which you issue, will be carried out to the letter. Each day will vomit your blessings. Each hour will cooperate with God's plan for your life. Instead of becoming a victim of circumstances you will Jive an over comer in this world. God's purpose for your life will be fulfilled then you can say

Ps 16:6: The lines are fallen unto me in pleasant places: yea, I have a goodly heritage.

CHAPTER FIVE

SECRETS OF DOMINION

You need to know what it takes to command the day. It is good to be thoroughly acquainted with the pre-requisite for exercising dominion over the mornings and the days.

What kind of qualities must you have in order to command the morning and exercise authority over the forces of nature?

What kind of person must you be in order to be able to command the morning and have your orders obeyed?

The following are the qualities and characters needed to command the morning and prevail over the day.

Humility: To command the morning effectively you must be humble. A lot of people have 'lost sight of the fact that Christian virtues are needed in spiritual warfare. Humility is a great weapon.

2Chr. 7: 14: If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways: then will I hear from heaven, and will forgive their sin, and will heal their land.

Humble yourself. Humility is a very serious matter as far as spiritual warfare is concerned.

You must abide in Christ and let His word abide richly In you. To speak and command the morning and exercise controls over the ordinances of heaven. We expect an average member of the MFM to be able to recite at least 52 memory verses. That should be achieved by participation in the Sunday School Classes every Sunday of the year. You are supposed to also memorise Scriptures during house-caring fellowship sessions. You must soak yourself in the Scriptures until the word of Christ dwells in you. The more of God's word you store up in your heart, the more power you posses to command the morning.

Know who you are in Christ. To command the morning, you must know you are in Christ. The awareness of the power in the in dwelling Christ will embolden you to command the morning and control the heavenlies.

Col 1:27: To whom God would make known what is the riches of the glory of this mystery among the Gentiles; which is Christ in you, the hope of glory:

With Christ in you, you have power over the heavenlies.

You must say what God says. When you command the heavens, let your confessions be based on "thus saith the Lord."

You must manifest violent faith. The kind of faith which you need to demonstrate is described in Heb.11:33-34.

You need violent faith to do exploits if you want to command the mornings you must add violence to your faith.

You must live in purity. Your life must be pure. Do not allow any form of spiritual contamination to weaken your spiritual power. Holiness will empower you to issue commands to the host of heaven.

Your prayers must be specific. Prayers to command the morning must be specific. General prayers cannot rule the heavenlies. In the next chapter, we shall examine sample prayers, which can be said to prevail over the heavenlies.

However, you must carry out thorough self examination and ensure that you are qualified before entering the field of battle. To command the morning successfully your life must be in conformity with scriptural guidelines concerning strategic spiritual warfare.

CHAPTER SIX

PRAYERS THAT PREVAIL OVER THE HEAVENLIES

Warfare in the heavenlies requires adequate knowledge. It is not meant for novices in spiritual warfare. You need to undergo a form of tutelage until you master strategies for commanding the heavenlies. This book cannot be complete without giving you some samples of the kind of prayers, which can be said to command the morning and rule over the day.

Sample Prayer 1

My Father, everything, which You have not planted in the heavenlies, let them be uprooted, in Jesus' name.

This kind of prayer will enable you to command the morning.

Sample Prayer 2

O Lord, let the wicked be shaken out of my heavens, in the name of Jesus.

This is a powerful prayer point. Do you know that every man has a space allocated to him in the heavenlies? This shows that you have a personal heaven above your head. You are supposed to exercise control over your own heaven. You must pray in order to eject every stranger trying to perpetrate wickedness there. There could be principalities carrying out wicked activities. You must shake them out of your territory.

Sample Prayer 3

O sun, as you are coming out today, uproot every wickedness targeted against my life, in the name of Jesus.

The above prayer point will work wonders in your life.

Sample Prayer 4

I programme blessings into the sun for my life, in the name of Jesus.

If you prayed this kind of prayer point you will experience an unprecedent blessings.

Sample Prayer 5

O sun, I have risen before you, cancel every evil programme projected into you by wicked powers against my life, in the name of Jesus.

You can use this kind of prayer point to neutralize wicked programme planned by the enemy against you.

Sample Prayer 6

You this day, you will not destroy my prosperity, in the name of Jesus.

If you used this kind of prayer point, you will safe guard your goodness and prosperity. These kinds of prayer points are what God command you to say according to Job.

Job 38:12-13: Hast thou commanded the morning since thy days; and caused the dayspring to know his place; That it might take hold of the ends of the earth, that the wicked might be shaken out of it?

From now on don't ever joke with your early morning Bible study and prayers. Don't observe a mechanical devotion. You must maximize the potentials of a quite-time. You must incorporate spiritual warfare into it.

Don't let any day pass by without opening quality time commanding the morning. The moment you learn how to command the morning. You will begin to experience dominion.

From now on, you must take charge of the day. You must take your mornings out of the hands of the spirit of the bondwoman. You must begin to prevail over fetish priests and sorcerers who programme evil into the heavenlies. You must begin to prevail over satanic agents who carry out satanic dry fast.

Do you know that some people carry out dry fast just to perpetrate wickedness? The other day, a lady told me what she used to do when she was in the world. She told me she used to do seven days dry fast just to snatch other people's husband. She told me that a powerful fetish priest prescribed the dry fast.

Do you know that people are observing demonic fast against your destiny? You can only counter such wicked acts by commanding the morning. You must take your prayers to a higher level.

Do you know that if a witch wants to fly and you have programmed words into the heavenlies, such an evil flight will be impossible? Again if satanic agents are trying to fire arrows at you such arrows may not get at you if you have commanded the heavenlies to reject satanic arrows.

What you are out to experience by putting to use the lesson you have learnt will baffle you. Everyday will be filled with the Holy Ghost. Every contrary power will be arrested and the ordinances of heaven will work towards your favour.

CHAPTER SEVEN

SPIRITUAL WARFARE

You need to go into practical sessions and pray to command the morning. The prayer points below are borne out of spiritual research. In fact, they are vomited by the Holy Ghost to empower you to have dominion over the heavenlies and command your days. I encourage you to form the habit of prevailing in prayer over the enemies on daily basis.
By praying this prayer points, you can deprogramme any evil, programmed against you. These prayers are effective and powerful.

PRAYER POINTS

Start by singing songs of praises and thanksgiving to God for giving you another new day.

Confessions: Psalm 5:1-3: Give ear to my words, 0 Lord, consider my meditation. Hearken unto the voice of my cry, my King, and my God: for unto thee will I pray. My voice shalt thou hear in the morning, O Lord; in the morning will I direct my prayer unto thee, and will look up.

Psalm 2:1-12: Why do the heathen rage, and the people imagine a vain thing? The kings of the earth set themselves, and the rulers take counsel together, against the Lord, and against his anointed, saying, Let us break their bands asunder, and cast away their cords from us.

He that sitteth in the heavens shall laugh: the Lord shall have them in derision. Then shall he speak unto them in his wrath, and vex them in his sore displeasure. Yet have I set my king upon my holy hill of Zion. I will declare the decree: the Lord hath said unto me, Thou art my Son; this day have I begotten thee. Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession. Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter's vessel. Be wise now therefore, O ye kings: be instructed, ye judges of the earth. Serve the Lord with fear, and rejoice with trembling. Kiss the Son, lest he be angry, and ye perish from the way, when his wrath is kindled but a little. Blessed are all they that put their trust in him.

Psalm 121:1-8: I lift up mine eyes unto the hills, from there comes my help today. My help comes from the Lord, which made heaven and earth. He will not suffer my foot to be moved: he that keeps me will not slumber. Behold, he that keeps my Israel shall neither slumber nor sleep. The Lord is my keeper: the Lord is my shade upon my right hand. The sun shall not smite me by day, nor the moon by night. The Lord shall preserve me from all evil: he shall preserve my soul. The Lord shall preserve my going out and my coming in from this time forth, and even for evermore.

Psalm 91:1-16: Me that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty. I will say of the Lord, He is my refuge and my fortress: my God; in him will I trust. Surely he shall deliver me from the snare of the fowler, and from the noisome pestilence. He shall cover me with his feathers, and under his wings shall I trust: his truth shall be my shield and buckler. I shall not be afraid for the terror by night; nor for the arrow that flieth by day; Nor for the pestilence that walks in darkness: nor for the destruction that wastes at noonday. A thousand Shall fall at my side, and ten thousand at my right hand; but it shall not come near me. Only with my eyes shall I behold and see the reward of the wicked. Because I have made the Lord, which is my refuge, even the most High, my habitation; There shall no evil befall me, neither shall any plague come nigh my dwelling. For he shall give his angels charge over me, to keep me in all my ways. They shall bear me up in their hands, lest I dash my foot against a stone. I shall tread upon the lion and adder: the young lion and the dragon shall I trample under feet. Because I hath set his love upon him, therefore will he deliver me:

He will set me on high, because I know his name. I shall call upon him, and he will answer me: He will be with me in trouble; He will deliver me, and honour me. With long life will He satisfy me, and shew me His salvation.

Psalm 16:1-11: Preserve me, 0 God: for in thee do I put my trust. 0 my soul, thou hast said unto the Lord, Thou art my Lord: my goodness extendeth not to thee; But to the saints that are in the earth, and to the excellent, in whom is all my delight. Their sorrows shall be multiplied that hasten after another god: their drink offerings of blood will I not offer, nor take up their names into my lips. The Lord is the portion of mine inheritance and of my cup: thou maintainest my lot. The lines are fallen unto me in pleasant places; yea, I have a goodly heritage. I will bless the Lord, who hath given me counsel: my reins also instruct me in the night seasons. I have set the Lord always before me: because he is at my right hand, I shall not be moved. Therefore my heart is glad, and my glory rejoiceth: my flesh also shall rest in hope. For thou wilt not leave my soul in hell: neither wilt thou suffer thine Holy One to see corruption. Thou wilt shew me the path of life: in thy presence is fulness of joy: at thy right hand there are pleasures for evermore.
