Our Supernatural Power In Jesus

Ephesians 1:13

" And you also were included in Christ when you heard the word of truth, the gospel of your salvation. Having believed, you were marked in him with a seal, the promised Holy spirit, who is a deposit guarantee our inheritance until the redemption of those who are God's possession, to the praise of his glory."

Until the redemption of God's children, we shall walk this world with the amour of light, always armed to the teeth ready for battle, with the word of God, the sword of the spirit, and faith He has deposited in us as our shield and with the holy spirit in us as our ID that we are soldiers of Christ with His angels walking side by side as our ministers and defenders.

It's a shame that many believer live their lives in fear today, should I say it is their fault? after all the devil is the originator of fear in out heart, because those who are of God, He has naturally given to them a spirit to live not again in fear, because they are His sons. If we are sons of the Almighty God, the one who created all and wasn't created, who created also; Satan and his demons through Jesus Christ, for they were once angels of light, why then should we fear, why then should we worry over such little things.

Fear, really is a terrible thing, it leads to doubt and then doubts draws us away from the presence of God, it drives away God's given spirit in us, because His spirit does not rest in a double minded man. This is one of the tactics Satan uses to get children of God, he knows we're mighty through the power of the word, so he uses fear.

Look at the world today, it's full of fear, that's why all these chaos and corruption occurs in our daily lives. Fear of poverty has led to so many grievous sins, fear of failure has led also to many sins. The fear of all these creates in us doubts that we are not sure God is able to do all things, just because God is invisible, many put their trust in visible things. When Satan sees we have given to fear, you are exposed to his attack, he cannot touch you when you are burning with the fire of God, but once he let's you quench that fire, he doesn't quench it, he makes you quench it, then you are in for a whole lot of trouble.

He continues to afflict you till you run away from God drawing you to his side. These battles are not just for your blessings and enjoyment or achievement in life, all these are just proxies, what really is behind the cover is a battle for your salvation or condemnation.

The reason people let fear get hold of their heart, I’m not talking to the unbelievers now, I'm talking to the believers, it's because, they don't realize the supernatural power God has bestowed on them through the Jesus Christ, they fail to recognize God is needed in everything in their lives, even the eyes you are using to read this is enough to give thanks to God and trust in Him. Some people won't realizes this power, they want to see God save them from death first, or revive them from poverty before they recognize Him.

That is why many get afflicted a lot by the enemy, the only way we can rise up to the evil one is to believe and nurture you faith through the word of God. God's word being sealed in our hearts, not memory, automatically increases our faith and vanquish our fear.

Fear makes us loose sight of the supernatural power of Christ in us, it's funny, but some time i do wonder, most people call themselves Christians when they are indeed not, i mean; how can you say you believe God when you are afraid of cats. Most Christian these days will praise and respect the devil indirectly by being afraid of anything. Fear renders our faith useless.

There was a day when i was out late at night, an evil possessed cat came, but, because Jesus was with me, the cat couldn't get through, it ran away. It came back again, then I had already prayed, it came running towards me and before it got near it changed its course. I told few people about it, still, because of fear they were coming up with all kinds of theory that it was natural, all because of fear they don't believe it is possible for one in Christ to stand up against the evil one. That's why demons and witches can easily stroll into someone's life without resistance why? because, they have quenched the fire of God in them with fear and doubts.

We can activate the power of God in our lives and use it to the fullest, I said " activate " because, it is naturally given to us as a dormant spiritual energy the moment we accept Jesus in our heart. It is by clearing our hearts of all doubts and putting an absolute trust in him, that at the mention of the name " Jesus " ' every knee shall bow, not just spiritual but in heaven, on earth and under the earth and every tongue shall confess that Jesus is lord.

To those who believed in his name He gave the power to become sons of God. And if we are sons of God, so also, we share in His power, for we are part of Him.

The only way is to become part of his church, the body of Christ, unless you become part of Him, you can't manifest the power of God in your life, without the power of God activated in you, your life can be thwarted easily by the enemy. Give God your time and you'll see that He is always with you, you'll find Him closer than you ever thought He was. He shall give His angels charge over you that you shall not strike your feet against the ground.

Don't you know His angels are Always with the righteous. It is natural, it is God's promise, His angels always encamp around the tents of the righteous. Anyone in Christ Jesus has angels by his side, going were ever he goes, protecting and fighting for him, they never tire nor leave his side unless he decides to go astray. You now see how much God loves you, just walk with Jesus, praising, worship and praying without ceasing in obedience and faithfulness and His angels will fend off every attack of the evil one, for they are always plotting against us not only when we are asleep but at all times.

All you need to do is give the order and you'll see the power of God in you, you can bend situations according to you will, if it is God's will that is. This power comes as a result of our fellowship with Him, i don't mean gatherings, it comes from the heart(man's spirit) which is your constant walking with God, in Holiness, prayers, building yourself in God's word and may spiritual activities that is of God.

Only those who have the spirit of God can manifest this power, if you don't have His spirit and you pretend, or in ignorance do something you can't handle, well, whatever you see take it. You can only operate on the level you've grown spiritually in Jesus, the more you grow the more territories you can take.

The holy spirit is our ID, our uniform, every body respects this uniform even the devil, and the angels of God does not walk with anyone unless he has this uniform, because it is his identity of a son of God, and they give all their attention to him as the Father commands, simply put, they are our escorts.

God has appointed Jesus Christ head over all things for His glory, let us build our relationship with Him, the more we grow in spirit and in faith the more we manifest His power as sons of God.

Don't think you can't manifest God's power through Christ Jesus? walk in His light and show that you are indeed of God, for those who are led by the spirit are no longer under the world, they have been given power to become sons of God, what the Father does we can do by His authority. We have too many dormant and powerless Christians today, rise up and take up what God has freely given to you, it's already there, locked up within, you only need activate it.
