Hello from the USA! My family is having a special holiday this year. We're visiting our cousins in San Francisco. It's our first time here and it's really exciting! Hi Kirsten

Hello from the Canada! My family is having a special holiday this year. We're visiting our cousins in Vancouver. It's our first time here and it's really exciting! We're staying at their house and we're doing a lot of interesting things. Every day we go to the beach, but usually only in the morning. That's because the weather is quite strange here. It's really hot in the morning, but it often becomes very cold later in the day! In the afternoon we often cycle, but only in Stanley Park. Vancouver has a lot of hills – we don't cycle up those! It's a great city. I want to come back next year!

See you soon.

Many people travel to Rio to watch the carnival. About five million people celebrate in the city. People decorate the streets and wear special costumes. Everything is bright and colourful.

Samba music is very popular at the carnival in Rio. There are many different samba groups – about 200 in Rio. Each group decorates a float with beautiful colours. They play big samba drums and dance through the streets.

Hi Jenny

How are you? I'm having a special holiday with my family this year. We're visiting our cousins in the USA. It's our first time here and it's really exciting! We're staying at their home in San Francisco and we're doing a lot of interesting things.

There's a fantastic beach near their house and we go there every day, but usually only in the morning. That's because the weather is quite strange here. It's really hot in the morning, but it often becomes very cold later in the day when the fog arrives – then it's like winter! In the afternoon we often cycle, but only in Golden Gate Park. San Francisco has a lot of hills – we don't cycle up those!

The people are really friendly here too. My cousins' neighbours are great. They're from Mexico. They speak excellent English but I'm also practising my Spanish with them. It's a great city. I want to come back next year!

See you soon.

Walter

Hi Frances

Thanks for your email about your family. My home is in Cheltenham, a town in the west of England. It isn't very big but there's a lot to do here. It's got great shops, too. Every year there are festivals for music, books, and even science. It's also famous for a horse race in March.

I've got one brother and one sister. My brother has got a job in Wales and my sister is at university in Scotland. I live at home with my parents. I've got lots of friends and hobbies, so life's never boring.

On Sundays, I'm often at my grandparents' house. Their home is in a village about 20 kilometres from Cheltenham. My favourite place there is a museum called The World of Mechanical Music – it's got some amazing old musical machines.

But today, I'm revising because I've got a science test when I go back to school. That's OK because the weather's terrible today and it's raining – a lot!

Today is New Year's Eve and in Scotland it's called 'Hogmanay'. This evening we're going to a party at the hotel. People play traditional music and many people dance and sing. They also eat something called 'haggis' – it's horrible! Happy New Year!

Hi Andy

I'm having a great holiday. I'm staying with my mum's friends in Germany. They live in Marburg, a beautiful town north of Frankfurt.

Mum's friends have got two daughters, Susi and Katinka. They're 14 years old and they're very tall. They're identical twins! They speak excellent English, but I practise my German every day too!

The town is really interesting. The old part is on a hill and there's a castle at the top. There's also a river called the Lahn. The university is very old, and there are lots of students everywhere.

At the moment we're sitting in an old café drinking hot chocolate with cream and eating traditional German cheesecake. Delicious!

02 DIAGNOSTIC TEST

Teenager

I live in Chipping Norton. It's near Oxford. It isn't a very big town. There are about 30 shops in the town and there are two supermarkets. There are four banks and a post office, too. Oh, and of course a police station.

My house is in Church Street. There's a church at the end of the road and behind it there's a farm.

There is a museum and a theatre in Chipping Norton, but there isn't a cinema. There's also a sports centre. It's great. There are four courts for badminton and two squash courts. I go swimming there too. It's my favourite place.

My favourite café is Jaffé and Neale. It's in Market Street.

Anya	Well, yes. My mother is from Poland. I speak Polish with her.
