BY THE WATER

I live in a house by the water. I sit by the water each day. I take my bag there with me. In it, I pack a book and a blanket. I also carry a chair and a basket of food. I walk down my back steps and sit in the same spot along the grass. When I go out to the

water in the morning, I am alone. I hear the water. I see the boats. I feel calm. It is the part of the day I like best.

Later, the sky gets dark. I get in bed. I hear the water through my open window. The sound puts me to sleep.
