Title: PATHFINDER

Written by Adewuyi S. Oluwatobi

Scene One

Raymond and Fredrick are seen discussing.

Fredrick: Raymond, what's life about?, the uncertainties of life has eaten me up, there is no definite road map, the destination of everything is unclear and unknown.

Raymond: How do you mean?

Fredrick: I mean the future is not guaranteed

Raymond: Fredrick, you shouldn't be the one saying this, not even at this point, if unbelievers do not know what the future holds for them, you have to keep your mind on course that your future is secured. Don't forget the Pastor's message yesterday, he spoke on how Christ is the way and for all those who seek after that way there is a sure destination. In fact, he talked broadly about this saying the Lord Jesus Christ is our...

Fredrick: (cuts in) pathfinder, isn't it? (then speaks mockingly) Everything is Jesus, Jesus, Jesus, don't you guys have any other Anthem to sing than all these tiring motivational talks about Jesus? I am a christian, I am basically in almost all the departments in church. Yet, there has been difficulties, challenges, do you know how many times I wrote jamb before gaining admission, my story isn't new to you anymore because I chew it in my mouth almost everyday.

Raymond: You see Fredrick, complaining is not the solution to a guaranteed future, and besides the word of God says.

Fredrick: There you go again, can you just spare me of all these trash you call the scriptures? I struggled to graduate and here I am no single job, and this word of God is

what you keep saying everyday, listen!, I have made up my mind, I can't continue to wait on an uncertain future that is laid on some sort of scriptures that were written in an uncivilised generation.

Raymond: Uncivilised in what way?

Fredrick: Come on, upgrade, the scriptures has been written before my great-grandfather, imagine how ancient that generation is, and now we are in the computer age, therefore, the attack to life's challenges must upgrade, are you getting me? Man must not be static, you must be an all rounder.

Raymond: (takes a deep breathe) Fredrick, I do not know whom you have been listening to that has changed your mindset from the truth of the gospel, and the promises that are attached to it. We all know that the word of God can never go out place, it meets up with the challenging demands of all generations, that is why it is written in Hebrews 13:8 Jesus Christ the same yesterday, and to day, and for ever. Jesus Christ is the Word of God which means that the word is ever powerful and can never go out of time nor season.

Fredrick: spare me of all those stories (he stands to leave) I am going to find a way out to my matter, if you like stay there and be quoting scriptures. (he walks out of the stage as Raymond follows him)

Raymond: There is no other way that is surer than the Lord Jesus Christ, Wait for me Fred, listen... (*Out of stage*)

Scene Two

Fredrick meets Tina and they walk passes the stage discussing as they enters

Tina: Was that all that happened?

Fredrick: Yes, in fact he did not wait to listen to me for me to strengthen him by admonishing through the word of God, before he took his leave.

Tina: Bro, leave the guy alone let him go and find a solution to his problem, there are better ways to solve life's challenges and also gives room for enjoyments, in fact let him enjoy his life, the bible did not in anyway say we should not enjoy life even in our youthful years. I am also tired of all these things the scriptures is saying. Man need to flex.

Raymond: (dumbfounded, and manages to talk out of astonishment) Sis, sister ti... Tina, what did you ju... Just say?

Tina: Sho?, Commot that sister from my name o, we have to enjoy life the way it is.

Raymond: This is incredible, I can believe my ears, have you forgotten what the scriptures says in Ecclesiastes 12:1 that

Remember now thy Creator in the days of thy youth, while the evil days come not, nor the years draw nigh, when thou shalt say, I have no pleasure in them;?

Tina: Don't say that again! What are you taking about, since when I have observed that Jesus is getting too late in solving my problems, I have shifted ground and have successfully sorted for a more reliable way.

Raymond: (shakes his head in pity) Tina!, Proverbs 14:12 says emphatically that "There is a way which seemeth right unto a man, but the end thereof are the ways of death." Jesus Christ is the surest pathfinder for every man, let him lead and guide you through all the challenges, problems, and difficulties of life don't walk with your human understanding.

Tina: You see Raymond, (as they both walks out of the stage) my mind is already made up, you are the one to come and join us, and stop deceiving yourself. (light off)

Scene Three

Fredrick comes on stage with some friends and their girlfriends, whom from their appearances can be perceived to be yahoo guys(fraudsters) Tina is also with him(Fredrick) as his girl friend. They played a disco music (just get instrumental for this in place of worldly songs) and danced together, with bottles beers as they are gyrating.

Omoo: (faces Fredrick) Guy we gas to shayo because maga done pay in hot dollars (they all laughs hysterically)

Fredrick: The Maga na number 157 wey we done successfully turn to mumu. Life sweet no be small. (suddenly, gun shots sound, getting to realize its the policemen, they all takes different directions with race)

Light out

Scene Four

Tina runs to Raymond who was on a call speaking to the manager of one of his companies in Canada.

Tina: (rushes in, and breathes heavily) Bro. Raymond please pray for me (as shes shaking, then kneels now)

Raymond: Hope all is well, any problem?

Tina: (manages to talk) there is problem o, in fact a very big one

Raymond: What's it about?

Tina: Fredrick is dead!

Raymond: Which Fred..., you mean Bro Frederick?

Tina: Yes, the police shot him dead while we were running away from them, I myself managed to escape, it was indeed a narrow escape. Please pray for me, I don't want to die, my life is in a mess, I beg of you brother Raymond.

Raymond: I can't believe Fredrick is dead, hmm... This is painful, I advised and warned him about the path he resolved at treading, but he never listened claiming that there is no sure destination in Christ Jesus. I could remember vividly that I also warned you about treading on such path, reminding you that for us all it is only Jesus Christ that is able to lead us through the right path that towards a safe destination in life, and as believers who follow Him we must learn to love, live and trust Him alone.

The word of God's says in Proverbs 14:16 that a wise man feareth, and departeth from evil: but the fool rageth, and is confident. You both were so confident in the dreadful paths you had made up your mind to tread upon.

Tina: (Bursts into tears) Please pray for me.

Raymond: lusting after the world would always take us out of the track, sin does not have anything good to offer us than to take us away from Jesus Christ who is the surest pathfinder, there is no how we can live rightly when we are still living in sin, when we are carried away with worldliness in form of worldly fashion, secular music & movies, immoralities too. Lesbianism, homosexuality, fraudulent acts, malice, fornication and the likes, all these can make us lose track of the ways provided for us by Christ. Tina, go back to Christ, locate the place of the cross, let Jesus lead you through the paths of life, cry for mercy and always listen to His words as stated in the Holy scripture and every crooked ways would be made straight.

The End
