

Pearls Of Life - Series 119

T.B. Joshua

Time And Season

Everything is beautiful at God's time but that time is limited

Life is too short to waste time on things that has no lasting value

There's time for everything, time to be born, time to grow, time to face persecution and time to reap the product of victory.

When Jesus chose Peter's boat, it was of divine arrange. When God is executing His plan in our lives, He also designs and arranges event which continues to unfold until His purpose in our lives is fulfilled, until His will is done

Because Peter is to be a source of blessings to his people, he had to face disappoint, setback, poverty and wants

We are free moral agent, Peter can choose to say no to Jesus, he had will to allow his situation to overwhelm him and say no to Jesus or walk out of Jesus in frustration and anger.

They are suffering that have no dream. They are poor that have no dream. Remember Joseph, he was aware of this. This awareness comforted him while in the dry pit, in Potiphar's house and while in the prison. He asked him in the dry pit "where is my dream?"

I know this is not where I belong

When you do not know where you're going, anything can irritate you, overwhelm you. What can separate us from our dream as a Christian? Can sickness, setback, disappointments... In all this, man without purpose can be separated. However in all this, there's something far more important than all this; our dream, our goal

Whatever situation you're in, think well as a Christian. Whatever situation you're in, if you're able to see beyond that situation you'll be able to see what God says about it. The purpose of God is lying behind it. Are you received a sack letter? Think well as a Christian, behind your situation lies God's purpose. Whatever situation you're in your situation might be part of the event that reveals God's purpose in your life

Remember there's something far more important than the situation you're going through your dream, your goal

Our dream impart in us the spirit of human management, our dream impart in us the spirit of material management, our dream impart in us the spirit of self-control

Remember, when we know our situation will not last long we endure. Our situations, tribulation, trouble disappointment becomes easier to handle when we know it will not last forever

Men of purpose do not concrete on where they are, their focus, their aim is on their destination. Where are you now?

"When Simon Peter saw it, he fell down at Jesus' knees, saying, "Depart from me, for I am a sinful man, O Lord!"

[Luke 5:8]

Peter dishonoured himself so that Jesus might be honoured. Today we're no longer conscious of our sin that's why we can come to Him with our petition and complaints without any regards for His purity, for His Holiness.

Peter knew this that's why he asked Jesus to depart from Him knowing that Jesus' purity might not tolerate his sinful action, his way of life

Don't forget, Jesus knows who we were, who we are and who we shall be. In other words, Jesus knows your past, present and your future

Peter knew this that's why he asked Jesus to depart from Him Knowing that Jesus' Holiness might not tolerate his sinful action, his way of life

We that are born of Jesus we are forward lookers, we believe the best is yet to come.
