The Dream And Its Manifestation

The Dream:

Hi Elisha

Just dropping you these few lines to let you know of my recent dreams. As you know we are now at Part 7 of 7 - "Praying to get out of Debt" and I have also been praying the prayers from the Cook Book. **I am presently Applying the Esther principle,** I think that God is about to bless me and I would like you to help me discern the dreams and give all the advice you can.

This morning just before I got up from my sleep I had two dreams. I dreamt that someone gave me a key and I awoke from my sleep and I began to ponder the dream and then shortly after that I drifted off to sleep again and someone came and told me of a date but I just did not get the last part of it very well.

I remember being told the 26th but it sounded like January and in my subconscious I said, but that date has gone and then I told the person it has to be February then. The person repeated the date and not for the life of me could I hear the month, it sounded like June but I really don't know what to say or to make of it. I cannot be sure.

Elisha please write me back as soon as you can and enlighten or advise me.

Sandra

My Response ...

You are definitely making progress. In fact the key has been delivered to you and even the date.

You can pray and recall the dream. Ask the angels of God to give you the date again. And just keep on praying.

You'll be given the date again... then you begin to pray that your blessings should manifest in the name of Jesus.

The Manifestation:

Hi Elisha

This is great news it is burning hot and I am glorifying and praising my God who is able to do exceedingly, abundantly above we can ask or think. Brother Elisha I can hardly contain myself with this great news of what the Lord has done.

I fasted and prayed for the Lord to relieve me of my financial debts. These debts were like a noose around my neck and I was not only living from pay check to paycheck and at the end of the month I had to juggle to find out which bill I should pay with the little I had and which I should leave for the next pay check.

I counted up all my debts and totaled them and prayed and fasted with every fibre in my being and I told the Lord I know that He can deliver me and I trusted Him. It is not yet ninety days and God has answered my prayer. My mountain of debt was ninety thousand dollars(90,000) and "Glory to God" all my debts are paid and not only that I now have thirty thousand (30,000) dollars in the bank.

Can you imagine that brother Elisha? I had zero dollars in the bank. I have not had one thousand (1,000) dollars in the bank for a long, long, long time and imagine I now have thirty thousand (30,000)dollars.

God is truly amazing. Thank you for that email and prayer points to attract a new car or house, that is going to be my next project.

I am a single parent mom with twin daughters and we live in a very small house and I have been trying for years to be able to expand it so that we can have more room but because of these mountain of debts the banks have turned me down and I could not find the money or the know how to do it but I am convinced that Jesus will do it for me on my next project.

DREAM SECRET

In this series, I bring you a series of long-lost spiritual secrets... that can transform your life from borrower to lender and giver... in little or no time at all.

THE STORY OF CHRIS

5 years ago, Chris was in the hole. I mean he owed over \$20,000. To make matters worse, he'd recently lost his job with a high street retailer. It was like his whole world was crashing down. He needed help but didn't quite know where to turn.

Then one evening, his phone rang. It was his childhood friend Johnny.

"Hey, Chris, how would you like to attend a special prayer meeting Friday night?" Johnny asked.

"Well, since I have nothing better to do... I'll come," he replied.

On Friday evening they drove to this little church at the outskirts of town. The minister was teaching on dreams... and the kind of information you could extract from them.

At the end of the message, there was a practical session: each person was given a set of 21 prayer points to pray on their own. They were free to spend 20 minutes or 2 hours on it... it was totally up to them.

Chris prayed for about an hour and went home. He felt so exhausted he just flopped on the sofa and slept off.

Then he had an unusual dream.

He was in this huge auditorium, along with other people, waiting to receive gifts. He was looking around, trying to see if he could recognize any of the people there.

Just then he heard his name called.

As he got up to make his way to the front, someone else got up from the front row, walked up to the platform quickly and collected the gift. The unknown person looked exactly like him - same height, same build, same hairstyle, etc.

He suddenly found himself running and yelling, "That's mine, give it to me, give it to me..."

Then he woke up.

Aftermath

Based on that dream encounter, he was placed on a 14 day prayer program. During this program, he had to pray a set of 101 prayer points.

He did.

Not too long after, a business opportunity came up. He quickly grabbed it. Within nine weeks he was able to pay off his \$20,000 debts. He even had enough left over to start what turned out to be a thriving business.

Today, he is completely debt free and living a life of supernatural abundance!

What happened here?

The challenge Chris faced is common to most people, including Christians.

While they are earnestly praying and believing God to be blessed, someone is busy collecting these blessings in the spirit realm, without their knowledge!

How Can This Be

Well, there are invisible powers whose job it is to capture the blessings meant for other people before it ever gets to them. One way they achieve this is by impersonating the real person.

This sort of thing played out physically in the Bible. Remember the story of Jacob and Esau in Genesis 27? This spirit of evil diversion was at work here and Esau ended up losing his blessings!

These powers also ensure that:

- * someone's paycheck is spent in the spirit realm before it reaches the hands of the person. When this is the case, as soon as the person gets her paycheck or wages, all kinds of problems will break out... just to "swallow" the money.
- * a person never gets out of debt, but instead keeps sinking further and further into more debts.
- * money or good things never last in the hands of such people
- * money-draining sickness or situations suddenly appear as soon as their victims are about to receive financial blessings.

Good News - There's A Way Out

Of course, God has graciously made a way for His people to get out of debt.

However, I must warn you that it takes spiritual seriousness to translate God's spiritual blessings to physical reality.

Here's what it takes to get out (and stay out) of debt:

- * you must pay your tithes and give your offerings in your local church
- * you must be generous and give to the poor
- * you must pray on target against the spirit of debt.

Next Steps

There are 101 prayer points to get out of debt.

Here's a small sample of the kind of prayers you'll be praying to become debt-free:

- 1. From today, my portion in life has changed from that of borrower to that of lender and giver in Jesus' name.***
- 2. You mountain of debt, programmed to put me in poverty, be cast away in the name of Jesus.***
- 3. Let all my stolen blessings be restored to me a thousand fold in the name of Jesus.***
- 4. Every satanic banker representing me in the spirit world, be arrested by the angels of God in the name of Jesus.***

5. Today, I raise the altar of continuous abundance upon my destiny in the name of Jesus.

6. Let divine magnets of prosperity be planted in my hands in the name of Jesus.

7. As a result of my prosperity prayers, I receive the mandate to enter into the covenant of wealth in the mighty name of Jesus.

That's just a tip of the iceberg to give you an idea of what I'm talking about here. I'm yet to see one person who prayed these 101 prayer points (and took action) and her life remained the same. These are prayers that have been proven to work.

Most Christians running everywhere looking for blessings will be doing themselves a huge favor if they will only settle down for a few weeks and take this kind of prayer points with seriousness.

I should know. I've been praying like this to bring miracles into tangible manifestations... for myself and for my friends.

Is there any need in your life right now?

These 101 prayers will help you harvest whatever it is you want more of in your life.

Maybe it's:

- More money - to meet your needs
- A new car - go where you want to go, safely
- Security - the confidence that everything is taken care of

- A new house - one that fits you and your desires
- A new job or better job - doing work that is fulfilling
- Your own business - having control of your financial future
- A comfortable retirement - the reward that you've worked for and deserve
- Eliminate money worries - let success start coming to you
- Healing in relationships - bring back the harmony and love
- Recovering from failure - personal or business

The list is endless. I could go on and on.

It doesn't matter what it is because it's totally dependent on you and the prayers you pray!

The Bible says God has already blessed us with all manners of spiritual blessings in heavenly places.

It's up to you to pull down the blessings through well - targeted prayers!

If you dare to pray these prayers well, God will move you out of debt and usher you into a realm of abundance you never imagined.

In the very first session, we examine a key principle that sometimes makes the critical difference.

CHAPTER 1

LONG LOST SECRET

It will all be clear in a minute, but first I have to ask you ...

Do you ever have those days where you just don't feel like getting out of bed?

Where you feel discouraged, that your Christian journey is too long, too hard, and that maybe, just maybe, this whole thing of praying and expecting answers is like the land of Oz and it only exists in stories?

Do you ever feel like you're all alone and you just can't do it, that maybe you won't ever be able to see the answers to your prayers?

Do you ever just wonder why you try?

Doreen, one of my readers says yes, she does.

In fact one morning she woke up and just really DID NOT want to get to work.

She didn't feel like thanking God.

She didn't feel like getting out of bed.

She didn't feel like praying at all.

She started asking herself all those ugly little doubtful questions...

Then she stopped and said, "This isn't like me. This feels crappy - I do NOT like this one bit!"

So she popped open her Bible and she just started flipping through.

Before long the Holy Spirit was answering her own questions...

No she's not alone.

Of course she can do it.

Yes she deserves to be debt-free because that's where God wants her to be.

Who is she?

She's a child of the Most High God, the possessor of the heavens and the earth.

And who are you?

You're a joint heir with Christ, the first born among many brethren!

Do you deserve to be debt-free? Do you deserve all the success and prosperity you desire?

YES YOU DO!

Now I know you get discouraged too - we all get discouraged - and that's why I started this series like this.

We all have those days where we just don't seem to get it together... and it feels like things will never change.

But the truth of the matter is, we have important things to do in the world - for the LORD.

YOU have important things to do in the world... that's why GOD brought you here.

To help us along the journey, God so graciously gave us His immortal Word. It works for all times and all seasons.

For all peoples.

And more - He gave us His Holy Spirit ... to comfort us, help us, teach us, direct us!!!

When you feel like you are the Lone Ranger out against the world, you grab the Holy Scriptures for its words of inspiration from our father and you see the example of others who've been there before.

As soon as you open it Joseph, David, Hannah, Sarah, Jabez, Mary, Elizabeth, and dozens of others - ordinary men and women in the Bible - are standing there screaming and yelling, cheering you on, giving you the encouragement and support you need to carry on.

It's a very powerful feeling to be able to pick it up and flip through just a few pages and remember why we're alive and what we're here to do. Remember that we're here for a divine purpose, that we can fulfill it, that we HAVE to fulfil it... all by His grace and power.

You see the saints that have gone ahead of us - David, Joseph, Esther, Hannah, Abraham, plus the angels and all the others are cheering us on every minute according to the book of Hebrews 11-12.

I compiled these prayers to help get you out of debt.

I'm constantly amazed at the testimonies of those who actually follow the instructions and pray the prayers.

When you pray these prayers well:

- * You'll know you that God wants you out of debt... into abundance.
- * You'll recognize divine opportunities when the Holy Spirit presents them to you.
- * You'll know WHEN to take rapid action and WHEN to hold your peace.
- * You'll know that God has the resources to back up ALL the promises He has ever made.

A Typical Example

In 2 Kings 4 we see a child of God in debt. She's on the verge of losing even her kids to creditors.

Why?

Because she could not pay her debts.

This is a serious situation. But thank God for the word of the Lord from the mouth of His prophet. She was able to cancel all her debts and step into abundance... all because she obeyed the instruction of the man of God to the letter.

Today, many earnest, hard-working believers find themselves struggling with an avalanche of debts.

There's good news ahead. God does not want His children to be debtors... rather He says in His word that His people will be the ones lending to others, and not the other way round (Deut 15:6).

If you find that this scripture is not being fulfilled in your life, then you've come to the right place.

I know this is by divine appointment and you should begin to rejoice at what the Lord is going to use these prayers to accomplish in your life. In fact, if I were in your shoes I'd close this book right now, get on my knees and begin to thank the LORD for what He is about to do!

CHAPTER 2

SECRET OF THE PRAYER EAGLES

Last Friday night, I met a fellow Christian at a prayer meeting. He was rescued from war-torn Sudan and brought to the U.S. three years ago. He clearly loves to pray. He gushed facts.

For example:

Did you know that George Washington, the first president of the United States used to pray for two hours every day - one hour in the morning at 4:00 a.m. and one hour at 9:00 p.m before retiring to bed.

Or, that Christopher Columbus (who discovered America in 1492) was so filled with the Spirit of God that he wrote in his memoirs that he literally felt the Holy Spirit on his shoulder directing him throughout his journey to the New World.

And get this:

Did you also know that in the book of Genesis, when they brought Rebecca, the wife of Isaac, the very first thing she saw him doing was praying.

"Most people just don't know how to pray," he explained.

"Since prayer is a spiritual weapon, it needs to be aimed at a specific target and fired, like a gun repeatedly, until you see the results."

He went on to add:

"Christians who have learned that prayer is more than just communication with God are powerful folks.

They've learnt to make decrees when they are praying.

They've learnt to bind and to loose during prayer.

They've even learnt to speak to spiritual mountains such as debt, sickness, and poverty... and caused them to disappear, just like the Bible said we would.

All during prayer."

Since I am into that dimension of praying and have been sharing with people how to pray their way out of debt, I was eager to hear all this. I was so taken by what he had to say that I spent the next two hours after the prayer meeting listening to his story.

Here's the really fascinating part...

"You've probably seen people who through unfortunate circumstances in their homelands were brought here as refugees," he said. "Would you believe I am one of them?" he asked me.

"Certainly not," I said. He looked to me more like a successful physician than the image of poverty and wretchedness we all see on TV.

"I didn't think you would" he told me. "But less than three years ago, when I was rescued from a burning village in the Sudan and airlifted to safety and freedom here, I looked exactly like what you see on TV!"

I stared at him in disbelief. After a long silence, I finally asked, "then what happened?"

"The fact that I'm still alive today is a testimony that prayer works, but I won't go into that here. Instead I'll tell you how I used only one

strategy in the Bible to get from a non-starter and struggling refugee to the point where I now live in my own home (worth over \$200,000), drive a new car, and on track to making an income of close to \$100,000 this year - all in less than three years."

At this point someone came out and joined us.

He paused, then continued:

"As soon as I set foot on this land, I decided to start a midnight watch. You see, I'm no physician, engineer, lawyer, or some high flying professional. I had no college education. I hated marketing. I knew that I needed divine intervention in order to rise above the level of limitation and scarcity that I found myself.

And midnight prayer seemed to be the only ticket I had."

"Where did you learn that concept?" I asked.

"It's right there in the Bible," he answered quietly. "David used it. Jesus used it. Paul used it.

When I first arrived here I joined the prayer group in my local church. It turned out they were not familiar with the concept.

I really searched around and discovered only a few Christians knew the secret of the midnight watch. Then a Christian brother who read one of your books told me you've been encouraging people to program their prayers into the midnight hour.

I came here because I've been using concepts similar to what you teach and they've worked for me."

He went on:

"In the Bible when John's disciples asked Jesus who he was, the burden of proof was on him (Jesus) to provide the answer. Jesus did not answer John's question with mere words; he authenticated his messianic claim by his actions - which was in fulfillment of the well-known prophecy in Isaiah concerning the Messiah.

Today, the burden of proof is on every believer... to authenticate ourselves to the world around us.

If you say God is the Great Provider, prove it...

If you say He is the healer, you better be ready to prove it... otherwise no one will take you seriously.

Right now, by the grace of God, I can humbly but boldly tell you it is possible to pray and get into your own home, or get a new car, or job, or business, or godly spouse... whatever you desire, provided it is in line with the will of God.

Because I am living PROOF!"

"I wish more Christians could say that," I began...

"I have just started praying about a project I've had in mind a long time," he continued. "I need finances to go back and build a children's hospital in my native country.

I saw some prayer points you posted on your website a while ago and the very first week I started praying them, I received an unusual invitation to participate in a business venture... that could potentially generate millions of dollars in the next few years."

"I am here to sharpen my prayer sword so I can pray this thing into physical manifestation," he concluded.

The prayer points he talked about form part of the prayer points in this manual.

If you are able to program these prayers into the midnight hour, it will help you to:

- * discover yourself and your divine purpose
- * gain spiritual momentum, if you find yourself in one spot year after year
- * get out of debt and begin the journey on the road to financial stability
- * achieve financial success
- * move from success to significance

If you've been reading my materials for any length of time, you know one thing I preach over and over again is:

The importance of taking action by praying the prayers. The knowledge you are getting will be totally useless to you until you begin to apply them.

We're all learning, and school's never out for us.

That is doubly true when it comes to praying your way out of debt, or obtaining divine healing, or restoring joy and peace in your relationships.

If you're not paying attention and taking timely action, you will be left behind.

Going Higher

Quite frankly, from the dreams many people are sending in, I realize that those prayers have not been handled properly.

Please, please, please go and pray those prayers well... because we're about to enter a higher realm where we begin to build on that foundation, spiritually.

In the very next chapter, we're going into what the Bible calls the manifestations of the sons of God (in the book of Romans).

This is a powerful realm that 99% of Christians have never been.

Good news is, by the grace of God, I'm going to take you behind the curtains into the into that realm of the Sons of God...and all the barriers you've had in life up to now will simply begin to vanish without a trace...if only you'll pray those simple prayers with persistence.

CHAPTER 3

SECRET OF THE WORD

The LORD your God is getting set to heal every area of your life where you need healing, and reveal to you the abundance of peace and truth.

Hear Him in His own words:

"Behold I will bring ... health and healing; I will heal them and reveal to them the abundance of peace and truth.

Then ... shall be to ME a name of joy, a praise, and an honor before all nations of the earth, who shall hear of all the good that I do to them; they shall fear and tremble for all the goodness and all the prosperity that I provide for ...

Jer. 33:6,9 NKJV

(Please fill in the blanks with your name and shout a loud "Amen".)

What a great way to start this session... with powerful words of blessings from the mouth of the living GOD!

Always A WORD

You see, before the LORD blesses you, He always sends forth His Word... such words of power that allowed one individual to:

* overcome a deadly, grape-fruit-sized brain tumor!

How?

By looking this horrific monster dead in the face, challenging it's existence in the name of Jesus, and dissolving it out of his life -- in spite of his doctor's proclamation that he had one year to live.

In another notable instance, such WORD empowered a child of God to (in his own colorful language):

"Open the spiritual tap for money to flow into his life faster than the Mississippi river!"

According to him, before the Word of the Lord entered into the picture, his entire career was like trying to paddle UP the Mississippi with a broken oar... impossible!

He said he almost gave up just before his dreams even had a chance!

You find the same thing in the Bible...

- Elisha had to speak the WORD to end the brutal famine in Israel

- Peter saw Jesus walking on water, and waited for the word to be spoken... so he too could walk on water!

You will walk on water this week in Jesus' name.

What do you need to do?

In order to get results, you have to have the right word, the correct information.

When you get your hands on tested, proven information that the LORD has graciously made available to you and me, then you truly begin to live a lifetime of power, success, and freedom from debt and struggles!

Two Types

As you know, there are two types of people in this world, talkers and doers.

And there are two things that separate the two.

One, is obviously taking action. In order to be a doer and get the results you desire in life, you must take action.

There is no way around that.

However, did you know there are lots of talkers who do take action, but never get the results they want? They look busy, they appear busy, they "do" things, but they never get any results.

Why is this?

Why are they really talkers even though they "take action?"

The answer is simple: they do not have the right information to base their action on.

And, when their action fails, they do the same old thing over and over and then go talk about the lack of results... some even blame GOD!

The true doer "calibrates" when he or she takes action and doesn't get the results they desire. They look at what they did, they find out where they lack knowledge, then they go out and get that knowledge.

Then, and only then, do they take action again, this time a different action. And they continue to go through this cycle of taking action and acquiring information until they get the results they desire.

Sometimes this takes a long, long time and the price is high.

And the outcome is ALWAYS the same in the end--the doer gets the results she desires!

Next Level

So I'll be crystal-clear. The level of the manifestation of the "sons and daughters" of God that we're about to enter ...

- This is not for the "hope it works for me" crowd
- This is not for the curious time-waster
- This is not for the cynical types that won't go home and follow the roadmap
- This is not for ANY get-rich-quick-types

It is for those who are determined, really determined to embrace the astounding gifts that GOD has packaged for men and women of prayer.

Whether it is:

- A bank account stuffed with money
- Cherished relationships that nourish
- Work you're passionate about that has you springing from bed each day
- A fine home that fully expresses the peace of GOD
- Luxurious vacations that replenish and rejuvenate
- The freedom to support your favorite ministries

and charitable causes

- Glorious good health with energy to spare
- An abundance of time to spend in fellowship...with family, and friends

God is ready and willing to deliver... if you'll only do your own part.

Scriptures to Prepare You

You need to prepare for this. I'll encourage you to study our working scriptures below:

2 Kings 4:8-37

2 Kings 7

Jer. 31:21

Phil 4:13

These are scriptures of manifestation. And for those praying Steps 3, 4 prayers seriously (from Prayer Cookbook for Busy People) ... I want to say congratulations. You're laying the essential foundation for your desires to manifest... quickly.

CHAPTER 4

OPRAH'S SECRET REVEALED

Does the name Oprah ring a bell?

Well, if you watch TV, it should.

She's the woman who has created a billion dollar media empire ... out of nothing!

Here's one story about her past that she shared recently:

"Not long ago, I started thinking about why I still struggle with my weight, and a memory from when I was 14 hit me like a brick.

I had just jumped off the bathroom scale when I bumped into my father in the hallway.

'Girl, no need in you weighing yourself,' he said. 'You're a nice size now, but you're going to be a heavy girl. All your people are heavy. Look at your mama, your aunt, your grandmother, all her people. Your whole family is heavy. No way around it!'

For years, my father's unwitting comment followed me through all the pageants and contests I competed in and won, through every diet and exercise program, and even through the marathon. It has undermined all my greatest efforts."

What's that got to do with our topic today?

You see, what we have to discuss is so unusual that I needed an example from the real world.

What Oprah is battling with is called a generational transfer, in spiritual terms.

In the Bible, Paul talks about yet another form of this transfer.

In 2 Timothy 1:5 we read:

"When I call to remembrance the unfeigned faith that is in thee, which dwelt first in thy grandmother Lois, and thy mother Eunice; and I am persuaded that in thee also."

Here, something called faith is being transferred from grandmother to mother to son - 3 generations. A good thing in this case.

Generational Transfers

It's not always good things that are being transferred. Take Oprah's case, for example. The father was merely reinforcing the fact that everyone in her mother's family line was OVERWEIGHT... it runs in the DNA!

Oh, by the way, they also tried to tell her that everyone with her background (she's African American) was supposed to be poor and up to their eyes in debt.

Obviously, she's fought and won that battle.

1st Principle

- how did you get into debt?
- why are you having such a struggle in your finances?
- why do you find yourself in chronic scarcity (not even able to pay your

bills) from time to time?

- why has lack and insufficiency become a recurring decimal in your home?

You may not have to look too far... someone in your family line may have transferred those things to you - without your permission!

Your life-long struggles with finances will begin to disappear just as soon as you take the crucial first step to:

- identify how this was transferred into your life

- what's keeping it in place

- learn the simple secret for breaking free that I'm about to share with you here

This is Step 1 - breaking free.

Breaking Free

To get out of debt and step into over-flowing abundance, you first have to spiritually break free from the vise-like grip of the following:

- scarcity, shortage, deficiency, lack,
- frustration, disappointment, disaster,
- spiritual ignorance, costly mistakes, and wastage... all spiritual entities in their own right.

You have 2 options here:

Option 1

If you know who or how these things were transferred into your life (most folks have no clue) then your problems are half solved.

You will need to speak to the thing or person (in the spirit) and tell her firmly that she should take those things back.

Here's how one sister did it (after she realized she inherited debt, poverty and divorce from her mother):

1. She sat down comfortably and imagined a scene in her childhood where she was having a big argument with her mother ... about money.
2. She replayed the scene in her imagination till it became very real. Then she dissociated from it (the mother had passed away years earlier).
3. Knowing that there is no past, present or future in the spiritual realm (everything is NOW), she called out her mother and began to speak like this:

"Mom, you know that I love you and I'm grateful that you did your best for me. However, I now realize there are things you handed down to me which I don't want and I don't need.

Because I am now a child of GOD and I operate under the divine covenant of abundance and prosperity, I solemnly reject -

lack, poverty, debt, divorce, etc. and I am giving them back to you now, in Jesus' name."

To her greatest surprise, right after this spiritual exercise, helpers started coming out of nowhere... she began to experience favor where she had rejection before!

"Suppose I don't know how things happened in my own case?" you ask.

Good news... there's option 2 for you.

Option 2

Many years ago I used to attend a very "aggressive" prayer meeting where you met prayer warriors and prophets of all shapes and sizes.

I can assure you that a lot of the miracles you read about in the New Testament book of Acts of the Apostles were really common place there...

The way we handled this type of operation was this:

1. You go into a 24 hour fast (no food, no water)
2. At midnight, you rise up and call forth the things you didn't like about your life... one by one (eg. poverty, debt, sickness, loneliness, lack of favor, etc).
3. Then you pray this one prayer point:

"You owners of evil load of (mention that thing), carry your load now; I reject it, I refuse to accommodate it from today, in the mighty name of Jesus."
4. When you have called out and returned those things that manifested as debt, poverty, sickness, wastage, etc. you now followed up with the type of prayer points at the end of this manual.
5. Finally, you pick up your Bible and proclaim all the blessings of Deut.28 2-13 on yourself and your loved ones.

That is how to begin the journey out of debt... this operation has been proven to work, if you do it right. It is not theory!

Before I give you the prayer points that go with this operation, a gentle note of warning.

Gentle Warning

For reasons I cannot go into here, 4 types of Christians may NOT get much results through these prayers.

They are:

1. Those who get angry at the slightest provocation
2. Those who are full of pride
3. Those who still have sex outside marriage
4. Those who have not yet repented and asked for forgiveness from people they have wronged, owed money to, or in any way cheated out of their finances or goods.

If you are not one of those mentioned above, then congratulations... and welcome to the realm of the eagles!

I am not going to waste my time or yours telling you how powerful these prayers really are... the proof of the pudding is in the eating.

Maybe I should just tell you that a man started praying and in 3 weeks ... and was sharing testimonies.

You could be the next in line!

Next Steps

The 2nd step of breaking out of debt and manifesting into overflowing divine abundance is such a deep spiritual secret, I can almost guarantee you've never heard of it, let alone used it before.

Remember the scriptures of manifestation I gave you last time? This secret is hidden there... go back and study them.

And please carry out this first step with all your strength. It is the foundation. The next 2 steps will be built on this.

CHAPTER 5

OLD TESTAMENT SECRET OF CANCELING DEBT

A reader from the other side of the world was surfing the web recently. Somehow, she stumbled on a site where one of my books is sold.

She was surprised. Why? Because this same book that is selling for 17.00 - 27.00 USD I give it away for free on my site.

Her question:

"Why am I giving away this book when I could be making tons of money with it?"

Unknown to her, there's a little story behind that... and here it is:

Many, many years ago when I was in a fellowship popular for singing praises and dancing (with little or no prayer), we had this beloved sister who was active in many areas in the church.

Plus, she was also a great giver...many times she would "sow" her entire monthly paycheck into the church.

We all used to think she was getting at least a hundred fold return (in blessings) as we were taught in that church and on TV.

You can imagine my surprise when she confided in me one day that she was having a major struggle in the area of finances - in spite of her giving!

A Watershed Event

Not too long after, a world famous minister of God came to town. If you wanted an audience with him, you had to make an early appointment and prepare yourself through prayer and fasting.

Our dear sister did all of that. In fact she fasted for 2 days. She desperately needed this minister to pray for her and to lay hands on her - for a turnaround in her finances.

On the appointed day, she was one of the first to arrive. She could see a long line quickly forming behind her (think 2000 people).

She waited for an hour. Two hours. Then suddenly, an announcement rang out:

"We're sorry to inform you that the minister will be able to see ONLY those who have bought his latest book... there would be no time to see others!"

As you can guess, our sister had no money to buy the book. She begged... and pleaded. All to no avail. Finally, she had to leave, dejected.

Needless to say, I was hugely disappointed. And I made a mental note that the very first book I write, I will give it away, free of charge...

Fast Forward

8 years later. I had now discovered the secret of praying precision prayers that literally attract answers like a magnet... what I teach here.

I decided to take this sister and coach her thoroughly so she would NEVER be frustrated again waiting for some "great" minister of God to lay hands on her.

What happened next shocked even me...

Through intensive and disciplined coaching, she's now become a ready-armed-and-dangerous prayer warrior and an indispensable part of my All-Star Prayer Team.

Here's an operation she carried out just last December that solidified her status as a respected member of this cutting edge band of prayer warriors.

Financial Emergency

In November 04, she needed to come up with 9000 USD within 5 weeks to meet a financial emergency in her family. She quickly entered into her prayer "closet" and pulled out some prayer points that had worked for her in the past.

More importantly, she went through the steps I'm about to show you shortly.

32 days flat, she received a check for more than the amount she needed!

She didn't borrow it. She didn't steal it. She didn't play the lottery (no child of God in her right mind should)... and she sure didn't beg for it.

So how did the money "appear"?

She prayed and took the type of action that allowed her to spiritually reach out her hand into the invisible world and "pull" in what she desired... on demand!

And the LORD sent her helper out of the blue!

There's a method hidden from plain view in the Bible.

- * Jacob used it to make himself wealthy (an angel of God taught him to do this).
- * Elisha in the Old Testament was a great practitioner of this technique.
- * Even Paul mentioned part of the concept briefly... in one of his epistles.

You remember how I always encourage you to study the scripture like a soldier preparing for battle?

Why?

--> Because this kind of spiritual information I'm sharing with you... you will not find it by reading the Bible out of a sense of duty.

--> Because you will not even uncover it by reading those pop-psychology-type how-to books that are all the rave these days.

--> Because if you're waiting for them to teach you this one in your church, you might be in for a loooooooooong wait!

Remember, the parable that Jesus taught about a man who found a pearl of great price after a long search?

Spiritual Detective

Ok, what I've done is put on the uniform of a spiritual detective and go into the field (Bible) to inspect everything God says about debt and abundance.

I've had to look under every rock, poke into every closet, roam and rummage through back offices, talk with a lot of people, and even God Himself.

From this exercise, I've gathered a gold miner's sack of fascinating spiritual nuggets. With the Bible and Holy Spirit as the guide, I've:

- * refined this information into gleaming insights, like gold
- * hammered them into powerful prayer points
- * polished and polished until my fingers ache (by praying persistently)

The result is... the second stage of manifesting as the daughter or son of God.

When you go through the simple process correctly, results will come.

Sometimes fast, sometimes slow.

90% of the work has been done for you. Now, what remains is for you to apply the process. You'll need to actually PRAY the prayers, not just read them.

Again, some happen immediately. Most take longer... so some persistence is required.

Something always happens when this process is followed - and the prayers prayed with faith in God, the author of abundance and overflowing blessings.

Another “Ping”

Before, I jump off... my email notifier just went, "ping!" This has been happening a lot lately ... since we started this series on how to pray your way out of debts.

I open the email and here's the testimony that just landed... all the way from the Middle East!

Truly, distance is no obstacle to our GOD:

Dear Elisha,

Remember I wrote I will come back with a testimony.

*Yes, Praise the Lord ! My husband got the job.
We just received a call from the company.*

*We will be continuing the prayer for the rest
of the six nights. In fact my husband and myself had
started our fast also for the next seven days.*

*Wow this really worked so fast. Yeah, so fast
to Heaven's back door.*

Really I thank God for his works...

Sister A, UAE

Scriptural Backing

Please close your eyes now and take this single prayer point:

"O Lord, open my understanding in the name of Jesus."

We'll begin by looking at the following scriptures.

In Genesis 31 we read;

Then the Angel of God spoke to me in a dream, saying, 'Jacob.'
And I said, 'Here I am.' And He said, 'Lift your eyes now and see, all the
rams which leap on the flocks are streaked, speckled, and gray-spotted;
for I have seen all that Laban is doing to you.

Gen 31:11-13

***Fast forward to the book of Jeremiah, where we read this
crucial scripture:***

Set up signposts, make landmarks; Set your heart toward the highway,
The way in which you went. Turn back, O virgin of Israel, turn back to
these your cities.

Jer 31:21

***Now, let's back up a bit to the book of 2 Kings to witness a
mysterious event:***

When Elisha came into the house, there was the child, lying dead on his
bed.

He went in therefore, shut the door behind the two of them, and prayed
to the LORD.

And he went up and lay on the child, and put his mouth on his mouth, his eyes on his eyes, and his hands on his hands; and he stretched himself out on the child, and the flesh of the child became warm.

He returned and walked back and forth in the house, and again went up and stretched himself out on him; then the child sneezed seven times, and the child opened his eyes

2 Kings 4:32-35

And finally, we'll jump right over to the New Testament book of 2 Corinthians, where we read the following:

I know a man in Christ who fourteen years ago -- whether in the body I do not know, or whether out of the body I do not know, God knows -- such a one was caught up to the third heaven.

And I know such a man -- whether in the body or out of the body I do not know, God knows -- how he was caught up into Paradise and heard inexpressible words, which it is not lawful for a man to utter.

2 Cor 12:2-5

Putting all the scriptures we've been reading together, we come up with a fool-proof process for manifesting your Godly desires through prayer.

Here's how it works:

1 First, you imagine yourself walking on a highway called life. Behind you lies your past and in front of you is your future.

2 Imagine that you were to somehow develop wings like the eagle and you can rise above this highway toward the throne of God in the heavens. As you get to the throne of God, you look down now and see yourself on that highway looking very small and insignificant.

3 From your vantage point high up in the heavens, imagine stepping back into your past, remaining above the highway of life, as if you were up in space, with your past down below you.

4 Follow this up by imagining stepping out into the future remaining above the highway with your future down below you.

5 Finally, imagine yourself coming back down into the present moment, right where you now.

This should take you one or two minutes.

Application

Let's use an example here.

You have a desire to generate an extra income of \$1000 in 6 weeks time.

You frame this desire and **put it into your future** as a goal.

How?

1. Write down the **end step** of your goal, e.g.

On this date (put in a date) I have just received a check for an extra \$1000 income.

2. **See yourself** in the end step. Engage yourself in it, so that you're seeing the scene in your mind's eye.

*In our example here, you will have to see yourself **clearly holding the check** of \$1000 in your hand...
and experience the same excitement and happiness that you will feel*

when this event occurs.

3. In your spirit, take a picture of that scene, or imagine someone took a picture of you holding that check and gave the picture to you.

4. Imagine yourself holding this picture in your hand and rising to the throne of God with it.

5. When you get there, you breathe upon this picture the breath of life.

How you do this is: you simply imagine that you're holding this picture in your hands. Take a deep breath. Then exhale through your mouth, making a "ha" sound. Do this 3 times.

6. When you have fully breathed on the picture, see yourself stepping out of the throne of God right onto the highway of life. See yourself stepping right out **into your future** until you arrive at a position right above the date you said the event would occur... trust that you will know where that is.

7 Simply drop the picture right down into that position, and allow it to happen there.

8 See the event taking place right here. Then *turn and look back toward the past*, and a few moments later, turn and look off toward the future... **and begin to pray the prayer points listed below.**

The Prayer Points

1. *Every evil star that followed my parents, depart from me and die, in the name of Jesus*

2. *Satanic animals working against my destiny, receive the judgment of God in Jesus' name*

3. *I break every covenant of debt and lack in*

the name of Jesus

*4. Every ancestral chain holding down my progress,
die in the name of Jesus*

*5. Fountain of sickness in my body, dry up in
the name of Jesus*

*6. I speak by fire and thunder, the mouth of the
wicked shall not speak again in Jesus' name*

*7. Lion of Judah, arise and pursue affliction out
of my destiny in the name of Jesus*

*8. Let my past be re-arranged to support my divine
destiny in the name of Jesus*

*9. Let my future be reconfigured to manifest my desires
in the name of Jesus*

*10. Angels of success and prosperity, arise and locate
me in the name of Jesus*

*11. O Lord, as from today, connect me to the storehouse
of your abundance in Jesus' name*

*12. As from today, I enter into the covenant of prosperity
and abundance with the El Shaddai*

*13. As from today, my God shall supply all of my needs
according to his riches in glory by Christ Jesus.*

*14. Thank you, LORD for prospering the garden of my life,
and for the heavenly fertilizer that has made me fruitful.*

Note: These prayer points will cause events in your **past to reconfigure themselves** to support your desired outcome.

In the same way, *events in your future* will be automatically **reconfigured** in light of this desired outcome.

In our particular case, it was to receive a check for an extra \$1000 income on a particular day, six weeks away.

9. Once you've prayed all the 14 prayer points, see yourself **coming back to now**.

10. Sing a song of praise to the Lord and thank Him.

That's it!

This whole process shouldn't take more than a few minutes. While it may seem simple, and perhaps even a little silly, I promise you it is the same process many people have used to turn things around for themselves and others.

Here's food for thought:

Say, what would you have thought of Elisha's action in the passage we read above, if you were to somehow watch him in that little room thousands of years ago - breathing life back into that little boy?

Silly?

Any way, the results you will achieve through this process will amaze you!

This is step 2 of getting out of debt and breaking forth into abundance.

This is the spiritual side.

The 3rd step is physical... once you've set your outcome like this, you've got to do something about it.

That's the subject of the next chapter.

CHAPTER 6

THE SECRET INGREDIENT

In the last session I told the story of a sister who years ago needed 9000 US dollars and she was able to pray it into the physical in 32 days?

Well, it so happened that one precious sister in Australia read the email and decided to take action to duplicate that success.

She did... almost. She managed to pray 8000 dollars into her bank account... in less than 10 days!

Again, she did not borrow the money. She didn't beg for it. She didn't play the lottery. And of course she didn't steal it.

Hear her tell the story:

Good morning Elisha,

Today is Wednesday the 31st of August in Australia.

Last night I did the Step 3 prayer, wow!

it was intense for me as I came to bed exhausted at 3am.

With my fasting I usually have a break at 6pm with something to eat, but for the next 3 days and night (starting yesterday, I am doing the Esther Fast, no food at all for 3 days).

I am so hungry to know more about this amazing, awesome God and know more of his way...

7 days later...

Hullo Elisha,

It is been awhile since you heard from me.

Well I want to share with you what is happening since I last talked to you on Sunday 4th September. Well it is Wednesday the 7th of Sept.

2 Days ago our real estate lady rang and said that a man was interested to buy our block of land which we have been trying to sell for about a month but to no avail. We made an offer, and yesterday, she rang back and said that he will buy it. We made a profit of \$40,000.00 which will help pay some of our debt off.

The good thing about it is, instead of settling the money in 60 days he will pay us within a week.

Praise the Lord!!

My husband and I broke into tears and just hugged one another. I am overwhelmed, my husband is still shocked that anything good like this would happen to us.

Elisha, what can I say except I praise and thank God for you. The prayer does work.

And yesterday, a company that we had a contract with to supply all their safety gear, rang my husband and said they are going to put in our bank A/C on Friday a cheque of \$8,000.00 to help pay half of the product that they purchased last month.

Is that a miracle... or what!

3 hours later.....

Hi Elisha,

Remember on my last email I said that a company was going to pay us \$8,000.00 tomorrow? Guess what, they brought in a day forward and deposit it today in our bank Account. Isn't God good!!

She doesn't know it yet... this is just the beginning... when it starts it doesn't stop!

Now, you see what action she took?

I did a search in my database and found out that she purchased her copy of "Prayer Cookbook" on Aug 29th. She didn't actually download it until the following day, August 30th... and the very next day she was up and running with an Esther-style fast as taught in the book!

That's exactly what I mean when I say that some people are ready, armed and dangerous in the spirit!

And look what results she got.

Thousands of people receive my emails weekly... I don't know how many bother to take any action at all.

And action is required... this is the secret ingredient!

Yes, that's what it comes down to after all is said and done.

You have to take action... massive action!

Again, permit me to share a little secret of mine with you.

My Little Secret

This manual you're reading now... indeed my entire Internet presence was "forced" to manifest physically through a combination of focused praying and massive action - the kind of prayer action described in the last chapter.

How did that happen?

For years I've been assembling a Prayer Points' Armory. I have been meticulously testing those prayer points proven to work over and over again... under ANY condition imaginable.

I have been using them along with my partners to obtain results that may sound a bit outrageous to some.

The result has been that while virtually every Christian I met were really struggling, by the grace of God all we have been seeing is success... miracles... breakthroughs!

A little while back I began to feel a bit guilty. I had this pressing need that just wouldn't let up... a need to share and give others the opportunity to enter into the realm of prayer attraction where answers to prayer come as naturally as breathing... when you pray and take action.

My original intention was to get this message into the hands of just 1000 people.

Period.

So I carefully went through the prayer action laid out in the last chapter.

I then quickly followed up with prayer points like:

"Holy Spirit, activate divine advertisement for this message in Jesus' name."

"O Lord, let your divine messengers begin to spread this word to the outermost parts of the earth in Jesus' name."

(By the way, those prayer points are based on Psalm 68:11. It says, "The Lord gave the word; great was the company of those that published it." It's loaded with power... and you can pray it if you have to get the word out quickly about your goods and services.)

With prayer points like that I wasn't at all surprised when so many people sent me emails saying things like:

"I was surfing the web when all of a sudden your website just "popped up" right before my eyes."

"I don't know how I got to your site... I just found myself there and I thank God for it."

"I'm still surprised at how I came across your site on the Internet... it has blown me away."

(Just to put things in perspective... to give you an idea there are 928 billion web pages these people could have visited on the Internet ... and they ended up here!)

The Result?

We raced past the 1000-subscriber mark in just 2 weeks... and I mean active readers (not counting the casuals). By the look of things we should be hitting the 10000-subscriber mark in a few short weeks.

Now do you think a million people could be reading and getting blessed by this time next year?

You better believe it!

What I find really incredible is... readers are pouring in from 58 different countries round the globe.

And the testimonies have been simply amazing, glory to GOD.

And just last night, I received an urgent email begging for a Spanish-language translation!

Subtle Point

Please understand that I'm sharing all this to illustrate a subtle point... to encourage you ... not to brag.

Far from it... the LORD has been behind this all along. HE gave the message. He brought the resources for this whole thing to happen.

And I will FOREVER give HIM ALL the glory!

But you would not be reading this... none of this would be happening... if all I did was to pray and go to sleep.

For the principles to work... you've got to work them.

Like our sister in Australia... thousands of miles away.

She grabbed hold of the secrets like a bulldog, refusing to let go until the 8000 dollars was resting securely in her bank account!

Listen, I did absolutely nothing here... except maybe to give her a few "tipping point" prayers at certain strategic points along the way.

No great man or woman of God prayed for her.

No one laid hands on her.

She didn't need to go looking for some "prophet" to "see" vision for her.

She just believed God and based on that belief she stepped into the ring to confront whatever it was that's been stealing her blessings.

Yes, she violently took it by force as the Bible has said.

She took action... and GOD responded with His own massive supernatural action.

Praise the Lord.

Are you taking any action?

I hope what you're about to see here will bring home this message forcefully to you.

It's a rather obscure message from scripture (yes, the more obscure the more powerful) that illustrates the age-old saying that:

"If you cannot fly, then run; if you cannot run, then walk; if you cannot walk, then by all means crawl..."

Why?

Because even if you are on the right track, you'll get run over if you just sit there.

How long have you been sitting in church expecting God to bring you a miracle?

Whereas GOD has been waiting for you to take action... at least that's what HE told Moses by the Red Sea!

If all you can do now is take simple baby steps, coupled with the massive prayer points at the end of this manual then very soon the LORD will lead you to discover:

** a bridge out of debt and financial lack*

** an exit from crisis, confusion and chaos*

** a wide-open door waiting for you to walk through to the next season*

Secret Ingredient...Applied in the Bible

In the book of 2 Kings 7:1-16 we read:

Then Elisha said, "Hear the word of the LORD. Thus says the LORD:

'Tomorrow about this time a seah of fine flour shall be sold for a shekel, and two seahs of barley for a shekel, at the gate of Samaria.'"

So an officer on whose hand the king leaned answered the man of God and said, "Look, if the LORD would make windows in heaven, could this thing be?"

And he said, "In fact, you shall see it with your eyes, but you shall not eat of it."

Now there were four leprous men at the entrance of the gate; and they said to one another, "Why are we sitting here until we die? If we say, 'We will enter the city,' the famine is in the city, and we shall die

there. And if we sit here, we die also. Now therefore, come, let us surrender to the army of the Syrians. If they keep us alive, we shall live; and if they kill us, we shall only die."

And they rose at twilight to go to the camp of the Syrians; and when they had come to the outskirts of the Syrian camp, to their surprise no one was there.

For the LORD had caused the army of the Syrians to hear the noise of chariots and the noise of horses -- the noise of a great army; so they said to one another, "Look, the king of Israel has hired against us the kings of the Hittites and the kings of the Egyptians to attack us!"

Therefore they arose and fled at twilight, and left the camp intact -- their tents, their horses, and their donkeys -- and they fled for their lives.

*And when these lepers came to the outskirts of the camp, they went into one tent and ate and drank, and carried from it **silver and gold and clothing**, and went and hid them; then they came back and entered another tent, and carried some from there also, and went and hid it.*

*Then they said to one another, "**We are not doing right.** This day is a day of good news, and we remain silent. If we wait until morning light, some punishment will come upon us. Now therefore, come, let us go and tell the king's household."*

So they went and called to the gatekeepers of the city, and told them, saying, "We went to the Syrian camp, and surprisingly no one was there, not a human sound -- only horses and donkeys tied, and the tents intact."

And the gatekeepers called out, and they told it to the king's household inside.

So the king arose in the night and said to his servants, "Let me now tell you what the Syrians have done to us. They know that we are hungry; therefore they have gone out of the camp to hide themselves in the field, saying, 'When they come out of the city, we shall catch them alive, and get into the city.'"

And one of his servants answered and said, "Please, let several men take five of the remaining horses which are left in the city. Look, they may either become like all the multitude of Israel that are left in it; or indeed, I say, they may become like all the multitude of Israel left from those who are consumed; so let us send them and see."

Therefore they took two chariots with horses; and the king sent them in the direction of the Syrian army, saying, "Go and see."

And they went after them to the Jordan; and indeed all the road was full of garments and weapons which the Syrians had thrown away in their haste. So the messengers returned and told the king.

Then the people went out and plundered the tents of the Syrians. So a seah of fine flour was sold for a shekel, and two seahs of barley for a shekel, according to the word of the LORD.

2 Kings 7:1-16 NKJV

This is one of the most powerful manifestations of abundance in the Bible.

There was a brutal famine in the land. It got so bad that people were killing their kids to eat!

All hope seemed to have been lost.

Then Elisha the prophet began to speak the WORD of the Lord.

Here's a sequence of what happened:

- The word went forth ... God always sends His word before anything can manifest.
- **Some believed and some did not believe.**
- Some lowly folks that everyone had written off began to take some action.
- **The Lord transformed the feeble action of these few outcasts into a powerful weapon of war.**

- The enemies got scared and ran off in terror, abandoning abundant resources for the people of God
- **In a strange and miraculous way, the WORD of the Lord** spoken by the mouth of His prophet was fulfilled... at the exact date and time.
- Please notice that this event took place at night.

The Lesson for Us

The Lord has been sending His word to you through these messages. It does not matter whether you feel qualified or not for that breakthrough.

God is not looking for qualification here.

It totally does not matter whether they've rejected you before... take action and go back after praying these prayers.

Are they threatening to foreclose on your home? Pray and take action as directed by the Spirit of God... with boldness.

Does it seem like all the doors are slamming shut against you? These prayers will open new doors... and you need to take action to walk through those doors.

Have the creditors sent you letters upon letters? Grab those letters and spread them before the LORD like King Hezekiah of old... and pray the Scripture of Psalm 2 over it.. then take MASSIVE action.

CHAPTER 7

SECRET OF THE ULTIMATE KEY

"\$23,000 Debt Cancelled"

"This is right in line with what my pastor has been teaching on effectual, power prayers that get results... we have numerous testimonies, the largest thus far being a \$23,000 debt cancellation!!"

- Sharon F, USA

Congratulations... for making it this far!

And if you've been following the past 6 sessions diligently you will now be armed with a battle-tested proven fail-safe approach to help you pray your way out of debt... no matter how small or how big.

In fact those prayer points will have turned you into a lethal fighting machine in the spirit - meaning you are now well armed to demolish all spiritual opposition on your way to financial blessings.

There's one missing ingredient though... and I deliberately saved this one for last.

You see, once you've learnt to unlock the taps... this one will help keep the juices flowing.

However there's a "half-measure" way to do this... and I need you to be aware of it.

There's also definitely a "full-throttle" approach to this.

As you'll see shortly the choice is totally yours- you can do it the slow way or you can turbo charge it... and put it on warp speed.

What do I mean?

Clicking through my growing database of testimonies I spotted this one.

It's kind of like the odd-one-out.

I thought it would be interesting to learn a couple of lessons here... just to hammer home a crucial point I first mentioned in that time-sensitive piece, "food for thought."

Please listen to this testimony closely. See if you can spot the good, the bad and the ugly... before going on to learn a deep secret... which hopefully should help you avoid hidden pitfalls on your journey to becoming debt-free.

Sit back now, relax, grab a cup of your favorite beverage and enjoy the testimony of this sister ... in her own words.

Elisha:

I want to tell you about an experience I had. Back in the 1980's, I gave last \$1,000.00 to the Lord to help pay off the building fund or for the seats.

I waited on the Lord and I heard all these people talk about prosperity and here I was, broke, had no one to care for me, husband and I separated, everything Satan could throw at me.

Well, to make a long story short. Listen to this carefully and pass it on to anyone who does not believe that God will open the windows and pour you out more than you know what to do with.

I am not happy at the way it came about. But, at the death of my husband in 2003, about 20 years after I gave my last \$1,000, I went to the Bank on Monday Morning after the funeral on Saturday.

There it was, my return was over \$100,000.00. That was just one account. I was left with a home paid for, valued at \$200,000.00. I now own a Cadillac that is paid for, a 2005 CTS, over \$47,000.00 worth, not to mention everything in the house is paid for.

My son said that I was blessed with this car because I have given away so many cars, cars that I never got a chance to sit in or ride in.

God is still on the throne. He ain't gone nowhere. Excuse the English. Plain talk is so easily understood. I want to put my testimony on the web soon and I will definitely let you know.

Love, O

Take a moment.

Think about this testimony.

Then go on... to learn a deep spiritual secret.

The Ultimate Key... Revealed

We'll start the engines by looking at a popular scripture the book of Luke 6:38

Give, and it will be given to you: good measure, pressed down, shaken together, and running over will be put into your bosom. For with the same measure that you use, it will be measured back to you."
NKJ

Please take these 2 prayer points with fire in your spirit:

- I retrieve all my properties from satanic banks in the name of Jesus
- O Lord restore seven-fold everything I have lost as a result of spiritual ignorance.

The Bishop and the Vision

I know a bishop who wanted to build a 50,000 seat worship hall in 1999. The unusual thing about it was... he expected to do it from start to finish without borrowing a dime from anyone... not even from the bank.

He also set a target of 12 months for completion.

Now this kind of project had never before been undertaken by anyone in his part of the world. So everyone watched with interest... expecting him to fail.

Well he did not just succeed... he succeeded brilliantly.

The entire project, which took the size of 4 football fields, was completed in 11 months – one month ahead of schedule!

And this happened in a place, a geography where as much as 90% of the people were living far below the poverty line.

He has since made further progress and established a full-fledged university there.

Such “impossible” feats excite me... so I decided to dig a little into the background of this bishop to learn how he did it.

Here's a few of the interesting facts I uncovered:

- This man of God is a chronic, incurable giver. He has been that way for 30 years. There's a story of how he gave away the only money his wife had reserved to buy baby food for their 6-month-old infant... to a church member who had an urgent financial need!
- Half of that time (30 years) he and his family were living in abject poverty... and he kept right on giving.
- Before his ministry exploded in signs and wonders he was fasting every day for 3 years (yes, you read that right).
- His might just be one of the longest dining tables around – it's designed to sit at least 40 people at a time. And at least 40 people have lunch in his home every single day ... as we speak.

That's right. This man lives and breathes the well-known message we've all heard, “You can't out-give God.”

What sets him apart however is that he doesn't just stop there.

He takes things to the next level... and herein lies a deep secret.

The Next Level

He creates relationships... with people big and small, poor and rich, young and old.

He believes that essentially all relationships in life act like “arteries” or **pipelines in the spiritual realm**.

For instance when God blesses you He usually does it through someone. The relationship with that person is really the pipeline through which the blessings come to you.

Relationships are the key to everything!

No wonder the Lord Jesus said we should do unto others as we want them to do to us.

When they asked Him (Jesus) about the greatest commandment in the book He gave them two:

The first is about relationship... with God

The second is about relationship ... with people

Please pay close attention here:

All your relationships are pipelines through which God will use to bless you.

But a **blockage** can occur in a **relationship**.

For instance a blockage can occur in a marriage relationship. When this particular artery is blocked, love and passion can no longer flow between a husband and wife.

Call it a heart attack, or a death in a marriage.

Your various business relationships are also arteries... connecting employers and employees, bosses and staff, sellers and buyers.

The money that flows to you through your business transactions or the work you do travels through these arteries.

When they are clogged... then money fails to flow to you.

In many cases severe blockages might also transfer into the physical arteries of the body... resulting in physical illness.

All the relationships between people, between business partners, between husband and wife, between brother and sister, between parents and children – are spiritual arteries that can become blocked and cause “disease.”

Each time you interact with someone in your life – friend or stranger, family member, fellow worker – please remember that you are affecting the arteries in your life that extends out into the world... the exact same pipelines that blessings will flow through to you.

If you fail to watch over the relationships in your life... and allow blockages to continue to grow unchecked... “disease” might set in.

This disease can manifest itself as:

Debt

Poverty

Divorce

Kids on drugs

Anxiety

A dysfunctional family

Or even a heart attack

Any of these can happen –

- in spite of your praying
- in spite of your giving

If you do everything else right but allow blockages in your relationships your miracles may not manifest speedily enough.

It could be delayed.

You could even lose it along the way.

See the testimony of this beloved sister?

Thank God she did not lose it.

But notice... one of the 2 key relationships in her life... the relationship with her husband had suffered a massive blockage.

The result?

The breakthrough was delayed for 20 years!

At this level please close your eyes and take this prayer with a holy cry unto the Lord:

- *Fire of God burn away every blockage in my spiritual pipes in the name of Jesus*
- *Every power creating relationship problems in my life, be buried be buried be buried in the mighty name of Jesus.*
- *Anything in my life scaring away my divine helpers, get out now in the name of Jesus.*

Thank you Lord.

You now understand why the Bible warns us about things like anger, evil communication, gossip, hatred, envy, bitterness, unforgiveness, jealousy, etc.?

It is for our own good!

Letting go of anger, revenge, envy, worry, fear, etc. and working earnestly to build sound relationships is a crucial secret to getting out of debt and getting your desires to flow into your life... day in day out.

Our Lord was revealing a deep spiritual secret when He ties our reward at the end of time to our relationship with other people in Matt. 25: 34-40.

Go read it and see.

Why did HE bless Solomon so...?

In 2 Chronicles 1:11-12, the LORD says it's because Solomon asked Him for *wisdom to rule His people* well... relationship was a key factor here.

Those who have been in ministry for any length of time will tell you that the greatest battles they've had to fight have been in the area of relationships.

The battle for your relationships is one that you must win.

Back to the bishop with the 50,000 seat auditorium.

No one has ever heard him say an unkind word against anybody.

- even when the media was out to tear him to pieces (for daring to succeed!)

even when other ministers of God (jealous of his success) and even some members of his congregation joined the chorus ... trying to outdo each other in criticizing and vilifying him.

He said ... NOT a word!

... thus displaying the hallmark of a true spiritual champion.

If you are serious about praying to get out of debt, you will have to watch what you say about others... and how you react when others say terrible things about you.

And remember what I've said here:

- Create relationships and build bridges of understanding with folks you meet everyday.
- Give of your substance... and your time – be generous, so the channels can open and stay open.

Do these – plus take the prayer points below with aggression and persistence – and you'll be out of debt... sooner than you think.

Friend, this is the spiritual secret to getting out of debt that no one talks about!

101 PRECISION PRAYERS TO GET YOU OUT OF DEBT AND INTO ABUNDANCE

This prayer manual is a gift from God to you.

A most precious gift.

The prayers here are so rare most folks have never been exposed to it.

These are precision prayers, meaning they are designed to hit the nail on the head. So that you'll not be beating the air or praying amiss.

There are many ways to pray them. You can go about it in any ONE of the following ways as directed by the Holy Spirit:

- 1 Three days' fast – praying at intervals during the day and breaking the fast at 3pm, or 6pm or 9pm daily.
- 2 Seven nights' vigil i.e. praying between 12 midnight and 3 am, seven consecutive nights.
- 3 Seven days' fast – praying at intervals during the day and breaking the fast at 3pm, or 6pm or 9pm daily.
- 4 Three or more days of ESTHER FAST i.e. praying and fasting like Esther in the Bible – for 3 days without any food or drink.

Please take your pick. Do remember to seek the advice of your doctor if you're considering option 4 (it works the fastest but it's also the most challenging).

Whichever option you chose, you'll need to spend part of the vigil or fasting praying in the Spirit (this is the ability to pray in tongues as given utterance by the Holy Spirit. To pray in the Spirit you must have been genuinely baptized in the Holy Ghost –see 1 Corinthians 14:15).

As you pray them the Lord will reveal to you secrets in visions and dreams. *Write them down*. Also, the Holy Spirit will drop “profitable” ideas into your spirit. Be sensitive and act on them. Don’t bother trying to figure out how HE will get you out of debt and into abundance... He has mysterious ways of doing it.

Your part is to concentrate on the prayers and pray them aggressively and persistently, like the woman in Luke 18.

Here’s the word of the Lord for you:

And shall not God avenge his own elect, which cry day and night unto him, though he bear long with them?

I tell you that he will avenge them speedily... Luke 18:7,8a

These 101 prayer points will ignite a fire in your bones that nothing can quench... and it will propel you to take the action required to create abundance and get you out of debt... permanently.

The Prayers

Take a moment to praise and worship the Lord ...

Start by singing praises to the Lord and worshiping Him for a while (at least 10 minutes.)

Say this out loud...

By natural heritage I was dead in trespasses, for I was brought forth in iniquity and conceived in sin in my mother's womb; and according to the law, I was preserved for the wrath of God that was to be revealed upon the children of disobedience. But now I am God's handiwork recreated in Christ Jesus, born anew that I may do those good works which God already predestined for me.

Through the blood of Jesus Christ, I, who was once far away, have been brought near to God. I am now engrafted in Christ my Messiah... I have become a new creature altogether. The previous moral and spiritual condition has passed away. Behold, the fresh and new has come.

Therefore, since I am declared righteous and given a right standing with God through faith, I have peace with God through Jesus Christ. Now, having been justified by the blood of Christ, I shall be saved by Him from the wrath to come.

The person who is united to the Lord becomes one spirit with Him. Therefore, there is now no condemnation for those who are in Christ Jesus, who walk not after the dictates of the flesh but after the dictates of the Spirit. For the law of our new being, which is the law of the Spirit of life in Christ, has freed me from the law of sin and death.

I am separated by God through the redeeming power in the blood of Jesus Christ, the author and finisher of my faith, from every tie with ancestral covenants, curses and guardian spirits.

My citizenship is now in heaven. I belong to the household of God. My life is hidden with Christ in God. I am washed in the blood of Him who loved me and gave His life for me. He has called me with a holy calling and by His name I am called.

As it is written: For it is He who delivered and saved me and called me with a calling in itself holy and leading to a life of consecration, a vocation of holiness. He did it not because of anything of merit that I have done, but because of His own purpose, and grace which was given me in Christ Jesus.

As it were, I am now cut off from evil consequences. I am spiritually and physically separated from their do's and don'ts. I no longer belong to any generation upon whom God could visit the sins of their fathers. Christ has redeemed me from such curses of the law. I cannot labor any longer under the weight of such yokes and burdens; I have received the yoke of Christ which is easy and His burden which is light.

Therefore, every interference of household wickedness and ancestral spirits in my life and my ministry is a transgression against the covenant promises of God concerning me; For it is written: "touch not my anointed and do my prophets no harm."

For this reason, as the God of heaven lives, let every manifestation and exhibition of rebellion from the ancestral and family spirits receive the undiluted anger of my God who is a consuming fire.

For it is written, it is a righteous thing for God to repay tribulation to those that trouble me. Therefore, let every association of wicked spirits assembled against me be shattered by God. Let their grip on my life and family be broken. Let their projections return to them. Let their plots, schemes, maneuvers and operations receive divine frustration, and let their wickedness come to an end in my life.

I reject every evil family and ancestral transfers. I reject and renounce their evil names. I break the power of any evil dedication placed upon my head, every pledge, vow, promise or covenant ever made on my

behalf with these spirits. I renounce and reject them and cut myself off from them with the blood of Jesus Christ.

Henceforth, let no ancestral or evil family spirit have any hold on me. Let them not have any entry point into my life, for now I bear in my body the marks of the blood of the Lamb of God who has paid the price for my life and has bought me to belong to Himself eternally. Amen.

Jesus is Lord of the earth. The earth with all its fullness belongs to God.

As a joint heir with Jesus, I claim the wealth of this earth, for it belongs to Jesus. I claim all that Jesus' death and resurrection made available for me to receive.

In Jesus' name, I command my portion of the wealth of this earth to be loosed now. Every power or personality hindering my portion from getting to me, I bind you now.

I render you ineffective against me in Jesus' name. I command wealth to come to me now in Jesus' name. Jesus is Lord of my life. Jesus is Lord of my finances. Jesus is LORD!

The Lord is my banker; I shall not owe. He makes me to lie down in green pastures. He restores my losses. He leads me besides the still waters. Yet, though I walk in the valley of the shadow of debt, I will fear no evil; for You are with me, your silver and your gold, they rescue me. You prepare a way for me in the presence of financial challenges.

You anoint my head with oil, my cup runs over. Surely, goodness and mercy shall follow me all the days of my life, and I shall prosper and live in abundance in the name of the Lord. Amen.

My God has enough riches in heaven in Christ Jesus. I enter into this from now on.

Starting today, I have passed through the night of financial crisis. My morning of joy has come...
