## DEDICATION

This book is dedicated to the **HOLY GHOST** for inspiring me to write this eye opening book.

## APPRECIATION

My appreciation goes to my dedicated wife, **MRS NGOZI OLAYERI,** who typed the manuscript of this book and designed the cover page. My darling wife I say thank you. My appreciation equally goes to my lovely children, **MISS IBUKUN, DAVID, MICHAEL COMFORT and MERCY.** They encouraged me day and night as I write this book

Respect and honor should be given to who is due. Favor comes from God and men as well. My calling (writing evangelism) met the timely support of a particular man of God, preacher, teacher, prophet and General Overseer. He awakes my inner man and gave me sound spiritual support. Without his earlier support for my first book, **Fire for Fire Prayer Book** and subsequent ones, I may not be where I am today in Christian literature writing. He gallantly stood by me in fulfillment of my calling.

This book you are holding is a testimony of my claim. This book wouldn't have seen the light of the day, if not for the spiritual encouragement I gathered from my father in the Lord who served as spiritual mirror that brightens my hope to explore my calling.

I am talking of no any other person than the **General Overseer of MOUNTAIN OF FIRE AND MIRACLES MINISTRIES WORLD WIDE, DR. D. K. OLUKOYA.**

Once again, I say thank you sir. Your support has yielded yet another earth shaking book.

THANKS.
**Evangelist Tella Olayeri.**

## PREFACE

A man's enemies are in his lineage. They knew you in the beginning. They knew you at birth and as you grow. They monitor you in order to destroy you. They amputate destiny and are Goliath that destroy. Being a born again Christian will enable you to recognize them in the family and know how to pray about it. This is the value you gain in the church. You must be on fire and understand the scripture.

Blood line enemy is terrible. **"A man's enemies are the members of his own household" Micah 7:6.** This is how terrible is the situation. We are confronted with all manners of problems. An adage says, "There is no fire without smoke" You say Satan is attacking you, without the instrument of human being no spirit can carry out operation. Many people unknowingly make themselves available as vessel for evil spirit. A brother doing well in another town may be attacked if he visits home. The attack he never experience come visiting and hitting him badly after he visiting home. Some don't go back alive.

There are people in the family that monitor you. They have evil monitoring mirrors. They monitor your activity to the letter. They know when you wake, distance is no barrier. They manipulate you with witchcraft power. When they see good things coming your way, they manipulate it, scatter and reverse it. In some cases they kill their victim believing nobody can challenge them.

Bloodline enemies are against breakthrough. They know you want to blossom. They are ready to quench the fire of glory in you. They are mad at doing evil. They won't allow you grow. The old men and women at home are not happy you are making it. Your siblings are not happy. Your uncles are at war against you. Your nieces are bitter against you. Your aunts are grossly furious at you. The ancestral gods or idol in your home are

disturbed with your religion and growth. Everywhere around you is fire. Dark fire determined to consume you. Are you available to be consumed by these powers and personality? You must not allow danger to consume you.

The enemy sold their life to Satan. They mess you up and put you on emergency list. Do you know what? Enemy may meet Jesus any time and surrender to him; meanwhile he messed you up and shattered your destiny. Who bears it, you of course? You don't play with enemy. If he doesn't let you go, destroy him. The wicked is wicked. If you are not strong in prayer, they will eat you up like biscuit and suck you like orange. This is total destruction. Wake up, wage war against the enemy assign to destroy you. The enemy wants to make you barren and turn your beauty to ashes.

Bloodline spirits cause havoc and consume families. It is a spirit with pride and anger. Good things in the family are forbidden. Household wickedness lures you to do evil and make mistake so that you trade in failure and backwardness. It makes life difficult and unbearable for victims. They are noted to cry and be in agony in the society.

The powers of your father's house are smart at stopping you from progressing. They mock you and never like you to succeed. Household enemies are now slave masters ensuring no one grow in the family. They are satanic supervisors and demonic monitors. They gang up to destroy. In the family, you are betrayed. You are not loved. It is not a matter of your skin, age or height. Strangers will come and live in your house or town and make it, while family members are pegged to poverty. They will not empower you, rather they will look for how to destroy you.

It is a great opportunity to come across this book loaded with violent prayers vomited by the Holy Spirit. Let this book be a companion to your Holy Bible. Doing this will let you have benefits of the followings:

- Enemies are silenced and crippled while doors of opportunities open to you in the physical and in the spirit.
- Owner of evil load will carry their load without complain.
- Your blessings buried in the spirit to cause failure that leads to stagnancy, high blood pressure and woes shall end and you shall recover your blessings.
- Every stubborn pursuer after you shall summersault and rise no more.
- You shall be victorious in whatever you lay hands upon. The light of God shall shine upon you.
- The lion in you shall roar against the wicked and they shall flee and never return to cause havoc in your life.
- You shall not be an outcast in your linage or be a disgrace in the battle of life.
- You shall start well and end well in every project you lay hands.
- The time to fight and win the battle against the dragons in your lineage is now.

Pick this book for total victory.

# CHAPTER ONE

# HOUSEHOLD WICKEDNESS

***5 Trust ye not in a friend, put ye not confidence in a guide: keep the doors of thy mouth from her that lieth in thy bosom.***
***6 For the son dishonoureth the father, the daughter riseth up against her mother, the daughter in law against her mother in law; a man's enemies are the men of his own house.***
***7 Therefore I will look unto the LORD; I will wait for the God of my salvation: my God will hear me.*** **Micah 7: 5-7**

These verses reveal you must not trust neighbors and family members in the circumstances of life. It is not everyone that laugh with you, loves you. In fact, most times they show likeness on their faces but hardened in mind. You are hardly loved. Neighbor includes people in your office, business partners and people that live around you. Care and help are at times far in them. Instead of raising and lifting you, they dig grave to bury you. They form gangster to pull you down and assassinate your character. They are loaded with mockery. They turn you to nothing in the spirit and manifest it in the physical.

A man's enemies are his lineage. They knew you in the beginning. They knew you at birth and as you grow. They monitor you in order to destroy you. They amputate destiny and are Goliath that destroy. Being a born again Christian will enable you to recognize them in the family and know how to pray about it. This is the value you gain in the church. You must be on fire and understand the scripture.

Cain and Abel were brothers being the first nucleus family to settle on earth. No relatives, no other brothers or sisters around! Just two of them!

Imagine you are a man and have only one brother in a city or a country. Imagine the vast land around. Two of you can't cultivate the land and finish it. Yet, because you or your brother lost a contest you prefer to kill him! This is how it looks.

This is the account; **Genesis 4: 1-5**.

***1 And Adam knew Eve his wife; and she conceived, and bare Cain, and said, I have gotten a man from the LORD.***

***2 And she again bare his brother Abel. And Abel was a keeper of sheep, but Cain was a tiller of the ground.***

***3 And in process of time it came to pass, that Cain brought of the fruit of the ground an offering unto the LORD.***

***4 And Abel, he also brought of the firstlings of his flock and of the fat thereof. And the LORD had respect unto Abel and to his offering:***

***5 But unto Cain and to his offering he had not respect. And Cain was very wroth, and his countenance fell.***

Here, doing the right thing that leads to success and favor of God create room for household wickedness. While your parents tarry in prayer and fasting, attend church service and seek the face of God, others are busy doing evil to truncate you. They don't add value to life. They are Satanic. They worship and boast of evil they do. When it is time to reap the godly good harvest, they have nothing to show. They are bitter and discouraged. At the turn of situation they felt unhappy and they attack.

Imagine the way Cain answered God when he was asked of his brother, Abel. He was proud and arrogant. This is the spirit of household wickedness. The audacity, the arrogance, the pride and ego he responded to God was abnormal after doing evil. Hear him. ***Then the LORD said to Cain, "Where is Abel your brother?" He said, "I do not know. Am I my brother's keeper?"*** **Genesis 4:9.** He talks as if God was his mate. This led

to his fall and doom. Unfortunately, this is the first born child on earth. He forgot we are flower that fade in a twinkling of an eye. Abel was not killed from outside but was killed within.

Most people are under the attack of parents, siblings, uncle, aunts and generational bloodline. The spirit of Cain still exists today. They don't kill physically but kill in the spirit, through witchcraft and other evil medium. Some don't go far to visit herbalist but are character assassins. They quench the light of progress and deny you generational wealth.

The powers of your father's house are smart at stopping you from progressing. They mock you and never like you to succeed. Household enemies are now slave masters ensuring no one grow in the family. They are satanic supervisors and demonic monitors. They gang up to destroy. In the family, you are betrayed. You are not loved. It is not a matter of your skin, age or height. Strangers will come and live in your house or town and make it, while family members are pegged to poverty. They will not empower you, rather they will look for how to drag you on the floor or bring you down. They frown at your success. They contribute to raise a generation without hope, without direction and confidence. There is no how good things can be done in the family to expand. It is always stories of woes.

Household enemies don't believe ordinary men in the family can rise and be somebody. The question is when shall they change the culture of wickedness and support good things of life? The time is going; there must be game changers in the society. We must build investors, financial giants and people that have liberal mind to succeed. This is not only generational issues but the nation at large. In Africa, the moment you set up business, it is ruined! What a pity. It is ruined as a result of witchcraft, jealousy, insincerity of workers and pulls it down-syndrome.

Let's look at Joseph and his brothers. He was hated to a point of death. What was his offence? He dreamt and told his household. He had two dreams that show he will one day be a leader. The first dream: ***And he said unto them, Hear, I pray you, this dream which I have dreamed: For, behold, we were binding sheaves in the field, and, lo, my sheaf arose, and also stood upright; and, behold, your sheaves stood round about, and made obeisance to my sheaf.*** **Genesis 37:6-7.** His brothers challenged him. They held it against him. He had another dream. ***And he dreamed yet another dream, and told it his brethren, and said, Behold, I have dreamed a dream more; and, behold, the sun and the moon and the eleven stars made obeisance to me.*** **Genesis 37:9.** His father challenged him. Joseph was in between his father and his brothers. His brothers waited for an opportunity to destroy him. He eventually walked into their hands.

Immediately, they saw Joseph far away, they said: ***And they said one to another, behold, this dreamer cometh. Come now therefore, and let us slay him, and cast him into some pit, and we will say, some evil beast hath devoured him: and we shall see what will become of his dreams.*** **Genesis 37:19-20.** These are Joseph's bone of his bone, and flesh of his flesh. Your enemies are out for your dream. They want to truncate it and make you helpless. This is Joseph of the same blood with his brothers treated this way. His brothers are out for his dream. As it was with Joseph, so it is with you. Your dream matters. This is why you don't tell people your dream or plan. They will be out to scatter it. Your dream makes you an enemy in your own house. Joseph was the youngest to his brothers, except Benjamin. He wasn't hated by outsider. He was hated from within. The conspiracy was within. He was sold to strangers. Household enemy can sell you in the spirit to unknown hands. You may be surrounded by many brothers and sisters; you are alone unless you are in Christ. Your dream can make you a target. Your

dream can set you up for assassination, destruction and waste. Wasters are in the family, ready to waste destiny. They will eliminate you before you know it. The enemy of a man is from his own household.

The Lord will provide escape route to you, in the name of Jesus. Amen. This prayer is for a purpose. It makes me remember Abimelech in the book of **Judges 9:1-8.**

***1 And Abimelech the son of Jerubbaal went to Shechem unto his mother's brethren, and communed with them, and with all the family of the house of his mother's father, saying,***

***2 Speak, I pray you, in the ears of all the men of Shechem, whether is better for you, either that all the sons of Jerubbaal, which are threescore and ten persons, reign over you, or that one reign over you? Remember also that I am your bone and your flesh.***

***3 And his mother's brethren spake of him in the ears of all the men of Shechem all these words: and their hearts inclined to follow Abimelech; for they said, He is our brother.***

***4 And they gave him threescore and ten pieces of silver out of the house of Baalberith, wherewith Abimelech hired vain and light persons, which followed him.***

***5 And he went unto his father's house at Ophrah, and slew his brethren the sons of Jerubbaal, being threescore and ten persons, upon one stone: notwithstanding yet Jotham the youngest son of Jerubbaal was left; for he hid himself.***

***6 And all the men of Shechem gathered together, and all the house of Millo, and went, and made Abimelech king, by the plain of the pillar that was in Shechem.***

***7 And when they told it to Jotham, he went and stood in the top of mount Gerizim, and lifted up his voice, and cried, and said unto them, Hearken***

***unto me, ye men of Shechem, that God may hearken unto you.***
***8 The trees went forth on a time to anoint a king over them; and they said unto the olive tree, "Reign thou over us".***
Abimelech became a terror in his father's house. He wanted to be a leader by all means. To achieve this he slaughtered his seventy brothers in one day on a stone. He slaughtered his brother to achieve his aim. Is it not written in the book of **Judges 9:5 And he went unto his father's house at Ophrah, and slew his brethren the sons of Jerubbaal, being threescore and ten persons, upon one stone: notwithstanding yet Jotham the youngest son of Jerubbaal was left; for he hid himself.** Say this to yourself. "I will escape from the wrath and wickedness of household enemies in the name of Jesus" "I will escape from the sword of the enemy and the sword of household enemy"
A brother, who believes he is insecure and is the right person to lead the family, is still in your family today. He did not want opposition in the family. It is as if political parties in Africa took after Abimelech. When a party won, it goes after opposition parties to eliminate them. They hate competition. They are selfish and wicked. Political parties that should be a political family are enemy. They don't know how to handle opposition. The rule is, "If you oppose me, I kill you". They forget that opposition is someone with different opinion from theirs. It is wrong to believe that someone who doesn't agree with you must be killed. Whatever the enemy's plan for you, it shall turn to good in the name of Jesus.
Household wickedness includes bosom friends or people you share your dream but not happy. They are unfriendly friends. Delilah betrayed Samson. So it happened to David. Friends to David enjoyed sweet fellowship with them. They are his guide. He takes advice from them. He asked them what step to take. Alas, they betrayed him. There is wickedness in them. Such

friends are not happy when they see you grow. They deliver you into the hands of the enemy. They know you in and out. In annoyance David said:
***But it was you, a man my equal, my companion and my acquaintance. We took sweet counsel together, and walked to the house of God in the throng. Let death seize them; let them go down alive into hell,for wickedness is in their dwellings and among them.*** **Psalm 55:13-15.**

Betrayal has no boundary. They operate borderless attack. Judas Iscariot was with Jesus as a disciple but betrayed him with a kiss. Judas Iscariot represents household enemy among the twelve. What ended Him? He committed suicide. Your arch enemy, the stubborn pursuer in your family that refused to let you go, shall die mysteriously in the name of Jesus. Amen.

Arise brethren; speak prophetically to your destiny this way. “The spirit of Christ is in me. I am loaded with powers that disgrace household wickedness. I will not be stranded in my business, in my office and in my career. I reign by hearing. Whatever will happen to me, my God shall speak to my ears. I may not be called into the office of a prophet, I will be prophetic. From today, no guess work, from today my ears are open to God. From today, I will not struggle with prayer, I will pray and excel. I am like mount Zion that cannot be moved. The whole world can gang up against me, they shall scatter. He that is in me is greater than he that is in the world. I know not how to fear; I am in the Lord.

I am favor personified because Christ is in me. When I go out favor is in me. When I am indoor favor of God rest on me and live in me. I have one understanding and culture. Wealth will not seize in my house. I am strong and not weak. I am the head and not the tail. I will not rise and fall. I will rise and continue to maintain it. My journey is upward and forward only. I

will keep going and never fall. Any household wickedness waiting for me to die or fall shall experience double tragedy in the name of Jesus. Amen.

# CHAPTER TWO

# BLOODLINE ATTACK AGAINST BREAKTHROUGH

This message is a very serious matter that endangers destiny of millions. It is common in Africa and Asia countries. Bloodline has pattern of relationship to a person, family, town or state.

Family bloodline may favor you or is against you depending on background. Many who started or build their background in Christ smiles at home, smiles in marriage, smiles to banks and found peace. The opposite are people whose bloodline is questioned as a result of idolatry, witchcraft power, ignorance, occult, voodoo, bad custom, illiteracy, poverty, jealousy etc.

What do we mean by bloodline? The definitions are two folds. I call the first, narrow bloodline and the second, broad bloodline. The narrow bloodline is what is popular among us. This blood line means one which relates to family and ancestral homes. This means ancestral relation that can be traced to you. It is a reference pedigree with common characteristics. It is a set of ancestors or line of descent of a person. A good definition is, a heritage or ancestry which includes your parents, grandparents, great-grand parents, and or, great-great-grandparents.

The other bloodline definition is bloodline associated with Jesus Christ. Before his birth, Israel traced their bloodline to Abraham. But after the death of Jesus, his death redeems us all to him and God. This is the bloodline of Christ.

The bloodline we shall discuss here is the bloodline that can be traced to your family, and ancestral linage. You may live in an extended family

home, or live in your home but united by name and description. This set up of bloodline is impregnated with doubts, wickedness, attack, fear, jealousy etc.

Attacks are common in bloodline. The reason is you were known long you were born, even if you are not known by family members; the day you were born is traced to your parent. As you grow, you are monitored and not everyone in the family likes you. Forget the belief you are blood related. The spiritual vandal in the family looks for how to attack you. There is no step you take that meanings will not be read to it.

It is often said, life is a battle ground where the survival of the fittest live. You must be strong in prayer, with knowledge, wisdom and faith in the Lord, before you can make it. Know one thing, you have enemy within. No matter your age in the family, enemy surrounds you. They will fight your breakthrough and look for ways to silence you. Enemy is not a friend, give them an opportunity they will destroy you. They will put you under hardship and make life miserable. They chase women out of marriage and push men into divorce.

Bloodline attack is much. You can be afflicted with sickness and disease without mercy or pity. You wonder if you are of the same family and ask; do we share same bloodline? Do my parents offend them? What exactly is the problem? You must be upright to defend yourself or you will be destroyed. When you fight to defend yourself, you are not doing anything wrong. The battle is spiritual. The enemy is not coming one on one to fight you. It is decided in the family coven. They are friendly in the day but wicked at night. Some are not friendly at all. They won’t greet or play with you, or with your children. They are out to attack you and your children. Your success is nightmare to them. They are angry at it. It is better not to see it or imagine it.

Blood line enemy is terrible ***"A man's enemies are the members of his own household"*** **Micah 7:6**. This is how terrible the situation. We are confronted with all manners of problems. An adage says, "There is no fire without smoke" You say Satan is attacking you, without the instrument of a human being no spirit can carry out operation. Many people make themselves available as vessel for evil spirit. You hear of a brother doing well in another town, but attacked when he visits his village. The attack he never experience come visiting and hitting him badly after he visited home. Some don't come back alive.

There is the story of this brother, he felt like visiting home in Easter period. He planned to spend three days. He prepared well. He bought gifts for his family at home. They are his uncles, sisters, siblings and wives of his uncle and step mothers. He was well received and was happy. He distributed the gifts to them all. He was to move the fourth day. But something strange happened in the third day he will leave. A man, who did not complain of headache or cold, didn't wake. He died. To the shock of his mother, it was the dead body of her son she wakes to see. She called him severally but there was no response. The man died. His father was dejected. The parents went to consult herbalist.

This is what the parents know; not Christ. Rituals were done. The woman who did it ran mad! Really, they knew who did it, but the young man died untimely. The background of this man is occult, witchcraft and not Christ. It is said, a family without Christ is loaded with crisis.

This is half of the story. The man wedded not too long ago. He had twins years earlier. The family went to where he stays, sent the wife away, seized his bank account document and packed his properties to the village. The twins were taken from the woman. It is there culture, or can I call it tradition? Not quite long after three months the babies were in their large

compound, they slept like their father, and never wake. They died! Their father died recently and the twins died! This is calamity and sorrow. Bloodline tormentors tormented the family. I pray, bloodline attack will not consume you. Amen.

There are people in the family that monitor you. They have evil monitoring mirrors to do it. They monitor your activity to the letter. They know when you wake, distance is no barrier. They manipulate you with witchcraft power. When they see good things coming your way, they manipulate it, scatter and reverse it. In some cases they kill their victim believing nobody can challenge them. The book of **Psalm 10:8-9** says, ***He sitteth in the lurking places of the villages: in the secret places doth he murder the innocent: his eyes are privily set against the poor. He lieth in wait secretly as a lion in his den: he lieth in wait to catch the poor: he doth catch the poor, when he draweth him into his net.*** They are terrible in village and at home. They hide in secret places looking for innocents. They devour! They kill! They destroy!

When they lured you to their close places they devour your destiny. This is the work of the wicked in the bloodline. They carry out evil assignment and sacrifices, they carry out rituals, they do incantations, they pronounce spells and jinx to scatter destiny of the innocents. They forget bloodline. They count you as enemies. They remember the offence of your great grandfather, and what your father did to them. There are situations when the person who attacks you died years back, but the evil he did still fights around and fight back when you pray. You must rise, pray and destroy the evil they did. You must counter and neutralize it. It is time you silence the enemy that vow you will not see breakthrough.

We experience and face challenges of life. You tried all manner of things, nothing works. All you understand is, in the family everyone has one

challenge or the other. Whoever wants to climb is pulled down. You spend time, no result. You spend energy in everything that comes your way, no result. You spend money and material, you count losses. You go into fasting and prayer; it is as if problem increases. What can I do again? You ask yourself. The answer is, your last option will work but you are not patient. Fasting and prayer is not fire brigade. You don't apply fire brigade approach in fasting and prayer.

Fasting and prayer have end results. Expect result when you fast and pray. Build faith and hope. You can't trade with God and fail. Check yourself. Do you smoke and drink? Stop it. Are you into lust, and promiscuity; stop it. Do you think in the flesh or flesh still controls you, let Holy Spirit do it. What count against people is, they want to be in the world and in Christ same time. Going to church is not enough, be in Christ. They are two sides of a coin. They go together. Bloodline attack from parents, idol, siblings, family line, uncles or sisters is something deep. They know you well and attack you better.

You don't pity enemy, they don't pity you, but laugh and happy at your failure or downfall. As long as you are on earth you are surrounded by enemy. No matter how kind or good to people or family, they find faults. Jesus went about doing well, he was surrounded by enemy. They are Jews! Bloodline attack! The more you are blessed, more the enemy you have. Enemy will hang around you whether you are beautiful, handsome or not. You must not give up, fight for your estate. Enemies are ready to destroy you. Wake up! Be a soldier in Christ, pray without ceasing. Defeat your enemy with super bomb prayer.

Powers in your linage can gang up against you. Conspirators are everywhere. What is the source of power in your lineage? There will be confusion if everyone goes his own way. Division sets in when some are

traditionalist, some are cultist, some are Muslims and some are Christians while some are atheists. In the midst of these, you must be prayerful.

They form association. They form gangs. They operate in the dark world. They torment people in the family. They associate themselves to frustrate you. Your bloodline is mad at you. They form evil crusade, the reason you lose your job. They fire evil arrow at you so that you lose at the edge of breakthrough. They ensure you fight your helpers or make mistake to hate you. Enemies gather against you in there kingdom. Why do they do these, when you don't offend them? They see you as a glory carrier and a man or woman in Christ. They don't relent in effort in pursing you; so you must pray and fast, read the word and never go back to the world.

In the third world, you hardly see a home not under the spell of witches and wizards. They are everywhere. They torment people, cause confusion and bitterness. They are crazy to kill and drink blood of men. It is time you subdue powers of witchcrafts confronting you. You must not bow before them. Look unto Jesus and have upper hand. The Lord shall make your enemies confess and surrender. They shall hands off your situation. Any power or personality that will not allow you have peace shall not have peace but sorrow.

It is time you rise and resist the enemy. Resist the enemy and he will flee. Enemies will surround you as long as you breathe on this planet earth. Anybody who will not allow you have peace is your enemy. Anybody who wants to manipulate you in the spirit and in real life, so that you enter pit of failure, is your enemy. Anybody who wants you to be jobless and be a beggar or homeless is your enemy. Anybody who wants your children to die or be useless is your enemy. Anybody who doesn't think well of you, is your enemy. Anybody that falls into this category is a minus to your

growth. They think of elimination and stagnation towards you. It is time you resist them and let them flee!

Bloodline enemies are against breakthrough. They know you want to blossom. They are ready to quench the fire of glory in you. They are mad at evil. They won't allow you grow. The old men and women at home are not happy you are making it. Your siblings are not happy. Your uncles are at war against you. Your nieces are bitter against you. Your aunts are grossly furious at you. The ancestral gods or idol in your home are disturbed with your religion and growth. Everywhere around you is fire. Dark fire determined to consume you. Are you available to be consumed by these powers and personality? You must not allow danger to consume you.

I say it again; you must not allow danger to consume you. Enemies are wicked. If you go into business where everybody makes it, yours will be failure upon failure. If you say, let me make use of my certificate, after all, I have first class, you won't be considered. You try your hands here and there, no result. Today, you will record awesome solution to your problems. The era of coming out of one illness and enter another is gone. The era of lost at the end of breakthrough is gone. Every bloodline attack in your life is over, in the name of Jesus.

The book of **Job 18:5-17 says;**

***5Yea, the light of the wicked shall be put out, and the spark of his fire shall not shine.***

***6 The light shall be dark in his tabernacle, and his candle shall be put out with him.***

***7 The steps of his strength shall be straitened, and his own counsel shall cast him down.***

***8 For he is cast into a net by his own feet, and he walketh upon a snare.***

***9*** ***The gin shall take him by the heel, and the robber shall prevail against him.***
***10*** ***The snare is laid for him in the ground, and a trap for him in the way.***
***11*** ***Terrors shall make him afraid on every side, and shall drive him to his feet.***
***12*** ***His strength shall be hunger, bitten, and destruction shall be ready at his side.***
***13*** ***It shall devour the strength of his skin: even the firstborn of death shall devour his strength.***
***14*** ***His confidence shall be rooted out of his tabernacle, and it shall bring him to the king of terrors.***
***15*** ***It shall dwell in his tabernacle, because it is none of his: brimstone shall be scattered upon his habitation.***
***16*** ***His roots shall be dried up beneath, and above shall his branch be cut off.***
***17*** ***His remembrance shall perish from the earth, and he shall have no name in the street.***
***18*** ***He shall be driven from light into darkness, and chased out of the world.***
***19*** ***He shall neither have son nor nephew among his people, nor any remaining in his dwellings.***
***20*** ***They that come after him shall be astonied at his day, as they that went before were affrighted.***
***21*** ***Surely such are the dwellings of the wicked, and this is the place of him that knoweth not God.***

It is time you rise and expose the works of darkness troubling your destiny. Whether you like it or not, you are under the manipulation of dark powers.

It is dark power that empowers bloodline attack. The evil doers in the family and ancestral powers form alliance to destroy peace and breakthrough in the family. When they attack the family, shakes and confusion sets in, everyone shivers at their evil. What may confuse one in their rage is, those involved are close to you in the family. Most time, you eat together, go out together, sleep together, swim together and even go to church together. But when you pray deep, you know them deep. It is then you know they are arch enemy.

Many are cursed today, so are families, towns, land and nations. A cursed person hardly progress. Anyone cursed, experience closed door. A cursed person can run mad. A cursed person experiences stagnation, sorrow and hatred from people. Helpers pass you by because you are cursed and with evil mark in the body. At times you are rubbed with bad ointment that keeps people at distance. Enemy knows how bad a curse is, that is why they invoke it so that you lose sleep. You can't endure family problem, or else, you sink. You either step aside or pray violent prayer to shake and destroy their power. If you don't take either step you will sink. Don't allow enemy find loophole in you. This is the point they operate and rain curses at you. A curse can come from ancestral idol power, parents, uncles, aunt, siblings, brothers and sisters. They are your bloodline.

Wherever curse comes, reverse it and return it to the sender. Reverse every curse to the enemy. Those who curse shall be cursed. As a child of God those who curse you shall eat of it and use their head to carry it; unless they don't eat what is cooked on fire; unless they don't wear cloth, unless they don't sleep; unless they don't drink water, unless they don't wear shoes, sandal or slippers, unless they don't walk on earth; unless they don't use toilet, unless they don't birth, unless they don't enter vehicle or fly; unless they don't talk, see or breathe. If they do any of these, they are doomed!

You don’t fold your arm when enemy fights you. You don’t fold your arm when enemy are destroying you. They are powers you must face and bring down. They put you in miserable condition and make fun of you. They deny you benefit of life. They vow to kill you. These are people you know in the day, but are lions in the thick of the night, when everyone is asleep. They look for whom to devour. They choose you as target. They thought you are soft, tell them you are hot. Every bloodline power targeting you for evil shall dry up like stock fish, in the name of Jesus.

In every insult and attack, the Lord will avenge for you. In the book of 1kings chapter 13, king Jeroboam insulted the Man of God from Judah, a prophet of God. He pointed his hand at him but it withered. Are we not serving the same God? As a child of God, you are not exempted to be protected of your enemy. Those insulting you in the spirit shall fail. The hand stretched at you in the sleep shall wither. This is what the wicked in the bloodline does. They choose to be wicked and dangerous. But today, the Lord is against them. The Lord shall pronounce instant judgment against them.

Enemies are happy when they attack and defeat you in the dream, expecting your fall. Reverse the situation in prayer and let the table turn against them. Fire them nonstop in prayer until they bow. Arise in Christ, the only way you know. Never allow enemy at home make you search for what to eat in the dustbin of life. Don’t say it can’t be. They are wicked and can go far in the spirit to destroy or scatter destiny. There are directors of companies years back who find it difficult to feed today. Be strict in your dealing with people. The heart of men is deep, you hardly know it.

The enemy sold their life to Satan. They mess you up and put you on emergency list. Do you know what? Enemy may meet Jesus any time and surrender to him; meanwhile he messed you up and shattered your destiny.

Who bears it? you of course. You don’t play with enemy. If he doesn’t let you go, destroy him. The wicked is wicked. If you are not strong in prayer, they will eat you up like biscuit and suck you like orange. This is total destruction. Wake up, wage war against the enemy assign to destroy you. The enemy wants to make you barren and turn your beauty to ashes.

The fact is, you must pray. You must take care of yourself. You must defend yourself. You must go into battle in prayer. You must fast. You must build faith in the Lord. You must belief in the Lord. You must be hopeful in the Lord. Fight for greatness in the Lord. Be a permanent partner in the Lord. The sky may be far from earth, you are his child. He is beside you, around you, within you, and all over you. He is Omnipresent, always by you. He is Omniscience; he knows all things as creator of the heaven and earth. He is Omnipotent, he can do all things, he has unlimited power. He has great power and influence upon us and everything. Bloodline trouble is minor to him!

Ancestral power may bury your destiny in the spirit. Your siblings can do it. Your parent can do it for wealth or punish or fight you. This attack is called grave attack. It is the forceful, burial, confiscation or the cage of a person blessing by the enemy. Many people virtues are confiscated and buried by the enemy in the spirit and you may not be an exemption in your family. The blessings can be promotion, money, wealth, destiny, benefits and gains. They are spiritually buried in the evil kingdom.

Many are trapped in this position. They experience witchcraft burial. Their freedom is restricted and in captivity. They attack according to plan. If they want to attack your prosperity, your purse may be buried. If they want to attack your wedding, they may bury your wedding photograph or wedding ring or wedding garment in the spirit. They may build small coffin, make

incantation and bury it, to attack your glory. Once they have access to these things, they use them to represent you in the spirit.

There are times arch enemies in the family pursue to destroy you in the dream. They turn to different animal in the dream, and chase you to a helpless situation. These wicked enemies turn to masquerade, Dog, Serpent, Goat, Cow, and Lion in the spirit. They cause fear in order to destroy. These human agents may be your blood line. It is said, people that knows you kills you. Anyone that doesn't know you won't pursue you. They pursue you to cause failure and stop you from reaching your goal. Foundational problems and witchcraft practice reduced many to nothing. Their aim is to put you in bondage and cause difficulty in you. It is time to speak against powers that vow you will not succeed in life.

***12 Then shall ye call upon me, and ye shall go and pray unto me, and I will hearken unto you.***

***13 And ye shall seek me, and find me, when ye shall search for me with all your heart.*** **Jeremiah 29:11-13.**

For he that wavereth is like a wave of the sea driven with the wind and tossed.*** **James 1:6.** Therefore, I will not doubt my God, but belief he will protect me. I belief he will protect me of terrifying dreams and nightmares of being chased in the dream, being harassed in the dream, losing my wallet in the dream, going back to my former school where I write tests and fail.

O Lord, I thank you, I will live above enemy's tactics to steal from me, or to kill or to destroy me. I cast my anxiety upon the Lord as it is written, ***Casting all your care upon him; for he careth for you*** **1 Peter 5:7. Also it**

**is written, For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind 2 Timothy 1:7.** Who knows me better than Jesus, nobody. O Lord, I thank you because your mercy endures forever. By your mercy Lord, forgive my sins. You are the only one that forgives sin, hence I confess all my known and unknown sins (mention them one by one), forgive me in the name of Jesus. ***"If we confess our sins, he is faithful and just and will forgive us our sins and purify us from all unrighteousness."*** **1John 1:9.** I plead for grace to stay holy and righteous in your sight all the days of my life. I receive grace to stand firm in your will and ways all the days of my life, in the name of Jesus. O Lord, forgive my trespasses so that I can see your face and be glad in my heart.

Let your mercy go before me and open doors of blessings and testimony that shocks people that don't believe in miracles.

Every generational sin that is beginning to re-occur in my life be wiped away by the power in the name of Jesus. O Lord, defend me and never leave me alone. It is written, to any man is in Christ, old things are passed away; Lord let all things become new by your mercy. O Lord, let your mercy give me victory over sins and the works of the flesh. O Lord, I come for forgiveness of sin before you. I have done many things in my life that are evil in your sight. I accept that I committed many sins that should deny me your face. I disobey your commandments. I swim in sin and dine with sinners daily. I set my heart on vain things. My sins multiply. I beseech you; treat me not according to my deeds, but according to your love. O Lord, let me turn away from sin. Do not leave me to myself, be my Redeemer. O God of mercy, do not remember the iniquities of my past to

# THE BLOOD OF PROTECTION

***And the blood shall be to you for a token upon the houses where ye are: and when I see the blood, I will pass over you, and the plague shall not be upon you to destroy you, when I smite the land of Egypt.*** **Exodus 12:13.**

Blood of Jesus stands as a protector for me in the spirit in the name of Jesus. Blood of Jesus, stand as a protector for my family, in the name of Jesus. Whenever enemies pursue me, the blood of Jesus shall scatter them. Wicked spirit, following me about be blinded by blood of Jesus. Unto him that loved us, and washed us from our sins in his own blood,*** **Revelation 1:5.** O Lord, let me enjoy your protection and let your grace take over my life, in the name of Jesus.

Blood of Jesus activate my hands for prosperity, activate my tongue to build wealth, activate my legs to wealth, in the name of Jesus. Blood of Jesus, redeem the source of my finance and my savings plans. I plead the blood of Jesus over my prosperities, my business and career, in the name of Jesus. ## I AM PROTECTED WITH THE BLOOD OF JESUS

***And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death*. Revelation 12:11.**

Blood of Jesus atone for my sin and make me whole. Blood of Jesus protect me and my family and break yokes that may lead us to doom. Blood of Jesus redeem me from my sins and cleanse me. Lord Jesus, anoint me with your blood of mercy and forgive my sins.

Blood of Jesus bring peace and joy to my life and make me great. I apply blood of Jesus upon my life, spiritually and physically. Every stubborn problem in my life be defeated by the blood of Jesus. I command blood of Jesus to separate me from my adversaries. In my sleep protect me, in my going out and coming in protect me. Blood of Jesus, flow in my life and protect me from every accident, tragedy and death, in the name of Jesus.

Blood of Jesus, lead me out of the shadow of death. Cleanse my mind and heart of fear. ***Then Jesus said unto them, Verily, verily, I say unto you, except ye eat the flesh of the Son of man, and drink his blood, ye have no life in you.* John 6: 53**. Hence, I plead the blood of Jesus upon my life, my family, my siblings and extend family, in the name of Jesus. ***If the foundations be destroyed, what can the righteous do?* Psalm 11:3.** Blood of Jesus, flow into my foundation and deliver me and my linage of evil. Let evil arrow backfire to the sender. Blood of Jesus, nullify wicked acts and works of ancestral demons over my life. Blood of Jesus disgrace the

enemies of my soul and scatter witchcraft operation against me, in the name of Jesus.

Evil magnet in my body attracting evil to my life be washed away by blood of Jesus. Blood of Jesus settle my case today and set me free of captivity of the enemy. I will not be troubled by the enemy because blood of Jesus, flow in me.

## HOLY GHOST TAKES CONTROL

***28 And it shall come to pass afterward, that I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions:***

***29 And also upon the servants and upon the handmaids in those days will I pour out my spirit.*** **Joel 2:28-29.**

Holy Spirit, I thank you for your protection of my life and the salvation of my soul. Holy Spirit, fill my soul and let me function with the power of your might. Holy Spirit, activate my spiritual sense organs and let me fly high, in the name of Jesus. Renew and refresh me. Incubate me with fire of the Holy Ghost; strengthen my inner man. Holy Spirit, my family need you, my linage need you, be a mighty power to our rescue, uproot what God didn't plant in my lineage and set it on fire of power. Let dark spirit that monitors us be destroyed, in the name of Jesus.

Holy Spirit, shake my foundation with your power. Like the day of Pentecost. Shake my home to the value of prayer. Let our altar prayer be guided by you, approved by you and empowered by you. Let revival happen in my home. O Lord, re-ignite the gifts of the Holy Spirit in my life and my lineage. Sentence evil spirit that trouble my linage to death.

Holy Spirit, I need your presence in my family and linage for massive revival to break captivity that held us in bondage. Speak to our heart, convince and convert us to the Lord. Pour out mighty miracles of healing and deliverance on me, my family and lineage. Let false miracle and idol of my father's house be disgraced. I hate empty miracles, in the name of Jesus.

I declare and decree, spirit of the living God, come upon me. Anointing of greatness from the spirit of God, flow in my life. Spirit of God leads me into deeper truth about the kingdom. I purge myself of spirit of disobedience. My spirit is incubated with spirit of God. I shall be led in all

matters, minor or major by the spirit of the Lord. What I do shall be approved by the Holy Spirit. My utterance is of the Lord because Holy Spirit, dwell in me. So be it.

**HOLY SPIRIT VISITS ME TODAY.**

***And when they had prayed, the place was shaken where they were assembled together; and they were all filled with the Holy Ghost, and they spake the word of God with boldness.*** **Acts 4:31.**

Holy Spirit, come to my life, grant me grace to know you better. You are loaded with great signs and wonders. ## PRAYER AGAINST EVIL OBSERVERS

***The Lord shall cause thine enemies that rise up against thee to be smitten before thy face: they shall come out against thee one way, and flee before thee seven ways.*** **Deuteronomy 28:7.**

Evil observers are powers that monitor people in the spirit and give report of your activities to their evil master. They are spies that monitor progress, marriage, growth and blessing. O Lord, silence evil forces around me that don't wish me well. They want me to fail and fall by the way side. They speak evil against me, prophecy against me and curse to form chain of evil words, but today, the chains are broken in the name of Jesus**. *Though I walk in the midst of trouble, thou wilt revive me: thou shalt stretch forth thine hand against the wrath of mine enemies, and thy right hand shall save me.* Psalm 138:7**. At the mention of your name dark forces around me shall scatter. They disintegrate and shall never come together again.
