PRINCESS TEACH ME
HOW TO PRAY!
ezekiel BENSON

"Hello Friend!
My name is Princess and I am so glad to have you read my book.

My Father thought me how to pray for my success and prosperity in life and that of my entire family and nation.

I have seen my life and that of my family changing and growing; getting better everyday with the blessings of success, prosperity, favour, joy, peace and divine protection as a result.

I'll like to teach you how to pray and get thesame results!

So come along with me to the next page and let's begin our journey into the life and power of prayer!"

Anoint and empower me today to live right, to have good success, to prosper, to make steady progress and to overcome every problem that comes my way in Jesus Name!"
