

Revelation - Series 10

- The Will Of God

"You did not choose me, I chose you"

It was never our will. Jesus didn't ask us if we feel like loving, we're command to love. The will of Jesus concerning us is; for our restoration, then, for creation to be restored through us. The purpose of Life is the will of Jesus as found in John chapter 17

To become like Jesus

To be closely right where He is

To become one with Him

Loving others; [restoration]

The cross is God's will. You're not here to do your will but the will of the Father whom has sent you. Patience and love. Love and patience. We must know joy in suffering as Jesus did for us.

If we must have greater glory in Christ Jesus then we must be willing to bear and greater cross. Greater cross - greater assignment. Greater cross - greater sacrifice, [death to self] to bear it.

Greater cross requires greater death. The flesh must be subjected to death to allow God's strength manifest in us. If we must do the work of the Father, if we must bring joy to the Father, then we must subject the flesh to death. No man can do the works of the Father, no man can do things of the spirit unless He becomes spirit, I mean; unless He dies more for God's spirit to take over.

Your degree of death will determine how much of God's assignment you can bear. Your degree of death will determine how much of weight of the cross you can bear. Fasting and prayer opens the door for God to enter in rapidly. And as He does, we become less of self and more of He who is spirit. For the Lord wearies and faints not.

In all, we in actuality finds strength in death [cross]. In other words, the more we increase, the greater much is expected of us to give.

Do you Love Jesus? Feed them which He has given you before the foundation of the world. Love them.
You cannot love others fully untill you discover your true identity in Christ Jesus, your purpose in Life

“Do you love Me?”

Feed them

Feed My children.

Give and give overflowing. Prayer is taking in the life of God to give out the life of God.

The material is not reality but rather the immaterial [that which is unseen]. Look to reality and be conscious of the real self [spirit being], be conscious of eternal Life [Jesus]. As we surrender to be burnt, the senses will be swallowed up by God's spirit. Then, we begin to worship God in spirit and Truth.

Remember;

Our purpose must be that we may have wisdom and grace to suffer with Him and to trust Him in everything and to know to what degree our glory shall be.

The purpose of Life is beyond the Joy and pain we receive. The purpose of Life is for the glory of God.
Be ready to sacrifice your time, your ease, your comfort, for the glory of God.

Remember also;

Keep praying, keep rising, keep shining.
