Message To A Friend

Like David

"David a man after My own heart."

David had a repentant heart. A repentant heart is a heart that seeks to become like Jesus. Repentance is grace to become like Jesus.

Whenever darkness is revealed in our hearts such as; self-centeredness, selfishness, pride, anger, offence, lack of love, impurities... Whenever darkness is revealed in our heart, it is grace to become more of Jesus who is light. The holy spirit allows this, He reveals darkness in us so we can turn to Jesus who is light for Repentance.

Repentance then gives us grace to become more of Jesus. This is a mystery, the more we become like Jesus, the more He entrust Himself to us. That's why David became great before God and a dear friend of God, because He had a repentant heart.

When we say "repentant heart," people often sees David's adultery, no, that's not it, a repentant heart is a daily relationship with Jesus. If we pray always in our heart, if we are in fellowship always in our heart with Jesus, in prayers, in Spiritual songs, in His word, in meditation, it keeps us always in His presence where there is light, this light reveals the darkness in us to bring us to Repentance.

Keeping our heart always in communion with Jesus also builds relationship and the reward for our relationship is Jesus. We become whatever we give our attention to [ light or darkness ]. We increasingly become the very one we give our attention to. This is why Jesus came to restore us to become like Him by relationship [ Love ]

David also has great love for God. He desired to know God personally. That's why He was known also as a priest. David walk with Jesus, even though Jesus had not yet come in flesh. He desired relationship. Seek Him in His word and in prayers, seek Him in your heart and you'll find Him close. It's

possible to talk with Jesus just as we are talking, that's His desire for us. He desires relationship. There's no greater purpose than walking closely with Him here and now.

Feed on God's word slowly, attentively and repeatedly, with only one desire; to know Him. His word is food for our soul, when we take in His word, we take in His very Life transforming us into His very nature, His every nature. His nature are not lost in the first church. If we can see His word as life and give our heart to receive, then we'll be increasingly restored from death to life

God is ever willing, we just have to give our lives in return. Anyone who lays down His life for the sake of Jesus will gain it eternally.

Just be willing to sacrifice for His sake okay. First thing; "Relationship." Our relationship with Jesus is everything. If you can take care of that, if you can desire to know Him personally as a friend, then He'll entrust Himself to you.

Seek Him and you'll find Him close. Run after Him, then you'll walk closely with Him. Remember, Jesus never asked Peter if he was educated or not, he didn't ask for anything else but for only one qualification: "Do you love me?"

If you can love Jesus, If you desire to know Him personally, then your calling, your divine destiny predestined before the foundation of the time will be entrusted to you.

Love is sacrifice.

Do you love Him?

If we love Him, then we must make GREATEST sacrifice.

Thank you for revealing your heart, it gives joy to see one who desires to know God and the one used by Him.
