Location: Addis Ababa

Employment: Full Time

Deadline: December 11 2024

Job description

Rohobot Home Based Health Care Service P.L.C

Rohobot Home-Based Health Care Service PLC provides essential training to healthcare providers, nurses, and health officers. Our training programs aim to enhance knowledge in both basic and advanced nursing procedures, ensuring quality care for patients in home settings. The objective of the position is to provide high-quality training to enhance the knowledge and skills of healthcare professionals in nursing procedures.

Job Summary

Rohobot is seeking an experienced and qualified Trainer to lead our training programs. This role will involve delivering training sessions to healthcare professionals, improving their skills and knowledge in nursing practices.

Key Responsibilities:

· Deliver both basic and advanced nursing procedure training to healthcare providers, nurses, and health officers.

· Develop and update training manuals, tools, materials, and resources as needed.

· Provide guidance and support to trainees to enhance their professional development through classroom sessions and hospital attachments.

· Evaluate and assess trainee performance and progress.

· Maintain a professional learning environment and ensure all training objectives are met.

Job Requirement:

· **BA in Nursing** or equivalent having Masters is advantageable .

· Must have a **renewed nursing license**.

· Minimum of **4 years of working experience** in teaching the nursing field.

· Proven experience in teaching or training at a nursing school or healthcare setting.

· Strong communication and presentation skills.
