Objectives:

- Overview
- Parents' opinion
- Teachers' opinion
- Boss' opinion
- Colleagues' / Friends' opinion
- Self opinion

1. OVERVIEW:

- Fourth Task of Psychologists Tests.
- You will be asked to write opinions of your Parents, Teachers, Boss, Friends about you.
- Your own opinion is also to be written.
- Total time is 15 minutes
- Don't use the OLQs or personality traits directly
- Let your sentences speak about personality.

2. PARENTS' OPINION:

- You have to write what your parents think of you.
- A more appropriate way to write this portion is- write the instances in which your parents get you involved.
- E.g. My Parents ask for my advice in any family decision.
- In this example you didn't mention any OLQ (Dependable) but it is implied by your sentence that you are dependable.
- Think of some similar qualities which can be written from your parents' side and make a sentence for showing that quality.

3. TEACHERS' OPINION:

- What your teachers think of you.
- Write the sentences indicating your qualities related to academics.
- E.g. My teachers opine that I always reach my class on time. (Punctual)
- Also add one shortcoming of you (not negative trait)
- E.g. Due to my involvement in games, My marks are affected.

4. BOSS'S OPINION:

- This part is only for the ones who are working.
- Here write the views of your Boss in your own words.
- Boss wants his employees to be Regular & Sincere.
- He wants an all-round employee.
- You need to be creative to impress your boss.
- You should include all these points in this section.

5. FRIENDS' / COLLEAGUE'S OPINION

- Here you have to write your friends' or colleagues' (in case of job)opinion.
- Here qualities must be such that they show closeness to your mates.
- You should be trustworthy, honest.
- They should prefer to play games with you.
- You must be a helping hand for them.

6. SELF OPINION:

- Here you have to mention all the qualities which you think you possess.
- These qualities should be different from the qualities mentioned above.
- Make a list of your positives, and eliminate the above mentioned qualities.
- The qualities which are left now, write description on them.
