CONCLUSION

INTRODUCTION

Understanding your spiritual geographical location matters a lot as a child of God that wants to excel in his\her line of ministry and in this very end time because spiritual warfare is going on all over the world. You need a spiritual knowledge of what is happening around you in your environment, because without this very spiritual knowledge and understanding you can't go far in that which heaven has committed into your hands to prosper with, hence the forces of hell that is raging against you will do everything to stop you by force. There are spiritual forces of darkness controlling locations, and communities all over the world, and everywhere you found yourself so long as the earth is concern. These powers of darkness are in charge of cities, villages, communities, and every territory is being controlled by these satanic evil angels; these angels are very wicked and merciless: they attack the children of men with so much hatred.

They fight the people of God in a ferocious manner with so much hatred for them, because they see them as the creature that God used to replace them in His presence instead of them. These evil powers can best be described as the angry spiritual forces of darkness that are looking for who to destroy; a typical example of their operation can be seeing in St Mark gospel the story about that innocent man that was dominated by Legion of demons of oppression that was tormenting him and wants to destroy him at the end of the day before the master of the whole universe appeared to save him from their powers.

Mark 5:2-13. “

And when he was come out of the ship, immediately there met him out of the tombs a man with an unclean spirit,

3 Who had his dwelling among the tombs; and no man could bind him, no, not with chains:

4 Because that he had been often bound with fetters and chains, and the chains had been plucked asunder by him, and the fetters broken in pieces: neither could any man tame him.

5 And always, night and day, he was in the mountains, and in the tombs, crying, and cutting himself with stones.

6 But when he saw Jesus afar off, he ran and worshipped him,

7 And cried with a loud voice, and said, what have I to do with thee, Jesus, thou Son of the Most High God? I adjure thee by God, that thou torment me not.

8 For he said unto him, Come out of the man, thou unclean spirit.

9 And he asked him, what is thy name? And he answered, saying, My name is Legion: for we are many.

10 And he besought him much that he would not send them away out of the country.

11 Now there was there nigh unto the mountains a great herd of swine feeding.

12 And all the devils besought him, saying, Send us into the swine, that we may enter into them.

13 And forthwith Jesus gave them leave. And the unclean spirits went out, and entered into the swine: and the herd ran violently down a steep place into the sea, (they were about two thousand;) and were choked in the sea.

These evil unclean spirits came out of that man at the tomb, because they recognized higher authority of Jesus Christ over them; in other words, you can’t just order them to come out from where they live, and from who they possessed if you are not a man or woman of power and authority. The only set of people

that these wicked angry spirits fear and respect so much are the true believers, those Christians that call upon Jesus Christ and believe Him as their Lord and master they are the one they fear and respect. Beloved the knowledge of spiritual geographical location matters a lot if you want to be in control of anywhere you are. The scripture made us to understand that at a particular time the forces of hell stood against the angel that wanted to come and meet the needs of Daniel because that evil prince of darkness was in charge of that very spiritual location, and he has strong spiritual influence on the king of Medes and Persia, in other words he the evil spiritual prince of Persia controls that land through the physical king that was on the throne of Persia. If Daniel did not persist in prayer that very day over his prayer request, the answers to his prayers wouldn't have come to him, because the demonic territorial power of that land had hijacked the angel assigned to meet his needs. Now you must know this Beloveth, that there are powers of darkness claiming every cities and nations you enter into as their spiritual territory: there are some of them that Satan has given power to control communities and streets, and they are doing their job very well with all kinds of wickedness. Some are the one known as the environmental spirits and they decide what happens in every environment that they control, if the children of God in that place refuse to rise up and throw them out of that place through the power of their prayer and subdue them: there is no how they can ever achieve anything meaningful there. That is why God gave us this scripture in the book of prophet Jeremiah to help us make declaration over anything and see it come to pass as His representative and ambassador here on earth.

Jeremiah 1:10- "

See, I have this day set thee over the nations and over the kingdoms, to root out, and to pull down, and to destroy, and to throw down, to build, and to plant.

God has established every genuine believer in Christ here on earth as His battles axe, and He is expecting every one of us to act well our part so long as the earth is concern, you are to do that which He has ordained you to do to fulfill your

destiny here on earth. Because the earth is the Lord and the fullness thereof, God is the one in charge of the entire planet earth and the whole wide world, everything that is in this world is under His power and jurisdiction. Satan and all his allies know this and they dare not argue that fact with you if you know your right as it is stated in the scriptures for us. The reason why the enemy seems to have upper hand over so many believers in Christ today is because of their lack of knowledge of the word of God. The enemies knew that if all Christians are studying the scriptures the way they supposed to studied it, and practice the art of meditation according to the scripture; there won't be any problem in Christian gathering neither will the forces of darkness be able to operate among believers. That is why Apostle Paul advised us to study to show ourselves approved to God first of all as a work man that have no need whatsoever to be ashamed, as we rightly dividing the word of truth and accurately applying it to our daily life.

2Timothy 2:15- "

Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

God has the power over the whole heavens and the whole earth, because they are the works of His hands, and He created them for His own pleasure and whatever He wish He can do with them. Every demons and spirits believe in the power of God and they trembled before His presence and His power, because they know that He has the power to do and to undo, He can kill and make alive, and He is the greatest among other gods and idols because He is the one that created them all. Beloved, I believe that as you continue to study this very book you will encounter the spiritual reality that God wants you to know and everything will begin to turn around for your own good in life Amen

CHAPTER ONE

UNDERSTAND THE OWNER OF THE EARTH

God is the original owner of the earth because He is the creator and the maker of the earth and everything inside of it: the Bible says that He formed it in other

words He is the original architect that designed the earth from the beginning, no wonder it is written that the pillars of the earth is the Lord Himself, no wonder why it has become impossible for Satan and all his evil angels put together to discover the foundation of the earth and it's pillars, for if they have access to it they would have destroyed the earth by now in wickedness, but the owner did not revealed it to them, that's why He is called the Alfa Omega, the beginning of all things and the end, He understand the secret things of the heart of all human being and spirits as well because He created them all.

1Samuel 2: 8

He raiseth up the poor out of the dust, and lifteth up the beggar from the dunghill, to set them among princes, and to make them inherit the throne of glory: <u>for the pillars of the earth are the LORD'S, and he hath set the world upon them.</u>

He alone knows how He laid the foundation of the earth till date, and the Bible made us to understand that the foundation of the earth was laid upon the flood or waters, according to the scriptures.

Psalm 24:1-2. "

The earth is the LORD'S, and the fullness thereof; the world, and they that dwell therein.

2 For he hath founded it upon the seas, and established it upon the floods.

God wanted to laid the foundation of the earth He decided to laid it upon the waters, because He owns the waters, He created it; waters does not belongs to the water spirits or mermaids you must know and understand that, though they made it their cities where they operate at will yet it does not belongs to them, God is the original owner. Powers of darkness, the fallen angels that was cast out of heaven with Satan, some of them that fell into the waters were the one that took over waters, and they quickly turned it to their abode, knowing well that children of men cannot do without drinking waters, and bathing and to wash their clothes, even their food must be cooked with water, in fact man living on earth cannot survive without taking water for a long time. The medical scientist

said that human body contained 75 to 80 percent of water, that's why you can survive without food for some weeks so long as you are drinking water and bathing with it, but you can't survive without water for too long except you want to die.

Revelation 12:12- "

Therefore rejoice, ye heavens, and ye that dwell in them. <u>Woe to the inhabiters of the earth and of the sea</u>! For the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time.

Beloved, that is why is as if the water body are more powerful than all spirits that operate in the spiritual world of darkness, because waters dominated eighty percent of the earth, if you look at it from the map, you will discover that the place that the earth occupied is very small, water has the largest part of the earth. Don't forget this fact that the dry ground that is called earth was not visible before, it was waters that covered the face of the earth; the Bible said that God called out the dry ground out of the waters, in other words the earth was formerly underneath the waters before it was called out by God. When this divine creative works was going on satanic powers were already underneath the seas, but they couldn't stop the King of kings and the Lord of lords as He carries out His heart desire through the power of His word.

Genesis 1:9-10. "

And God said, Let the waters under the heaven be gathered together unto one place, and let the dry land appear: and it was so.

10 And God called the dry land Earth; and the gathering together of the waters called he Seas: and God saw that it was good.

Brethren, that's why the water spirits could operate at will on earth while carrying out their evil and wicked assignment on earth, because waters occupied the largest part of the earth. You must understand this fact that the earth belongs to our God and He made it by the power of His word; it is a must we know this

truth and stand on it anytime we want to fight spiritual warfare, because these facts usually dumbfound the enemies of our life and silence them, especially when you are fighting them over a territory or any geographical areas that they have dominated for a very long time. You must made them realize that they are illegal occupants, and they have no jurisdiction to operate here on earth because the Bible said that the earth has been given to the children of men after creation, not to evil and unclean spirits. God made it and gave it out to us to live in it and to have dominion over all the things that was in it, because we are created in His own image after His likeness to be in charge of the earth.

Genesis 1:27-28. "

So God created man in his own image, in the image of God created he him; male and female created he them.

28 And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.

God owns the earth, He is the one that designed it and everything that is inside of it, after the whole excellent works of creation has been completed; He now put it into our hands to be in charge. So with this very understanding we can say that God made the earth but gave it to us as our own realm the mankind; He gave it because it is the physical geographical location where we can operate as His ambassadors and flourish in all the assignment that He has committed into our hands to carry out.

Deuteronomy 10:14- "

Behold, the heaven and the heaven of heavens is the LORD'S thy God, the earth also, with all that therein is.

The earth belongs to our heavenly Father and no powers of darkness can ever argue that fact with you if you know your right in Christ, Beloveth the reason why you must fight for your right is because the earth has been given to you by

God and you are supposed to do whatever you like here on earth because it is your own place.

Psalm 115:16- “

The heaven, even the heavens, are the LORD'S: but the earth hath he given to the children of men.

Every spirits that wants to operate here on earth must take permission from the inhabitants of the earth because the planet earth is not their realm; they have no jurisdiction to operate here. Just as fish cannot suddenly change his mind that he wants to live on the trees like monkeys or the monkeys suddenly decide to live in the waters: so also spiritual entities or personalities cannot enter the earth to do any transaction without taken permission to do so by using human body. That’s why when the Word of God wanted to come into the world to save mankind He has to come through the womb of a woman in other to have human form and body, so that He can operate at will without any hindrance; He has to look like the human race haven flesh and blood running through His veins.

Hebrew 2:14-15. “

Forasmuch then as the children are partakers of flesh and blood, he also himself likewise took part of the same; that through death he might destroy him that had the power of death, that is, the devil;

15 And deliver them who through fear of death were all their lifetime subject to bondage.

The Word of God came into the world in human form through the womb of a woman so that He can fulfill His mission here on earth, and indeed He succeeded so much because He came through the right procedure, and grew according to the pattern of the human race. That is why the Bible says that the Word was made flesh and lived among men and we beheld His glory as the only begotten of the Father full of grace and truth.

John 1:14- “

And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.

Beloved, we have the right to challenge all forces of hell that invaded our home, our business area, our offices and all that rightfully belongs to us, because we are the original owner of the earth. Through this revelation may you be established in the knowledge of the word of God as you continue to fight the Lord's battles and to take every territory that God send you to takeover Amen?

Prayer points

1. Open my eyes oh Lord to understand where you have placed me here on earth so that I can fight for my right in Jesus name.
2. Reveal to me oh Lord your plans concerning the environment I found myself and teach me what to do to be in charge in Jesus name.
3. Holy Spirit of the living God open my eyes to the secret of the location I found myself and what I need to do to be in Charge in Jesus name.
4. In the name that is above all names I take charge over all that rightfully belongs to me in Christ Jesus.
5. I am the rightful owner of the earth because the earth belongs to my Heavenly Father; I hereby decree that in every location I found myself I shall flourish like the palm trees in Jesus name.

CHAPTER TWO
UNDERSTAND YOUR SPIRITUAL LOCATION

Spiritual location is vital and very important in everything you wants to do in life, because that is where your spiritual and physical allocation will come from. The blessings of a man usually come to him where he\she is spiritually strategically located by God, and at the right place. The reason is because that is where angels of blessings used to go to in other to bless that person, anytime the angels of heaven wants to bless a man by divine order; it is through his spiritual

location that they will visit that person. Now this is the irony of life, when the angels of heaven assigned to come and help you comes to where you are supposed to be as your spiritual location, and low and behold you are not there because they could not found you, he will return with that blessings that he came with to bless you, and you will continue to complain that nothing is working in your life; you will keep looking for a way out without knowing that you are out of your spiritual location when your season and time of visitation came.

That's why I pray for you today that any power that wants to move your destiny to a wrong location and direction shall be destroy today in the name of Jesus Christ.

Sometimes people used to say that success does not depend in any location, Beloveth, that statement is partially incorrect, because if you are not in the place where you are supposed to be, at the time you supposed to be there, I mean the place that has been allocated to you spiritually to prosper; there is no how you can be successful in life, because you are not where you are supposed to be, at the time you supposed to be there. Angels of the Living God works with divine instruction from God, and they do whatever they are assigned to do the way God wants them to do it, they are not rebellious like man, if they are coming for you to meet your needs and you are not at the right location, the place where you should be they will bypass you to visit those that are strategically located. The scripture told us the story of Elijah the prophet of God after he had carried out a decree before Ahab the evil king and told him what must happen by the authority of his own word. The Bible said that he went to a particular brook by divine instruction, and a raven came to feed him there why?, Because that was his spiritual location where God had purpose to meet his needs.

1Kings 17:1-6. "

And Elijah the Tishbite, who was of the inhabitants of Gilead, said unto Ahab, As the LORD God of Israel liveth, before whom I stand, there shall not be dew nor rain these years, but according to my word.

2 And the word of the LORD came unto him, saying,

3 Get thee hence, and turn thee eastward, and hide thyself by the brook Cherith, that is before Jordan.
4 And it shall be, that thou shalt drink of the brook; and I have commanded the ravens to feed thee there.
5 So he went and did according unto the word of the LORD: for he went and dwelt by the brook Cherith, that is before Jordan.
6 And the ravens brought him bread and flesh in the morning, and bread and flesh in the evening; and he drank of the brook.
Beloveth, you can never be in your spiritual location and be in want or suffer any lack, because God will always show up to prove to you that He is there with you. The Bible says that things were so difficult in the land of the philistine and Isaac was living in that same land, and suddenly he (Isaac) decided to relocate to a prosperous land, the land of Egypt just as his father Abraham did in his days, God has to appeared to him and stop him. The reason is because he (Isaac) is about moving out of his spiritual location, where his outstanding blessings will come from. Let's look at it from the scriptures as it is written.
Genesis 26:1-6. "
And there was a famine in the land, beside the first famine that was in the days of Abraham. And Isaac went unto Abimelech king of the Philistines unto Gerar.
2 And the LORD appeared unto him, and said, Go not down into Egypt; dwell in the land which I shall tell thee of:
3 Sojourn in this land, and I will be with thee, and will bless thee; for unto thee, and unto thy seed, I will give all these countries, and I will perform the oath which I sware unto Abraham thy father;
4 And I will make thy seed to multiply as the stars of heaven, and will give unto thy seed all these countries; and in thy seed shall all the nations of the earth be blessed;
5 Because that Abraham obeyed my voice, and kept my charge, my commandments, my statutes, and my laws.

6 And Isaac dwelt in Gerar:

Beloveth, Isaac was about making a terrible mistake that would have caused a lot of setback for his destiny God has to step in and correct his steps immediately, so that he will not go the way of his father. Now had it been that God did not show up and stop Isaac from going down to Egypt, do you know that he would have move out from his spiritual location where God had purposed to change his story and made him a great man, and supposing that happen; he will find it difficult to sow in that strange location and reap in hundred fold, in fact permit me to say that all his effort in that strange land would have be a wasted effort, because that was not his spiritual location, but because he was where God wanted him to be the Bible says that he sow a seed in the land where other people are dying of hunger and starvation, and reap that same year in hundred fold to the extent that the philistine began to envy him, because of too much blessings bestowed on him by the God of heaven in his spiritual location. The question is imagine that he was not where God asked him to be at the time that he supposed to be there, what would have happen to him? Now look at the result he got from his spiritual location where God wanted him to be.

Genesis 26:12-14. "

Then Isaac sowed in that land, and received in the same year an hundredfold: and the LORD blessed him.

13 And the man waxed great, and went forward, and grew until he became very great:

14 For he had possession of flocks, and possession of herds, and great store of servants: and the Philistines envied him.

Success begins in your life with outstanding progress as you locate you spiritual geographical location and do spiritual warfare to retain and to maintain that very place. Beloveth, from the moment you know and understand your spiritual locations very well, and you stand by the knowledge of the scripture to fight against all illegal occupants that is there that occupied that place your victory comes with speed. It is this very spiritual knowledge that gives you upper hands

over the ancient powers of darkness that has taken over that location you found yourself claiming to be the territorial powers there. If you lack this very knowledge the powers in that locality that is claiming the ownership of that community will deal with you ruthlessly. The reason is because they are the forces of wickedness, and the evil personalities that control that area; they are strong and very wicked. They are described as the mighty and as the terrible in the book of Isaiah the prophet, because they are physically and spiritually strong to an extent, I said to an extent because our God is the strongest; He is also the Almighty God.

Isaiah 43:24-25. "

Shall the prey be taken from the mighty, or the lawful captive delivered?

25 But thus saith the LORD, Even the captives of the mighty shall be taken away, and the prey of the terrible shall be delivered: for I will contend with him that contendeth with thee, and I will save thy children.

These evil powers usually operate base on the space given to them by man here on earth, because they do not have the right to come near us unless we permit them to do so, and give them opportunity to be part of us. The reason why so many countries in every part of the world is still backward till today; continent like Africa, Asia and many other part of the world and suffer more spiritual operation of the dark powers is because the people in that land gave their land and life to Satan and to his evil agents. Even some of them that is progressing very well have sold their nations and lives to evil powers and in one way or the other they are suffering for it today, through earthquake, storm, strange hurricane, tornados, strange out break fire, and sudden outbreak of flood. For example nations like Japan, America and so many other nations all over the world, though they are civilized, but the demons in charge of their lands are not civilized at all. Now all these evil personalities occupy all strategic location so that they the original owners of that land will find it very difficult to prosper unless they worship them and recognize them as an object of worship. These dark powers of darkness are there in those nations to fulfill the will of their

master Satan the devil by oppressing people and by killing them. That is why God promised to feed them with their own blood and flesh so that they will bow before God and recognized Him as the ultimate King that rules over the whole universe, but that can only happen if we pray and stand on the word of God for it to happen.

Isaiah 49:26. And I will feed them that oppress thee with their own flesh; and they shall be drunken with their own blood, as with sweet wine: and all flesh shall know that I the LORD am thy Saviour and thy Redeemer, the mighty One of Jacob.

In the summary of this very chapter you must understand that God is interested in your location, because that is where your spiritual allocation will surely come from. You should also know this that you are God's representative here on earth and where so ever the sole of your feet shall tread that is where God has given unto you. So stand your ground and fight for all that rightfully belongs to you, and you will be totally in charge. God spoke to Jeremiah His prophet and gave him a serious warning that he must not marry in that land where he is, because spiritually speaking there is something wrong about that land where Jeremiah wanted to take his wife from.

Jeremiah 16:1-4. "

The word of the LORD came also unto me, saying,

2 Thou shalt not take thee a wife; neither shalt thou have sons or daughters in this place.

3 For thus saith the LORD concerning the sons and concerning the daughters that are born in this place, and concerning their mother that bare them, and concerning their fathers that begat them in this land;

4 They shall die of grieviou deaths; they shall not be buried; but they shall be as the dung upon the face of the earth: and they shall be consumed by the sword, and by famine; and their carcases shall be meat for the fowls of heaven, and for the beasts of the earth.

From this very scripture you will understand that there is a curse operating in

this very location spiritually, and it will be a terrible mistake for anyone to get married there, because all this prophetic declaration will be fulfill in the life of such fellow. See beloved, that you are heavily anointed has nothing to do with this, because this land spiritually is a land that devours the inhabitants that dwell in it according to the scripture. It is very important you make serious enquiring from God before taken a husband or wife to avoid this kind of calamity after your wedding. it is better you ask question now for your own good than deceiving yourself that you are applying faith on a cursed land where God did not send you to go to. Imagine Jeremiah with uncommon prophetic anointing that could pull down and throw down and tear down anything, a seer like no other yet God warned him not to over step his boundary by taken a wife in a cursed land. So many people have been tied down by the evil forces of the land they entered into with thorough enquiring, and they are still suffering till date, because they lack understanding. They did not make enquiring before entering into the place they found themselves, and today they do not know what to do or how to escape. I pray for you beloved that you will meditate on this word and from today pray before taken any step in life so that you can succeed Amen

Prayer points

1. Heavenly Father open my eyes to know where you want me to stay so that I can do exploit and prosper in my ministry in Jesus name.
2. My Father and my God grant me divine revelation of where you have position me to prosper in this very season as your servant in Jesus name.
3. Help me oh Lord to understand the environment I found myself so that I can do exploits from today in Jesus name.
4. Reveal to me oh Lord the secret of prosperity in the geographical location I found myself and what I need to do to flourish in Jesus name.

CHAPTER THREE
UNDERSTAND THE TERRITORIAL RULERS

To understand the territorial powers or evil rulers in an environment or territory you must first understand the type of things that usually happen in that environment where you are. You must understand the type of negative things that happens in that location before you can now relate it with the powers that specialize in such evil activities. There is a need for us to know and understand this truth that every evil occurrence has demonic powers and personalities behind them, and if we fail to deal with the evil powers behind them nothing will ever change. If for example your community happens to be immorality dominated area, and the people that live there live their lives carelessly in that life style without any remorse or feel guilty: then you must wage war against the evil power they call Asmodee, because he is the fallen angel in charge of immorality; he specialize in working with an evil spirit that dwell in the waters that they call mermaid; these evil powers are responsible to every form of sexual perversion and all wicked and satanic behaviour. If for example it is lust, then know for sure that the water spirits are the one at work, and you must wrestle them down through spiritual warfare. If you happen to live in a community that is dominated with people that specialized in money ritual; community that happens to be operating with the people that have strong desire for money, and the love of it, and are ready to do anything to have it, and you discover that there is a lot of human ritual going on in that place, then you must attack the fallen angel they call Mammon, because he controls all the financial system of the earth so long as the world is concern. He is the one that is supplying money to all the people that did money ritual and all the world leaders, including all the powerful men and women that controls wealth all over the world. If you discover that people usually die in that environment where you are, maybe through one

battle or another then wage war against the angel of death they call Magog, he is a killer and a ruthless destroyer. In every geographical location there are powers in charge whose work is to control that area of location and to decide what goes on there. Every community you step into have territorial powers controlling them, and they won't just allow you to flourish in their land unless you confront them and deal with them in warfare, just the way the Amorites did not allow the children of Dan to step into their land but drove them to the mountain so also these evil spirits will never allow you to prosper in their midst until you drive them out of that territory and take charge of the whole area.

Judges 1:34- "

And the Amorites forced the children of Dan into the mountain: for they would not suffer them to come down to the valley:

There are powers that decide what happens in every community you enter you must know that, and they have their human agents that works for them there. These human agents are the one that offer sacrifice and carry out all manner of ritual on the behalf of all these evil powers so that these demons will continue to execute their wicked act without looking back. These people carry out all this sacrifice to strengthen these territorial powers and to help them fulfill their wicked desire in that community that they have taken over, and in the life of the people that they have taken captive, unless you stop their human agents and their evil sacrifice through spiritual warfare and bind the demons as well, their wickedness will continue. The only way to stop them is by waging war against them through the power of prayer and fasting, and by the knowledge and the understanding of the word of God. Beloveth, the reason why we need to wage war against all these evil satanic powers is because; if we fail to attack them they will deal with us and frustrate every good things that we truly want to do for our God. Don't forget this truth beloved that we are fighting a very wicked and skillful spiritual powers that have studied the life of human being for over six thousand years, and they know men too well, they understand how to handle the human race; the upper hand we have over them is our authority in Christ, the

Word of God, and the person of the Holy Spirit and the Name of Jesus Christ. Satan knows that he can't destroy a dedicated child of God that follow God in spirit and in truth, but he can bring some things that look spiritual and important to them just to distract them from their original assignment; that's why we need to hear from God clearly in everything before venturing into any project. (Beloved, if the devils discover that they cannot destroy you nor stop what you are doing for God and man, they will focus on how to distract you, so that at the end of the day you won't fulfill your destiny and your divine assignment Selah). Evil spirits knew that they are not permitted to operate among men with their spiritual body, so they keep looking for human being that will allow them to use their own body; just the way Satan used the body of Judas Iscariot to betray our master Jesus Christ.

Luke 23:3- "

Then entered Satan into Judas surnamed Iscariot, being of the number of the twelve.

Satan could not achieve his goal as a spiritual personality he needed a body to achieve his aim, and Judas volunteered his body for that job and the rest is history. The enemies can suggest anything to your mind, but until you give them the opportunity to use your body to carry out their assignment they can't prevail or succeed over your matter.

John 13:2,27. "

And supper being ended, the devil having now put into the heart of Judas Iscariot, Simon's son, to betray him;

27 And after the sop Satan entered into him. Then said Jesus unto him, That thou doest, do quickly.

That is the secret behind the earnest desire of devils to take possession of someone's body that they can use as a medium to carry out their actions. The demons or evil spirits can never come out in the physical to carry out their assignment except they enter human body to do so, that is why you must deal with them and those human bodies that they have possessed. The reason is

because a lot of human being that demons used today to do evil are into a strong agreement with the evil spirits that is using them to carry out their assignment, all because they needed power and satanic spiritual authority at all cost. They don't care about what it will cost them or the consequence that follows their actions or what happens to them later. These kind of people don't longer have their conscience with them because demonic powers has taken over them just like that maniac of Gadarene and the only way out is to wage war against the spirits that has taken over them in other to subdue them and neutralize their powers. Another reason why they should be dealt with is because most men and women like that is operating with so much demonic anointing do come out of their body some times and the demons that work with them will borrow that body for some time to perpetrate evil against the inhabitants of the earth, while the real owner of that body remain in the spiritual world for the period that those evil forces wants to use that body. So when you come encounter with such demons in human form you don't need to beg them, because they won't listen to you at all, what they need is divine sledge hammer of your prayer through spiritual warfare, if you fail to deal with them they won't spare your life either. Apostle Paul came encounter with Barjesus he did not plead with him or try to negotiate with him, neither did he use diplomacy no, he just open his mouth and issued judgment upon him and that settles it. Apostle Paul did not keep quiet before that satanic agent that wanted to stop the work of God, he issued a decree and heaven honoured it immediately let us learn from him.

Acts 13:8-12. "
But Elymas the sorcerer (for so is his name by interpretation) withstood them, seeking to turn away the deputy from the faith.
9 Then Saul, (who also is called Paul,) filled with the Holy Ghost, set his eyes on him,
10 And said, O full of all subtilty and all mischief, thou child of the devil,

thou enemy of all righteousness, wilt thou not cease to pervert the right ways of the Lord?
11 And now, behold, the hand of the Lord is upon thee, and thou shalt be blind, not seeing the sun for a season. And immediately there fell on him a mist and a darkness; and he went about seeking some to lead him by the hand.
12 Then the deputy, when he saw what was done, believed, being astonished at the doctrine of the Lord.

Demons in human form don't need your apology and they are not ready to make peace with you, they don't want you to beg them in any shape or form while oppressing you, because your pain and affliction is their joy. Your sorrow and sadness is their gain, your calamities and disaster are their trophy, they can't be promoted by their master Satan if the inhabitants of the earth did not cry in pain and in terrible suffering. That is why they need a word of command from you through your spiritual authority and power in the word of God and in prayer, failure to do this they will continue to carry out their evil and wicked assignment without looking back. We have given them so much legal ground to operate, it is time to stand our ground and say enough is enough to them, we must be bold enough to challenge them and stop them before it's too late. God has given us what it takes to deal with them let us use that authority now on them amen.

Now who are the territorial powers or rulers of darkness?

- They are the evil powers in every community you enter into that believe that each community they entered belongs to them by right, that's why they do whatever that please them until a man or woman of authority comes to that area and chase them out.
- They are those evil forces that control each environment and they have the power to make a lot of evil decision over the territory they occupied, that's why you must rise up for your right and declare enough is enough through spiritual warfare to stop them
- They are the wicked powers and they are not friendly at all, they see every

believer as a threat, and they can go to any lent to attack their victims without mercy. Unless that person rises up to fight back they won't back off, because they are evil and very dangerous.

- They are satanic undercover agents in every environments, you can also call them spiritual evil chiefs that decide the type of wickedness that will happen in their community and who should be the next to die, beloved these evil personalities are very evil by nature and they are not your friends.
- They claim the ownership of all environment they enter into, if you do not put them where they belong you won't have peace of mind, neither will they allow your life to be at peace or give you the opportunity to go far, because they will do everything possible to stop you.
- They are the strongman that Jesus Christ our master was talking to us about in the Bible that own a palace that is heavily guarded with all manner of weapons of war and different kind of armour, because they have a lot of valuables that does not belongs to them, they fear that someone will come and take it away from them, so they guard their palace jealously.
- They are the secret spiritual evil landlords that believe that you must agree to their term before you can ever prosper in that arena you came to live or to do the will of God for your life and they are very mean, that's why you should be aggressive while fighting them, because they are angry evil spirits that operate with high level of wickedness.
- They are the spiritual evil parliament that controls an environment and also decide what happens there, these set of wicked powers has a lot of knowledge about the place they dominate, and for you to conquer them you need the wisdom of God and you need the help of the Holy Spirit.

Brethren this is just the truth, you can't subdue these evil territorial powers without the help of the maker of heaven and the earth, you can't defeat them on your own because they are stronger than the strongest man on earth, but you can subdue them and bind them through the power in the name of Jesus and by the word of God you speak in authority. May the Lord grant you more wisdom and

understanding as you continue to read this book Amen.

Prayer points

1. Reveal to me oh Lord the evil personality that is operating in my environment in Jesus name.
2. Father teach me what to do to subdue the power that control the environment I found myself in Jesus name.
3. Give me oh Lord the strength I need to subdue the evil forces that controls the location I found myself in Jesus name
4. Teach me Oh Lord the secret of the evil powers that control my vicinity and how to cripple them in Jesus name
5. My Father my helper anoints me with your power afresh to subdue and dominate my environment so that the name of Jesus can be glorified in Jesus name.

CHAPTER FOUR

KNOW THE SPIRITUAL GATE OF YOUR TERRITORY

Knowledge of what to do and how to do it gives you upper hand in every situation you found yourself in life, the right application of knowledge is what

they call understanding, and I believe that for anyone to go very far in this dispensation that is full of evil such person needs divine knowledge, because you can't survive this era of wickedness as a child of God if you lack knowledge of what you should do and when you should do it. The reason why God lamented in the scripture through the mouth of two different prophets in the Bible is because His people lack the knowledge of what they are supposed to do and of what they should know.

Isaiah 5:13- "

Therefore my people are gone into captivity, because they have no knowledge: and their honourable men are famished, and their multitude dried up with thirst.

Hosea 4:6- "My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.

Jesus Christ lamented over Jerusalem when there seems to be no problem, because He could see their future and what is about to happen to them years to come, but could not help them because they lack knowledge of what is going on in the realm of the spirit neither do they know who He is nor the hour of their visitation.

Luke 19:44- "

And shall lay thee even with the ground, and thy children within thee; and they shall not leave in thee one stone upon another; because thou knewest not the time of thy visitation.

Beloveth, physical knowledge is very good but spiritual knowledge is far better, because it will brings you to a realm where you become a living oracle to people with physical knowledge. Spiritual knowledge have a way of bringing you to where you become a celebrity that everyone want to be with, because they know that by staying with you they will learn one or two things from you that will better their life. God wants us to take cities and nations for Him, establishing His

name everywhere we go and bringing His children together under one umbrella of unity, but how can this be if we fail to know what we supposed to know? How do will accomplish the plans and the purpose of God for His people, if we fail to know and to understand things that will help us to excel in His will for our life? Do you know that there are spiritual gates in every community you enter into, and at each of that gates there are powers assigned to protect it and to decide what happens in that place? Do you know that it is those spiritual gates that decide what happens to the people that live in that environment that they control? Do you know that those gates in every territory you entered are living gates, am talking about spiritual gates not the physical one your eye can see? Do you also know that each of the spiritual gates that control every territory and environment in this world has voices, and they are fearless, with their voice they challenge whoever that wants to come into their territory to prosper without paying homage to them? The best example of what am talking about can be seeing in the book of Psalm, as you read it with knowledge you will understand it better.

Psalm 24:7-10. “

Lift up your heads, O ye gates; and be ye lift up, ye everlasting doors; and the King of glory shall come in.

8 Who is this King of glory? The LORD strong and mighty, the LORD mighty in battle.

9 Lift up your heads, O ye gates; even lift them up, ye everlasting doors; and the King of glory shall come in.

10 Who is this King of glory? The LORD of hosts, he is the King of glory. Selah.

The King of Glory wants to enter a territory that is heavily guarded by territorial powers of darkness to bless someone in that very territory and to deliver someone, but the evil gates and the everlasting doors of darkness controlling that territory and the entire environment refused that He will not cross over until He introduce Himself to them as the Lord strong and Mighty, and as the Lord

Mighty in battles. After the introduction I thought that at that junction they will allow the King of Glory to pass but no, until He introduce Himself to them again the second time as the Lord of host, at that junction they know that they are in trouble if they refuse to open for Him to pass so they open their gates for Him. Brethren knowing the spiritual gates of the territory you want to possess matters a lot, because you can't possess what you did not know and understand; so you must know the spiritual gates of the territory you want to possess. Because it's very important and it will give you an edge in spiritual warfare, it will help you to prepare yourself against the forces of darkness that is in charge of that very territory you came into. The gate of every territory reveals the nature of blessing that is there, the people that dwell in that land, and the type of strength they possess and their spiritual capacity. Most environment or territory that is dominated by dark powers of darkness and their violent evil agents are places that is full of prosperity that you can't get easily anywhere, and many souls to win for Jesus Christ. Look at what Jesus told Apostle Paul in the night vision in Idol dominated area that is full of all sorts of wickedness, and aggressively wicked people that are merciless by nature.

Acts 18:9-10. "

Then spake the Lord to Paul in the night by a vision, Be not afraid, but speak, and hold not thy peace:

10 For I am with thee, and no man shall set on thee to hurt thee: for I have much people in this city.

In every darkness dominated territory that is highly infested by demonic powers and all manner of diabolic activities there are hidden treasures of darkness there, and hidden riches in those secret place that physical eye cannot see, and that is why the evil powers in that environment will not just allow you to enter their territory to take any of them unless you submit to them, and enter into covenant with them to serve them the rest of your life, or still you rise up and wage spiritual warfare against them standing on the word of God with your heart full of faith. When God wanted to establish His servant the Persian king Cyrus that

will conquer nations in those days the first thing He revealed to him is the two leaved gates that control that territories; He started by opening the two spiritual leaved gates to him, immediately Cyrus discovered the gates and access them the rest was history, his ways prospers and he became very successful in all that he put his hands into, because the two spiritual gates that would have challenge his authority and slow down his success and breakthrough has already been open unto him.

Isaiah 45:1-3. “

Thus saith the LORD to his anointed, to Cyrus, whose right hand I have holden, to subdue nations before him; and I will loose the loins of kings, to open before him the two leaved gates; and the gates shall not be shut;

2 I will go before thee, and make the crooked places straight: I will break in pieces the gates of brass, and cut in sunder the bars of iron:

3 And I will give thee the treasures of darkness, and hidden riches of secret places, that thou mayest know that I, the LORD, which call thee by thy name, am the God of Israel.

Jericho for example is another mighty city with mighty men of valour, we were made to understand that the wall of that city is very tall and very wide, wide enough to carry a house on it, because the house of Rahab that harlot that saved the two spies that was sent to check out the land of Jericho was built on top of that wall, the gates of that city was also extra-ordinarily strong and invincible. If you study your Bible very well you will discover that after the city of Jericho has been defeated through divine help from above, Joshua the man of God has to place a curse on anyone that will build it, and it happened according to his word. Now there are two things in Jericho that gave the children of Israel tough time; these things are so powerful that it was until the Israelite dealt with them they could not possess Jericho; the first is the wall and the second is the gates.

Joshua 6:26- “

And Joshua adjured them at that time, saying, Cursed be the man before the LORD, that riseth up and buildeth this city Jericho: he shall lay the

foundation thereof in his firstborn, and in his youngest son shall he set up the gates of it.

Joshua made this pronouncement because the walls of Jericho and the gates are the confidence of the inhabitants of the land, and if they should rebuild it again their rebellion will continue. Unfortunately many years after Joshua had placed that curse on Jericho, a man still went ahead to build the wall of that city and to raise the gates also, and the word of Joshua the son of Nun came to pass in his life, because it has divine back up.

2Kings 16:34- "

In his days did Hiel the Bethelite build Jericho: he laid the foundation thereof in Abiram his firstborn, and set up the gates thereof in his youngest son Segub, according to the word of the LORD, which he spake by Joshua the son of Nun.

You can't take a city whose gates you cannot locate spiritually, neither can you defeat territorial powers you fail to understand the way they operate, and how they carry out their wicked satanic duty. Beloveth knowing spiritual gates of the territory you are is necessary and no matter how you try to look at it, you can't excel until you discover the spiritual gates controlling that location you found yourself. Before the children of Joseph could conquer Bethel, they first of all discover the entrance of the city which represents the gates before unleashing their fury on the inhabitant of the land they want to capture.

Judges 1:22-25. "

And the house of Joseph, they also went up against Bethel: and the LORD was with them.

23 And the house of Joseph sent to descry Bethel. (Now the name of the city before was Luz.)

24 And the spies saw a man come forth out of the city, and they said unto him, Shew us, we pray thee, the entrance into the city, and we will shew thee mercy.

25 And when he shewed them the entrance into the city, they smote the city with the edge of the sword; but they let go the man and all his family.

Brethren you must discover the gate of the city you want to take and device the means of taken it, the children of Joseph did their job very well before going against the inhabitants of that land to conquer them, they captured someone that knows the way to where they wanted to capture and he showed them the gates. You can never take any city until you know the way that lead to that city and after that device your own plan to destroy the powers controlling that land. Remember this reality, unless you know the truth about the gates of the city you wants to capture, and how to capture it you will never be able to take that city. Selah

Prayer points

1. Father give me the wisdom to conquer satanic territories of darkness that is dominated by evil forces of darkness for too long in Jesus name
2. Every satanic powers refusing that I will not prosper in the location I found myself, I bind you and destroy your power in Jesus name
3. You satanic gate keeper threatening to frustrate my life and ministry in that environment I found myself, be consume by fire in Jesus name
4. Gates assigned by God to open for me in this season, I command you to open for me by fire in the name of Jesus.

CHAPTER FIVE
UNDERSTAND YOUR SPIRITUAL CAPACITY

Suddenly the men of David and the men of Saul met and they decided to test their powers, they started and it all started as a game, as the game was going on the Bible made us to understand that the men of David overpowered the men of Saul and in the process of the Battle. The commander of the army of Saul decided to run for his dare life haven instigated the whole thing, because the battle took another shape from what he list expect, and it was not in his favour. Now as he was trying to flee using his horse, the youngest son of Zeruiah named Asahel went after him, as he was chasing after him the man (Abner) by name try to warn him to go back but he refused to turn away from him, and because of that singular act he was killed by Abner, because he fail to understand his own capacity and strength, he fail to understand and to admit that he was not a match for Abner. **2Samuel 2:14-23).**

So also it is in spiritual warfare, to take a city successfully you must build up yourself in the knowledge of the word of God, you must grow spiritually and develop your spiritual ability to be able to stand against the forces that control where you want to go and take possession of. It's a suicide mission sending a lighter weight to go after a heavy weight in battle so many soldiers of Christ have died at the battle front, because they failed to admit that they are not a match to the powers they wants to conquer. Beloveth all demons are not in the same spiritual level, all fallen angels does not operate with the same spiritual capacity, you must understand this that in the spiritual realm there are spiritual

hierarchy. Are you not surprise that the spiritual prince of Persian kingdom the satanic angel in charge of Persia the strongman over Persia could stop the angel assigned from heaven by God to meet the need of Daniel from reaching him why? Because the satanic prince of Persian kingdom I believe is higher than the angel coming to minister to Daniel in rank, that angel has to call for reinforcement through the prayer of Daniel, and a higher angelic being appeared in the person of Michael the arch angel to assist the one that was withheld in the heavenly realm for twenty one days before he was released to deliver his message to the owner.

Daniel 10:12-13. "

Then said he unto me, Fear not, Daniel: for from the first day that thou didst set thine heart to understand, and to chasten thyself before thy God, thy words were heard, and I am come for thy words.

13 <u>But the prince of the kingdom of Persia withstood me one and twenty days: but, lo, Michael, one of the chief princes, came to help me; and I remained there with the kings of Persia</u>.

If Michael the great angel and the angelic prince in charge of Israel had not come for the rescue of that angel, he would have remain in the custody of the prince of Persia for God knows when, so knowing and understand your spiritual strength and capacity is important in spiritual warfare, because without it the powers in charge of the territory you want to take away will over power you and subdue you rather than you subduing them. You must tell yourself the truth and don't allow anyone to deceive you, it is true that we can do all things through Christ that strengthens us, but there are some spiritual matters that we must not dare until we grow up spiritually to handle that matters. if God is helping you in your work with Him keep on developing yourself in the knowledge of Him, keep building yourself in His wisdom don't look back, and keep growing in the things of the spirit until you get to that level that Apostle Paul get to that made the demon in that man to recognized him and to confess that they know him and Jesus Christ his master.

Acts 19:15-16. “

And the evil spirit answered and said, Jesus I know, and Paul I know; but who are ye?

16 And the man in whom the evil spirit was leaped on them, and overcame them, and prevailed against them, so that they fled out of that house naked and wounded.

That demon recognized Paul the Apostle and Jesus Christ his master beloved what about you? I believe you want to grow spiritually to that spiritual level where no power of darkness will disobey your instructions, and God is ready to see you grow in the knowledge of Him, don’t be redundant build up yourself spiritually and become the man or woman that God has destined you to become according to His perfect will. The truth is until you get to this very spiritual level you can’t go far in whatever you are doing here on earth, because the forces of darkness that are stronger than you will always come to you to overpower you and to frustrate the good work that you are doing. Build your spiritual stamina in the Lord, and in those things that will help you to grow fast and become a formidable force that has power over all spiritual evil forces. Remember until you grow up in the spirit there are evil powers of darkness that will never ever bow to your instructions, because they know that even if they disobey you there is nothing that will happen to them. They understand what the scripture says about being in readiness to punish all disobedience; they know that there is a statement that says that your own obedience must be complete before you can punish them.

2Corinthians 10:6- “

And having in a readiness to revenge all disobedience, when your obedience is fulfilled.

Beloveth, you must grow in the knowledge of God and build your spiritual strength continually because failure to do this could put you in a very big trouble

that is bigger than you. I pray that God will grant you understanding of how to go about this as we look at how to build our spiritual capacity.

How can you build your spiritual capacity?

- By given your life and everything to God as your Lord and saviour, doing everything possible to please Him in all sincerity that is one of the ways to grow our confidence in God. When we have done this fighting the enemy won't be a problem anymore, because we know that God is interested in us to help us win the war.
- You must grow in the knowledge of God and that can only happen, if you make out time to work with Him, God wants to reveal Himself to us, but we are far from Him. That is why the Bible says draw near to God and He will draw near to you, you can never know anything about Him that will help your spiritual growth unless you know Him personally and that is possible when you draw near to Him.
- Give yourself to the knowledge of the word of God, the Bible advised us to study so that we can be approved by God as a workman that need not to be ashamed, but knows how to rightly divide the word of truth by given it perfect analysis. If you want to build your spiritual stamina and be very strong spiritually, then the word of God must be your best book, read it till you become very great, read it till it become your life style.
- Give yourself to the art of meditation, the art of meditation is one of the spiritual exercise that the people of God has failed to practice today, we hardly talk about meditation in the church today because a lot of people don't understand how to do it. We left this powerful spiritual exercise to the people in the dark world and to the children of the bondwoman to continue to practice it, even when the Bible told us to meditate on all this things, we find it difficult to obey the word of the Lord. May the Lord bring us back to this great practice as we continue to grow in the knowledge of Him because it is very important!
- Commit yourself to a life of fasting, one of the dynamic spiritual exercise

that we don't like today in the church of God is fasting, if you want to know whether your members are growing in the knowledge of God or not, declare some days of fasting and prayer in your church, the people you see from the beginning of that program to the last day are the real member of the church. There is power in fasting the more you fast, the stronger you become in the spirit and the more the enemy bow down to your command and instructions.

- Give yourself more to a constant prayer, because this very exercise will catapult you to a higher spiritual grace where you can decree anything according to God's plans and no demon will question your spiritual authority. Prayer brings you to a level where you become very strong to face all spiritual agents of darkness and their human agents, prayer brings you to where you can confront them easily and deal with them severely, prayer brings you to where you can confront any circumstance that wants to disgrace you, so keep building yourself in daily prayer, raise an altar of prayer before God and maintain it constantly.
- Always pray in the Holy Ghost, this will help you to enhance your spiritual inner power and the ability that hides in you for a very long time, it will help you to work more in the spirit with the ability to see things ahead of time before they come to you. Praying in the Holy Ghost has the ability to launch you to uncommon spiritual dimension where you can face any demonic powers and their human agents and deal with them seriously, so make it your life style to pray in the Holy Ghost.

The more you grow in all this act as it is listed here the stronger you become, remember God is interested in your spiritual growth, because that will usher you into the realm where you become the true ambassador of Christ here on earth to the glory of His name. Amen

Prayer points

1. Help me oh Lord to grow in the things of the spirit according to your will in Jesus name.
2. What soever that wants to stop me from spiritual growth, be destroy

by fire in Jesus name.

3. Every satanic obstacle to my spiritual maturity in the things of the spirit be destroy in the name of Jesus.

CHAPTER SIX
YOU MUST CONFRONT EVIL PRINCE

To capture spiritual demonized location and community you entered into to do business or to pioneer a church, and subdue the territorial powers in that area that has been in charge of the area for so many years; there are certain things you must know and do, and it is good you understand them very well before taken any step further. You must know the principalities that are in charge of that very community you came into and the human agents he usually worked with. You must know and understand the operation of the powers in charge of that community you entered into. You must confront the power of darkness that is in that community through spiritual warfare; and that is no negotiable at all. The reason is because every community has an evil ruler in charge of them placed by Satan the devil to decide the fate of the people that dwell there and how far they will succeed in that place. Some of these evil rulers are physical while so many of them are spiritual personalities just like the prince of Persia whose operation is in the spiritual realm of that kingdom of Persia.

Every end time warrior knows that there are spiritual entities in every community and in every state and countries that rule the countries, states, and

communities through the physical rulers they established by their powers. These spiritual entities controls nations and cities through the physical leaders, and use them to achieve their goals in that domain. Sometimes they use them to fight war so that they the evil forces of darkness will have enough blood in their spiritual blood bank. They can use them to set up evil spiritual policy that is unfavourable to the poor of the land or Christians that believe in Christ just to frustrate them and scatter what they do for God. That's why Paul the Apostle advised us to pray for the people in authority and our leaders so that we can live peaceably in the land. He said this as a spiritual man because he knew that there are powers that won't allow you to enjoy peace as a Christian except we tie them down through prayer. The best example of the devil using leaders and those in authority against the church of God is that which happened in the book of Act

Act 12:1-3. **"**

Now about that time Herod the king stretched forth his hands to vex certain of the church.

2 And he killed James the brother of John with the sword.

3 And because he saw it pleased the Jews, he proceeded further to take Peter also. (Then were the days of unleavened bread.)

It is a must you confront them if you must take back what belongs to you and be in charge. Brethren we need to know this truth that the forces we are dealing with are not naïve, neither are they stupid they are very intelligent and they know what they want. When you come after them the first thing they do is to check your spiritual credential to know whether you are qualified to harass them; they check your spiritual strength to know whether you have what it takes to deal with them, if they discover that you are not a match to them they will come after you and deal with you ruthlessly. That is why the scripture said that you must have that readiness to punish all disobedience when your own obedience is complete.

2 Corinthians 10:6- "

And having in a readiness to revenge all disobedience, when your obedience

is fulfilled.

Spiritual rulers are very real and they are in every country of the world, they are in every state and any city you can think of, they are in communities, and in every village, they are in all environments you entered into, Satan positioned them in all this locations including streets. These evil powers are the one the Bible described as the RULERS OF DARKNESS OF THIS WORLD. These powers are naturally wicked and they are many in their numbers, and they have their agents that work directly under them everywhere. These powers of evil and wickedness are the reason why there is no peace anywhere in this world; they are the brain behind all the atrocities that happens everywhere in this world today. In every geographical area you enter in this world today there are evil personalities assigned there, and they know what they ask them to do in that area. These merciless and aggressive wicked soldiers of darkness are the once controlling the environment they live, they also decide the fate of the inhabitants that live there; they are not merciful at all and they don't understand that word called compassion. They don't like defeat and they hate anything that threatens them that is why they usually fight their target with so much hatred and aggression.

For example you will discover that the demons that possessed that particular man in the Bible once said this to Jesus Christ; have you come to torment us when the time has not come, they also beg Him not to chase them out of their geographical location because they know that He has the power to deal with them and to cast them out of that area. The question we need to ask is why do these unclean spirits want to remain in that location where they have been doing all manner of evil for long?, why do they want to remain in the area where all they do is wickedness and nothing else? Why are they begging Jesus Christ to live them in that location this are the things we need to enquire and understand. I will say that the answer is because that is the place they have been assigned to operate and to carry out their wickedness; they don't want to lose that location to anyone because they will suffer humiliation and shame from their kingdom if they dare return just like that. They know that they can't fight our master Jesus

Christ neither can they confront Him that is why they have to beg Him to allow them stay in that land, because they know they have a short time.

Mark 5:9-10. “

And he asked him, what is thy name? And he answered, saying, my name is Legion: for we are many.

10 And he be sought him much that he would not send them away out of the country.

Brethren this scripture talks about the position of the wicked powers, they don’t like moving out from where they dominate for any reason, because they believe that they are the son of the soil; they have been on earth before human being were formed by God, and they know and understand so many things about the earth that human being do not know, because they have been carrying out one research to another just to understand the earth better, and to be able to manipulate the inhabitants of the earth. They don’t want children of God to have any access or any claim to the earth which happens to belongs to them by right according to the scripture. These powers can easily be describe as the spiritual princes designated by Satan to do as they wish in that location they control, and they do whatever that pleases them, because they believe that the territory belongs to them and has been allocated to them from the beginning. These set of evil powers are the forces that carry out wickedness without looking back, they kill people without mercy because human being is the food they eat, and their blood is the water they drink. That is why the scripture talk about those that want to eat our flesh and the drinkers of blood.

Psalm 27:2- “

When the wicked, even mine enemies and my foes, came upon me to eat up my flesh, they stumbled and fell.

Isaiah 49:26- “

And I will feed them that oppress thee with their own flesh; and they shall be drunken with their own blood, as with sweet wine: and all flesh shall know that I the LORD am thy saviour and thy redeemer, the mighty one of

Jacob.

When you carefully look at this very scriptures you will discover that they have something in common, the first one talk about the eaters of flesh and the second one talk about our oppressor drinking their own blood as with a sweet wine. The evil one is the eaters of flesh and drinkers of blood. These powers destroy family that are at peace with each other by planting hatred in their heart so that through that means they can be separated or still kill one another; they scatter successful business without looking back just to make the owner poor overnight. They are the powers that subject people that they are after into a terrible situation that will kill them at the end of the day. These are the evil spirits behind acidic poverty and terrible wretchedness you see in so many families and homes; they have special hatred for anything that has to do with human progress: the people that are free from their attacks are those that enter into covenant with them by blood and working with them as their human agents here on earth. These evil creature are the enemy of progress, you can describe them as the anti-progress demons, because they hate progress of the children of God. You can also describe them as the anti-miracle demons because they specialize in waging war against anything miracles in the life of people that needs it in the church of God and outside the church. They are the powers that hinders so many prophetic pronouncement making sure that they never come to pass in the life of that person that have the prophecy; so that the person will conclude that his pastor is a liar. They fight those things that will bring glory and honor to the name of God, because they don’t like such things; you may wonder why they do all this wickedness against people, they do this because they hated man with perfect hatred, and that is why they always want to frustrate anything that has to do with the destiny of man in other to destroy their future. These evil princes are fearless and they are deadly in their mode of operation if you must survive them you must rise as a warrior and deal with them in the name of the Lord. The best time to wage war against them is in the night when they gather together to deliberate on their next line of action; remember they are the rulers of darkness of this world. They rule in

darkness and carry out their assignment in darkness; they only look out in the day time to see whether the evil they deed is working as they have programmed it. That is why I said that the only language they understand is violence and aggressiveness in prayer that stands on the word of God, anything short from this truth does not move them nor scare them. Now to capture spiritual geographical area you enter it is a must you fight, you must confront the powers that be in that community in spiritual warfare, failure to do this forget about prosperity. Finally you must allow Jesus the King of kings and the Lord of lords to help you and teach you what to do, you must give Him a chance in your life to help you win your battles. You must trust Him that He can help you out of every battle that is troubling you in that community you found yourself, once you have this believe in Him and you hold unto His word the rest will become history. May your understanding be open as you do so in this era Amen?

CHAPTER SEVEN
TAKE BACK YOUR SPIRITUAL LOCATION

In the quest of taking back your spiritual territory from the evil territorial rulers of darkness that has been occupying it for a very long time, you must know this truth and let it be very clear to you beloved that there is a need for battle. The reason is because powers of darkness in each location you enter will never allow you to take their place away from them without you waging war against them, and that is where spiritual warfare comes in. You can’t take back what belongs to

you if you are not ready to fight the powers that took it away from you. Satan does not release whatever he collect from anyone except the person fight for that which he took away from him violently and with all seriousness; the reason is because the kingdom of darkness never let go that which is in their custody and under their care. That is why spiritual warfare is not negotiable because unless you fight the powers of darkness and take back what rightfully belongs to you they will never let go, even though they know that it belongs to you. If you carefully study the Bible and do thorough meditation on the word of God you will discover that Israelite could not possess any city that God gave them until they confront the inhabitants of that city in battles and destroy them before they could be in charge. There is a scripture I usually mention in so many books that God has given to me and that scripture is in the book of Deuteronomy, I want us to look at it because it has a lot to do with what we are reading now.

Deuteronomy 2:24- "

Rise ye up, take your journey, and pass over the river Arnon: behold, I have given into thine hand Sihon the Amorite, king of Heshbon, and his land: begin to possess it, and contend with him in battle.

Child of God the life of every genuine Christian can be compare to the experience of the children of Israel in the wilderness and on their ways to their promise land, though God was with them performing all manner of wonders in their midst and in their lives, and they know it, yet they could not do without doubting Him sometimes. The wilderness where they are for a very long time can be compared to the planet earth, the land of promise given to them by God can be likened to our home in heaven the paradise of God, demonic powers that do not want us to achieve our goals are the giants in that land and all the soldiers and the inhabitants of those nations that had vow that children of Israel will never step into what belongs to them. You discover that it was when the Israelite understands that there is a need for battles that they began to wage war against all opposing nations that do not want them to take over their inheritance, and as they do that the enemies gave way for them to possess their possessions. The

truth is that we can never enjoy the promises of our God so long as the earth is concern unless we wage war against evil powers that do not want it to happen. God has given us a lot of things that pertain to life and godliness, He has given us everything to enjoy. He even told us in His word that all things belongs to us in Christ, Satan and his allies knows that God has truly given us everything, but they have make sure that we won't enjoy those things until we fight for those spiritual items, and snatch them out of their hands by force, that's why we must earn them by a fight of faith or else we remain the way we are suffering with nothing to show for our suffering.

1Timothy 6:12- "

Fight the good fight of faith, lay hold on eternal life, whereunto thou art also called, and hast professed a good profession before many witnesses.

The earth belongs to our God and as the original heir apparent born of God we must defend the territory that belongs to us and it is by fighting for it; we must confront all these wicked powers claiming the ownership of what does not belongs to them; we must wage war on them to get what belongs to us. If we fail to do this nothing will ever change in our life or around us. You may ask a question like what about those people that are not doing anything and they are making it? The truth is nobody can ever or has ever excel so long as the earth is concern without God helping him by His mercy or Satan helping him by his wickedness in other to take him along with him to hell fire at the end of the day. I said this because the kingdom of darkness has no free gift to offer anyone no matter how long you serve them; it is only the kingdom of God that produces a free gift that added no sorrow to the life of the owner. There is a serious need for open confrontation over your right so long as the earth is concern, keeping quiet is very bad at a time like this; you must be vocal and aggressive when it comes to spiritual matters, because the powers of darkness we are confronting are very evil and dangerous, they don't show mercy to anyone. You must fight them ferociously and violently, wake up and declare enough is enough to them. When you have done the right thing by fighting for your right in Christ and have dealt

with the evil allies of darkness through the knowledge of the word of God they will now allow you to take over what belongs to you. Beloveth, that is the only way you can be in charge here on earth and begin to enjoy your inheritance without interruption. God stood by the children of Israel and deliver their enemies into their hands, so also He is with us to give us victory as we obey His divine instruction and carry out His perfect will for our life. We must confront the evil one and deal with them ruthlessly there is no two ways about it, is either we fight and recover or we refuse to fight and remain a slave of the enemy. Israelite fought for what belongs to them and God help them to recover their land of promise do the same today and recover all.

Deuteronomy 2:33-34. “

And the LORD our God delivered him before us; and we smote him, and his sons, and all his people.

34 And we took all his cities at that time, and utterly destroyed the men, and the women, and the little ones, of every city, we left none to remain:

Confrontation is a must if you must recover all: and without you fighting spiritual warfare there is no how you can ever take back what belongs to you; the only way is by fighting for your right and God is ready to bail you out by His power. The Bible says that they go from strength to strength as they keep appearing before Him, anytime you come before God to call on Him over a matter that He is in support of, wonders will happen, the reason is because He will increase your strength. Beloved do you know that your business can become bigger than the size you see now if you are ready to fight against the forces that is saying no to your growth. That ministry; and church that has only thirty congregations for more than five years now can grow beyond that level, if you will rise in the place of prayer and fight against forces that retard spiritual growth in that environment that you are living. The enemy will never allow you to achieve any great success unless you fight for It; they won’t give you that opportunity unless you prove to them that you are worthy of that success you desire to achieve by waging war against them. God knows what you desire and

He knows how much you need that thing you desire, but unless you ask for it with all seriousness and destroy every satanic road block against that request you will never have what you desire. May He grant you understanding as you meditate on everything that you have just read now and help you to practice them for that is the most important thing to do. To read is not the problem where the problem lies is in doing, I pray you do that which you have seen and study in this book for your own good Amen.

CONCLUSION

God by His power allow some evil powers to be free on earth to move around and to dominate so many territories spiritually so that through them His people that called on His name can learn the art of spiritual warfare. Those evil spirits are there because God is waiting for His church to expel them out of where they possessed as their own. God has put so many things in place He is just waiting for the believers in Christ to wake up and begin to fight for their right through spiritual warfare to take them back and take over all that belongs to them because He won't do it for us. There is no place that belongs to Satan and his allies so long as the scripture is concern, the only place where they are permitted to go is the lake of fire, though he deceived Adam and Eve to take their position from them, but when the second Adam came and defeated Satan and all his principalities and powers and made open show of them on the cross, He handed over the victory to all genuine Christian that will dare to work with Him in spirit and in truth. Look at the assurance He gave to all genuine believers, those that dare to believe in His name.

Mark 16:17-18. “

And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues;

18 They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.

These signs are available for those believers only that follow God foolishly, those people that are ready to work with God not minding what people will say, or the nature of situation and condition they found themselves. The signs are very real peradventure you doubt it, God answers prayers if you are willing to stand for Him and by Him in this end time to take up His word and begin to declare it among those people that has being held captive. His power has been handed over to us, and now is the time for us to begin to demonstrate that which we have in Christ because they are of no use in heaven and they are useless in the grave yard. Utilize the grace of God upon your life and put His power upon your life to work over the location you found yourself and the forces controlling that territory will flee for their live and the name of our God will be magnified. Always remember this; the devil we are fighting with is a clever personality and a very crafty creature that is very wise and he understand war strategies very well, he is the master of guerrilla warfare, he and his agents has been dealing with human being for many thousands of year. Satan and his fallen rebellious angels have been in heaven for millions of years and they have work with God before they turned against Him. So they know so many things that we do not know and they have upper hand than us when it comes to the things of the spirit. That is why we need the person of the Holy Ghost to help us and assist us in whatever we wants to do, especially in taken back our location form the territorial devils that has taken over them for many years before we get there. The power is in us and God has given us all that we need to win this war, we must fight by His power and through His word until we are fully in charge of that geographic location where we came to establish His work, you have the power all you need to do is to activate it and it will manifest through you.

Luke 10:19- “

Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

I stand to say this because to take a city back from the evil powers that have dwell there for too long you need power, and God has the greatest power in heaven and on earth in His hands. He knows that we are no match for these evil powers that is why He promised us that He is with us even to the end of the earth, look at it from the scripture

Matthew 28:18-20. “

And Jesus came and spake unto them, saying, <u>All power is given unto me in heaven and in earth.</u>

19 Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost:

20 Teaching them to observe all things whatsoever I have commanded you: <u>and, lo, I am with you always, even unto the end of the world</u>. Amen.

So you need the power of God to be able to take your city for God and be in charge of your location, and subdue the forces of darkness in your territory, God is ever ready to empower you if you are ready to pay the price because nothing is free. God is interested in your area of location because that is where your spiritual visitation will always come from, your geographical location in life and in everything you are doing matters a lot. The brothers of our Lord Jesus Christ once advised Him to go to where He will be discovered by people that needed His works, because they felt that He is in a wrong location and He need to go to the place where people will see Him and come and appreciate what He is doing instead of Him hiding Himself from people that supposed to know Him and come to Him.

John 7:3-4. “

His brethren therefore said unto him, Depart hence, and go into Judaea, that thy disciples also may see the works that thou doest.

4 For there is no man that doeth anything in secret, and he himself seeketh

to be known openly. If thou do these things, shew thyself to the world.
Beloveth in life you must locate where you belong and where you are needed, you must locate your spiritual location, because all the benefit you are waiting for will come to you in that place. God could have come through any other tribe in the person of Jesus Christ, but He chooses to come through the Israelite from the tribe of Judah so that His word will be fulfilled. Location in life matters a lot, so many companies and industries today always look for strategic place to open their company so that the people that is looking for them can easily locate them and do business with them. Every show room is at the strategic place where people that needed that product live, stays and does their business not in the hiding place. So why will you hide yourself and your own business all because you want to prove that you are holy and that God can do anything anywhere, beloved there is no doubt about Gods ability to do all things, but nothing is wrong in you locating the right place where God has prepare for you to flourish and to prosper. The Bible says that the children of the world are wiser in their own ways than the people of the kingdom, because they know what they want and how to get it. Beloveth, how can a pharmaceutical stores be in the heart of the city, a night club, the red light zone where prostitutes usually comes to, the gamblers joint, whereas the church of God is located in a hidden part of that same city, and we are deceiving ourselves by saying that it does not matter, who told you that? Do you know that the reason why a lot of people that wants to come to church are not coming most time is because of the location of that church they wanted to come to? God can visit a man anywhere he is at any time to bless him, but it’s never a sin to position yourself for God’s visitation and blessing, neither will God be angry if you move to a strategic arena to preach about His name and to tell people about what He can do. Spiritual geographical location has a lot to do for you, in those things you are doing that you want people to know and recognize. The earlier you understand this very well the better for you, don’t ever give up, go for the best until you achieve what you desire to achieve and God glorify His name through you don’t stop Amen
